

## TV memories...

---

in connection with [this thread i had started sa music and radio forums...](#)

marami sa inyo ang siguradong laking-TV, tulad ko...and i'm pretty sure, marami pa kayong mga naaalala tungkol sa mga napapanood 'nyo noon, mapa-programa o commercial...o kaya mga theme songs o jingles na nakakatatak na sa mga isipan 'nyo...

i-share 'nyo naman dito! 😊

(hep hep hep...mapa-kapuso man o kapamilya, BAWAL ANG AWAY, ha? peace tayong lahat, at least sa thread na 'to...ayos ba? 🙏)

my TV memories:

Champoy  
John En Marsha  
Eat Bulaga with Tito, Vic, Joey, Aiza and Coney  
one of the first runs of Voltes V on Philippine TV  
Batibot (batang Batibot ako! alin, alin, alin ang naiba!)  
those BEAUTIFUL tourism-inspired Philippine Airlines TV ads.

### *Champoy*

i never got to see "champoy" in its original run on primetime (dahil 'di pa ako pinapanganak noon), pero thank God for RPN replaying it on weekday afternoons in the '90s...i loved it so much--mula sa tandem nina subas at noel, to "mr. boom-boom" (yeah, yeah, yeah-yeah-yeah-yeah...) and "walang sisihan", to tessie tomas as amanda pineda, to the musical numbers--na nakabisa ko 'ata 'yung theme song...subukan natin...

champoy, champoy,  
subukan 'nyo ang champoy  
aba, 'di ba, ibang-iba ang lasa?  
sa unang tikim, 'kala 'nyo'y matamis,  
biglang aalat, parang nang-iinis  
champoy, champoy,  
ibang-iba ang champoy...

champoy, champoy,  
ang tao'y parang champoy...  
mayro'ng payat, mayro'n ding parang bondat  
matangkad ang nanay, anak ay maliit,  
magandang babae, boyfriend ay pangit  
champoy, champoy,  
ang tao'y parang champoy

champoy, champoy,  
buhay ay parang champoy...  
kaya sana, tawanan ang problema  
minsa'y tahimik, minsan ay magulo,

ganyan talaga ang takbo ng mundo...  
champoy, champoy,  
buhay ay parang champoy...

yan nga yun, ka-campus sirloin! 😊

Champoy was one of the forerunners of modern gag shows on Philippine television. kakaiba pa nga yan kasi talagang naka-tuxedo sina Subas Herrero (who, i think, is a very versatile actor as he can do roles ranging from Champoy gags to being an antagonist to FPJ) at Noel Trinidad tapos nandoon din sina Tessie Tomas (who, that time, had just left her position at McCann-Erickson Philippines to pursue her showbiz career), Gary Lising, Ronnie Lazaro, Mitch Valdez and Cherie Gil. may guest pa nga silang mga artista weekly. 😊

i was quite lucky siguro to catch Champoy's original run during its last days on RPN. yung iba, sa replays ko na lang napanood.

Mr. Boom Boom and Walang Sisihan! 😊

That's Entertainment? oo naman. anong group ang paborito mo? 🇹🇼 😊

^ ako, tuesday group, lalo na no'ng time na magkakasama pa do'n sina mane, janno at billy (joe)... 🤖

and "saturday entertainment"? ay, naku, 'yun ang matindi...talagang inaabangan ko kung sino ang panalo sa production numbers! 😊

baduy na kung baduy, pero hindi kumpleto ang kabataan ko kung walang "that's entertainment"! lagi kasing nanonood yung mga yaya ko nun... 😊

ka-campus sirloin: mainstay na yata ng weekday and Saturday afternoons ang That's Entertainment at that time. wala yatang bahay na hindi nakatutok sa That's noong mga panahon na yon. 😊

Tuesday group? yun ba yung palaging nananalo sa mga lavish production numbers nila tuwing Sabado? 🤖

another thing i loved about "champoy" was, kung gaano sila katindi sa pagpapatawa, gano'n din sila ka-seryoso sa mga musical numbers with their guest stars...based on the episodes i watched, it would usually be cherie gil (who sings very well, i must say), or subas and noel (na magagaling din kumanta) along with their guests...

one episode na talagang tumatak sa isip ko was when bert and martin nievera guested on the show. for one thing, sa "mr. boom-boom" segment, martin was still very "bulol" with his tagalog while attempting to sing the "mr. boom-boom" theme, pero "to the rescue" ang kanyang daddy bert, who sang the theme in a "ballad-ish" kind of way...

tapos may commercial spoof pa sila doon for that episode: gasoline mouthwash (a stab at listerine), with the sing-song slogan, "brush your breath, brush your breath, brush your breath with gasoline!" 🤖

ka-campus sirloin: ibang iba talaga sila sa Champoy that time. no holds barred ang mga gags nila. siguro if we are to compare their gags with the gags of modern gag shows like Bubble Gang, sasabihin natin na baduy yung sa Champoy but, still, Champoy was one of those who started all the gags on Philippine television.

oo nga pala. kasama pala sa cast si Joel Torre. nakakatawa ang istorya kung paano nakasama sa cast ng Champoy sina Ronnie Lazaro at Joel Torre. si Ronnie Lazaro, assistant daw ni Peque Gallaga tapos si Joel Torre naman, P.A. sa show. 🤖

hi jenny!

That's Entertainment? oo naman. anong group ang paborito mo? 😄

thursday group ako,kasi fave ko nun si kanamesung na si Jennifer

Sevillia (Look a like ko daw b4,hindi na ngayon 🤖)Pangit na kasi

sya 😄 ako na lang ang nanatiling kagandahan 😄 jowks 😄

oo nga pala. kasama pala sa cast si Joel Torre. nakakatawa ang istorya kung paano nakasama sa cast ng Champoy sina Ronnie Lazaro at Joel Torre. si Ronnie Lazaro, assistant daw ni Peque Gallaga tapos si Joel Torre naman, P.A. sa show. 🤖

and this i read somewhere, too: kamay ni joel torre yung nasa loob ng "mailbox" na props nina subas at noel sa "walang sisihan" portion...siya yung nag-aabot ng mga sulat ng mga viewers... 🤖

ayan, another random thought....'yung unang line ng theme song ng dating "GMA supershow" ni kuya germs: "there's this feeling every sunday..." ('di ko na maalala 'yung lyrics, pero yung tono, tanda ko pa rin! 🤖)...parang nangingibabaw pa yung mga boses nina la greta at jackie lou doon sa theme song. hehehe! 😄

GMA Supershow.... hmmm... hindi ko rin matandaan ang theme song ng program na yan. however, may natatandaan akong isang bagay about GMA Supershow: BELLESTAR DANCERS. 🤖

*GMA Supershow.... hmmm... hindi ko rin matandaan ang theme song ng program na yan. however, may natatandaan akong isang bagay about GMA Supershow: BELLESTAR DANCERS. 🎵*

*sayang. wala nang Bellestar Dancers sa Walang Tulugan ngayon. 😊*

*ay, oo! "be-le-star" pa pronunciation ni kuya germs do'n. hehehe. 😊*

not only that... 'yung sandamakmak pang mga babaeng co-host ni kuya germs noon... sharon cuneta, gretchen barretto, jackie lou, lani mercado, mariz, dawn zulueta, zsa zsa padilla, jam morales, rachel anne wolfe... and many more! 😊 noong last two or three years na lang 'ata ng "supershow" nagkaroon ng male co-hosts: john nite (na pamangkin ni kuya germs), richard reynoso, chad borja and the rainmakers... 🎵

Lovingly Yours, Helen

Lovingly Yours, Helen... a virtual staple during Sunday afternoons right after GMA Supershow.

of course, Lovingly Yours will always be remembered with Helen Vela and its theme music, "Ballade Pour Adeline" by Richard Clyderman. things changed when Helen Vela died of colon cancer on February 14, 1992.

"Ballade Pour Adeline" sample on IMEEM:

Pakilagay po sana kung anong TV network yung mga palabas. Para po malaman ko

GMA:

GMA Supershow  
Lovingly Yours, Helen  
That's Entertainment

RPN:

Champoy  
Eat Bulaga (until 1989 when it moved to ABS-CBN)  
John En Marsha  
Batibot (morning show; afternoon show was with PTV 4, now NBN)

IBC:

Voltes V

another part of my TV memories:

Coney Reyes on Camera, a Saturday afternoon staple that aired right after Eat Bulaga until EB decided to move to GMA from ABS-CBN in 1995.

Coney Reyes on Camera, along with Eat Bulaga and Agila, initially aired on RPN but when the network got sequestered by the Aquino government, the three shows and IBC's Okay Ka, Fairy Ko moved to ABS-CBN in 1989.

Coney Reyes' signature song: "It's My Turn" by Diana Ross

*the very fun game show with Eric Quizon and others... the ones with games such as Pera Mount, and many other fun games.*

"ready, get set, go!"...and michael v. rapping before each game at bago mag-commercial...ang hosts n'yan, sina eric quizon, carmina villaroel at eagle... 🇵🇭

that was 11am on ABS every sunday...pero bago 'yan, may "eh kasi bata!" at 10am with aiza segueria, kathleen go-quieng, rr herrera and la lopez ("trivia, trivia, hu-ha!" 🇵🇭)...

and of course, really going head-to-head at noon against kuya germs and his bevy of co-hosts in the early '90s were the APO and their own bevy of co-hosts (melissa de leon, amy perez, bing loyzaa, and later, ariel rivera, agot isidro and michelle van eimeren) on "sa linggo napo sila"...they were, for me, "GMA supershow"'s first real competition from ABS before "ASAP" came along...although siyempre, ang major na kinaibahan ng APO was, they were more on the live music (which, for me, also became their edge over "eat bulaga" when the show became "'sang linggo napo sila" in '95)...

*TRIVIA: the late Helen Vela ("Lovingly Yours, Helen", GMA), Coney Reyes ("Coney Reyes on Camera", RPN and ABS-CBN), Vilma Santos ("Vilma", GMA) and Tina Revilla-Valencia ("Lunch Date", GMA; and Philippine Lotto Draws, PTV/NBN) are the best of friends. 😊*

i will always have two mental images of these four women together...una, sa "vilma!", when coney, tina and helen guested, they sang keno's "a friend" with vilma...a short snippet of this number, if i remember right, was included in a mid-'90s GMA station ID, where they just did a montage of scenes from their different shows to the tune of one of their many "where you belong" jingle versions dating back to the '80s (although "GMA rainbow satellite" na sila noon)...

pangalawa, in one of the anniversary episodes of "lovingly yours, helen," bida rin silang apat as friends...ang ending 'ata no'n, kung 'di ako nagkakamali, nagkasakit at namatay ang character ni helen...eventually, nangyari rin 'yun in real life...and this episode was one of those replayed after helen's death (and before princess punzalan, and eventually, boots anson-roa took over the show until 1995)...

hello ka-campus sirloin! 😊

noontime memories! "Ready, Get Set, Go!", "GMA Supershow", "Sa Linggo Na Po Sila", "Eh Kasi Bata" (medyo noontime kasi 10:30AM to 11:30AM ang timeslot nila noon). all of them are gone except for one- EAT BULAGA. 😊

TGIS 😊

yan nga yun, sirloin! 😊

sila siguro yung masasabi talagang magkakabarkada ng actresses sa Philippine entertainment industry. Helen, Coney, Vilma and Tina.

it was really sad na maagang namatay sa cancer si Helen Vela. marami na sigurong na-accomplish noon si Helen Vela pero, at age 45, she died too young and too soon. iba ang naging epekto ng death ni Helen Vela sa barkadahan nila.

oh well, kahit wala na si Helen Vela, until now ay strong pa din ang barkadahan nina Coney Reyes, Vilma Santos at Tina Revilla-Valencia. 😊

*tapos 'yung mga supporting na "tweens" (young teenagers) noon: chubi del rosario, idelle martinez and maybelyn dela cruz (who would eventually be one of the main stars of what would be GMA's successor to the saturday slot left by "TGIS", "click")...*

tama ka, ka-campus sirloin! 😊

hindi naman mahirap makalimutan ang "TGIS" at "Gimik" because 1990's na sila ipinalabas and maraming nakakarelate sa istorya dahil youth oriented shows sila (mga youth before na gurangers na ngayon). 😊

kasama nga pala sa "teenagers" si Kim De Los Santos, who eventually became fat and married (and then split from) Dino Guevarra. 🤪

*it was really sad na maagang namatay sa cancer si Helen Vela. marami na sigurong na-accomplish noon si Helen Vela pero, at age 45, she died too young and too soon. iba ang naging epekto ng death ni Helen Vela sa barkadahan nila.*

i was probably around 8 years old when helen vela died, kaya hindi ko masyadong ramdam ang impact as a TV viewer--i just knew her then as "siya yung sa 'lovingly yours' after ni kuya germs" or, "siya 'yung nasa 'GMA balita' sa gabi"...

but watching afternoon and midnight reruns of "lovingly yours, helen" on what is now known as solar's jacktv (solar entertainment lang pangalan ng channel na 'yun dati) years later, and listening to how intelligent, yet still very motherly (or big sister-ly, however you wanna look at it) at napaka-malumanay ng tinig ng isang helen vela, napaisip ako kung ano kaya ang nangyari sa kanya sa mundo ng telebisyon if she still were alive...GMA, perhaps, would have never let a talent like her go (well, she did leave in 1984, noong lumipat siya sa broadcast city, sa BBC-2 ni marcos...but went back to GMA two years later, after BBC was closed down), and she would most likely still be doing "lovingly yours...", if not doing that side-by-side with anchoring the evening news on weekdays (and definitely, she won't fit 'yung medyo pasigaw na style ngayon ng pagbabalita, lalo na 'yung almost monotone delivery ni mike Enriquez)...

ka-campus sirloin: Helen Vela had done virtually everything in the world of Philippine entertainment. she acted both on movies and on TV. she was a radio program host (Lovingly Yours, Helen actually started as a radio program). she was a news anchor (Helen Vela holds the distinction of being the first

Filipina news anchor to do a newscast in Filipino).

siguro kung buhay ngayon si Helen Vela, baka semi-retired na siyang katulad ng mga barkada niya na sina Coney Reyes, Vilma Santos (not so semi-retired, actually) at Tina Revilla-Valencia. baka kung buhay siya ngayon, hindi naging asawa ni Princess Punzalan si Willie Revillame.

eto pa, mga pipol...to help spark all your TV memories further... 😊

<http://youtube.com/watch?v=7Du6w8RFIEQ>

\*\* one of the earlier OBBs of "vilma!" on GMA...sa halos 9 years niya sa siyete, hindi nagbago ang theme music na ginamit sa OBB--as i learned from a friend of mine, this was part of a song from a british band named ABC..."vanity kills" ang title ng kanta...

<http://youtube.com/watch?v=Pz-0Oc0sMmE>

\*\* a game segment of "sa linggo napo sila", live from miriam college...mahaba pa ang buhok ni amy perez dito, at mala-mullet pa ang buhok ni apo jim...in this game, look for a young contestant who would later become a versatile actress (last seen in a well-loved soap na kakatapos lang ang pangalawang aklat) and environmentalist... 😊

maidagdag ko pala. 😊

Helen Vela was a Dabarkad in Eat Bulaga. siya ang original na teacher sa classroom skit sa Bulagaan. 😊

hindi ko talaga malimutan ng mapanood ko ang Lovingly Yours Helen kung saan sinabi ni ate Helen

"Sometimes, what the mind can't accept,  
the heart understands"

Up to now, gamit gamit ko pa yan!!

^ galing niya talaga lagi magbigay ng advice noon ni helen vela, ano?

'tsaka lalong nakaka-inspire kasi with her delivery...napaka-gentle ng boses, pero napakalinaw pa rin ng bawat salita...

i don't have much memories of her anchoring "GMA balita", though, but i can just imagine na she just adjusts her voice ever-so-slightly to do the newscast...

baket parang hindi ko matandaan yung ibang mga shows na yan....

except sa that's entertainment.... haha...

hindi kasi ako mahilig sa t.v before, kasi wala kaming t.v.... LOLz....

isang show lang natatandaan kong lagi kong pinapanood....

Batibot.... batang batibot kasi ako eh, bata pa lang mahilig na ako sa batibot.... harhar.... sobrang entertaining tsaka nakakapandagdag ng kaalaman....(teka, parang ang sagwa basahin.... 😊)

but my mom loves the show lovingly yours helen before, so nakikinoood na din ako....

on Helen Vela: she was endeared to the Filipino audience because they saw in her a friend, a sister and a mother. when she died in 1992, marami ang nalungkot to a point na parang namatayan sila ng

kaibigan, kapatid at ina.

as for her news anchoring job on GMA Balita, kasama niya noon si Mike Lacanilao (i wonder where the guy is now) tapos ang weatherman nila ay si Amado Pineda (the inspiration for Tessie Tomas' Amanda Pineda character). 😊

on Vilma Santos: <http://youtube.com/watch?v=7Du6w8RFIEQ>

i can still remember that Vilma! aired on Friday nights and current PBA sportscaster Ed Picson was the one doing the voice-overs. 😊

ayos ang tambalang wacks at inagi 😊

tapos si rica peralejo na sa switzerland daw pero nasa g-mik lang pala 😊

di na yata uso ang mga ganoong shows sa saturday late afternoon timeslot

hindi na, drahow...well, ABS attempted to do it again--although more in the form of a sitcom rather than a light drama--with "let's go" and "gokada go"...but GMA? apparently, "wish ko lang" has worked so well for them these past few years...

ahhh, the torres cousins inaki and wacks...ang link between the two batches of "TGIS"... 🇵🇭

another random memory i have of this show: before and after every commercial break, laging pinapakita 'yung "TGIS" logo, along with some random quote at the bottom of the screen, na paiba-iba, depende sa last scene before the break, or sa unang sequence na ipinapakita after the break...ginawa rin nila ito later on sa "growing up"...

naalala ko ang TGIS meets g-mik show 😊

i think pastor na 'ata si mike lacanilao...or, he had always been for a long time, i'm not sure...basta, kasi laging ending nila sa "GMA balita" noon 'yung "mabuting balita sa GMA", mga bible passages...

mike lacanilao was with "GMA balita" until the end--kung saan yung mga huli niyang nakasama were veronica baluyut (who took over after helen died...she's now with channel 4) and alex tinsay (who's STILL with GMA), at naging pre-programming na sila ng "mornings@GMA"...he and helen were the original anchors when the newscast was launched as the evening/supper hour newscast (in place of "news at seven") in 1986, and they were joined later, first by rene jose (dating tiga-DZBB, now with DZXL), then bobby guanzon (who would later be congressman of caloocan...at ngayon, kasama na ni veronica baluyut sa NBN)...

up the TV memories thread! 🤖👍😊

ANG TV!!!!

Nag-work ako dati sa Ang TV as one of their production assistants.

Ang saya lagi sa set! Hey to Mr.M!

*young love, sweet love*

ay, oo...how can i forget this one, too? every wednesday at 7pm sa RPN...hosted of course by the one and only kuya germs (during those days na lagari siya talaga sa TV)...

this, i would like to believe, became the "acting school" para sa mga anak-anakan ni kuya germs sa "that's...", pero eventually, nang maging "young love" na lang ang title nito, if i remember right, naging parang drama anthology (although light drama/romance ang theme) ito ni manilyn reynes when RPN was building her up as a bigger star after "graduating" from "that's...", alongside a thursday musical/variety show ("manilyn live!")...it was RPN, i think, that billed her as "the star of the new decade"... 😊

speaking of musical/variety shows...nabanggit ko na in passing si governor vi (with "vilma!") at si mane ("manilyn live!")...but no one here has mentioned the megastar in "the sharon cuneta show"...every sunday, especially during its years on ABS-CBN (originally, nasa IBC siya from '86-'88)...

ang highlight, siyempre, ng show would be sharon as a singer...she had, for her opening numbers, her music videos or a live performance with her "mega band" (na kasama pa rin niya hanggang ngayon sa "sharon") and her back-up singers (one of them being a young lady named margarita isidro, whom we would all know later as agot, for short)...

unang co-host niya (even during her IBC days) si joey de leon. tapos naging sina jimmy santos (na sa "TSCS" mo lang makikitang pormal-pormalan ang damit on a regular basis--pwera na lang siyempre kung kailangang mag-pormal-pormalan sa "bulaga" 📺) at herbert bautista...tapos, jimmy would be replaced by randy santiago...at a time when everyone called the megastar "sha" for short, i think si jimmy santos ang nagpausong tawagin siyang "tita shawie" or "ate shawie"... 📺

*oo nga gusto gusto ko at inaabangan ko yang younglove sweet love sa rpn 9,hosted by kuya germs..*

*lovingly yours,grabe lagi akong napapiyak dito specially dun sa epi ni jackielou blanco na bad girl sya pero nakapag asawa ng mabait,then nung gusto na nya magbago dahil na realize nya na talagang ang asawa lang nya ang nagmamahal at nag protekta sa kanya.Then dun dumating ang pagsubok,may cancer pala ang asawa nya,mag papari sana yun guy kaso nilandi nya kaya naging magasawa sila,Di ko makalimutan itong epi na ito kasi nakakaiyak talaga...*

when randy john willie suspended for the 1st time. umiiyak pa ang mga G\*\*\*. akala mo mga maamong tupa. hehehehe. tamang tama e suspendido klase nun kaya napanood ko. hehe. tawa ako nang tawa noong pinapanood ko silang nagsosorry at tinitira naman si nila joey at vic. Hehehe

tropang trumpo riot yung quiz bee portion nila.

ogie: ano ang pambansang hayop ng pilipinas na nagsisimula sa letrang K?  
earl: kuto?

ogie: hindi kuto. mas malaki sa kuto.

carmina: ah, alam ko na. kutong malaki.

ogie: hindi. nakikita ito sa lupa.

maoi: aaaaaaah, kutong-lupa.

ogie: ano ang pambansang ibon ng pilipinas na nagsisimula sa letrang M?

gelli: manok?

ogie: hindi, nagsisimula sa letrang M at nagtatapos sa letrang A.

smokey: alam ko na, manoka!

ogie: hindi, mas maliit pa ito sa manok.

maoi: aha, alam ko na. manokita!

classic. 📺

"battle of the brainless"! iba nung nasa "tropang" pa si ogie at siya yung quizmaster sa "battle..."...

ang hindi ko malilimutan, nung akala ng buong pilipinas, may makaka-one point na for the first time sa "battle..."...the question, if i remember right, was something like, "saang 'F' nagtatrabaho si old macdonald?"...gelli buzzed in and proudly answered, "FARM!"...tapos nang ipinag-spell ni ogie, ang sagot ni gelli, "E-I-E-I-O"....

ayun, zero pa rin. 😊

classic din yung mga "cher" (cheer) ng mga "iskuwela" na kasali dun.

hello Classic TV fans! 😊

yang Tropang Trumpo na yan. nung umpisa, kasama pa sina Ogie at Michael V. sa cast pero lumipat sila sa GMA to start Bubble Gang at naiwan na lang sa ABC ay sina Gelli at Carmina (na nasa GMA na ngayon, hosting Sis along with Janice De Belen). sina Smokey Manaloto at Anjo Yllana yata ang pumalit kina Ogie at Michael V. sa Tropang Trumpo. 😊

naku! nakalimutan ko pang isama sa TV memories ko: FLOR DE LUNA. 😊

actually, smokey manaloto was already there, i think, noong 'andun pa sina ogie at bitoy. same thing with earl ignacio. they became the lead male stars of "tropa" when ogie and bitoy left ABC for GMA to start "bubble gang"...anjo naman was never with "tropa"...

ah. tama ka, ka-campus sirloin. 😊

sina Smokey Manaloto at Earl Ignacio (Christine Bersola's ex-boyfriend; Tintin eventually ended up with Julius Babao) nga ang pumalit kina Ogie at Bitoy when the two left Tropang Trumpo for Bubble Gang.

if i am not mistaken, nakasama din sa cast ng Tropang Trumpo for a time si Maui Roca. 😊

TV Memories...

i love the ff shows...

Bioman - astig 'to

Visionaries - channel 4 pa yata ito dati - da best!

Batibot - kuya bogie/ate shena

That's Entertainment - Thrusday Group 😊

Ang TV - 4:30 na!

Princess Sarah - yung unang pinalabas to

Peter Pan - cartoon version sa ABS

Negosiyete - kaka adik

Kwarta o Kahon - SM North Edsa 😊

Vilma - dance numbers

Regal Shocker - IBC 13 pa yata 'to yung sound so creepy

WWF - ultimate warrior/jake the snake/at yung may pamalo

Xmen cartoon

Carebears! - rainbow/lion heart/cute!

Night Rider

McGyver

Mammal ? - yung taong nagiging snake/lawin/jaguar/ basta yon

*Negosiyete - kaka adik*

oo...another one of kuya germs' many shows in his portfolio, during his "lagari" years sa TV...at least, lumabas 'yung versatility niya, na hindi lang siya pang-variety show... 😊

gusto ko noon sa "negosiyete" pag mga food-related na business/how-to's ang topic....'sakto pa, the show came right after "lunch date"... 🍴

ah. tama ka, ka-campus sirloin. 😊

sina Smokey Manaloto at Earl Ignacio (Christine Bersola's ex-boyfriend; Tintin eventually ended up with Julius Babao) nga ang pumalit kina Ogie at Bitoy when the two left Tropang Trumpo for Bubble Gang.

if i am not mistaken, nakasama din sa cast ng Tropang Trumpo for a time si Maui Roca. 😊

ayan...bigla tuloy pumasok sa isip ko yung kanilang long-running sketch na "bahaw...ang kaning lamig"... 😊

aside from the theme song, naaaliw ako nun sa kung paano pinaglaruan ang mga pangalan ng mga cast members ng "tropa" sa "opening credits" ng sketch...like this...

binibining gelli de b. (gelli de belen)  
carmina villaru (carmina villaroel)  
earl cio-igna (earl ignacio)  
smokey maka-lotto (smokey manaloto)  
maoi coca-roca (maoi roca)

tapos meron din silang "baliw-balita" (a play on the title of ABC's former evening newscast, "balitang-balita")...carmina as "tina monsour-del rosario" (spoof ni tina monzon-palma), gelli as "kathy tenkyu-very much" (spoof ni kathy tanco-ong, dating ABC newscaster sa "the big news"), and i think bitoy was "boli noy" (spoof ni VP noli)...later, noong wala na sina ogie, ini-spoof naman nila ang "saksi" and made it into "taksi" with mike n. ricketts (mike Enriquez), karen derya (karen Davila, na unang naging anchorwoman sa "saksi") and arnold cambio (arnold Clavio)...can't remember, though, who did these parts... 🇵🇭

speaking of TV memories...

naaalala nyo pa ba

commercial ng Cindy's?

unang pinapalabas ito after mag-sign-in ang RPN 9!

"when your hungry.....

cindy's is the place to be"

weeeee...

from Champoy:

Lalake: Miss, miss.

Babae: Yes?

Lalake: Lawlaw po yung stockings ninyo.

Babae: Bastos, wala akong stockings!

from Champoy

Babae 1: Ano kaya pinaguusapan ng mga lalaki pag sila sila lang?

Babae 2: Syempre, katulad din ng pinaguusapan ng babae kung sila sila lang.

Babae: Ay, ang babastos pala nila!

Regal Shocker ay sa GMA

Pinoy Thriller ang IBC (Ano ang nasa dako pa roon? ....Bunga ng malikot na pag-iisip....)

meron din yung sic o'clock news di ba? can't remember them all and what channel but i think it was led by tessie thomas and jaime fabregas.

tama! that was one of the last great shows that IBC-13 produced and aired after EDSA 1...

si ces quesada, actually, yung ka-partner/co-anchor ni jimmy fabregas...the two of them would also play other characters in the show, spoofing a lot of famous newsmakers (among them, ces' "president tita" character, which was a spoof of cory aquino)...ayos din ang ensemble cast nila--rene requiestas, joji isla, errol dionisio, ching arellano, wilson go, gigi posadas, khryss adalia, manny castaneda, etc.--all under the helm of the great marilou diaz-abaya

no other comedy show dared to poke fun at the news and the people behind it (yet still getting a strong message across) the way "sic o' clock" did...not even "wazzup wazzup" came close...

chicken!!!! 🤪

nanaka-miss talaga ang mga classic na palabas. back when there was still no network war. nakakasira yang network war na yan sa quality ng mga palabas.

i miss tropang trumpon, sic o'clock news, champoy, iskul bukol. ang galing pang kumanta ni subas and noel.

speaking of tropang trumpon, di ba abs-cbn created a similar show pero corny na ang dating? the one directed by bobot mortiz if i'm not mistaken.

hmmm...yaki, you're probably referring to the '90s/early 2000s version ng "super laff-in", na itinatapat ng dos against "bubble gang" on friday nights...bayani agbayani, redford white, norman mitchell, diether ocampo and mylene dizon were also in that cast...

'di ko lang sure kung si edgar mortiz din ang naging director nito...kasi as far as i can remember, this was probably at the same time he and al tantay were doing shows for vintage television on IBC--"goin' bayabas" (with smokey manaloto) and "wow!" (with rosanna roces, and later, ara mina and keempee de leon)--after leaving ABC 5 (where they did "tropang trumpo" and "wow mali!")...

hello fans!!!

mabuti naman at may nag-post ng ganitong thread about TV memories 😊

btw, does anyone of you had an idea about the TV gag show OK Lang? isa ito sa popular na sitcom during pre-martial law or martial law years over IBC-13 ( the old one) kasi matagal ko na itong naririnig na dito nag-originate sina Danny & Dyords Javier, Jim Paredes, Buboy Garrovillo, and of course, Joey De Leon and the Sotto Brothers (Tito, Val & Vic Sotto).

Dito rin nag-start ang diumano'y "SILENT WAR" between APO and TVJ, pero yung huli 'di daw pa naman sila establish as TVJ eh. may nakakaalam ba?

basta ako o karamihan dito sa atin, mga avid followers ng Iskul Bukol, TODAS or even Eat Bulaga hehehe

9. DR. HOWIE M.D. -crush ko sya nun e

actually, "doogie howser, M.D." ang title nun. 😊

crush ko naman doon yung love interest ni doogie howser, si wanda...tanda ko pa yung isang episode nila na may dream sequence si doogie at si wanda na they were making some pottery just like in a scene from the movie "ghost"...talagang pati background music dun sa scene na yun, "unchained melody" rin. 🎵

neil patrick harris, the guy who played doogie howser, is back on TV, in the sitcom "how i met your mother"...i think palabas na rin 'ata d'yan sa 'pinas ito...

basta ako o karamihan dito sa atin, mga avid followers ng Iskul Bukol, TODAS or even Eat Bulaga hehehe

definitely, i wasn't born when "OK lang" was still on the air, but i have read about the show (mostly through joey de leon's column in the manila bulletin)...and i learned that it was on air during the time that IBC was still owned by the canoys (owners of RMN--558 DZXL and 93.9 i-FM) and the sorianos (mga dating may-ari ng san miguel corporation)...ricky manalo, jr. (RIP) was also part of the cast...

hindi ko rin maintindihan kung talagang nagka-"silent war" nga ba o hindi ang APO at ang TVJ...i would like to believe na hindi nangyari yun...i remember one of joey's columns, where he wrote na madalas pa raw silang anim maglaro ng poker off-cam, 'pag tine-tape ang "OK lang"...also, sa isang issue ng YES! magazine where "eat bulaga" was the cover story, one of the pictures joey himself lent to YES! showed na nagkasama silang anim sa isang production number during an "eat bulaga" anniversary show (nasa ABS pa ang EB at that time)...and, i also remember, on one "eat bulaga" telecast about two or three years ago lang, danny javier supposedly called joey de leon's cellphone in the middle of "bulagaan" para mangamusta, and joey answered the call on live TV...

speaking of the APO, aside from "discorama" (ang unang show as a trio ng TVJ...the APO took over when TVJ left GMA for RPN 9 to do "bulaga"), "sa linggo napo sila", "sang linggo napo sila" and "sabado live!", nagkaroon din sila ng primetime game show sa IBC (when it was known as "islands TV 1-3") called "islands gamemasters"...2-hour live game show ito (mondays at 7pm), where jim, danny and buboy had their own segments...dyords javier was also in the show, too, mingling with the studio audience (seated over at what he called the "balkonahe"--although in reality, as i would learn later, walang "balcony" ang mga live studio sa broadcast city 🏠) and giving away instant cash prizes to them...

about the feud between TVJ and APO, i think it was true. i read an article some years back featuring an interview with joey de leon. i don't remember the exact details, but from my recollection he was asked about it and he admitted that nagkasamaan sila ng loob back when all of them were with ABS-CBN. inaapi-api daw yata sila ng APO who were already sikat that time samantalang pang-support lang ang TVJ. sabi pa ni joey, farmer daw kasi siya (nagtatanim...ng galit) kaya hindi niya makalimutan yung pang-aapi sa kanila ng APO. i'll try to find that article on the net. i think it was in panorama, the sunday mag of manila bulletin.

pero matagal na silang nagkaayos.

it would be interesting to see the two trios (or, the six men, however you fancy your math 🧮) to perform together on "eat bulaga" with a live band...para maipakita sa buong pilipinas na, yes, even if their shows competed directly with each other for 3 years, there is no bad blood among the six after all. 😊

The bad blood worsened when EB went to GMA and APO replaced them. APO started to bash EB by making jokes about EB on air, Joey eventually fired back. When asked about the tirades, APO said they were ordered to say those things. --- Sang Linggo nApo sila was later shut down by EB and was replaced by MTB.

But now wala nang bad blood, EB has even had them guest a few times on the show. I have a friend that told me that he even saw Joey at an APO concert recently and was even acknowledged by the group.

^ aha...batang EB ako, pero 'di pa ako nakapanood ng guesting ng APO in recent years...or maybe i just missed it. 🤔

pero 'yung talagang naaalala ko, yung nabanggit ko sa page 2 na sinagot ni joey yung tawag ni danny javier sa cellphone niya in the middle of "bulagaan"...apparently, the man was watching, too. 🤔...

at isa pang "aha"... "katok mga misis"... i have faint memories of its first year when the late giovanni calvo was still hosting it (dahil nasa school ako sa umaga--mga grade 5 ako noon), pero lagi kasing ginagaya ng isa kong kaklaseng lalake yung mga hirit ni giovanni kasama ang audience sa show that went something like this: "mmmm...mmmm...chikaaaaaa!" tumatak talaga yun sa isip ko. 🤔 although siyempre, mas tanda ko na yung show nung may subtitle na siyang "with aling ali (sotto) and arnelli (ignacio)"...

absolutely dude!!! i'm one of those people who will look forward to that APO guesting and to do a special number with TVJ as well. i'm sure napakataas ang rating nyan pagnagkataon 😊

anung malay natin mangyari yan sa 30th anniversary special ng Eat Bulaga.

**anung malay natin mangyari yan sa 30th anniversary special ng Eat Bulaga.**

that's a good idea. hehe...sana, may nagbabasa nitong may kilala sa TAPE (production company ng EB), o tiga-TAPE mismo. 😊

meanwhile, back to the past...

another random recall moment...bigla ko lang naalala yung mga voice-over announcer noon ng ilan sa mga classic variety shows natin...(forgive me for always watching even the closing credits... 😊 )

GMA supershow/that's entertainment - danny soncuya

the sharon cuneta show - peter "rabbit" musngi (who now heads ABS-CBN radio and is still ABS-CBN TV's resident voiceover)

lunch date - the mole/jimmy jam

SST - jimmy jam

eat bulaga - "long tall howard" medina (ngayon, si tom alvarez na ng RX93.1, pero sa mga plugs na lang ng EB)

sa linggo napo sila/'sang linggo napo sila/ASAP - bob novales (siya pa rin 'ata sa ASAP hanggang ngayon)

vilma! - ed picson/bob novales

hehehe nakakbilib din ang loyalty ni Mr. Novales sa Dos noh?

well...i'd probably think he's more like a free-lancer, lalo na in the mid-'90s, kung 'di ako nagkakamali, he was doing VO for APO on ABS every sunday AND "vilma!" on GMA every friday (siya yung pumalit kay ed picson)...tapos naging DJ pa siya ng kool 106 under ABC...

Engkantadia!!!!

^ 'yung closing theme pa lang (interpreted by bayang barrios), classic na...one of the best original music scores ever created for a philippine tv series...

hello ka-campus sirloin!

mabuti naman at buhay na buhay ang TV memories thread. marami talagang pwedeng mapag-usapan sa old days of Philippine TV.

^ oo nga, BK...

sana may mag-up din ng "radio memories" thread ko sa M&R forums sa labas...

ka-campus sirloin: oo nga, kaya lang mas vivid kasi ang memories ng TV kaysa sa radio since TV involves visuals. iba ang rehistro sa isip ng tao ng visuals kaysa sa sounds kung meron mas unang matatandaan, yun ay ang TV programs.

^ hehehe...very well then...

mapunta naman ako sa mga newscast anchors/anchor team-ups...these are the ones i remember the most...

Did anyone mention Buddy en Sol?

and....

Ready na direk!

im such a fan! rpn lang kasi malinaw na signal sa tv namin nun! twas before the cable tv days

i used to watch those regularly, too...

"ready na, direk!", if my memory serves me right, was on mondays after "actually, yun na!" (yung showbiz talk show where host kris aquino first admitted her pregnancy with josh, courtesy of phillip salvador)...ito 'yung tungkol sa magkalabang film companies, that of mahalia bocanegra (pinky marquez) and artemio pakaskas (jon achaval, an alumnus of "sic o'clock news")...ruffa gutierrez was also one of the main stars of the show...

"buddy en sol" naman was on wednesdays...for me, looking back, this was like the country's answer to "perfect strangers" (which, incidentally, RPN also aired)...ito na rin siguro ang isa sa mga huling hit show ng RPN after the "john en marsha"/"superstar" era...

alangya, dito pala kayo nagtatago ha! 🧐

heto naman ang mga cherished TV Memories ko. kung saan wala pang Network Wars! 😊

^ uy, ikaw pala, GV! 🇹🇼

alam mo bang may na-sight ako sa youtube...a few clips from the 2nd star awards for TV in 1988...hanapin mo 'yung account na VSPRODUCTION (isang hardcore vilmanian)... 😊

may mga production numbers doon si maricel soriano, alma moreno and vilma santos...

naaliw ako sa taguri nila kay alma moreno doon: the shining star 🇹🇼👍

may clips din from that same special where governor vi received the awards for both best female tv host and best musical-variety show...at nag-surprise appearance pa si chairman-zano when she received the best musical-variety show award! 🇹🇼

Ako naman ang mga paborito kong mga TV memories eh yung mga finale o grand finals ng mga show contest. tulad nalang ng battle of the brains, Digital LG Quiz, Little Ms Phils, Mr. Pogi, Beautiful GIrl, thats my boy atbp... na miss ko tuloy ang dating bulaga.

i'm not sure kung tama ang title pero this is one of the japanese series na inabangan ko noon....The Bond.....secret of society!!!

di ko matandaan title japanese na shogun ata, may kasamang batang kalbo, sa pagkakaalam ko ito ang pinaka unang dubbed in tagalog na palabas, Pres. Marcos years pa ito.

flying house and superbook!!!

basta ako? solid mighty mouse ("here he comes to save the day...") at mickey and donald nung bata pa ako! 🇹🇼

Ngayon On Location Talaga At Natatapos Ng Wala Pang Isan G Taon ,tapos Lang

Dati Sina Juan Rodrigo, Melissa Mendez...mahahaba Ang Mga Roles Nila Sa Mara Clara, Annaluna Respectively

Ngayon Pasulpot Sulpot Na Lang Ang Mga Tulad Nila.....

*Actually weather girl din sya sa PTV 4 then. And I dunno kung may magpopost, ang weather report nun sa PTV 4, believe it or not, naka-MANILA PAPER!* 😊

naku, 'di ko naabutan 'yan, although i did read about that before...i was most likely born already when mel tiangco was with channel 4, pero nung una ko siyang napanood, nasa "tv patrol" na siya...

speaking of weather reports...ang naabutan ko na sa channel 4 doing the weather ay si nanette lomarda at nathaniel cruz (who now makes some special appearances sa GMA newscasts 'pag may mga matitinding weather conditions)...PTV was, perhaps, the only station to use the term "weather specialist" to intro their weathercasters...at impyernes, at that time (mga early '90s yun), sa malaking board na sila nagwe-weather... 🏠

coincidentally, ang channel 4 noon, nasa ABS-CBN broadcast center for the longest time (until the early '90s, when they moved to visayas avenue just beside the philippine information agency)...the channel 4 frequency kasi used to be owned by ABS-CBN until marcos closed it down and seized the network from the lopezes...and after EDSA, channel 2 lang ang ibinalik na TV frequency ng aquino government sa mga lopezes...

ang nangyari kasi d'yan noon was, in 1969, when the old RPN wanted to have a manila tv station, hindi ma-accommodate...the frequencies being used were channels 3 (ABS-CBN), 5 (ABC--then under the manila times, owned by don chino roces), 7 (RBS--then under the late bob stewart), 9 (ABS-CBN), 11 (MBC--'yung may-ari ng DZRH) and 13 (IBC--then under RMN and the sorianos, former owners ng san miguel)...ABS gave the channel 9 frequency to RPN (then owned by roberto benedicto, one of marcos' cronies), and sold to them the old ABS building in roxas boulevard (because at that time, ABS-CBN had already moved to the broadcast center in QC)...all shows airing on channels 3 and 9 back then moved to channels 2 (which they still use) and 4, respectively...

*Ang Taping Ng Mga Teledrama Puro Sa Studio Lang*

*Ngayon On Location Talaga At Natatapos Ng Wala Pang Isan G Taon ,tapos Lang*

i'm guessing nakuha natin 'yan sa mga 'kano, kasi--kahit hanggang ngayon--all their soaps are taped inside studios, hindi on location...

which makes me think...paano kaya na-accommodate noon ng GMA ang "anna liza" ni julie vega noon given this setting, considering that back then, they only had two small studios (which are still existing, and are still being used now)? hmmm... 🤔

(kasi GMA didn't have the broadway centrum studio until 1987...)

Eto, may nakita ako sa YouTube.

Isang teary scene mula sa "Anna Liza" ni Julie Vega. Enjoy.

<http://www.youtube.com/watch?v=a2z8ZyiP0Fk>

Credits to: noelninomatias (owner)

i've seen this twice na...ang cute ng mukha ni julie vega...sayang, 'di na siya nakilala ng aming generation (i was only a few months old when she died...nakilala ko na lang siya dahil sa kwento ng yaya ko noon, and later, by watching "the life story of julie vega" starring nadia montenegro on ABS-CBN one afternoon)...

marami ring clips ng mga appearances ni julie vega (especially sa "see true" and "GMA supershow") sa account na 'yan...yung isang clip nga na galing sa "GMA supershow" (which was most likely a tribute clip shortly after julie's death), pinakita pa yung closing credits (remember the time when kuya germs was ALWAYS producer/host of all of his shows?)...

Ano po masasabi n'yo na ire-revive daw ng ABC-5 ang 'Student Canteen' at 'Oras Ng Ligaya', at iba pang blocktime shows noon?

about "student canteen"...i don't really have any memories of the GMA version (which is what most people remember) at all, kahit na lampas one year old na ako when the show went off the air...and i only have faint memories of it when it was shown on RPN after "eat bulaga" moved to ABS in 1989...all i remember was, with main hosts eddie ilarde and bobby ledesma, co-hosts nila (for the RPN version) sina atoy co, malu maglutac (who, i knew later, was one of the last co-hosts of the GMA version), jean garcia and this young lady back then by the name of cherrie pie picache...even some of the old "student canteen" clips that GMA would show as retrospective (say, for the network's anniversaries, or, in one episode of the "wanted..." election series in 2004, to profile eddie ilarde as an artista-turned-political figure) wouldn't suffice...

but with everything that i've read about the show from various magazines, it just showed na institusyon talaga ang "student canteen"...besides, just like TAPE now, program philippines, the show's production company, was a major blocktimer pala for GMA, kasi they had a big timeblock to themselves (sa tanghali, starting with "suerte sa siete" at 11:30am, then SC, then dramas like "yagit" and "chat silayan drama studio" afterwards, tapos on saturdays, "discorama" in the early-evening slot)

'yun nga lang, hindi na sila nakabawi noong naging mas competitive talaga ang "eat bulaga" at na-dethrone nila ang SC as TV's number one noontime show...

na-curious tuloy ako...what made SC (and other program philippines-produced shows) fold up from the GMA line-up in 1986? may nabasa kasi ako na one reason was because eddie ilarde left daw with the marcoses...tapos sa iba naman, sabi dahil daw sa ratings...

astroboy  
captain planet  
tiger sharks  
a-team  
teenage mutant ninja turtles  
silver hawks  
transformers  
balintataw...

I think the folding up of Program Philippines was due to low ratings that time. Eddie Ilarde was not Pro Marcos and was part of the opposition together with Sen. Salonga under Liberal Party. Student Canteen was so popular just because there was no competition with other network.

In regards sa away ng APO and TVJ, it was started when APO made a song about boses hangin (as you all knew then that Bee Gees was so popular at that time) because VST & Co and Boyfriends are riding on the Bee Gees popularity and singing ala Bee Gees while APO up to this moment has not changed their style. I think napikon sila doon as Tito Sotto and Vic Sotto was part of the VST & Co. and record producer at the same time. All of them was part of Ok Lang on 13 and goes on separate ways after that incident as APO no longer showed up widening their gap.

good morning guys!!!!

here's an interesting fact about Student Canteen

[http://en.wikipedia.org/wiki/Student\\_Canteen](http://en.wikipedia.org/wiki/Student_Canteen)

eto pa,

Did you know na nagsama-sama ulit ang Penthouse Seven gang? 😊

i saw them yesterday at SOP and Wow! ang gagaling pa rin nilang humataw

according to them, they will be having a reunion dance show at the NBC Tent in Taguig City. Noon ko pang naririnig itong show na ito (although hindi ko rin naman masyadong inabutan ito) and dito nga na-discover sina Ida Henares (one of the "bossings" ng Kapuso Network), Archie Lacson, Poncy Quirino, Gina Valenciano (kindly confirm if she is the sister of Gary.V), Ronnie Henares, Ray-An

Fuentes (now a gospel singer or a pastor i guess), Sandy Hontiveros and a lady there her last name was Feliciano (eto rin ata yung isa sa mga original female stars ng TODAS aside from Maribeth and Freida).

basta nakakatuwa sila. imagine after 27 years daw at ngayon lang ulit sila nagsama for this unforgettable event.

nakita ko na before sa youtube yung isa sa mga pasts episodes on Penthouse Seven

parang nasa early '70s pa ito, kasi hindi na kasama yung "ok lang" when the old IBC was bought by roberto benedicto (then the owner of RPN and BBC-2) in 1975...

and speaking of the '70s, which also leads to "penthouse 7", here's an OBB of the show...

(credit: flagwavercharacter)

some notes: at the beginning of the clip, watch out for a brief split-second shot of the "penthouse 7" station bumper (with the GMA "circle 7" logo)...and for a young ida henares (nee ramos), some 30 years before she became head of GMA's artist center... 🤖

uy, jay! nice to see you here! 🤗

sino kaya sa inyong mga '70s/early '80s kids ang may mga nakaimbak pang kopya or at least nakakaalala sa TV times, that little magazine with one week's worth of TV schedules (and then some more features)? 😊

Dan,

We used to subscribe to TV Times back in the 70's and I never missed reading a copy for each week. Funny if you think about it since there were only five tv channels back then (cable tv was totally unheard of and the Far East Network or FEN was only for the privileged few who got satellite feeds from the tv coverage for Clark and Subic tenants) but it was still an interesting read.

I forgot to add Kaluskos Musmos which came out I believe every Saturdays on RPN 9. Starring a very young Maricel Soriano along with other child / teen celebrities like Herbert and Hero Bautista, Roderick Suacillo (my batchmate in elementary and high school), Maila Gumila, Dranreb Belleza, Sharon Manabat, etc. Likewise, there was the Mickey Mouse Club featured on Sundays that had Dana Plato and the young but foxy Lisa Whelchel. Whelchel eventually became part of the tv series "Facts of Life."

TV times would have probably folded up by the time i was born...but i managed to have salvaged some copies of it (from 1978) at my lola's ancestral home in laguna, and kept them (although as it turned out, kasama pala yun sa magazine collection ko na naiwan ko sa 'pinas)...plus, isa 'yun sa mga hinahanap kong bound magazines sa filipiniana periodicals section ng national library, where i would go to on a whim back in college (basta maraming free time...haha!)...

i loved reading the mag not just for the skeds, but because of the network ads on them...of course, pinakamaraming ads doon ang broadcast city stations (BBC/RPN/IBC) and GMA...

DT,

Dobol is actually Roderick Suacillo. He's now based in the United States after working here for awhile with Pfizer Philippines. While we called him "Dobol" also before back in elementary, he's now called Derry. Kevin Delgado is the son of Marissa Delgado right? And I didn't know Lovely Rivero was part of the KM cast. Thanks for the tidbit!

And of course, the regulars - Bert Marcelo, Gary Lising, Chichay, and Estrella Kuenzler (she became popular for her portrayal as a maid at the old Flordeluna) - they provided the comic antics that were appreciated even by adults.

\*\*\*\* Tarang \*\*\*\* (My Son, My Son and later The Son of My Son) featured Pugo, Patsy, \*\*\*\*\* (all one named comedians), plus Jay Ilagan. Other tv shows back then included Dobol Trobol, Tambakan Alley, Joey & Son (featuring Joey De Leon and an 8 year old tyke named Ian Veneracion), and Eh Kasi Babae (starring Gloria Diaz, Janice Jurado and a very sexy Debbie Miller).

Carlos De Leon is the same guy who played a gay role in Kaluskos Musmos if I'm not mistaken.

kasi masyadong balance pero bokia naman sa ratings. abs-cbn ang no.1 .

ngayon..

^ actually, yung tatay ni bobby barreiro yun, the late antonio barreiro...

yung "where you belong" jingle na ginamit sa station ID na yun ng GMA (which was used between 1988-1989, pagkatapos i-switch-on noon yung 777-foot "tower of power" in november '88), instrumental lang yung first part, pero maraming iba pang version noon ng "where you belong" jingle ang may lyrics (which, i'm pretty sure, was produced in the US...right, jay? 🇹🇼)...

wilma galvante naman, at that time was still executive producer of RPN's "ang bagong kampeon"...

i also read somewhere na she was also part of "2 + 2" (with vic sotto, dina bonnievie, maricel soriano, william martinez, and pati 'ata si herbert bautista)...

Eh di mas nauna pala yung Good Morning Manila KESA sa Magandang UMAGA (na nilagay ng PO a few years later) gimme some info, Jay?

Good Morning MANILA- THE first **morning** show in the Phils.

Pepman,

If I'm not mistaken, Good Morning Manila was indeed the first morning show in the Philippines that wasn't solely news-oriented. Merce Henares hosted the show, and it featured several segments including daily update of prices of basic commodities, visits to tourist attractions in the Philippines, coverage of public affairs, etc. I'm not sure if it was in GTV-4 or BBC-2 though, I believe it was the latter but DT may be correct. This was circa early 80's, several years before Magandang Umaga that featured Noli De Castro and Korina Sanchez.

Regarding Katok Mga Misis, that's correct, it did come out sometime in the mid-90's featuring the late entertainment writer Giovanni Calvo. This was one of GMA's pre-programming for SST and Lunch Date.

Other late 70's and early 80's morning programs included Great Moments In Sports (featuring different sports of yesteryears - most memorable of which was the ABC tournament held here in Manila) and ABC Wide World of Sports (syndicated) hosted by Howard Cosell. Ike Lozada also used to do a program for GMA 7 (I forgot the title, it came after Lozada's RPN afternoon program Big Ike's Happening) and directed by German Moreno. On RPN 9, Pepe Pimentel, while doing Kuwarta O Kahon, was also hosting Clubhouse 9, a game cum variety show back then.

RPN 9 after People Power also was the first to go beyond midnight by having their Rated Wide Awake Movies. It featured several American movies (from Bronson to Eastwood to B-movies) and came in at 12MN til 2AM. IBC 13 in the early 80's, also featured WWF (World Wrestling Federation) at around 11PM when the stars were still Andre The Giant, Pedro Morales, Tony Atlas, Ivan Putsky, Gorilla Monsoon, Bruno Sammartino, among others.

Kiddie programs of the past included Sesame Street, The Electric Company (featuring Morgan Freeman as the Easy Reader), Sealab 2020, Wait Till Your Father Gets Home, Aquaman, Mightor (back to back with Moby \*\*\*\*), Justice League of America, Captain America, among others. Later on, the Japanese robot shows came in at 6PM sometime 1978 only to be disallowed by then President Marcos for the "violence" that it portrayed to kids. GMA's schedule of robot shows back then were:

Mondays - Mekanda Robot

Tuesdays - Daimos

Wednesdays - Mazinger Z

Thursdays - UFO Grendaizer (although not sure if this was RPN's)

Fridays - Voltes V

Star Rangers of RPN 9 came in on Saturday afternoons.

*I Remember Sine Siete..na Daily Movie After Student Canteen... Sa Totoo Paulit Ulit Ang Airplay Ng Movie Na Yon...like Yung Mga Lvn Movies Nina Charito Solis, Nida Blanca, Carmen Rosales, Rogelio Dela Rosa, Delia Razon, Leopoldo Salcedo Etc Etc Nung Kasikatan Nila .*

*Si Rosa Rosal... Kontrabidang Maganda Sya Doon.....*

same goes din when Eat Bulaga still on RPN 9 Before. Hindi ba after ng soap opera from TAPE nagpapalabas rin sila ng old movies either Sampaguita or LVN?

Balik tayo sa Discorama, aside from Bobby Ledesma and TVJ, sinu-sino ba ang mga regular performers nila dun? Especialy during the 70's dyan umusbong ang Manila Sounds.

eto pa ang hirit ko, Does anyone here remembers Saturday Fun Machine? tuloy-tuloy na cartoons every saturday before Eat Bulaga.

gusto ko din pala ang sst dati hehe. mas pinapanood ko ito.

**salo salo together** hehe. doon ko unang nakita si bayani agbayani na kabatuhan pa ni ai ai delas alas. sabi ko sisikat itong taong ito at hindi nga ako nagkamali. lol!

ano nga uli ang title ng show nina leo martinez, malou de guzman, gelli at donita rose sa gma 7?  
gusto ko dati din ito hehe.

yung **thats' entertainment**, katabi lang namin ang broadway centrum noon. daming batang artista noon.. palaging tambay sa broadway noon..

pag may parada ang that's noon, daming artista...daming magaganda noon sa that's.

Discorama featured various guest co-hosts every week. Some notables included Miss Magnolia Malou Maglutac, Bb. Pilipinas winner Anna Lorraine Kier, and Vivian Velez.

Renz, you're referring to Ober Da Bakod, which also starred Janno Gibbs and Anjo Yllana...

jay thanks. **ober da bakod** pala yun hehe.

nag aaway kami ng brother ko nun sa tv.. (iisa lang kasi hehe), mahilig siya sa gma at ako naman nun sa abs.

pero magkasundo kami sa isang pba team.. **GINEBRA**. lol!

actually, DT, sa "teysi ng tahanan" nagkaroon ng cooking portion si eagle, called "eagle's nest"...it was, if i remember right, johnny delgado who had a cooking portion (called "wok with john") sa show ni korina, already entitled "magandang umaga po" by then (at solo host na lang siya, since noli de castro already had "tv patrol" and "magandang gabi bayan").

ang "roots" ng "magandang umaga"/"magandang umaga po" sa post-EDSA 1 ABS-CBN was "good morning philippines", around january 1987. luchi cruz-valdes (then without the "valdes" in her surname) and noli de castro were the hosts/anchors.

very socialite ang penthouse 7 nina archie lacson, pure english speaking sila doon

pati ang two for the road ng the late elvira manahan... puro socialites ang mga tao doon... walang nagtatagalog

parang sa GTV-4 yata 'yang "good morning manila", kasi in the TV guides i came across 'pag nagbabasa ako ng mga lumang dyaryo sa ateneo lib noon, i remember that it never appeared on the BBC-2 program sked.

although BBC-2 did have a morning show back in '78 called "coffee with lee", with lee andres (a long-time broadcast city fixture) and noel trinidad.

at nabanggit mo rin 'yang "great moments in sports"...this came after "coffee with lee" at 9am weekdays.

from one of the old issues of TV times that i kept, i learned that it was in september 1978 when BBC-2 started to fill the weekday morning block almost hour on the hour: a replay of the previous night's "BBC balita" (then with lee andres and paul lacanilao--siya ba at si MIKE lacanilao on "GMA balita" years later ay iisa?) at 7am, an exercise show called "staying alive" (inday del rosario/vic ilustrisimo) at 7:30, "coffee with lee" at 8, "great moments in sports" at 9, the hit US soap "the young and the restless" at 11, and finally, a noontime show called "broadcast campus" (hosted by ronald corveau of "gulong ng palad" fame) at 11:30.

"rated wide-awake movies" began when RPN called itself "new vision 9" in '89...this became the starting point of their becoming a 24/7 TV station later that year--they called the graveyard shift program block "overnight service", which also included imported docus, replays of "newswatch", and later, a midnight replay of their former noontime show "chibugan na!" (rico j., hajji, arnel ignacio), among other stuff.

jay, going back to GTV-4, and morning programming, 'di ba nagkaroon din sila ng "the morning show" hosted by ariel ureta (who was THE male TV host of the '70s, i'd like to believe)? dito yata nakilala si bibeth orteza in character as bibeth bisaya (which she would do later on in "iskul bukol" as bibeth belibet)...

ANG SHOW NI ARIEL URETA AY PATOK NA PATOK MGA 6PM YON. VARIETY SHOW

MAGKAIBA SINA PAUL AT MIKE LACANILAO

.

MAY MGA FEMALE COHOST SYA DOON..ONE OF THEM IS SHARON CUNETA

NAGKARON DIN NG THE OTHER SIDE OF ALMA ...NA WALANG ALAM GAWIN KUNDI MAGPAKANTA NG MGA GUESTS....

if there is one thing that i miss a lot about the old Philippine TV, that would be the time when everything is in order- the scheduling of programs, the ad load, the quality of shows, etc. ibang-iba ang TV noon sa TV ngayon. 🙄

teka, sa GMA nga pala yung palabas nina Ariel Ureta, Dawn Zulueta at Ai-Ai De Las Alas before, right? RSVP yata yun? ?

Yes Rsvp... Ai Ai As Cheene La Chicka

tama, BK! "RSVP" was on GMA every sunday night.

this was, for me, the nth iteration of the GMA "penthouse" not-so-late-night shows--which of course began with "penthouse 7" in the '70s, "the penthouse live!" in the '80s, and a short-lived '90s version called "the penthouse party" (which was hosted by nanette medved, panjee gonzales, rod nepomuceno, dante ponce and, incidentally, dawn zulueta, who was the last addition to the show before it was axed and gave way to "RSVP")...

sa "RSVP" nagkaroon ng '90s counterpart si "donya buding" ni nanette inventor, through ai-ai delas alas' "cheenie la chica"...she would later resurrect this character on "show and tell" (with gretchen barretto and boy abunda--this was his first ever TV show, by the way...anjanette abayari later took over "la greta"... ) shortly after "RSVP" went off the air.

short note: as a kid, after i learned what the meaning of "penthouse" was, inakala ko talaga noon na malaki ang building (noon) ng GMA...entering the GMA grounds years later as an adult, and seeing the old GMA building, i realized, hindi pala. 😊

hindi lang yata RSVP ang late night program sa GMA before. pati yata yung first incarnation ng MAD ni Martin Nievera, late night din. 😊

sa ABS-CBN naman, ang namimiss ko talaga ay ang Abangan ang Susunod na Kabanata, Tatak Pilipino at Ryan Ryan Musikahan. 😊

oo naman! that i remember, too...tapos meron pang "shades" ni randy santiago (although this was around 9 or 9:30pm 'ata on sundays)...co-hosts niya 'ata rito si toni rose gayda and lilet...

ginawa ko lang parang "grupo" yung "penthouse series" and "RSVP" kasi halos pare-pareho ang format ng mga show na 'yun--mala-sosyal na party with a lot of dancing and, as in the case "penthouse live", singing... 😊

ka-campus sirloin: may ka-liga pa ang Penthouse series at ang RSVP, at yun ay ang...

**Oh No! It's Johnny!** 😂😂😂

ay, oo...isa pa 'yun! 🤖  
i loved that show not for johnny litton (although he was a good host, IMHO) but for maurice arcache and his "arcachat" segment... 🤖

*gusto ko din pala ang sst dati hehe. mas pinapanood ko ito.*

**salo salo together** hehe. doon ko unang nakita si bayani agbayani na kabatuhan pa ni ai ai delas alas. sabi ko sisikat itong taong ito at hindi nga ako nagkamali. lol!

"handa na ba kayong makisalo sa amin?  
sa palaro at gimik, kayo'y bubusugin  
sagad sa sorpresa, walang patid ang tawa  
tuloy-tuloy ang ligaya..."

so went the "SST" theme song, sung by the opera (who, incidentally, are still with GMA as back-up singers for "SOP")...

i will always remember this noontime show for having a barangay-type set in its first year...as in, complete with plaza, sari-sari store at mga bahay...

si bayani agbayani noon was also credited as writer, then going by his real name, bayani rogacion...he would later be giovanni calvo's on-air "bodyguard" (na naka-uniform pa talaga) sa "katok mga misis!"...

speaking of "katok mga misis!"...just to correct you a bit, jay, this was actually pre-programming to

"eat bulaga", which was already on GMA by then (mga mid-1995 ito)...ito actually ang pumalit sa "SST" (which was transferred to 10:30am after EB's transfer), and was originally the showbiz news segment of the same show (so spin-off siya, in a sense)...caesar cosme, whom we would know sometime in the late '90s as "brother willy" sa "ang dating doon" ng "bubble gang", directed this show...he was also director of "SST" (later sharing this duty with randy santiago during the time na naging pre-programming sila ng EB).

ka-campus sirloin, si Maurice Arcache ba yung bigotilyong bakla na kasama ni Johnny Litton sa show niya? 

si Johnny Litton, trying hard version ni Johnny Carson. 

*nakakalungkot lang guys kasi as much as we do really want to see some old videos ng mga palabas noong 70's till the 90's pero hindi na nai-preserve. siguro 'di lang tayo masyado na-trained when it comes to archiving old movies and TV shows* 

*buti pa nga ang US eh, kahit 50's pa sikat ang mga TV shows eh nakuha pa nilang i-preserve.*

perhaps, the oldest local TV clips our networks might probably have in their stock are from GMA (starting with the years that the gozon-jimenez-duavit trio took over from uncle bob), RPN and IBC, all from the mid-'70s and '80s, although they rarely, rarely show it (unless for retrospective purposes like sa mga anniversary nila).

ang nakakapanghinayang, yung pre-martial law years, during the infancy of TV, wala nang mga video. mostly in pictures na lang siya...for example, sa ABS-CBN, i'm pretty sure that they have lost ALL their pre-1972 video when roberto benedicto and RPN took over the ABS-CBN compound in 1973...

i remember commenting on howie severino's blog on GMAnews.tv before, when he did a story on "i-witness" about old pinoy movies, na sana, we could also have a museum of television history, in the same manner that the MOWELFUND had put up a museum of philippine cinema...

sana, hindi ito suntok sa buwan, at sana, kung itutuloy man ito, hindi ito maging "bragging rights" ng isa o dalawang network lang, dahil in all honesty, each network had contributed significantly to the development of pinoy television through the years...

*ka-campus sirloin, si Maurice Arcache ba yung bigotilyong bakla na kasama ni Johnny Litton sa show niya?* 

"that's right, palanggas!" 

he always addresses his audience/readers (dahil society columnist pa rin siya hanggang ngayon) as "palangga". 

ka-campus sirloin: yup. society columnist pa nga yata si Maurice Arcache ngayon, hindi nga ako sure kung sa Inquirer o sa Star siya nagsusulat. 

mukhang ginagawa ni Jojo Alejar sa late night show niya sa QTV yung style ni Johnny Litton. 😊

Partial lyrics of Where You Belong:

"This, this is where you belong my friend.  
Come along with me, and I'll share the world with you.  
This is where you belong my friend.  
Come along my friend.  
Our world is your world is where you belong...  
where you belong, my friend!"

Speaking of Penthouse 7, this is the same show where Ray-An Fuentes of the New Minstrels and Mike Monserrat (brother of composer and record executive Butch) became the most famous male dancers on Philippine TV. Monserrat was particularly popular not only because he sported the mestizo look but moreso, he actually participated in the US program "Dance Fever" hosted by noted terpsichorean Deney Terio. Monserrat and his partner (forgot her name) were so good they landed runner-up in the grand finals of the dance competition, after topping the weekly, monthly and quarterly eliminations. They performed Dan Hartmann's "Instant Replay" as their dance track in the finals...the song that started with a reverse countdown...

Fuentes was a popular musician back with the Minstrels and even with the Ambivalent Crowd and the Circus Band. But he showed his versatility by showing how great a dancer he was. Later on, Monserrat and Fuentes hosted RPN 9's "Dance 10" that came out every Thursday night at around 9PM. In the first season of the show, the dance group Beatnix won the group competition while Darwin Santiago won in the individual category. Beatnix performed punk tracks from Kate Pearson and the B-52's while Santiago won on the strength of his strut maneuvers.

Fuentes just around this time, was also entering a solo singing career. He performed several times in the Metro Manila Popular Music Festival sponsored by the KBP. He was with Tillie Moreno in the 2nd Metropop doing "Umagang Kay Ganda" and participated in three more festivals. He also came out with a solo album in 1984 with the carrier single "Sunshine" (anyone here who has a copy of this?), along with other tracks like "Nandoon Na, Nawala Pa," "We're Gonna Boogie Tonight," and the Theme from Dance 10.

And yes, Ariel Ureta, the ultimate male host of the 70's, hosted an early evening program on GTV 4 called "Patok Na Patok." Ureta became popular in the Martial Law years when he allegedly made fun of the Bagong Lipunan phrase - "Sa Ikauunlad Ng Bayan, Disiplina Ang Kailangan" by rephrasing it to "Sa Ikauunlad Ng Bayan, Bisikleta Ang Kailangan." This came around 1974 when there was an oil recession and prices for gasoline went up by more than 200% - the basis for Ureta's joke.

Another Sunday show back then was Joe Quirino's "Seeing Stars with JQ" shown at 8PM on IBC 13. Quirino was a huge Crispa fan and frequently guested the Crispa players especially after every championship won. He also followed the career of woodpusher Eugene Torre, and also made him guest at his show several times. The catch phrase "okingarud" and "please evacuate" were popularized by JQ himself.

And to all Martial Law babies, who wouldn't forget "Pulong Pulong Sa Kaunlaran?" PPK was shown every Wednesdays on ALL channels from 7 to 8PM (primetime pa!) as this was the propaganda

machine that Marcos unleashed to make people convinced of the good effects of Martial Law. It was a talk show that was hosted by several newscasters from different stations like Harry Gasser, Frankie Abao, Jr., Lee Andres, Dada Lorenzana, Rita Gaddi Baltazar, among others and featured pro-government personalities like Cabinet ministers and Batasan Pambansa assemblymen. As a kid back then, and without cable tv that time, there was no other alternative but either to watch PPK or simply shut off the boob tube.

amusing that you mentioned this, jay...napansin ko rin 'to sa mga TV guide sa dyaryo noon (particularly starting in 1972 or '73)...i'm assuming this show was on before it became a standard that all supper hour newscasts be moved to 7pm back then (which was virtually in effect until after EDSA 1), correct?

*ka-campus sirloin: yup. society columnist pa nga yata si Maurice Arcache ngayon, hindi nga ako sure kung sa Inquirer o sa Star siya nagsusulat.* 😊

sa inquirer na siya ngayon, after being with the star for a long time. every sunday 'ata 'yung column niya. 🇹🇼

hey Sir Jay! 😊

it's really nice to read your posts detailing some of the glorious past moments on Philippine television. too bad those were just, yes, memories and virtually none of the current local programs could match the quality of past Filipino TV programs. 😞

hmmmm... Dada Lorenzana? was she with PTV 4 before? if i could remember it correctly, she was the host of a program entitled "Coast to Coast."

oh my, sana naman may mag upload ng ilan sa mga nabanggit nyo sa youtube....

educate us more, kung ano ang tv nuon.... 🇹🇼

My bad Dan. I made a mistake. I should've meant 7:30 to 8:30PM if I'm not mistaken. The news came in at 7 (News at 7 for GMA, BBC Balita for BBC, Newswatch for RPN, forgot the title of IBC's primetime news telecast anchored by Frankie Evangelista) and Newscenter 4 for GTV.

BK,

Thanks! Dada Lorenzana was part of the Marcos propaganda machine of GTV 4 back then. Their pool

of newscasters back then included Bon Vibar (now a stage actor who does the radio news for DWBR 104.3), Thelma Dumpit, Rita Gaddi Baltazar, Mel Tiangco and Korina Sanchez. Ronnie Nathanielsz was also part of that group although Nathanielsz was focused more on the sports front along with another veteran Freddie Abando. The two were part of MBS 4's coverage team for the 1981 SEA Games hosted by Manila.

On GMA, their lead newscasters were Bong Lapira and Tina Monzon Palma. It was only later when Jomari Velez joined the team, Velez having been part of Channel 5 of the Roces group during the pre-Martial Law days. RPN 9 had Gasser and Loren Legarda while IBC had Evangelista. BBC had Lee Andres and were the only ones who did the news in the vernacular...

Sir Jay,

Korina Sanchez on GTV? Loren Legarda on RPN? i never realized that they started way before People Power I on the government TV stations. all the while, i was thinking that they started their careers on ABS-CBN given their age as compared to the likes of Mel Tiangco and Tina Monzon-Palma. 😊

Jomari Velez? hmmm... i thought he was jailed during the Marcos era? ❓

Harry Gasser... Flora Gasser's husband, am i right? if i remember it correctly, he did Newswatch before along with Cathy Santillan. if i am not mistaken, Harry Gasser is now with ABS-CBN Cebu. ❓

*My bad Dan. I made a mistake. I should've meant 7:30 to 8:30PM if I'm not mistaken. The news came in at 7 (News at 7 for GMA, BBC Balita for BBC, Newswatch for RPN, forgot the title of IBC's primetime news telecast anchored by Frankie Evangelista) and Newscenter 4 for GTV.*

that was "newsday" for IBC, if my memory of TV times magazine serves me right. "newscenter 4" naman became the title of all channel 4 newscasts when they became MBS in the '80s...in their GTV days, i had gathered, their newscast was called "news today". 😊

and joe quirino...i've only seen the guy on TV once when he appeared as himself in an episode of vina morales' now-defunct self-titled musical sitcom on channel 5 (mga 1995 or '96 ito)... "penthouse 7", i had learned, was GMA's almost-direct competition to JQ's "seeing stars"...i put the word "almost", kasi sa mga TV guide na nabasa ko, "seeing stars" started at 8pm, while "penthouse 7" was on at 9pm, and both shows ended at 11...

i also learned that JQ pala, after EDSA 1 if i'm not mistaken, had a late-night weekend show on GMA with willie nep, called "pass the mike" (coined after another JQ-ism of his)...

Yes, Jose Mari Velez was jailed at the onset of Martial Law along with other journalists like Napoleon Rama, Soc Rodrigo and Max Soliven. I believe there were 11 personalities rounded up back then - Ninoy Aquino, Monching Mitra, Pepe Diokno were the most notable ones...

Yes, Harry Gasser is the husband of comedian Flora Gasser of Duplex fame. Cathy Santillan came in much much after already as Gasser had a string of co-newscasters back at Newswatch. Aside from Legarda, I also remember Thelma Aranda as Gasser's sidekick in the coverage.

Newsday indeed it was Dan. And News Today was the 70's version of the primetime news of GTV 4. Also back then, the late evening news started at 10PM and not the 11 or 11:30 we're seeing now with Saksi and Bandila. Roving reporters for GMA back then included Jun Bautista, Jimmy Gil, Raffy Marcelo, Alex Tinsay, Tony Lozano, among others.

Sir Jay,

Alex Tinsay and Jimmy Gil? wow! i never realized that they have been with GMA for that much length of time. i guess you were referring to the pre-People Power I GMA days. am i right, Sir Jay? 😊

hmmmm... how about Maan Hontiveros and June Keithley? were they also doing television stints during those days?

*Newsday indeed it was Dan. And News Today was the 70's version of the primetime news of GTV 4. Roving reporters for GMA back then included Jun Bautista, Jimmy Gil, Raffy Marcelo, Alex Tinsay, Tony Lozano, among others.*

ahh, yes, the late news hour i will always remember, especially back in the late '80s and '90s...when i was a kid, with the advent of newscasts in the vernacular like "GMA balita", "TV patrol" and "pangunahing balita" in the late afternoon/dinner time slot, the 10/10:30pm hour became the "fort" for newscasts in english...

however, in the '90s pa lang, may dalawang late night newscast na naiba ang airing time from the usual 10 or 10:30pm time slots, although this happened in separate periods...there was "eleven o'clock news" on IBC (with tg kintanar and lee andres, if i remember right), which, obviously, was at 11pm...and then, "the big news" on the then newly-reopened ABC (with tina monzon-palma and eric eloriaga, later joined by kathy tanco-ong), which aired at 9pm...

Pangunahing Balita? wasn't that the early primetime newscast of PTV 4, with Lulu Pascual (now with RPN's police-related late night show), Chichi Fajardo-Robles (who is now teaching in, if i am not mistaken, Ateneo De Manila) and Catherine De Leon (now, the Lotto lady) as news anchors? ?

since this is the TV memories thread, i guess it is just right for me to share to you guys how much i miss the old Vintage coverage of the PBA. i miss watching Joe Cantada doing the coverage. 😊

Sir Jay,

*Alex Tinsay and Jimmy Gil? wow! i never realized that they have been with GMA for that much length of time. i guess you were referring to the pre-People Power I GMA days. am i right, Sir Jay? 😊*

jimmy gil, according to GMA history, was the reporter who asked cory aquino, back in late 1985 when marcos declared a snap election, kung anong conditions yung gusto niyang mangyari to convince her to run for president, to which, mrs. aquino answered in part, "one million signatures"...which, in turn,

was what she got. the rest, of course, is philippine history. 🇵🇭

si alex tinsay naman, ang unang recollection ko sa kanya, prior to him being co-anchor of "GMA balita" in its last couple of years on the air, was co-anchoring "GMA morning news live" with veronica baluyut...this, if i remember right, was pre-programming to jessica soho and bobby guanzon's "kape at balita" radio-TV simulcast...

Yes, specifically the era of 1979 to 1985. Of course, these news vets were also around after EDSA 1 but they were slowly eased out by more camera-friendly news reporters.

June Keithley and Maan Hontiveros didn't do newscasts. They hosted celebrity magazine programs at late night. Keithley was with Johnny Litton in a program once called "June and Johnny" something (not sure with the title) while Hontiveros was with Tina Revilla and Yogi Dominguez Zaragoza in the multi-awarded Ms. Ellaneous shown on Tuesday nights at 10:30PM over GMA. Joy Virata, on the other hand, had "Celebrity" which was shown on GTV 4.

Dong Puno's Viewpoint debuted on GMA sometime in 1984 and his first guest, if I'm not mistaken, was no less than Cory Aquino, on the first anniversary of Ninoy's death. This was aired on Tuesday night at 10:30PM.

The most boring time on Philippine TV back then was the 1:30-5PM time slot. This segment was devoted primarily for housewives who stay home or for kids who were too young to go to school or who have gone home already. The 700 Club was shown at 3PM on GMA back then.

My favorite tv station was GMA because of their canned shows (where I mentioned some in a previous post). James at 15 was a particular favorite, talking about the pains of teenage life, while a close second was Eight Is Enough that starred \*\*\*\* Van Patten - a story of a father with 8 kids in the house. Something I can relate to because we're 10 siblings in the family.

I liked RPN in terms of clarity. They also had my favorite comedy shows like John & Marsha & Champoy. They also featured good foreign movies - I particularly liked the Charles Bronson flicks back then.

IBC 13 showed their muscle in the mid 80's and became the #1 network until 1987 if I'm not mistaken. Most of the first ABS local shows were pirated from IBC - Alma Moreno's Loveliness, Chicks to Chicks, The Sharon Cuneta Show, among others. Other IBC shows included TODAS (Wednesdays at 7:30), Iskul Bukol (Tuesdays at 7:30), among others.

*since this is the TV memories thread, i guess it is just right for me to share to you guys how much i miss the old Vintage coverage of the PBA. i miss watching Joe Cantada doing the coverage. 😊*

ay talaga! 'pag sinabi mong vintage and the PBA, smokin' joe cantada will definitely come to mind...his tandem with andy "doctor J" jao, to be exact...

isama mo pa d'yan yung tandem din ni sev sarmenta (who, on a more personal note, would later became one of my profs and my thesis adviser sa ateneo...mahal namin sa comm department 'yan!) and butch maniego, romy "man on the ball" kintanar, ed picson and quinito "the dean" henson (who i first saw hosting "NBA on GMA" every saturday afternoon)... 🇵🇭

speaking of profs...tama ka, BK, chichi robles is teaching until now sa ateneo...she also became my prof 4 years ago--actually, nag-sub siya noon kay ma'am boots (anson-roa) sa performance and

presentation class namin, when the latter had to go on leave to run for senator...

having watched them on TV as a kid, na-starstruck ako sa mga 'to when they became my teachers...then again, i digress. 😊

Sir Jay,

i have always loved Champoy. although i was very young then, i could still remember the gags being done by Subas Herrero (who is, i think, a very versatile actor considering the fact that he can do roles ranging from FPJ's main antagonist to the comedian in Champoy), Noel Trinidad and the rest of the gag. who would not forget the Walang Sisihan and Mister Boom Boom portions? who would not forget how Champoy launched the careers of Tessie Tomas, Mitch Valdez (then known as Maya Valdez), Gary Lising, Ronnie Lazaro and Joel Torre? Champoy is, if i am not mistaken, the forerunner of today's many gag shows. 😊

as for kids' shows, i am proud to say that i am a Batang Batibot. i can still vividly remember all things Batibot- Pong Pagong, Kikong Matsing, Manang Bola, Ning Ning, Ging Ging, Irma Daldal, Direk, Kuya Bodjie, Ate Sienna (who is now with ABC Sports/PBA), the "Alin ang Naiba" song, the "Pagsama-samahin ang Pare-Pareho" song, the "Ako ay Kapitbahay" song, etc. that time, Batibot was airing over RPN every morning and on PTV during the afternoon (after the show Tele-Aralan ng Kakayahan, hosted by theater actress Cecilia "CB" Garrucho). Batibot's impact was lasting on my generation but, sadly, the show itself did not survive the flow of time. 😞

i am not that sure about Uncle Bob's Lucky Seven Club though. As far as i can remember, it was hosted by Uncle Bob Stewart, who is, i think, the original owner of GMA.

Ureta became popular in the Martial Law years when he allegedly made fun of the Bagong Lipunan phrase - "Sa Ikauunlad Ng Bayan, Disiplina Ang Kailangan" by rephrasing it to "Sa Ikauunlad Ng Bayan, Bisikleta Ang Kailangan." This came around 1974 when there was an oil recession and prices for gasoline went up by more than 200% - the basis for Ureta's joke.

Another Sunday show back then was Joe Quirino's "Seeing Stars with JQ" shown at 8PM on IBC 13. Quirino was a huge Crispa fan and frequently guested the Crispa players especially after every championship won. He also followed the career of woodpusher Eugene Torre, and also made him guest at his show several times. The catch phrase "okingarud" and "please evacuate" were popularized by JQ himself.

**And to all Martial Law babies, who wouldn't forget "Pulong Pulong Sa Kaunlaran?" PPK was shown every Wednesdays on ALL channels from 7 to 8PM (primetime pa!) as this was the propaganda machine that Marcos unleashed to make people convinced of the good effects of Martial Law. It was a talk show that was hosted by several newscasters from different stations like Harry Gasser, Frankie Abao, Jr., Lee Andres, Dada Lorenzana, Rita Gaddi Baltazar, among others and featured pro-government personalities like Cabinet ministers and Batasan Pambansa assemblymen. As a kid back then, and without cable tv that time, there was no other alternative but either to watch PPK or simply shut off the boob tube.**

I have seen the old video clips on youtube. This is something to do with the New Society. Taga KBS-9 pa nga ang nag-i-interview eh. log ka lang sa youtube then type pinoy memories 😊

to those who miss the Vintage coverage of the PBA, check out this video:

<http://youtube.com/watch?v=9YWU6QQGzf8>

enjoy! 🍷

BK,

Thanks! Dada Lorenzana was part of the Marcos propaganda machine of GTV 4 back then. Their pool of newscasters back then included Bon Vibar (now a stage actor who does the radio news for DWBR 104.3), Thelma Dumpit, Rita Gaddi Baltazar, Mel Tiangco and Korina Sanchez. Ronnie Nathanielsz was also part of that group although Nathanielsz was focused more on the sports front along with another veteran Freddie Abando. The two were part of MBS 4's coverage team for the 1981 SEA Games hosted by Manila.

On GMA, their lead newscasters were Bong Lapira and Tina Monzon Palma. It was only later when Jomari Velez joined the team, Velez having been part of Channel 5 of the Roces group during the pre-Martial Law days. RPN 9 had Gasser and Loren Legarda while IBC had Evangelista. BBC had Lee Andres and were the only ones who did the news in the vernacular...

Don't forget Ms. Lulu Pascual. She used to be with Ka Kiko during its primetime newscast at IBC.

speaking of IBC, eto ang naaalala ko na primetime block nila after news:

Iskul Bukol - Tuesdays

TODAS - Wednesdays, after that Chicks to Chicks na then WWF.

tama ba ako?

sa RPN naman, Ang Bagong Kampeon every Fridays then John en Marsha

GMA, basta't sabado afternoon, all eyes are on Discorama 🤖

Yes, I remember Batibot although I believe I was in college already back then. The first female star of that show was actually Dessa Quesada (I believe the sister of Ces), a pretty woman who was one or two batches ahead of me in UP Diliman. I get to see her often and found her very pretty and attractive. Sienna Olaso came into the scene after Dessa if I'm not mistaken. What I recall about Sienna though were here huge bumpers that were quite difficult to conceal...:-)

Uncle Bob's Lucky 7 Club was shown every Saturdays at around 9 or 10AM. I don't really follow the show that much although I remember Bob Stewart giving out plenty of educational toys to the kids game after game. I personally wanted to join the club back then simply because of the doleouts but good thing I was able to get the better ones (educational toys) from gifts. Mastermind, Games of the Generals, etc. were just some of the board games being given out by Uncle Bob himself.

Champoy came out every Thursday at 8:30 on RPN. Note that because the news was from 7-7:30, most of the programs were at the thirtieth minute of the hour. It was common for tv networks back then to have two one hour shows and one thirty minute show in between the 7PM and 10PM news. Other tv networks on the other hand had shows that ran up to an hour and thirty minutes - these were the drama programs of Maricel Soriano, Nora Aunor, etc. Back to Champoy, Subas and Noel were in their familiar tuxedos at the start of the show to sing the opening theme and crack some jokes along the way. The funniest would obviously be Gary Lising - that guy, despite the corniest and repetition of jokes - never fails to make me laugh when he delivers these. Practically the entire Champoy cast went against the dictatorship and were part of Edsa 1 and yet, there was no political color involved in the program, probably because it was aired on the Benedicto-run RPN 9...

hello kay Dabarkads salbakuta! 😊

B\_K : dude!

waaaahhhh!!!! nose-bleed itong job ko! ang dami-daming queries, isang katerba huhuhu

buti na lang may ganitong thread 😊

Dabarkads salbakuta: ito na ang time mo para i-share ang Eat Bulaga memories mo, lalong-lalo na yung times na nasa RPN at ABS-CBN pa ang Bulaga. 🇹🇼

-----

Sir Jay,

Dessa Quesada on Batibot? mukhang hindi ko pa alam yun. sina Kuya Bodjie at Ate Sienna (dati na palang ganun yung bumper niya? 🇹🇼 ) ang inabutan ko. Ching Arellano, Dwight Gaston and Isay Alvarez (who, later on, moved to ABS-CBN's ATBP) were also the former Batibot cast members who i can, still, vividly remember. 😊

by the way, speaking of Uncle Bob's Lucky Seven Club, guess what? SOME OLD VIDEOS of the show on YouTube, yun nga lang, wala si Uncle Bob:

*IBC 13 showed their muscle in the mid 80's and became the #1 network until 1987 if I'm not mistaken. Most of the first ABS local shows were pirated from IBC - Alma Moreno's Loveliness, Chicks to Chicks, The Sharon Cuneta Show, among others. Other IBC shows included TODAS (Wednesdays at 7:30), Iskul Bukol (Tuesdays at 7:30), among others.*

'yun 'yung amusing that time--competition on TV prior to EDSA 1 was almost practically "internal", because three of the five stations were all under one roof and one owner (the broadcast city stations of roberto benedicto)...

perhaps, a lot of today's generation can just dismiss RPN and IBC now--p'wera na lang siguro sa mga fans ng foreign shows on RPN (through the C/S platform)...pero a lot of us here can definitely look back and say that these two networks came out with really good shows back in the day...

guess all that sequestration after EDSA 1 had done a little more harm to them than good...

minsan naisip ko, sana itong RPN at IBC na lang ang nag-No.1 at nag-boom sa international market. at least nasa iisang bubong sila at kung may competition man at least healthy. di tulad ngayon na hmmm.....ayoko ko na lang sabihin hehehe

B\_K: basta't EB memories on RPN and ABS, punta na lang kayo sa EB website

[www.eatbulaga.tv](http://www.eatbulaga.tv)

lagi ko pinapanood yung mga archival clips sa EB website noon...lalo na nung time na nagbo-boardwork ako sa LS-FM (habang hinihintay ko si John Hendrix dumating--sa graveyard/early morning ako noon, before they became barangay LS...)...sinasaksak ko pa yung headphones ko sa likod nung computer doon na pang-internet...pero siyempre, paying attention din ako sa kanta at sa commercials on air! 😊

paborito ko yung opening ng 6th anniversary nila (yung pabirong naasar si Coney sa TVJ kasi instead of yung "inensayo nilang choreographed number", sumayaw ng "cha cha buena" ang tatlo...typical TVJ fooling around--in a good way, of course! 😊), yung opening ng 4th anniversary (dumating sa LS-1 ng broadcast city sakay ng kotse si Tito at si Coney, naka-trike si Master Joey, at nakasakay sa kahoy na Dolly si Bossing), 'tsaka yung solo song number doon ni Coney ("I enjoy being a girl")... 🎵

*by the way, speaking of Uncle Bob's Lucky Seven Club, guess what? an OLD VIDEOS of the show on YouTube, yun nga lang, wala si Uncle Bob:*

<http://youtube.com/watch?v=RZorXAOcXlU>

<http://youtube.com/watch?v=dZGFy55jhiM>

'yung anak na 'ata ni Uncle Bob ang nag-takeover sa hosting that time--si "Tito Jody" Stewart...

Dolly Anne Carvajal also started her TV career hosting this show in the '90s, until it folded up...

I loved this show because of all the toys they featured--basta mga bago at hit na laruan, siguradong featured sa "Lucky 7 Club" noon...sadly, hanggang pangarap lang ang mga laruan na 'yun para sa kin...haha!

Champoy was axed by RPN Management before Edsa as the show's host and some of its cast were labelled as anti-Marcos. I remember then that even Butz Aquino were officially banned at RPN who was then having a show after Ninoy's Death.

hmm...ganun pala ang naging ending no'n...sad, sad, sad...at sayang din, kasi wala nang ibang gag show--as far as I can remember--ang nagkaroon ng similar structure and air of class just like "Champoy"...well, maybe except for its '90s revival, "Executive Champoy", on ABS-CBN (also with Subas and Noel, on Friday nights after "The World Tonight"...although this was very short-lived...)...

*minsan naisip ko, sana itong RPN at IBC na lang ang nag-No.1 at nag-boom sa international market. at least nasa iisang bubong sila at kung may competition man at least healthy. di tulad ngayon na hmmm.....ayoko ko na lang sabihin hehehe*

i just realized how these two stations were programmed quite differently well into the '80s and early '90s, just like how ABS-CBN and studio 23, or GMA and QTV (or citynet 27, years ago)...

IBC, its primetime lineup, specifically, was made up mostly of local shows--thus, perhaps, also explaining its later taglines, "basta pinoy sa trese" in 1986, "pusong pinoy, pusong trese" in 1989 and "pinoy ang dating" in the mid-'90s

RPN, meanwhile, had a good mix of both local shows and foreign hits...in my opinion, RPN could well have been GMA's biggest competition in terms of programming structure and content especially during the pre-EDSA 1 period, before ABS-CBN went back on the air...

FYI:

Pre Martial Law years was better as there was no competition brought about by ratings. Programming was so different then. Most channels except channel 2 shows foreign canned shows in their programming. The only competition with local content then was Channel 11 of MBC (Elizalde with Evening Post newspaper), channel 5 (Roces, Manila Times). Channel 13 then owned by the Sorianos (Philippines Herald), Channel 9 (ABS with The Manila Chronicle) and Channel 7 (RBS of Bob Stewart) showed American TV series and canned shows. That's why those 3 networks with their own newspapers were called then as Tri-Media, meaning Radio, TV and print. Only RBS Channel 7 had no newspaper. Channel 9 was not sold but forcibly taken by the Marcoses through Benedicto, fresh from his stint as Ambassador to Japan to become KBS (all new equipment coming from Japan was rumoured to be coming from the World War II reparation funds). ABS was given the Channel 4 frequency in replacement. Channel 9 as KBS was the fourth Tri Media Network with its Daily Express then in tabloid format before it became broadsheet.

sayang, i lost a long reply to this one...hehehe...but anyway...

hmmm...interesting story about how KBS channel 9 came to be, although i'd have to say na iba 'yung nabasa ko sa "kapitan" book ng ABS-CBN...if my memory serves me right, ang sabi, the lopezes did give the channel 9 frequency to benedicto (who was a family friend, incidentally), and also sold the old ABS studios in roxas boulevard (which they were no longer using as they had just transferred back then to their current headquarters in sgt. esguerra)...a lot of KBS people were also said to have trained with the help of ABS--as author raul rodrigo put it, geny lopez back then was acting more like an older brother than a competitor to the KBS network...

i'm sure, edietor, alam mo rin yung nangyari doon sa roxas boulevard studios na yun ng KBS (which i learned about from the same book): na nasunog siya to the ground in june 1973...a lot of ABS old-timers said that that fire--whose cause is still unknown up to now--was deliberately done to give benedicto an excuse to use the then-closed-down ABS-CBN broadcast center for their network...which eventually did happen...ABS-CBN was supposed to have reopened pa naman daw under new management (led by kokoy romualdez), and with the then-current employees, but it didn't materialize because of what happened to KBS--and their eventual takeover of the broadcast center...

Maya Valdez and June Keithley were familiar faces before martial law years as they started as ABS-CBN Channel 2's Promo Girls together with other young beautiful ladies who announced coming features every hour instead of the very common station id.

I think the story that was written in that book was reconciliatory not to offend anybody as ABS-CBN was regained by the Lopez's without any hesitation after EDSA. The fire that gutted the KBS (ABS original home) was the result of the power squabbling between the Romualdez's and the Benedicto's at that time and eventually taking over the closed ABS-CBN Broadcast Center at Bohol Avenue (now Sgt. Esquerro). Due to the squabbling, this gave birth to BBC 2 (Banahaw Broadcasting Corporation) whose theme song was composed and sung by Jose Mari Chan, even though this was known as a sister of KBS (now RPN) and being broadcast from its Broadcast City in Capitol Hills Q.C. was established to distinguish the squabble between the 2 families. If there was no truth in these supposed to be rumours how come it was sequestered after EDSA including the businesses owned by the Benedictos's?

Well

Jay,

I want some info about "Good Morning Philippines". If I know, Jay, it's ABS-CBN's Regional Morning Newscast. And also the Delta Theater, both GMA Network Centers, GMA Broadway Centrum, ABS-CBN Broadcasting Center, Broadcast City, KBS Broadcast Plaza, BBC Studios (Roxas, ABS-CBN also used it), ABS San Juan HQ, and everything about TV buildings like the NBN building near PTC(?)

Tnx,

Pepman

Jay, You are really a wizard in everything.

Pep,

Here's what I know - although since I'm only taking everything from memory, don't take every word that I write here as factual. I'm almost sure there will be lapses along the way so I hope you'll bear with me...

During the Martial Law years, there were 5 networks - BBC 2 and NMPC's GTV / MBS 4 were based at Bohol Avenue cor Mother Ignacia, GMA 7 was based at Timog corner Jamboree Streets, and IBC 13 and RPN 9 were located at Broadcast City at Capitol Hills, QC. NMPC stood for National Media Production Center under then Information Minister Greg Cendaña.

Delta Theater was named as such because it was located in the building where Delta Manufacturing Corporation was based - the local distributors of the Toyota fleet in the Philippines owned by the Silverios. I'm not sure if the Lopezes got this although there were times during the post EDSA 1 years when some tv specials were conducted at the Delta Theater. It used to be one of the finest moviehouses in QC, along with Circle Theater (just across Delta), Broadway Centrum West and East, Paramount Theater (West Avenue cor EDSA prior to the construction of SM City North EDSA) among others.

Broadway Centrum was secured by GMA in the late 80's if I'm not mistaken because their live studios in Timog were quite small to accommodate the audience. Most of the live programs of GMA were staged at the Centrum (Vilma, GMA Supershow, etc) until the GMA Network Center Building was finished. Only Eat Bulaga has remained at the Broadway Centrum because its producers, TAPE, Inc., are merely blocktimers for the network.

In the middle of EDSA 1, rebel forces took over the Bohol networks, practically shutting down the two networks and allowing anti-Marcos followers to take over these networks. Initially, it was MBS 4 that they took over, this was on February 25, 1986. After the People Power Revolution, Cory Aquino returned the Bohol Avenue complex to the Lopezes but initially shared the property with PTV-4 (the new name of MBS). After a few years, the PIA office along Visayas Avenue became the new home of the Philippine Broadcasting Service (PBS) and NBN 4. The one they left behind at Bohol Avenue was turned over to the Lopezes.

The Body Language dance contest of Student Canteen introduced us to sexy Frieda Fonda, who became a regular at TODAS. Fonda experienced a nipslip sometime in the late 70's while wearing a tube blouse as she swayed herself to the music of Body Language.

Suerte Sa Sieta, hosted by Eddie Ilarde and Helen Vela, had a water dunk game where a contestant would throw a ball to the bullseye and if he's able to hit it, the model above the water pool would be dunked. There were at least two instances when nipslips were experienced by the program after they got dunked in the water.

Other tv nipslips:

1. Geneva Cruz doing the polynesian only to have her bra top reveal her right nipple at Eat Bulaga
2. A braless Anna Capri gyrating revealing her left nipple in a side view from the camera also at Eat Bulaga
3. A female dancer at Penthouse 7 was wearing a long one piece blouse with a tube top sometime in the late 70's and her blouse fell off, revealing for a few seconds both her auerolas. Archie Lacson couldn't help mimic the frequent raising of the blouse by the dancer.
4. A young actress who played Juniper in one teen show revealed her nipples from a transparent bra while wearing a tube blouse and dancing to Macarena at Wowowee.

Any others?

to add to this one...dalawa 'yung sinehan sa broadway centrum: the westside theater and the eastside theater.

GMA has been leasing the westside one for the past 20 years, and i think they are still using this until now, although for just a few shows na lang like german moreno's "walang tulugan" (obviously, may "sentimental value" ang broadway kay kuya germs because he did his top-rating "that's entertainment" and "GMA supershow" there), "showbiz central" and "all star k!"...since the network center has been operational, and with the upcoming GMA network center annex over at the 11th jamboree side, most of GMA's in-house productions have been done at the EDSA studios...

"eat bulaga" naman has been using the eastside theater since 1996 or '97, after they transferred to GMA...prior to that, nasa celebrity sports plaza 'ata sila for quite a while, if my memory serves me right...i'm assuming na may sariling agreement ang TAPE sa may-ari ng broadway for this one, kaya technically, with TAPE being a blocktimer for GMA and not necessarily a co-producer, hindi ito kasama sa bilang ng studios ng GMA...

therefore, right now, GMA has a total of 7 studios in use: studios A and B in the "old side" of the EDSA complex, studios 1, 2 and 3 in the network center building, the broadway westside theater, and the filmex studio in makati (which they are also leasing, and is used by "nuts entertainment" and "bubble gang")...

accident lang pag pagkalitaw ng nipples..pati b naman si eda nolan or junifer nasita mo.....

DT,

That's right...no harm intent though...Since Body Language was cited and Frieda Fonda was the celebrity who practically made this dance a craze, and since Fonda got involved in a nipslip before, I thought of mentioning the other "accidents" that happened in the boob tube...

My apologies if it offended your senses...

si nora aunor nga pag nag so show sa superstar..NAKAINOM

Ful Haus if i remember is using a studio in Pasig. So, it's 8, same as ABS-CBN. Jay or anyone, ilan ang bilang ng studios sa ABS-CBN sa Bohol? Cn you describe me the shows used in each studio. Please.

*actually yung original hq ng abs ay nasa san juan*

Sorry to say that the original CBN studios is in Aduana, Intramuros Manila, while ABS was in Roxas Blvd and was merged later into one in Roxas Blvd. Maybe what you're saying was where the old Quirino owned ABS was. What was originally in San Juan was Channel 13 with their own transmitter before they transferred somewhere in Q.C. The original Channel 13 small studio in Little Baguio, San Juan became the Sining Makulay Cable (which I think one of the first cable company in the Philippines owned by the Benedicto's). This is the reason why before Martial Law ABS-CBN 2 & 4 has a good and clear signal in Metro Manila and even maybe the so called Mega Manila of today because there were very few transmitters in Q.C. at that time. ABS-CBN has its own in Bohol Ave., and the adjacent Channel 7. When Channel 13 transferred their transmitter in Q.C. (Frisco) and KBS (RPN) build their own in Panay Ave. The signal of ABS became weak even if they increase their power output which if it happens in the US will be a violation of FCC rulings on the placement of transmitters. Channel 2 is being sandwiched by GMA and RPN transmitters.

'di lang 'yan, edie...mas maliit yung lumang tower ng channel 7 (which was within the EDSA compound--it was dismantled about 4 or 5 years ago, when they renovated the space in between the old building and the network center) compared to that of ABS...i also learned that channel 7's pre-GMA/pre-martial law transmitter, which was supposed to be at 25kw, was not operating at full capacity, because of the expenses that came along with it (ni-refurbish na lang daw at napa-operate in full power when the gozon-jimenez-duavit trio took over in '74, dahil nagkaroon ng dagdag na finances ang channel 7)...

@pepman: i learned that 'yung studio where "ful haus" is being taped--sa pasig--is also owned by TAPE inc., not by GMA; therefore hindi pa rin kasama sa bilang ng studios nila 'yun.

GMA used to have another makati studio in the '90s--at the sagittarius building within the makati business district--which was used only for public affairs shows like "business today" (dong puno and vicky morales; later, rico hizon and mon isberto) and "firing line" (teddy benigno and oscar orbos; later with winnie monsod). doon din sa makati noon yung offices ng marketing subsidiary ng GMA (which has since moved to the network center).

Before martial law dance program was very popular then especially for the teens, if Channel 7 has their Penthouse 7 for the not so old as Ballroom Dancing was not so popular with teens then led by the original Archie Lacson, ABS had its 9 Teeners hosted by Mr. Ed Finlan ( is this his correct name) and by then Boots Anson (now Roa), the Original ABC-5 had it's own Dance-O-Rama hosted by Pete Roa, MBC Channel 11 had their Saturday Night Owl where popular guest live bands provided the music.

BBC-2 has its own dance show entitled Odyssey 2. you can check it through youtube and look for pinoy memories. There are lots of old video clips even TVC's during the 70's.

BBC2 was during Martial Law, While ABS-CBN2 was before Martial Law and after EDSA 1. Sayang nga lang most of the tape archives of ABS-CBN before martial law was not preserved by the people who had taken over the premises. These should have been preserved as part of TV Broadcasting History. Either those tapes were erased and reused para makatipid. Sayang din at di pa uso noon ang Betamax and VHS to record parts of those programs.

ABS-CBN was the TV of the masses before Martial Law. All local programs from soap operas to variety shows they have it. It continues for a long time except for the coming of KBS which actually did not compete totally with ABS. Who will forget Oras ng Ligaya, Kuwarta o Kahon, Tawag ng Tanghalan, Stop Look and Listen where Victor Wood started to learn how to sing, Hamon sa Kampeon, Buhay Artista, Student Canteen, Suoer Laff-in directed then by Rollie Grande and Ading Fernando as writer, and many more, meaning most of the program you are viewing at present was an offshoot of the shows that was started by ABS. MBC Channel 11 has their own local show to cater but not as popular as those started by ABS. Even ABC channel 5 had their own like Balintataw and Gulong ng Palad. In sports Channel 11 coverage of MICA (now PBA) with \*\*\*\*\* Ildefonso, and Fistorama with sportcaster Gabby Tabaniag. MICA coverages was then transferred to ABS Channel 4 as Meralco Team(to become

Toyota later) headed by a young Jaworski then was a team to beat with Emy Arcilla and \*\*\*\* Ildefonso as sports casters..

*Before martial law dance program was very popular then especially for the teens, if Channel 7 has their Penthouse 7 for the not so old as Ballroom Dancing was not so popular with teens then led by the original Archie Lacson, ABS had its 9 Teeners hosted by Mr. Ed Finlan ( is this his correct name) and by then Boots Anson (now Roa), the Original ABC-5 had it's own Dance-O-Rama hosted by Pete Roa, MBC Channel 11 had their Saturday Night Owl where popular guest live bands provided the music.*

may nauna pa actually sa "penthouse 7" on the pre-martial law channel 7--it was "dancetime with chito", hosted by uncle bob's brother-in-law chito feliciano...this show was one of the few local shows the old RBS produced...archie lacson, i learned, was incidentally one of the regular dancers on that show, too...just like "penthouse 7" later on, marami silang mga pinausong sayaw, at meron din silang instructional segment for viewers to learn their dance moves...

nakakatuwa 'yung love story nina pete (God rest his soul) and boots roa, especially kung paano natuklasan na nagtanan 'yung dalawa...si boots, actually, yung pumalit kay baby o'brien (when she got pregnant) as pete's co-host in "dance-o-rama", at doon nagka-develop-an ang dalawa...but pete was offered to transfer later to ABS-CBN, where he was given his own show at naging production executive pa, leaving boots on ABC. kuwento ni pete roa dun sa librong "kapitan", on the day na nagtanan silang dalawa, boots was absent on "dance-o-rama", so his mom, who was watching their shows back then, tuned to channel 3, not finding pete there on his show. ayun, nabuko. 🇵🇭

*MICAA coverages was then transferred to ABS Channel 4 as Meralco Team(to become Toyota later) headed by a young Jaworski then was a team to beat with Emy Arcilla and \*\*\*\* Ildefonso as sports casters..*

i remember emy arcilla and \*\*\*\* ildefonso do the crispa-toyota reunion game some 5 years ago--the first time i ever watched this legendary sports TV tandem cover a game, dahil 'di pa ako pinapanganak when they were still very, very active on television...it was very different, in a good way...talagang time-travel 'yung feeling, dahil kumpleto ang setting: crispa vs. toyota, the araneta coliseum as the venue, sev sarmenta doing his courtside barker duties '70s/'80s-style ("jaworskiiii...3 poooooints!") \*\*\*\* and emy covering it, and the graphics were even very basic (although siyempre computer-generated na 'yung score overlay, but they tried to match the old style score overlay na chromakey pa 'ata dati ang gamit)...

Radio Trivia:

Do you know that Joey de Leon was never a comedian/actor when he was at ABS CBN? He was once a radio announcer before Martial Law on DWOW AM and DZQL. Joe Cantada and Ronnie Nathanielz were radio announcers of DZHP AM, the Radio Station owned by the Soriano's. These tandem of Cantada and Nathanielz were part of Tour of Luzon coverage and was sponsored by Coca Cola (part also of the Soriano's empire then) on this AM radio station. FM was not yet popular. It was only in the 70's na nagsulputang parang kabuti (mushroom) the FM stations that we are enjoying at present, although some have changed names.

The only FM station you could hear before was from Far East Broadcasting DZFE (a Christian Station in the Philippines).

yup!

he went into 12 radio stations of ABS-CBN during the pre-martial law years and during that time, he always play the songs especially the Tilt Down Men, led by his long-time kumpare, ex-Sen. Tito Sotto, from then on they develop their friendship until such time that he met Tito's siblings: Val and Mr. Bossing himself Vic Sotto (also during that time, he's a folk-singer and a student from La Salle. he's just a thin guy who has an eyeglasses and always having his own guitar).

Another Radio Trivia:

Helen Gamboa, the actress, Sharon Cuneta's Aunt, Tito Sotto's wife, never had any program or show on TV in the pre martial law era. She had a regular live sitcom not on TV but on radio, ABS DZXL AM (now DZMM) every Sunday with Dolphy even though she was popular then as a singer and actress before she tied the knot with Tito. She had some TV guesting then but no regular shows. Unlike at these times na pag sikat ka mas lalong doble ang kayod just to be on top.

alam ko, naikuwento niya once na nagkaroon siya noon ng "helen in color"--just not sure if it was with ABS-CBN or the old ABC...or was it just a special?

i read in the sunday inquirer mag waaaaaay back, when their cover story was about comedians, tungkol sa isang sample ng kalokohang ginawa ni joey noon on air...

Note: Magkaiba ang MICA and PBA. Nung ginawa ang PBA, andyan pa rin yung MICA pero laos na.

usapang basketball coverage naman since were inside this thread

as we all know naman that Vintage Enterprises handled the PBA coverage during these period: 1982-1983(BBC-2), 1984-1995 (MBS/PTV 4), 1996-1999 (IBC-13), 2000-2002 (Viva-Vintage, still on IBC), 2003 (stayed with NBN for about a year), and now with ABC since 2004.

when PBA started in 1975, aling station ang unang nag-handled nito?

how about MICAA? which station handled its coverage and from what year?

for PBL (PABL before), hinandle ng Ch.4 ito until the late 90's. tama ba?

UAAP: it was aired on IBC from 1986-1990, then it went to Silverstar from 1991-1999. and yun nga Studio 23 from 2000-present.

may mga TV coverages na rin ba nito during the 70's till the mid-80's?

what about NCAA?

Here's a lowdown of the PBA coverage:

1975 - handled by KBS-9; commentators back then were Frank Sanchez and Raffy Mejia

1976 - shown at BBC-2; commentators included D\*ck Ildefonso and Emy Arcilla

1977 - shown at KBS-9; same commentators as 1976

1978 - 1981 - shown at MBS / GTV 4; coverage handled by Media Specialists, Inc. of Romy Jalosjos; added Zal Marte and Ronnie Nathanielsz in the broadcast pool

1982 - 1999 - handled by Vintage, Inc; shown on various channels but they started with City 2, then moved to MBS/PTV 4 and later with IBC 13; original broadcast team included Pinggoy Pengson, Joe Cantada, Joaqui Trillo, Andy Jao, Steve Kattan with Jun Bernardino as Man On The Ball

2000 - 2002 - joint venture between Vintage and Viva TV; Vintage talents though were retained which included Noli Eala, Ed Picson, Quinito Henson, among others

2003 - parallel broadcast between IBC 13 and PTV 4

2004 - present - ABC 5

For the MICAA, I remember ABS covering the games in the early 70's. When the PBA opened in 1975, the MICAA found itself wanting a broadcaster but eventually was covered by GTV 4 all the way to 1981 when the league closed shop. The PABL (forerunner of the PBL) eventually opened in 1983 with MBS 4 handling the coverage.

thanks for the info JPM 🙌🙌 what about UAAP?

*Note: Magkaiba ang MICAA and PBA. Nung ginawa ang PBA, andyan pa rin yung MICAA pero laos na.*

But just the same the break away of ten teams to form the PBA from MICAAs had made its existence went kaput. PBA still is an offshoot of the MICAAs. Even if it was in existence during the infancy of the PBA the popularity dwindles as most of the popular teams and players were on the new league. They co-exist for a while as MICAAs (amateur) became the farm team of PBA (professional). The MICAAs of yesteryears maybe the PBL of today.

MICAAs as we all know was under the control of BAP and most of its players were employee or workers of its own individual company/team. They just play for fun and allowances. But changes in the composition of players in the team being paid as players made it as a semi professional league and was questioned by BAP thus the birth of the PBA.

Edietor is correct when he cited the MICAAs being the farm team of the PBA back then. In fact, PBA teams carried sister teams in the MICAAs - U/Tex had Solid Mills, Toyota had MAN Diesel / Frigidaire, Tanduay had Yco Paints, Royal Tru Orange had the San Miguel Braves, among others. Crispa, later on had Walk Tall and Crispa 400's in the last few years of the MICAAs and the early years of the PABL.

The PBA was formed because it wanted to break away from the clutches of the BAP. Nine company owners initially formed the PBA - Silverio for Toyota, Senen for 7/Up, Floro for Crispa, Gokongwei for Presto, Elizalde for Tanduay, Concepcion for Carrier, Coseteng for Honda / Noritake, Euyang for U/Tex, and Soriano for San Miguel. All these teams were part of the MICAAs until that fateful 1975 opening of the PBA. Only Manilabank didn't join the PBA since the bank was owned by the Puyat family, and Lito Puyat was the BAP head, the source of the PBA owners' disenchantment.

Ultimately, a play-for-pay league had to be established as well to do away with the hypocrisy of carrying an amateur tag when players were paid to play. The MICAAs didn't die immediately though - as new rivalries were formed and tieups with collegiate schools became the norm. Solid Mills, under then FEU coach Turo Valenzona, was able to collar the top players of FEU while other teams like MAN Diesel, Yco and Imperial Textile Mills (ITM) shared the other stars from Mapua, UE, Ateneo, UST, Letran, etc. The last team to win the MICAAs title was the Herminio Disini-owned APCOR Financiers, under the HERDIS Group of Companies. They were able to "pirate" the players from FEU after securing Valenzona's services as coach and a new dynasty was formed. APCOR and Yco were the top rivals in 1980 and 1981. When Disini fled the country on account of the Dewey Dee caper, APCOR disbanded and the MICAAs folded up as well. The PABL then was formed in 1983 as a brainchild of basketball godfather Eduardo Cojuangco, Jr. in an effort to build amateur basketball in the country and prevent the amateur players from immediately joining the pro ranks.

Regarding the UAAP, the coverage wasn't as extensive as it is now. It only became so when DLSU formally joined the league in 1986. The NCAA was the glamour collegiate league all the way up to the mid 1970's when Ateneo was still around. They possessed the glamour players as well - from mestizos Steve Watson, Louie Rabat, and Padim Israel to Joy Carpio, Fritz Gaston and Bambi Kabigting. San Beda had their equal share of popular players like Joaquin Loyzaga, Raymund Barreiro, Jose Yango, Frankie Lim, the Guzman brothers, etc. Ateneo pulled out of the NCAA in 1975 after a tumultuous finals stint with San Beda. DLSU became a powerhouse team when Cojuangco took over the school basketball program but left the league after a riot-marred finals stint in 1981 against the Letran Knights of Itoy Esguerra, Dennis Carbonilla, etc.

Back then, the NCAA had better coverage with IBC 13 handling the broadcast chores. When the UAAP had Ateneo and DLSU in its wings, PTV 4 took over the coverage rights until Silverstar Communications decided to take over and run it at Channel 9. Today, the NCAA and UAAP are now handled by the Lopez Group at Studio 23.

Jay,

Some sources told me that 1978 was the year Ateneo ended their NCAA membership.

Regarding the UAAP coverage, I saw a thread about this.

<http://pinoyexchange.com/forums/show...=UAAP+Uniforms>

Note: UAAP went to Studio 23 in 2000 while the NCAA in 2002. Q: Who was NCAA's previous TV coveror?

My bad Pepman. I meant 1978 actually. Ateneo won the 1975 and 1976 NCAA if my memory is correct while San Beda took the 1977 championship. Prior to the start of the 1978 season, Ateneo pulled out of the NCAA. Thanks for the correct.

Regarding the NCAA's previous coveror, unfortunately, after DLSU pulled out of the league, there was no regular tv fare for them. Once in a while, Channel 4 covered their games but it wasn't on a regular basis. During the time when SSC was dominating the NCAA (1988-1989) and their 5-peat feat from 1993 onwards, we weren't able to witness the Stags that much. Except for an occasional Channel 4 coverage, the NCAA was practically relegated to the sideline by the more popular UAAP.

That should probably explain why the Stags of the 90's (Adducul, Encarnacion, Ocampo, Tanigue, Calpito) or the 80's (Solomon, Alvarez, Bade, Teves, Quilban, Rivera, Hatton) were not as popular as their counterparts in the UAAP.

*Jay, Enumerate all the broadcast studios and centers (even theaters) past and present and describe it(e.g. How many studios they have?).*

as far as my information goes, the oldest broadcast complex still in use is the GMA compound in EDSA. it was in january 1957 when bob stewart moved DZBB and DZXX to quezon city from the calvo building in escolta (channel 7 was not yet on the air; it signed on in october 1961).

second would be the ABS-CBN broadcast center in nearby sgt. esguerra avenue. the network first used the lot where the broadcast center sits as a transmitter site in 1957, while one of its senior execs back then, slim chaney, also used the lot for his transmitter/broadcast fabrication company called republic electronics and films. however, it was in 1968 when ABS-CBN opened the broadcast center there.

ABS-CBN broadcast center (channel 4 lang ang naiwan doon), while IBC came from its original studios in san juan.

RPN 9 and IBC 13 are still using the facilities at Broadcast City in Capitol Hills, QC. NBN 4 is using the PIA facilities at Visayas Avenue also in Quezon City. ABC 5 has its own complex located at Bgy. Sauyo, Novaliches, QC. We're familiar with where the GMA and ABS-CBN complexes are in Timog Avenue and Bohol Avenue respectively. These are also the respective homes of QTV and Studio 23.

Spin A Win had its famous liner "Agree or Disagree" that became part of the Filipinos' vocabulary back in the 70's. Not really a spinoff Edietor but there were several similarities. The wheel also had a bankrupt pie in the wheel and each pie had a money value in it. Questions were asked to celebrity guests that they were supposed to answer, the contestant was to answer if they "agree or disagree" with the answer. If they get the correct answer, they get to spin the wheel. Then they can give a letter until the word or phrase is deciphered. Each vowel was worth P50 back then...

Spin-A-Win was shown every Sunday noon over at RPN 9 and done in an hour and a half...

What happened to the studio of MBC Channel 11 then in Project 4 Quezon City, is it still operational or wala na? Because at present MBC Radios and studios including its sister Aliw Broadcasting are in Star City.

Not sure about the one in Project 4 - no word on this. Prior to their transfer at Star City, MBC used to operate their radio stations DZMB and YES-FM at the FJE Building in Makati City. That building is owned by the Elizaldes themselves...

jay and edie: nasunog din noon ang TV studio ng MBC about a couple of years before martial law was declared, 'di ba? i'm not sure, though, where this burnt-down studio was located...

edie: if you're referring to aliw broadcasting na owner ng DWIZ at home radio 97dot9, i don't think they're a sister company of MBC anymore...it's owned by antonio cabangon chua, and their manila studios are at the citystate center in pasig...

Thanks for the info sirloin, I had no idea on the current owner of Aliw but because DWIZ was part of the MBC Network then so I thought they were just sister company at present. As you know that MBC had a truthful claim that they are the largest network in terms of radio station nationwide and the reason why their exit polls during election was far more credible than any other network/survey companies sans their wider coverage.

*MBC DZRH TV (as they called their new added features) will be or are they already broadcasting on Sky Cable Channel 67 and Sun Cable Channel 66, the same trend that was started by ABS-CBN DZMM. [QUOTE=sirloin\_steak;25307771]jay and edie: nasunog din noon ang TV studio ng MBC about a couple of years before martial law was declared, 'di ba? i'm not sure, though, where this burnt-down studio was located...

I don't think it was burn before Martial Law. It was used by a network either by RPN or GMA for a live show in the early part of the Martial Law. They had a theatre like studio before on that site in Project 4 which was very very good for either the like of Eat Bulaga or Superstar at that time. This studio I think was behind the Quirino Memorial Hospital.

hmmm...behind the quirino memorial hospital? project 4? naku, medyo familiar ako d'yan sa area na 'yan kasi i used to live in katipunan and work in eastwood, kaya nadadaanan ko 'yan...

if my memory serves me right, may nadadaanan ako doon na parang entertainment hall na ginawang bingo-han, just a few meters after the quirino hospital entrance...'yun kaya 'yong dating studio ng MBC-11?

who can remember "one million chance of a lifetime"? A classic gameshow on RPN 9 na ang ads p nya e yung encarnacion bechaves flower shop and the old bear brand sterilized ad?

the good part: i loved watching this every saturday afternoon...everything from the sound of the keyboard after the players enter a letter, to host jim lange revealing to tv audiences what the "stinger" is...classic!

the bad part: i NEVER saw an episode where a couple won the million-dollar jackpot. 😞

*hmmm...behind the quirino memorial hospital? project 4? naku, medyo familiar ako d'yan sa area na 'yan kasi i used to live in katipunan and work in eastwood, kaya nadadaanan ko 'yan...*

*if my memory serves me right, may nadadaanan ako doon na parang entertainment hall na ginawang bingo-han, just a few meters after the quirino hospital entrance...'yun kaya 'yong dating studio ng MBC-11?*

It was a semi closed building with a tower on the side. I don't know why even DZRH website history did not even mention their Channel 11. MBC Channel 11 was history yes but they were one of the proponents of local shows at that time that most Pinoys are used to see canned English show/Programs. Pinoys were divided then as bakya(masa or jologs now) and the in-crowds (affluent).

Before, if you were watching those local shows you will be branded as bakya. That's why only 2 channels are being categorized as bakya then CBN Channel 3 (now ABS-CBN Channel 2) and MBC Channel 11.

hmmm...parang wala akong naaalalang ganoong building sa may area na 'yun...too bad, i'm in canada now, so i couldn't find that building anymore...na-curious tuloy ako...hehehe. 🇹🇼

yeah, MBC history DOES NOT mention at all their ownership of channel 11 in the '60s...nor did they try to get back their license for channel 11 after martial law was declared, kasi, tutal, DZRH and DZMB went back on the air not too long after, anyway (unlike ABS-CBN, which got back after 14 years, and ABC after 20 years)...

from the little notes i read about MBC's channel 11 in the "kapitan" book, i found out it was indeed a force to reckon with pagdating sa local programming noon...kung sa bagay, i wouldn't be surprised if they went mostly local primarily by producing TV versions of their hit DZRH programs back then...kaya lalong na-challenge ang ABS-CBN noon na mag-compete with their own in-house productions, even with the costs at that time...

MBC should be proud of that, na isa sila sa mga nag-spearhead ng pag-produce ng mas maraming local content on TV noon...

### **... it was indeed a force to reckon with pagdating sa local programming noon...**

This was true and talent piracy was already prevalent at that time. According to Sylvia La Torre together with Oscar Obligacion and Chris de Vera, hosted the unbeatable noontime program "The Big Show" on MBC's Channel 11 that prompted Geny Lopez to get Sylvia's and Oscar's services, and raised their talent fee to a whooping twenty times and do the hosting of then noontime show Oras ng Ligaya in 1962.\* Same thing that happened with TVJ when they were pirated by TAPE from Student Canteen to host Eat Bulaga.

(Edietor's note: I knew of Oras ng Ligaya then with Tony Santos Sr. in the early evening slot kung saan ang contestant ay patatawanin and then paiiyakin. Dito rin nag-umpisa ang pagsasabit ng flower garland sa mga celebs then na halos di na makita ang mukha sa dami ng bulaklak na isinabit ng mga fans which i dislike most as in corny and prolonging the show)

\*see <http://www.mb.com.ph/issues/2007/03/...031189168.html>

actually, mali yung writer nung article..."the big show" on channel 11 and "oras ng ligaya" on ABS were never noontime shows--both were aired at 6pm...

although sylvia la torre did do daytime shows, too...i read from a lot of old TV-related articles na, just before her contract with the old ABS expired in the late '60s, she was taken out of "oras ng ligaya" (leaving oscar obligacion) to host a daily show with doro delos ojos called "don't stop, keep looking, get moving" at 1pm (right after the main noontime show back then, "stop, look, listen")...then in the late '70s, she hosted an IBC 13 noontime show called "good afternoon po, guguluhin namin kayo...salamat po!" (phew...what a mouthful for a title! 😊)...

*does anyone here remembers, "Apat na Sikat"? someone had told me that it was shown on IBC-13 during it's first year of broadcast. sinu-sino nga ulit yung mga stars dun?*

And Boyet Orca became the boyfriend of singer Miriam Pantig during that time...

Regarding Apat Na Sikat, who can forget the famous line in the song..."Jackpot, Jackpot, Jackpot Ka, Sa Buhay Ko..." The rivalry of Nora and Vilma cascaded to their own siblings / nieces - Lala and Winnie.

Another variety show back then was Ike Lozada's "Big Ike's Happening" that came out on Saturdays at RPN 9 if I'm not mistaken.

Also, who can remember the Nine Days of Christmas featuring TV shows?

  - 8 - Is Enough

TV Memories of the 90's

Hay naku marami akong namimiss na old shows.. sana may isang channel na dedicated lang sa reruns ng mga lumang palabas na kinagiliwan natin noong 1980s and 90s...

Miss ko na ang show sa channel 4 na "Ating Alamin" with Ka Gerry Geronimo... hanggang ngayon alam ko pa rin ang tono ng theme song nito.

Pati na rin yung "Family 3+1" nina Helen Vela, Princess Punzalan, Caridad Sanchez, etc.

At ano nga ba yung show ni Francis M. sa ABC 5 noon? May kasama pa sya dun na babae (G. Toengi??) hindi ko matandaan eh.. parang music-oriented show yun.

Pati yung show nina Tito Sotto, Helen Gamboa, Chuckie Dreyfuss, Isabel Granada sa channel 13... "Happy House"

Late-night show ni Randy Santiago tuwing Sunday na "SHADES"...

Edu Manzano's late-night show fashioned after Letterman na "Late Nite with Edu"...

Si Randy, Gino Padilla at isa pang singer sa "Triple Treat"...

Dong Puno's "Viewpoint... Loren Legarda's "PEP Talk" ... "Probe Team ni Cheche Lazaro... Louie Beltran's "Brigada Siete"

isama na rin ang "Bob Garon Debates" sa channel 9.

Inday Badiday's "Eye to Eye"... showbiz talk show na may kahalang balitang kababalaghan (remember? may babaeng nanganak ng isda, at ninang pa ata si Inday Badiday nun)

sa cooking shows naman gusto ko yung kina Nora Daza, pati na rin yung chinese na babae na kahit hindi ko naiintindihan ay pinapanood ko pa rin every sunday sa channel 9 (or 13???) basta every sunday ay puro chinese ang palabas sa channel na yun tuwing umaga.

si armida sigiuon-reyna ay may cooking show din noon sa channel 2 na may mga guests sya na mga celebrities... limot ko na ang title eh..

Bing Loyzaga and Michelle van Eimeren's talk-show "Brunch"

Tessie Tomas in "Teysi ng Tahanan"

Sina Gel Santos-Relos at Jim Paredes sa "Tatak Pilipino"

at syempre pa SESAME STREET!!!

sensya na napadami.. ano ba yan habang nagta-type ako ang dami ko pang naaalala... hmmm I miss the old days.

- believe it or not, hanggang ngayon, yun pa rin ang theme music ng "ating alamin", pero siyempre may bagong areglo na siya na halos katunog pa rin ng original arrangement... 😊

- isang batang ryan eigenmann ang kapatid doon ni princess punzalan sa "family 3+1"...at ang love interest ni helen vela? si ronaldo valdez...atty. ronnie tickets 'ata pangalan niya dun... 🇵🇭

- title ng music show ni francis m. sa ABC noon? "music bureau"...tama ka, si g toengi ang co-host niya doon (this was, i think, her first regular TV show)...actually, si francis m. ang pumalit kay jao mapa, who was the original host, along with g, and radha cuadrado (formerly of the music group kulay)...

- yung kay armida siguion-reyna na cooking show naman, "cooking atbp." yata yung title nun...

- tama ka uli, "SST" ang naging kapalit ng "lunch date"...i remember missing the last telecast of "lunch date" dahil sa brownout noon sa bahay (asar na asar ako, kasi mas fave ko ang "lunch date" over "eat bulaga" that time)...tapos, mga 1 or 2 weeks 'atang puro reruns/"the best of..." ang "lunch date" (going as far back as their first two years on air) bago unang um-ere ang "SST"...

- si keno, the singer behind "a friend" (refer to my previous post about vilma's song number with

coney reyes, tina revilla and helen vela on youtube) and "leaving yesterday behind", was the third guy on "triple treat". isa rin siya sa mga original co-hosts ng "lunch date" (alongside toni rose gayda, chiqui hollmann-yulo, rico j. puno and...believe it or not...only mercado)...

- "tatak pilipino," for me, will go down in my books as one of the first magazine shows that dealt extensively with pinoy life and pop culture in a light-hearted, easy-going manner...'tsaka hanggang ngayon, tanda ko pa ang theme music nito...

^ wow... talas ng memorya mo ah!

kami din noon Lunch Date ang pinapanood namin... favorite segment ko don yung nagbibigay ng advice si Randy Santiago sa mga nagpapadala ng mga liham.. Parang Lovingly Yours, Helen .. yung sa kanya naman "Dear Kuya Randy 🇹🇼

^ hmm...parang 'di ko maalala 'yung segment na 'yan...pero i can still remember (kahit bata pa ako no'n) yung "modus operandi" na skit/drama-dramahan portion (na ginawa uli sa "SST" as "sari-sari stories"), tapos yung "acting na acting" contest (gayahan ng eksena sa mga upcoming viva/regal/seiko movies noon), "munting mutya philippines", and later on, in their final year, yung "power words" ni toni rose gayda, mga biblical passages/reflections to end the show...

hirap din ng laki sa TV...hehehehe! 😄

^ di ko nga rin sure kung san ko napanood yun eh.. baka nga hindi sa lunch date.. hehe.. natatandaan ko lang may binabasa syang sulat tapos may vase pa na may bulaklak sa tabi nya parang setup ni helen vela noon.. hmm.. malamang hindi nga yun sa lunch date at hindi yun segment kasi once ko lang ata napanood yun... anyway.. alala ko lang super sikat si randy noong mga panahon na yun hehehe...

may natatandaan ka ba noon na after ng either lunch date or SST (basta hapon na yun eh)... english show na "A Fine Romance"??? super nakakatawa yun eh.. tapos sa iba-ibang countries sa Europe ang setting nya? sandali lang yun pinalabas kasi series lang sya.. sana may nakakaalala nun, paborito namin yun ng kapatid ko eh.

^ hmm...not really... ??? 😞

ang pinaka-natatandaan ko namang mga kasunod ng "lunch date" noon was "gintong kristal" (a soap opera starring manilyn reynes...doon ko unang natutunan ang salitang "kidnap" as a child, nung kinidnap yung character ni mane), "our house" (a US drama starring a young shannen doherty, a couple of years before she became brenda on "beverly hills 90210"), at siyempre, yung "negosiyete" ni kuya germs...

pati 'ata yung US daytime soap na "santa barbara", nilagay din ng GMA after "lunch date"...

^^ oo nga medyo mahirap maalala eh.. maikling series lang sya eh, one week lang ata. may time kasi noon na parang paiba-iba ng palabas yung time slot na yun eh, parang pansamantala lang, english shows pa minsan ang nilalagay... pero matagal-tagal kong napanood sa slot na yun yung negosiyete (brought to you by TLRC :-)

pati "gintong kristal" ni manilyn reynes naalala mo pa? bilib din ako sayo eh :-)

^ 'yung title lang, 'tsaka yung eksenang kinidnap siya...hehehe! 🇹🇼  
kaya tuloy, when i was growing up, 'pag sinabing "kidnap", ang nasa isip ko no'n lagi, tinatakpan yung kidnapper yung bibig ng biktima--gano'n kasi yung eksena ni mane doon...hahaha! 🇹🇼

Edu Manzano's late-night show fashioned after Letterman na "Late Nite with Edu"... **NOT SO LATE NIGHT W/ EDU, MONDAY NIGHT W/ EDU**

at meron pa rin, DT..."dance 2-nite" with francis magalona (nakalimutan ko lang kung sino co-host niya rito)...

at siyempre, speaking of the master rapper, siya ang nagpauso ng "yes yes yo!" while he was the resident rapper of "loveli-ness" (originally from ABS-CBN, tapos lumipat sa IBC)...

speaking of "loveli-ness"...kung "superstar" si ate guy, "the star for all seasons" si ate vi at "megastar" naman si sharon, si alma moreno naman ang tinaguriang "the shining star"... 😊

at kung may "i love you, lucky!" si ate vi whenever she closed "vilma!" (at least, hanggang medyo tumanda na si luis), si alma moreno, may "143445254"...

**tangga queen si alma hindi shining star hehehehehehe**

*i miss going bananas... yung nag guest yung mga magkakontemporary na artista .....*

ay, walang duda 'yan, alma moreno = tangga queen... 🇹🇼

'yang "goin' bananas", pinanood ko dati yung replays sa cinema one tuwing umaga...

eto ang isang gag na 'di ko malilimutan from one of their episodes with nida blanca as guest...

nida (naka-extreme close-up sa camera): honey, i missed you...

jay ilagan: (ngiti at ngisi lang)

\*zoom out ang camerang nakatapat kay nida to reveal na may hawak pala siyang baril...\*

\*BANG!\*

nida: honey, i missed you again....! 😊

narecall ko nag guest sina jam morales, joey albert at verni varga sa going bananas..

pagkatapos kumanta ni joey albert, interview portion na .yung microphone nya walang sounds...hahahahahaha...

si jam morales naman kumakanta pero pumapalpak ang tapes nag ngo ngo ngo..halatang lipsync

yung kay vernie varga naman napanood ko sa TFC sa bahay ng tito ko...okay rin pala siyang actress/komedyante... 😊

isang trademark ng "goin' bananas"? 'yung, bago matapos ang show, papipirmahin 'yung guest sa isang malaking autograph "book" with a ballpen na--not surprisingly--hugis-saging.... 🇹🇼

*Oo, Dating Host Ng Lunch Date Noontime Show Si Verni Varga Kaya Lang Di Sya Nagtagal, Nasabay Sa Shooting Ng Movie Ni Randy Santiago Na Paikot Ikot.... Di Kinaya Ng Powers Kaya Nagquit Si Verni Sa Lunch Date*

'di ba natsismis din sila ni randy santiago noon? ?

*aywan ko po.....kung naging sila ni verni varga at randoling kiratzki*

*pero eto active pa rin si verni at di 2matanda*

hehehe...tama ka dun! maganda't sexy pa rin si vernie after all these years...

*Question lang po... how does it feel watching soaps in the 70s and the 80s? Daytime or primetime. Details naman po oh.. for soap fanatics na rin.. Thanks!!*

In the pre Martial Law era soaps were most oftenly heard on radios, as most people then has no TV, AM Radios were the most popular entertainment then. Soaps on AM radio was usually being aired from 10:00AM till 12Noon (at these times mothers were already at home from the market to cook food for lunch). There was a soap that was shown in ABS-CBN which was a pre-programming to their noontime show then that they had to construct an outdoor sets, (pulos harapan lang ng bahay) in the compound. I forgot the title of the soap then. Only MBC Channel 11 had their own daily early evening series on their programming. Channel 5 had only Gulong ng Palad. Balintataw was a Drama Anthology where actors and actresses were mostly stage actor/actresses from PETA Ensemble also was aired on Channel 5. These were only some of the most popular early soaps as far as I can remember. Most of these soaps were all done in the studio as TV Camera and Equipment then was not as portable as what it is today na may mga OBB Van na ang mga networks.

ako naalala ko \*\*\* tropang trumpo sa ABC 5!!!\*\*\* ang pinakanakatawang gag show!!CHIKKA!!!😄  
doon ngumpisa lahat

Soap operas were not as voluminous back then as it is today. To give an idea of what kind of programs come out on tv back then, here's a sample. I'll use GMA since this is the one I recall more:

7AM - News  
7:30AM - Magazine Show  
8:30AM - Children's Show  
10AM - Movie Go Round - hosted by Ike Lozada  
11AM - Cafeteria Aroma - comedy / gag show starring Apeng Daldal, Manok, Miniong Villegas and Johnson  
11:30AM - Suerte Sa Siete  
12NN - Student Canteen  
1:30PM - Sine Siete  
3PM - 700 Club  
4PM - Children's Show  
6PM - Animated Robot Show  
6:30PM - Anna Liza  
7PM - News at 7  
7:30PM - Canned American TV shows  
10PM - GMA News  
10:30PM - Magazine Show

Well in the 90's soap operas were just about 2 unlike now having 5. Here's the schedule of a TV network before. I will use ABS-CBN's sked in the 90's.

5:30 Alas Singko Y Medya

8:30 Tagalized Cartoons  
11:00 Today with Kris Aquino  
12:00 'Sang Linggo nAPO Sila  
1:30 Cristy Per Minute  
2:00 Telenovelas/Animes  
5:30 Balitang K  
6:00 TV Patrol  
6:30 Esperanza  
7:00 Mula Sa Puso  
7:30 Comedy/Movie Block/Drama/Gag  
10:30 The World Tonight  
11:00 Magazine Shows (e.g The Inside Story)  
12:00 The Quantum Channel (remember this shop with the Q logo, later aired on ABC-5)

Naaalala ko yung mga batang nawawala na nagsasabing...

"Nay, tay, kunin nyo na po ako dito sa Eye to Eye..." 😊

Goes to show that not much has changed over the years. Gulong Ng Palad, the phenomenal soap opera of the 70's, came out on RPN 9 every Fridays at 7:30PM. I was still very young but I used to watch this with my mom and aunt. Ronald Corveau, Marianne Dela Riva, Caridad Sanchez, Romnick Sarmenta, among others were part of this cast...

naabutan ko lang \*\*\* **cooking with dazas** ba yun? tama ba? at syempre yung chinese cooking show na

yung babae walang preno sa kadadakdak habang nagluluto, pati na rin yung mga classical kung fu chinese shows every sundays

hay! SESAME Street i heard may tagalog dubbed nito kasabayan ng batibot

eto pa who can remember FLYING HOUSE and SUPERBOOK Every weekday mornings sa GMA?

Oo.Yung anak niya yung si Sandy, may show din sa ABC-5.Cooking with the Dazas din yung title or Cooking with Sandy Daza, Saturday mornings yun.That theme still puts on my mind.

in the 1978 issues of tv times i had read, GMA also had only one daily soap opera entitled "damdamin", aired at 11am just before "suerte sa siete"...

tapos nalaman ko rin ito--before janice (de belen) and julie (vega, rest her soul) battled it out for early-evening soap supremacy in time for dinner, the drama shows were mostly the solo-actor/actress drama anthologies on primetime, courtesy of BBC 2 and RPN 9...examples were "alindog" with alma moreno, "ulila" with rosa rosas, "makulay na daigdig ni nora" with nora aonor, "sanyugto" with eddie rodriguez, "mga kuwento ng pag-ibig" with armida siguion-reyna, and earlier in the decade, "eliza" with boots anson-roa and "dulambuhay ni rosa vilma" with vilma santos...meron na ring primetime soaps, pero weekly sila...they were "ilaw ng tahanan" starring charo santos and, as jay mentioned, "gulong ng palad", both on BBC 2... 😊

Actually, Nora Daza had her own cooking show entitled, "Cooking It Up with Nora Daza" back in the 70's until it was revived and became "Cooking It Up With The Dazas" when son Sandy joined the program...

My bad, thanks for the correction Dan. It was in BBC 2, not RPN 9, when Gulong Ng Palad was shown on national television.

Makulay Na Daigdig Ni Nora was every Monday, if I'm not mistaken, on RPN 9. This was Aonor's other show at RPN, the other being Superstar shown on Sundays. Alindog was at BBC 2 every Thursdays, featuring Alma Moreno while Mga Kuwento Ng Pag-Ibig was on RPN 9 (don't recall what day it was shown).

Thanks for the tidbit also on Damdamin, Dan. Yes, prior to Cafeteria Aroma, Damdamin was the soap

that came out daily on weekdays over at GMA. There was another soap entitled "Nang Dahil Sa Pag-Ibig," a show that came from the Anthony Castelo hit song of the same title.

well, jay, you're partly correct din, kasi i remember back when i was a kid, RPN did air something called "gulong ng buhay" on weekday afternoons, also with ronald corveau, marianne dela riva and caridad sanchez--mga bandang '87 or '88 siguro 'to...i don't know if this was like the continuation of the late '70s "gulong ng palad" story...

wednesdays 'ata yung "mga kuwento..." ni armida...this was, i think, the show she produced in place of "aawitan kita", which was on hiatus back then...

may iba pa pala akong drama anthology na naalala, also from the late '70s, pero not like the ones i mentioned earlier na solo actor/actress starrers...GMA had the eddie ilarde-hosted "kahapon lamang" on monday nights at 7:30, and "katha" on wednesdays, if i'm not mistaken (ka-back-to-back ng "ms. ellaneous")...these were among the handful of local shows the network had back then...

*Ano naman po yung mga iba pang details na naaalala niyo sa Flordeluna ni Janice at Anna Liza ni Julie. I'm very much interested kasi kay Julie Vega. 😊*

naku...just like those last few posts yun, my knowledge is based merely on reading up on a lot of stuff about television before my birth (hehehehe)...mahilig kasi talaga ako sa broadcast history, eh. 🇵🇭

i don't have that much info about "flordeluna" and "anna liza" (maybe jay or anyone else na...ehem...may malay-tao na at nakakapanood na ng telebisyon at that time can help me out with this. 🇵🇭)...'cept that, kung 'di ako nagkakamali, mas nauna ang "flordeluna" umere kaysa sa "anna liza"...and during the height of both shows' popularity, they extended their daily run to SIX times a week ("flor" was on from monday-saturday, while "anna liza" was on from sunday-friday)...

ang isa pang nabasa ko, by the time "flordeluna" went into its 5th year, janice, as well as a lot of other cast members, bowed out of the show...ang naging title ng show, based on the tv guides then, was "flordeluna year 5: ang lihim ni aida", with rosanna jover playing aida...

and, as edie mentioned earlier, even at that time, the "internal" (i.e., living room, bedroom) sequences for both "flor" and "anna liza" were taped inside the studios, not in actual houses...

that's all i can share about the two hit soaps of the late '70s/early '80s. 🇵🇭

1. Bakit Flordeluna pa rin po ang title ng year 5, eh wala na naman si Flor sa story?
2. Ano pong age niyo na? Hehe... 16 pa lang po ako eh..

Connie Reyes on Camera which was made a rerun on ZOE TV 11

Dan is correct, Flordeluna came in before Anna Liza. Anna Liza was triggered by the success and mainstream acceptance of the Janice De Belen tv flick. I didn't get to see the Anna Liza show that much since our tv was tuned into Flordeluna more...with Janice De Belen as Flor, Herbert Bautista as Reneboy, the late Dindo Fernando as Colonel Leo Alicante, and Laurice Guillen as Tita Jo (the stepmother of Janice and Herbert). Guillen had a daughter named Wilma, who was Janice's source of headache and pain...

Flordeluna became a major tv hit that spawned Anna Liza. The latter had Julie Vega in the starring role, and made popular stars like Rey Abellana (as PJ, which explains why he, until today, is called as such), and Leni Santos as his love interest. Anna Liza eventually ruled the ratings game as it toppled Flordeluna from its perch. BBC 2 later came out with their own tv drama at the early evening slot called Blu, starring JP De Guzman.

Thanks for the reminder on Kapwa Ko Mahal Ko, j5bata. This show came in at around 9 or 9:30AM over GMA 7, prior to the Ike Lozada movie talk program.

Sundays on RPN 9 was all-Chinese. It started after the coverage of the morning mass, coming in at around 9AM all the way til 11:30 or 12NN. Spin-A-Win came in after.

In the 80's, when the MTV craze boomed, several MTV programs came about. These include Video Hit Parade (weekends on BBC 2), Music Watch (GMA 7, primetime at 7:30PM on Tuesdays), V (hosted by Long Tall Howard at BBC 2, every noontime), among others...

Most animes I remember aired locally are either dubbed in English or in Filipino. Nowadays, they are 100% dubbed in Filipino with old Anglicized animes redubbed into Filipino when they were shown again recently like Voltes V, Dragonball, and Daimos.

Good thing though that old kiddie animes shown in the 90's are making a comeback on ABS with some airing on QTV-11. Princess Sarah, Cedie, Remi Nobody's Girl, Dog of Flanders, Wakakusa Charlotte, Romeo No Aoi Sora, Tom Sawyer, and just last week, Little Women (the one with the blond Jo March).

-----

Xmen and Teenage Mutant Nija Turtles would air every sunday on ABS around 10am while Capt. Planet rules Saturday mornings on RPN.

-----

ABC 5 had ten years ago Chikiting Patrol and 5 and Up which stayed in the air kahit nung nasa Ch. 7 sila lumipat at tsaka bumalik sa Ch. 5.

-----

About Kapwa Ko Mahal Ko, si Orly Mercado ba host pa rin ng show? Alm ko station manager na siya ng RPN-9 ngayon. Iba na pala theme song ng show kaso its format is no longer the same as before although nandon pa rin ang kawanggawa.

-----

Speaking of Orly Mercado, yey! News Watch is still pretty much around. Too bad Big News on Ch. 5 is now in Filipino and has a very limited airtime, less than 15 minutes from its original half-hour daily newscast.

KKMK is now hosted by Connie Angeles.

**kaya Flordeluna Ang Title Kahit Wala Ang Bida Dahil Nagquit Si Janice ..ay Dahil Naghahanap Pa Ang Kapital Ni Janice As Flordeluna..pero Hindi Nag Click Si Yani De Veyra**

Trivia: Do you know that during those times of B&W and early part of Color TV very seldom that they shoot outdoor. Kung ipakita man ang bida na nakasakay sa kotse, still it was being shot inside the studio. And being made realistic by shooting it in dim light just showing almost the interior of the car and shook the whole car intensely and flashing light on the side (iisipin mo nga na nasa pinas iyong shooting kasi lubak lubak pa ang karsada) and no car chase. There was never a scene when it rains, and you'll never know if its early morning or early evening. Almost all the time was daytime and evening. Alam mo lang pagka early morning ang shot pag may tilaok ng manok.

1. Bakit Flordeluna pa rin po ang title ng year 5, eh wala na naman si Flor sa story?

2. Ano pong age niyo na? Hehe... 16 pa lang po ako eh..

1. DT already answered this one...thanks, man! and i stand corrected...si yani de veyra 'ata 'yung bida sa year 5, not rosanna jover (although as far as i can remember with what i read, the latter was also part of "flordeluna"...anyone correct me with this one? 🤔 )...

2. i'm just 23, believe it or not. hehe. pero bata pa kasi ako, sobrang hilig ko na sa broadcasting and all the nitty-gritty behind it (history, people, etc.), kaya ayun, i read up on a lot of stuff about pinoy broadcast history every chance i got back then... 😊

*Kung ipakita man ang bida na nakasakay sa kotse, still it was being shot inside the studio. paminsan-minsan, in recent years, napapansin ko pa ring ginagawa ang technique na 'to sa 'tin...

and no, that's not including gag shows that have sketch sequences in a similar setting. 🎬

**pinagbida si rosanna jover (now a dentist of the stars) pero hindi nagclick dahil mas magaling na kontrabida**

..

**then carol dauden ang pinagbida (now a lesbian i think, huling nakita sa sa puso ko iingat ka , kaeksena si julia clarete sa kulungan)**

**then emma yuhico, sya ang sumikat talaga noon , kahit wala si janice, maganda ang feedback kay emma yuhico... sya ang nagbibida katambal si dindo fernando.... naudlot nga lang ang pagiging movie star dahil nagwork sya dati sa hyatt...**

*Question lang po... how does it feel watching soaps in the 70s and the 80s? Daytime or primetime. Details naman po oh.. for soap fanatics na rin.. Thanks!!*

Ako hindi ko masyadong maalala. Pero parang pag gabi na may drama show si Ms Amalia Fuentes noon na laging pinanunuod sa bahay. Sa angulong kamera, mas advance siyempre iyong mga tv dramas today. Pero sa pahasayan ng pag-akting, I think mas binibigyan halaga noon at iyong ang ang ibinebenta ng show - - yung husay sa akting at yung ganda ng istorya.

Feelings: Parang nandun palagi iyong feelings of admiration dun sa artistang hinahangaan mo na nasa tv drama. Usually, puro nice words ang madidinig mo from viewers like ang husay naman niya, ang ganda ganda naman niya.

IBANG IBA ANG SOAP OPERAS NOON AT NGAYON

NUNG PANAHOON NG FLORDELUNA AT ANNA LIZA NINA JULIE VEGA AT JANICE DE BELEN....  
PINAGSASABONG SILA PERO MAGKAIBIGAN SILA AT NAGSAMA PA SA MOVIE NA FLORDELIZA  
HUH.....NAMATAY NGA LANG NG MAAGA SI JULIE VEGA SA EDAD NA 16 ..MAG 17 SANA SA MAY 21 AT  
ME LAUNCHING ALBUM PA SANA NOON NA PRODUCED NINA IMELDA PAPIN AT BONG CARRION

NOON ..MGA LESSER MOVIE STARS ANG NAKAKAKUHA NG MGA MAHAHABANG ROLES SA TV LIKE

SINA MELISSA MENDEZ , MAHABA HABA ANG ROLE NYA SA ANNA LUNA

SI JUAN RODRIGO SA MARA CLARA MAHABA HABA DIN

GAYUNDIN ANG IBA , SI GLENDA GARCIA DUN SUMIKAT NA KONTRABIDA SA VALIENTE...

AT NATATAPOS ANG ISTORYA SA LOOB NG LIMANG TAON....

NGAYON...

LAHAT NG ARTISTA NASA TELESERYE NA KAHIT SINA NORA, MARICEL AT BOYET DE LEON

SINA JUAN RODRIGO, SUSAN AFRICA, MELISSA MENDEZ , MAIIKLI NA LANG ANG MGA ROLES NILA  
DAHIL SINA JEAN GARCIA , EULA VALDEZ NA ATBP ANG NAKAKAKUHA NG MAHAHABANG ROLES

antatanda niyo na pala huh!

a couple of years back, may nabasa akong parang "where are they now?"-type na article about  
rosanna jover...aside from, yung nabanggit mo na "dentist of the stars" siya, lumalabas-labas pa rin  
pala siya sa mga commercials...

ang wholesome ng dating niya dun sa mga commercials that she had appeared in...hindi ko maisip na  
may capacity rin pala siyang mag-kontrabida... 😊

*Thanks for the reminder on Kapwa Ko Mahal Ko, j5bata. This show came in at around 9 or 9:30AM over  
GMA 7, prior to the Ike Lozada movie talk program.*

interesting to note, too, that "kapwa ko, mahal ko" literally moved up the TV schedule...

as i've gathered from all those old TV guides, noong nagsimula siya in 1976, it was aired weeknights  
at 6pm, just before "news at seven" (at that time, kaka-implement pa lang 'ata nung ruling na all  
evening newscasts should be at 7pm...then again, i digress...). tapos nalipat siya sa 5pm when GMA  
fielded in cartoons on the 6pm slot.

then it went up to mid-morning, until, in recent years, naging once a week na nga lang siya, as some  
of you guys have mentioned...and on a VERY early saturday morning slot at that...

of course, even with the new arrangements of the theme song (the first remake being done by  
"KKMK" co-host and board member nonoy zuniga, and the second, by aiza seguerro), hindi pa rin  
nagbabago ang lyrics at melody nito kahit kailan...

curious lang ako kung sino ang pumalit kay orly mercado as president of KMK, kung meron man  
(particularly because he is now president of RPN and anchor of "newswatch" in the afternoon...)...it  
was, of course, also mentioned already that connie angeles is now the main host of the show (she has  
been with KMK for quite a long time already, too)...

yah naifeature yon sa SAPULSO.... ang comml nya ay KNORR SINABAWANG GULAY, TIDE, GOLDILOCKS, I FORGOT THE OTHERS

ama...yung knorr "sinabawang gulay" commercial was the most recent commercial kung saan nakita ko si rosanna jover...i have a feeling siya rin mismo yung kumakanta doon sa mga eksena niya sa commercial na yun...😊

ito 'yung "ang lahat ay napapaligon," 'di ba? 😊

'di ko na naabutan si maritess revilla...ang pinaka-naaalala ko talaga, si tina...sila ni toni rose gayda ang favorite ko sa "lunch date" noon...🤔

kung sa bagay, between maritess and tina, si tina talaga 'yung nanatiling active sa TV...i learned na

ilan pala sa mga naging TV show niya ay noontime show: "stop, look, listen", "12 o'clock high" (her first show with ariel ureta, where maritess was also a co-host), "noontime matinee" (ito 'yung naging title ng "12 o'clock high" when former TV exec/congressman/muntinlupa resident romy jalosjos transferred a lot of ABS-CBN shows to the old RBS channel 7 right after the declaration of martial law in '72), "ariel con tina" and "lunch date"...

maganda rin si maritess revilla noon, mas maganda pa kay tina,

*PPL-Piling-Piling Pelikula  
Kindly correct this.*

hindi ko alam pero ang alam ko, yan yung movie show sa IBC na puro Filipino movies ang ipinapalabas. pang-hapon yata yan. ?

yung Piling Piling Pelikula medyo mga bago pa yung mga palbas nila at that time mostly movies from the 70's to early 90's.mga pelikula nila chikito,dolphy,tvj etc..sa channel 9 din meron twing hapon yung mga pelikula nung 50's to 60's pero natatandaan ko madalas manood mga tita ko nun ,\*\*\*\*\* feeling senti sila kapag naanonood sila nun..

*indi ko alam pero ang alam ko, yan yung movie show sa IBC na puro Filipino movies ang ipinapalabas. pang-hapon yata yan. ?*

nope, "piling-piling pelikula" was on primetime--monday nights at 7:30 (later 7pm, noong after EDSA 1 na lumipat sa mas maagang oras ang mga early-evening/primetime newscasts), to be exact.

IBC used this title for their primetime pinoy movie block for a veeeeeeeeery long time...as in, mga late '80s or early '90s, meron pa rin 'ata nito.

tapos in the late '70s, IBC still had two more movie blocks on primetime aside from "PPP": IBCINEMA 1 (which featured foreign movies) on thursday nights, and IBCINEMA 2 (which also featured pinoy movies) on friday nights.

'yung pang-hapon 'ata ng IBC was "cine pinoy", kung 'di ako nagkakamali...

piling-piling-pelikula- every monday, 7pm, channel thirteen. dito rin usually pinapalabas ang mga movies na naipalabas sa sinehan. pero that time, umaabot ng mahigit pa sa isang taon bago ipalabas sa tv ang pelikula, ganon kataas ang value ng pelikula noon, hehehe.

kakamiss din yung time na walang network war, at pinapanood talaga ng mga tao ang halos lahat ng channel. namamayagpag pa noon ang channel four dahl sa PBA. though madalas ako manood sa channel 2 nung bata ako, pinapanood ko rin mga shows sa seven gaya ng lunchdate, ober da bakod, vilma (well, palipat-lipat, dahil pulos foreign shows ang palabas sa dos pag friday, like beverly hills

90210 regal presents (pagkatapos ng vilma), move magazine, at syempre, ang pambansang sunday show ng pilipinas, gma supershow at lovingly yours, hehehehe.... 😊

movie/specials blocks that i remember:

GMA:

tuesday special specials

marvelous golden movies (this was first used in the '80s, then re-used for its sunday primetime movie block in the '90s..."GMA telesine specials" ang pumalit sa sunday 7pm timeslot nito...)

GMA motion pictures

mighty good movies, too

sine siete

viva sinerama

monday viva presentations

pinoy blockbusters

rainbow cinema

sunday limited engagement (after the limited, one-season runs of vilma santos' and zsa zsa padilla's musical/variety specials, GMA started putting movies and other specials to fill that time slot...this was what later became "sunday night box office")

ABS-CBN

million dollar movies

regal presents

tagalog movie greats

viva blockbusters

star cinema (yes, this was originally a title for a movie block in the early '90s, shown on wednesday nights--ipinalit 'ata nila sa "tonight with \*\*\*\* and carmi", if i remember right...ang first feature pa nila was "iputok mo, dadapa ako" starring vic sotto and francis m)

cine fiesta

sari-saring sine (ito yung afternoon movie block back in the '90s)

ABC

abcinema

takilya busters (mga old pinoy movies shown on saturday nights after WWE wrestling)

entertainment today

RPN

saturday night playhouse (i read that this was, originally, a two-hour block for stage plays reproduced for television, thus the word "playhouse")

sunday's big event

tv greats on friday

IBC

piling-piling pelikula

sinemaks (under the VTV/vivatv block)

PTV/NBN

golden cinema presents (ito 'yung pantapat nila sa "million dollar movies" at "sunday's big event")

miss the old days din, naalala ko pa nung maliit pa ako, kahit di ko pa gaano maintindihan, lagi kaming nagmamadali para panoorin ang **TODAS** sa channel 13 tuwing friday night kasi madalas ako isama ng mga tita ko sa mga gimik nila. 😊

Di ko na rin gaano naabutan pero alam ko, sikat na sikat nuon yung **ISKUL BUKOL**, ang pinakaprominente nun si Mang Temi tsaka si Miss Tapia! 😊

Aside sa Daimos, Volets V at Voltron, favorite cartoon ko rin nun yung **VISIONARIES**, ginawan pa nga ng Tagalized version ito e. 🤔

Missed the foreign tv nights of ABS-CBN na tig 30 minutes lang nun. Sunud sunod yung **Beverly Hills 90210, Twilight Zone, Doogie Howser M.D.**, etc...

**Tatak Pilipino** on ABS-CBN every saturday night, ito ang the best late night magazine tv show!

**Pinoy Thriller** sa Channel 13, this is the best horror program that was ever produced on TV!

**Okay Ka Fairy Ko** sa channel 13, the best fantasy series on TV!

**Tropang Trumpo!** the best gag show talaga!

Yung Wonder Woman, Air Wolf at Knight Rider saan ba dati pinapalabas yun? hindi ko gaano pa maintindihan nun pero paborito ko lang siya panoorin nun! 😊

^ as far as i can remember, "wonder woman" and "air wolf" were both on RPN...samantala, ang "knight rider" (which first introduced us to david hasselhoff) was on GMA. 😊

amusing that you mentioned friday nights on ABS-CBN back in the '90s...their 3 hours' worth of foreign series served as interesting competition against GMA's all-local duo ("vilma!" and "mother studio presents")...from 7-8pm, it was all cartoons ("teenage mutant ninja turtles", "ewoks", "the real ghostbusters", etc.), tapos from 8-10pm, 'yung mga drama o comedy naman...aside from "doogie howser, MD" and "beverly hills 90210", there were also "murphy brown" (one of the first foreign sitcoms i actually loved watching), "good sports" (a short-lived sitcom starring farrah fawcett and jeff bridges, if i remember right), "baby talk" (a sitcom a la "look who's talking") and "northern exposure"...

namiss ko ang mga shows ng rpn 9, ibc 13 sila ang top network noon... sarado pa ang abs-cbn 2

nice thread... the last time i went back home, i was really disappointed with the programming of the two biggest channels... i ended up watching QTV most of the time...

i still remember Kapwa Ko Mahal Ko... avid viewer ang tatay ko... ako naman syempre bata eh inis na inis pag yun na ang palabas... my favorite channel then was RPN 9, syempre "saturday fun machine"

when i was tween, i recall watching yanni de veyra's show... was it dear diary?

correction lang po dude, every Wednesday po pinapalabas ang TODAS noon, na tumagal ng halos 10 years 😊 ka-back to back pa nga nyan ay Chicks to Chicks before they moved to ABS.

*the nation stopped when Mula Sa Puso was on the screens.*

*Babalu's house in between Dolphy and Nova Villa's houses on Home Along Da Riles. add to that Mang Tomas and the sunog бага.*

*the very fun game show with Eric Quizon and others... the ones with games such as Pera Mount, and many other fun games.*

*Tropang Trumpo*

i think that gameShow was "Ready Get Set Go!" with Michael V and Carmina V. every sunday morningS after the masS and the ChinesE Drama...

I alSo remember Game na game na! with Roderick Paulate, Panjee, and ogie i think with eagle having the bingo gameS on remote points..the game Is inSpired by the Price IS Right in US..it alSo haS the Giant Wheel na umiilaw unlike Sa US na hindi. hahah gameShow freak. Heheh

may nakakaalala ba ng Spin a win ni jeanne young? paano mechanicS nun>?... 😊

*n the 90s, I remember **GMA's Best**, a movie block every Sunday nights at 9:00pm.*

*Then, it moved to a Saturday night slot (9:00pm)... replacing **Saturday Movie Playhouse**.*

*I'm so sure about this!*

oh yeah, i forgot "GMA's BEST"! 🇹🇼

actually, "GMA's BEST" started out as part of the tuesday line-up (it was either at 7-9pm or 8-10pm)..."BEST" was actually used here as an acronym--i forgot what B, E and S stood for, but T definitely stood for "tuesday".

and you're right...after a while, GMA did transfer it to the weekends...on saturdays, they also did have a movie/specials block called "saturday powerhouse specials" at 9pm after "rainbow cinema", pero "GMA's BEST" took over its slot, if i'm not mistaken... 😊

every monday night on GMA, they showed made-for-TV series... doon ko napanood ang North and South, War and Remembrance, Thornbirds, Kane and Abel among others...

this i remember too...these mini-series all came under the banner, "GMA gems" (whose logo bumper was a shot of a little jewelry box filled to the brim, being opened in front of the cam)...

during its earlier airings, tanda ko, "GMA gems" was on every wednesday and thursday at around 8 or 9pm...

since were talking about TV memories, alam nyo bang pinalabas kaninang umaga sa Velvet Channel (Sky Cable) ang re-run ng popular 60's TV series na Combat?

yan ang kinukwento sa akin ng parents ko and nakita ko na yung si Vic Morrow, one of the lead actors on that series.

Does anyone here remembers Six Million Dollar Man and Bionic Woman?

how about sci-fi series such as Buck Rogers, Battlestar Galactica and V?

yung V ba yun ba yung series dati sa channel 7 na yung mga nasa spaceship gngawang snack yung mga dagang kosta?bata pa kasi ako nun eh hehehe😊

korak! yun nga! hehehe 🤖

siguro during my preschool years noon unang pinalabas ito sa GMA every Monday nights during mid-80's (bago mag-EDSA 1 ata ito).

if my memory serves right, yung Battlestar Galactica naman, sa RPN naman, i'm not really sure kung anung araw.

Buck Rogers: sa Channel 4 ata ito.

meron bang dvd nang V?meron pa akong naaalala yung series din sa ch.7 tungkol sa vietnam war,laging pinapanood ng dad ko kaya nanonood na din ako.paint it black ng Rolling Stones yung theme song

saka isa pang naalala ko dati sa ch. 7 bago sila magsimula ng broadcast nila laging inapalabas yung manila orchestra ba yun kumakanta na hallelujia

'yung ellinwood malate church choir 'ata 'yun, if i remember right...tuwing sign-on and sign-off pinapalabas 'yun ng GMA, 'yung "hallelujah" na may halong mga shots from all around the philippines...

pinalitan nila ito sometime in the mid-'90s ng isa pang choir--hindi ko lang alam 'yung kanta...pero parang may "hallelujah" rin 'ata... 🇵🇭

tapos lagi ring binabanggit sa sign-on and sign-off ng GMA ever since 'yung lahat ng mga provincial station nila...

Remember yung lumang programs ng GMA na niri-reair sa madaling araw kapalit ng mga movie blocks at "Church-related" shows na yan.Tapos pag patalastas, may lumang logo yata ng GMA or just mga dating station nila (If my memry serves me right).Kinly remember this.

*ano yun, NAM : Tour of Duty. It's all about Vietnam War.*

oo nga \*\*\* NAM yun..tandang tanda mo ah galing👍 ...fave ko din dati yung Knightrider kaso hindi ko natatapos dahil masyado ng gabi yun pinapatulog na ako ng ermats ko dahil papasok pa ako kinabukasan 🙄

*aaalala ko din yung soap opera sa ch. 7 dati yung Yagit,nasan na kaya yung mga bida ngayon nun?*

*Saka meron ba dito nakakaalam nung title nung soap na T.A.P.E din yung nagproduce,kasama ata si Maricel Soriano dun,tungkol sa mga Boy Scouts na naligaw sa gubat pero unti unti sila namatay.. late 80's na yun*

yup. sikat yang Yagit. pinapalabas yan sa GMA right after Student Canteen. then yung katapat naman niyan which is Heredero, right after Eat Bulaga naman.

teka, asan na pala sina Jocelyn at Tomtom? hehehehe 😄

ang style ng program philippines (the production company behind the '70s-'80s iteration of "student canteen" on GMA) was pretty much the same as what TAPE does today: isang buong noontime block ang bina-blocktime nila from GMA, with "suerte sa siete" at 1130am, "student canteen" at 12nn, and in later years, "yagit" at 130pm...on saturdays in the early

'80s naman, ang "student canteen", hanggang 2 or 230pm, tapos kasunod ang "coney reyes-mumar drama studio" (ang pinagmulan ng "coney reyes on camera"), which became the late chat silayan's drama anthology (and, siyempre, pinalitan 'yung pangalan into "chat silayan drama studio") after coney moved to "eat bulaga"...

program philippines also produced "discorama" (the show where the tito-vic-joe trio was born) and "kahapon lamang" for GMA...

natatandaan ko rin 'yan...ang alam ko, pinalabas 'yan habang "off-season" ang "knots landing" (which was another series my titas loved--as in tigil ang mundo every monday night at 9)...

speaking of "knots landing", natatandaan ko pa 'yung opening theme nito halos note-for-note--especially the '90s arrangement na may pagka-jazzy na...

i also remember "china beach" starring dana delany...this was another "off-season" replacement for "knots landing", if i remember right...kung hindi man, this was pre-programming to "knots" or "tour of duty" (basta monday rin 'to)...ang opening theme nito was a song from the supremes...i'm just not sure kung war din ang setting nito...

more TV memories:

Ula ang batang gubat - Juday ang bida dito

Balintataw - lagi kong nakikita commercial pero hindi ko pinapanood.himdi ko nag alam kung drama to o ano)

Balimbing - sa ch. 13 para din ata etong abangan ang susunod na kabanata

"balintataw" was a drama anthology hosted by cecile guidote-alvarez (wife to former senator heherson alvarez), aired on channel 4 in the late '80s until the early '90s..i read na naging revival ito ng drama anthology of the same title, aired on the pre-martial law ABC-5...

'di ko rin masyadong naaalala 'yung "barrio balimbing", but you're right, sa IBC ito, at isang political satire/sitcom din...kasabayan ito ng "sic o'clock news", which was also on IBC... 😊

mga gusto kong palabas na late nite:

1. p.e.p. talk

2. ryan ryan musikahan
3. late nite with edu
4. straight from the shoulder
5. tell the people
6. probe team
7. tatak pilipino
8. oh no, it's johnny
9. yung talkshow ni teddy benigno, manolo abaya and that guy romero) forgot the title
10. inside story

*since were talking about TV memories, alam nyo bang pinalabas kaninang umaga sa Velvet Channel (Sky Cable) ang re-run ng popular 60's TV series na Combat?*

*yan ang kinukwento sa akin ng parents ko and nakita ko na yung si Vic Morrow, one of the lead actors on that series.*

isa 'to sa mga naging "trademark" series ng pre-martial law RBS channel 7 in the '60s, which they replayed on saturday nights at 7 (right after "discorama") during the late '70s, when they were already called GMA...

Oho nga...the Six Million Dollar Man with Lee Majors as Col. Steve Austin (that was long before "Steve Austin" would become synonymous with "Stone Cold"). AFAIK...The Bionic Woman was recently remade...kinda blah for me though.

Other foreign shows I remembered back on VHF (free) TV back then:

1. *Starsky & Hutch* and *The Dukes of Hazzard* on Ch. 13
2. Ch. 7 showing a whole galaxy of canned shows back then...from *Donny & Marie*, *Knight Rider* & *The Cosby Show* all the way to *The Persuaders* and *The Benny Hill Show*
3. Ch. 2 was - even back then - engaged in a similar game of one-upmanship, offering local couch-potatoes the likes of *Diff'rent Strokes* and *The Facts of Life* all the way to *Twin Peaks* and *Northern Exposure*

hey, QT... 😊

"starsky and hutch" was actually on GMA through its entire run...i think this was on friday nights pa, as far as i remember with that little TV times "collection" i used to have...but you're right, "the dukes of hazzard" was on IBC...

'di ba, yung original na bionic woman, parang "spin-off"/"offshoot" siya ni six million dollar man? 😊

**ang style ng program philippines (the production company behind the '70s-'80s iteration of "student canteen" on GMA) was pretty much the same as what TAPE does today: isang buong noontime block ang bina-blocktime nila from GMA, with "suerte sa siete" at 1130am, "student canteen" at 12nn, and in later years, "yagit" at 130pm...on saturdays in the early '80s naman, ang "student canteen", hanggang 2 or 230pm, tapos kasunod ang "coney reyes-mumar drama studio" (ang pinagmulan ng "coney reyes on camera"), which became the late chat silayan's drama anthology (and, siyempre, pinalitan 'yung pangalan into "chat silayan drama studio") after coney moved to "eat bulaga"...**

**program philippines also produced "discorama" (the show where the tito-vic-joe y trio was born) and "kahapon lamang" for GMA...**

*natatandaan ko rin 'yan...ang alam ko, pinalabas 'yan habang "off-season" ang "knots landing" (which was another series my titas loved--as in tigil ang mundo every monday night at 9)...*

*speaking of "knots landing", natatandaan ko pa 'yung opening theme nito halos note-for-note--especially the '90s arrangement na may pagka-jazzy na...*

*i also remember "china beach" starring dana delany...this was another "off-season" replacement for "knots landing", if i remember right...kung hindi man, this was pre-programming to "knots" or "tour of duty" (basta monday rin 'to)...ang opening theme nito was a song from the supremes...i'm just not sure kung war din ang setting nito...*

korak! 🤖

*sa 'to sa mga naging "trademark" series ng pre-martial law RBS channel 7 in the '60s, which they replayed on saturday nights at 7 (right after "discorama") during the late '70s, when they were already called GMA...*

ang pagkakaalam ko sa old ABS-CBN unang ipinalabas ang Combat right before martial law.kasama pati Hawaii Five-O.

yung Six Million Dollar Man pati Bionic Woman sa BBC-2 na ba ito ipinalabas?

^ AFAIK, "six million dollar man" was on RPN...pero tama ka, "bionic woman" was on BBC-2...

"hawaii five-o" was on the old ABS-CBN, korek ka rin dun...pinalabas ito uli sa RPN in the late '70s...

as for "combat!" being shown on ABS before martial law, i'm not sure about that too...pero sure ako dun sa pagpapalabas ng "combat!" after "discorama" on saturdays sa GMA noon...

*Bakit kaya tumigil sa pagproduce ng daytime soaps ang TAPE considering magaganda naman ang mga nagagawa nila compared sa mga soaps na ginagawa ng in-house team ng GMA. Best TAPE soaps: Hawak Ko Ang Langit, Leya, Ikaw sa Puso Ko, Kung Mamahalin Mo Lang Ako, Agawin Mo Man Ang Lahat, Pinakamamahal, etc*

Siguro nalaos na or dahil sa Daisy Siete,

oo nga ano? "eat bulaga" na lang ang kanilang pino-prodyus ngayon...

well, maybe they did choose to give way to "daisy siete" (which is a co-prod deal between joy cancio's focus E and GMA) and the GMA-produced soaps (plus the asianovelas)...but who knows? TAPE might just surprise us with a new soap later...

'yung "makita ka lang muli" with roderick paulate, LJ reyes and celia rodriguez was their last afternoon soap, 'di ba?

(gusto ko yung theme song no'n...)

**Re: New Topic**

---

Who knows the story of "**NETWORK WARS**" since 1995?

oo nga ano?

bakit hindi mag-produce ulit ang TAPE ng afternoon soap operas and i-prioritize nila yung mga Starstruck avengers from batch 1 to 4? kawawa rin ang mga yan kasi freeze kasi sila at walang mga raket.

then isali rin nila yung mga comebacking actors and actresses.

^ tama ka d'yan, dabarkads... 🤔

tingnan mo...sa "makita ka lang muli", they (TAPE) made a soap opera lead out of roderick paulate, for once, and brought him to doing drama on a more regular basis (kasi before that, di ba, sa MMK lang siya napapanood mag-drama...otherwise, he was either hosting or doing comedy)...

mag-reminisce naman tayo nga mga lumang kanta since napag-uusapan lang ang TV memories

yun, o! 🎉

speaking of dabarkads...tilt down men pala 'to, salbakuta, ah... 🤔

i know that tito sotto was part of this band...pero kasama na rin ba si bossing noon?

actually, estudyante pa sila ni Val noon sa Letran. eh di ba during the 60's which is kasikatan ng Beatles, Bee Gees, Rolling Stones atbp, dito sa pinas, nagsulputan ang mga tinatawag na combo groups? itanong mo rin sa parents mo malamang alam nila yan.

Si Vic naman, noong early 70's na lang nag-artista habang estudyante ng college sa La

Salle. nakakatawa nga daw hitsura nya nun: payat, may eye-glass na makapal, laging may dala-dalang gitara. nerd nga daw ang dating niya hehehe

for some odd reason, i imagine the early "stages" of bossing's character as victorio ungasis (sa "iskul bukol") sa description mo sa kanya back in the '70s... 🇹🇼

i read that the tiltdown men did a lot of covers of the dave clark five's songs...and yes, until now, my dad still calls a band "combo"...kahit yung mga grupo ngayon. 🇹🇼

oo nga baket nga ba di na nagproduce ng teleserye ang tape nohh.. dyan unang umapir si marian rivera kasama si camille prats at ehra magdrigal

yup. ang daming combo groups noong 60's and karamihan pa na sa kanila eh malimit mapanood sa mga TV shows during taht decade like Student Canteen, Darigold Jamboree et al.

*yung V ba yun ba yung series dati sa channel 7 na yung mga nasa spaceship gngawang snack yung mga dagang kosta?bata pa kasi ako nun eh hehehe😊*

*oo V for visitors yun sa GMA,peborit ko rin yun nung bata pa ako*

*kasi gusto ko dun yung si marc singer at yung pogi na may gusto*

*sa isang alien.di ko pinapalagpas ang mga epi nun 🇹🇼🇹🇼 ganda*

i remember ito rapadas (vocalist ng neocolours noon) having a version of this one some 10 years ago...

then again, i digress. 🙄

*Here's a lowdown of the PBA coverage:*

*1975 - handled by KBS-9; commentators back then were Frank Sanchez and Raffy Mejia*

*1976 - shown at BBC-2; commentators included D\*ck Ildefonso and Emy Arcilla*

*1977 - shown at KBS-9; same commentators as 1976*

*1978 - 1981 - shown at MBS / GTV 4; coverage handled by Media Specialists, Inc. of Romy Jalosjos; added Zal Marte and Ronnie Nathanielsz in the broadcast pool*

*1982 - 1999 - handled by Vintage, Inc; shown on various channels but they started with City 2, then moved to MBS/PTV 4 and later with IBC 13; original broadcast team included Pinggoy Pengson, Joe Cantada, Joaqui Trillo, Andy Jao, Steve Kattan with Jun Bernardino as Man On The Ball*

*2000 - 2002 - joint venture between Vintage and Viva TV; Vintage talents though were retained which included Noli Eala, Ed Picson, Quinito Henson, among others*

*2003 - parallel broadcast between IBC 13 and PTV 4*

*2004 - present - ABC 5*

*For the MICAA, I remember ABS covering the games in the early 70's. When the PBA opened in 1975, the MICAA found itself wanting a broadcaster but eventually was covered by GTV 4 all the way to 1981 when the league closed shop. The PABL (forerunner of the PBL) eventually opened in 1983 with MBS 4 handling the coverage.*

Well Sir. JPM,

I saw the PBA 20 Years in Books the there was a logo of GMA-7 logo (you know the earlier 7 logo-the first one).

Kindly give me some information about PBA on BBC and GTV/MBS

Philippine Airlines!

one of the many jingles composed by jose mari chan...

marami pa 'yan doon sa kanyang "strictly commercial" album (i wonder if there are still copies of this)...my friend lent me his copy once, and i found out that he wrote jingles for such products as nido, alaska milk, knorr real chinese soup (anyone remember "good-ah!" 🍲), sunquick and coca-cola, among many others...

nasa album din na 'yun ang theme song ng "nine-teeners" (a youth-oriented musical/variety show a la "american bandstand" aired on ABS-CBN in the '60s), at ang jingles ng BBC-2 ("big, beautiful country", which, as chan said in his "words and music" songbook, he wrote on his way home after meeting with the bosses of BBC) and PTV-4 ("four for you!" from the year 1989)...

Sana Irewind Sa Qtv 11 Ang Mga Old Shows Ng Gma7 Kahit Sa Hapon Ipalabas

*If I were QTV, ipalabas sana nila kahit sa primetime yung re-runs ng mga best episodes ng Iskul Bukol. I'm sure marami ang matutuwa dito 😊*

tama...the old CTV31 of RMN did that a few years back, kahit hindi sila 'yung original carrying station (although the opening credits don't mention IBC directly--instead, ang opening credits go something like, "our own little way productions and IBCINEMA production")...

siguro naman, papayagan sila ni boy gatus (the man behind the our own little way production company) kung humingi man ng permiso ang GMA to air "iskul bukol" on QTV... 🙏

Naalala Ko Si Ate Luds Sa See True .... Sya Ang Nagpauso Ng Ganung Talk Show Format...  
Tapos Bago Sagutin Ang Tanong Sa Artista , Magcocommercial Sya..

Kaya Lang Nagtataka Ako Dahil Bket Sobrang Tambak Ng Commercial Nya Noon ....

Si Kabayan Noli De Castro Pa Ang Tagatanong Noon...

Naalala Ko Si Lorna Tolentino Nagulat Sya Nang Biglang Lumitaw Ang Tunay Nyang Ama

^^ i have very faint memories of "see-true", dahil mga 2 or 3 years old lang ako noong last year nito sa ere...noong una ko siyang naabutan, sa channel 7 na siya noon, every saturday night...siyempre laging nanonood ang mga yaya ko noon (mga tsismosa, eh! 🤪)...

kaya later ko na lang nalaman na si kabayan pala ang live voice-over na taga-tanong ng mga phone-in question...🗣️

speaking of local shows every weekend evenings...

anyone remember randy santiago's "shades" every sunday night? ito 'ata ang pumalit sa time slot na binakante ng "penthouse live!" ng noo'y mag-asawang martin and pops (after freddie garcia, who had then just returned to ABS-CBN after more than 10 years at GMA, convinced the couple--na inaanak niya sa kasal--to transfer to the then newly-reorganized station)...co-hosts niya sina toni rose gayda (na kasama na rin niya sa "lunch date" at that time) at lilet...

'yun nga lang, kahit na matindi ang "randy-mania" noong panahong 'yon (that was around 1987), 'di rin 'ata masyadong nagtagal ang show...

nung nsa IBC 13 ..si kabayan ang nag tatanong sa artista

nung nasa gma7 ito hindi na si kabayan kasi newscaster na sya noon sa abscbn tv patrol nung 1987

^^ ahh...oo nga ano? 🗣️

bigla ko tuloy naalala ang show na kung saan mas nakagisnan kong panoorin si inday badiday...siyempre, the one and only "eye to eye"...

dito lang siguro sa show na 'to nagkaroon ng magkahalong showbiz and public service in one program...the showbiz part came from "eyewitness showbiz balita" and "eye-catchers" (live interviews with guest stars)...while the public service part, from "mata ng bayan" (kung saan, i'm sure maraming nakakaalala, dito pinapakita, ini-interview at pinapag-panawagan ni ate luds ang mga batang nawawala...this, if i remember right, led her to

create her own mata ng bayan foundation)...yung "eye-opener" naman, mga kuwentong kakaiba or mga kung anu-anong oddities...

medyo nagka-"spin off" pa ito on saturday nights, noong pansamantalang nawala ang "FPJ sa GMA"...nagkaroon noon ng 2-hour-long na "eye to eye special edition", which later became "face to face"...

tanda ko rin na 'pag absent si ate luds sa show, ang laging substitute hosts niya ay sina janice de belen, kris aquino or, during the show's final year, lorna tolentino (who would close the show with her own "saranghamneda, babe" para sa kanyang minamahal na daboy)...

at 'pag nagku-cue to commercial si ate luds noon with her trademark "we will be right back for more, promise!", tinutugtog pa yung song na "promises" ni basia sa background... 🎵

at a time when the 6pm slot was specifically for the networks' early-evening newscasts, GMA putting "eye to eye" on that time slot (to be followed by "GMA balita" at 6:30) was an unforgettable counter-programming move...

narecall ko ang eye to eye... tinatanong lagi ni ate luds ang mga nawawalang bata ng ganito.. KILALA MO BA AKO????

### **Question lang po...**

Anong year nagsimulang mag-location shoot ang mga soap opera? At ano ang first Pinoy TV soap na nag-full location shoot?

*ung soap opera na verdadero mga late 80's nag location taping na sila,*

*yung ula batang gubat ni juday mga late 80's na rin*

*kaming mga ulila na mga bata nung late 80's location taping na rin*

*yung mga batang yagit nung early 80's on location na rin ang taping nun hindi na sa studio*

*unlike yung flordeluna at anna liza na sa studio lang ang taping nun*

Thanks po. 😊

'di ba, may isang batang iba 'yung sinagot kay ate luds nang tinanong niya n'yan? 🤔

maraming commercials kasi, at ito ang undisputed no.1 show, nung channel 13 pa ang no. network. ang height nang kanyang pinakamataas na rating ay nung guest ng see-true si kris aquino, on the eve of the mass of thanksgiving na ginawa sa luneta, this was after the edsa revolution. nagtala ang show ng 81% rating, kasamang nagtatanong kay kris noon si richard gomez, na big crush ni kris that time.

'di ba, may isang batang iba 'yung sinagot kay ate luds nang tinanong niya n'yan? 🤔

lagi niyang tinatanong ya. minsan, may tinanong uli siyang bata ng ganyan, at sumagot naman ang paslit. ang sabi...

...opo, ikaw po yung bakla. (inday garutay)

biglang pihit si ate luds ng 'we will be right back..'

SOBRANG DAMI TALAGA NA PATI TALAGA SI ATE LUDS NAINIS SA SOBRANG TAMBAK NG COMMERCIALS NUNG NASA IBC 13 PA ANG SEE TRUE ... SINABOTAHE TALAGA DOON SI

ATE LUDS..... PARANG ININIS LANG DOON SI ATE LUDS PARA LUMAYAS NA SA STATION NA YON SIGURO..YON ANG PAGKAKAALAM KO .....

NUNG NASA GMA7 NA ANG SEE TRUE (SARADO PA ANG ABSCBN NUNG TIME NA YON ,IPINASARA NI MAKYO NUNG MARTIAL LAW HANGGANG NAG REOPEN ITO NUNG 1986 BY KURIKONG AQUINO), YUNG ANG ISA SA MGA UNANG GUESTING NI KRIS AQUINO NA DI MAKABASAG PINGGAN PA NOON...

- 2.MMK- pinakadating format...age 7 pa lang ako nun...and i remember love na love ng lola ko \*\*\* show na to....kita naman sa mata niya laging naiyak...
- 3.BUBBLE GANG- \*\*\* mga dating cast...si MICHAEL V at OGIE at diego na lang yata orig ngayon....\*\*\* iba useless na...

michael v., ogie, wendell ramos and antonio aquitania are the only original "bubble gang" cast members from 1995 who are still in the show. 😊

goodness! i miss the old days of Philippine television. those were the times when programs were of good quality. these days, programs from both GMA and ABS-CBN are nothing but GARBAGE. 🙄

*Aiko was part of the original cast of Bubble Gang...  
Syempre mas maganda pa rin yung Tropang Trumpo w/matching dance craze... Sa Bubble Gang MEV at MTB ang memorable...*

*I also remeber yung Americas Funniest Videos at Rescue 911 tuwing sundays sa ch9...*

*Sunday din yung GMA Telesine sa ABS naman The Sharon Cuneta Show tapos Million Dollar Movies*

ang orig na "main cast" ng "bubble gang" was ogie, bitoy, aiko and sunshine cruz--amanda page came in after yata umalis si sunshine...tapos ang supporting nila, sina wendell, antonio, susan lozada, assunta de rossi and jackie de guzman. 😊

may regular sketch sina ogie at aiko na medyo naaalala ko pa: "the adventures of subic and clark"...mga super-heroes na exaggerated ang pagka-maskulado. 🤪

bigla ko tuloy naalala rito..."million dollar movies" would have, once a month, a big movie feature that would fall under the "sub-banner" they called "klusivol primetime"...

who can't forget the original takeshi's castle in the early 1990's aired in channel 13 every saturdays or sundays ata? Starring Anjo and smokey hehehe 🤪 ... yung recent takeshi's is very lame puro parlor games na parang nasa peryahan ka 🤪

naalala ko si NORA AUNOR SA SUPERSTAR...MINSAN PAG NAG SHOW .  
NAKAINOM!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!11

^ 'di ba, minsan, nale-late din para sa opening number si ate guy? 🤪

'di ako nakapanood ng "superstar" noong kabataan ko, pero based on how "ispup" spoofed "superstar" in one of their episodes (jon santos as kuya germs kept introducing ate guy repeatedly, dahil wala pa kunyari sa stage), parang ganun yung impression na nakuha ko...

Guni Guni on ABC 5 (iba yung creeps na dinudulot nito, parang kakaibang way ng pananakot or is it because I'm still young way back then)

Angels on ABC 5 (I remembered one episode where Angelica Panganiban was featured and she's so young in that episode, angel na angel ang itsura)

Kagat ng Dilim on IBC 13... akala ko nong una mga totoong files na nangyari sa mga artista kasi di ko masyadong pinagtuunan ng pansin noong una.. dramatization lang pala and big stars ang gumaganap sa mga episodes nito (Judy Ann Santos for example and if I'm not mistaken si Dngdong Dantes din yata)...dito ko din napanood yung scene na inilibing yung 2 tao ng buhay... nasa coffin sila...iba naging impact sa akin ng episode na un..nagkaroon yata ako ng claustrophobia! 😊

Oka Tokat! on ABS CBN... the best horror series for me! every Tuesday night kahit pahirapan matulog pinapanood ko pa rin...pero pag mag-isa lang ako...hindi uubra 😊  
Pinaka-memorable na episode para sa akin yung inilibing si Jericho Rosales... I love the background song playing in that scene...

TGIS and GIMIK.... di pa ako masyado makarelata pero nakikinoood din para "in" sa mga nagkukwentuhan 😊

*TGIS and GIMIK.... di pa ako masyado makarelata pero nakikinoood din para "in" sa mga nagkukwentuhan 😊*

i must say na what was really amazing about "TGIS" and "gimik" back then was that the popularity of both shows extended from 'yung mga ka-age ng mga artista (they were probably around 17-20 years old, on the average, back then), but also sa mga younger teens--yung mga 12, 13-year-olds...

isang nakita kong proof nito? sa school ko (i was in grade 6 at that time both shows were on the air), each grade 5 and grade 6 section had a regular "quarterly program" (parang variety show) for our music class...during the time "TGIS" and "gimik" were so popular, yung mga "quarterly program" ng halos bawat section noon had "gimik" or "thank God, it's..." within the title...and, for those who used "gimik" in their titles, talagang tinutugtog pa sa umpisa yung theme song ng "gimik" noon ('yung kinanta ni jao mapa)--either they recorded it off the TV (like what we did sa section namin..."gimik ng poseidon"--with poseidon being my section's name--yung title ng quarterly program namin noon) or bumili sila ng cassette tape ng album noon ni jao ( 🎧 )...

*Nasira Yung Tgis Nung Magbuntis Noon Si Angelu De Leon Kay Joko Diaz...dun Nalaos Ang Tgis... Pinalitan Ito Nina Dingdong, Antonette ...natapos Agad, Tapos Pinalita Nina Anne Curtis, Chubi .aiza...hindi Rin Nagtagal*

IMHO, noong naging sina anne curtis, chubi del rosario at aiza marquez, et al. na ang naging bida sa "TGIS", doon na talaga nasira yung show...parang, pinilit na lang i-extend...

siyempre iba pa rin yung unang batch nina angelu, bobby, onemig, raven, michael, etc...the

best 'yun talaga, for me...pero close second yung batch nina dingdong-toni, sunshine-polo at kim-dino...nagkaroon din ng following yung batch nila... 😊

TEXT

tuesdays on GMA

sino sa inyo nakaka-alala pa sa A-Team, Lot-Lot And Friends saka sa Alf? 😊

Gusto ko yung Alf sa Channel 9 yan dati pati rin yung sobrang batang Olsen twins na cute pa dati sa Full House. Naaalala nyo ba si Vicky ng Small Wonder di ba ginaya to ng QTV at ginawang Ay Robot na ewan ko kung ano ang kinalabasan since di ko to pinanood...

nakakapanood ako ng reruns ng "full house" dito sa canada (it's aired on one of our local stations here in toronto...ka-back-to-back siya ng iba pang mga classic US sitcoms like "laverne and shirley", "happy days" and "family ties")...ang cute ng olsen twins lalo na nung mga bandang 1 or 2 years old na sila...

trivia: nag-a-alternate sa role ni michelle tanner sa "full house" sina mary-kate and ashley olsen...pero sa opening credits noong first few seasons nito, the two were credited as "mary-kate ashley olsen" to create the impression that they were just one person. 🇵🇭

and yes, "small wonder"...i do remember this one on GMA, and years later, on ABC-5 (nag-rerun sila ng show na 'to noong first few months from their reopening)...

actually, magkaiba ang robot characters sa "small wonder" at sa "ay, robot!" ng QTV...sa "small wonder", vicki the robot was created by the dad...sa "ay, robot!" naman, sam bumatay's character (also named sam) was a rag doll na napulot ng character ni ogie alcasid, tapos tinamaan ng kidlat at naging robot... 😊

Naalala Ko Si Ate Luds Ganito Sya Magpasalamat Sa Eye To Eye Dati... **Id Like To Thank Boy Navarette For My Hair And Make Up . Si Boy Na In Demand Na In Demand Na Ngayon... May Kotse Na**

**Ni Madonna Ang Naisalang....nagmukhang Impersonator Si Lotlot Doon  
Hahahahahahahahaha.**

hahaha...oo, panalo 'yan! kahit ako, nung napanood ko yung isang youtube clip ng "eye to eye", tapos biglang nag-live na acknowledgment si ate luds kay bhoy navarette (with that very same line, "in demand na in demand"), naalala ko bigla na lagi niyang sinasabi yung "in demand na in demand" tungkol sa kanyang stylist...kahit noong naging pre-recorded na ang acknowledgments niya sa "eye to eye", ganun pa rin sinasabi niya... 😊

may isa pa siyang sponsor na bigla ko ring naalala: dr. john cenica of jansen skin care center. 🏥

speaking of acknowledgments...'ika nga ni kuya germs noon, "mag-donors muna tayo!" 😊

at si randy santiago naman, laging monakiki ang sponsor ng mga damit niya sa "lunch date"... "may mona ka na, may damit ka pa!" ang slogan (na medyo na-mali 'ata si ruffa gutierrez one time she was on "lunch date", dahil pagbanggit ni randy ng "may mona ka na...", sumingit si ruffa ng, "may \*bleep\* ka pa!"... 😊 )...

**sa Sst Ni Randy Dati May Isang Lalake Na Nagsabi Sa Monakiki May Mona Ka Na

hanggang ngayon naman 'ata, eh, mahilig si kuya germs mamigay ng kung anu-anong produkto sa mga guests niya sa "walang tulugan"...😄

'andyan yung tupuro water purifier, hi! magazine (na hindi na pina-publish ngayon), pilita's pizza, red bull, and of course, hapee toothpaste ("...because i want you to be happy," lagi niyang sinasabi 'pag yun na ang binibigay niya...)...😄

here's Bill Velasco doing the narration during his days as part of the PBA coverage team:

<http://youtube.com/watch?v=28XaSeRnc0A>

loved the "furious finishes" vid...'tsaka yung lookback sa '80s stars (bagay yung kanta na ginamit nila--the APO's "friends in music")...

bigla ko tuloy naalala na, yes, the PBA's features segment at halftime is "dunkin' donuts anything goes!", tapos may kasama pang "fisherman's friend halftime analysis"...i loved it when the game analyst used the magnetic playboard para sa segment na 'yan! 😄

Sa calendar girl may napanood akong ganito dati since nasa Bulacan ako nun, sobrang tawanan kami sa bahay... I remember they asked the girl--

"Kung magiging isang tourist spot ka, anong tourist spot yun at bakit?

The contestant replied "Bocaue Rice Terraces" 😊

nakakatuwa yung bocaue rice terraces na yan! 😊

^ 'di ba meron din nung "i want to be a MEDICINE"? 🤔

naalala ko yung home along the riles ni dolphy...doon nauso ang tawag na along the riles...pag tinanong kung saan nakatira....

narecall ko tuloy ang show ni daboy na KASANGGA, DABOY AND DA GIRL , TWIN HEARTS AT ATLANTIKA

tagal ko na di napadpad sa thread na ito ah... daming great tv memories dito..

I remember Joey de Leon had a very interesting culture show called "Apple Pie, Patis, atbp." ... does anyone remember which channel it was on? siguro alam to ni sirloin\_steak 😊

^ 'yan yung naging travel show ni master joey sa RPN in the late '80s...noong una, USA lang ang "coverage" niya, pero napadpad din 'ata siya sa europe, eventually, kaya nadagdagan ang title ng "apple pie, patis, PATE, atbp." 🇹🇼

*who can remember " one million chance of a lifetime"? A classic gameshow on RPN 9 na ang ads p nya e yung encarnacion bechaves flower shop and the old bear brand sterilized ad?*

WAhahahaha!! I remember that show.. and those commercials!! Nakakatakot yung model nila para sa Encarnacion Bechaves.. At isa pang commercial sa \$1 Million Chance of A Lifetime is yung R.A. Home Video na mala-star wars ang theme.. haay I miss those days when I rented tapes and laserdiscs from ACA Video in shaw...

ah kaya pala nadagdagan ng "PATE"... nalilito kasi ako sa title ng show, kung may "pate" ba o wala.. ganun pala yun.. sana magkaroon ulit si joey ng ganyang show kasi mahilig sya talaga mag-travel diba? bagay na bagay sa kanya yan.

maganda nga yun, dahil tatal, "gala" naman si joey...

i think he's doing a similar segment semi-regularly on "mel and joey" now...ang first feature pa niya was about las vegas at yung mga replica ng mga world landmarks na makikita doon...

*WAhahahaha!! I remember that show.. and those commercials!! Nakakatakot yung model nila para sa Encarnacion Bechaves.. At isa pang commercial sa \$1 Million Chance of A Lifetime is yung R.A. "tan-tan-tan-taaaaaan...tanananananan-tan-tan-tan-taaaaan..."

tumpak! nakakatakot nga yung model ng Encarnacion Bechavez. yung do-eye nung babae, 3 layers! hahahaha!

*Naaalala ko din yung soap opera sa ch. 7 dati yung Yagit,nasan na kaya yung mga bida ngayon nun?*

***Saka meron ba dito nakakaalam nung title nung soap na T.A.P.E din yung nagproduce,kasama ata si Maricel Soriano dun,tungkol sa mga Boy Scouts na naligaw sa gubat pero unti unti sila namatay.. late 80's na yun***

I remember this...

parang Lord of the Flies yung tema.

that bear brand sterilized ad during one million chance of a lifetime is when the lolo was so young dances with his lola and in the near end of this ad he dances with his apo. I remember yung prizes sa show na to like a car and a trip for two. After the show switch na ako sa channel 13 ksi maskman na back to back with shadier

^ anyone who grew up in the late '80s and early '90s will, perhaps, NEVER forget that bear brand commercial...

"is that you, lolo?"

"look at my mole..."

"ahh, yeaaaah!"

pinalabas pa ata ang commercial na to (bear brand) around 2002 or 2003 (that's 5 years ago) sa channel 9 and, anu nga b uli yung kanta doon di ko na matandaan e.

Speaking of Bear Brand...

**"I CAN FEEL IT!"**

mga certified couch potatoes!

para sa inyo d'yang mga pinoy basketbol fans na nami-miss ang vintage/VTV coverage ng PBA (waaaay before vic del rosario and viva television joined forces with vintage's carlos "bobong" velez), punta kayo sa youtube account na 'to:

<http://www.youtube.com/user/bryanlim?ob=1>

mostly koleksyon ito ng samu't saring top plays of the week ng PBA from the mid- and late '90s--part of what i personally consider as the "glory years" of both the PBA and its TV coverage...

maririnig din sa mga "top plays" clips na 'yan ang ilan sa mga classic sportscaster lines noong panahong 'yun (and mostly, i think, from former PBA commish noli eala, whom we all know started as part of the vintage sportscast team), tulad ng...

"sumabay ka pa!"

"ooh, ano'ng tira 'yun?!"

"ano'ng dukot 'yun? ang haba!"

"ikaw na ang maging..."

enjoy, everyone! 🤖

Baket Wala Nang Nagsasabit Ng Sampaguita Sa Mga Kumakantang Artista/singer Sa Tv...unlike B4

^ oo nga eh...pinakamadalas ko 'yang nakita noon, sa "that's..." at "GMA supershow"...although of course, i'm pretty sure, as early as, say, panahon nina guy-pip at vi-bot, ginagawa na ng mga fans 'yan...🤖

although isa pang naiisip ko d'yan, kung bakit 'di na 'yan ginagawa sa TV, is, perhaps, para ma-maintain ang order sa loob ng studio, lalo na't habang (at kapag) live ang isang show...opinyon ko lang, ah... 😊

*pinalabas pa ata ang commercial na to (bear brand) around 2002 or 2003 (that's 5 years ago) sa channel 9 and, anu nga b uli yung kanta doon di ko na matandaan e.*

hala! bata pa lang adik na sa tv! 😊

pero parang ganito ata \*\*\* song ng bear brand dati:

"i remember yesterday, the world was so young

sometimes with granma, sharing moments of love

i remember yesterday, the world was so young

\_\_\_\_\_ you, for your special ones

some days together, were days filled with laughter

one smile the happy times, our memories we treasure"

haaaay life!

^ ayos 'yan, ah! 😊

speaking of ads...i'm sure medyo obscure memory ito, pero i suddenly recalled how some stations had on-air timechecks on TV in between shows and station IDs, sometime in the '90s...

IBC (back in their "islands tv 13" days), for example, had some timechecks sponsored by hanabishi, nikon appliances, and by--coincidentally--island sardines.

PTV-4 naman always had a time check after their station ID sponsored by certain watch brands--i remember it distinctly like this: the screen would show an analog clock, tapos the voiceover announcer (then dr. buddy bryan MD of the old DWKC) would say "(name of watch brand) time"...gucci and seiko were some of the brands i remember.

speaking of time...remember RPN's trademark on-screen clock, whose original font was

used for sooooooooo many years? i think they still had it even up to the time when solar bought some of their broadcast hours...i'm pretty sure wala na ito ngayon, though...

what do i miss? let me count the ways

1. tv commercials na konti lang ang artista..... medyo masyadong showbiz na ang tv ads ngayon.. boring .....

2. kuya germs giving away birch tree milk to the guests 😊 so funny

3. a-team,mcgyver, remington steele, knight rider, champoy, chicks to chicks, todas

4. seeing actors/actresses in different networks at wlang issue na lipatan hehe

5. news and public affairs on an early timeslot, di madaling araw

6. fewer commercials haayyyy those were the days

just want to say.. interesting yung ads ngayon sa mcdo... like yung breakfast meals & cheeseburger ads... kudos to makers of this....

i miss **MacGyver** sa rpn-9 dati...

still love watching macgyver videos on youtube... astig pa rin!

1. Napansin ko din, mga jologs looking yung models sa mga ads kahit kamukha ni pokwang yung nasa ad dati ay ok lang sa atin. May mga histura na kasi yung mga models ngayon yung tipong maganda at gwapo, pag jologs looking ka syempre sa tentay patis ang bagsak mo. Look at the SMART Ad puro mga kapamilya.

2. I remember the ad of birch tree "it's everybody's milk!" 😊

4. I think ABS-CBN ata yung pasimuno ng mga exclusive contract s mga stars nila

NAKS naman! 😊

Miss ko yung "Saturday Fun Machine" sa RPN 9, from 7 am to 3 pm- marathon showing ng mga cartoons 📺

and this was way before Cartoon Network 📺

well...not really until 3pm, as far as i can remember--especially back when RPN still had "eat bulaga" and "coney reyes on camera"... 😊

but yeah, medyo naabutan ko pa ito...this was probably one of philippine TV's first major (and well-remembered) attempts at a big programming block aimed at kids...😊

Baka sa RJTV kasi may marathon din sila ng mga Looney Tunes cartoons, atbp. dati eh.

baket ang walang tulugan ..LOKBU ang style ng show... mag lipsinc \*\*\* guest singer tapos bibigyan ni kuya germs ng regalo..me nanonood ba ng walang tulugan... alam ko advance taping ito eh...

"Pagmulat ng mata...."

Ginawa ito ni Mel Villena tapos yung ending, Alamid ang gumawa.

actually, the Batibot theme music was composed by Louie Ocampo while the lyrics were written by the late UP professor Rene O. Villanueva (virtually all of the songs featured on the show had their lyrics written by Sir Rene). all that Mel Villena did was to re-arrange the original Ocampo composition to suit the changing times. 😊

no one in the generation of Filipinos where i belong will ever forget the influence that Batibot had on our childhood. until now, we never forget the names of the human and puppet characters, the lyrics and the melody of the songs (e.g. Batibot theme, Ako ay Kapitbahay, Alin ang Naiba, Pagsama-samahin ang Pare-Pareho) and the atmosphere of being a Batang Batibot. it's really depressing to think that a GREAT Filipino children's show like Batibot will never come back in this generation. 😞

oo nga pala, Batibot's creator, fellow Iskolar ng Bayan Ms. Felicisima "Feny" De Los Angeles-Bautista, was named Distinguished Alumna for Academic Leadership by the University of the Philippines Alumni Association and was awarded to her during the recently concluded UP Grand Centennial Alumni-Faculty Homecoming and Reunion at the Araneta Coliseum. congratulations Ma'am Feny! 😊

ang roots ng "batibot" was from "sesame"--which was supposedly the country's own version of the legendary "sesame street". pero after the show was renamed "batibot", the people on and behind the show, i must say, successfully broke away from being JUST a pinoy version of "sesame street"...the songs, the characters and the sketches/segments they did on the show were all distinctly pinoy, thus giving the show its own identity.

perhaps, no other locally-produced educational show with the exact format--not even the

short-lived "bulilit" on GMA (which, incidentally, was also led by kuya bodjie when he temporarily left the "batibot" gang) or "ATBP" on ABS-CBN (which was led naman by another "batibot" alumna, isay alvarez)--could come close to the impact that "batibot" left on kids of our generation (mid-late '80s and early '90s).

sadly, in today's generation, ang naiwan na lang sa weekday mornings para sa mga bata, mostly anime series na lamang. 😞

hey ka-campus sirloin! kumusta? 😊

wala na talaga akong masasabi sa impact na ginawa ng Batibot on Philippine TV. that children's show, despite being absent on TV for several years now, already achieved a legendary status. no local children's show would ever come close to Batibot. 😊

oo nga pala. di ba Sesame! talagang pinanggalingan ng Batibot? if i remember it correctly, when Children's Television Workshop broke relations with Philippine Children's Television Foundation due to the latter going solo with Batibot, CTW threatened to take away Pong Pagong and Kiko Matsing. allegedly, Pong Pagong and Kiko Matsing were Jim Henson characters loaned to PCTVF for Sesame! but since the relationship between CTW and PCTVF already ended, CTW wanted to take back Pong and Kiko. ?

oh well... i am proud to say that i am, truly, a Batang Batibot just like many 20 to 30 year old Filipinos of this generation. 😊

oooooppsssss... i just read that Pong and Kiko were indeed taken away by CTW from PCTVF. nung nawala sina Pong at Kiko at pinalitan sila ni Koko Kwik Kwak, doon na din nagsimula ang decline ng Batibot. 😞

and I \*\* Koko Kwik Kwak...nagkaroon pa siya ng spin-off show circa 1999 or 2000 and I was like "what?"...Its definitely not "Yipeee" for me. Mas lalong bumagsok lalo ang Batibot dahil sa kanya (exaggerated member of a generation exposed to ATBP and Batibot)

*sadly, in today's generation, ang naiwan na lang sa weekday mornings para sa mga bata, mostly anime series na lamang. 😞*

Agree kasi iba na ang bata ngayon eh, but may Busog Lusog, Art Angel, at iba pa. Mabuti na lang manood na lang ang mga bata sa Knowledge Channel.

Ang TV kasi ngayon. **RATINGS** ang goal...

ello guys!!!

Gary Valenciano on Student Canteen (circa 1983

<http://www.youtube.com/watch?v=a-o-OQC7dQ4>

napanood ko rin 'yan sa youtube... 🇹🇼

sa mga nakita kong pictures at sa mangilan-ilang clips ng '70s/'80s version ng "student canteen", that set--the one in that clip--was probably their best (and most well-decorated). 🇹🇼

yung iba kasing mga set/backdrop nila, napansin ko, mostly isang malaking plywood na pininturahan lang (especially the classic "student canteen" set na may mga school banners--ateneo, la salle, maryknoll [miriam na ngayon], assumption, etc.)...

*Baka sa RJTV kasi may marathon din sila ng mga Looney Tunes cartoons, atbp. dati eh.*

YepYep, every afternoon iyon...

Pagkatapos ng long-hour na TV shopping----parang isang araw na...

Buti pinalitan....

*baket ang walang tulugan ..LOKBU ang style ng show... mag lipsinc \*\*\* guest singer tapos bibigyan ni kuya germs ng regalo..me nanonood ba ng walang tulugan... alam ko advance taping ito eh...*

ikaw? alam mo kasi detalye ng show eh 🇹🇼

Ano naman ang connection nito sa thread aber? Ano yan? Saan mo yan pinulot huh?

dun sa kapusong umaalma na kasinungalingan DAW ang post ko na  
**3rd TV Station LANG ang GMA network sa bansa**, magreklamo ka sa GMA Network.

ipabago mo ang nakalagay sa website ng GMA. 😊

HINDI RIN ANG GMA ANG FIRST RADIO STATION SA BANSA. 😊😊😊

*OT ka..This is a thread reminiscing the good about Philippine TV and not the silliness that is the "network war" of ABS and GMA*

you betcha! 😊

sa kapamilyang nag-post ng paninira sa GMA, please reserve that for another thread. not here.

as i said at the start of this thread, wala akong intensyong mag-umpisa ng away dito. kaya please lang, 'wag ka nang manguna sa paninira.

maraming salamat.

now, back to the topic, ladies and gentlemen...😊

## MORE THAN A TV MEMORY. THIS IS A HISTORY.

**1953** - Lumabas ang unang telebisyon sa Pilipinas sa pangunguna ng ABS-CBN.

**1961** - Lumabas ang ikatlong TV channel ng bansa. Ito ang GMA Network.

## **ABS-CBN'S 50TH YEAR CELEBRATES PHILIPPINE TELEVISION**

MANILA, November 1, 2003 (STAR) Philippine television has just marked its 50th anniversary.

As historic as the birth of this powerful medium, the momentous celebration on Oct. 17 began a new chapter in local television history, with ABS-CBN Broadcasting Corp. re-establishing its position as the country's first and largest television network.

The broadcasting giant capped its 50th anniversary with a spectacular extravaganza dubbed Kapamilya: ABS-CBN at 50, held at the Philippine International Convention Center (PICC) in Pasay City. It was hailed as one of the biggest media events of the year. Two months earlier, the network held its Kapamilya Homecoming, which gathered over 4,000 former employees and talents for a grand reunion at ABS-CBN's compound in Bohol Avenue, Quezon City.

yes we know that pero wag na sana ito panay abs vs gma kung yan lang ang mga ipopost mo. alam namin ABS was the first TV network to be established and that GMA/RBS followed after RPN in the 60's pero from that point we're talking here about good TV at a time na people are not as ratings crazy as it is today, not whose first or which of whose channel has the better shows. sana maintindihan mo na di dapat maging awayan thread ito. Kapeesh?

I remember Heredera with Aiza yung unang nanalo na mis bulilit ba sa eat bulaga, that's entertainment I remember Monday ang gusto kong group with Lotlot deleon and yung pinsan nya. Palibhasa lalaki, John and Marsha (really sad about what happen to Nida) Eat Bulaga sila tito vic and Joey, aiza and connie.. Chikachika chicks woww brings back alot of memories. Good idea yung thread starter.

^^

I love you Sabado!!!

ewan ko bakit gustong-gusto ko yung Sapak Talaga. saka yung Cafeteria Aroma. 🍷 tawang-tawa rin ako dun sa sitcom na nakalimutan ko ang title, sa channel 7, every sunday afternoon to pinalalabas, yung sina nanette inventor, dexter doria, etc. ewan ko kung me nakakaalala sa inyo.

When I was a kid, I used to watch I Love Lucy on channel 13, also The Three Stooges.. and The Benny Hill Show was aired very late at night on channel 9... man, local TV channels used to be so cool back then...

I also watched a lot of Name That Tune ("I can name that tune in one note...") back to back with Face the Music hosted by Ron Ely.. that was also aired on channel 9, I think.

There should be a channel devoted to old shows (foreign and local) for all nostalgia buffs like us.. something like TV Land in the U.S. I would be glued to that channel if ever there is one!

*There should be a channel devoted to old shows (foreign and local) for all nostalgia buffs like us.. something like TV Land in the U.S. I would be glued to that channel if ever there is one!*

i heard of this cable channel called flip tv back home, pero ang alam ko lang na ipinapalabas nilang old shows are "john en marsha" and "champoy"...

but i do agree with this idea. at sana, lahat ng networks, mag-contribute, dahil marami

namang mga memorable shows across all networks, eh...'tsaka at least, maraming choices. 😊

*ewan ko bakit gustong-gusto ko yung Sapak Talaga. saka yung Cafeteria Aroma.* 🇹🇼

'di ba yung "sapak talaga", variety show? 'di ko siya naabutan as a kid, pero having read mga lumang TV guides sa mga old newspapers, i knew this was in the late afternoon slot, shown on GMA, then lumipat sa BBC/city2...

i also remember having seen "cafeteria aroma" sa RPN sometimes in the early '90s, pero still from those old TV guides, nalaman kong remake na pala 'yun ng daily sitcom of the same title back in the early '80s...sa nabasa ko, the late apeng daldal was one of the main stars of the original "cafeteria aroma"... 😊

*24. JULLIE YAP DAZA GUESTING ON VILMA!*

*JULLIE: O Vi nag-guest na ko dito sa show. Ikaw,kailan ka naman mag-ge-guest sa show ko?*

*VILMA: Alam mo naman Tita Jullie, busy kami ni Ralph sa pag-a-arrange ng kasal namin. Siguro pagkatapos na lang ng marriage!*

Hahaha!!!

Parang walang balak mag guest!! Bwahahaha

1990. Fave ko yung friday late night cartoons sa ABS-CBN..

1990s - Teenage Mutant Ninja Turtles

1993 - Batman the Animation

1995 - Power Rangers

1991 - Nagsimula yung SBN-21 with Takeshi's Castle (Anjo Yllana and Smokey Manaloto)

1990s pa rin.. Di pa uso ang teleserye sa primetime...

Uso pa nun yung Maricel Drama Special sa Channel 2..

Later yung Mikee (with Mikee's signature with a horse) sa GMA

Sa weekend, Coney Reyes on Camera (It's my turn by Diana Ross and theme) sa ABS, then sa GMA naman, may Lovingly Yours, Helen.

Paborito ng nanay ko.. lahat yan..

Sitcoms....

I miss all ABS sitcoms nung 90s.. t

umatak pa rin sa akin yung mga stories, plots and characters..

OK ka fairy ko - Bossing Enteng, Faye at Aiza... laging may moral lesson at the end of the story, same with Home Along Da Riles... ni Mang Kevin, Bing, Ason, Maybeline at ang katulong na si Roxanne, Bill na nagtatrabaho sa Joe Kuan, Baldo, Estong na mahilig sa tutong, SI Steve (Bernardo Bernardo) at si Cita Astals, *ang babaeng walang balakang!!* haaayyyz

Game Shows...

Nanjan ang "Ready Set Go" na nung panahon na yun e.. trying hard rapper pa si Michael V..

Pati na rin ang "Game na, Game na" ni Roderick Paulate at Ogie Alcasid (*Tinanong namin ang sandaang Pilipino... Survey says..... 😊*).. *"Game na ba kayo, Game na Game na!"*..

Pag tanghali.. nanjan ang "Hoy! Gising"

Theme:

*Ang ating bayan, kay raming problema..*

*Walang tubig, tambak ang basura...*

*Sobra ang traffic maya't maya'y brown-out pa!*

*Lubak-lubak ating mga kalsada!*

*Hoy! Gising!*

*Tayong Pinoy dapat Magbago na!*

*Hoy! Gising!*

Morning Animes

Eto yung pinapanood ko habang hinintay ko yung service sa school.. Pang hapon ako nung mga panahon na yun... Cedie, ang munting prinsipe.. Sarah, Ang Munting Prinsesa.. Peter Pan.. Awit Titik Bilang at Iba pa (At Iba Pa!)

Basta alam ko bago mag-Ang TV at 4:30... ang palabas sa Channel 2 ay.. "Ermita"...  
hahaha

TV Patrol... Kanya-kanya pang segment si Noli, Ka Kiko+, Mel Tiangco (nalimutan ko yung segment sa mga charity help ng TV patrol dati), Tintin Bersola (Star News), Ernie Baron (Ulat Panahon ni Ka Ernie Baron+ at Knowledge Power).. Nakaupo pa sila nun except kay Ernie Baron.. na bago magstart ay madilim ang set, na may backdrop ng mga building sa Makati.. then unti-unti bubukas ang ilaw... ganun din sa ending.. mamatay ang ilaw, anino lang ang makikita nila.. na minsan nag-uusap pa kunwari...

Madalas din na nagdidiscuss sila about the news... every after ng delivery ng news.. na sana ibalik ng TVPW ang ganung style..

Sino rin ang makakalimot sa "Sarimanok" craze dati sa primetime..

May clue pa si Ka Ernie Baron kung ilan na ang dumapo at dadapong sarimanok... *"Dadapo na ang Sarimanok!! Walang Kukurap!!!"*

ang major sponsors.. Vidal Sassoon, Cafe Puro and others....

na sinundan ng Sarimanok Sweepstakes.. sa 'Sang Linggo nAPO sila..  
"The next number is number "4" Go Sarimanok!!".. 😊

Sa GMA naman

Theme ng "Katok Mga Misis"

*Katok mga Misis, Katok Katok..  
Kung Nais nyong may makasama...  
Tuwing umaga, sa inyong kusina..  
Katok Mga Misis Katok..  
Katok Mga Misis! Katok!*

na-aalala ko to nung nag rerun ako ng mga old betamax tapes 3 years ago na may accidentally na record pala na programs like this..  
nagtetesting yata ng betamax nung panahon na yun kng gumagana ang recording.....  
hahaha...

NegoSyete - hahaha! napaka amateur ng mga graphics ng show na to... hosted by Kuya Germs..

Dami pala show ni Kuya Germs nung kasikatan nya sa GMA-7.. Ngayon nasa madaling araw na lang sya.. weekly pa. 😊

Other Channels..

Yung Classic Cartoons (follow the bouncing ball..) and Cartoons! Cartoons! every afternoon sa RJTV 29 at CTV 31

Betty Boop, Felix the Cat etc. kahit paulit ulit sarap panoorin...  
panahon pa raw or bata pa tatay ko, yun na rin ang napapanood nya.... sana ipalabas ulit ngayon....

PenPen De Sarapen (late 80s) - ewan ko ba.. pero di ko trip tong show na 'to.. Peborit lang ng ate ko (pinsan)... inaabangan nya yung mga ibang batang artista dun... basta di ako natutuwa sa show na yun..

Transformers, She-Ra, He-Man and Skeletor (late 80s) - 6 yrs old ako nung time na yan..  
eto peborit naman ng kuya ko dati....

Later, yung Bioman (ako sa Green 2 sa mga kalaro ko..), Maskman (Maskuman), Shaider, Timequest "Lilipad Lilipad.. Takore", sa Channel 13.. tsaka yung Machine Man.. Si Buknoy,

yung baseball na may mukha

Sa Channel 4, Nickolodeon sa tanghali.. Sesame Street sa Channel 7 (?)

Sa Channel 5, Yung Tropang Trumpo... syempre.... tsaka yung mga cartoons sa umaga like Huckleberry Hound.. bago mag Home TV shopping.. then the Marimar craze sa RPN-9... na nakwento lang ng kapitbahay namin na makulit daw yung asong nagsasalita.... si Fulgoso... curious lang kami nung una... hanggang na hook na...

Sa "The World Tonight" laging sponsor ang JRS Express

Sa "Eye to Eye" ang Birch Tree, Sunny Orange and Grape Juice at Pagoda Cold Wave Lotion..

Sa mga cartoons ng IBC-13, lagi may ads ng Golden Sweet Corn, Sakanami at Snacku.. at ibang pang mga bagong chichirya ng Regent..

Sa PTV-4, yung Salem Beds, Lion-Tiger Katol, ang walang kamatayang Family Rubbing Alcohol..

Sa RPN-9, most specifically sa "Kwarta o Kahon" laging sponsor ang Advan Shoes.. lagi rin yung ads ng SM City.. (*SM City it's waiting for you..*) bago pa kasi yung SM North EDSA nun.. Ka-level ng MoA natin ngayon sa kasikatan dati..

Alam nyo po ba yung DingDang?? yung may candy na may kasamang toy?

Theme:

*DingDang DingDang*

*May laruan na, may yummy-yummy pa..*

*Ding-Dang, Ding-Dang, Ding-Dang*

*DingDang! DingDang!*

*Get your Dingdang Today!*

How about **Eh! Kasi Bata** every sunday mornings sa ABS-CBN?  
Lagi naming inaabangan tuwing sunday.

ahh, yes, "barbarya siete"...i came across the title of that show sa entry tungkol kay jose javier reyes sa ccp encyclopedia--isa yata ito sa mga unang TV show where he served as a writer...

ni-rerun sa dating solar entertainment (now jackTV) yung mga lumang episode ng "lovingly yours", as in dating back to the '80s pa talaga...napanood ko yun pag hapon at madaling araw...noong time na nasa BBC-2 si ate helen, yung nakalagay sa right side ng screen sa kanyang munting set was "OK101.9" (FM station ng BBC-2 where ate helen was also given a show...it was eventually turned over to ABS-CBN, and is now, of course, WRR)...

nabasa ko rin na for a very short time, kuya germs went to BBC, dahil nga ang producer ng "germspesyal" noon was gil balaguer...but as it would turn out, he would be at two places at one time, 'ika nga--sa BBC, mayroong "germspesyal...it's showtime!", pero sa GMA naman, he had "german moreno, a-live!" (which would, of course, eventually be retitled to "GMA supershow", na mismong si kuya germs na ang producer)...

pero after just a couple of weeks, pinalitan ang "germspesyal" ng BBC with joe quirino ("JQ on cue"), and kuya germs, of course, stayed with GMA--and the rest is history. 

gil balaguer pala would eventually "return" to the GMA network, to head the short-lived citynet 27 in the mid-'90s.

*looking back, naisip ko na kaya may ad placement ang dakak sa EB, was because romy jalosjos was the owner of that resort, kung 'di ako nagkakamali...jalosjos, as i would find out too, later, was the very first producer of EB in 1979--production specialists, inc. ang*

pangalan ng production company niya noong time na yun, kung saan kasama niya si tony tuviera (who would later open his own production outfit--TAPE--in 1981, and take over producing EB).

si bikoy baboy--yun ang pangalan ng mascot noon ng EB...mga 1987-88 ito...i remember na kasama pa nga siya sa "family picture" ng EB (which had, of course, TVJ, coney and aiza) sa isang ad nila saying "thank you" after they won the first star award for best variety show in '87...

"billy bilyonaryo"...sundays ito, after ng "GMA telesine" (mga around 9pm)...mala-"richie rich" ang tema nito...ang "butler" dito ni billy (chris de venecia) was benjie paras...🤔

and yes, kasama si LA lopez nina aiza seguerra, RR herrera and kathleen go-quieng sa cast ng "eh kasi, bata"...segment pa nga ni LA doon yung may theme song na "trivia, trivia...ho-huh!" 🤔

speaking of "barberya siete" and--i'm assuming--a barber shop setting for this sitcom...barber shop din ba 'yung setting ng sitcom na "buhok-pinoy" (also on the old BBC/city 2) starring tito and val sotto? i just came across the title of that show in an old city 2 ad from 1984 (they had the slogan, "the Big Bold Channel")...

*i remember from citynet 27: Back in the Future, the first time I watched that movie ever*  
correction lang, dude...it's "back to...". 😊

nagka-animated series din yang "back to the future", which was shown on ABC...sa gabi nila ito pinapalabas...same thing with "bill and ted's excellent adventures" and "tiny toon adventures" (which was their lead primetime show on monday nights during their first few months upon their reopening--7pm siya pinapalabas, if my memory serves me right...). 😊

*oops, i was thinking of another "Back" but it's from radio heheheh*

parang gets ko kung anong "back" from radio 'yun..."back in the day cafe" ni carl mcfly sa maxfm? hehehe. 🤔

oops...that's for another forum dito sa PEx...😂...anyway...

'di ba may isa pang sitcom na bida si direk soxie back in the early/mid-'80s? yung "it's a deal"? si alma moreno 'ata bida doon...

dahil 'di ko naabutan yung "duplex", una kong nakita sa TV yung pangalan niya as director of "bulilit" sa GMA--it was, as i mentioned some few posts ago, yung short-lived na pantapat nila noon sa "batibot", and was led by "kuya bodjie" pascua...tapos naging isa siya sa mga "guardian angel" ni billy joe crawford sa "caloy's angels" sa ABC about a couple of years later...

una ko namang naabutan si janice jurado sa TV noong panahong co-host na siya ng "rumors: facts and humor" sa ABS kasama sina alfie lorenzo at chanda romero...

di ba dati meron na ring "Kwento ni Lola Basyang" bago ginawa ulit ng GMA lately? Channel 13 ba yun?

as far as i know, GMA's channel 27 now serves as the repeater station of QTV 11 sa metro manila. ito rin daw ang gagamiting channel for GMA's test digital broadcasts.

also, the old citynet's provincial stations in cebu and davao (which are also on channel 27) now serve as QTV's stations in those two cities. 😊

nabanggit nga ito sa "obscure local TV shows" thread sa TV programs forum...'90s pinoy version ito ng "munsters" at "addams family" aired over IBC.

at ang full title ng show? "reelin' and rockin': familia de horror" (looking back, ewan ko kung ano'ng koneksyon ng "reelin' and rockin'", though. 😊 ).

ang mga bida rito? ali sotto (as maddie lim) and maning rivera (as andy lim, if i'm not mistaken...😅).

Million Dollar Movies - Sunday ng late night..

san nga ba yung Regal Shocker?

"regal shocker" was on GMA--if i'm not mistaken, saturday night after "see-true" 'ata. 🇵🇭

the movie blocks would run for 2 hours, originally...so, tama, you had "regal presents" on monday, and "tagalog movie greats" on saturdays, both from 7-9pm.

at 9pm saturdays, ABS always put on sitcoms, too...the ones i remember are "mana", "mana-mana" and of course, "oki doki doc" (sabado yung original time slot niya). then it was martin nievera at 10, followed by the weekend newscast at 11. on the dot pa ang scheduling that time, ha! 🇵🇭

"travel time" was never on ABS...it was on IBC, tapos lumipat sa late night slot ng GMA in the mid-'90s, then finally moving to studio 23.

"probe" naman at that time was still with GMA.

and "the world tonight" only ran for 30 minutes. 😊

ay may TV memories thread pala....share ko lang some videos from tv shows from years back nung 1980s na mostly inupload sa youtube...

from John en Marsha kumpleto pa sila John, Marsha, Shirley, Dona delilah, Latuina, Kuya Rollie pati na rin si Isko and Joanna Marie..

## **TV Memories**

---

Actually, Alma Moreno's ALINDOG on Channel 2 - was broadcast every wednesday evening at 9pm since it was for mature audiences only. Rosa Rosal's ULILA was every Friday at 8PM.

I know this so very well because I was the writer of both shows. Monday, there was PEPING, ANG MUNTING ANGHEL with Romnick Sarmenta. I was also writing that show. There was another one that you guys forgot: SENOR STO. NINO. Remember the miracles of the Nino? That was every Thursday evening at 8pm. I was also writing that show. And yes, there was

BATA with Romnick Sarmenta, airing every tues night, and I was also the writer of that show.

Those were the days, when we only use 2 cameras for taping those TV dramas. We seldom go out on location. Despite such limitations, I made sure to make the story truly powerful and compelling. In those days, we write our scripts with tender loving care. Nowadays, those telenovas have all the facilities in the world. They use 6 cameras simultaneously, they even have crane shots in them. Yet, the content is so banal, it will make you go to sleep while watching them. Not in the 70s. We all cared in those days. Sure, we also made lots of money making those shows, but we also made sure that we were not fooling the audience.

wow...great insider memories there. 😊

i gathered from some tv times issues i collected na kasabayan ng "alindog" at "ulila" yung "sanyugto" with eddie rodriguez (perhaps the only actor who had his own drama anthology that time), also on BBC 2, and "mga kuwento ng pag-ibig" with armida siguion-reyna (which she also produced) on RPN. there was also "katha", and of course, eddie ilarde's "kahapon lamang", both on GMA. this was around 1978.

sometimes, i have to agree, na kung ano yung kakulangan ng telebisyon ng pinoy noon pagdating sa facilities and technology (although i'm pretty sure, broadcast city--back then--was more technologically-advanced), producers, directors and writers made sure na they made up for it pagdating sa content.

now, of course, there are still a few shows that merit a thumbs-up content-wise. pero for a lot of other shows, parang mas nao-overshadow na ng technology ang content. kaya nga, true, minsan nakakawalang-ganang panoorin.

Jusko Pati Ba Naman Ang Bbc 2 Kelangang I Flashback Hahahahaha.....

Okey... Alindog Is A Drama Show Of Alma Moreno...

Sanyugto Is A Drama Show Of Eddie Rodriguez

**i Remember Vip (vilma In Person) Lagi Ang Ending Ni Ate Vi... I Love You Lucky!!!!**

*Other Channels..*

*Later, yung Bioman (ako sa Green 2 sa mga kalaro ko..), Maskman (Maskuman), Shaider, Timequest "Lilipad Lilipad.. Takore", sa Channel 13.. tsaka yung Machine Man.. Si Buknoid, yung baseball na may mukha*

*Sa Channel 4, Nickolodeon sa tanghali.. Sesame Street sa Channel 7 (?)*

*Sa Channel 5, Yung Tropang Trumpo... syempre.... tsaka yung mga cartoons sa umaga like Huckleberry Hound.. bago mag Home TV shopping.. then the Marimar craze sa RPN-9... na nakwento lang ng kapitbahay namin na makulit daw yung asong nagsasalita.... si Fulgoso... curious lang kami nung una... hanggang na hook na...*

haha..gandang ganda ako sa timequest na yan..fave namin ng utol ko...may mga anime cartoons pa akong gustong gusto noon..like candy candy (hayz, sad nga lang ang ending) and superboink (yaiks eto na ngayon ang isa sa mga yahoo id ko)

i also loved tropang trumpo (da best gag show..chicken!), battle of the brains, palibhasa lalake, abangan ang susunod na kabanata, name that tune (kaloka panu kaya nahuhulaan ang 1 note..\*\*\*\*\* kung alam mo ang sagot sa tanong?) atbp.

may ipinalabas pa nga sa channel 13 yung parang pinapalabas ang mga luma nilang palabas basta ang host nun si drew arellano. ganda nga eh feeling retro...sana meron din sa pinas ng tulad sa kapamilya channel sa tfc (madami silang lumang palabas aside from the teleserye marathon) or meron ata sa youtube?

eto mga naalala ko...

<http://i216.photobucket.com/albums/cc88/sheikdc18/recuerdodeamor.jpg>

afternoon soap starring Carmina Villaroel and Zoren Legaspi yata... ang kumanta pa ng theme song ay si Jessa Zaragoza.

<http://i216.photobucket.com/albums/cc88/sheikdc18/apo1.jpg>

originally Sunday noontime show ito, starring syempre ang APO. then when Eat Bulaga! moved to GMA 7 it replaced EB on the weekday and saturday slot and the name was changed into 'Sang Linggo nAPO Sila. then ASAP was shown every Sunday replacing SA LINGGO NAPO SILA.

<http://i216.photobucket.com/albums/cc88/sheikdc18/balitangk.jpg>

it was just a segment before sa TV Patrol then ginawang isang sariling show ni Korina Sanchez. airing weekdays at 5:30pm before TV Patrol.

<http://i216.photobucket.com/albums/cc88/sheikdc18/maraclara.jpg>

sino bang hindi makakaalala dito? dito umusbong ang career ni Judy Ann Santos. afternoon soap aired after 'Sang Linggo nAPO Sila.

<http://i216.photobucket.com/albums/cc88/sheikdc18/abangan.jpg>

one of my favorite sitcoms ever! ganda ng chemistry ng Tengco Family. nakakatawa din si Nova Villa dito at si Roderick Paulate. ito rin yata ang unang sitcom ni Jolina Magdangal nung kasikatan niya.

<http://i216.photobucket.com/albums/cc88/sheikdc18/angtv.jpg>

at siyempre! 4:30 na!!!! ANG TV NA!!!! naalala ko pa noon 4pm ang labas namin sa school, nagmamadali ako umuwi noon para makapanood ng Ang TV! galit na galit pa ako sa driver kapag mabagal magpatakbo ng sasakyan! hahaha.

the wonder years pa pala...sa gma pa napapalabas yun di ko pinapalampas hanggang pinalabas ulit sa citynet 27. loved the story from childhood to adulthood. ang crush nya noon (na dati rin nyang inaasar-asar) in the end naging asawa na nya. starring fred savage, olivia d abo, yung partner ni jennifer aniston sa friends (sya nakatuluyan ni olivia sa palabas) saka....yung dorky friend ni kevin (fred savage) na naging marilyn manson? (true ba toh?)

isip pa ako ng iba sa susunod...

*haha..gandang ganda ako sa timequest na yan..fave namin ng utol ko...may mga anime cartoons pa akong gustong gusto noon..like candy candy (hayz, sad nga lang ang ending) and superboink (yaiks eto na ngayon ang isa sa mga yahoo id ko)*

Meron pang turborangers before time quest, candy candy after ata ng takeshi's castle every sunday evenings, at wag na wag kakalimutan si georgie every weekday mornings sa channel 2, kakaiyak din 'to noh. Pansin nyo magkamukha si georgie at candy candy? iisa lang ba ang creator nila? just wondering 😊

i think i said this many, many posts ago in this thread (or somewhere else), pero...i remember when ABS came out with a "sequel" to "abangan..." called "eto na ang susunod na kabanata"...walang-wala ang character ni gabe mercado sa "dino tengco" ni anjo yllana sa original series. 😊

dito 'ata pinauso yung mannerism na napapakagat sa kamay sabay shaking the other fingers in frustration or fear (madalas ganito kasi si tessie tomas as barbara tengco)...

at da best din dito yung mag-asawang benny (roderick paulate) at clara (carmi martin)...at siyempre, ang forever bum na si sammy lagmay. 😊

di ko alam yang ke georgie eh...yung kay nelo and patrasche (dogof flanders) ang tanda ko, ang lungkot din ng ending. ang mga pang-umagang shows sa dos minsan yan ang dahilan ko para di ako pumasok pano manonood ng cartoons,,,and of course batibot! (corny na nga lang yung nasa huli na)

mga sikat na japanese shows noon....ultraman, bioman, shaider, maskman, mask rider black...

Meron nga in 2001...  
Replaced Richard Loves Lucy....

Blue Blink

naalala ko nun, sa malabon pa ako nakatira, isang kahig isang tuka pa lol! bagong salta ng maynila.. at malapit sa shoe factory ako nun nakatira, dadaanan ko ang mga babay papasok, lahat sila nakatutok sa channel 2.. palibahasa lalaki at maricel drama special ang naalala kong lahat ng tv nakabukas.

noong mga 1995-96, yung mga cartons ng abs... yung snowwhite.. nakiabang din ako lol!

i remember during the 80s, sa channel 2 may sitcom si vic sotto with maricel soriano yung 2+2! i also liked channel 13s TODAS, the original gag show! i think mas maganda ang mga palabas noon sa tv kesa ngayon.

to be exact, "2+2" was vic and dina (na kasal pa no'ng time na 'yan...and i think i read somewhere that a little danica sotto also became part of the show later...) plus william and maricel...tapos, since herbert bautista was part of this show, too, 'di ba d'yan nag-umpisa yung tawag sa kanya na "bistek" (although years later, there would be an IBC sitcom having that as a title, and herbert himself in the title role)? 🇹🇼

and...although "TODAS" stayed on the air for 9 years (but has already been surpassed by "bubble gang", which will be on its 13th year this october, as the longest-running gag show), it wasn't the original gag show...nauna pa by about a decade ang orig na "super laff-in" on the old ABS-CBN, which had the late ramon zamora--he made his german nazi soldier character famous there--plus mitch (then known as maya) valdez and june keithley...frankie "ka kiko" evangelista was the executive producer, and the great ading fernando (who created many hit sitcoms in the '70s and '80s, one of them being the legendary "john en marsha") was its head writer. 😊

but of course, "TODAS", in my opinion, was THE definitive gag show of the '80s, as much as "laff-in" was to the late '60s and '70s, "tropang trumpo" to the '90s, and "bubble gang" to the late '90s and this decade...🤔

it was shown on BBC 2 way back in the 80's hanggang nagpaalam nang tuluyan ang BBC at ibalik sa mga Lopezes ang Channel 2 frequency na kung saan binalik rin ang ABS in 1986.

tama! 😊

kung noong time na 'yan, sa RPN magkakasama ang TVJ in one show, magkakasama rin naman sila sa BBC-2/city 2 (which was, incidentally, RPN's sister station), pero in different shows...vic was on "2+2", tito was with val on "buhok-pinoy" (already mentioned earlier in this thread), while joey naman was on "ladies and gentlemen..." (sunday afternoon variety show 'to, kung di ako nagkakamali sa mga nabasa kong TV guides at that time...si lani mercado 'ata ang co-host niya rito).

Todas was reaired again around 2002-03 on IBC in the form of clips presented by Drew Arellano who was starting out then in TV hosting

On "Mga Munting Pangarap ni Romeo", someone close to the people who sang the theme song gave me this bit of info on my Youtube Channel:

"danny l. mandia wrote the lyrics of the song from the english translation. si madonna decena ang kumanta, former student of danny mandia from miriam college. mga munting pangarap ni romeo was directed by lucio maylas."

<http://youtube.com/watch?v=jWnY8NEM9bA>

On Julio at Julia: Kambal ng Tadhana (The Twins of Destiny):

"the lyrics of the song is a collaboration of danny l. mandia and roni abario base sa english translation na ipinadalang material. si pette narvasa ang kumanta. danny l. mandia directed kambal ng tadhana. boses nina wendy villacorta at mike punzalan ang boses nina julio at julia."

<http://youtube.com/watch?v=zmPIyr7mNPQ>

the same guy who wrote the tagalog lyrics of those theme songs is also the dubbing director for every animated show being tagalized on ABS... 😊

Julio at Julia theme(complete lyrics)

Kapag uminog na ang mundo  
Iikot din ang buhay ng tao  
May saya at mayroong dusa  
Wag lang tayong magpapatalo  
kung ikaw ay nag-iisa  
sa landas na iyong tinatahak

wag mawawalan ng pag-asa  
sa mithii't pakikibaka

Si Julio at Julia  
Kambal ng Tadhana  
Di susuko  
sa pagsubok

Kapag sumikat na ang buwan  
Bago pa sumikat ang araw  
Bagong pag-asa matatanaw  
Tadhana na ang siyang pupukaw  
Kapag uminog na ang mundo  
Iikot din ang buhay ng tao  
Bagong pag-asa'y matatanaw  
Tadhana na ang siyang pupukaw

Si Mary At Ang Lihim Na Hardin

Sa bawat pagsubok na makikita  
Huwag mong hayaang madapa ka  
Tibayan mo ang loob  
Makulay ang mundo basta't mangarap ka

Sadyang ganyan ang buhay kailangang magsanay  
Mapaglarong tadhana susubukin ang tibay  
Kaya't magsikap ka, mag-isip at mag-aral  
Magandang bukas, sa iyo ay nakalaan ...

tama! 😊

(sunday afternoon variety show 'to, kung di ako nagkakamali sa mga nabasa kong TV guides at that time...si lani mercado 'ata ang co-host niya rito).*

wala akong natatandaan na may sitcom sina Tito at Val na ganito. any information naman about yung show nila. sinu-sino ba naging kasama nila baka ma-refresh yung mind ko hehehehe

dito muna ako nagpopost kasi medyo magulo sa EB thread eh. nakaka-irita na ang comments on opposite sides. instead na friendly ang comments nauuwi sa bastusan eh.

sorry ha dito pa ako nag-sentimeyento hehehehe

Esep Esep!

2 weeks lang ito di ba?

yeah...pansamantalang "replacement" sa "MTB" after the randy-john-willie trio were suspended.

looking back, i thought na that slight change during randy, john and willie's suspension was unnecessary, considering that the segments down to the hosts (minus the suspended ones, of course) were all the same--pinalitan lang yung title ng show, at may mga konting dagdag lang sa title ng mga segments...parang, sayang lang yung effort ng ABS that time, whereas, they could have just gone on with the "MTB" title even while the three main hosts weren't around...😊

*wala akong natatandaan na may sitcom sina Tito at Val na ganito. any information naman about yung show nila. sinu-sino ba naging kasama nila baka ma-refresh yung mind ko hehehehe*

mas alam siguro ni dmfriscomachineshop ang iba pang details nito kasi 'di ko naabutan yung show na 'yun--panay basa-basa lang sa mga lumang dyaryo ako, eh...😊

but anyway...as far as my info goes, "buhok-pinoy", which was also on the old BBC/city 2 (mga bandang 1984 'ata 'to), was set in a barber shop...kasama nina tito and val dito sina pops fernandez at liza lorena...😊

until now nanjan pa rin sila...bat kaya sila naghiwalay? 🤔

isama mo pa sa 90s ang UMD (always pa ang sayaw) and streetboys na di ko aakalaing si vhong pa ang sisikat sa kanila...

oo nga, eh...sayang yung mag-asawang 'yun...

speaking of mel and anna feliciano, 'wag kakalimutan ang kanilang solid gold dancers--regulars ng "the sharon cuneta show", "sa linggo napo sila" and later, "ASAP".

and the UMD, of course...who can forget the UMD (originally the wea motion dancers--naging "universal" when the record company changed its name from wea to universal records)? gerard fainsan, james salas (daddy ni paul--"starstruck kids" alumnus who's now

with ABS), and of course, wowie de guzman, to name a few...😊

tapos, may nauna pa sa streetboys (particularly as being regular guest dancers sa "eat bulaga") by a couple of years--the male attraXion...laging "highlighted" yung letters X at I habang naka-display yung pangalan nila sa screen, dahil 'ata 11 members sila...😊

Tigers Of Jojo Alejar

Penthouse Gang!!!!

*Yeah...CHAMPOY!!! An oasis of sophisticated, Western-style humor at a time when local comedy shows were choking on toilet humor and "face"-ist slapstick (you know, if your skin was dark like Mang Temy's or Whitney Tyson's, well...)*

*Who could not forget Tessie Tomas' Amanda Pineda?*

*The "Walang Sisihan" segments??*

*IT'S BOOM-BOOM TIME!!!*

*Bombadabomdabomdabombombom...Mr. Boom Boom!!!*

like i said earlier in this thread, "champoy" had class even as a gag show. but it wasn't JUST a gag show: they had serious musical numbers a lot of times, too--charge it, primarily, to noel and "señor" subas, even cherie gil, being good singers themselves. 😊

at nabanggit ko na rin 'to earlier in this thread: if you guys who watched "champoy" in the '80s would remember, may prop na mailbox sa "walang sisihan" segment nila (because this was a send-in-your-gag segment for viewers), at may kamay na lumalabas from the "mail slot" na nag-aabot ng mga sulat kina noel at subas.

i learned later on that that hand belonged to actor joel torre--he started as a production assistant for the show. 😊

Thats Entertainment ng GMA7.

i remember my mom used to watched this show every afternoon starting from 5pm-7pm yata? fave nya monday group kasi nandun si lotlot deleon & tuesday group bcoz of manilyn reynes. tapos every saturday meron sila laging dance showdown. i remember laging panalo thursday group noon.

*Tigers Of Jojo Alejar*

'di ba may kasabayang dance group ang tigers ni jojo a.? i forgot the name, pero...basta parang letters 'ata yung pangalan ng grupo, tapos madalas din sumasayaw sa "penthouse live", sometimes back-to-back pa with the tigers...

speaking of dancing...may napanood akong clip sa youtube which featured a young francis magalona competing on "dance 10" (dance contest on RPN hosted by "penthouse 7" alumni ray-an fuentes and mike monserrat)...

Penthouse Seven sa GMA...Nagkaroon minsan nang reunion concert \*\*\* mga dancers ng show a few months ago.

And there's this ex-CSB prof who posted a video of the Lucky 7 Club showing him among the finalist of the Disco Bulilit Contest. Ate ko sumali sa Little Miss Magi non...

My high school batchmate-now Atenean, Maviel Gonzales, used to be a host for Chikiting Patrol until 2003. (That time, Chikiting was already in rerun mode)

*if your a TV network warrior, \*\*\*\*\* naman you wouldnt use this thread and turn this into another netowrk war ek ek thread. :Peace:*

hongang pwede ba? walang network war!

namatay diba si Gerard Fainsan ng UMD? hayz...ang guwapo pa naman nun. and i dont like wowie...pa-cute yun eh.

yeah i remember male attraXion, pero sa eat bulaga ko lang nakita yun eh.

naaalala ko na pala kung ano yung pangalan ng kasabayang dance group ng the tigers sa "penthouse live"--the TFU dancers. 🇹🇫

meron din pala silang mga clips sa youtube. 😊

at yung clip na nabanggit ko kanina about Francis M. appearing as a contestant on "Dance 10", hanapin 'nyo sa account ni Jojo A. sa youtube (jojoatv ang username niya)...galing 'ata yun sa personal collection ni Jojo A., although nasa Betamax pa raw kaya medyo 'di kagandahan ang quality ng video...

ang daming TV memories d'yan sa mga plug na 'yan, ah! 🇹🇼

sana may mag-post sa youtube nung farewell special ng ABC...sad as it is, it will be the first time since BBC-2's shutdown in 1986 na may network na "magsasara" (i put it in quotation marks kasi in reality, hindi naman talaga magsasara ang ABC at magbabagong-anyo lang the next day--kumbaga, "end of an era")...parang, another moment in TV history 'yang "final sign-off" ng ABC...

napanood ko yung reopening ng channel 5 sixteen years ago. with RPN and IBC (the former big networks from the marcos era) slowly declining back then, ABC was the next best alternative to ABS and GMA...and i'm sure their next move come august 9 will be really promising. 😊

okay, meanwhile, back to the past! 🇹🇼

*Hindi Nya Lola Si Dona Amparo..tiya Po Iyon Ni Criselda..hehehehe...pero Hindi Nagtagal Ang Show Na Yon..hindi Natapos....at Hindi Pa Masyadong Uso Ang Soap Opera Noon...*

to tell you honestly, james, 'di ko alam...

pero, looking back at what i know about the history of channel 5/ABC in its different generations (pre-martial law under chino roces/the manila times and 1992 onwards), i think it's a way for the (then) "new" or "revitalized" ABC to establish that, although, yes, they recognize the history of the old channel 5, they're a much different network with a different leadership.

'tsaka...i've also seen the old ABC logos sa kakapunta ko noon sa filipiniana section ng national library (yes, i'm a geek like that. 😊)...mukhang 'di na babagay sa 1992 yung logo(s) nila noong bago mag-martial law--especially because the generation of younger viewers back then don't really know what the old ABC was like. thus, the logo.

then again, kinda sorta "analysis" ko lang yun. 🗣️

I forgot, they they also placed a diamond-like 5 sa tabi ng logo (na nakadikit as of the moment sa Novaliches HQ ng station).

oo nga ano... 😊

hindi 'ata directly kontrabida kay isabel si mayor coga 'tsaka si gordon, pero kontrabida pa rin just the same dahil sa mga ginagawa nila sa bayan na setting ng soap opera na 'yun... 😊

may isang scene pa 'ata dun, if i remember right, na tinutubuan na ng sungay si mayor coga habang nagdadasal si isabel...inaaaay...🤔

Ito ang magandang MEMORIES:

How the Lopezes were able to establish (before the Martial Law) and reestablish (after Edsa) their conglomerates by exacting favors from the powers-that-be whom the family had earlier helped to gain political might. It's patronage politics on the national scale.

But the growth of the Lopez business empire was also marred with trickery and maneuverings, and their employment of violence to forward their interests.

During the war, while the Lopez brothers befriended the Japanese by publishing the pro-Japanese daily Panay Shu-Ho, they remained in close contact with the guerillas. Fernando, for his part, operated a gambling casino under the protection of the Japanese army. When the war was over, the Lopez brothers were accused of collaborating with the enemy, but they successfully parried all charges with the help of their associates. In 1945, Fernando became mayor of Iloilo City and senator two years later, with their businesses growing all the more.

Moving to Manila – Eugenio as media mogul and Fernando as politician — the brothers used ABS-CBN and Manila Chronicle to their advantage. They either took over or established several profitable ventures, one of which is Meralco. But little did they know that the man – Marcos – whom they made President would also be the same man that would destroy them. When the dictatorship was toppled down, the Lopezes regained their wealth and political influence, with Eugenio "Geny" Lopez Jr. at the helm.

Sino nakakaalala ng Battle of the Brains ng RPN-9 at ng Digital LG Quiz ng GMA (format patterned after other televised inter-school quiz shows in Korea)?

1st Visayan teleserye na ipinalabas sa Philippine TV ang Isabel: Sugo ng Birhen.

kontrabida din dito yun stepmother ni Isabel pero kumampi din siya kay Isabel in the end para sugpuin si Mayor Coga and company.

Was Yaiba shown on ABC or on IBC?

*Sino nakakaalala ng Battle of the Brains ng RPN-9 at ng Digital LG Quiz ng GMA (format patterned after other televised inter-school quiz shows in Korea)?*

sa channel 5 tong yaiba..

i love battle of the brains...sponsored by uniwide sales and hosted by david celdran (nasa anc na sya ngayon i think) lagi ko kayang pinapanood 2. inispoof nga ng tropang trumpo 2 eh!

digital LG quiz is hosted by regine tolentino and paolo bediones and was shown in kapuso channel.

ang alam ko lang na televised inter-school quiz ay yung sa arirang channel, not sure if it still shown kasi nung nasa pinas napapanood ko toh at sa ngayon kahit merong arirang sa doha wala akong time na manood nito.

kala ko ako lang nanonood ng isabel:sugod ng birhen kaso di ko natapos eh! napanood nyo ba katapusan nito?

*ino nakakaalala ng Battle of the Brains ng RPN-9 at ng Digital LG Quiz ng GMA (format patterned after other televised inter-school quiz shows in Korea)?*

oo naman..."battle..." was the longest-running weekly quiz show of the '90s generation (at kahit eventually, ini-drop ng uniwide ang sponsorship nito, the show went on and moved to NBN-4, if my memory serves me right...chiqui roa took over hosting chores there)...

at ngayon ko lang nalaman na patterned after inter-school quiz shows in korea ang "LG quiz"...kung sa bagay, LG nga naman is a korean appliance/electronics company...🇹🇼

speaking of inter-school quiz shows...medyo naabutan ko pa 'ata 'to (although never ko napanood, because i was 1 year old then at wala pang malay-ao tungkol sa TV--nabasa ko lang sa mga lumang magazine)--in the mid-'80s, there was the "kilometrico (and prior to that, paper-mate) quiz date" hosted by tito sotto and helen vela on RPN. 😊

*ako Naalala Ko Yung Battle Of The Brainless Hahahahahaha*

really napunta toh sa nbn after "battle.." in rpn 9 folded up? parang di ata...parang lumabas si chiqui sa national quiz bee eh (buhay pa ba toh?). and yes i remember that kilometrico show ni helen vela i watched it..pero i was very young then...

Battle of the brains, every saturday noon ata, ay labanan ng mga matatalas ang isip sa iba't ibang paaralan mula Grade School, High School, College up to Masters.

Pero walang talagang tatalo sa battle of the brainless kahit bokya sila masayang masaya pa rin ang mga "T@ngang" kalahok

Diba parang after ni Regine naging host din si Bianca Araneta sa Digital LG Quiz?

May pinapanood din ako dati sa Arirang na Quiz Show similar sa Battle of The Brains entitled "Quiz Champion"

iba \*\*\* concept ng Quiz Champion (may isa sila na Quiz Show: The Contenders). \*\*\* format nila ay ubusan ng lahi sa pagitan ng dalawang teams an nagrerepresent ng schools (siyempre dapat English-speaking sila).

----

National Quiz Bee is still televised annually on Studio 23. Matagal-tagal na rin pala ito, stating nung Marcos era...😊😊

Na Recall Ko Ang Batch 1993 Ng Thats..entertainments, Ang Mga Sumikat Doon Ay Sina Ara Mina, Isko Moreno, Maricar De Mesa, Genesis (patricia Javier) , Annamarie Falcon (francine Prieto) , Si Bamba Dating Sikat Na Childstar

The Pinoy Mr. Bean: OGAG

oo lagi kong sinusubaybayan ang battle of the brains kasi laging sumasali ang school namin eh😊 pero pinakamatindi yung alumni ng taga-plm (which is my college) sumali na nung college tapos after he graduated nasa masters naman sya

haha isa sa pinakagusto kong segment ng tropang trumpo ang battle of the brainless...no-brainer pero super saya😊

2 shows yang quiz champion sa arirang pero mas nasusubaybayan ko ang "the contenders"

*Pero walang talagang tatalo sa battle of the brainless kahit bokya sila masayang masaya pa rin ang mga "T@ngang" kalahok*

binanggit ko way earlier in this thread yung episode ng "tropa" kung saan may muntik nang maka-1 point sa "battle of the brainless"...nanghinayang ako dun sa 1 point na 'yun. 😊

si ogie ang original "host" ng "brainless", tapos pinalitan ni smokey manaloto after ogie and bitoy started "bubble gang" on GMA...i personally liked smokey on that segment more than ogie...🤔

Hay... I love this thread! The more I read about the good ol' days of local television, parang gusto ko mag time-travel. So much variety, kahit wala pa tayons cable noon, ok na ok na. at wala pang netwrok wars hehe...

Aside from the local shows that I miss, I suddenly remembered this Nickelodeon hour they used to have on channel 4 which aired around late 80s or early 90s na.. favorite namin tong magkakapatid eh, we never fail to watch it, as it was shown in the morning, with replays in the afternoon. They had shows on rotation, like Pinwheel, Mr. Wizard's World (science), Double Dare, Finders Keepers (my favorite, the one with a large house-like set), Out of

Control (with Dave Coulier), and You Can't Do That on Television... grabe I miss those kids shows!

yeah, long before there was nickelodeon on cable, naaalala ko nga 'yang nickelodeon block sa channel 4... 😊

and for the longest time, i have been trying to recall kung ano 'yung title ng show ni dave coulier doon. 🤖 "pinwheel" 'tsaka "finders keepers" na lang yung naaalala kong mga titles... 🤖

hi sirloin\_steak... just to bring back the memories, I found an episode of Dave Coulier's Out of Control.... The wonders of YouTube talaga, it's scary how childhood memories come flooding back... 🤖

### **KAPAMILYA BALIK TANAW AND TRIVIA:**

Joey vs Willie - The Story Behind Joey's Desperate Move to Defeat Willie

Both Joey De Leon, host of the longest running show Eat Bulaga and Willie Revillame, host of No.1 popular noontime show nationwide in recent years, Wowowee, waged word wars on each other in past. Willie won in the past round of word wars where Joey was suspended in GMA's Startalk and preventing him from commenting in "Wilyonaryo cheating issue". ABS-CBN cleared already the allegation and Willie explained in Wowowee that there was no cheating happened in the contest. Lets go back how did it arrived to this word wars between the 2 hosts.

### **Eat Bulaga's beginnings:**

Eat Bulaga premiered on July 30, 1979 on RPN and hosted by Tito Sotto, Vic Sotto and Joey De Leon with Chiqui Hollman and Richie D' Horsie as co-hosts. It defeated the longest -running noontime show that time "Student Canteen" which was on GMA. Tito, Vic and Joey became co-hosts of Student Canteen before they became main hosts of Eat Bulaga. Student Canteen ended on 1986 and GMA replaced it with "Lunch Date" which was hosted by Randy Santiago, Orly Mercado, Chiqui Hollman, Dennis Padilla, and Willie Revillame

### **Eat Bulaga vs Lunch Date**

GMA's Lunch Date fought fiercely with Eat Bulaga in the ratings. Randy Santiago became really famous and almost defeated Eat Bulaga in the ratings. Randy has this Randy-mania because of his witty hosting and trademark shades.

After the Randy-mania died down, Lunch Date also died down. Lunch Date ended in 1993 and GMA decided to reformat the show to Salo-Salo Together (SST)

### **Eat Bulaga vs SST**

SST (Salo Salo Together) was hosted by Randy Santiago, Dennis Padilla, Smokey Manaloto, Giselle Sanchez, Willie Revillame, and later on Ai Ai Delas Alas and Bayani Agbayani. Some of these hosts were very visible on MTB (Magandang Tanghali Bayan) on ABS-CBN.

For the first time Eat Bulaga was defeated by SST. The show introduced fresh new segments that made the show very successful. SST gave a break to newcomers like Bayani Agbayani. Because of the popularity of the hosts they are visible even in movies and became a contract star of Viva.

### **Eat Bulaga's Move to GMA and Competition with 'Sang Linggo nAPO Sila**

Facing defeat and very low ratings ABS-CBN decided to kick the show out alongside with other shows of TAPE (Television and Production Exponents), the producer of Eat Bulaga. Eat Bulaga was moved to GMA. This made Joey De Leon hate ABS-CBN and maybe prayed for its downfall. ABS-CBN wishes to buy the blocktime of TAPE.

ABS-CBN replaced Eat Bulaga with 'Sang Linggo nAPO Sila, former "Sa Linggo nAPO Sila", a Sunday noontime show on ABS-CBN. When SLNS was moved to Monday to Saturday, ABS-CBN replaced it with ASAP (All-star Sunday Afternoon Party) which was hosted by Martin Nievera, Pops Fernandez, Ariel Rivera, and Dayanarra Torres. ASAP is the longest running Sunday noontime show on Philippine TV now 14 years on the air.

'Sang Linggo nAPO Sila was hosted by The Apo Hiking Society (Jim Paredes, Buboy Garovillo and Danny Javier), Bing Loyzaga, Michelle Van Eimeren, Agot Isidro, Amy Perez, and Roderick Paulate.

When Eat Bulaga transferred to GMA, the show introduced new segments and reformatted the show. It had new hosts too aside from Vic and Joey. This made Eat Bulaga No.1 again. Because of its popularity, Joey De Leon threw dirty jokes on the rival show. Insinuating that ABS-CBN made a mistake throwing them out.

'Sang Linggo nAPO Sila however, got high ratings but it was not as successful as SST. According to some critics, APO's humor were "too intelligent for the average Filipino. The show later welcomed new host from the defunct SST Willie Revillame, John Estrada and Randy Santiago. The trio had a chemistry and became popular to viewers.

### **The Birth of MTB, the Show that Made Eat Bulaga almost fold up:**

Magandang Tanghali Bayan (MTB) was hosted by the popular trio Randy Santiago, John Estrada and Willie Revillame with Bayani Agbayani, Roderick Paulate, Amy Perez, Bentong, Dennis Padilla, Gary Lim, Christine Jacob. Majority of the hosts were also hosts of SST before.

The show got immense support nationwide and got high ratings. Eat Bulaga lost tremendously in the ratings because of the popular trio. MTB had a famous segment called "Pera o Bayong" which even had a movie.

Eat Bulaga people meanwhile ran out of ideas to put back the show to its former glory. There were reports that Eat Bulaga will fold up. The show was saved by the popularity of the girl group Sexbomb and made Eat Bulaga garnered ratings. The girl group failed to topple MTB down.

MTB host had controversies and was suspended many times because of green jokes Willie cracked on Calendar Girls contestants.

In 2003, Willie Revillame was kicked out of the show and it was reformatted to Masayang Tanghali Bayan. Willie's popularity made ABS-CBN to offer Willie host Wowowee in 2005. But before that, Willie contemplated on the mistake he made in the past. He hosted Willingly Yours, public service program on ABS-CBN.

### **Wowowee vs Eat Bulaga:**

Wowowee premiered February 5, 2005. Wowowee is a noontime game show completely different from Eat Bulaga's format. Because of its different format, Wowowee garnered ratings and took over Eat Bulaga in nationwide ratings, Wowowee became popular to OFWs who have TFC (The Filipino Channel).

Until now, Wowowee is the No.1 noontime show in the Philippines. Eat Bulaga was forced to reformat and formatted the same as Wowowee's format.

MY COMMENT:

Joey De Leon's hatred for ABS-CBN grew to the years. This history above is a living proof of Eat Bulaga's losing popularity. This is also the reason why I think that Joey De Leon is so desperate to attack Willie Revillame and Wowowee. Matagal na kasi nasa No.1 ang Eat Bulaga thru the years. They cannot accept the fact that a game show with only one main host will defeat a noontime show which is an institution. **Since Wowowee's premiere last 2005, Eat Bulaga failed to overtake Wowowee in ratings Nationwide.**

Joey De Leon is ruining Eat Bulaga's image. Attacking ABS-CBN talents like Kim Chiu, Piolo Pascual, Yeng Constantino, Korina Sanchez, and now Pokwang is not the solution. **Pride nalang ang ipinaiiral ni Joey.** He knows that he is lost. **His other programs are not also doing good in nationwide ratings.**

This has been the longest time that Eat Bulaga is in losing streak. Wowowee turns 4 in 2009 and 4 years in No.1. I hope Joey De Leon could accept defeat and bow out in noontime shows. 😊

Nick on RPN, I mostly remember them airing Wild Thornberrys and As Told By Ginger tuwing 5-6 ng gabi (?) before eventually moving to Ch.5 as Nick on ABC/TV5. Spongebob didn't air on RPN since Studio 23 was airing it but when Nick moved to ABC, nasama na line-up nila ang Spongebob plus then-new series Avatar and Danny Phantom.

medyo kalat-kalat pa ang mga nick shows sa iba-ibang networks before nick finally moved to ABC...there were those shows you mentioned above that were on RPN, "spongebob" on studio 23, and "blue's clues" and "dora the explorer" on GMA...

now on to another TV memory...

long before "sharon", and a few years before "the sharon cuneta show", the megastar had her own musical-sitcom called "okey sha!" on city2 (BBC), written by the great ading fernando (who also played the dean) and directed by al quinn...sylvia la torre, tony carrion, teroy de guzman, bernardo bernardo and yayo aguila were among her co-stars...

from the wonderful world of youtube (specifically, from VSPRODUCTION), here's a glimpse of what "okey sha!" was all about (with the show's very special guest for that episode, gabby conception):

<http://www.youtube.com/watch?v=nYIDZSBJWuc> - part 1 (including the program bumper and the show's OBB/intro)

<http://www.youtube.com/watch?v=4eCxaNV1GtU> - part 2

<http://www.youtube.com/watch?v=jELHE5zAXXY> - part 3

(and hopefully, ma-upload pa ni VSPRODUCTION yung natitirang part ng show... 😊 )

kakaenjoy itong thread na to! ang daming memories!! at ang daming trivia..

share ko lang \*\*\* mga naaalala ko.. well, additional lang since madami ng namention..

starbrighters hosted by boy de guia sa channel 2 na ipantatapat sana sa that's entertainment pero di kinaya..

tipitipitim-tipitom na show ni susan at eddie gutierrez sa channel 9

\*\*\* pagpapalabas ng mga trailer sa hapon sa channel 13 ata

tvj ng tvj sa channel 13 (i think dito nagstart \*\*\* barong na may biyak sa likod)

penpen de sarapen of channel 9 every saturday morning na pantapat ata sa uncle bob ng 7  
sea quest (or was it sea hunt?) every afternoon sa gma (before that's entertainment  
mongolian barbecue on channel 13..

and i remember pa un stop! child abuse ni precious hipolito sa channel 2 every sunday..

pandakekoks every saturday sa gma

it's a date ni plinky recto sa channel 9

- alam ko sa channel 4 'yang "starbrighters" noon...i didn't watch it much, pero as far as i remember, sa channel 4 siya...

although boy de guia actually did a show on ABS for a short while, a daily showbiz program called "cinema scoop", with manay lilit solis...5 or 5:30pm siya pinapalabas noon, right before "TV patrol" (so, in essence, parang katapat na rin siya, timeslot-wise, ng "that's...", which by then was from 5-6pm...hehe!)--and originally, that show (and their tandem) was on IBC-13 as simply "scoop" around 1986 or '87, which took over the timeslot vacated by "see-true" (which, as a lot of us know, transferred to GMA).

- naaalala ko 'yan, si ernie barong (played by vic sotto), "may biyak sa likod"...sa segment na "coconut news ngayon" 'yan sa "TVJ"...🤔

- "penpen de sarapen"...oo, katapat nga ng "uncle bob's..." 'yan...looking back, the "lucky 7 club" was more for the upper and middle-class kids (with all the imported toys mostly from SM toyland--sponsor nila noon), while "penpen" seemed to be more "pang-masa"...

ayan, bigla ko tuloy naaalala yung "star smile factory" naman (originally from ABS-CBN, pre-programming ng "eh kasi, bata!" at "ready, get set, go!", tapos lumipat sa RPN--kasunod siya ng "penpen", and right before "chibugan na!"), hosted by subas herrero. 🇵🇭

- sino pa ba 'yung bida noon sa "pandakekoks"? ang naaalala ko lang, si niño muhlach 'tsaka si keempee de leon, eh. 🇵🇭

- 'tsaka yung "it's a date"...that was on sunday nights...may co-host/segment host d'yan si plinky recto na fil-am--this guy named tom lupton (if my memory serves me right)...they called him "mr. uzi man" on the show (i don't know why)...

my mistake on the starbrighters.. 😊 channel 4 nga pala.. hehehe

pero di ba channel 2 had their set of teen stars nun? \*\*\* baliw na guy sa anna luna is from that eh.. si william lorenzo ba siya? i remember their commercial na nagfaflash \*\*\* iba-ibang faces...

\*\*\* scoop parating inaabangan ng lola ko dati.. btw, di ba there used to be a pre-lunchtime show ang channel 13? the one which had regal stars as host..

wag mo din kalimutan \*\*\* babyland as sponsor ng uncle bob.. same with nova fontana.. hehehe

i think herbert bautista completed the "pandakekoks" trio..

correct me if im wrong pero didn't family kwarta o kahon start as a saturday show around 6pm ata na pinalitan ng super swerte sa nuwebe.. alu camua pa ata \*\*\* girl dun with joey de leon as host..

and you're right about the fil-am.. not sure nga lang if it's tom or tim.. pero parang tom nga ata..

- tama...four years before ABS formally began its talent center (now star magic) with "ang TV", meron silang "discovery '88"...william lorenzo was probably with that group...ang pinaka-naaalala ko lang na mga pangalan dun were maan dionisio (who now lives here in toronto, according to my tito) and amy godinez (who later became a newscaster for ABS and IBC-13). and for those new talents they had at that time, may weekly drama anthology sila noon entitled "discovery drama theater" on sunday afternoons...

- "regal family" yung lunchtime show na 'yun produced by regal and IBC...that was the time na kaliwa't kanan ang mga TV shows produced by regal, viva and seiko...si rudolf yaptinchay nga lang yung naaalala ko dun sa mga host nila. 😊

- oo nga pala...babyland and nova fontana were also toy sponsors for "uncle bob's..."...pinaka-naaalala ko lang talaga yung SM toyland kasi laging may commercial nun during the show...

- i'm not sure how the post-EDSA "family kwarta o kahon" started out (kasi naabutan ko na siya as a sunday show na katapat ng "GMA supershow" and later, "sa linggo nAPO sila" and "ASAP", for the longest time, before it went off the air)...but yes, i also do remember joey de leon's "super suerte sa 9"--friday nights nga lang siya, around 8:30 or 9pm 'ata...it was sponsored by PCSO...

eto pa, nakita ko sa pag-goo-google (dahil...wala lang)...

some old TV show ads from around the early '80s (i'm assuming, around 1980 or 1981), taken from <http://nostalgiamanila.blogspot.com>...galing siguro 'to sa TV times magazine (which was THE official TV guide mag of the '70s and '80s)...

-ad para sa premiere ng "lovingly yours, helen"...if my eyes get this correctly, the text, which is probably in helen vela's own handwriting, reads:

*"dear friend,  
bringing you this radio program on television has long been a dream.  
with your invaluable support, it cannot fail."*

(and fail the show did not--tumagal ito ng halos 15 years--even extending 'til after helen vela's death, with princess punzalan, and later, boots anson-roa, taking over)

[http://i87.photobucket.com/albums/k144/nostalgiamanila/features/kg\\_seeingstars.jpg](http://i87.photobucket.com/albums/k144/nostalgiamanila/features/kg_seeingstars.jpg)  
- another weekend evening fixture during the '70s and '80s, "seeing stars with joe quirino"...

[http://i87.photobucket.com/albums/k144/nostalgiamanila/features/kg\\_spinawin.jpg](http://i87.photobucket.com/albums/k144/nostalgiamanila/features/kg_spinawin.jpg)  
- "spin-a-win" with jeanne young, ang show na unang nakatapat ng "germspesyal"/"GMA supershow" ni kuya germs, when he moved down to the sunday noon slot...

i first caught this on star world (when it was still called star plus), noong una kaming magkaroon ng cable in the late '90s...and my sibs and i got hooked...i loved the whole concept of the game... 😊

Naipalabas ba dito \*\*\* "The Wonder Years"? Si Pandaemonium the mod, nabanggit niya ang show na to sa isa pang thread.

----

usapang cable muna ako:

I know sometime ten years ago Sky Cable (or at least \*\*\* cable carrier namin na affiliate ng Sky) eh nagke-carry na nang Cartoon Network.

That time though wala pang Philippine feed kaya ang \*\*\* feed na galing Hong Kong ang nakukuha natin.

One of my fondest memories about the channel is that i used to watch The Popeye Show every 9pm bago magsign off ang CN (TNT usually takes over from 9pm to 5am), and The Bugs and Daffy Show every weekends. Afternoons are filled usually with reruns and an early afternoon block called Power Zone which aired shows like "SWAT Cats" and "Ninja Robots" (and that other show about 3 guys wearing armors that can be attached with specialized parts and weapons).

There was also a time na there were two CN feeds carried by Skycable, CN Hong Kong and CN India. It was a bit confusing and annoying lalo pa't either of the two aired the newest shows the earliest. During this times, shows like the New Adventures of Jonny Quest (which also aired on ABC-5) and Crocs (about Aussie humanized crocodiles) were aired.

Siguro by 2000 or 2001, Cartoon Network Philippines was finally established as a separate feed (but prior to this, contests conducted by CN would sometimes show Philippine viewers the PO Box address of Makati PBO separately instead of including it along with those from other Asian territories). Around 2000, the first CN Philippines show (kumbaga unang exclusive sa feed natin) is an interactive show called "Toon Tambayan".

CN's all-time popular shows here would probably be Dexter's Lab, Cow and Chicken (whose first episode aired here was the controversial "cigarette smoking" episode that gained criticism in the US), PPG and Courage The Cowardly Dog. All of which first premeired as 5 minutes shorties in What-A-Cartoon-Show which was a predecessor show to Nickelodeon's Oh Yeah! Cartoons

I guess that's all I can tell for now! 🇵🇭

*Naipalabas ba dito \*\*\* "The Wonder Years"?*

on local free-to-air TV, yes...courtesy of GMA. 😊  
tuesday or wednesday nights 'ata ang "the wonder years" before. although i'm not totally sure now...

and back to the subject of cable...i remember when sky-CCNI (the former skycable affiliate in southern metro manila--las pinas, paranaque and muntinlupa) had one of those spare channels that occasionally showed some US home shopping infomercials, and at one point, a live feed of "today" (sina matt lauer at katie couric na noon ang tandem) everyday, complete with US commercials pa...i forgot, though, what happened to that channel...

yun din yung panahon na sky had their original "power bundle" of "in-house" local channels: i-channel (which was full of kiddie shows at daytime and youth/family-oriented dramas and comedies at night), sky 1 (later pinoy blockbuster, now cinema one) and, if i'm not mistaken, sky movies...lahat ng mga channel ID nila had the same 6-note music signature (the same way sister company ABS-CBN has one)...

now, of course, the "power bundle", i believe, is composed of ANC, myx and cinema one (someone please correct me here if i'm wrong)...🇵🇭

*THE CRYSTAL MAZE on RPN9 i think... sunday afternoons... heheh*

i too first saw this on cable and got hooked din.. how does the final challenge happen nga? if im not mistaken, every crystal is worth 5 seconds..

yun yung nasa loob ng crystal dome yung buong team, collecting as much gold tokens inside more than silver tokens within the time allotted to them (by the number of crystals na na-collect nila)...ang goal nila dapat in the end was that they're supposed to have 100 more gold tokens than silver tokens (kasi the silver tokens "canceled out" the number of gold

tokens the team gets) para manalo ng premyo (which according to wikipedia were "once-in-a-lifetime adventure holidays)...

i hated the final challenge... heheh... it was so pointless to me... i stopped watching after the primary challenges... those rocked!!!

with all their stages... awesome!!!

and anyone remember Legends of the Hidden Temple... its like a kiddie version of Crystal Maze.

*and anyone remember Legends of the Hidden Temple... its like a kiddie version of Crystal Maze.*

si olmec (yung nagsasalitang ancient statue)? 🤔

mas gusto ko pa noon yung "global guts". hehehe...memories of the first broadcast of nickelodeon (as a cable channel) sa pilipinas... 🇵🇭

i found global guts so cheesy! pero pinapanood ko pa din!! 😊

btw, \*\*\* old nickelodeon sa channel 4 nun, may show na parang medyo ganyan din ang concept.. fun house ba un? the one which had british knights as footwear sponsor.. they collect flags sa course ata or coins.. and i also like double dare din sa nick nun.. dare, double dare, physical challenge.. 😊

CPI's Power Bundle:

CinemaOne (formerly uncut commercial free Pinoy Blockbuster Movies, I still remember its weekend kiddie block "Pinoy Kids")

Lifestyle Network (Its logo was CPI's most intact which lasted about 10 years before eventually revamping itself brought by changes in programming due to the migration of some of its shows to Velvet).

Myx (Created through the merging of Vid-OK and Myx on 23, now expanded into two separate channels, Myx Philippines and Myx North America)

HeroTV (first all-Filipino language anime channel, expanded into an anime block in TFC)

Maxxx and Velvet (men's and women's channels respectively, created to compensate for Sky Cable's loss of several Solar Channels)

----

ANC is not part of CPI Power Bundle though as well as DZMM Teleradyo, and Knowledge Channel (ABS-CBN Foundation).

----

Fave program ko in Knowledge Channel bukod pa sa ETV shows, ay "ZOOM".

*btw, \*\*\* old nickelodeon sa channel 4 nun, may show na parang medyo ganyan din ang concept.. fun house ba un? the one which had british knights as footwear sponsor.. they collect flags sa course ata or coins.. and i also like double dare din sa nick nun.. dare, double dare, physical challenge.. 😊*

that would be "finders keepers"... 😊

"fun house" was a different show (although mga physical challenge 'tsaka mga games na may slime o basaan din)--sa ABC-5 'yan pinapalabas noon (before "balitang-balita", if i'm not mistaken), during the network's first couple of months after it reopened... 😊

got them mixed up.. im actually talking about fun house.. i "youtubed" it kanina.. and thanks for mentioning finders keepers.. like ko din ang show na un.. will spend the day watching old vids!

During this times, shows like the New Adventures of Jonny Quest (which also aired on ABC-5) and Crocs (about Aussie humanized crocodiles) were aired.*

*Siguro by 2000 or 2001, Cartoon Network Philippines was finally established as a separate feed (but prior to this, contests conducted by CN would sometimes show Philippine viewers the PO Box address of Makati PBO separately instead of including it along with those from other Asian territories). Around 2000, the first CN Philippines show (kumbaga unang exclusive sa feed natin) is an interactive show called "Toon Tambayan".*

*CN's all-time popular shows here would probably be Dexter's Lab, Cow and Chicken (whose first episode aired here was the controversial "cigarette smoking" episode that gained criticism in the US), PPG and Courage The Cowardly Dog. All of which first premeired as 5 minutes shorties in What-A-Cartoon-Show which was a predecessor show to Nickelodeon's Oh Yeah! Cartoons*

*I guess that's all I can tell for now! 🇹🇼*

Wow. Nagka-Cartoon Network na ko since 1996. 5 years old pa lang ako nun.

Yung sa Power Zone show na 3 lalake, **Centurions** ang title nun.

Dati-rati, pinaka unang palabas tuwing umaga yung Josie and the Pussycats back-to-back

with Perils of Penelope Pitstop, tapos kasunod ang Popeye at Scooby Doo, followed by the Mask (on 8:00am), then Dink the Little Dinosaur, Heathcliff, Flintstones Kids, etc....  
hahahaha

Nakakatakot yung first episode ng Courage Cowardly Dog, yung may chickens, na parang may weird na eggs. 😊

^yup, medyo freaked out ako sa episode na yon ng Courage. Siya actually iyung pinaka-unang "What-A-Cartoon Show" episode na napanood ko noon. CN used to show their time skeds of their shows then too.

**si Sarah Geronimo Ang Unang Nanalo Ng One Million Sa Mga Singing Contests Nung 2003..... First Time Ever Na Magbigay Ng Ganong Premyo ... Star For A Night... Bukod Kay Sarah... Co Finalist Nya Sina Mark Bautista, Mau Marcelo, Mae Flores Etc. Etc...**

*it's funny how things turned out sa mga stations ngayon.. channel 9 used to be the all pinoy shows sa primetime and gma 7 ang halos foreign (golden girls, murder she wrote, knots landing, small wonder)*

yah i remember,one of my fave, ANG MANOK NI SAN

Lifestyle Network's Food Network block had one of the best cooking shows aired here, East Meets West. Plus Molto Mario and Red Hot Tamales.

*some old TV show ads from around the early '80s (i'm assuming, around 1980 or 1981), taken from <http://nostalgiamanila.blogspot.com>...galing siguro 'to sa TV times magazine (which was THE official TV guide mag of the '70s and '80s)...*

may food network block pa rin ba sa lifestyle ngayon, james?

favorite ko rin dati yung "east meets west", 'tsaka yung "food 911" ni tyler florence (who later came out with "tyler's ultimate", which is still on air--at least sa food network dito sa canada), "unwrapped", "sweet dreams", 'tsaka siyempre, ang "30-minute meals" ni rachael ray (especially the older episodes shown in the philippines noong mas payat pa siya nang konti at 'di pa sumisigaw 'pag nagsasalita. haha!)...🇹🇼

oo! ang kulit nung mga aprons, may mga kung anu-anong kalokohang quote palagi. haha! 🇹🇼

Meron pa ring Food Network as well as HGTV. They added a new block called Spotlight (replacing ETC) which consists of lifestyle shows coming from Style, E etc. like "How Do I Look?", "E! True Hollywood Stories", and The Early Show.

Some shows like E! News were either moved to fellow CPI Powerbundle channel Velvet, or it is now being exclusively shown on ETC on SBN 21.

ito 'ata yung stephen yan cookbook na meron kami sa bahay when i was younger...🇹🇼

bakit ginagawang matinee idol si gabby e mukha na syang tatay ni diether sa iisa pa lamang

on Wok with Yan, I think I do remember that show. May isa, nanay yata ni Ming Tsai ng East Meets West, na may hinohost nang isang Mandarin-language cooking show na ineere noon until sometime last year(?) sa RPN-9 every weekends, without English subs. 🇹🇼

Speaking of RPN-9, who could forget those Japanese video-topic series aired every 1 in the afternoon? Sa IBC ngayon me pinapalabas rin na ganon (na inawardan pa hanggang ngayon ng Anak TV Seal) pero iba na \*\*\* contents.

oo, yung "japan video topics"...i liked watching those mini-docus...ilang years ding naging filler sa RPN 'yun...pero i also remember them being fillers as well on ABC back when they were still doing their test broadcasts (late 1991 until february '92, when they formally [re]opened)...🌐

ibang program naman yung sa IBC na binigyan nung "anak TV seal". more on the environment 'ata ang mga topics nun...

Fascinated ako palagi sa mga pinapalabas nila sa video-topics nila. Doon ako na-introduced tungkol sa Japan, sa bullet train nila, sa Tokyo, Mt. Fuji, and Okinawa. Fave part ko iyung katapusan, \*\*\* me malapad na globe na umiikot at may nakasulat sa gitna na nakalagay ay:

One Canadian TV show na baka alam mo Dan:

Black Hole High a.k.a. Strange Days at Blake Holsey High.

First aired as a Tagalog-dubbed show aired every Saturdays before/after Power Rangers Wild Force (We're already behind several seasons from post-Might Morphin' to Time Force). Branded siya as one of ABS-CBN Foundation's ETV shows because of its educational content (which somehow goes well with the freaky dark tone of the show.

It stars Canadian actors you may know from past shows like Emma Taylor-Isherwood (who appeared in several episodes of Are You Afraid of the Dark?), Shadia Simmons (bestfriend ni Sadie sa Naturally Sadie), Michael Seater (Life With Derek), and Robert Clark (The Zack Files, I remember this show when it used to air on Fox/ABC Family. His show was the inspiration behind my Multiply site :P).

Kainis nga lang when it was still airing in ABS, out-of-order siya pero kahit papaano nagegets ko iyung series storyline nito, \*\*\* nga lang random episodes coming from the show's three season madalas pinapalabas.

Its last episode aired on ABS was the cliffhanger episode where Josie's clone returned, now

as a Guardian, froze time and took Josie's Qigong Ball. (That was from Season 2 though).

Fortunately, Black Hole aired again on Disney Channel kaso sa isang late timeslot nga lang. Ang inaabang ko na lang eh iyung series finale nito na ginawang 3-part episode para kahit papano mabigyan ko na srili ko ng closure sa show at para di na mabitin.

I got more than i bargained for, nalaman ko rin iyung tungkol sa tatay ni Josie rin eh! Saya!

parang naaalala ko yung "black hole high", although i think that was shown around 8-ish or 9-ish in the morning on ABS (and i do remember having seen that show 'pag naka-channel 2 yung TV ng bus na sinasakyan ko pauwi ng batangas from cubao during the weekends)...although, now that you've mentioned some of the cast members, ang kilala ko lang d'yan, si michael seater ("life with derek")...tsaka, di ba si jasmine richards (who's in "camp rock") yung isa sa mga best friends ni charlotte arnold sa "naturally sadie"? 🤔

yeah, i haven't been too long here...hehehe! 🤖

I've seen too much of Shadia Simmons baka napagkamalan kong siya nga yun 🤖

^No wonder, ka-tsetsek ko lang...Kaya pala Shadia was all too familiar, she in Life with Derek, The Zack Files, and Disney Channel's Zenon The Zequel.

My bad on Naturally Sadie

*natatandaan ko rin 'yan...ang alam ko, pinalabas 'yan habang "off-season" ang "knots landing" (which was another series my titas loved--as in tigil ang mundo every monday night at 9)...*

*speaking of "knots landing", natatandaan ko pa 'yung opening theme nito halos note-for-note--especially the '90s arrangement na may pagka-jazzy na...*

*i also remember "china beach" starring dana delany...this was another "off-season" replacement for "knots landing", if i remember right...kung hindi man, this was pre-programming to "knots" or "tour of duty" (basta monday rin 'to)...ang opening theme nito was a song from the supremes...i'm just not sure kung war din ang setting nito...*

<http://i35.tinypic.com/zirvk5.jpg>

the 14 seasons of Knots Landing (1979-1993):

Season 1 (1979-1980)

Season 2 (1980-1981)

Season 3 (1981-1982)

Season 4 (1982-1983)  
Season 5 (1983-1984)  
Season 6 (1984-1985)  
Season 7 (1985-1986)  
Season 8 (1986-1987)  
Season 9 (1987-1988)  
Season 10 (1988-1989)  
Season 11 (1989-1990)  
Season 12 (1990-1991)  
Season 13 (1991-1992)  
Season 14 (1992-1993)

enjoy! 😊

*bakit ginagawang matinee idol si gabby e mukha na syang tatay ni diether sa iisa pa lamang*

... eh ikaw ba't nandito ka..?

dapat nasa palengeke ka na ah...

yung labada mo... nasampay na...?

mwahahahhaahahahahahahahahahahahahahahahah

yes..."it's a deal" nga...kasama nya si Mark Gil at that time. They play as roommates in a boarding house at that time...funny show..sana may re-runs!

100 Deed of Eddie McDowd on ABS and Studio 23 naalala ko sayang nga lang at di umabot sa 100 good deeds iyung bida kasi kinansel ng Nick \*\*\* series kaya nabitin ako nung di siya tinapos.

Speaking of Studio 23, I remember they aired reruns of Bewitched and I Dream of Jeanie around 8:30/9:00 am after In Fitness and In Health which was hosted by Tina Juan and/or Breakfast and just before Myx on 23.

Sana ipalabas uli nila iyon 😊😊

thanks to sharon cuneta guesting on "walang tulugan with the master showman" for german moreno's birthday, and suddenly reminiscing about her "GMA supershow" days with jackie lou and, of course, kuya germs, nalaman ko na at naalala yung lyrics sa unang part ng unang theme song ng "GMA supershow" (back in the '80s and early '90s):

there's a feeling every sunday  
you can't explain, you wonder why  
you'd rather be in front of the TV  
having lunch with the whole family...

songs and dances, fun and laughter  
celebrities and superstars...

(\*\*at itong part na 'to, 'di na maalala nina sharon at jackie lou, o kahit ni kuya germs mismo...incidentally, this is the only part na naiintindihan ko sa theme song nila noong bata pa ako...🤔\*\*)

there's something special for one and for all  
on the GMA supershow...

'di ko ikakaila, lumaki akong nanonood ng "GMA supershow" every sunday, ha! 🌍

Guide to Urban Living with Daphne Osenia airs once a week on Studio 23. It's a show where Daphne showcases the best places to eat and relax as well as giving lifestyle tips.

It paved the way, accdng to Leo Katigbak, to ABC-CBN's "F". This time, Daphne is joined with Angel Aquino and now KTLA news anchor Cher Calvin. Eventually Cher returned to the US so she was replaced by the equally voluptuous Amanda Griffin. The show lasted for 8 years including the years they spent in Studio 23 when they moved from Saturdays at 11pm to Sundays at 8pm. Some of the restos they visited napuntahan na namin gaya ng Queen(?) sa Jupiter St., Makati, another Indian resto in Tomas Morato(?) near the LRT2 line and another one near the main office of Prudential Bank.

After F, Us Girls took over leaving Angel from the F trio intact, but is now joined by Iya Villania and Cheska Garcia. No news yet about Amanda (I heard she was hosting a travel show on QTV) but Daphne had for the past few years hosting two shows of her own, Urban Zone on ABS and Proudly Filipina on QTV (She left the latter since she wants to spend time more with her kids and having two shows is taking away quality family time for her).

The best talaga tong thread na to..... Pinakamatino dito sa GM&TV Thread.....

Ano nga po pala yung name nung show sa ABS every Saturday or Sunday Morning.. yung may host na girl then maraming kids na naglalaro lang mga toys? Naaasar ako dun kasi naiinggit ako sa mga toys nila.....

Naaalala nyo pa ba ang Mother and pioneer of all TV-Shopping shows sa bansa..... walang iba kundi ang Home TV Shopping ng RJTV-29 😊

May Product number pa para reference code kung oorder ka..

Cartoons! Cartoons! sa CTV-31 and RJTV-29..... Miss ko na yung mga blac-and-white cartoons nila Betty Boop, Felix the Cat, yung Bouncing Ball at kung ano-ano pa.....

Tsaka pala yung mga cartoons ng ABC-5..... HuckleBerry Hound, RoadRunner, The Three Stooges.....

Then, nanood din ako ng Asia Business News sa ABS-CBN nung bata pa ako... host pa si Coco Quisumbing.. Proud ako pag tumataas ang Philippine Stock Exchange and Philippine Peso (kala mo sports lang eh) hehehe..... Yun lang yung part na inaabangan ko..... yung mga stocks ng Asian countries.. during that time, time ni FVR, laging pataas ang peso at ang PSE.

Sino pala yung host anchor ng Studio 23 na nasa Fox News Channel na yata ngayon? Si Maria Ressa, kala ko dati Indonesian, kasi laging nasa Jakarta (yung pala dun yata ang CNN news Bureau HQ).. Pinay pala sya..  
Si Rico Hizon, dati nasa CNBC ngayon BBC na..

HINDI SI MARK GIL ANG NASA ITS A DEAL... SI MICHAEL DE MESA AND ALMA MORENO ...

*Sino pala yung host anchor ng Studio 23 na nasa Fox News Channel na yata ngayon?

hmmm...as far as i know, there's one former studio 23 anchor who's now in a fox station in seattle, washington (KCPQ-TV)...tina arcega, who was one of the original "news central" anchors (alongside mari kaimo), is now co-anchor of the station's morning newscast--she is known there as maria arcega-dunn. 😊

*Naaalala nyo pa ba ang Mother and pioneer of all TV-Shopping shows sa bansa..... walang iba kundi ang Home TV Shopping ng RJTV-29 😊*

of course...ang original "home tv shopping" ng RJTV--perhaps one of the few home shopping shows that fielded its own hosts...ang naaalala ko na lang na mga naging hosts

nila rito, though, were sonny cortez (who was, as i learned later, a singer and movie star back in the '70s) and RJ jacinto's own daughter, bea...

they ran US-made infomercials, too, under their banner "home tv shopping deluxe edition", alternating with the in-house-produced show...

I remember those 1-2 hour cartoon marathon of CTV 31 and RJTV. RJTV used (if I could remember correctly) to air oldies cartoons like Popeye, Merry Melodies and Looney Toons while 31 aired cartoon-shorts and those sing-along shorties as well ("Now follow the dancing ball...").

It was RJ and CTV that introduced me to such classic children's shows like The Three Stooges, Little Rascals, and Charlie Chaplin right before I discovered the wonders of cable.

Umiiyak ako palagi kapag tapos na iyung noontime cartoon marathon ng RJ especially when they aired the closing credits with a blue to green field hanging in the background. (And that's where I switch to channel 9 for my usual dose of Japan Video Topics)

If I could remember it right, RMN owned Channel 31 right? They also aired programs from E! kaso di rin siya nagtagal.

Bump here!

I just recently watched the NewsWatch and here's my question, is the current theme of the NewsWatch was used before?

meron pa bang rjtv29 saka ch 31?

hahahahaha itong si kuya germs kulang sa pansin, masyado nang makaluma, pati ang walang tulukan bulok na ang stay!

i remember this show - **FOR KIDS ONLY!!!** ANG TITLE NUNG SHOW IF I'M NOT MISTAKEN

^^

Nag-RPN rin yan. Saturday at 9am yata tapos lagi sa Storyland (ba yon??) sa SM Southmall. Anganda ng host ha!

BTW, any memories of Bubble Gang?

sirlain\_steak, sagot ka naman.

Sino ang nakakaalala ng parang local version natin ng Are you Afraid of the Dark na ineere weekday early afternoons sa RPN?

Atsaka every sunday, isang show tungkol sa dalawang payaso na nakakatakot \*\*\* itsura.

Teka, may nakatatandaan ba ng **HORROR episodes** ng **Brigada Siete** at **MAGANDANG GABI BAYAN**?

yes of course, di kami makatulog ng ate ko sa sobrang scary ng mga episodes hehe, pagmatutulog na kami ayaw namin patayin yung ilaw

naalala ko naman sa bubble gang yung:

MULA SA BAUL!

"5 and Up" episode featuring the "graduation" of Atom Araullo and Chynna Ortaleza, aired over GMA 7 in 1997. the video also features a very young Maxene Magalona. 😊

<http://www.youtube.com/watch?v=UdIjzsYoTlw>

some of the well-known "5 and Up" alumni:

- \* Atom Araullo - now a reporter for ABS-CBN
- \* Chynna Ortaleza - now an actress
- \* Maxene Magalona - now an actress
- \* Rayver Cruz - now an actor
- \* Rodjun Cruz - now an actor
- \* Frances Fleta - the current "face" of the UP Pep Squad
- \* Jessica Gallegos - now a print and TV model

Chikiting Patrol alumnae Maviel Gonzales is now a sophomore in Ateneo de Manila U

marami ding istasyon na pinanggalingan ang Chikiting Patrol. if i am not mistaken, naipalabas sa ABS-CBN at sa GMA ang Chikiting Patrol. ?

also, di ba meron ding Junior TV Patrol at Junior Newswatch noon? ?

yep, "for kids only" was hosted by april marcial-stewart--who was, prior to that, one of the first female co-hosts of "the new uncle bob's lucky 7 club" starting in the late '80s until it folded up...incidentally, "for kids only" was produced by RFS enterprises, the same production company behind "uncle bob's..." in the '80s (which was, as a lot of us remember, on GMA--the station that uncle bob himself started)...

one of the original kiddie cast members there was a young aubrey tan, who would later become a commercial model, and eventually, mrs. juan miguel zubiri...

april marcial-stewart also hosted a "revival" of sorts ng "uncle bob's..." in the mid-'90s--by then, it was called "the new uncle bob's children's show"--on RPN.

tama..."chikiting patrol" was also shown on ABS, then ended up on GMA until it folded up...

at tama uli, may "junior TV patrol" at "junior newswatch" (the latter recently revived as a part-reality show, part-kiddie news mag, hosted by little man guile)...

"junior TV patrol" was shown sunday afternoons before "mel & jay"...doland castro, who was "lead anchor" of the group, is of course with ABS-CBN now as crime reporter..."junior newswatch" also had famous "alumni" like rina reyes (daughter of TV host/actress baby o'brien at apo ng '50s actress na si paraluman) and dolly anne carvajal...

after GMA, it was last aired on ABC although the last few days of its run were mostly reruns with the audition promo hosted by a then 10 to 12-year old Maviel inviting those who wanna be a part of the show.

Nga pala, Whenever I watch the opening of chikiting patrol their logo would always remind me of Jollibee (then again, isa to sa mga sponsors ng show until the very end).

I'll ask maviel if you guys wanna see recent pics of her and the old chikiting patrol gang when they had a reunion party last year.

uhm okay...she has two albums, each on her two separate multiply accounts. Isa is when she was 8 years old and pretty much active and the other was pics of her and the gang when they were featured last year n Sapulso on QTV-11.

A few years ago, she was one of the first MYX VJ for a Day hehehe.

j5bata: Jollibee was, perhaps, the most solid corporate sponsor that Chikiting Patrol had then. up to the very end, Jollibee never left CP.

speaking of CP, if i can remember it correctly, Pinggoy Generoso was the show's director. currently, Pinggoy is doing some ABS-CBN shows, mostly under the News and Current Affairs Group.

ka-campus sirloin: si Aubrey Tan ay naging part ng The New Uncle Bob's Lucky 7 Club? 🤔

hindi ko na matandaan ang Junior Newswatch. i could not even remember Rina Reyes and Dolly Anne Carvajal doing Junior Newswatch then, although Dolly Anne became better known as one of the hosts of The New Uncle Bob's Lucky 7 Club.

if there was a Chikiting Patrol reunion on Sapulso last year, perhaps it would not be that bad if there will be a 5 & Up reunion, maybe on The Beat (the current incarnation of Sapulso). we're all curious as to what the 5 & Up members save for the relatively better known ones (Atom Araullo, Chynna Ortaleza, Maxene Magalona, Rayver Cruz, Rodjun Cruz, Frances Fleta, Jessica Gallegos) are up to nowadays. 😊

j5bata: friends kayo ni Maviel? 😊

*after GMA, it was last aired on ABC although the last few days of its run were mostly reruns with the audition promo hosted by a then 10 to 12-year old Maviel inviting those who wanna be a part of the show.*

ay, salamat sa correction, jaime...sa ABC nga pala natapos ang "chikiting patrol". 🇹🇩

BK, hindi ko rin naabutan yung original na "junior newswatch" in the late '70s/early '80s, pero reading up on stuff about that show, that's how i gathered na dolly anne and rina reyes were among the original anchors (another one being one of the uytengsu brothers--michael

'ata 'yun)...but yes, you are correct na dolly anne first resurfaced on TV as a grown-up by hosting "uncle bob's..." until it ended its GMA run. 😊

also, aubrey tan wasn't part of "uncle bob's...", since wala naman silang mga kiddie hosts doon...😊

ka-campus sirloin: so where was Aubrey Tan's first "assignment?" ? 🇹🇼

perhaps i would consider 5 & Up as the most successful youth-oriented news magazine show on Philippine TV. iba talagang mag-develop ng palabas sina Cheche Lazaro. the roster of successful alumni proves 5 & Up's success in bringing kids into the newsroom (well, sort of). 😊

ka-campus sirloin: so where was Aubrey Tan's first "assignment?" ? 🇹🇼

yung "for kids only" was aubrey's first TV show...if i remember right, she was the oldest pa nga sa mga "alaga" doon ni "tita april"...somehow, i forgot to mention that to aubrey when she became my classmate years later sa ADMU (she was a batch higher than me, though)... 😊

just a little note: since "tita april" was already credited during the time of "for kids only" as april marcial-stewart, that leads me to think that she ended up marrying her "uncle bob's..." co-host, jodie stewart (uncle bob's son, who took over his dad's show in the '80s after he formally bowed out of TV)...wala lang, napaisip lang. 😊

Maviel's my batchmate from grade school until our graduation last year. She's a sophomore donning the Blue Eagle cape.

ka-campus sirloin: teka, ganun na ba talaga katagal yung "For Kids Only?" hindi ba't 30's na ang edad ni Audrey? 🤔😊

re: April Marcial-Stewart, if i am not mistaken, meron siyang ad for Facial Care Center yata. ?

j5bata: nice naman. may plan pa ba si Maviel na maging active sa media o full-time student na siya sa Ateneo? ?

Actually, wala na akong masabi sa kanya sa sobrang active nia ngayon sa ateneo...She's into a lot of things today, one was being able to interview the Blue Eagles several times, and got one of the lead part in a musical produced by Blue Theater among other Extra-curricular activities...

I'm not sure if that'll pass as media gigs but all i can say is that she's been at it even when she was still in Chikiting. She even met Jasmine Trias and interviewed her when she first landed on Philippine Soil! How cool was that?

j5bata: ayos pala si Maviel ngayon eh. i guess she learned all of it through her stint in Chikiting Patrol. mukhang natural na sa kanya ang pagiging media person eh. 😊

*ka-campus sirloin: teka, ganun na ba talaga katagal yung "For Kids Only?" hindi ba't 30's na ang edad ni Audrey? 🤔😅*

no, audrey's not that old--kung one batch higher siya sa 'kin, that would make her just 25 or 26 now...si migz zubiri na mister niya ang nasa 30s na. 🤔

('naknangtokwa...kanina pa 'ko aubrey nang aubrey...AUDREY nga pala siya! 😊 )

ka-campus sirloin: i see. hmmm... pwede na. ka-age ko pala si Audrey kung ganun. 🤔

teka, sino kayang Aubrey yun ha? napapaghalata ka masyado. 😅😅

Aubrey Miles?

wow kapusok pala dati sina rayver and rodjun cruz

si atom araullo napapanood ko sya b4 sa 24 oras sports section

TAKOT KA BA SA DILIM?

Ka-campus Sirloin, If I'm not mistaken, may counterpart din ang NewsWatch Jr., yung bang Jr. News which had Alex Santos (not the ABS-CBN), Miguel Sarne, and John DyChoco (kalbo pa then).

I think every Saturday to at 4 pm, ran from 2003-2005.

BTW, di ba a young Janice de Belen was in the NewsWatch Jr. Edition???

janice de belen sa (unang) "junior newswatch"? oo yata, although i'm not 100% sure (kaya 'di ko rin binanggit kanina 🤔)...

and miguel sarne a.k.a. little man guile...he was still a little boy at 'di pa masyadong inglisero noon sa "RPN jr. news" that you mentioned--i saw a youtube clip of him during that time...he is now, as i mentioned, the host of the current iteration of "junior newswatch"...

Tama kayo, si Janice isa sa mga unang Junior Newswatch nung araw. Na-ere ang mga lumang cvlips na yon in promotion noon sa Jr. News na kinabinilangan ni Lil Man Guile

Ka-campus sirlion, meron ka bang brief information about the PCSO Lotto Draw sa TV noon? Saan ito nai-ere?Sinu-sinu ang hosts?

From what I remember (Paki-correct or add na lang po):

Sa ABC-5 ito originally na-air. Sina Tina Revilla at Katherine Villar (yung dating PTV-4 newscaster). Tapos lumipat ng network which is PTV-4, silang 2 pa rin tapos ngayon, iba-iba na.

At eto pa, I remember every month noon, mga Sunday siguro, may PCSO lotto draw na parang 8-panels tapos basta Sunday noon yon. Anyone remember those? Wala na yon ngayon.

BTW, remember the cooking show on PTV every Sunday (w/ Pinky Marquez) and CONSTEL?

junior tv patrol... sino sino ang mga bata doon... \*\*\* isa si doland castro di po ba....

^^

Siya lang yata sumikat diyan eh.

itinuloy sa 13...

nakita ko dun at naguest ang mga kasing bata ko pa noon, na nagsisimula pa lang at sikat na ngayon na sina lea salonga, regine velasquez, etc.

bilib ako sa pag sentiments nina angelique lazo and rita avila sa moms na na miscarriage sila at hindi na yata magkakanak..

si beth tamayo bata pa at baka magkakanak pa, si maricar de mesa wala pa ring anak

My TV memories...

GMA noontime shows that competed against "Eat Bulaga" that aired on ABS-CBN 1989-1995...

Kahit na may ginaya silang segments sa "Eat Bulaga" gaya ng "Bulagaan" at "Little Miss Philippines" may mga original segments naman sila....

Sa "Lunch Date", may "Ulat Panggulat" si Jon Santos, "Dear Kuya Randy PS Kuya Lito" with Randy Santiago at Lito Pimentel, "Bonggang Beautician", "Mr. DreamBoy" (pantapat nila ata sa Mr. Pogi)....

Sa SST, "Knock Knock Hello" ni Smokey Manaloto, "Grabe!" which was a parlor game for the live audience (kapartner mga hosts), "Sari Sari Stories" (which was predecessor of MTB's Wansafunnytaym), "SSTv" (music videos originally made by SST hosts)

At eto ang pinakamemorable na nangyari sa noontime TV noong 1990.... lumabas si Joey de Leon sa isang episode ng "Lunch Date" to promote "Tangga en Chos".... tapos si Jon Santos nagpromote din ng same movie sa "Eat Bulaga" sa channel 2.... This was revealed by Joey mismo sa kanyang Phil. Star column....

"lunch date" 'tsaka "SST" rin yung mas tinututukan ko noon kaysa sa EB before the latter moved to GMA...

medyo may crush ako noon kay toni rose gayda (who was, in the early years of the show, "notorious" for being "mali-mali" sa mga spiels niya)...gusto ko rin yung on-air chemistry nila ni tina revilla...

naaalala ko ring mga segment noon yung "lakas ng bayan" (i hope i remember the title right) sponsored by revicon (yung puro mga body-builders ang naglalabanan--randy and lito usually hosted this), 'tsaka yung "sealed with a kiss" (every february 'to, mga love letters na either serious o patawa)...

"lunch date" also came out with holy week dramas against those of EB's...the only one, though, that i have at least rough memories of was one starring tina and toni rose, entitled "lukso ng dugo"...may eksenang nagsabunutan (or sampalan 'ata) ang dalawa...

siyempre, pinaka-maraming fans noon sa audience, kay randy...one banner that always stood out was the one that said, "chong randy's gang"...

'tsaka naasar ako noong na-miss ko yung farewell telecast ng "lunch date"--first was during the live show, then nung ni-replay 'ata siya the week before "SST" premiered (dahil two weeks noong nagpalabas ng replays ng "lunch date" going back to its first year)--all because of those brownouts we had a lot of back then...

tapos noong time ng "SST"...first set nila yung parang nasa gitna sila ng plaza ng barangay, tapos yung "ano ka, hello?" (na mga random phone numbers galing sa white pages ang tinatawagan nila para malaman kung "SST" ang pinapanood nila) usually doon sa part ng set na parang sari-sari store ginagawa...and of course, "sari-sari stories": one i remember a lot was "sana dalawa ang pusod ko", an obvious spoof of the then-popular song...🤔

ahh, the glory days of GMA's broadway studio...

The farewell episode of "Lunch Date" was a tearjerker kasi isa-isang naghandog ng song numbers ang mga past and present hosts (except for Rico J. Puno, Orly Mercado and Chiqui Hollman). Yung pinaka-touching na song na kinanta was "Heaven Knows" sung by Samantha Chavez, who can't control her tears while singing. Lito Pimentel showed up to help host the grand finals segments of "Rump Shaker Dance Contest" and "Mahalaga ka Sa 'Kin Sing Along Contest".

Randy appeared in only one segment of the show singing Side A's "Tuloy Pa Rin". Obviously, may message dun sa kanta niya kasi he was the only host retained by GMA-7 while other "Lunch Date" co-hosts had to go... akala ko nga si Dennis Padilla wala na rin but he showed up the next week sa premiere ng "SST (Salo-Salo Together)" where he was already one of

the main hosts.

"SST" had a unique format sa noontime because 7 ang main hosts nila, unlike "Eat Bulaga" na sina TVJ talaga ang nagdadala. Aside from Randy and Dennis, there was Liezl Martinez (Albert's wife), Anjanette Abayari, Smokey Manaloto, Joy Ortega and Giselle Sanchez. Actually, nagkamali pa nga si Ricky Lo ng pag include kay Albert Martinez as one of the hosts (though he had the potential) sa isa niyang write up promoting "SST".

Natawa ako dun sa premiere telecast nila kasi sumayaw si Smokey Manaloto ng "Achy Breaky Heart" ni Billy Ray Cyrus (tatay ni Miley Cyrus) sa isang production number tapos fino-focus sa camera si Kuya Germs na nagkukunwaring galit na galit kasi "nalagasan" daw siya ng isang co-host sa That's Entertainment. Obviously, pambato 'ata ng That's si Smokey kasi kwela siya talaga but when "SST" aired, that became his big ticket to stardom.

Hmmm.. I remember... loveteam pala sila ni Anjanette (AJ) noon.. tinutukso sila on air....

yung teasers pa nga lang nun weeks before was already sentimental in itself--i still remember distinctly na the song used in the teasers for "lunch date"'s farewell show was an acapella song by The CompanY that went "hanggang dito na lamang at hanggang sa muli/hindi ito wakas ng masayang sandali...", with a still shot of the (then-current) hosts fading to black, tapos the words "it's not easy letting go..."

i also remember the end credits of that farewell show (na pinalabas din sa dulo ng mga succeeding replays until the premiere of "SST")...ang original director ng "lunch date" was the late bro. marcial sanson (who directed a lot of dramas back in the '70s and '80s, and was a TV production bigwig of the pre-martial law ABS-CBN in cebu and manila...he returned to ABS-CBN later to head the cebu station and host his own musical show there), na pinalitan ni vincent dy buncio (who was, incidentally, one of the original directors of "eat bulaga" alongside bert de leon...he stayed on to direct "SST" during its first year)...

some staff members from "lunch date" went on to become big off-cam names on GMA (and/or in other networks)...i remember seeing the names of rommel gacho, deo endrinal and enrico santos within the closing credits that time.

curiously, too, "lunch date"--or at least the hosts during the first year (rico j., toni rose, orly and chiqui)--yung isa sana sa mga balak ilipat noon ni freddie garcia (who was a GMA exec at the time the show premiered in 1986) sa ABS-CBN when geny lopez wanted him to move back to the then-newly-reopened network. as fate would have it, it didn't happen...and the show turned out to be GMA's longest-running station-produced noontime show (7 years na sana by april 1993, if only they didn't say goodbye in march)...

Tama ka, because "Student Canteen" was a blocktimer already on GMA when they opened in 1975. Wag kalimutan na Ms. Wilma Galvante's name was also prominent in Lunch Date's

end credits starting in 1990s... nagtuloy ito hanggang "SST" then she rose from the ranks to become the head of GMA Entertainment TV. Yung posisyon nya noon sa Lunch Date at SST was Executive in charge of Production. Ang previous sa kanya was Antonio Seva who later transferred to the News and Public Affairs Dept.

On the other hand, Willie Revillame also started out in "Lunch Date" according to him in a Ricky Lo interview (1999) 3 months lang tinagal niya sa show primarily because he was a victim of politics in the production dept. Tapos ni-refute yun ni Randy Santiago.... then Willie later said "nag-resign nga ako sa show on-air pa".

Ang maganda kasi dun sa mga dating noontime shows na ginawa ng GMA pre-Eat Bulaga days is because they focused more on the chemistry of hosts, secondary na lang yung gumawa ng gimmick at mamigay ng premyo... I remember also Kuya Germs was a "silent force" in both Lunch Date and SST kasi siya rin 'ata yung nagpapasok ng mga talents para mag host... not to mention sa mga productions din ng both shows he was influential

I still remember the 2nd Lunch Date theme song....

*Kami ang barkada na makakasama  
Halina tayo ay magsaya  
Ito ang programang puno ng ligaya  
Pagkat nalilibang talaga*

*Mga kantahan at kayraming sayawan  
Mga pakwela at bagong kaalaman  
Dito sa Lunch Date na ubod ng saya!*

*Mga papremyo ay kayrami talaga  
Dito'y tatawa, dito ay lilibang pa  
Kung hahanapin programang pampamilya  
Dito sa Lunch Date, sa Lunch Date!*

*Lunch Date!*

However I can't remember the first theme song of the show... English yata yun tapos they're all girls .... katunog nila yung mga kumanta sa "GMA Supershow"

aha! i knew it...kasama na pala si wilma galvante noon sa staff ng "lunch date"...hindi ko lang maalala until you mentioned it here kung EP o in-charge of production siya at that time...

(and as a side note, she was also in-charge of production for "vilma!" during its final year...she succeeded george padolina, who transferred to ABS-CBN when the network was starting to expand their RNG network)

ayan! sa wakas din, nabuo ang memories ko ng 2nd theme song ng "lunch date" in the '90s...🤔 this was from the time na binago yung logo nila, tapos isinama sa host line-up nila si vernie varga...

and yes, tama ka nga, yung unang theme song was all-english. at wala akong maintindihan noon kundi yung intro na, "L...U...N-C-H...D-A-T-E...lunch date!" 🍱

@relstorm: still related to "lunch date", at dahil binanggit mo ring blocktimer ang nag-produce ng "student canteen" sa GMA...

i gathered based on reading up on old TV guides sa library namin noong college ako na GMA has always aired variety shows in succession (meaning, walang ibang program format in between yung pamamaalam ng dating show at pag-uumpisa ng kapalit na show) on the weekday noon slot since 1972. ganito ang chronology nito:

december 1972-december 1973: "noontime matinee" - ariel ureta and tina revilla  
>> this was what used to be known as "12 o'clock high", the last noontime show of the pre-martial law ABS-CBN (and the number 1 noontime show on TV before the network was closed down--top-rating siya to the point na it ran live monday to saturday with a replay at 6pm, tapos may replay rin ng "highlights" of the week on sunday noontime)...isa 'to sa mga ABS-CBN shows na nilipat (with geny lopez's conditional permission--all the shows had to be renamed kasi ABS owned the copyright to the "orphaned" shows' titles) ng dating executive nitong si romy jalosjos who formed philippine production center, inc. (with some ABS-CBN talents back then like dophy and nida blanca) at nag-blocktime sa RBS TV 7 (channel 7's on-air branding back then--contrary to popular belief na channel 7 was off the air from martial law in sept. '72 until its rebranding as GMA in 1974, channel 7 went back on the air as early as december 1972).

january-december 1974: "lunch break" - eddie mercado  
>> nalugi ang PPCI ni jalosjos in late 1973, so they suddenly decided to move all the shows produced on channel 7 (including "noontime matinee") to the old IBC TV 13--which was already airing in color back then (channel 7 didn't switch to color until 1974)...i don't have much info about this show that took over "noontime matinee", though, except that, yun nga, the late eddie mercado was the host...

january 1975-april 1986: "student canteen"

april 1986-march 1993: "lunch date"

march 1993-january 1995: "SST"

1995-present: "eat bulaga"  
>> ...and "SST", as a lot of us might remember, became EB's pre-programming at 10:30am (and still airing live) as a part-variety, part-talk show (to compete against "teysi ng tahanan" back then), until they finally spun off its showbiz segment, "katok, mga misis!"...

as i mentioned, "lunch date" holds the record of being the longest-running GMA network-produced noontime show...EB naman is the longest-airing GMA noontime show (regardless kung blocktimer o network-produced), period--13 years as of january 2008....😄

Thanks for the additional info, balik tanaw din ako sa SST.... their theme song was composed by Randy Santiago that went like this...

*Salo-Salo Together!*

*Handa na ba kayong makisalo sa amin  
Sa palaro at gimik kayo'y bubusugin  
Sagad sa sorpresa walang patid ang tawa  
Tuloy tuloy ang ligaya!*

*Nandito na kami ang buong barkada  
Tawagin niyo na rin ang buong pamilya  
Magsalu-salo tayo at magsama-sama  
Kung kayo'y handa na tayo'y mag-umpisa na!*

*Chorus:  
Salo-Salo Together... sa tawanan!  
Salo-Salo Together... sa sayawan!  
Salo-Salo Together... sa kantahan!  
Kung kayo'y handa na...  
mag-Salo-Salo Together...*

*Kung kayo'y nagluluto o kumakain  
Naglalaba pa ba o anuman ang gawain  
Buksan ang pinto at inyong patuluyin  
Buong Pilipinas....*

*(Repeat Chorus 2x)*

*Buong Pilipinas....  
Salo-Salo Together!*

However, the SST song had a little similarity with the Eat Bulaga theme because of the "Buong Pilipinas" lyric but it sounded catchy...

Tapos notice ko rin na from Lunch Date.... to SST... to Eat Bulaga... consistent na may word na "BARKADA" sa lyrics... when Eat Bulaga moved to GMA... naging "*Sina Tito Vic at Joey, barkada'y dumarami*"

Yung **TV memories** sa SOP nakakatawa kasi everytime they end the show.... lahat kumakanta...

*Thank you, thank you may God always bless you*

*Our families and friends again and again  
We thank you... From S-O-P!*

Actually may susulatin akong bagong theme for SOP... sana magamit to-its next year!

Nga pala, I've noticed na hanggang ngayon ginagamit na rin as background music \*\*\* theme song ng SOP but rarely do I hear the song being sang by its hosts. I think the last time they sang it was when they were in US for the launching of its international channel.

----

Oberservation ko palagi sa mga live show ng ABS at GMA mula noon at ngayon, they usually don't "end" their shows, madalas overtime and last leg of their show are usually loaded with commercials. You won't know if the show's over until they air the program after it. Ganon pa rin ata practice on The Buzz (although recently they get to air credits uncut), Wowowee and MTB (Either pinuputol na nila habang ineere credits/di na talaga), Startalk (batian portion ni Lolit Solis/last stretch of showbiz news ang nagtatapos ng show without formally saying goodbye), and SOP (Dati they'd air their credits when they still have Gigsters, pero ngayon di na ata rin), among others.

----

Although I was never really much of a fan to Eat Bulaga, iyung Bulagaan portion nila sa katapusan ng show ang inaabangan ko lang kasi I like how they throw pies to each other's face whenever nasa huling pares na ang kakanta.

Maganda sana kung yung end credits ng mga LIVE SHOWS makikita at the end of the year na lang... para consuelo lang to sa mga nagtatrabaho behind the camera....

and coincidentally, i just had the "SST" theme in my head, too, earlier...haha! 🤪

incidentally, ang kumanta ng "SST" theme ay ang the opera, who have been the back-up singers on "SOP" for the longest time. 😊

sabay lead-in to the "SOP" theme while the closing credits roll (at nagbabatyan ng mga  
sponsors o ng mga "happy birthday" at "happy viewing" ang mga host)......nami-miss ko  
'yun...

and speaking of closing credits...nakakapanghinayang nga na almost all TV shows (lalo na  
yung mga nasa ABS at GMA) rarely get to show live credits in full now...

end credits sa mga news programs, for example, are suddenly cut off by either the station  
plugs/IDs (e.g., "TV patrol world") or the bumper ng kasunod na programa (e.g., "24 oras"  
or "saksi"), same thing with soaps...sa mga variety shows o entertainment talk shows  
naman, ang isa pang sign na alam mong patapos na ang programa is 'pag nag-cue sila to a  
final commercial break by saying, "magbabalik **pa** ang (program title)!" (and next thing you  
know, at the other end of the break, bumper na ng kasunod na show)...

naalala ko ang lunchdate kasi dito sumikat si RANDY SANTIAGO VIA THIS NOONTIME SHOW  
at NAGKAROON NG RANDY MANIA

SI TONI ROSE GAYDA ININTRODUCE SI EULA VALDEZ AS YANI DE VEYRA

Halos 'sang linggo magkatuwaan tayo  
Kantahan, tawanan sari-saring laro

Pero yung sa MTB... talagang memoryado ko....

*Naughty at kalog sexy at bilog*  
*Pilyo at pasok kontra sa antok*  
*Hayop sa papremyo apaw sa gulo*  
*Puro makulit, todo ang kilig*

*Dito sa MTB, magkita-kits tayo*

*Dito sa MTB, sakyan mo lang pare ko*  
*Dito sa MTB, pamilya lahat tayo*

*Huwag kang kukurap, bogchi kay sarap*  
*Tawang di bitin laging in na in*

*MTB (Magandang Tanghali Bayan!)*

*MTB (Magandang Tanghali Bayan!)*

Ang sumulat ng MTB theme was Willy Cuevas but the music was by Homer Flores, the same guy that put music to the Eat bulaga theme written by Joey de Leon

Yung Startalk din naalala ko may theme song din....

*Startalk masisilaw ka dahil all-star!*  
*All the time talaga!*  
*Pag mag Startalk ka, lahat may K, lahat may say!*  
*Startalk!*

*Ang usapang pinag-uusapan ng iba!*

Short lang but may dating....

Tapos eto naman ang Kool Ka Lang Theme...

*Kool ka Lang, Kool ka Lang*

*Problema'y tiyak na gaan*

*Kool ka Lang!*

*Ang solusyon ay nariyan kung kool ka lang!*

*Ano bang makakamit kung idadaan sa galit?*

*Maaayos ba ang problema kung maraming sumisingit?*

*Papano ka magrerelax kung ika'y napipikon?*

*Papano ka mapatatawa kung ika'y nakasimangot?*

yun lang natandaan ko sa song but it was sung by Randy Santiago

hindi ko nabosesan si randy sa theme song na 'yan, ah...

may linya pa d'yan sa theme song ng "kool ka lang" na, "ang masikip ay luluwang kung kool ka lang...", tapos may bumubulong pa na "kool ka lang, jack (raymart's character)!"--buti 'di inuna yung pangalan! 😊

Naalaala ko yung KKL at MTB theme.

Lagi kong pinapannod yan.

BTW, popost ko mamaya yung theme song ng Super Laff-In.

*Kung ang trip mo ay saya*

*Katanim ng problema*

*Dito ka, dito na!*

*Sumaya at enjoy ka na...*

*Kung ika'y nalulungkot*

*At naglalagot-lagot*

*Hataw ka, hataw na*

*Dito lang in, tawa na*

*Super laff-in, laff-in na*

*Gigimik ang barkada*

*Tayo na, hataw na!*

*Super laff-in, laff-in na (Yaya!)*

*Tayo na, hataw na*

*I-super laff-in na*

*Na na na na na na na na na na na na*

Yung theme song ng MTB, masyadong bastos.....

*yung gameshow nuon sa ABS na ready get set go hosted by maila gumila and patrick guzman....*

*yung segment nila na 16 in 1 ala brickgame naalala niyo yun?*

*yung may malaking tv board with 16 individual games like pachinko, awitang putol putol, facelift, letrambulan, peramihan, dr. kwak kwak, chinese garter, abakada...*

Sa MTB Ang Saya-Saya heto lang ang lyrics:

"Ang saya-saya  
ang saya-saya sa MTB..."

Tapos uulitin lang. They played this in full dati sa recorded New Year's Episode nila dati last 2004-2005 before it gave way to Wowowee.

Incomplete lyrics ng ETV shows noon, di ko kabisado \*\*\* sa Bayani kasi masyadong komplikado pero \*\*\* kumanta doon ay \*\*\* isasa mga finalist noon sa Pinoy Pop Superstar Season 1, si Atom ng Sinekswela.

Sa Hiarayamanawari:

*Hirayamanawari 2X  
Mga pangarap natin, ating abutin  
Sa kapangyarihan ay busilak na kalooban  
Hirayamanawari  
Ating abutin!*

Sineskwela:

*...bat ganito, bat ganon  
Hayaan mo siyang pag-isipan  
sa Science o agham*

*Tayo na sa sineskwela  
Tuklasain natin ang siyensya  
Buksan lang ang isipin  
Maging likas na scientist*

*Tayo na sa sineskwela....  
Kinabukasan ng ating bayan  
Siguradong makakamtam*

*Kaya habang maaga  
Mag-aral ng siyensya  
sa teknolohiya,  
ang buhay ay gaganda....!*

Correct me if Im wrong, but I think meron pang unang lyrics sa theme ng Sineskwela, which goes like this:

*Bawat bata ay may tanong*

I used to watch this show every morning, very informative.

may theme song ba ang Kwarto o kahon?

If I'm not mistaken sina Rica Peralejo at Carlos Agassi ang kumanta dati ng The Buzz theme song. Dun pa sila sa MRT nag-shooting ng video eh.

Sa SOP heto lang ang alam ko kasi hanggang eto lang ang talagang naabutan ko sa tuwing tinutugtog nila \*\*\* song:

"S---O---P!  
Dito sa GMA!"

sa **ASAP** naman: *Better than ever, A-S-A-P! Better than ever, A-S-A-P!*

sila **MARTIN** ang kumanta! 🎤

tapos nung naging **ASAP MANIA** with **CLAUDINE**:

*A-S-A-P ASAP Mania, ASAP Mania yeah! ASAP Mania yeah!*

*orrect me if Im wrong, but I think meron pang unang lyrics sa theme ng Sineskwela, which goes like this:*

*Bawat bata ay may tanong*

*I used to watch this show every morning, very informative.*

Ganyan yung lyrics.

BTW, who remembers Math Tinik theme song?

If I remember, si Cris Villonco kumanta noon.

Eto lang matandaan ko:

***Halina't sumama na kayo  
Maglakbay, mag-enjoy at maglaro  
Tuklasin ang tulay ng buhay namin.  
Halina't sumama na kayo.***

***Halina't sumama na kayo  
Maglakbay, mag-enjoy at maglaro  
Tuklasin ang tulay ng buhay namin.  
Halina't sa Math Tinik.***

Tapos fireworks!!!

BTW, sino yung teacher ng Math Tinik. Lookalike siya ni Isadora este Cherry Pie Picache.

I think I know her...she looks awfully familiar. Probably a theater actress. I know Ikay Alvarez(?) the theater actress was one of the neighborhood adults in ATBP.

*"....Awit, Titik, Bilang at Iba Pa! ATBP!"*

Good thing all the old ETV shows are enjoying reruns on the Knowledge Channel 😊

I think yung ASAP the first theme song that they had was....

*Hot na hot ang ASAP... so give it up! Give it up! It's Party Time!  
(All-Star) Sunday Afternoon Party! A-S-A-P!*

Yung complete theme song ng SOP is this...

*S-O-P! S-O-P! Dito sa GMA! (4x)*

*(chants of SOP follows)*

*S-O-P! S-O-P! S-O-P!  
We are SOP!*

*Noontime Linggo dito sa GMA  
Talagang sobrang okey pare  
Sobrang Okey Pare!  
Feeling namin dito sa GMA  
Talagang sobrang okey  
Dito lang sa GMA!*

*We dance we shout  
Moving, grooving all around  
You can see that we are having so much fun!  
We sing we dance and enjoy the party  
C'mon now and feel the party  
Here at SOP!*

*S-O-P! S-O-P! S-O-P!  
We are SOP! (2x)*

*Noontime Linggo dito sa GMA!  
Talagang sobrang okey pare  
Sobrang Okey Pare  
May kantahan, may kantiyawan  
May sayawan at hiyawan!  
Basta sa pabonggahan, hindi malalamangan!*

*We dance we shout  
Moving, grooving all around  
You can see that we are having so much fun!  
We sing we dance and enjoy the party  
C'mon now and feel the party  
Here at SOP!*

*Ang show na buhay na buhay!  
Sama sama tayong magsasaya!*

*SOP! SOP! SOP!*

*(Repeat SOP dito sa GMA intro and chorus)*

*We dance we shout  
Moving, grooving all around  
You can see that we are having so much fun!  
We sing we dance and enjoy the party  
C'mon now and feel the party  
Here at SOP!*

*S-O-P!*

*Dito sa GMA!*

ang nakakalokang Brit accent ni Thelma Dumpit Murillo at Veronica Pedroza...

*I think I know her...she looks awfully familiar. Probably a theater actress. I know Ikay Alvarez(?) the theater actress was one of the neighborhood adults in ATBP.*

yes, it's isay alvarez who was one of the main neighborhood grown-ups sa "ATBP." (she was "ate remy" there)...incidentally, she came from "batibot", too.

a lot of theater regulars and commercial models were among the grown-ups in the cast-- among them, dois riego de dios (who was, before that, a co-host of this teen magazine show called "kada" on ABC--which also featured a young mylene dizon), janice pronstroller (who was later a co-anchor of "the big news" also on ABC), and piolo pascual (long after he graduated from "that's entertainment", but just before he rose to become one of ABS-CBN's biggest male stars).

their executive producer, if i'm not mistaken, was the late "manong" gilbert perez, while lauren dyogi directed it...one of john lapus' first off-cam jobs on ABS-CBN was, if i remember right, also with "ATBP" (binanggit niya 'ata yun once on his blog sa PEP.ph)...

yung theme song naman nila was composed by idonah lopez (LA lopez's mom) and rommel villarico (who was also the show's musical director, and was later musical director, as well, of "MTB")...

Sa rerun ng ATBP sa Knowledge Channel, naabutan ko don si Piolo "Kuya PJ" Pascual na may talagang batang-bata pa't may hawak na mikropono somewhere sa may Luneta at iniintroduce sa mga manonood ang mga iba't ibang mga larong Pilipino.

Tama, si Gilbert Perez was one of the EPs of ATBP with a very young Laurenti Dyogi manning the show as a director (one of his first projects as director)

Heto \*\*\* naalala ko noon sa Alas Singko Y Medyo (ASYM):

*Tuwing umaga  
Alas Singko Y Medyo  
Buo ang araw ko  
.....at dyaryo  
Pati ang trapik ay kabisado mo (?)  
.....*

*A-S-Y-M  
lang ang kasama ko  
.....*

*Alas Singko Y Medya na!  
Paboritong palabas ko sa umaga  
Halina't gumising na,  
Tayo na't manood ng Alas Singko y Medya!*

Isa sa mga unang kumanta ng theme song nito ay si Jolina Magdangal na nakasama noon sa opening credits nito na nasa isang recording studio (ironically, she would also be one of those who sang the Unang Hirit theme song as well as hosting it years later against ASYM in the coming years).

Speaking about ASYM, it already had several reformat (Magandang Umaga Bayan, and Magandang Umaga Pilipinas) but was counted as still a continuation of the show since what really stuck it out to its roots was the presence of Julius Babao, one of ASYM's original hosts and his wife Christine Bersola-Babao. So when Umaga Kay Ganda debuted, it was no longer consider a continuation of the old show that lasted for 8 years.

Originally paired as a very successful tandem, their on-cam relationship took a turn for the better off-cam nung naging sila sa pinakahuli.

Edit: Retrospect naman ang kumanta naman ng isa pang variation ng theme song 😊😊

The ATBP gave us the new ABC song for the Filipino language..... it went like this...

A-B  
C-D  
E-F-G  
H-I  
J-K  
L-M-N-ENYE  
NG-O-P  
Q-R-S-T  
U-V  
W-X-Y-Z

*Ang Alpabetong Pilipino  
....Bigkasin, sabayan nyo ako! (Ulet!)*

Sa Batibot naman heto iyung version ni Kapitan Basa

"A-B-C-D-E-F-G  
H-I-J-K-L-M-N-ENYE  
ENJI-O-P-Q-R-S-T  
U-V-W-X-Y-Z

*Heto ang Alpabetong PEElipino  
Bigkasin at kantahin!  
Sabayan ninyo ako!"*

Disi-Otso anyos na ako pero kabisado ko pa rin \*\*\* kay Kapitan Basa hehehe 😊😊

meron pang number song ang ATBP

*isa-dalawa-tatlo  
apat-lima  
anim-pito-walo  
siyam - sampu  
labing-isa,labing-dalawa  
labing-tatlo, labing-apat, labing-lima  
.... sige pa ulit-ulit nyo*

WHEW!!!!

Sing along tayo mga isip-bata! 😊

ALIN, ALIN ALIN ANG NAIBA?  
ISIPIN KUNG ALIN ANG NAIBA?  
ISIPIN, ISIPIN ISIPIN KUNG ALIN  
ISIPIN KUNG ALIN ANG NAIBA!

Teka! Alam ko to ah!

Yung sa "at dyaryo" thingy:

Kape yata yan.

It goes something like this:

"Nais ko mag ????????"

Acually, Panjee Gonzales is the original co-host of Julius Babao.

Yup pero when he was paired with Tintin, nagclick \*\*\* tandem nila hanggang sa napunta sa kasalan.

I had a feeling though around 1998-2000, ASYM was making itself be like Today or Good Morning America (with the ticker, weather update, digital clock and pop up news reports), since \*\*\* screen ng show nagmumukhang early version ng Teleradyo noon.

Bukod don, medyo notorious rin ang ASYM sa mga techincal spoofs/mistakes nila (Sa Unang Hirit, ilan lang ang mga ganong incidente)

me isa pang part:

*Alas Singko Y Medya  
Tanging para sa'yo  
Nais kong malaman mo...*

*Koro*

*Sa rerun ng ATBP sa Knowledge Channel, naabuutan ko don si Plolo "Kuya PJ" Pascual na may talagang batang-bata pa't may hawak na mikropono somewhere sa may Luneta at iniintroduce sa mga manonood ang mga iba't ibang mga larong Pilipino.*

Eto ata yun:

Alas Singko Y Medya  
Buo ang araw ko  
.....at dyaryo  
Takbo ng traffic kabisado mo  
Alas Singko Y Medya tanging para sa iyo

Haha.. 17 yrs. old pa lang ako... pero nung Grade 1 ako, bago ako sunduin ng school service, yan lagi naririnig ko.. hehe! 🎧

para sa inyong mga sinusubukang i-recall ang theme song ng "ASYM", here goes...

*tuwing umaga, alas singko y medya,  
bintana sa mundo, buo ang araw mo  
ang takbo ng trapik, kabisado mo  
report sa panahon at headlines sa 'yong dyaryo*

*ASYM team ang kasama mo  
kapiling natin sa umagang ito  
"alas singko y medya," tanging para sa 'yo  
nais kong malaman mong...*

*alas singko y medya na,  
paboritong palabas ko sa umaga  
halina't gumising na  
tayo na't manood ng "alas singko y medya"...*

they played part of the original ASYM theme during the last anniversary of "magandang umaga, pilipinas" (which was considered by ABS to be still part of the ASYM "lineage", if i may call it that way)...and i heard from there that the line that went "ASYM team ang kasama mo" was originally supposed to be "julius at tintin ang kasama mo"...but of course, at the time that they started using the theme song, isang buong team na ang "ASYM" (julius and tintin plus mon ilagan, aida gonzales and mike cohen)...

before tintin bersola was julius' co-host, though, there was panjee gonzalez, who bowed out of the show after she married gabby lopez...one and a half hours pa originally ang running time ng show (5:30-7am), and it was followed by this fitness show called "gym team" (anna unson-price hosted this one), then a live feed of asia business news at 7:30-9am (ABN has since merged with CNBC)...

GMA naman, at that time, pitted the following against "ASYM"--"agrisiyete" (hosted by the late bert "tawa" marcelo, and later, lou veloso after the former's death) at 6:00am, "GMA balita" at 6:30am (mike lacanilao, veronica baluyut and alex tinsay--the newscast was "transplanted" to the morning block after the premiere of "saksi" on the 5:45-6pm slot) and "business today"--later "good morning asia"--at 7:00am (rico hizon and mon isberto did "business today", then mon isberto and former "GMA news live" anchor gin de mesa for "good morning asia")...

Kailan nagstart Mornings@GMA before eventually giving way for Unang Hirit?

Mornings@GMA started in 1998 shortly after Paolo had a successful stint as host of Binibining Pilipinas that had Tisha Silang crowned (and later dethroned) as Bb. Pilipinas Universe. As a consolation, isinali na siya sa Mornings@GMA. Paolo had to leave the show in

1999 and Ryan A. took his spot.

Incidentally, it was also Paolo who recommended Hans Montenegro to GMA after Montenegro attempted a showbiz comeback following the Jojo Veloso scandal. Hans became part of "Unang Hirit" and acted in "Habang Kapiling Ka". He also hosted 2 editions of "Mutya ng Pilipinas".

In the future, I wanna see Paolo delivering the news for GMA 7.

heto lyrics ng "Si Mary at ang Lihim na Hardin"

*Pawiin mo na ang iyong luha.  
Limutin, tawanan ang problema.  
Habang bata ay magsaya,  
makulay and mundo basta't mangarap ka.*

*Sa bawat pagsubok na makikita.  
Huwag mong hayaang madapa ka.  
Tibayan mo ang loob,  
pagkatapos ng unos, ligaya ang dulot.*

*Sadyang ganyan ang buhay kailangang magsanay.  
Mapaglarong tadhana, susubukin ang tibay.  
Kaya't kumilos ka, mag-isip, mag-aral.  
Magandang bukas sayo ay nakalaan.*

I was able to record a not-so-complete opening of the show when it ahd a rerun recently. Quite a lot commented about the [clip](#).

And here's the 1st and 2nd part of the 1st episode re-aired with a slightly re-edited opening (same as the link above):

[Part 1](#) and [Part 2](#)

Like all past Tagalized anime theme songs, this one's lyrics were written by Danny Muendia, the show's dubbing director who is still quite active in field (as well as his contemporaries who continue to dub foreign shows). The opening used in the Philippine dub is based on the actual CLOSING song of the show and the ABS-CBN opening are edited parts from the actual opening. 😊😊

Fun fact: The cute boy dwarf who has a crush on Snow White in "Ang Alamat ni Snow White" is also the voice behind Mirmo in "Mirmo de Pon/Mirmo Zibang/Mirmo!"

What was ASYM's original theme song?

If I remember, rap siya....

### **G-mik!**

By: John, Carlo, Stefano

Sabi nila ako ay bata pa

Sa bagay-bagay wala pang alam

Di pa sanay sa hirap ng buhay

Kaya hindi pa pwedeng mag-isa

Araw gabi pinagsasabihan

Lagi na lang nasesermonan

Chorus:

G-mik! Di bale kung hindi masakyan  
G-mik! Okey lang naman masermonan  
G-mik! Sige na nga minsan game din naman  
G-mik! Basta't ako'y mag-eeenjoy na lang

Pati ang lovelife ko'y pinapakialaman  
Labi ko daw ay mayroong gatas pa  
Di pa daw ako pwedeng ma-inlove  
Infatuation lamang daw ito  
Payo naman nila ay susundin  
Alam kong ito ay para sa akin  
(repeat chorus 2x)

Sirlion, paki-correct nga.

Pugad Baboy the series which was aired on GMA back in the 90's but was on the air (according to PB creator, Pol Medina Jr.) for one season=13 weeks.

According to him on the book of Pugad Baboy X, all the actors who portrayed his characters were indeed fat, in the essence that they have the same projected weight that the Pugad Baboy neighborhood carried in the comics.

I didn't remember this show in particular since I was really really young when it was aired but my mom told me that as a young pre-schooler, I was totally hooked to this show (A verbal trait I have up till now may have come from this show, proving that it had an impact on me when it was still on air).

Unfortunately, I lost my copy of Pugad Baboy X, its TV history is worth reading 😊

nagpa-audition talaga ang GMA noon ng mga "hebigat" na actors para sa TV version ng "pugad baboy" (official title: "rated pang-bayan: pugad baboy sa TV"). but the only actors i remember from that show are edgar "bobot" mortiz, rudy meyer and giselle sanchez (who was, incidentally, ang nag-iisang payat sa series--she did the role of brosia, yung yaya)...

at puppet version doon ang asong si polgas. 😊

as far as i can remember, the show aired saturday nights--ka-back-to-back pa 'ata niya yung isa pang medyo obscure na comedy show: "toynk: hulog ng langit" (which starred eric quizon, aiko melendez and the late bert marcelo)...

Oo nga pala, nung mga 2001 siguro, may RPN-9 show na ini-air every Friday tapos si Inday Badiday yung host non.

If I remember, The Truth yata title non. Tapos yung mga commercials, eh puros luma, Dragon Katol, ganyan....

Tapos si Inday Badiday, comeback niya yon.

Anyone remembers?

Ka-campus Sirlion, paki-confirm nga...

BTW, I have Pugad Baboy X.

Ricky Reyes , i think, has one of the longest running shows still on air, albeit on different networks (RPN and QTV), formats (lifestyle show to talk show to reality show), as long as it has Ricky Reyes as its host, yon pa rin yon.

----

Last show naman ni Inday was GMA's weekly sunday show, Inday(?), before her death. Nung namatay siya, her show went on for a few more weeks if I remember it right before giving its conclusion on 2004 with a tribute episode dedicated to her.

-----

Speaking of weekly shows, nakakamiss din ang pagkakaroon ng mga weekly dramas/sitcoms on primetime sa ABS and GMA. I think na-mention ko na to noon but just in case, there was Oka Tokat with Agot Isidro as the teacher-psychic with her pack of students and Ricky Davao the ever reliable cop. Every week there was a "case of the week" which requires the help of Agot's character who's never without her glasses. On cases where the group cant get access to a police-guarded place, Ricky's character would always help him out. Lagi niya inaassure kina Agot na "Pulis siya".

Sa GMA, I remember that every Tuesday night is TEXT night starring some stars from the Viva stable, including a very young Anne Curtis and Matet De Leon.

I was a bit confused about the whole storyline really, I think this was about a group of childhood friends who got stuck in a vortex in some old house and once most of them were able to get out developed powers and abilities which they used to help solve the mysteries behind the vortex. One episode I remember was this mad scientist bent on resurrecting his dead daughter, he even killed a beggar-girl who was only looking for something to eat in the trash when she was abducted and killed. Another episode was the character I think of Jimmy Bondoc, who became a kuba and his enlarged back hatched. What came out of it was a tiyanak-like creature who killed Jimmy's dad before reverting himself back to Jimmy. Later in the series, the rest of the kids who were stuck in the vortex were somehow able to get out of it.

Both shows I failed to finished in whole.

ricky reyes' show was originally entitled "beauty school" sa IBC, tapos naging "beauty school plus" when it moved to RPN...educational show pa nga 'yun noong una, dahil most of the segments in the original format were to instructionals on hair and make-up techniques (something he still did occasionally on "gandang ricky reyes" sa Q before the most recent reformat)...

and inday badiday's last show before her death was actually "inday, heart to heart" on sunday mornings before "SOP"--this was her homecoming na rin sa GMA...prior to this, her TV comeback (since "eye to eye" was yanked off the air) naman was the short-lived "the truth and nothing but" on RPN, aired on friday nights...

after she died, the late rio diaz took over "heart to heart" for a few weeks after it finally bowed out of the air...sadly, rio diaz would also eventually join ate luds in the great beyond months later...

Siguro back then I got bored watching Eat Bulaga everything seemed the same and it wasn't funny anymore. Although, SST was a copy cut of Eat Bulaga,still, I found it a lot entertaining. But because Eat Bulaga had to move to GMA. SST was axed ( actually namoved muna sya ng oras pero eventually it was axed din). The new time slot given to them is I think 11am-12noon basta it was before Eat Bulaga, then they added Giovanni Calvo (RIP) to provide showbiz tsismis. Unfortunatly, he dominated the show and SST's time slot was given to him. And the show vanished on the face of the earth just like that.Tragic! I got my hands on "Kapitan" when I was in La Salle just recently and was surprised on what I've read. Geny Lopez back in 1969 was the prime benefactor of the Benedicto's Kanlaon Broadcasting System/Radio Philippines Network. According to the book, Geny treated the KBS (FEMI) as a little brother to ABS-CBN. he shared to him resources, people, talents, and even shows 'daw'. Since puno na ang mga channels noon sa Manila band (3,5,7,9,11,13), there was no room for which KBS would broadcast so ABS gave the Ch. 9 frequency to then and moved its channels to 2 and 4 (thus the present VHF line up of 2,4,5,7,9,11, and 13. One that marked TV and movie history in the Philippines would be the hand-over of Nora Aunor by ABS to KBS (prior to that, ABS had her and on-screen rival Vilma Santos). I think the reason for Geny's generasity to the ebendicto's was his aim on creating a "shadow ABS-

CBN" or so i read in his biography.

One disastrous consequence would be the "betrayal" of KBS which led to ABS-CBN's closure in the 1970's.

Na-post ko ito ah sa last page.

Pero, by the way, thank you sa info.

Oo nga pala, yung pumalit sa Heart to Heart is yung All About You na sponsored ng Dove Soap from Unilever.

Ang mga notable hosts nito dati ay sila Pia Guanio, Lorna Tolentino, Lani Mercado, at Dawn Zulueta. Nakalimutan ko na yung iba pero naalaala ko ito dahil papalit-palit ang hosts every weeks ata.

Paki-confirm nga.

Here's a 2006 video I made in HS, included here is are photos of Maviel from Chikiting Patrol.

other hosts are liezl martinez, giselle, joy ortega, dennis padilla, smokey manaloto,

*eto nga yun.. naalala ko si rio locsin.. 🇵🇭*

*Sinong nakaalaala ng Today with Kris Aquino, Teyssi ng Tahanan, Mel and Jay (sa ABS), Cafeteria Aroma, at iba pang morning talk shows.*

*Sirloin, paki-confirm nga.*

*Ako, naalala ko Today with Kris Aquino and Mel and Jay sa ABS/GMA*

*las Singko y Medya ba ang first morning news program on Philippine TV? i don't think so. ?*

*if i am not mistaken, mas nauna pa sa ASYM ang Wake Up Call (show nina Jeanne Young at Dan Cura sa RPN 9) at Business Today (Vicky Morales, Rico Hizon ng GMA 7). 🤔*

oo nga ano, i remember "wake up call", which first went on air about a year or two before ASYM did...along with jeanne "spin-a-win" young (this was one of her first TV assignments after she returned to the philippines, another being "GMA supershow"), the show was originally hosted by tere guanzon and anthony pangilinan--naging replacement ito ng "newswatch sa umaga" with guanzon, bill velasco and the late pete roa...during its final year, the show's title became the lengthy "mabuhay! this is your wake-up call"...

and "business today" naman (which actually changed hosts several times--among the hosts being dong puno, vicky morales, rico hizon and mon isberto) was still preceded on the GMA airwaves by a short-lived hour-long straight newscast called "GMA morning news live" with alex tinsay and veronica baluyot, both of whom also alternately anchored the hourly "GMA news live" breaks...pagkatapos no'n at 8:00am was "kape at balita", originally a DZBB-only news/commentary program with bobby guanzon and jessica soho, which became a TV-radio simulcast show...

ka-campus sirloin steak: hmmm... i never realized na may mas luma pa pala sa "Wake Up Call" at sa "Business Today" pagdating sa morning news. 😊

speaking of "Business Today," if i am not mistaken, that old show was broadcasting live not from GMA EDSA but from the lobby(?) of the Sagittarius Condominium in Salcedo Village, Makati. Sagittarius Condominium is the same building that houses the law firm of now GMA Network head Atty. Felipe Gozon. 😊

yup, you're right...actually, i had learned from reading up on old local TV stuff na the morning slot wasn't too viable for news/magazine shows back in the day as it is now..."GMA morning news live", as i had mentioned, was short-lived...at ang "business today" naman, although ilang years din ang itinakbo nito sa ere, was targeted more for the upper-middle working class audience...it wasn't until ASYM when the morning slot became like primetime na rin--both in terms of ads and (masa) audiences...

although as early as the '70s and '80s, there were already a few attempts at the news/talk formats in the morning...i read in an old TV times issue that the old BBC-2 had a morning talk show called "coffee with lee" with lee andres and noel trinidad--around 1978 ito...tapos meron pa noong "the morning show" with ariel ureta and bibeth orteza (where, in her endearing ilingga accent, she was "bibeth bisaya", a couple of years before she did her "bibeth belibet" character on "iskul bukol")...

and in the early '80s, RPN did a "newswatch pilipino edition" live every morning, simulcast on what was then their AM station, DWWW (which used to be on 630khz--it is now, of course, under ABS-CBN as DZMM)...the late rod navarro (then the radio station's morning

anchor) was teamed up with lee andres for that...years before that, RPN and sister station BBC replayed their respective newscasts from the previous night during the morning hours...

and backtracking a bit to "business today", their sagittarius studio (which was also the original home to GMA marketing--as early as during the time when freddie garcia's network marketing inc. handled it) could be considered one of the first few attempts at giving a street-level studio to a news production..."umagang kay ganda" is, of course, now doing this...

*yun palang "Magandang Umaga Po" nina Noli De Castro at Korina Sanchez, one of the first morning shows on Philippine TV. of course, mas luma pa din dyan yung mga palabas nina Lee Andres at Rod Navarro. 😊*

ay, oo...i forgot to mention that, too...yun naman was probably the first attempt talaga at morning news/talk programming as we know it today (since the other examples i mentioned were either straight news or straight talk)...

that show, as i gathered, evolved from yet another straight-out early morning newscast called "good morning philippines" (noli de castro co-anchored this with luchi cruz-valdes)...then, when kabayan was paired with korina, saka naging "magandang umaga" (with the matching "wave" hand gesture and "magandang umagaaaaa!" in unison)...it was when korina hosted the show solo noong naging "magandang umaga po" na ang title (and was moved to 10am, after "bahay-kalinga", a public service program with frankie evangelista and vicky garchitorena--later substituted by joey albert)...

Eto pa ang magandang memories on TV..... mga prediksiyon at laglagan!

## **PREDICTIONS**

Pinahuhula ni Inday Badiday si Madam Auring sa "See True". Tungkol ito sa prediksiyon sa taong 1986.....

**MADAM AURING:** Ang nakikita ko... si Stella Strada magniningning ang kanyang pangalan sa mga darating na taon... malalagpasan niya ang kasikatan ni Alma Moreno!

Kinabukasan..... na-headline sa mga tabloid...

## **STELLA STRADA COMMITS SUICIDE!**

Another one..... Madam Auring also predicted Miss Venezuela to win in 1994 Miss Universe..... but..... Miss Venezuela only ended 2nd runner up to Miss India Sushmita Sen. It shattered the credibility of Madam Auring....

And another one..... sa "Good Morning Kris"... nahulaan ni Rene Mariano na hindi sisikat si Hero Angeles. Kitang kita sa mukha ni Kris ang galit at dismay... having Rene said that on ABS-CBN grounds.... di nagtagal 2005... Hero was gone for good.....

Of course he came back on GMA pero hindi na kasingsikat tulad ng dati.....

## **LAGLAGAN**

This happened to one of the episodes of "Eat Bulaga" in 2003 during the Bulagaan Olympics. Janno Gibbs was the mastermind of this gag..... Tinutukso si Anjo on air na nambubugbog daw ng misis (referring to Cristy Fermin's made up article on Anjo's alleged bugbogan with wife Jackie Manzano)..... Gumanti si Anjo. Singing "Laki Sa Layaw" he sang.....

*Takot sa Misis! Takot sa Misis! Janno!*

*Takot sa Misis! Takot sa Misis! Janno!*

*Takot sa Misis! Takot sa Misis! Kiko! (pointing to Francis M., siyempre napikon si Kiko)*

Then Joey de Leon came into the fray, inawat ang tatlo... tapos ni request sa musician na ulitin daw ang Laki sa Layaw..... humirit si Joey....

*Maraming Misis! (sabay turo kay Vic)*

*Maraming Misis si Vic!*

Si Bossing napikon din tapos kantiyawan sila ni Joey (playfully) habang pumapaligid ang mga Dabarkads nilagyan nila ng Blue Jacket (Joey) at Yellow Jacket (Vic) ang likod ng dalawang hosts....

Nakakatawa talaga....

Amazing Twins, nakatatlong estasyon na ito inere: IBC, ABC, and ABS. Licensed ata to under VIVA so nung inere sa ABS, same tagalog-dibbed version pa rin ang ginamit.

-----

Soeaking of Amazing Twins, sino ang nakakaalala nang mga Chinese-language programs na madalas ineere noon sa mga networks halos araw-araw? IBC, RPN, at ABS madalas ang may ganon. They'd air either lifestyle/cooking shows or Chinese fantasy/period dramas, especially during the morning.

IBC, nagpapalabas pa rin ng mga shows targeted sa mga Filipino-Chinese, isa na sa kanila AM@IBC na Tagalog/Mandarin speaking lifestyle show.

An old teaser promoting the final season of Oka Tokat: <http://www.youtube.com/watch?v=Hm2HeSqUSBk>

i loved the following old shows, excellent and very entertaining:

abangan ang susunod na kabanata  
the maricel soriano drama special  
vilma  
see true  
palibhasa lalake  
dong puno live

Sinong nakaalaala ng Teysi ng Tahanan?

naalala ko yung young love sweet love, dati iba iba ang ipinifeature na teenstar hanggang nastick kay manilyn reynes

inere ata uli minsan ng RPN nung 2006 kasama ng Davao at Cebu as part of their RPN USA line up tuwing tanghali noon

i think i mentioned earlier in this thread na kung may talagang naging "training" ang mga anak-anakan ni german moreno sa "that's..." sa TV drama, it was "young love, sweet love" indeed...

and yes, RPN last re-aired this mga two years ago, along with "cebu", "davao: ang gintong pag-asa" and "john en marsha"...

and speaking of "cebu" and "davao: ang gintong pag-asa", i think they should be counted as two of the best-produced drama series or mini-series on philippine television mainly because of the story and the production value...nakakapanghinayang nga lang (lalo na when i watched the replays of these shows) na isiping RPN, with its state now as a network whose programming is about 90% outsourced, used to have the capacity and the resources to do these shows before--same thing with IBC...

*May nakatatandaan ba ito?*

**"MAGANDANG GABI BAYAN"**

i remember this! gusto ko yung halloween episodes nila! kakatakot.. tapos nung hindi na pwede si kabayan, rotation na ng hosts.. siyempre kasali si kat de castro.. pati din si henry omaga diaz..

if my memory serves me right, tinapatan ito ng brigada siete with the late louie beltran na naging tito sotto.. nagco-host pa si jessica soho i think..

MGB's halloween episodes were a tradition. and MGB is noli de castro as noli de castro is MGB (especially since the show's title came out of his signature "TV patrol" greeting). 'nuff said.

jessica soho, who was originally lead reporter ng "brigada", did take over the show (until its demise) when tito sotto had successive terms in the senate...arnold clavio and jay taruc were among the GMA reporters who also honed their craft on the show...

Sayang nga at hindi uso masyado dito ang mga primetime soaps na talagang mini-series kung mini-series, contained ang kuwento at di dragging kapag tumagal. Given din that the way our soaps are aired here locally is totally different when they are aired overseas.

I saw this one time, the Malaysian dubbed of 2006 Gulong ng Palad and Sana'y Wala Nang Wakas which airs here 5 days a week with 30-45 minutes per running is aired there once or twice weekly with little or no commercials breaks and one weekly episodes contain 2-3 episodes combined.

Here, the pilot of 2006 GnP ended when Luisa grew to become Kristine Hermosa while at the Malaysian dub, the first episode ended with a scene between Carding, Luisa's mom and Mimi at the laundry room.

Martin After Dark?

I think that would be Martin Late @ Nite

hi, bumblemuffin! welcome to this thread...😊

naabutan ko pa 'yung "heredero" as a very young kid (i was only about 3 years old then when the series ended its run)...and perhaps the only memory i have of the show was that ayokong naririnig yung parang iyak nung bata sa opening--i got so scared of it, so much that a lot of times, yung yaya ko would pin me to the "banig" (kasi pag "heredero" na, it was time for my afternoon nap...🤪) whenever the show started, para takutin ako...hahaha!

and of course, "tatak pilipino" with jim paredes and gel santos-relos (who's now based in the US)...i think i mentioned it here on this thread many pages ago na it was probably one of the first magazine shows that dealt with pinoy culture and history in a very light, non-

preachy manner...and looking back, maganda yung ginawa ng ABS na nilipat ang show from weekday late-night (i think it was either on wednesday or thursday, originally) to saturday afternoon, dahil hindi naman pang-late night ang mga ganyang klase ng programa...😄

Synopsis: When Sam's character becomes a witness to a murder, he is thrown into an obsessive urge to solve it. His life becomes even more complicated when a menacing tall man stalks his every move and he encounters a mysterious lounge singer (played by Chin-Chin) who might be able to provide answers to his questions.

As he gets closer and closer to the truth, however, he finds himself right back where he started: the past he so desperately wants to escape.

Viewers are given fair warning: "What you see is not always what you get."

Cul de Sac will be screened in all SM cinemas starting December 3

bedtime stories every wednesday PM sa abs, before that barrio balimbing..

Dina, yung sitcom - dito sumikat ang line ni jimmy santos na " i love you 3x a day" na naging movie

yung "tonight with d!ck and carmi" 'ata ang pumalit sa timeslot sa "loveli-ness" which was originally an ABS show...saw an old clip of the show on youtube...naalala ko tuloy na co-

hosts nila roderick at carmi doon sina nanette inventor, aiko melendez, carmina villaroel, gelli de belen, kenneth peralta, and--believe it or not--sammy lagmay. 😊

at siyempre, sa show na 'yun sumikat yung rendition ni roderick ng mga rick astley hits-- enough to send a lot of memories noong nag-perform siya sa concert ni rick astley a few months ago sa araneta... 😊

"21 jumpstreet"...daming nagka-crush na mga kababaihan noon kina richard grieco and johnny depp. 😊

**binoykot Ng Mga Advertisers Ang Mga Talk Shows During That Time Kaya Nag Closed Ang See True Ni Ate Luds Dahil Wala Nang Commercials**

tsk tsk tsk.....

Ganun din ata nangyari nung nag proliferate ang mga SEX SCANDAL sa showbiz talk shows...

Muntikan nang mag pull out ang mga advertisers sa The Buzz, Startalk at S Files

ano ba \*\*\* sitcom ni dina bonnevie sa rpn 9 \*\*\* ang role ni ruby rodriguez ay tomboy at \*\*\* brother nya na si raffy ay bading?????

meron bang sitcom sa dina sa rpn?

ang alam ko sa abs every sunday ng 9pm. reporter sya dun tapos si jimmy santos ang newscaster. after nya mag newscast, sasabihin nya " i love you 3x a day".

gone are the days na walang network war.

how about gma telesine? one of the finest dramas sa philippine tv..  
naalala ko dun si aga and claudine episode..bata pa si claudine nun

anthology series ni Mikee Cojuangco. GMA Telesine was revived as few years ago as QTV  
Gems

*meron bang sitcom sa dina sa rpn?*

yes, nagkaroon nga ng sitcom si dina sa RPN, pero in the early '90s na 'to, years after her ABS-CBN sitcom...the RPN show was entitled "mommy ko si tita", where dina was "tita" to a little boy (the child actor was ira james, who first appeared in a magnolia ice cream commercial)...

and speaking of jimmy santos...alam 'nyo bang nagkaroon na siya ng kanyang sariling sitcom? it was "budoy", aired weekdays at 11:30am before "eat bulaga" sa ABS-CBN...the show premiered during EB's first week on ABS in february 1989. 😊

and of course, "GMA telesine"...nag-umpisa siya as part of the sunday line-up (7-9pm, katapat ng "the sharon cuneta show"), eventually moving to thursdays (if i remember right)...

some GMA telesines i remember: one of the first telesines was "ang sampid" starring gary valenciano and princess punzalan--this was shown on palm sunday...a rosanna roces movie that armida siguion-reyna produced was based on a "GMA telesine" feature (that armida also produced), too--'di ko lang sigurado kung "ligaya ang itawag mo sa akin" o "ang lalaki sa buhay ni selya" yun...also, former presidential daughter imee marcos starred in another telesine--hindi ko na nga lang din maalala kung sino 'yung co-actress niya doon, pero, basta, dalawa silang babaeng bida doon...

even after "GMA telesine" was axed, nagkaroon pa sila ng mga paminsan-minsang telesine under the "SNBO" block (and billed on-air as "a GMA original movie made for television") in the early 2000s--among them, "sa 'di sinasadyang pagkakataon" with bong revilla and miriam quimbao (mala-"runaway bride" si miriam dito), "sabi niya, sinabi ko" with martin nievera and pops fernandez, another one with vilma santos and tirso cruz III (and directed by christopher de leon--i forgot the title), and "huling yakap sa tag-araw" with dingdong dantes and regine velasquez (ito yata 'yung last telesine to date)...

^Butch Francisco once mentioned about Dina Bonnevie's sitcom on ABS on his article in the Philippine Star, I think it's goes like "Dial D" or something.

Another GMA Telesine feature I remember was their retelling of the life of Mother Francisca del Espiritu Santo, founder of the Dominican Sisters of St Catherine of Siena. Quite a story indeed, it also starred Cherry Pie Picache as a tomboyish nun there.

Another was the evil-good twin sisters episode starring Ruffa Gutierrez which was re-aired again on GMA Telesine's recent incarnation as QTV Gems. She was soo good in that episode you wont even notice that she always has that accent whenever she has tagalog dialogues.

**meron pong sitcom si dina bonnie sa rpn nine ... \*\*\* baranggay**

**i forgot na , basta kasama dun \*\*\* magkapatid na ruby at raffy rodriguez na ang roles ay bading (raffy) at tomboy (ruby)**

**narecall ko \*\*\* actually yun na yung talk show nina kris aquino and arnell ignacio**

**Gloria Sevilla, Mat , Suzette, Dandin , Lilibeth, Amado Cortez At Si Flora Gasser Na Unang Lumabas Don Sa Sitcom Na Yon As Maid**

ayun! tama 'yung mga kutob ko...

"ligaya ang itawag mo sa akin" ang reynafilms movie na nagmula sa telesine...jaclyn jose was nominated for best single performance by an actress sa PMPC for the role of ligaya sa telesine version...at si osang nga ang co-star ni imee marcos sa telesineng pinagbidahan niya noon...😊

*Yung sitcom ni Dina B. sa 9 it was titled "Barangay USA".....*

*Co-starring niya sina Ruby at Raffy Rodriguez.... Jeric Raval (the 1st local action star to be casted in a sitcom).... and Ritchie d' Horsie as Jeric's sidekick... Di kalaunan, Ritchie was axed at yung pumalit si... Willie Revillame!*

ay, oo, i kinda forgot about that sitcom, too (although sure ako dun sa "mommy ko si tita", which i mentioned a few posts ago)...

ang correct title is actually "barangay U.S."--the "U.S." meaning "unang sigaw"...

interestingly, there was another RPN show where dina and willie would be together again--"actually, 'yun na!", which, as mentioned here earlier, was a showbiz talk show (on monday nights) originally hosted by kris aquino and arnell ignacio (along with tita swarding and señorita preciosa, then the showbiz anchors of DZRH--they stayed with the show when dina and willie took over kris and arnell).

maiba naman ako...

i'm not sure if a lot of you remember this one, but GMA, in the tradition, perhaps, of its well-remembered sunday night dance show, "penthouse seven" (and its first direct "descendant", "penthouse live"), came out with "the penthouse party" in the early '90s. among its hosts were nanette medved, panjee gonzalez (long before "alas singko y medya" and her eventual marriage to ABS-CBN's gabby lopez), commercial model-turned-actor patrick guzman (sa'n na kaya siya ngayon?), rod nepomuceno (who would move on to newscasting, then much, much later, becoming an executive for MTV philippines under manny pangilinan and NBC's ownership) and dawn zulueta.

the show's director was rowell santiago, and some of its production staff were also part of the staff of "vilma!"--such as chit guerrero (who was executive producer for both shows), arnel natividad (who would later become director for some ABS-CBN shows) and romy veron ("vilma!"'s director)...

"penthouse party" didn't last as long as its predecessors, though. and dawn, who was the last host to be added to the show, went on to host its replacement, "RSVP", alongside ariel ureta.

eto ang ilang clips from the show:

<http://www.youtube.com/watch?v=uhn9Iea3gPc>

<http://www.youtube.com/watch?v=lnAOQ...eature=related> -- may kasamang closing credits ito, plus a VO cross-plugging "knots landing" (which was shown the next evening) and "a little night of music" (which came next)...this was the time that closing credits for GMA's live, station-produced shows simply ended with "GMA TV engineering"...

Mas gusto ko yung ibalik yung mga late-night variety shows on weekdays.... kasi puro na drama yung pinapalabas.....

Then the sitcoms can be placed as pre programming to Eat Bulaga..... Yun sana ang gusto kong mangyari in the future....

Come to think of it..... I also remember Patrick Guzman dati... he started out on GMA via "Penthouse Party" but eventually... tumagal career niya sa ABS-CBN via "Ready Get Set Go".... tapos na-typecast siya sa Viva Films as Gelli De Belen's love team (replacing Raymart Santiago who ventured as a junior action star).... in fairness to him he also showed he can do drama opposite Sharon Cuneta and Gabby Concepcion in "Una Kang Naging Akin".....

when Patrick transferred to Octo Arts Films, he was able to do drama and action. But because of stiff competition.... and decline of movie production he quit.

Last time I saw him was in "Kung ako Na Lang Sana" opposite Aga Muhlach and Sharon Cuneta. Short role lang yun as Sharon's suitor who turns out to be a closet gay!

Si Dale Villar nakaka-miss din..... he lost his luster following the Jojo Veloso scandal....

tanda ko pa ang **Kaluskos-musmos**

na miss ko iyang mga batang artista doon...

ako cguru lahat ng koreanovela ng gma especially endless love 1 (Autumn in my heart), winter sonata (though mas gusto ko ang first), stairway to heaven, full house, jewel in the palace, jumong, kim sam soon. yan ang mga namimiss ko. hehe. pde ba ito sa thread? hehe..😁

tpos miss ko rin \*\*\* dating SOP, mass man, jet man, power rangers, mask rider black (tama ba?), fushigi yugi, blue blink..

*hindi ko makakalimutan ang longest running teleserye ng ABS ang Mara Clara na sinubaybayan hanggang sa maging primetime bida ang schedule nito.*

*Anyone remembers Hoy! Gising!?*

of course... didnt this start out as a TVP segment? along with Balitang K and Knowledge Power? until they made Noli a sole host.

if my memory serves me right, the late "ka kiko" evangelista handled the original "hoy, gising!" segment noon sa TVP, until, of course, it was spun off into the full program...

kris aquino, by the way, was the original third co-host of "hoy, gising!" alongside ted failon and korina sanchez for a while--and was even given her own segment called "KRISis kornet".

### **HINDI PO SI DAWN ZULUETA ANG KASAMA NILA... SI ANTHONY PANGILINAN PO**

nope, kasama nga talaga si dawn zulueta doon--you'll see a glimpse of her in the second "penthouse party" video link i posted...and, gaya nung nabanggit ko kanina, she was a late addition to the roster of hosts--if i remember right, isinama siya sa show a few months before it was taken off the air and--again, as i mentioned--replaced by "RSVP" which dawn herself hosted.

but yes, you're right about anthony pangilinan. i suddenly remembered na he was part of that show, too.

Starstudio Presents pero na-outlive sya ng spin-off magazine nito na Starstudio Magazine

^^

I remember this! Parang Star Magic Presents lang ito eh. Weekly, may iba't ibang stars tapos may sariling title. Drama anthology nga kumbaga. This was aired from 1999 to 2001. Bago mag-ASAP 'to. Ito ang pumalit sa Kaybol: Ang Bagong TV.

Dati saksakan ng yaman yun..... tapos... nawala lahat sa kanya..... ayun sa squatters nakatira.....

Anyway, saludo ako kay Lolit... isa siyang tunay na showbiz survivor~

Maraming mga antholgy programs a^ng ABS since nung 90's pa. Naalala ko Flames, Tara Tena, Wansapanataym, Tanging Yaman the TV Series, Connie Reyes on Camera (via Zoe TV), iyung anbthology show ni Maricel Soriano, Maalala mo Kaya at Calvento Files (nagtataka ako palagi kung bakit iyung mga iniinterview doon ay palaging nakatago iyung mukha, and now I know why).

Add ko na rin Love Spell na nagshift from a monthly anthology series format to a 13-week season format hanggang sa final season ay nag-weekly format na ito. Your Song, akala ko noon hindi magtatatagal since usually, kung napapdalas ang rerun ng past episodes nito ay signos na ikakansel ito. But up till now, Your Song is now on 3rd year and still going strong. Same with Komiks na naka-ilang bese na naghiatus ay nasa ere na rin.

ang "scoop" yata ang pumalit sa binakanteng time slot ng "see true" sa IBC (after the latter show moved to GMA). long hair pa si manay lolit noon. 🙄

tapos, mga 2 years after ABS-CBN reopened, lumipat naman doon ang "scoop"--naging daily show ito renamed "cinema scoop", still with the same hosts, and aired just before "TV patrol".

at nababanggit na rin lang si boy c. de guia...after "scoop"/"cinema scoop" folded up, sinubukan pa niyang tapatan ang "that's entertainment" ni kuya germs with a saturday show called "starbrighters" sa channel 4, na panay mga bagong talents din ang cast.

and still on the subject of now-defunct showbiz programs...medyo obscure siguro ito for most of you, pero naalala ko lang bigla..."sine silip" with oskee salazar, julie fe navarro (both deceased), letty celi, plus 2 then-newbies who would later work together as reporters/anchors for NBN-4: louella de cordova (later malvar) and rocky ignacio. pantapat ito noon ng IBC sa 6pm weeknight slot sometime in the early '90s...

ginaya nga ito ni bossing vic sotto si oskee salazar noon sa mixed nuts gag show ng gma7 w/ ali sotto, joey, candy pangilinan na ginaya ni bossing si ernie baron as ernie barong

*'yung ellinwood malate church choir 'ata 'yun, if i remember right...tuwing sign-on and sign-off pinapalabas 'yun ng GMA, 'yung "hallelujah" na may halong mga shots from all around the philippines...*

*pinalitan nila ito sometime in the mid-'90s ng isa pang choir--hindi ko lang alam 'yung kanta...pero parang may "hallelujah" rin 'ata... 🙄*

*tapos lagi ring binabanggit sa sign-on and sign-off ng GMA ever since 'yung lahat ng mga provincial station nila...*

the song that was sung by the Ellinwood Malate Choir during the old GMA sign-on/sign-off was the Hallelujah chorus of "Messiah" by Georg Frederic Handel. 😊

eto...tatal, malapit na ang MMFF '08 kung saan kasali ang "iskul bukol" reunion movie, here's a clip from the said sitcom...mga mid-'80s na ito, at tapos na sa wanbol U ang escalera brothers at si ungasis by this time--naging mga abogado ang tatlong mokong, at nagtayo pa ng sariling law firm...

<http://www.youtube.com/watch?v=514gXUSV9S4>

may part 2, 3 and 4 pa 'yan...sharon cuneta was a guest on that episode--not as sharon escalera, ang baby sister nina tito at joey, kundi as herself...

malalaman 'nyo rin sa part 1 clip (specifically, at 2:46) na ang first name ni miss tapia (mely tagasa) ay auring--at least, according to mang tem-i...nanligaw pala ang may-ari ng canteen sa propesora ng wanbol U...🤔

also seen on part 1 are tonette macho (na graduate na rin noon at naging showbiz writer, according to the clip), and the canteen waiter who might be ariel villasanta (a.k.a. ang "better half" ni maverick)...🤔

*speaking of tito vic ad joey, nabanggit ni Joey De Leon minsan sa article niya (either sa Philippine Star or Manila Bulletin) na after TVK folded up on IBC(?), they had the show moved to the newly reopened ABC-5 where their show came to be known as TVJ sa 5 but was cancelled after only one or two episodes.*

yup, the three returned to IBC a few short years after "iskul bukol" folded up to do a gag show called "TVJ: TeleVision's Jesters"...yung isa sa mga sketches na naaalala ko from there was the spoof newscast called "coconut news ngayon"--tito and joey were the newscasters, at si vic naman si ernie barong ("may biyak sa likod!")...

tapos lumipat nga sila sa ABC after a while to do the same gag show, pero, i think, under a different producer--one episode nga lang ang itinagal nung "TVJ on 5" because of, if i'm not mistaken, copyright issues sa title...

after a few weeks, though, vic and joey were back on ABC with a sitcom vic himself produced (through his m-zet productions), entitled "rock and roll 2000"...sa isang diner in the 1950s ang setting ng sitcom, at ang naaalala ko na lang na mga kasama nina vic and joey doon were val sotto and jimmy santos (silang dalawa 'yung "resident kontrabidas" ng sitcom, called "the goose brothers")...

^that was, according to Joey de Leon, the shortest sitcom on Philippine Television (if your'e not going to count TVJ's run on IBC)

up ko lang 'to... 😊

and this i learned from a few of VSPRODUCTION's youtube videos from the original run of "the sharon cuneta show" sa IBC-13: ang "opening billboard" pala nito noon was just a short clip of sharon singing this song:

*"Dear friends,  
I'm so glad you made it  
To our show for tonight...  
You've made it so special  
Now, everything's just right..."*

joey de leon was sharon's first co-host, even until the time she transferred to ABS-CBN (although mga isa o dalawang taon lang from that point) which makes him 1) one of the few TV hosts seen all 7 days a week at that time--he had TSCS, along with "iskul bukol", "eat bulaga", "TODAS", etc. (another host who had a similar trend back then was, of course, german moreno), and 2) one of the few male hosts na naging madalas na co-host ng mga female stars who had their own musical-variety shows back in the '80s--apart from being sharon's co-host, he was also, if i'm not mistaken, vilma santos' original regular co-host on

"VIP" (roderick paulate eventually fulfilled that role even until vilma's transfer to GMA...and joey would also be a guest co-host on "vilma!" a few times)...he was also on alma moreno's "the other side of alma" (or was it her other show, "rated a"?)...kulang na lang 'ata, pati sa "superstar" ni nora aunor (which, curiously, was aired "next door" at broadcast city and RPN while sharon's show was running on IBC) at sa "maricel live!" at "maria, maria" ni maricel soriano...🇵🇭

I remember Solar's humble beginnings from 10 years ago, it started out as one run-down looking Pinoy-owned cable channel known as "Solar: Ultimate in Suspense an Action". It basically aired the same kind of programming content coming from C/S and JackTV combined. Some of its earliest shows I remember was WWE, The Invisible Man, Highlander, some Japanese animes (Ninja Robots[?] and that show about 12 zodiac human-like animals)as well as Korean animated series (same set of Korean animes also being aired on Arirang TV like Babel II). UFC was also aired.

It had several name changes, from Solar to Solar USA to simply USA. By the time it is now known as USA, it had already a sister channel ETC (2004 or 2005). They had this joint-talent search program na mala-MTV VJ Hunt. Winners eventually went up to Sib and Sam Oh who were each given their own show from their respective channels, the Sib Show and Rated Oh. Sib's show moved to JackTV (when it was running on a half-day basis with what's left of USA) while Rated Oh lasted longer than Sib's original show (which was renamed The Jackyard and Sib got sacked later on).

ETC later spun-off another channel, ETC 2nd Avenue, placing all its excess shows there like Today, Starting Over, Entertainment Tonight and The Insider. Eventually going solely by the name 2nd Avenue, it also aired syndicated talkshows on cable, like Jerry Springer, Ellen, etc.

JackTV eventually became a 24-hour male oriented channel, while the remains of USA became the 24-hour crime and action channel, Crime/Suspense (later shortened to simply C/S), airing popular crime dramas like the Law & Order series, Murder She Wrote, and recent dramas like Chuck, Thief, Invasion, Heroes and Prisonbreak.

Solar Sports also came into the fore, being (at least on Skycable) the only Filipino 24-hour sports channel in the land. But because of its excess programming, it had them moved to a spin-off channel "Sports Plus". there were times that they were covering NBA games on either Solar Sports or Sports Plus. SP was eventually discontinued as many of Solar Sports' basketball shows all moved to a new convenient channel, Basketball TV/BTV.

Back on ETC, after Sam Oh retired her show "Rated Oh" last year just when she finally had a co-host, Kenny Waymack; another lifestyle show replaced it, with Kenny and a new co-host, Karen Pamintuan. The new show is called "Chillspot". Eventually, by mid-year (this year), Kenny resigned from the show and he was replaced by two new co-hosts with Karen intact.

Recently memory reminds us that these Solar channels moved either to Free TV and/or

moved to Global Destiny Cable. Recently, BTV became available again on Skycable, thank goodness!

actually, even before solar USA was called such, the channel that has now evolved into jacktv was simply known as solar entertainment--and yes, it was indeed one rundown-looking channel back then (mga bandang 2001-2002 'yun).

their earliest programming on that channel was a mish-mash of sorts: you had local and foreign movies, cartoons, foreign series, and even reruns of old pinoy dramas (among them "lovingly yours, helen" and another drama anthology whose title escapes me right now, hosted by rey langit). it was around, i think, 2002 or 2003 when solar entertainment switched audiences and genres (thus, the name "solar USA: ultimate in suspense and action", which, after another year, became simply "USA" before it finally became jacktv).

kasi nung USA na sila, di talaga determined kung sino ang tinatarget niyang demos kasi mixed ang programing nila, when JackTV took over at least na determine kung ano ang gustong gawin ng Solar.

**naalala Ko Ang Big Ikes Happening Ni Kuya Ike Lozada Ang Theme Song Nun Ay Ang Tsop Ng The Three Degrees ... Tsop Or Papayo Of Game Knb Now...**

nabasa ko from various TV guides in the mid to late '70s and '80s na nagpapalit-palit ito ng channels at time slots throughout its run--sa GMA (just after the jimenez-gozon-duavit trio took over) as an afternoon show ("ike's big happening" pa noon ang title niya), then on RPN as a saturday night show (katapat halos ng "discorama" sa GMA), then to IBC as a weekly noontime show (friday or saturday yata...at that time, the show's complete title was "big ike's happening: young ones, young once"), tapos lastly sa BBC-2...

back in the day, the early regional telenovela was produced during the early or mid '60s when ABS just opened its O&O stations in the Visayas. This particular telenovela was made in Iloilo and although the actors and the language used is the vernacular, the script of the soap was a localized version of Manila's own telenovelas (I think that was "Hiwaga sa Bahay na Bato"?). Unfortunately, the Iloilo station does not have a big a studio like its Manila station and were transmitting from some cramped hut with a limited budget (since ABS was facing stiff competition against its media competitors, MBC et al. Many of the scenes that were shot were taken at night right in the middle of a road most often filled with heavy traffic during the day but seemingly abandoned by night. And since di uso playback noon, the actors were really required to read the scripts and by the time for taping, they should be able to memorize them by heart then.

i know you got this from the "kapitan" book...pero actually, jaime, sa radyo 'yan...and this was in bacolod, not iloilo, if i'm not mistaken.

medyo OT na ito (dahil nga sa radyo ito at hindi sa TV), pero babanggitin ko lang ito just to get the stuff straight...'yung unang studio ng DYXL (ABS' original bacolod radio station in the '60s) was a small quonset hut. at dahil sa space limitations, they thought of recording the drama programs--as you mentioned here--sa kalye during the middle of the night (dahil wala nang mga sasakyang dumadaan). may audio tape na at that time, i believe, para makapag-record ng mga radio shows in advance...

but--going back to TV--yes, you are right na prior to the advent of videotape (which would not be available to the philippines until around the mid-'60s), even soaps were done live, and in-studio only.

ah,sori my bad. It's been more than two months since i read that book again. its hard to pass by security in DLSU where they have that particular copy.

Well anyway, besides RBS and ABC, where there any other attempts by other media companies like RMN and MBC to venture into TV back then?

*Well anyway, besides RBS and ABC, where there any other attempts by other media companies like RMN and MBC to venture into TV back then?*

back then? well...MBC was the first network that owned and operated channel 11 in manila--that was in 1962, at halos kasabay (o magkasunod sila) ng original ABC (under the manila times/roces family) in going on air sa TV. the channel became ABS-CBN's fiercest TV competitor pagdating sa local programming at that time.

ang RMN naman, ganito...don andres soriano (then the owner of san miguel corporation) struck a deal with the late henry canoy (the original owner of RMN) to co-own the then-fledgling radio network in the '60s (which by then already had a manila station, DZHP). nagkataon namang there was IBC (which originally stood for inter-island broadcasting corporation) and DZTV channel 13 owned by d!ck baldwin--RMN (through soriano) bought into that station but still kept the network's name...kumbaga, more like sister companies sila (unlike ABS and CBN which became one entire network). IBC's channel 13 was the fourth TV station in manila to go on the air.

roberto benedicto (the owner of KBS/RPN and, in 1973, BBC-2), in turn, bought IBC and its entire TV network from RMN in 1975 and re-branded the network as intercontinental broadcasting, as he established what was to become the broadcast city "empire" of the '70s and '80s.

^I mention this already on past pages, the Lopez, because of their friendship with the Benedictos, gave RPN some moral support in the form of giving away equipment, human resources, and even the bright stars like Nora Aunor.

Eventually, tables were turned against the Lopezes partly because of what they did.

you should also check out the A&M's The Filipino Dubbers Thread and Philippine News Update, current discussion there are about past dubbed shows deemed greatest back then (one Shinobi Ninja posted a complete list of credits from past ABS-CBN anime shows like Magic Knights Rayearth), and the golden age of anime (when networks used to give animes a priority by having them placed on primetime) respectively.

eto pa...some more local shows na posibleng nalimutan na ng mga certified couch potatoes d'yan...

"good morning showbiz" - daily showbiz talk show with german moreno and rina reyes (former actress na anak ni baby o'brien at apo ni paraluman--saan na kaya siya ngayon?) aired after "kapwa ko, mahal ko"...the show was yanked off the air after a short while, and was replaced by a sitcom (curiously, also with kuya germs, rina and ike lozada) called "golpe de gulo".

"mga kasaysayan sa likod ng tv patrol" - a daily drama anthology aired right before "TV patrol" sometime around 1989 (this premiered the same week as "eat bulaga"'s transfer to ABS)--stories dramatized here, apparently, were based on various cases reported on the newscast's "pulis report" segment.

"action 9" - daily public affairs/public service program on RPN from around the mid-'90s, originally hosted by dong puno (then fresh off leaving GMA and his long-running "viewpoint"), along with rey langit, mon tulfo, and a then-newbie by the name of chiqui roa...dong and chiqui both did not stay long (the former, for one thing, moving to ABS to become their news chief), while angelique lazo eventually joined langit and tulfo.

"blotter" - this was, perhaps, the only daily news broadcast in history devoted only to crime stories...sa RPN din ito sometime in the late '80s, aired just before the early-evening "newswatch" broadcast and anchored by long-time RPN reporter dodie lacuna. ang sabi, ito raw ang naging sagot ng RPN sa popularidad ng "pulis report" segment sa "TV patrol".

"modern romance sa telebisyon" - hosted by nora aunor on GMA...dramatization ito ng mga pinoy romance novels...along with "villa quintana" (na ka-back-to-back nila), this was GMA's first attempt to bring back the soap opera genre into the early-evening time slot since the demise of "anna liza" (and julie vega).

"alas dose sa 13" - on IBC sometime around 1999, their first attempt at a noontime show

after a long time...naging pagbabalik din ito ni eddie ilarde (who also produced the show) sa noontime television after a short-lived attempt at reviving "student canteen" on RPN in 1989...ilan sa mga naging co-hosts niya rito include ang mag-inang boots at chiqui roa, radio commentator mario garcia and jong cuenco (one of randy santiago's original "hawi boys", and a co-host of GMA's "a little night of music")...

modern romance sa telebisyon- naalala ko to. Actually, natatawa ako palagi klapag pinapanood siya ng yaya ko noon. Naalala ko, a0ng stage setmay pagkawhite-ish blue na konting rec (iyung mga ilaw). tapos may parang book rack kung saan nakasabit doon ang mga romance novels.

Di ba week long ang duration sa pagkuwento ng mga nobela?, naalala ko talagang babasahin ni Nora yun hanggang sa ililipat na ang emphasis sa featured story ala MMK.

i came across 'yung "jumbo jackpot show" sa mga TV guides na nababasa ko noon (dahil wala lang) sa library namin noong college, pero sa pagkakataon ko, '80s na 'yun, kasabay nung ibang shows na produced by gil balaguer for GMA ("germspesyal", "sapak talaga", "geebees sine-tv balita", etc.).

'yung version ng "big ike's..." sa GMA, 1974 'yun--and i remember this well kasi sa mga nabasa ko, may ads noon everyday ang GMA sa dyaryo (bulletin today, to be exact) noong 1974 (pagkatapos nilang ma-rebrand into GMA) with their primetime schedule; may "ike's big happening" na kasama doon sa weekend schedule nila (i'm not sure now kung sabado o linggo 'yun).

'yung may "young ones, young once" na title, as i mentioned, sa IBC-13 na 'yun. may video ng promo plug ng "young ones, young once" sa youtube...

*Anyone remembers Hoy! Gising!?*

"Hoy, Gising!" started as one of the segments for ABS-CBN's TV Patrol back in the late '80s when the late Frankie Evangelista was still around. He conceptualized this portion to call the attention of the authorities on the abuses of some of the officials in their duties to the society.

It later crossed over to radio through DZMM as an hourly plug, and much later towards the early 1990s, Ted Failon converted it into a full fledged daily public affairs program in the late afternoons (4PM i believe was its time slot before).

It went on for roughly 2-3 years after that before it was discontinued as a result of Frankie Evangelista's demise and Ted Failon's abandonment from ABS-CBN at the time because of his calling to enter politics in his home province of Leyte.

wow... so ibig sabihin, yung 'modern romance' ang pumalit sa timeslot ng 'anna liza' (6pm)? 😊

ay, hindi...what i meant was, kasi pagkatapos mawala ng "anna liza" (which was after julie vega died), matagal ding hindi naglagay ng soap opera sa early-evening slot ang GMA, mga 10 years din halos--mainly because by and after 1986, nagkaroon na ng "that's

entertainment" (which was originally on the 6-7pm time slot, pero eventually nalipat sa late afternoon), then "GMA balita" (which was originally at 7pm, pero umakyat sa 6:30pm, dahil din hindi na ginawang "standard" ang oras ng early-evening newscasts during the cory administration) and "eye to eye"...ang tatlong show na ito, for a long time, ang nagsilbing pre-programming sa primetime ng GMA.

mga 1994 o '95 nag-premiere 'yang "modern romance...", if i remember right. tapos, 'yun nga, ginawang back-to-back with "villa quintana" sa 5:30-6:30pm (or was it 6-7pm?) time slot, in an attempt to bring back the early-evening soap opera "habit" that viewers had in the '80s. ayun, tuloy-tuloy na, and the rest is history. ang dating early-evening soap block na 'yan sa GMA, nag-evolve within the next 10 years or so at naging "GMA telebabad" block...ang RPN naman that time, nag-import mula sa mexico (si thalia). at dahil naging hit si "marimar", kumontra naman ang ABS at nilipat ang "mara clara" nina juday at gladys mula hapon papuntang gabi (much to the disappointment daw ng mga news people, dahil binawasan ng 30 minutes ang "TV patrol" for a while because of that)--that, too, evolved into what is now their "primetime bida".

thanks ha... hehehe... 🇵🇭

naligaw nang landas:

Di ko makita un'g clip ng Young Ones Young Once, a-ng nakita ko lang ay iyung isa ring lunchtime show ng IBC a few years ago, Lunchbreak. Last time na nagvariety show pa sila ay nung meron pang Chowtime Na! with April Boy Reino, Bobby Yan, etc. That time, ABS's daytime ratings in Mega Manila were at its lowest (2005 when they launched their "30 New Shows" campaign) that it reached to the point Chowtime Na managed to beat an ABS-CBN show (particularly Most Requested Show hosted by Roderick Paulate and Amy Perez) by a few points.

I was reading the discussion of our anime brother from the A&M thread "Filipino Dubbers Thread" and was surprised by that Jolina Magdangal was involved on singing the theme song of Magic Knights Rayearth beside the three lead dubbers.

Other than that, back in the '90s you may have all remembered Mask Rider Black right? It aired on Sunday afternoons at around 3pm. Many people thought that Kuya Robert Akizuki and Stephen are blood brothers but that was at least true for the Philippine dub. The original premise is that Robert/Kotaro Minami was adopted into the Akizukis. Stephen/Nobuhiko/Shadow Moon are brothers in name but grew up being the best friends. Not sure if IBC or even ABC aired its sequel "MR Black RX" since doon itinuloy kung ano na ang nangyari kay Stephen. (His Kingstone was destroyed by Black, gave up his life saving the kids he kidnapped early in that particular episode, and return as Nobuhiko in full-clothing when he died)

RX was the basis for Saban's Masked Rider, the American remake of the Kamen rider franchise and sister show of Mighty Morphin Power Rangers (aired by ABS back in the 90s

and is still airing recent seasons of the franchise starting from Wild Force) which saw the light of day here every Saturday evenings on ABC-5.

ahh, okay...

parang narinig ko na nga 'yang "mirasol del cielo"--ni-replay yata 'yan sa early-evening slot ng IBC-13 sometime in the 1990s (gano'n din 'yung "ang manok ni san pedro", which was an RPN show).

'tsaka naalala ko, nagkaroon pa pala ng "andrea amor" (ironically, starring janice de belen, whose "flordeluna" on RPN ang kinalaban ng "anna liza"), which went on air the same week na nag-premiere ang "that's..." (january 1986), although nasa late afternoon slot siya (dahil kasunod nito ang "that's..." at 6pm). after a short while nga lang, lumipat ang show sa IBC-13.

active pa naman si luz valdez 'tsaka si caridad sanchez...luz valdez is in "saan darating ang umaga?" right now...si caridad, kakatapos lang sa "asero".

may gusto akong idagdag na couple na medyo "missing in action" lately: ang mag-asawang robert arevalo at barbara perez.

hindi ko akalaing pagiging newscaster pala ang naging "sideline" ni robert arevalo noon--i read na naging co-anchor niya si mel tiangco sa "balita ngayon" (unang early-evening newscast ng ABS after it reopened--which was also the title of one of their pre-martial law newscasts), tapos nakasama rin sa "TV patrol" (which took over "balita ngayon") for a short while noong nagsimula ito (pinalitan siya ni frankie evangelista).

I watched the documentary of TV Patrol in lieu of their 20 years being on air, yup Robert Arevalo used to be a newscaster for the program.

Telesine actually comes on a Sunday night.

Ka-campus Siroin, paki-correct.

BTW, who remembers Familia Zaragoza?

sa lmg nabanggit mo, KKL at Beh lang ang naalala ko, bukod pa sa Telesine

BTW, have you guys noticed (sa mga may Velvet sa cable nila), iyung font ng Good Morning America ng ABC sa US at ng dating font ng GMA-7 logo (the recent one before the present logo was used in 2003/2004) halos, kung hindi saktong, magkapareho ng disenyo? May kinalaman ba ito kaya sa dating affiliation ng dalawang network nung 1960's nung ginawang exclusive at the time ang mga shows ng ABC ang GMA.

on Familia Zaragoza, may nabasa ako sa isang thread na isa sa mga cast ng show na yon noon ay isang batang Angelica Panganiban, kasama rin ata sa cast si Edu Manzano. Kaso wala akong naalala sa soap na to. Daytime soap ba to ng ABS noon?

Yah..familia zaragoza sundays 530 pm last 1996. childstar angelica panganiban yon, kasama ang mga dating childstars na sina john pratts, paola peralejo, stefano mori, carlo aquino, princess shuck

at ang mga senior stars na sina gloria romero, janice de belen, john estrada, jaclyn jose, gina pareno, zsa zsa, rita, ricky davao, jean garcia (hindi pa sikat si jean na kontrabida during that time), cheri pie , etc. etc.

ah...Since then pala, uso na sa ABS ang maglagay ng daytime soaps sa 5:30 slot o hindi talaga panghapon. Reminds me of their past daytime soaps since Recuerdo de Amor na 5:30 or 6 ng gabi inere since 2004: Mangarap Ka, Sarah the Teen Princess, SCQ Reload, Calla Lily (not the pogi-emo-rock band) and more recently, Sineserye

at 'yan ang ipinalit sa "mel and jay" nang mag-resign from ABS ang mag-partner (remember that whole shebang about their getting endorsements, in connection with dong puno's directive [back then] to all ABS-CBN news on-cam talents na bawal 'yun?)...

naaalala ko 'yung time na "familia zaragoza" won best daytime drama series (if i'm not mistaken) from the PMPC's star awards...it was the time na binoykot ng ABS at lahat ng mga talents nila ang awards show--incidentally, isa sa mga nag-present ng award ay si jaclyn jose, who was a cast member (as mentioned here). siya na tuloy mag-isa ang tumanggap ng award para sa show nang malamang walang taga-"familia zaragoza" (or taga-ABS, for that matter) ang naroon.

bat nila binoykot ang awards night?

I think kasama rin si Janice De Belen.

I can vividly remember Familia Zaragoza....

It was a star-studded soap opera of 90's featuring top billed by Ms. Gloria Romero and Gina Pareno..

I was 10 yrs old back then, while my brother watches Machine Man on IBC 13, pinapanood ko naman Familia Zaragoza sa kapit bahay.. Magkatapat kasi sila ng time-slot before...

One of the dreadful contravidas there was Paula Peralejo..  
Magkakapatid sila sa ama nina Princess Shuck, Carlo Aquino Stefano Mori and John Pratts..

May mga newcomers din like robin daroza and joshua spafford..

It's about the story of two family matriarch.. Dona Amparo(Gloria Romero) and (Gina Pareno's character). Dona Amparo's family was thought to be the legitimate Zaragoza family, but it was actually Gina Parreno's family..

gloria romero's role there was definitely poles apart from another character of hers that a lot of us surely remember--the whisky-swiggling tita minerva sa "palibhasa lalake". 🇵🇭

GMA Telesine was originally shown Sunday evenings, tapos na-move to Thursday evenings at bumalik sa Sunday evenings.

Familia Zaragoza replaced Mel and Jay on the 5:30 PM Sunday timeslot. Eddie Garcia was actually the patriarch of the family who eventually died.

The ABS-CBN boycott of the PMPC Star Awards was because of its purported claim that the showbiz writers who comprise the group were biased. Ni hindi sila nagpapadala ng video clip na ginagamit sa Star Awards or artista. Kung may dumaan mang artista sa ceremony, it's because of their own volition.

Nagkaroon din ng similar boycott ang GMA in the recent years. GMA's boycott also sparked the breakup of PMPC. According to the breakaway faction, binabayaran ng ABS-CBN ang mga writers para mga artista nila ang manalo, hence EnPress.

*ay, hindi...what i meant was, kasi pagkatapos mawala ng "anna liza" (which was after julie vega died), matagal ding hindi naglagay ng soap opera sa early-evening slot ang GMA, mga 10 years din halos--mainly because by and after 1986, nagkaroon na ng "that's entertainment" (which was originally on the 6-7pm time slot, pero eventually nalipat sa late afternoon), then "GMA balita" (which was originally at 7pm, pero umakyat sa 6:30pm, dahil din hindi na ginawang "standard" ang oras ng early-evening newscasts during the cory administration) and "eye to eye"...ang tatlong show na ito, for a long time, ang nagsilbing pre-programming sa primetime ng GMA.*

*mga 1994 o '95 nag-premiere 'yang "modern romance...", if i remember right. tapos, 'yun nga, ginawang back-to-back with "villa quintana" sa 5:30-6:30pm (or was it 6-7pm?) time slot, in an attempt to bring back the early-evening soap opera "habit" that viewers had in*

*the '80s. ayun, tuloy-tuloy na, and the rest is history. ang dating early-evening soap block na 'yan sa GMA, nag-evolve within the next 10 years or so at naging "GMA telebabad" block...ang RPN naman that time, nag-import mula sa mexico (si thalia). at dahil naging hit si "marimar", kumontra naman ang ABS at nilipat ang "mara clara" nina juday at gladys mula hapon papuntang gabi (much to the disappointment daw ng mga news people, dahil binawasan ng 30 minutes ang "TV patrol" for a while because of that)--that, too, evolved into what is now their "primetime bida".*

You forgot to mention Kadenang Kristal which replaced Modern Romance, starring Amy Austria, Rio Locsin, Maricel Laxa and another actress I forgot. Bago mag-Villa Quintana yung Kadenang Kristal, a drama produced by Television and Production Exponents (TAPE). Ang theme song pa nga nito ay kinanta ni Aiza Seguerra. Etong back-to-back dramas ang tumalo sa TV Patrol during that time.

*you should also check out the A&M's The Filipino Dubbers Thread and Philippine News Update, current discussion there are about past dubbed shows deemed greatest back then (one Shinobi Ninja posted a complete list of credits from past ABS-CBN anime shows like Magic Knights Rayearth), and the golden age of anime (when networks used to give animes a priority by having them placed on primetime) respectively.*

The Golden Age of Animé began in 2000 when GMA resurrected Voltes V. Dapat sana, Wednesday evenings ipapalabas ang Mazinger Z, kaso lang nasira ang videos ng GMA. On Friday evenings naman, Voltes V at 7:00 PM while Daimos at 7:30 PM.

Nung naging successful, na-acquire ng GMA ang Ghost Fighter which started November 6, 2000 (if my memory serves me right). Sa afternoon slot naman pinapalabas ng GMA ang Gundam Wing. Ang naging kalaban dati ng Ghost Fighter ay ang telenovela na Chubelita.

After the tremendous success of Ghost Fighter, the tandem of Lupin III (Mondays, Wednesdays and Fridays) and Flame of Recca (Tuesdays and Thursdays) replaced it. Kasabay naman nito sa ABS-CBN ang Rosalinda. Maagang natapos ang Flame of Recca kaya ginawang daily ang Lupin III. Tuloy-tuloy naging successful ang mga animés on GMA kaya nagkaroon ng Pokémon on Friday evenings (which replaced Voltes V), Fushigi Yuugi (which replaced Daimos).

In the same week of the premiere of Fushigi Yuugi, nagkaroon naman ng bagong primetime ang GMA--Animé Revolution. Eto ang kanilang schedule:

Mondays - Hell teacher Nube  
Tuesdays - Ranma 1/2  
Wednesdays - Master of Mosquiton 99  
Thursdays - Monster Rancher  
Fridays - Vision of Escaflowne

Sumunod na nag mga animé series na Trigun, Hunter X Hunter, Sorcerer Hunters, Bubblegum Crisis, Dragonball Z.

May term na inaplay noon a-ng GMA sa animes na inere sa primetime MWF and TTH based sa mga ads nila noon. Di ko lang maalala ng tama pero WeAreAnime a\*ng description madalas sa mga MWF shows at Anime Revolution for TTH (correct me if I'm wrong).

I don't remember Ranma 1/2 airing on GMA unless it was aired on 2001 (I was out of the country for a year). Although Ranma aired on CN (Nung wala pang CN Philippines pa; they also aired the OVA of the series) and on RPN.

Bubble Gum Crisis was on Thursdays i think, Hunter X Hunter aired 2002/2003 mid-year on an afternoon slot (again, paki-correct na lang kung mali a-ng binanggit kong initial air dates) and DBZ was also in a weekday afternoon slot as well (staying put well until GT).

Trigun, I think it was on Tuesday nights, while Sorcerer Hunters (can't remember watchnig this until it was aired again via Hero).

yes i also remember at the yr of 1999, ang replacement ng Voltes V at Daimos every friday ay Pokemon at Combattler v na tumagal ng ilang weeks then replaced by Fushigi yuugi

And i also recall some classic korean series first aired in 2003, like endless love: autumn in my heart and stairway to heaven in 2004.

BTW, January 1998, ABS capitalized the success of Ghost Fighter by airing the Yuyu Hakusho OVA on a Friday night. I remember this since I just came from school field trip in Enchanted Kingdom and was shocked to see Ghost Fighter airing on ABS.

I can vividly remember Familia Zaragoza....

It was a star-studded soap opera of 90's featuring top billed by Ms. Gloria Romero and Gina Pareno... **elizabeth oropesa and tommy abuel too**

I was 10 yrs old back then, while my brother watches Machine Man on IBC 13, pinapanood ko naman Familia Zaragoza sa kapit bahay.. Magkatapat kasi sila ng time-slot before...

One of the dreadful contravidas there was Paula Peralejo..

Magkakapatid sila sa ama nina Princess Shuck, Carlo Aquino Stefano Mori and John Pratts..

**correctional... ang magkakapatid dito (anak nina rita avila and ricky davao) ay sina john prats, glaiza soriano and paola peralejo..**

**on the other side , mga anak ni jaclyn jose (na namatay agad sa istorya) ay sina angelica panganiban, princess shuck, carlo aquino and stefano mori (mga childstars pa sila noon)**

May mga newcomers din like robin daroza and joshua spafford..

dmfrisco machine, you could make use of the quote function na lang, medyo masakit sa mata un madalas mong paggamit ng bold letters tuwing magko-quote ka 🇵🇭

*Kiss Mo 'Ko not Kiss Muna.* 😊

na-confuse mo 'ata ang joey de leon-elizabeth oropesa-ara mina-jomari yllana sitcom ("kiss muna") with the dingdong-toni-dino-kim-polo-sunshine movie. ("kiss mo 'ko") 🇵🇭

anyway...'yang sitcom na "kiss muna" 'ata ang isa sa mga naging "mitsa" ng pagkaka-develop-an nina jomari at ara, lalo't dahil mag-"love interest" ang mga respective characters nila. gary estrada was also part of the sitcom (his character's name was versanti--an obvious play on versace), pero bowed out after a month or two.

oo naman...'di ko lang binanggit in detail, pero 'di ko nakakalimutan 'yan, plus the other TAPE-produced late afternoon/early evening soaps on GMA like "mia gracia" (jessica "graciaaaaaaaa!" cortez--later known as samantha lopez--in a dual role) and "del tierro" (eddie gutierrez was the clan's patriarch in this series)...

still on the evening slot...there were also the viva television-produced soaps like "ikaw na sana" (bobby and angelu--need i say more?), and "halik sa apoy" (ynez veneracion, and--kung hindi ako nagkakamali--carmina villaroel), and one of the network's first "solo"-produced/in-house soaps, "'di ba't ikaw" starring jessa zaragoza (whose hit song of the same title inspired that soap opera).

and that was still at the time that all the "vertical programming" (i.e., weekly primetime shows) started after all those soaps, at 7:30pm. \*sigh\*...what a difference more than 10 years make. ngayon, ang weeknight primetime, halos panay horizontal programming (i.e., all-monday-to-friday-long ang takbo) na. 😞

"Di Ba't Ikaw" also had an all star cast with Jessa Zaragoza, Jomari Yllana, Jao Mapa, Ciara Sotto, Gabby Eigenmann, Romeo Vasquez, Julio Diaz, Edu Manzano (he actually replaced Romeo in the series as one of the lead villains), Jake Roxas (who later left the show after Viva offered him the lead role in "May Bukas Pa") and Angelika dela Cruz.....

"Sana ay Ikaw na Nga" also had an all-star cast to back up Dingdong Dantes and Tanya Garcia. They had Jaclyn Jose, Tirso Cruz III, Eric Quizon, Roxanne Barcelo, Angelu de Leon, Bobby Andrews (actually Angelu and Bobby were considered as second leads), Elizabeth Oropesa, Chinggoy Alonso, Wendell Ramos, Ryan Eigenmann, Meryll Soriano, Red Sternberg, Tita Munoz, Maricar de Mesa and Chito Ponce Enrile. However, the biggest casting coup that "Sana ay Ikaw na Nga" made was the inclusion of comedian/TV host **Joey de Leon** in the series as Dr. Ricardo Peron, the long-lost father of Tanya Garcia and the true love of Jaclyn Jose's character. Nabigyan ng maraming dramatic highlights si Joey sa show and this was one of the reasons why tinutukan ito ng marami.... pati na ako.

Joey's inclusion in "Sana ay Ikaw na Nga" prompted ABS-CBN to include MTB main host John Estrada in "Kay Tagal kang Hinintay" opposite Lorna Tolentino. However, unlike Joey who re established himself as master TV host/comedian after his stint in the GMA drama, John Estrada stuck to the soap opera genre at tuluyan nang iniwan ang noontime TV hosting stint....

My all time favorite gag show aside from "Bubble Gang" is "Mixed NUTS" which marked Vic Sotto and Joey De Leon's comeback to GMA in 1994....

Speaking of star-studded soaps, nothing beats De Buena Familia on RPN9.. Headed by Ms. Rosemary Gil and her offsprings.. Cherie Gil, Michael De Mesa, and Mark Gil... with Lara Melissa De Leon, Janice De Belen, Joel Torre and a lot more... I can still vividly remember the show, but I really can't understand the story coz I was just in Grade1 back then... To me, it's like the local version of Dynasty...

It spawned 3 more soaps still with eigenmans on the lead..  
Boracay, Davao, and Cebu...

Those 4 soaps are still being shown on Flip TV cable channel..

**Ikaw Na Sana** was the network's answer to Claudine and Rico's **Mula Sa Puso**. It went back-to-back with the first run of **Gobingo** na nakalaban naman ng **Esperanza**. It was funny because there was a contest on Channel 2 na ang title is "**Mula sa Puso** ni **Esperanza**" and may ad naman ang GMA na "**Ikaw Na Sana** ang manalo sa **Gobingo**!" 😊

Then came Angelu De Leon's controversial pregnancy. Siya pa dapat ang magiging lead actress ng next GMA-Viva TV drama na **Ganyan Kita Kamahal**, a story about two warring families. Carmina Villaroel took over her role, while Gladys Reyes, who played contravida in **Ikaw Na Sana**, also played antagonist to Carmina.

After that short-lived TV drama, nag-venture ang GMA and Viva sa isang adult-themed

drama series, **Halik Sa Apoy**. Nakitaan nila ng potential si Ynez Veneracion in Ganyan Kita Kamahal so she played lead opposite Carmina Villaroel. Tirso Cruz III was father to Dino Guevarra and Kim Delos Santos played the role of Carmina's sister. The networked capitalized on the popularity of Kim and Dino who were launched in **TGIS** and who later had a movie **Ikaw Lamang**.

**Di Ba't Ikaw** replaced **Halik Sa Apoy** in the primetime block of GMA. Yes, it was the first network-produced soap. Starring Jessa Zaragoza (Patrice of **Villa Quintana**), I remember Alfie Lorenzo even comparing her with a figure-less Claudine. As the show was short-lived, GMA decided to replace **Di Ba't Ikaw** with **Ghostfighter** when the series ended in November.

**Mia Gracia** was shown before **Saksi**. I remember Mike Enriquez promoting the show as a Filipino Telenovela. Ito ang sagot ng TAPE sa **Marimar** ng RPN 9 which aired at a later timeslot at 6:30 PM. Eventually, GMA acquired two Latin telenovelas, **Agujetas De Color De Rosa** and in the new year of 1997, **Pobre Niña Rica**.

I was a bit confused with Di ba't Ikaw. They aired a promo, one was that they launch the series with a telesine-version on a Sunday night with the series proper premiering the next evening. I was a bit confused with that (in the sense that they had the series all wrapped into one TV movie before going on as a regular soap opera the next day). Then again, I could be wrong (i wasn't able to watch the telesine neither was I able to finish the soap's run).

teleserye\_analyst: Davao, Cebu and Boracay was re-aired too quite recently (around 2007) on RPN's short-lived noontime block "RPN USA". Along with its roster of classic telenovelas (before the word "teleserye" became the generic term for succeeding Pinoy soaps) are old comedy hits like the one with Redford White and Eric Quizon as well as John en Marsha (which continued on 2 years ago with the spin-off, "John En Shirley")

Speaking of teleseryes, sino nakakalala sa sopa ng GMA noon. One of the supporting

characters there was the gay guy assistant of Dingdong Dantes' character in Dyesebel. the title ends something like "...Bintana". Back then, I thought that guy was Ariel Ignacio's look-a-like (except that he looks taller). Recurring scene I notice is the one with the staircase outside one of the character's houses.

-----

Rerunning soaps and anthology series is quite rare in our local TVlandia. So far, some old GMA-produced soaps circa 2000-2004 as well as (Sana ay Ikaw na Nga, Ang Iibigin ay Ikaw, GMA Telesine all in QTV with the latter renamed as "QTV Gems"), RPN (Cebu, Boracay, and Davao), and ABS (Spirits on Studio 23, Super Inggo, Marina, Pangako Sa'\*\*, Wansapanataym, and Komiks), and TAPE (Connie Reyes on Camera on Zoe TV) were re-aired recently.

Sana magkaroon rin tayo ng sariling version ng SOAPnet gaya ng sa US in order for us to relive those unforgettable shows from the past. So far kasi, ABS-CBN's TFC channel, Kapamilya Channel, is the only one that airs old ABS-CBN shows but it airs overseas.

About **Di Ba't Ikaw**: The Sunday night premiere, dubbed as the world premiere of the soap, was actually four episodes long. It was the first four episodes of the series. The following day, nagsimula naman bale ang episode 5.

I think the soap opera you're referring to is **Villa Quintana**, starring Donna Cruz, Keempee De Leon, Jessa Zaragoza, Isabel Granada and Lander vera Perez. Philip Lazaro, Dingdong Dantes' assistant in **Dyesebel**, was a nilupak vendor and friend of Keempee (Isagani in the soap). And yes, it did have a lot of those scenes with the staircase. The same house was used in **Anna Karenina**, after the owners sold the house to the Monteclaros. Of course, Lynette and Isagani took their own lives as Romeo and Juliet did.

The first GMA soap to actually be under the helm of GMA Telebabad was **Ikaw Lang Ang Mamahalin** (Angelika Dela Cruz, Sunshine Dizon, Cogie Domingo, Sherwin Ordoñez, James Blanco, LJ Moreno and Mark Anthony Fernandez). They were having problems looking for a pair for Angelika Dela Cruz, so she was paired off with different men: Sherwin; a model named Russell C Mon who later became a soft porn actor; Mark Anthony Fernandez who was killed in the series because he got into drugs and drag racing after the Claudine Baretto breakup; and James Blanco, whom she ended up with in the end.

Because of the popularity of **Pangako Sa \*\***, GMA decided to put up a soap that will rival the show. It was **Sana Ay Ikaw Na Nga**, co-produced with Viva. They were pitting Dingdong against jericho and Tanya against Kristine.

The third soap of GMA on its Telebabad primetime block was Kung Mawawala Ka. Cogie Domingo was killed off in **Ikaw Lang Ang Mamahalin**, where he was briefly paired off with Chynna Ortaleza after Sunshine Dizon left the show. The following Monday, he was Carlitos Valiente, son of the town's representative to Congress played by Orestes Ojeda.

The fourth soap of GMA on Telebabad was **Ang Iibigin Ay Ikaw**. It had Alice Dixon, Lani Mercado, Christopher De Leon and Richard Gomez as the leads, but it also had AJ Eigenmann and Karen Delos Reyes. Karen was killed, but later it was revealed that Alice and Richard had another child who was stolen by Rio Locsin. That daughter was portrayed by Angel Locsin who was briefly paired off with Polo Ravales in the second season, **Ang Iibigin Ay Ikaw Pa Rin**.

After **Ikaw Lang Ang Mamahalin**, Angelika was paired off with Victor Neri in **Habang Kapiling Ka**. This marked the comeback of Snooky Serna to the small screen. **Sana Ay Ikaw Na Nga** was later replaced by **Twin Hearts** which also had Karylle and Dennis Trillo.

oops, my bad with the serial titles, and now I DO remember Villa Quintana, except maybe that I always remember hearing it as "Bintana" years ago, hahaha!

Correction na rin, reran GMA soaps are the following: Ang Mamahalin ay Ikaw, Sana Ay Ikaw na Nga, and QTV Gems)

thanks for the info about "ganyan kita kamahal"...while i was typing that whole bit about the co-produced soaps GMA had in the '90s, hindi ko maalala 'yung title nung isa pang viva-GMA soap that definitely had carmina as the lead...

i also remember 'yung "agujetas..." and "pobre niña rica", which were, i think, the first two latin soaps that GMA ever acquired--especially with the advent then of "thalia mania". that was also the time na GMA pitted its entire daytime-to-evening line-up as a whole primetime block (they called it "11/11 GMA primetime", dahil from "katok mga misis" at 11am until the end of "GMA network news" at 11pm ang itinuring nilang primetime) against what ABS-CBN called then as their "primetime 5:00-to-sawa" line-up.

mabanggit ko rin, still on the subject of soaps...may isang afternoon soap din (na co-produced) which GMA "transplanted" to the early-evening slot in january '97--it was "Ira", starring a very young (and very cute) shaina magdayao in the title role.

i didn't see much of "de buena familia" myself, but i loved how the gil-eigenmann family (rosemarie, cherie, mark, michael) was a casting coup in itself.

actually, this drama series (which i don't consider as "just" a soap, being that it was a weekly program--parang "a notch higher" ba?) came after "boracay," "cebu" and "davao" (which were also big RPN productions themselves).

si mark gil lang ang nasa "boracay", if i remember right...dina bonnevie naman was the lead female there, at sa club panoly ang exact setting nila doon. "cebu" was the first RPN drama that had the gil-eigenmann family as leads. pero ang mga bida naman sa "davao" were dawn zulueta, julio diaz and rustom padilla, along with marita zobel and the late eddie rodriguez. if i'm not mistaken, the peque gallaga-lore reyes tandem directed all three series, which were among the last big in-house productions RPN ever had before they became what they are now...

So far, RPN's back with at least some of its well-known shows like X-Files but nevertheless, being under the blocktime of Solar. I'm really hoping that the guys from RPN themselves would be able to find the time to improve their facilities and not just rely solely to Solar. No wonder RPN now goes under the name C/S 9 now, glad that the RPN identity is still being kept alive by its lone news and public affairs group, they still have to be at par with its fellow news programs from the other networks, technology and delivery-wise.

Same goes to IBC, which I think have gone good to average to worst for almost 20 years since it sequestration.

Guys, have you remembered ABS's attempt to try live-simulcasting its former noontime variety show, MTB with Studio 23? That was really a huge event, not only was it the premiere of ABS-CBN's then newest noontime show. Not sure how it turned out though, the 12nn simulcast was largely discontinued, except for its live airing of Myx from cable.

yeah, that's true, malaki ang naitulong ng solar sa RPN throughout the past 2 or 3 years that the company has "blocktimed" for the network, although the local content they tried to produce (under the "kasama mo" slogan back in '06--anyone remember "dalawang tiso" with freddie webb and eddie gutierrez, pat-p daza's "showbiz ka!" or ruffa's "philippines' next top model", among many others?) failed quite miserably. at mataas pa naman ang expectations ko noon na may talagang magtatagal among those local shows they made.

nakakapanghinayang lang siguro, in my opinion, that the quality and output of the post-EDSA/late '80s-early '90s RPN was totally gone by the 2000s--perhaps, mainly due to that whole sequestration thing. their old in-house shows that time like "buddy en sol", "young love, sweet love", the big dramas (as we mentioned earlier here), or even nora aunor's long-running "superstar" are all but memories now, dahil parang "tumandang paurong" ang RPN--even more with IBC.

as far as their news coverage is concerned, given that both networks are still closely identified with the government (though not as much as NBN which is government-owned, period), siguro hindi maaalis na may bias pa rin sa gobyerno ang pagbabalita nila as long as both networks aren't privatized. and as long as they're not privatized, even their news gathering facilities would still be pretty much backward, at maiiwan at maiiwan lang sila sa kung ano'ng meron sila ngayon sa broadcast city (which was once one of the most modern broadcast facilities in the '70s and '80s).

*mabanggit ko rin, still on the subject of soaps...may isang afternoon soap din (na co-produced) which GMA "transplanted" to the early-evening slot in january '97--it was "Iyra", starring a very young (and very cute) shaina magdayao in the title role.*

Shaina's mom in the series was Eula Valdes. Both transferred to ABS-CBN afterwards.

*My all time favorite gag show aside from "Bubble Gang" is "Mixed NUTS" which marked Vic Sotto and Joey De Leon's comeback to GMA in 1994....*

"mixed NUTS" definitely had the vic-joey signature all over it...for starters, vic's m-zet outfit co-produced the show with GMA, tapos si joey naman ang naging isa sa mga writers. and

the director (and one of the co-writers)? no less than bert de leon, himself a veteran of various TVJ shows.

parang "hybrid" na rin siguro 'to ng mga naging programa nila...for one thing, there was "tough hits 2000", based on the TVJ "tough hits" segment noon sa "discorama" (which also spawned several volumes of "tough hits" albums). there also was "alam ba news?", their spoof news segment ("anchored" by vic, joey and val sotto)--something which was also done in "TODAS" ("TODA[y']S news").

aside from val sotto, kasama rin sa cast sina yoyong martirez, ali sotto, candy pangilinan and jenine desiderio. special participation din ang referee ng "alaxan gladiators" segment noon ng "eat bulaga", known to audiences as "referee tauro pwisto" who "refereed" the "kwistyyuun!" Q&A-style jokes segment on the show (tauro talaga ang last name niya, but i forgot his first name...the "pwisto" came from his pronunciation of the word "pwesto" sa "alaxan gladiators").

GMA replayed this during the early-morning hours back in 2000, as part of their 50th anniversary back then.

ito, medyo random uli...

i'm sure a lot of you remember VTV on IBC-13--what was originally known as VTV primetime network, then vintage television after a year...

of course, their "prime program" was the PBA, alongside other sporting events such as the marlboro tour, boxing ("blow by blow") and billiards. but--especially when they were known as vintage television--they also had a good share of entertainment shows.

among them were "wow!" and "goin' bayabas"--both which, ironically, came about after the departure of al tantay and edgar mortiz from ABC (where they handled "wow mali!" and "tropang trumpo", respectively). "wow!" became their version of "wow mali!", pero a little bit on the "sexier" side (given that rosanna roces, and later, ara mina, hosted the show...ara mina was paired with keempee de leon when she took over). "goin' bayabas" naman was, obviously, their answer to "tropang trumpo" with smokey manaloto--a former "tropa" cast member--leading the cast...

there was also "rebyu", a youth-oriented magazine show hosted by RX93.1's chico and delamar (this was their first regular TV show during the height of their radio popularity), "takot ka ba sa dilim?" (not to be confused with "erik matti's kagat ng dilim", another horror series on the same channel a couple of years later), a horror anthology which was, if i'm not mistaken, co-produced with viva television (which would merge with VTV later to become vivatv), and "sine VTV", a telesine block-cum-drama anthology hosted by boots anson-roa (who, incidentally, would become IBC's president at the time VTV still had their blocktime contract with the network).

and true to vintage's nature as a sports program producer, they had weekly sports shows, too, like "hot stuff" with anthony suntay and chino trinidad, the horse-racing magazine "KKK: kabayo, karera, karerista", and of course, the "blow by blow" boxing matches (kung saan unang nakilala bilang boksingero si manny pacquiao).

curiously, during the first week of VTV as vintage television in 1998, muntik nang magkaroon ng falling-out between vintage and IBC--this was, if i remember right, due to IBC (then under the management of retired soldier mitch templo) airing/simulcasting ABS-CBN's MBA (metropolitan basketball association) especially during its inauguration, kung saan naapektuhan 'ata ang dapat sana'y airing noon ng birthday special ni robert jaworski which VTV produced.

as a result, vintage sports' commentators all wore a black band as a sign of "protest", and never mentioned IBC's name during their coverages (whereas, prior to that, they would always say "VTV on IBC"). pero mukhang naging maayos ang lahat especially when boots anson-roa took over as IBC president...she managed to squeeze in some in-house programming during VTV's hours on primetime, and also enlisted the help of vintage/VTV to provide sports news--and even a main anchor (in the person of the former attorney noli eala)--for their late-night newscast back then (at that time, it was already known as "IBC balita ngayon").

Who can remember **Entertainment Today with Lyn Ching**, or **ETChing**? It started out as a segment of **Saksi**, tapos naging semi-magazine show, semi-showbiz program. They first aimed to produce a showbiz proram that does not discuss chismis, kaya nga yung ending theme nito, may lyrics na "walang chismis ang **ETChing**, tapat na showbiz balitaan..."

Nung nag-end ang almost decade-long run ng **Movie Magazine** which eventually became **Channel S**, naging Saturday na ang **ETChing**, Sundays naman ang **Startalk** against Channel 2's **Showbiz Linggo**. Nagpalit ng timeslot ang dalawang show because ni-request ni Osang na gusto niya ng Sunday off, kaya nung napunta sa Sunday ang **ETChing**, naging **S Files** na ang name nito.

^I read that in Butch Francisco's column a few months ago. Lyn Ching had to leave the show kasi magpapakasal na ata siya that time(?), her co-host Paolo Bediones was left manning the show which was renamed S Files. Best tandem siguro ng S Files non ay an-g quartet nina Paolo, Richard Gomez, Joey Marquez, and Janice de Belen. Ironically, Paolo's three co-hosts are subjects of showbiz gossip and controversies, siya lang iyung hindi (so far).

Something happened and Janice have to leave the show, thus she was replaced by Pia Guanio. Richard also have to leave the show for last year's senatorial elections. He was replaced by still-ABS-CBN talent John Lapuz (since up til now, he's being managed by ABS-CBN's Star Magic).

Eventually, the show was cancelled last year and was replaced by Showbiz Central. Intact from S Files are Pia and John, in addition to Raymond Gutierrez, Ruffa Mae Quinto and Mo Twister.

Sa Startalk, di ba Lolit Solis, Boy Abunda and Kris Aquino were the original roster of host for that show? When I found out about that, it's kinda feel weird when I see Boy and Kris hosting the Buzz every Sunday, ironic it's like Startalk minus Lolit who still stayed on as host for the show which rules Saturday afternoon.

"Sana ay Ikaw na Nga" also had an all-star cast to back up Dingdong Dantes and Tanya Garcia. However, the biggest casting coup that "Sana ay Ikaw na Nga" made was the inclusion of comedian/TV host **Joey de Leon** in the series as Dr. Ricardo Peron, the long-lost father of Tanya Garcia and the true love of Jaclyn Jose's character. Nabigyan ng maraming dramatic highlights si Joey sa show and this was one of the reasons why tinutukan ito ng marami.... pati na ako.

Joey's inclusion in "Sana ay Ikaw na Nga" prompted ABS-CBN to include MTB main host John Estrada in "Kay Tagal kang Hinintay" opposite Lorna Tolentino. However, unlike Joey who re established himself as master TV host/comedian after his stint in the GMA drama, John Estrada stuck to the soap opera genre at tuluyan nang iniwan ang noontime TV hosting stint....

dmfrisco machine, sorry 🙄

"ETChing" was originally a daily show during the late afternoon slot (i forgot the proper order, pero at that time, magkakasunod 'yan--that show along with "saksi" [which was by then a half-hour newscast na] and "mia gracia")...tapos, 'yun nga, ipinalit sa "channel S" (hosted by dolly anne carvajal, jun nardo and mario hernando, and produced by no less than inday badiday herself) on the saturday slot. by the time the show was aired on saturdays, doon na pumasok si paolo bediones as lyn's co-host.

ang alam ko, the reason why lyn left "s files" was because she wanted to re-focus on news and public affairs (which was, after all, where she started--her first regular on-air stint on GMA was being an anchor of the hourly "GMA news live"). at that time she left yata, paminsan-minsan na rin siyang lumalabas sa "unang hirit" (where she is now, of course, a regular).

Precisely. **ETChing** was a semi-magazine, semi-showbiz program that aired before **Saksi**. Lyn Ching's ETChing segment in **Saksi** was so popular she was given her own show with VP Hernandez.

She later left **S Files** because she wanted to be used more in the **News and Public**

**Affairs** arm of GMA.

Yes, anak si Angelika Dela Cruz dito ni Lorna Tolentino and apo ni Boots Anson Roa. She was paired off with Victor Neri, and they were paired here before **Habang Kapiling Ka**.

**Umulan Man O Umaraw, Liwanag ng Hatinggabi**, and the critically acclaimed suspense show, **Tago Ka Na** (directed by Ruel Bayani and starring Antoinette Taus, Wendell Ramos and Gabby Eigenmann), were all shown Monday evenings, in response to the miniseries genre of ABS-CBN (**Sa Sandaling Kailangan Mo Ako**). Honestly, I love these three shows because they were well written.

ay, oo, si vp hernandez 'yung isa sa mga segment reporters noon ng "ETChing" (the other one being rey pumaloy)...incidentally, another ching--cheryl (may relation kaya siya kay lyn?)--was the show's executive producer...she is now a program manager for some of GMA's telebabad series.

and speaking of the ABS-CBN monday mini-series ("star mini-series" ang banner nito), nasundan ang "sa sandaling..." ng isa pang mini-series, "nagmamahal pa rin sa iyo", starring pops fernandez. at nagka-book two pa 'ata 'yung "sa sandaling...", 'di ba?

hindi ko lang matandaan kung nag-abot pa 'yung mini-series block at 'yung "your honor" nina richard gomez (his last show at ABS before moving to GMA) at eric quizon sa monday primetime schedule...

and still on the subject of weekly drama series...anyone remember GMA's "L"? ruffa gutierrez was one of the leads in this show set in a very upper-class community called lavinia mansions (thus, the "L" in the title)--'di ko ito masyadong nasundan, pero in my opinion, mala-"melrose place" ang premise ng series na 'to...aired on wednesday nights (if i remember right), the show's plugs always ended with the tag, "bago matulog, mag-L ka muna."

Whoa, are you reading my mind sirloin, kasi ang susunod kong post sana ay about **L**, starring Sunshinze Cruz, Ruffa Gutierrez, Robin Da Rosa, Illac Diaz and Teresa Loyzaga. Mala-**Melrose Place** nga ito, pero I think this is a series ahead of its time sa Pilipinas. Ang ganda ng visuals nito. I believe Ruffa's role here is that of the editor of the L magazine.

...mukha nga...sumagi lang kasi talaga sa isip ko 'yung series na 'yun, mainly because of the ambiguous title. hehehehe. 🤖

siguro nga, the series and its premise was ahead of its time, kasi bihira noon 'yung mga locally-produced series focusing mainly on the lives of the very rich and affluent--lalo na 'yung mga twenty-somethings who belong to the so-called high society...

^but in comparison to Melrose Place, the latter's original premise was about young adults going to Los Angeles to realize their dreams but when someone like Heather Locklear entered their lives, it became soapish and over-the-top later on.

BTW, bat natigil a-ng pagkkaroon ng mini-series sa primetime if people's reception of such were warm and welcoming?

*and speaking of the ABS-CBN monday mini-series ("star mini-series" ang banner nito), nasundan ang "sa sandaling..." ng isa pang mini-series, "nagmamahal pa rin sa iyo", starring pops fernandez. at nagka-book two pa 'ata 'yung "sa sandaling...", 'di ba?*

Yung Monday mi series, yung Nagmamahal Pa Rin Sa Iyo, andyan sina Pops Fernandez, Albert Martinez, Gary Estrada, at Jericho Rosales.

As for the "Your Honor", naalaala ko yang TV series na yan. Actually, nasa Wednesdays yata yan. After Whattamen siguro. Mga early 2001 ito eh.

una kong napanood si lyn ching sa gma news live (parang flash report ngayon ni connie sison), english newscasting pa yata, kasabayan nya noon sina karen davila, rico hizon, patricia evangelista, gin de mesa, georgette tengco, melissa jacoleya

nakasalamain pa si lyn ching , look -alike pa sya ni KRIS AQUINO noon,

tapos nag birth ang SAKSI, na 15 minutes lang yon w/ mike Enriquez and karen davila, nagdagdag ng 30 minutes ang saksi kaya nagkaroon ng entertainment news at si lyn ching ang inilagay doon

^^

Yep-yep laging nakasalamín. And who can remember the OBB of S-Files na naka-Formal sila tapos lively yung music. Silang 2 pa ni Paolo non.

remember the extra challenge of paolo and miriam, ethel

yung nasa riles nakatira sina richard gutierrez and chynna ortaleza and nancy castiglione and paolo contis,

nagwala doon si nancy , kasi alam nyang scripted ang istorya

at yung jolina and marvin episode, pinigilan doon si marvin dahil kapamilya sya at me contrata kuno pa sya doon,

mula uli kay VSPRODUCTION, na apparently, hindi lang puro clips ng "vilma!" o ni governor vi mismo ang meron...

anyone remember ABS-CBN's "martin and pops: twogether"?

this show was one of many that the network premiered soon after freddie garcia's return to ABS from GMA (where he was a senior exec for many years starting in the late '70s)...martin and pops, who were FMG's "inaanak sa kasal", were among the few GMA talents back then that FMG brought with him to ABS (the couple, as a lot of us know, hosted "penthouse live" on GMA)...

eto ang dalawang clips from a christmas episode:

opening number: [http://www.youtube.com/watch?v=p04L9...e=channel\\_page](http://www.youtube.com/watch?v=p04L9...e=channel_page)

closing: [http://www.youtube.com/watch?v=E3zZm...e=channel\\_page](http://www.youtube.com/watch?v=E3zZm...e=channel_page)

just as another backstory: GMA put up "shades", a musical-variety show starring randy santiago (who by then was also a co-host of the network's "lunch date") with toni rose gayda and lilet, in place of "penthouse..." on their sunday night line-up, but it didn't last as long as "penthouse..." did. samantala, hindi rin naman nagtagal ang "twogether" sa ABS...martin himself would return to GMA around 1988 or '89 with "MAD"--which also moved to ABS in the mid-'90s.

Tuesday evenings dati ang TVJ, while Wednesday evenings ang TODAS. Nung bata ako I remember getting scared nung Halooween special ng TODAS! 😄 To think comedy program yun!

ISPUP, which was ABC-5's last attempt to lure viewers away from Bubble Gang. Although this is one of two ABC gag shows (the other being the recently-concluded Wow Mali), Ispup

boast an ensemble cast of top comedians from the likes of Candy Pangilinan, Jon Santos, etc. (Notice that some of them are UP grads). An advantage possessed by Ispup and Wow Mali is that they are able to parody every show thrown by ABS and GMA, from Frontpage to Maalaala Mo Kaya. Add to that their satirical sketches on the latest political developments like the galunggong endorsement of Gloria Macapagal-Arroyo and the Erap Impeachment trial.

'yung music na ginamit sa intro ng "austin powers" was the same theme music used for "ispup"--and no, i don't know what the title is, either.

yup narinig ko na siya rin noon sa austin powers. that song is still played over AM stations, and whenever I hear it, unang lumalabas sa mind ko, ISPUP

this, in my opinion, was the philippines' answer to the US sitcom "perfect strangers" (which was also popular in the '80s and late '90s--and incidentally, was shown on RPN, too, after a brief run on ABS-CBN).

i would say na naging hit ang unlikely combination na 'yun nina eric quizon at redford white--especially with not just 1, but 2 movie spin-offs from the show ("buddy en sol: sine ito" and "buddy en sol: praybeyt depektibs"), plus another movie together ("si lucio at si miguel"), plus, ilang taon din ang itinagal ng "buddy en sol" sa ere--making it another one of the last memorable RPN productions before they became what they are now...

^and among those who had their share of reruns on the short-lived RPN USA noontime block back in 2006/07 with Jon en Marsha, Young Love Sweet Love, Davao, Cebu, and Boracay.

I remember this being aired on afternoons every week if not everyday pero bata pa ako noon kaya medyo hirap maging sigurado dito.

You know, I kinda thought of Perfect Strangers (Larry and Balki) whenever I watched Buddy n Sol (a corruption of "Body and Soul"). Buddy was from the city, while Sol was from the province, kinda similar to Larry who hailed from Chicago and his cousin Balki who was from an unknown island. Because of its popularity, it spawned a T-shirt brand (Body and Soul).

Highly competitive talaga ang RPN 9 even during the 80s. Na-miss ko rin yung mga cartoons nilang Teddy Ruxpin, My Little Pony, Voltron, Rainbow Brite.

I watched a lot of American shows when I was a kid, bawal kasi ang Tagalog series sa amin nung bata kami ng kapatid ko eh.

**McGyver** - Hindi complete ang Saturdays ko pag hindi ko napapanood ito. Saturdays at 7 PM. Favorite ko yung mga teo- or three-part episodes lalo na yung may mga archaeological findings pa sila. Plus, the episode na nag-travel back in time si McGyver to reveal his first name: Angus

**Perfect Strangers** - Sunday evenings at 8 PM. I just love their antics. I remember most an episode where they were hired as delivery boys and they need to deliver a grand piano to the penthouse. Hirap na hirap sila tapos nung nasa top floor na sila, bumagsak all the way to the ground ang piano! Whoa, what a way to end a thirty-minute episode!

**Full House** - starring Bob Saget, Dave Coulier and the Olsen twins. There's more in the cast, pero sila pinaka-prominent.

**Friday the 13th The Series** - Eto talaga pag Friday night di pinapalampas. Kailangan tapos na ang mga assignments. Di ko makalimutan yung every episode kailangan nilang ibalik sa Curious Goods (antique shop) yung mga cursed items nila - cloak, clock, vase, etc.

**Twilight Zone** - Sa Channel 2, eto naman ang palabas pag Friday evenings. Puzzling,

minsan entertaining, minsan scary. Pero it always plays on your mind.

**Tales from the Dark Side** - Eto, mind-boggling din ang mga episodes. I remember episodes of the young assassin, rabbit's foot, monsters in the room.

**Charles in Charge, Small Wonder, Wonder Years** - I just love these comedy shows from the past!

Eto pa pala yung mga pinapanood ko dati sa TV:

**Beauty and the Beast** - Tuesday evenings sa GMA 7. The first time I loved forever, was when you whispered my name...

**Knight Rider** - With David Hasselhoff. Bago siya sumikat as Mitch on Baywatch.

Sana in the future may sitcom na eere that will feature UNLIKELY pair-ups like Eric Quizon and Redford White.....

Sa ABS-CBN... i would like to see....

Vhong Navarro and Piolo Pascual.... TV version of "Birdcage" perhaps?!

Aga Muhlach and Nash Aguas... Father and son TV combo

Gary V. (in a sitcom why not) and Ryan Agoncillo....

GMA naman.....

Richard Gutierrez and Vic Sotto.... action sitcom laced with fantasy

Joey de Leon and Rainier Castillo... gay father and gay son

Janno Gibbs and Mark Herras.... naughty skirt chasers

Anjo Yllana and Dennis Trillo... a doting father with a perfect family versus a guy fathering different children

Raymart Santiago and Richard Gutierrez... action sitcom

Ganda ng line up ng Saturday at Sunday afternoons noon ng ABC-5 at RPN, iyung tipong nabi-build up nila ang audience nila sa bawat show sa hapon na ineere nila.

For my case, I always look forward on watching Looney Tunes and 5 and Up whenever that 2-3 hour long golf coverage on 5 is done. RPN has also have a lot of sports and lifestyle shows aired on weekend afternoons but just before 5 or 6pm, they'd be airing cartoon programs like DBZ.

Saddest thing to happen in Philippine TV today is this so-called network war. Nagkakaroon palagi ng iringan sa pagitan ng dalawang higanteng networks, especially on issues that involve them both.

In the end, the viewers who are the backbone for these networks are suffering. Dahil sa network war na to, nagkaroon ng mga loyalista online and offline na walang magawa kungdi mag-away 24/7. Even television ratings are so much a big deal to them.

No doubt that Philippine TV is at its lowest point, it makes you say "Gone are the days of good TV". Today, competition is solely between the two networks, ABS and GMA, slimming the chances for other networks to get their fair share on the viewership pie, pati na rin sa sister channels ng ABS and GMA (Studio 23 and QTV-11).

This "war" makes it difficult for stars from different stations to work with each other because of an exclusivity clause in their contracts (unless, your a TV institution, you have that rare privilege to work in any network). When trying to imply the name of a rival station, sasabihin "sa kabila..." or "on the other station" (if they are interviewed on TV).

Compared to other TV networks in other countries, satin lang yung parang big deal ang "network loyalty" and that each network (at least, ABS and GMA) has its own talent pool (its as if, they are the contemporary versions of the old Sampaguita-Premiere-LVN era where each of the big studios have its own set of talents).

- 'di ba MENEMIS ang pangalan ni macgyver? you know...MENEMIS MACGYVER? 🤔 i'm kidding.

- 'yung "full house"...aware na ako d'yan when it was still running (and then replayed) on RPN, pero i was able to watch it here in canada (one of our local stations here in toronto also replays it)...john stamos (who would be in the "ER" cast years later) was also in that series...

- may crush ako sa "charles in charge"--si nicole eggert. she would later play the role of summer quinn sa "baywatch" in the '90s (at kasabay niyang pumasok sa series si pamela anderson).

**Perfect Strangers** - Sunday evenings at 8 PM. I just love their antics. I remember most an episode where they were hired as delivery boys and they need to deliver a grand piano to the penthouse. Hirap na hirap sila tapos nung nasa top floor na sila, bumagsak all the way to the ground ang piano! Whoa, what a way to end a thirty-minute episode!

**Full House** - starring Bob Saget, Dave Coulier and the Olsen twins. There's more in the cast, pero sila pinaka-prominent.

**Friday the 13th The Series** - Eto talaga pag Friday night di pinapalampas. Kailangan tapos na ang mga assignments. Di ko makalimutan yung every episode kailangan nilang ibalik sa Curious Goods (antique shop) yung mga cursed items nila - cloak, clock, vase, etc.

^Lori Laughlin I think was also in Full House. Other than 90210, her recent serial, Summerland, was aired here via Velvet.

Was Felicity aired on RPN? I wasn't aware that it aired here locally but I knew about it when I was in the US for a year (when Felicity was in its final season in time for sweeps period)

AMEN TO THAT!!!! 🙏

Add to that, hilig ng mga tao na manira sa isa't isa na para na rin nating sinabing, sila ang representation ng diumano'y network. Grabe!

Sorry if I'm getting a bit OT in this thread pero after reading page after page about the history of Philippine TV, it's hard not to compare the situation of then and now. Back then, because most if not all networks were under Ferdinand Marcos' cronies, there wasn't much conflict between them. Although they're competing against each other, they let their talents guest on each other's stations. But when that competition slimmed down to just two, that's when it all became nasty.

Because of this war, our tv shows in general became: 1)lame, 2)mediocre, 3)copycats of each other, 4)uneducational, 5) much worse than worse, 6)quality is low but quantity is high, 7)the new generation of stars can't act but are on tv because of their popularity among the masses, 8) and the good ones are mostly placed on unlikeable timeslots.

Programming in ABS and GMA are 1)not balanced, 2)ads are not well regulated, 3) their regional network find it difficult to sync their local programming to the national feed coming from Manila, 4) their live shows are always a mess on and off stage.

Nakakainis talaga iyung nabuo nilang fanbase, the die-hard "Kapamilyas" and the "Kapusos". The most fanatic from each of these camp are usually the most zealous ones, they like to throw each other names, ruin the names and reputations of talents through bashing, and mean/nasty fan artworks meant to ruin them.

Most of all, the "Ratings" brouhaha. A day's worth of ratings here are published in such a way that it looks like a score sheet coming from an arcade. They always show which program outwit, outplay, and outlasted each other. Worse, it's always between GMA and ABS. Away nang away, away nang away.

Dahil sa lokong ratings na yan, nadedegrade ang karamihan ng mga tv shows ngayon, whether they high or low ratings. I've been very critical on shows that rate, madalas mas gusto diumano ng mga manood ang mga na shows na hindi madalas kagandahan pero pina-patronize nila. Game shows (and i'm point to the flagship games shows from the two networks) that seem to make fun of people (but people still adore them), showbiz talkshows that have grown to become notorious for their "explosive" presentation of issues and always go overtime (but because we're not always in the know, hindi natin puwede i-judge kaagad ang premise ng mga ganitong programa, nor its hosts).

Teleseryes may have improved in terms of longevity and storytelling as well as going beyond the usual rags-to-riches story, but the cancer that had plagued the teleseryes for years remains. Its tendency to go out beyond its supposed premise, overstretched arcs,

unnecessary characters, tendency for the network to extend a serial, etc.

Sana wala nang away, sana wala nang "network war", sana tumino na ang mga extreme loyalists ng mga networks na ito. Now that's my wish for the New Year, lalo pa't the minor networks seem to be doing well!

GALING MO TALAGA BRO!!!!!! MABUHAY KA! 🙌

yey! thanks to gumawa ng entry about Citynet 27 sa wiki! heto iyung logo noon ng citynet at nang EMC. Today, Citynet as a subsidiary of GMA handles the programming of DZOE-TV 11 (today's QTV) while ZOE TV as a brand was moved to Channel 33, owned by Zoe Broadcasting after its blocktime partner who owns UniversiTV became a cable channel.

[http://upload.wikimedia.org/wikipedia/en/d/d9/Citynet\\_Television.png](http://upload.wikimedia.org/wikipedia/en/d/d9/Citynet_Television.png)  
*While incorporating the standard red, green and blue colors with some extra color in grey, Citynet Television logo differs from the traditional GMA insignia. It uses in oblique oblong circles in an abstraction of three-rings to indicate richness in color.*

*It was simplified in keeping with the symbol's pared-down design. Underneath its oblique rings, a rectangular box embossing the text "citynet" in lower case and uses a San Serif font beneath it is the text "TELEVISION" in upper case and also uses the same San Serif typescript. But when displaying channel logo while programming, it was written CITYNET 27.*

[http://upload.wikimedia.org/wikipedia/en/5/57/Entertainment\\_Music\\_Channel.png](http://upload.wikimedia.org/wikipedia/en/5/57/Entertainment_Music_Channel.png)  
*EMC or Entertainment Music Channel uses a single logo adaptation. A simple with a modern glossier style was used. There are no other recorded insignia, due to the fact it only lasted months after it was turned into a branded music channel owned by Star TV Network.~source: wikipedia.org*

Saw this just now on Youtube, happy new year guys!: <http://www.youtube.com/watch?v=YXtIU9cdo>

You just made the best post ever in this warzone called the LMTV. 🙌

^Thanks! Although may mga contradicting statements na di ko sadyang isulat, i just hope people get my point, that this whole network war nonsense is what pulling all of us down.

curiously, "inside showbiz" was shown on tuesday night after "GMA network news"--which was perhaps a novelty given that the 10:30/11:00pm weeknight slot has always been public affairs territory for GMA since the '80s. even better, ang katapat pa nitong show noon sa ABS was loren legarda's "the inside story".

aster amoyo also hosted "isang tanong, isang sagot" with ansel beluso naman...sa ABC naman ito, pero also produced by inday badiday, if i'm not mistaken...

Moby D-ic-k was aired on ABS every weekday mornings nung dekada nobenta after Casper if i could still recall it right. Either that o sa CN Asia feed lang siya with some of the Hannah-Barbara cartoons na binanggit mo.

Popeye naman ay inere rin nung 90's sa RJTV-29 weekdays during early afternoon and on Cartoon Network (Asia Feed before nagkaroon ng CN Philippines), airing last every 9:00pm before CN could switch over to sister channel TNT (now TCM/Turner Classic Movies) noong hindi pa 24 Hour channel ang Cartoon Network.

ABS-CBN once had **Dramathon sa Hapon** for its afternoon block. It had back-to-back afternoon dramas: **Recuerdo De Amor**, **Marinella** to name two.

Sa GMA naman, **Beauty Rest** ang pangalan ng afternoon block nila. Mula Eat Bulaga, puro blocktimers ang naka-schedule dito sa GMA--2:00 **Valiente**; 2:30 **Pira-pirasong Pangarap** which eventually became **Nagmamahal, Manay Gina**; 3:00 **Maynila** and 3:30 **Kahit Na Magtiis**. Mga animé nun ang pinapalabas sa GMA at the 4:00 PM slot.

Halos recently lang pinalitan ng GMA ang kanilang afternoon block to **Dramarama**.

Curiously enough, GMA Network News was the first Philippine news program to change its language from English to Bilingual to Filipino, in the same year (1997). Mike Enriquez took the helm when Mari Kaimo left for greener pastures.

amusing that you mentioned "kahit na magtiis" here...a lot of us know that the song of the same title (also used as the show's theme) was a personal favorite song of former president estrada. and incidentally, the producer of the drama anthology was...no less than one of erap's former mistresses, laarni enriquez. 🇵🇭

it was actually 1998 or early 1999 when "network news" made the gradual switch in languages, deo...but yes, prior to that, it came about after mike enriquez joined vicky morales on the newscast--i remember that the mike-vicky team-up was announced (although not heavily promoted) within the "sandaang biyaya, sandaang pasasalamat" GMA special (which launched the then-new GMA 100kw transmitter back then)...

along with the new anchor duo, binago rin 'yung kanilang set, theme music and graphics, and, as a lot of hardcore GMA viewers might remember, this was where they first did stand-up news delivery--something which i saw regularly on only one US network newscast back then ("NBC nightly news"). at that time, though, their stand-up background was still done via chromakey...hindi pa masyadong uso sa pilipinas noon 'yung mga projection screen, or mga plasma at flat TVs within a news set (although "TV patrol", when noli de castro went solo, was already using a projection screen on their set)...

with mike having left "saksi" for "network news" in '98, GMA news brought in jay sonza to co-anchor with his "pards" (mel tiangco)...

Yup, **Kahit Na Magtiis** was produced by Laarni Enriquez. She took advantage of Erap's rise to the presidency. 😊

Yup, 1998 nga nung nag-change. I just forgot the year because I remember by Soc Sci II teacher and I were discussing this as a good move by GMA.

Jay Sonza replaced Mike Enriquez in **Saksi**, kaya naging tatlo ulit ang anchors--Mel, Jay and Karen. When Karen left GMA, naging parang **Partners: Mel and Jay** ang **Saksi**!

Do you remember Señor Rey Pacheco? He used to be with DZBB. Sa **Saksi** naman, siya yung weather man. During that time, sobrang high-tech ng weather reports ng GMA, thanks tot he GMA Weather Center, in partnership with WeatherNews International. His counterpart in GMA Network News was Rachel Del Mar.

Still on Saksi, Mike, Mel and Karen used to have their own segments. Mel had **Bisig-Bayan**, which continued her philanthropical efforts she started through **Lingkod-Bayan** when she was still in ABS-CBN; Karen had **Kulang Sa Pansin**, an avenue to air unnoticed problems such as clogged drains, open roads, etc; and Mike had **Parang Di Normal**, which showcased the supernatural. When Winnie Monsod joined **Saksi**, she had her own segment, **Mareng Winnie**, the opinion segment of the newscast, equivalent to **PULSO** of TV Patrol.

at noong mawala si erap sa malacañang, "kahit na magtiis" also went off the air. talk about perfect timing. 😊

yes, naaalala ko nga si "señor balita" ('yan 'yung naging taguri kay rey pacheco noon, taken after the title of his old DZBB radio show)...he was called "señor panahon" naman (also the title of the weather segment) on "saksi".

and speaking of the old segments on "saksi", kara david--then a fledgling reporter--was given her own, as well, on the newscast, called "huling hirit"...as the title suggested, the segment, touching on light human-interest stories, was the last on the newscast--call it, perhaps, a pre-cursor to her being part of "i-witness" years later.

and, still on "saksi"...during its first year or two, believe it or not, the newscast had TAPE bossman tony tuviera as part of the production team--he was its first director, if i remember their closing credits right...at that time, "eat bulaga" was just new to the GMA

airwaves..."mr. T" also served as creative consultant for "brigada siete" when tito sotto took over from the late louie beltran.

Before becoming **Dramarama sa Hapon**, GMA's afternoon block earlier went on by the name **Siesta Fiesta**. During that time, it had local soaps, telenovelas, and a former magazine show-turned-reality show in its line up. Ang natitira mula sa Siesta Fiesta block na yon na nasa ere hanggang ngayon ay ang Daisy Siete na nasa 20th season na pala. Kasama sa dating line up ay ang Mga Pirapirasong Pangarap (hosted by Gina de Venecia), and Monica Brava.

I think that around 2004 or 2005, Siesta was by that time, known by its present name, **Dramarama sa Hapon**. Its line up is composed of TAPE soaps airing after Daisy Siete (Agawin Mo Man ang Lahat, Kung Mamahalin Mo Lang Ako, etc), and GMA-produced soaps and anthology series (Joyride, Now and Forever, Muli, and Sinenovela). It completely scrapped telenovelas from its roster but had since then aired Asian dramas in its place, usually airing on the 4 and 4:30 slot. Recently, Dramarama extended up until 6pm at the same time as Hapontastic's recent extension of its block (with the inclusion of Weekday Hero Zone) until 6pm.

-----

As for Dramathon sa Hapon, its line up also composed of local soaps (Recuerdo de Amor, Maid in Heaven, and Sarah the Teen Princess), and telenovelas (Clara, Cristina/Privilegio del Amar, Altagracia/La Mujer de Judas, Gata Salvaje, Nunca de Olvidare, Romantica, etc) as well as at least one reality show (Trip Ko 'to, paki-correct).

By 2004, ABS discontinued making daytime soaps although successive soaps were placed on the 6pm/5:30pm slot before TV Patrol. Dramathon then was chunk full of telenovelas that were all just starting out in its run when ABS axed them all after declining ratings. That was after the first Pacquiao fight in August 2004 that was aired on ABS, the following Monday, Dramathon was no more and the whole afternoon block was replaced with a 2 hour movie block called Kapamilya Cinema which lasted well until 2008.

The anime afternoon block (which became known as Weekday Herozone by 2006) on weekday afternoons survived in ABS, composed of at least 2 animes until recently.

2005 saw the return of telenovelas in ABS's afternoon line up, Pasion de Amor (Pasion de Gavilanes) and Little Amy (Amy, la nina dela muchila azul) airing around 4pm after Kapamilya Cinema. the block by then was now known as **Hataw sa Hapon**.

2008 saw the eventual scrapping of Kapamilya Cinema (by then goes by the name, Pinoy Movie Hits) with its last movie airing a Camile Prats-Angelica Panganiban starrer and the return of daytime soaps in the 3pm slots (put into effect starting October 2007). By that time, the block already goes by its present name "Hapontastic", a combination of the former Dramathon sa Hapon block and the present and the now 30-minute anime block, Weekday Herozone.

Yung screen ng TVP nung time ni VP Kabayan, parang sa likod camera.

And BTW, may YouTube presentation ako, since newscasts naman ang pinag-uusapan natin, eh maisheshare ko na.

^TV Patrol's 20 anniversary special coincided with that of the 20th anniversary of the present GMA News and Public Affairs team.

What I like about this is that, certain personalities coming from both ABS and GMA came to each other's anniversary special. Mel Tianco was in TV Patrol's special, Cheche Lazaro (or was it the other one I couldn't recall the name as of this time) was on GMA News'.

Karen Davila's special report (on I Witness?) was also highlighted.

Past anchors of TV Patrol who are now stationed in other networks also came back for TV Patrol's special, including Jay Sonza (now on UNTV), and Angelique Lazo (NBN).

Na-mention ko rin naman GMA News and Current affairs, my professor in college showed to us an old video of Howie Severino's report on the rural-urban migration of Filipino. Just saw this on You Tube....

An old Kris Aquino sitcom entitled "Luv ko si Kris" that once aired on ABS CBN for 2 years.....

It starred of course... Kris Aquino with Zoren Legaspi, Jeffrey Santos, Larry Pipoy Silva, Fanny Serrano, Tiya Pusit and Lady Lee.... for the particular episode no less than Comedy King Dolphy was guest as Kris Aquino's dad.

I think eto yung predecessor ng Home Along da Riles.

nope, that karen davila clip on the GMA public affairs anniversary special was from "brigada siete", where she was one of the regular reporters back then, along with jessica soho (who became its last host after tito sotto concentrated on politics), jay taruc and arnold clavio...by the time na "i-witness" was on the air (1999), karen was already co-hosting "extra extra" (the magazine show that was the root of what would later become the hit reality show "extra challenge") with paolo bediones.

and that older clip of howie severino naman must've been from "the probe team", where he had one of his first regular TV stints...sabay sila ni twink macaraig (now with ANC) na

naging co-host/reporter ni cheche lazaro, sometime in the late '90s/early 2000s...

naaalala ko pa 'yung buong pangalan ng character ni kris sa sitcom na 'yan: KRISTETA MEKENI. 🇹🇼

and speaking of dolphy...alam 'nyo bang hindi lang "john en marsha" ang naging show niya sa RPN?

sometime in the late '80s, the comedy king starred in another sitcom for the network, called "plaza 1899"...babalu and francis magalona were among his co-stars there. tapos, after "john en marsha" was axed, nagkaroon naman siya ng isang musical-comedy show called "gabi ni dolphy". plus, the movies he starred and produced (through his RVQ productions) were aired on RPN for a while, via the weekly "RVQ movie specials" banner. and these all happened before mang pidol finally returned to ABS-CBN with "home along da riles" in 1992...

Ka-campus,

May sports pa pala yung ABS-CBN prior to MBA. From what I remember, cinocover nila dati yung mga MICA games, mga NCAA (time ni Loyzaga), tsaka yung 1992 Barcelona Olympics. Who were the original ABS-CBN sports reporters bago dumating si Admin Kaboom! and his company???

From what I remember, si Bill Velasco. Before covering the PBA scene and eventually, MBA and NCAA, nasa ABS-CBN siya bilang sports reporter. Actually, former Tennis star Dyan Castellejo just came in nung mga mid-90s for the World Tonight.

May alam po ba kayo tungkol sa pre-MBA na ABS-CBN Sports?

And believe it or not, classmate dati ng mom ko si Twink Macaraig na kamukha ni Delamar.

Ay Na Recall Ko Young Roller Superstars Yung Nag Roroller Skating Na Puro Balyahan Ang Ginagawa Hahahahahahaha...

Si Twink Macaraig, nagkaroon din ng stint bilang Philippine correspondent ng Channel News Asia, based in Singapore. Isa sa mga anchors doon ay si Timothy Go, na Filipino-Chinese. He guested on ANC's Straight Talk hosted by Cito Beltran in 2006 (just before Beltran left ABS-CBN News).

Goodie! I saw this clips of two Philippine international channnels, RPN USA and VIVA TV. I thought you guys should them out 📺

RPN USA-Bukod sa mga classic soaps, ineere pa rin as of this time mga recent shows ng RPN before it became C/S 9 like Sabado Boys, Dee's Day, Go Negosyo, and Travel Time (which can now be seen on ANC)

VIVA TV-It airs popular Viva-produced soaps back in the '90s as well as TV specials, telesines, many of which aired on GMA back then.

Narinig ko to kahapon from 99.5 RT, the Dj there said that the exterior shot of RPN's Buddy en Sol was some apartment building found somewhere near QC Hall and near Sulo Hotel

Saw this few clips on Youtube:

Government Propaganda aired on GMA: [http://www.youtube.com/watch?v=FqNTPiwa\\_ws](http://www.youtube.com/watch?v=FqNTPiwa_ws)

Question, its "7" logo looked a bit similar to the ones used by stations in the US like ABC. Is this a coincidence?

Before **Luv Ko Si Kris** aired on Channel 2, there was a brief drama anthology that featured Kris Aquino, entitled **Kris**.

Nag-reformat tapos naging **Luv Ko Si Kris** ang title. Sitcom na hindi na drama anthology. Tapos nag-reformat ulit at naging drama anthology ulit, keeping the title.

i remember something from ABS called "kris at 18"...hindi ko lang maalala kung birthday special lang ito or a title for a weekly show...

ABS also produced another birthday special for her in the early '90s ('di ko lang din maalala kung before or after "luv ko si kris" started airing), called "kris aquino: come into my life"...

oo naman, siyempre...any long-time TV enthusiast would probably remember that long before "john en marsha", dolphy first had "buhay-artista" on the old ABS-CBN--na ginawang pelikula (with vilma santos, if i'm not mistaken)...

the show even continued for a while after the declaration of martial law (and the resulting closure of ABS-CBN)--nakasama ito sa mga ABS shows na inilipat ni romy jalosjos sa dating RBS TV 7 (under the philippine production center, inc. production/blocktime outfit) in 1972, and was slightly retitled as "ay! buhay-artista"...

dolphy specials were produced naman by IBC-13 in the late '70s...

Kris at 18 I think was her birthday special.

Sa GMA naman, sa Saturday afternoons naman may drama anthology si Princess Punzalan.

yeah, i remember that one too--it was simply entitled "princess", and produced by her mom (helen vela)'s production outfit (hyper-vision)...ang ipinalit dito was the sitcom "family 3+1" with helen (whose company also produced the show), princess, caridad sanchez, ryan eigenmann, and ronaldo valdez (who was helen's love interest on the show).

*Ang bata pa ni Ryan Eigenmann noon! Kid brother siya ni Princess.*

tama! 🤔

siya yata from his generation in the gil-eigenmann clan ang unang sumabak sa showbiz (although he did stay away from the limelight for a while after "family 3+1" went off the air)...tapos sumunod na 'ata sa kanya ang utol niyang si AJ, then cousin gabby (who, curiously, was originally billed in newspaper ads promoting the premiere of "SOP" in 1997 as "gabby gil"--he would be billed gabby eigenmann, though, in the show's actual closing credits back then, and moving forward)...

Most of those from the younger Eigenmann generation started their career in GMA. Ryan as you mentioned already starred in **Family 3+1**. AJ Eigenmann dubbed an animé series which I think GMA entitled, **Ang Batang si Claus**. AJ would later be part of **Click**. Geoffrey Eigenmann was introduced in **NEXT**, a TV series aired Sunday mornings right before **SOP**. Kalaban ng **NEXT** sa ABS-CBN yung **Keybol** which likewise aired prior to **ASAP**. Mataba pa siya noon, and since the show was short-lived, lumabas na yung TV ad niya for Globe tapos napunta na siya sa ABS-CBN. Nagpapayat siya nang husto since he was the biggest among the three brothers.

There was also an episode of **GMA Telesine** where Gabby Eigenmann, who confessed that he had a huge crush on Antoinette Taus, was paired off with the young actress. It was a modern Cinderella tale complete with costumes.

***villa quintana.. anyone?***

Geoffrey Eigenmann was introduced in **NEXT**, a TV series aired Sunday mornings right before **SOP**. Kalaban ng **NEXT** sa ABS-CBN yung **Keybol** which likewise aired prior to **ASAP**.

naaalala ko rin 'yang "next"...that was another attempt by kuya germs at putting up another "that's entertainment"-type show (although more on comedy and light drama sketches unlike "that's..." na mas may pagka-musical/variety), though he never appeared on the show to lead the cast (which was practically what he did, as well, with other "that's..." successors that he put up before "next": "D.A.T.S." and "best frends")...

if i remember right, shaina magdayao was one of the "lead stars" of the show (this was her last show on GMA, before jumping ship to ABS)...nakasama rin dito 'yung anak ni ai-ai delas alas na si sancho...

Villa Quintana pala iyung show na nalala ko pero di ko lang maalala ang pangalan ng palabas. Ang memorable lang sakín doon ay marami silang "hagdanan" scenes, lalo na sa simula ng show.

*Tabing Ilog - All Star cast...my fav love team here is Patrick Garcia and Paula Peralejo...they look good together*

*I forgot the Title were it stars Jericho and Kristine. It shows in the afternoon every Sunday. Also starring Ronaldo Valdez, Coney Reyes and Sarah Cristophers ba yun...hehe Kristine was later on replaced by Carla Guevarra in the show...*

ako rin, crush ko noon si claudine sa "ang TV", pati si angelu...sa mga kids naman, si "camille liit" (camille prats)...8 years old lang ako noon. 🤔

'yung weekly soap nina coney reyes, ronaldo valdez, jericho and kristine was "ang munting paraiso"...saturday siya (after "MTB") actually, not sundays ('cause ABS had "tabing ilog" on sunday afternoon)...ito 'yung ipinalit sa "coney reyes on camera", incidentally...

Sino naka-alala ng tanging yaman tv series? Actually I really didn't know that there is such (ang alam ko ay iyung movie nina Gloria Romero lang) until I saw it on TFC one time.

ay, oo...isa pa pala 'yung "jamming"...sunday rin 'ata 'yun pinapalabas, 'di ba?

naaalala ko rin 'yang "super games"...'yun 'yung ipinalit sa first hour ng "supershow" (11am-12nn), parang pantapat na rin sa "ready, get set, go!"...tapos 'yung mismong "supershow" na from 12nn-2:30pm...that was also the time na parang na-demote si kuya germs, from being the sole producer of his own shows ("that's..." and "supershow") to being named production consultant in the closing credits (at that time, lagi nang una sa production credits ang pangalan ni wilma galvante as executive-in-charge of production sa mga GMA-produced entertainment shows)...curiously, kuya germs has been the production consultant of "SOP", too, since the beginning...

remember how kuya germs used to have only female co-hosts (and a whole list of them) sa "supershow"? i think it was because of 'yung pamamayagpag noon ng "sa linggo nAPO sila", and later, ng "ASAP", kaya rin sila nagdagdag ng mga male co-hosts during its final two or three years--richard reynoso, chad borja, raymond lauchengco, lloyd umali and the rainmakers...

and when "supershow" was about to be yanked off the air, i remember na isang buong buwan--all sundays of january 1997--'yung kanilang farewell...and during the last few commercial gaps of the very last "supershow" telecast, laging binabanggit ng voice-over announcer sa dulo ng spiels ang words na "sobrang okey, pare!"...turned out, of course, na 'yun na pala ang title ng show na ipinalit sa kanila...

Richard Reynoso and Raymond Lauchengco. 😊

Kasi at that time APO was offering something new to its audience. Ibang-iba ang **Sa Linggo n'APO Sila** sa **GMA Supershow**.

And speaking of SOP, I remember there was a skit in an episode of Bubble Gang na tumatawag sa phone si Ogie. Ang sabi niya, "Hello Martin, please watch SOP this Sunday...ASAP!" 😊

Di ba, drama anthology siya?

naaalala ko pa nga nang konti 'yung time na in-introduce si agot as the new co-host ng "sa linggo nAPO sila"...akala ko noon, "magot" 'yung narinig kong binigay na nickname sa kanya... 😊

so naging back-up singer din pala sa APO si agot, ano? alam ko kasi, naging back-up singer din siya sa "the sharon cuneta show" (where agot's sister, olive, was also a back-up singer and, if i'm not mistaken, vocal coach din ni mega) before she became the singer/host/actress she is now...

G

still on the subject of "GMA supershow" and its co-hosts during its final 2-3 years...

isang interesting note, dahil binanggit ni dmfrisco na nakasama sa "supershow" si jeanne young bilang co-host...jeanne, in her heyday before she migrated to australia (if i remember right), was well-remembered for hosting "spin-a-win", a game show on RPN in the late '70s-early '80s, na isa sa mga naging pinakamalaking kalaban sa time slot ng "germspesyal"/"GMA supershow" back in the '80s (when kuya germs moved his sunday show from 9:30am [this was the first time slot he was given for the show originally known as "germside"] to the noon slot). her stint on "supershow" was one of her first regular TV jobs after she returned to the country...

a similar situation: toni rose gayda joining "eat bulaga" as a regular co-host in '97 or '98 (after being host of the "del monte kitchenomics" segment for quite a while), years after "lunch date" (the rival show she used to co-host) had been taken off the air.

Caloy Garcia's the now-former coach of the CSB Blazers Men's Basketball Varsity last NCAA Season 83.

-----

Is Del Monte still airing their "Kitchenomics"? I've seen some as recent as only 2 years ago. Naalala ko doon noon si Maricel Laxa-Pangilinan.

Speaking of Kitchenomics, who remembers this local cooking show aired every Sunday morning? It's hosted by a husband-and-wife tandem, not sure exactly as to who they are and on what channel their show used to air.

*Does anybody remember **Tele-aralan ng Kakayahan** aired over Channel 4?*

yup...pagkatapos yata ng "damayan" siya ine-ere everyday...si cecile garrucho ang host, and sponsored by philip morris (the company itself, not necessarily the cigarette brand)...🇵🇭

^ yes, pagkatapos ng Damayan ang Tele-Aralan ng Kakayahan. 🇵🇭

parang ganito ang Monday to Friday early afternoon schedule ng PTV 4 noon:

1:30-2:30 - Damayan  
2:30-3:00 - Tele-Aralan ng Kakayahan  
3:00-4:00 - Batibot

and don't forget "balita ala-una" right before that, anchored by flor perez (na naaaaapakatagal ding naging fixture sa lunch hour newscasts ng government network--he was last seen on "teledyaryo ng bayan", the last iteration of channel 4's noontime newscasts, some 2 years ago)...🇵🇭

^ ah! of course, Balita Ala-Una with Flor Perez and the number of female co-anchors who joined him (Louella De Cordova?, Katherine De Leon-Vilar?, Ruth Abao?)! 🇵🇭

si atty. romy macalintal, una ko rin siyang napanood na nagne-newscast sa channel 4...'di ko lang maalala kung sa "balita ala-una" o "pangunahing balita" (their evening newscast back then), or both...

"cooking it up with nora" was a long-time saturday morning fixture on ABS-CBN hanggang mga mid-'90s...tapos, lumipat sa ABC, where the show was renamed "cooking with the dazas" (dahil naging co-host na rin ni nora daza ang mga anak na sina sandy at nina), until eventually, si sandy daza na lang ang naiwan, kaya naging "cooking with sandy" na lang ang title.

going back sa Gma supershow and 'sang linggo na po sila, first few years ng apo show, hindi kinagat. mas sikat talaga show ni kuya germs kasi halos lahat ng sikat nandun, until dumating si ariel rivera sa apo show at yun, tumaas ratings at dami ng nanood. ang

kaibahan ng apo show is sa kanila live singing talaga. kaya ang mga viewers humahanga talaga sa galing ng mga performers. ginaya din yan ng gma supershow, naglagay din sila ng band pero walang effect. tapos, dumating si agot isidro (hindi naman sya original host - ang mga original sila amy perez, melissa de leon, ilonah jean, star querubin, bing loyza) sumikat pa si agot dahil sa aong nya na sa isip ko at everyday. tinapatan ng gma supershow si ariel rivera by putting chad borja at si toni daya tinapat kay agot isidro. pero wala pa din.

sa sang linggo na po sila lang yata na show among all other shows na musical nag appear ang presidente ng pilipinas. si FVR during the campaign of POWER ( tungkol to sa kuryente). that time nasa folk arts nag show ang apo. sa apo show din lang yata napagsama si aga at goma with the apo sa isang production number. tanda ko pa din yung number ng TVJ with the APO.

nung final show na ng apo dahil gagawin na silang daily show, guest nila nun sila hadji alejandro at rico puno na meron ding noontime show sa rpn 9. sabi nga nila mabuhay ang 70's dahil sila ang magkakatatap sa noontime show together with TVJ's eat bulaga.

sayang ang sang linggo na po sila. yun ang favorite show ko that time. nung nag daily na sila, hindi sila kinagat ng viewers. until palitan sila ng MTB.

pero ang pumalit sa kanila na ASAP - the best din. new combination kasi of ariel, dayanara, martin and pops. sila ang nagpataob sa gma supershow. ibang iba ang asap dati sa asap ngayon.

Hate to say it but it's true. SOP and ASAP have been rivals for almost 10 years, a reflection of the network war that we have today. But what makes it bloody worse is that these musical variety shows are no longer much of a presentation of talented singers and versatile artists but were reduced into platforms of mediocrity, diva-ness, and combined human-technical error.

Bukod pa doon, SOP and ASAP have somewhat gained a reputation for outdoing each other (in both both positive and negative aspects). Pasikatan ng artista, pa-bonggahan sa gimiks, pagandahan ng pagpromote ng pelikula at palabas sa TV, pataasan ng boses at pa-kiligan ng loveteam na pinipilit kumanta kahit hindi marunong kumanta.

One of the biggest highlights of their television rivalry is their face-to-face live outdoor concerts in two separate venues within the CCP Complex. ASAP was celebrating its 10th anniversary on its 9th year in the Aliw Theater while GMA was celebrating it being a ratings winner for the first time via its Grand Kapuso Fan's Day with the Quirino Grandstand, just next door to Aliw. This was in October 2004. Winner? SOP>ASAP (ASAP's duration was an almost disaster, it was tiringly long, the production numbers were not well organized and the audience was getting smaller as it enters its second hour)

Second was again, two pre-recorded events held, this time, in the US. One was the then ongoing Kapamilya Summer Caravan in Pasadena, CA while the other was the GMA Pinoy TV

launch in the San Francisco Bay Area. This took place sometime around August 2005. Winner? ASAP>SOP [based on ratings it was a winner but after ASAP aired an encore rerun, SOP lorded it over for the next several months until nakabawi uli ASAP with ABS's improving Sunday afternoon line-up (Your Song and Love Spell)].

I know there was another rivalry highlight, aalamin ko muna kung ano pa yon.

ASAP's 10th Anniv. was in PhilSports Arena. I even remember they sang the original theme song during the closing credits.

Really? But still, after Jasmine Trias's turn to sing, tumagal na masyado ang ASAP with the usual diva to diva song numbers nina Zsa Zsa Padilla onwards. Nagdwindle ang audience rin nila.

one more ASAP and SOP rivalry highlight was when both went to Cebu.

ABS was celebrating their Kapamilya Karavan in the Phils. while GMA just went there to stop the competition.

in the end? ASAP>>>SOP.

take note, SOP had FREE RIDES going to the venue and A LOT OF FREE STUFFS so that people will go to their event. while ASAP, EFFORTLESS sila nakakuha ng audience.

Ah, it was the other way around. GMA used the event as a way to reach out to the Cebuanos, as Cebu is known as Kapamilya country. They used a bigger venue, and the turnout was definitely much more than expected. SOP had a much larger crowd compared to ASAP.

Nevertheless, both shows have its flaws and advantages. in technical aspects, SOP suffers from frequent camera switching during a production number while in other fields, ASAP is guilty of making artists to lyp-synch their own voices when singing even if they dont even know how to sing.

But people usually don't care on such details. They watch it because they wanna see their favorite stars shown in TV kaya kahit flawed or mediocre, balewala na yon sa kanila.

-----

Sino nagkaalala ng Mojacko. Mojacko i think was the only anime aired on GMA with an opening sequence especially edited with an added "GMA: Where You Belong" logo placed in the beginning? This was practically kept intact on the last few reruns it had for a while after Mojacko completed its original series run in GMA, especially when 7 was in the midst of abandoning the "Where you belong" slogan to "Kapuso, Anumang Kulay ang Buhay".

Ano Ba Ang Title Ng Sitcom Nina Richard And Raymond Gutierrez Nung Maliliit Pa Sila, Hindi Mo Talaga Makilala Ang Dalawang Yon Noon Kasama Ang Reycards Duet At Shirley Fuentes

*Ang ganitong set up madalas ay hindi healthy competition. A direct win-lose situation. But let's not talk about that shall we?*

*Curious, I never knew that the last song the ASAP stars were singing during their 10th Anniversary concert was its original theme song. Sana naman ma-revive nila yon, especially that ASAP is about to enter its 15th year on air come 2010 (unless they wanna repeat moving time backwards by one year again as it did in 2004).*

-----

*Sino nakaalala kay Luz Clarita? It aired on RPN back in 1997 and was such a huge hit that RPN even had the star invited during one of the channel's then hugely-produced televised concerts (RPN ata nagproduce rin ng concert ni Thalia nung unang bisita niya dito satin).*

Of course I remember **Luz Clarita**. She was dubbed by Marie Joy Adorable, who played the role of **Trudis Liit** in the remake.

*and the little girl who played luz clarita was daniela lujan, if i remember right.*

Daniela Lujan. It was in the same year that the song, **Shalalalala** hit the airwaves by storm. When Daniela Lujan went to Manila, she danced that song in the UP Theatre.

And if I may add, a couple of years later, ABS-CBN got the rights to **Chabelita** and **Rosalinda**. This was to mimic RPN 9's two hit Mexican series, **Luz Clarita** and **Marimar**.

eto naman, sino nakakaalala sa pinakamalaking millennium broadcast sa buong mundo, ang 2000 TODAY (GMA)??? sana may kopya kayo ng once-in-a-lifetime event na yun...

how about this one, then? a clip of regine velasquez singing "written in the sand" (the theme song for the GMA "2000 today" broadcast) from atop the peninsula manila hotel...

<http://www.youtube.com/watch?v=tAjvA...eature=related>

Of course, **2000 Today**, together with ABC, TV Asahi, BBC and other major networks worldwide.

*susan lozada???? the swimmer ?????*

she turned out to be a swimmer???

curious lang kasi ako, nagagandahan ako sa kanya nung ANG TV days...any info on her now???

tnx

napanood mo ba yun dati? meron ka bang kopya nun kahit sa vhs? gusto ko kasing panoorin uli e. :-)

Napanood ko siya pero hindi ko na-record. Natulog ako nung New Year ng 2000 ng mga 3 AM, watching the various ceremonies worldwide, tapos gising ulit ng mga 6 or 7 AM, naka-tune in pa rin sa GMA. Beginning the following day, nag-24 hour broadcast ang GMA.

*And if I may add, a couple of years later, ABS-CBN got the rights to **Chabelita** and **Rosalinda**. This was to mimic RPN 9's two hit Mexican series, **Luz Clarita** and **Marimar**.*

Naalala ko yang si Chabelita. Super hit yan and of course ang record breaking na Rosalinda. Madami din latinovela hits ang naipalabas like ALICIA, DANIELLA, LAZOS DE AMOR, CAMILA. Mga unforgettable foreign shows.

GMA also tried that latinovela formula with MONICA BRAVA, POBRE NINA RICA, LUCIA ETC ETC. Pero betty la fea lang yata ang medyo naghit at pinagusapan.

nag-end ang latinovela craze dahil sa METEOR GARDEN. Simula nung naipalabas ito sa ABS-CBN. Nagpalabas ng sangkatutak na ASIANOVELA ang GMA. At ang ABS naman nagkaroon ng MG REWIND. At dun na natigok ang career ng mga latinovela sa tv. Tho may mga iba na pinapalabas pa rin pero wala na masyado naghihit at pinaguusapan.

MG had the most replays for a Chinovela I believe.

Sayang noon, inaxe ng ABS ang mga telenovelas nito sa hapon kaya nawala ang Dramathon sa Hapon. Buti na lang inilipat sa tanghali a-ng Gata Salvaje at tinapos pa siya hanggang January 2005. Nagkaroon uli ng mga telenovela galing Latin America nung May 2005 sa pamamagitan ng pagpapalabas ng Pasion de Amor at Little Amy/ La nina de mochila azul

Na Recall Ko Yung Tgis , Panalo Yon Sa Gimik Tapos Pinalitan Yon Ng Click , Click Na Click Talaga , Hanggang Dumating Ang Starstruck, Bat Wala Ang Youth Oriented Show Ang Gma7 .....

yeap. sobrang lakas ng MG noon. Kahit sangkatutak na asianovela ang tumapat sa MG. Di matinag tinag. GMA even tried F4 members vs MG. Pero \*\*\* pa rin. Di rin sumikat ang 5566, kahit todo ang press release at hype ng GMA dito.

Halos wala na yata nanonood ng EXTRA EXTRA noon. Dahil kapag 5:30 na MG time na. Ito na yata ang pinaka-successful ASIANOVELA na naipalabas sa Philippine TV.

Sa sobrang successful binili ng GMA ang rights ng HYD (Japan), pero di ito ganun kasuccessful gaya ng MG. Binili na rin nila ang MG (Taiwan)

ABS-CBN naman bought the rights for the Korean version na kasalukuyang pinapalabas sa S.Korea. Maulit kaya ang F4 craze?

Not really. **Monica Brava** created a stir kaya nga nag-revamp ng programming ang ABS-CBN noon to counter the move of GMA in putting a telenovela on primetime. Of course, ang pinaka-successful na telenovela ng GMA ay ang **Betty La Fea**. Kinabog nito ang ABS-CBN kaya tinapat ang **Alicia**, pero hindi kinaya kaya in-acquire ng ABS-CBN ang **Eco Moda**.

Little did ABS-CBN notice na unti-unti nang umaangat ang viewership ng GMA. GMA did this by strengthening the morning and afternoon slot--by putting **Sis**, and of course, afternoon dramas and soaps, already discussed previously. Pag hapon, siyempre ang animé sa GMA lang. The top daytime program was **Extra Extra**. First conceived as a rival for **Balitang K**, eventually natalo nito ang **Balitang K** when Mirriam Quiambao took over the hosting job left by Karen Davila. The tandem of Paolo and Mirriam was so strong na kahit ano pa ang itapat dito, talagang natatalo. There was a time na gumaya ang ABS-CBN and gumawa ng **Etcetera**--pangalan pa lang, clone na ng **Extra Extra**--which had Boy Abunda as one of its hosts.

Nung unti-unting sumisikat ang **Meteor Garden** sa afternoon slot nito, ABS-CBN decided to put this on the timeslot of **Extra Extra**. Dahil bitter ang ABS-CBN sa **Extra Extra**, ginusto nilang talunin ang show na ito. Well, they were lucky. Kung hindi sumikat ang **Meteor Garden** in 2002, matagal nang nabaon sa limot ang ABS-CBN. The **Meteor Garden** phenomenon was a pitfall for GMA because it showed lack of foresight on their end. Imagine, kinuha ng GMA ang **My MVP Valentine**, which also created a stir, but because it was an attempt to win back viewers who were already hooked on **Meteor Garden**, it failed. Tapos pinahaba pa ng ABS-CBN ang **Meteor Garden**, halos seven days a week may **Meteor Garden**. Itinapat talaga ng ABS-CBN sa lahat ng topraters at that time ng GMA: Saturday and Sunday mornings, Saturday afternoons. Dali dito ang **Click**, **Search for a Star**, **Maynila**, etc. And of course, talaga namang mas mahaba ang airing ng **Meteor Garden** kasi **Meteor Garden** was followed by **Meteor Rain** and **Meteor Garden 2**.

GMA had to recoil. **Poor Prince**, moving **Daisy Siete** to the 5:30 timeslot, and even **Miki Loves Yuu** (Marmalade Boy) did not remedy the situation. They did the inconceivable--

naglagay sila ng Taiwanese drama on primetime, **Lavender**. Ang daming na-hook sa **Lavender** noon na bumaba ang ratings ng **Kay Tagal Kang Hinintay** thanks to its beautiful song, and beautiful cast.

They took one step further by airing the first Koreanovela on Philippine TV--**Bright Girl**. Sumikat ang soap na ito sa hapon, and GMA started reclaiming the ratings game. GMA now was starting a new craze--Koreanovela. Sa primetime naman, nung natapos ang soap na **Ang Iibigin ay Ikaw Pa Rin** (Richard Gomez, Alice Dixon, Polo Ravales, Angel Locsin), ang ipinalit nila dito ay ang **Endless Love 1**. Ang daming na-in love sa **Endless Love 1**! Sa hapon naman, sinunod nila ang Koreanovelang, **My Love Cindy** (original title, My Love Patzzi), **Beautiful Days** and chinovelas **Love Talks** and another one I forgot. Now it was the Asianovelas of GMA versus the Mexicanovelas of ABS-CBN.

Pagkatapos ng **Endless Love 1**, sinunod ng GMA ang **Endless Love 2: Winter Sonata**, which became an instant hit, thanks to the song of Faith (then, Carmela) Cuneta and the story. Remember the teaser, **Winter na sa Pilipinas**? Plus **Starstruck 1**.

In short, to claim the number 1 slot, ang ginawa ng GMA is to claim the timeslots which ABS-CBN is most vulnerable to--mornings, afternoons, late nights (GMA na ito dati pa), weekends. When ABS-CBN only held primetime, they made their move. The rest is history.

2004 and 2005 were ABS-CBN's worst years. Sa ngayon, maayos na ang daytime schedule nila sa weekdays. Un nga lang vulnerable pa rin sa sudden programming changes, lalo na iyung mga animes na halos wala nang lugar sa hapon (buti meron pa), at mga telenovelas (Dos Amores which replaced Rubi was cancelled but was brought back in a pre-dawn slot from Fridays to Sundays). Wowowee is loved and not loved by different sectors of society.

Compared to what was ABS's programming on daytime 5 years ago and now, mas okay ang ngayon.

Problema lang siguro na ang hilig bigyang atensyon sa primetime. Their tendency to put a lot of shows within 7:30 to 11:30 pm (four hours) which is more than they could handle, and their unwise strategies of placing shows sa primetime in unlikeable slots (the so-called 10:30-11:30 death slot). Siguro kaapag nagmature ang mga tao sa industriya ng TV, magiging okay na ang lahat.

GMA naman had since 2004 relied on making fantasy soaps and since lately, the re-adaptation of works from radio, komiks, TV and film. Wishing they could again make dramas as it is, not always laced with fantasy and not always based on existing works.

Sa TV5 na tayo 🇹🇼 Peace! Next topic!

Unlike GMA which also focuses on its afternoon timeslots. GMA has produced very good Sinenovela adaptations versus mediocre ABS-CBN Sineserye versions.

nasa atin naman yon eh kung gusto natin ang mga ginagawang palabas ng abs o gma, ang mahalaga ay kung naaliw nila ang mga gaya natin at sa bawat palabas ay nakikita pagprogress ng kakayahan ng mga Pinoy sa paggawa ng mga dekalidad na programa sa TV.

^^ IMO ABS-CBN Sineseryes like HIRAM NA MUKHA, NATUTULOG BA ANG DIYOS, PATAYIN SA SINDAK SI BARBARA and PALIMOS NG PAG-IBIG are better and unforgettable compared to those GMA sinenovela that had Starstruck artists as lead actors.

Plus, most sineseryes are primetime worthy kung pagbabasehan ang production values, casting and grandeur.

Hmmm... as far as I know never natalo ng EXTRA EXTRA ang BALITANG K, nung nagresign si Noli para kumandidato kailangan niya iwan ang TV PATROL. Thus, ipinalit si Korina sa TV PATROL and of course dahil 5:30 ang BK at alas sa isang PATROL. Korina had no choice but to leave BK. Doon ipinalit si Kris for BALITANG KRIS. Dahil hindi masakyan ng viewers ang pagiging serious ni Kris hindi to nagclick, at dun na nagsimula umariba ang EXTRA EXTRA, pinalitan ang BALITANG KRIS at ginawang KRIS and TELL. Im not sure lang kung kailan lumabas ang ETC ETC ETC ni BOY ABUNDA.

And siyempre ang phenomenal na METEOR GARDEN.

Etc was aired around 2003.

-----

One bad thing about this seemingly never-ending TV network war, it turn Pinoys against each other. Ratings does not always equate with quality kaya the basis for a good show should come from us. Kahit ratings ang sole lifeline ng mga TV shows, hindi siguro masama kung iaangat lang nila ang kalidad mga programs.

I applaud what the minor networks on giving Philippine TV a necessary shot to the arm. They air quality programming devoid of the stains from the network warpath, badly-needed alternatives for Filipinos to watch other than just ABS and GMA. Hopefully, pagdating ng tamang panahon, competition will no longer be a duopoly between the two giants.

I also remember kung paano ko mabwisit sa ASAP. Yung yung panahon na medyo nakakabagot na ang mga production numbers nila, yung may bilog sa lower left side ng screen pag may birthday, tsaka yung kapag birthday ng artista eh may mga kakantang wala namang kinalaman sa celebrator.

SOP ang pinapanood ko noon dahil sa back to back to back. Pero simula nung naging ASAP + 0 something na yung ASAP bumalik ako sa ASAP. Lalo na nun pumasok ang GFORCE na ginawang pang concert na ang mga production numbers.

Hanggang ngayon inaabangan ko pa rin makabawi ang SOP pero mukhang napako na sila sa lumang style ng variety show. SIguro kung tatanggalin lahat ng hindi sikat na artists sa SOP tapos papatayin ang set designer nito at papalitan plus pagreretire-hin na si Geleen at ibibigay sa iba ang pagdidirek nito baka makabawi pa sila sa ASAP.

Too bad yung mga maliliit na networks ang pinagkakaisahan ng mga malalaki, katulad ng ABC 5 before, nung sumikat ang TROPANG TRUMPO pinirata si OGIE and MICHAEL V ng GMA. Pinirata naman ng ABS si BOBOT MORTIZ at ginawang consultant (ngayon business unit head na).

Tapos, the IDOL franchise ang kaisa isang maipagmamalaki ng ABC 5 pinagkainteresan din.

Buti na lang ngayon medyo buhay buhay pa ang TV 5. Pero hanggang kailan kaya...

just my few sentimos' worth--not to stray too much out of the topic...

siguro, another reason kung bakit na-reduce to a "duopoly" ang kompetisyon sa TV ngayon was that nawala rin ang kalidad ng production and programming ng dalawang government-sequestered networks: IBC and RPN. until the late '90s, they came out with really good shows, especially on primetime, that was worthy of competition...at kung na-privatize sila sana years ago, they could've sustained that, along with having had their facilities improved (which would, in turn, also help with their programming output)...come to think about it, these two were THE biggest networks prior to EDSA 1, and a few years after that, kaya medyo nakakapanghinayang...

ABC naman was a strong #3, especially during its first couple of years...as far as i can remember, the gap between ABC and the "big two" was not as wide as it is now...and they too came out with a lot of other good stuff aside from "tropang trumpo," "wow mali!" and "ispup" na mas naaalala ng tao (and good counter-programming, for that matter, like 'yung "good evening please!" every weeknight at 6pm, "B na B (baliw na baliw)", "love notes" and "love bytes" on friday nights against GMA's "vilma!" and "mother studio..." and ABS' all-foreign line-up back then, etc.)...pero, IMO, na-overshadow siguro talaga sila ng promotional efforts ng GMA at ABS...and 'yung availability ng ABC nationwide was, perhaps, another reason...

these three networks--which have been around before the UHF stations "mushroomed" now have a lot of catching-up to do. then again, RPN (through solar) and ABC/TV5, along with

much smaller stations like SBN and RJTV (also with solar's help) doing more "niche programming" (think the CW and mynetworkTV) is always a good counter-move--kahit na ABS and GMA are also doing niche programming on their sister networks (studio 23 and Q, respectively)...

as for IBC, though...ewan ko...

Sayang talaga ang opportunities noon kung maagang pinamigay na ng PCGG ang mga sequestered networks sa mga private entities. IBC i know dapat may broadcasting agreement with cable network Makisig Network na nangyari (plus I saw a TVC from Makisig showing the event of the contract signing between the head of Makisig and former Manila acting mayor/IBC station manager Jayjay Yambao), ewan ko lang kung ano na a--ng nangyari doon.

actually, last addition na si tintin sa "ETC", if i remember right...boy's original co-hosts on that show were jc gonzales (bianca's kuya) and angela calina (from ABS-CBN cebu)...

and long before that show premiered (mga 2001 din), may "producer's cut" edition sa hapon ng mga late-night public affairs shows nila...

*Most of these blocks would air every Friday nights. Isa sa mga inere nitong movies was Ghostfighter the Movie, January 1998*

marami pa akong binanggit noon earlier in this thread (many, many pages ago)...

"regal presents" kicked off primetime monday on ABS for many years. ka-back-to-back nito 'yung "chika chika chicks", and later, "abangan ang susunod na kabanata" (when "chika..." was axed).

long before it was used as the name of ABS' film production arm, "star cinema" was the name of their short-lived wednesday night movie block in the '90s, where they aired all the other first-run pinoy movies they had na hindi produced ng regal (their first feature was "iputok mo, dadapa ako!" starring vic sotto and francis m., which was produced by octoarts).

another primetime pinoy movie block they had in the '90s was "tagalog movie greats", aired on saturday nights against "FPJ sa GMA" (iba pa ito sa "sabado movie greats" which was more recent).

as for foreign flicks, ang pinaka-memorable was "million dollar movies", which originally aired saturday nights in the late '80s, then moved to sunday nights after "the sharon cuneta show" (at 9pm)...ilang years din nilang ginamit ang title na 'yan, which even had a "sub-block" called "klusivol primetime" (sponsored by...yes, that vitamin brand), which they used quarterly (or every few months) for bigger movies...eventually, ABS expanded the sunday night "playlist" to include station-produced and foreign specials, as well as local movies--thus, the many changes to the title: "megasine," "ABS-CBN presents", "sunday family cinema" and "sunday's best".

as for afternoon movies, ABS also had "sine sa dos" (in the early '90s) and "sari-saring sine" (in the late '90s), all featuring older pinoy movies.

I remember this opening presentation coming from ABS's sunday movie block. Para siyang ala-"HBO Feature Presentation" (except the one made by HBO went into existence later on) with it's cool graphics leading all the way until you get inside the theater in time for that week's feature film.

that was for "million dollar movies" (although the title was not explicitly shown--may mga marquee lang all over the theater na "M\$M" ang nakasulat--"M\$M", of course, meaning "million \$ (dollar) movies"). ABS was first in doing such an opening for a movie block...

Inaabang ko to ever since nung pinalabas nila i-yung OVA ng Dragonball Z na dalawang beses inere sa block na yun. Kaso, dahil bata pa, sa sobrang antok di ko natapos panoorin a-ng buong movie.

### **GMA TELESINE starring CLAUDINE and AGA.**

^^ bata pa ko nito, abang na abang ang mga pinsan ko, hindi ko alam kung bakit... yun pala may kissing scene si AGA at CLAUDINE.

### **MAALAALA MO KAYA**

^^ yung kay Jericho at Julia Clarete. Dun ko unang nagustuhan yung song na MINSAN LANG KITA IIBIGIN.

MMK and TELESINE lagi ang nagaagawan sa drama category sa awards night.

Too bad wala ng TELESINE, mas maganda yun ng milya milya kesa sa MAGPAKAILANMAN.

Parang naalaala ko yung Kapamilya Cinema tsaka yung Cine Frista na both weekday afternoons.

Kapamilya Cinema replaced the entirety of the Dramathon sa Hapon block and was on the air for three and a half years (counting it's tenure as Pinoy Movie Hits). It's highest rated feature film in the history of its run was Lastikman starring Vic Sotto. During its later years as "Kapamilya Cinema" nagkaroon na rin siya ng sariling opening (a scene of people buying movie tickets. A ticket falls inside a glass box, bearing the name 'Kapamilya Cinema'). Its last feature film when it ended early 2008 was "Ang Prinsesa at ang Pulubi". It was also notable for airing dubbed martial arts movies on weekdays for a time, such usually air on a weekly basis (like Sabado Movie Greats, popular for airing Asian films like Ju-On 2 and Acacia).

I remember every Wednesday or Tuesday nights, ABC-5 has its own martial arts-themed movie block which airs old-school shaolin movies (English-dubbed).

Speaking of ABC na rin, they used to air a circus variety show back then called "Circus of the Stars". Aired Monday(?) at 10pm(?) before Big News)

'yang "Circus of the Stars" was actually an annual TV special where, as the title suggests, 'yung mga sikat na TV and movie stars sa US perform circus acts alongside professional circus artists...

It was GMA that first aired that special each year back in the '80s until the early '90s... tapos, in the mid-'90s, ABC started re-airing it in 30-minute blocks every weeknight-- not before "The Big News", but after "Balitang-Balita" (mga 6 or 6:30pm)...

NAALALA KO YUNG FORBES yung ENGLISH SPEAKING DRAMA SA GMA7 LAHAT NG CASTS DOON PURO ENGLISH SPEAKING LIKE EDU MANZANO, LEAH NAVARRO I FORGOT THE OTHERS.... KASI NAKAKATAGAL NA NUN...

SANA MAGKAROON ULI NG GANUNG SHOW

I remember back in ABC, they used to air two religious-themed station messages to its viewers, one was the "Hotline to God" ad and the "Please Pray the Rosary" ad. They lasted for almost a decade but was discontinued probably upon the acquisition of ABC by Tonyboy Cojuangco around 2004.

During the Year of the Rosary (Oct. 2002-Oct. 2003), in preparation of the World Youth Day-Manila, a set of station-produced TVCs were aired on ABC in which the Aba Ginoong Maria was spoken in different Philippine Languages like Bicolano, Chavacano, Kapampangan, Cebuano, Tagalog, etc. on each of those TVCs.

Oh yeah! I remember this. May babae pa nga na nagsasabing "The family that prays together, stays together", akala ko nga si Mama Mary yun mismo eh. Takot ako sa ad na yan lalo na sa mukha ni Mama Mary eh. Dapat lang naman, especially Jesus, diba guys?

pero kasi Rosary eh...

BTW, kahit di na naeere ngayun yon, sa DWET-FM/Dream Fm naman tinuloy-tuloy hanggang ngayon. Slight OT lang, un-g TVC ng ABC, inere rin as an audio version sa dating Kool 106 bago i-play ang TOH station ID nito (itutuloy sa radio memories!)

Butch Francisco's column in the Philippine Star is always a rich source of TV memories. Here's his latest article dated Jan. 17, 2009:

**STO. NINO in MEDIA**

hilippine tourism gets a boost this weekend as tourists flock to Cebu to join the festivities marking the Queen City of the South's Sinulog festival.

Even television crews from various stations are flying to Cebu to cover the event as they do year after year. (This writer will also be there not necessarily for coverage, but to join the float of Flawless, which has a clinic at SM Cebu.)

In all those years that media had been covering the annual Sinulog, it is just lamentable that the emphasis is mostly on the street dance, the painted faces of the revelers (and at times even their drunken spree) and the focus is sometimes totally taken away from the Sto. Niño.

I can only hope that foreign media pay more attention to Cebu's Sto. Niño (the country's oldest religious image) so that the world may know about our devotion to the Child Jesus — in the same way that Catholics all over the globe know about the Sto. Niño de Praga in Czechoslovakia.

I was never a Sto. Niño devotee, but I learned a lot about how Filipinos have always venerated the Child Jesus on the lap of my maternal grandmother. Since she had a brother who lived in Pandacan, my grandmother would tell me stories about the grand feasts there — about how there were two Sto. Niños: a light-colored one that was enshrined in the Catholic Church (the one near Nagtahan Bridge) and another that was almost black that belonged to the Aglipayan (Philippine Independent Church).

As a child of three, I still remember attending a fiesta in Pandacan. It was in the house of my grandmother's brother, except that he was already dead by then. It was his widow who was our host, however, and I distinctly remember that it was there where I learned another meaning of the word tumbong. At that age I already knew that it was the vernacular of an anatomical part back there.

But can you imagine what confusion I had in my young age when I learned that it was the special dessert prepared by the owner of the house? It was so special that it was served only to the adult guests and from my seat at the table I spied on them relishing what looked like a round little white object that was supposedly the tumbong and what I now imagine was cooked the way you prepare sweetened macapuno.

In time I found out that tumbong is coconut embryo and for someone whose coconut is ignorant about, well, coconuts that's totally alien to me. I'm sure those who were raised in coconut-growing regions know all about that, except that the city boy I've always been (we lack in adventure), I have yet to taste that this late in my life.

And embarrassingly enough, I've never been inside the Pandacan Church (again, this late in my life) to pray before the image of the Sto. Niño there. I'm just never in the area.

Neither have I been to the other church in Manila that is also dedicated to the Sto. Niño — in Tondo. The Sto. Niño in Tondo was very much in the news in 1972 when the image was stolen. People believed then that this resulted in the flooding of Central Luzon that time. But I wonder why the heavens would punish the innocent people of that region who had nothing to do with the thievery.

That dastardly deed was eventually put on celluloid — in the movie *Ibalik Mo ang Araw sa Mundong Makasalan* (I hope I still got the title right). Yes, the Sto. Niño had been used as subject for local films a couple of times in the past.

I just have no idea how faithful Ibalik Mo ang Araw was to what really happened when Tondo's Sto. Niño was stolen back then. But it was a brutal film. Starring Zaldy Zhornack and George Estregan (now both deceased), it had a scene that showed a woman whose arms and legs were cut off while still alive. The parts of the Sto. Niño image were supposedly taken apart — and that entire sequence in the movie was supposed to have been symbolic. Oh, but it was gruesome and it sometimes still haunts me to this day.

And then there was Kaibigan Ko ang Sto. Nino of Lea Productions, which introduced as child stars both Gina Alajar and Roderick Paulate.

In the mid-'70s, the devotion to the Sto. Niño reached a feverish pitch that almost every other fashion designer had a Sto. Niño image dressed differently from the usual garb of the Child Jesus. There was the Sto. Niño Pescador dressed as a fisherman — plus other titles in accordance with the Niño's outfit.

***In the early '80s, television director Marcial Sanson even had a show on the old BBC-2 called Señor Sto. Niño, which dramatized weekly miracles attributed to the Infant Jesus.***

The Sto. Niño devotion now seems to have died down and I appeal to members of media covering the Sinulog festival to focus more on the Sto. Niño de Cebu instead of the merry-making and the street party that comes with this annual festivity.

more TV memories unearthed from youtube...mula naman sa isang user na supporter malamang ni senator miriam defensor-santiago...

anyone remember louie beltran's public affairs talk show, "straight from the shoulder"? this was one of the pioneer programs on GMA's late-night public affairs block back in the '80s, which went on practically until beltran's death in the '90s...

here is the entire show, in sections, from sometime after the may elections in 1992, which had senator santiago as guest, after what was then a highly-contested and very controversial count...

<http://www.youtube.com/watch?v=R9-0cCoNSaw> - part 1

(NOTE: watch out for a young patrick garcia on the ovaltine commercial at the beginning, plus a lot of other ads in the middle of the clip--particularly a plug for GMA's morning line-up...)

[http://www.youtube.com/watch?v=pjafK...e=channel\\_page](http://www.youtube.com/watch?v=pjafK...e=channel_page) - part 2

[http://www.youtube.com/watch?v=niDYj...e=channel\\_page](http://www.youtube.com/watch?v=niDYj...e=channel_page) - part 3

<http://www.youtube.com/watch?v=R7UKr...eature=channel> - part 4

<http://www.youtube.com/watch?v=D5SOU...eature=related> - part 5

[http://www.youtube.com/watch?v=N0sey...e=channel\\_page](http://www.youtube.com/watch?v=N0sey...e=channel_page) - part 6

(NOTE: watch out for the GMA station ID after the end of the show--kaka-switch-on pa lang nila sa kanilang "GMA rainbow satellite" at that time [the network went on full satellite broadcast in april 1992])

some stuff about the show:

- kung hindi ako nagkakamali, "straight from the shoulder" was first aired prior to martial law (and also with louie beltran as host) on the old channel 11, when it was still owned by MBC (manila broadcasting company--the same network that owns DZRH, love radio and YES!FM)...the GMA broadcast, incidentally, was also produced by MBC (as you will see on the end credits on part 6)...i believe this is mainly due to the fact that beltran had a show on DZRH with the same title (which also ran until his death)...

- joe taruc--also a long-time fixture on DZRH until now (he is, i think, the current station manager)--took over from beltran's wednesday night time slot on GMA after the latter's death...he brought his DZRH show (then entitled "liberty in action") to TV as "liberty live with joe taruc" (later retitled "liberty on TV"), pero short-lived lang siya...

you'll find a few more of senator santiago's TV appearances (some dating back to the early '90s) kay quickbrownfox (the YT user where i saw those vids from)--among them, interviews on two other GMA public affairs shows ("firing line" and "viewpoint"), as well on two ABS-CBN entertainment shows ("sharon"--the late '90s-early 2000s version of the mega's musical-talk show--and "today with kris aquino")...

even the end credits of ALL their network-produced shows (mapa-news o entertainment) always had "the family that prays together stays together...please pray the rosary" near the end...that was still during the time of the late edward u. tan (ABC's first chairman upon its reopening in 1992)...

'yung "hotline to God" na PSA, i think this was the one that ended with the line, "dial His Mother's number...it will only take you fifteen minutes to thank Him."...this was station-produced, if i remember right...

Sayang, dedols na si John Ritter. Buti inere sa RPN noon ang huling palabas nyang sitcom: 8 Simple Rules to Date My Teenage Daughter

Dapat matagal ko na pala ito nilagay. Sa video malalaman niyo ang pinagmulan ng theme tune na ginagamit ngayon ng TV Patrol. <http://www.youtube.com/watch?v=qhxn-NHt53g>

Old promo vid from Myx.

[http://tbn3.google.com/images?q=tbn:uqVnP-s1\\_UfK6M:http://telebisyon.net/Pop-Myx/series/images/256-Pop-Myx.jpg](http://tbn3.google.com/images?q=tbn:uqVnP-s1_UfK6M:http://telebisyon.net/Pop-Myx/series/images/256-Pop-Myx.jpg)

I remember the various openings that Pop Myx had over the years except for the one aired during its first year after Myx on 23 merged with cable-karaoke music channel Vid OK!

1. The signature Pop Myx opening showing an aqua-ish Heart Evangelista blowing a bubblegum. When popped, susulpot ang "POP MYX" logo. May sabay pang "Shubidubbiduwoop...Pop pop shuwop!". the tune became a fixture throughout all the openings that Pop Myx had since.
2. When Heart at around 2003-04, the opening was replaced with a similarly new one, this time, the one blowing a bubble was Heart's replacement host, a "cut-out art" version of Karel Marquez (included on the then-latest batch of VJs composed of Karel, Mark San Diego, and Mica Froilan).
3. The new opening is animated when first introduced back in 04-05. Cartoon characters each chewing bubblegum, blowing them up until they finally pop.
4. Around September 2005 or '06 (i think it was on the 30th). Along with the rest of the other Myx shows, Pop Myx's next opening took a "realistic" look. It shows a scene in a cafeteria, a tray containing some food and a soda bottle. The bottle (filled with orange soda, mmm) started to spur out its contents with a Pop Myx logo appearing as the bottle "pop out" the soda. A remixed version of the "Pop pop" tune was used.
5. Introduced sometime September 2007. The latest and current opening of Pop Myx once again used the original tune used during the "Heart" era. It shows a cut-out hand over a blue background. It points to something that suddenly "pops out" a letter: A "P" on one side, followed by an "O" then by another "P". The hand's finger then points toward the "O"

which then pops out the myx logo. At the same time, nagbago ang background from blue to warm orange.

the following youtube clip (from user rodneygarcia) should give us an idea about a kinda obscure TV show from back in the late '80s...

<http://www.youtube.com/watch?v=c99z6EkJcrY>

"regal family", as featured in that clip, was a noontime show produced by regal films for IBC-13 back in the late '80s...at that time, halos lahat ng networks, merong at least one local show na co-produced with regal films...

based on what i saw on the opening montage sa clip na 'yun, mukhang sina "tsong" joey marquez at willie revillame ang mga lead hosts ng show na 'yun...

^I know that guy (on Youtube at least), he was a finalist on a dance contest aired on the Lucky 7 Club and as a former professor of DLS-CSB, was featured on a tech show from Net 25.

turns out that he joined a professional dance group (seen on that "regal family" clip, as well on an "eat bulaga" clip from that same year which he has on his YT account) pagkatapos niyang manalo doon sa "uncle bob's lucky 7 club"...

one of his recent vids clearly proves na buhay pa dancing bones niya 🇹🇼

---Less than four months na lang pala, magfirst anniversary na tong thread. Layo pa! 🇹🇼

i remembered the maalaala episode of

1. rustom and carmina.. namatay si rustom sa episode na yun sa motorcycle ... helmet and motorcyce yata ang title nun
2. agua bendita nina juday and rico yan

star drama theatre

1. carmina and cesar montano - ending namatay si carmina because na solve niya kung sino yung serial killer dun
2. carmina and rustom - yung kanilang on screen episode nila na mag asawa.. may line pa nga na "one man woman" basta ganun

Rustom and Carmina(?) I think had another episode together, this time from GMA Telesine. I only knew there was one, when a good number of the old Telesine episodes were re-aired under QTV Gems.

*remembered the maalaala episode of*

1. ***rustom and carmina.. namatay si rustom sa episode na yun sa motorcycle ... helmet and motorcyce yata ang title nun***

Jan sa episode na yan nakilala ko si Rustom

naalala ko ang comml ni rustom kasama si RUFFA GUTIERREZ, ANG MUNDO KO SANA MAKITA MO, MAKULAY , MABUHAY, KUMUKUTIKUTITAP....

Ay yeah! I remember that! ABC took the rights of three of the biggest game shows then. At eto ang na-remember ko (name of show/host):

Family Feud- Ogie Alcasid

Wheel of Fortune- Rustom Padilla

The Price is Right-Dawn Zulueta

Yun lang.

Last franchised game show was Slingo hosted by Joey de Leon

nababanggit na rin lang si rustom (na ngayo'y si "bb gandanghari" na)...i remember na some of his earlier TV stints included "lunch date" (for which he won best new male TV personality sa star awards), "davao: ang gintong pag-asa" (ka-love triangle siya nina dawn zulueta at julio diaz) and a youth drama entitled "17 bernard club"...

Miss ko na ang pagiging virtual clock ng RPN with its signature analog clock placed on the lower left part of our tv screens.

parang sa clip na 'to...

<http://www.youtube.com/watch?v=owG0zsCI7YY>

i noticed--at least, base sa ilan pang clips na napanood ko sa YT--na ginawa rin itong clock overlay sa BBC-2 and IBC-13 (which, as a lot of us know, shared the broadcast city complex with RPN)...pero unlike RPN that kept the clock overlay throughout their broadcast day (except during the newscasts and, of course, during commercial breaks), the two other stations would only show the clock overlay at a specific time within a certain show, na may kasamang sponsor logo (e.g., citizen watch)...parang ganito naman:

[http://www.youtube.com/watch?v=5\\_Bsg...e=channel\\_page](http://www.youtube.com/watch?v=5_Bsg...e=channel_page) (watch for 3:20-3:25 in the video)

eto...a handful of late '90s station IDs (mainly from ABC, RPN and IBC, plus one from ABS) from this youtube user:

<http://www.youtube.com/user/sandiess>

enjoy!

Astig. Naalala ko yung "Pinoy-esque" station id noon ng IBC (the I and B were shaped like the number "13"). Especially during primetime kapag inaantipate ko a-ng mga tokusatsus, sentais, telenovelas at US youth series nila. during commercials, a-ng mga madalas na pinapalabas na commercials ay iyung product line ng regent, Sakanami, at Yakult. 🇵🇭

Their "new look new attitude" was a major let down especially when their new shows that time (mostly produced by the same blocktimer that brought us the "Men's Room" on 23 and "The Life of Ryan Garcia is GP: Going Public" on RPN) were cancelled. The follow up and currently used "Ang Bagong Pilipino" represented the fall of IBC as a major station with programming comprising nothing but HSM time blocks, El Shaddai (which used IBC as its home for 10 years or more), agricultural shows, and One Morning). Its signal is crappy, compared to "sister" station NBN.

One good thing back then was that at 2005, IBC's defunct noontime variety show, Chowtime Na!, was able to beat a show from a major network on viewership figures. The roster of hosts include Bobby Yan, Angelica Jones, April Boy Regino, and that Tsinoy guy from Sabado Boys, among others.

Edit: Please note though when I mentioned "Ang Bagong Pinoy", I meant the current one. Not the 1998 version 🇵🇭

grace nono sang the "pinoy ang dating" jingle for IBC...note that in the entire jingle, walang kahit anong mention ng network name or anything TV/broadcast-related (like the words "programa", "balita", etc.) at all. the first part of the jingle, if i remember right, goes like this:

*narito, narito  
ang damdaming totoo...  
ang buhay at ang pulso  
ng bayan mo ang bayan ko...*

*may kumpas ng siyudad,  
may himig ng bukid,  
parang ihip ng hangin,  
parang agos ng tubig...*

and the refrain simply went:

*may lukso ng dugo,  
may igting ng damdamin,  
may kurot sa puso  
na pinoy ang dating...*

i thought i would see a mid-'90s resurgence for IBC with that "pinoy ang dating" identity, na may kasama ring music video-style station ID (a first back then for philippine television, which, looking back, i was surprised na nagawa nila even with their situation back then as an already-government-sequestered network struggling with programming)...VTV (which later became vivatv) did them a lot of good especially with primetime programming, to the point na for a short while, they were able to challenge ABC for the #3 spot, but they weren't

able to return to their former pre-EDSA 1986 glory, especially on their own (without that blocktime deal with vintage)...not even 'yung ginawa ng team ni boots anson-roa (who became IBC's president around 1999 or 2000), like a big reunion special for all former IBC talents/stars from 1975 until the '90s ("homecoming sa trese"), the restoration of their professional relationship with vintage (which went sour after some wrong moves by boots' predecessor, retired general mitch templo), plus some new shows outside the VTV block (like "alas dose sa 13" and "DMZ TV"), were enough, i guess...

at eto pa...'yung "new face, new attitude" slogan nila was probably one of their shortest-running campaigns ever...it only lasted for less than a year...i think that was from around 2001 or 2002--they launched the new logo with the "new face..." slogan in january, tapos bagong logo na uli with the "ang bagong pilipino" slogan just before christmas that same year.

I wonder what's former Malabon acting mayor/SM Jayjay Yambao doing in IBC (I love saying his former political title since he was in the midst then of a political crisis in his city 5 years ago).

Last breakthrough he did was the blocktime agreement made between IBC and Makisig Network (as I mentioned a few posts ago), and I'm still waiting for that agreement to take effect. Hanggang ngayon, wala pa rin.

## Gameplan

---

[http://www.probetv.com/pusers/2008/07/01/02/48/shows/115/a.Gameplan\\_logo.jpg](http://www.probetv.com/pusers/2008/07/01/02/48/shows/115/a.Gameplan_logo.jpg)

The first ever Sports-oriented show in the Philippines has finally come on air! Started in August of 1995, Gameplan has contributed something to the "struggling" Philippine television. Originally aired on GMA-7 and aired every Sundays, the original hosts were commercial model Paolo Abrera with buddies Ruffalo Parpan and Yas.

Throughout the years, there were so many changes, from hosts to networks to OBBs. Until

it laid in rest in June 30, 2007, almost 12 years.

Their main competitor is ABS-CBN's Sports Unlimited which had basketball star Vince Hizon and tennis player Dyan Castellejo, which was still on air until today. Thou, they are not common in schedules.

**I got this video from ProbeTV. Hope to complete the parts of the farewell episode. By the way, here's the first part of the episode. Here, you can show the show's OBBs from 1995 to 2007:**

**[http://www.probetv.com/showspage\\_ind...636c528bac4636](http://www.probetv.com/showspage_ind...636c528bac4636)**

I really got a little mad when they were axed by Probe. Now, if Ms. Che-che Lazaro listens to this, please bring back Gameplan. It made sports television revolutionized. Before, we are just always Basketball. Thanks to Gameplan, we now knew other sports and Gameplan made it popular. So please, bring it back with Paolo and Wacky and please air it on ANC or Studio 23. Please. Please listen to us. TY!

^^

Yes. Kahit na nasa Studio 23 na sila, eh Master Rapper was already there with his usual voice nung nasa MTV siya. Thanks for remembering that. Search his name sa YouTube, I just saw some episodes ni Ramon B.

TY!

meron pang rustom carmina tv drama yung sa chanel 5..

yung sa love notes ni dj \_\_\_\_.. hahaha

namtay rin ang character ni rustom dun..

magka kapitbahay sila na mala- magkababata yata or young lovers sila dun pero si si rustom needs to go to USA bakasyon or magmimigrate pero nag crash ang plane na sinasakyan... (this episode was ni remake ulit sa lovenotes the movie na pinagbibidahan ni gary estrada and vina... yun yata yun)

then nag ka-part 2 yung episode ni carmina pero ang kwento naman is nagmomove on siya pero nafall in love siya sa brother ni rustom ..

Nope, meron talagang commercial si Rustom and Ruffa. Yan yung I think mermaid si Ruffa and naka-white top si Rustom.

of course i still remember yung crying moments ni martin and pops sa asap (magkahiwalay) before they took their leave on the said show... ka natatandaan ko yan.

hindi na nila tinapos ang show. dapat may number pa si martin, side a at mike cojuangco nun. natuloy pa din minus martin.

tanda ko din si pops kumanta sa asap ng "i want to know what love is" na umiiyak. after how many months, umalis si martin punta US, si pops nawala sa asap, si zsa zsa at ariel na lang natira. nagreformat ang show. nawala si ariel. naretain si zsa zsa, nadagdag si edu, sunshine cruz, vina, claudine, ciara sotto, bituin escalante, ana fegi, rj rosales, franco laurel. nandun pa din sila carol banawa, roselle nava, plus hunks (piolo, echo, carlos, diether, bj). pinaka gusto kong segment nun yung carol versus bituin. the best show down nila yung mariah carey songs at yung gary v songs na kasama si gary v sa number..dun din sinilang ang "star in a million" as portion ng asap..until naging sariling show (hosted by edu, zsa zsa, ryan agoncillo)..fast forward, asap 09 na. tagal na din ng asap started 1995 yata. going 15 years na sila next year..the true concert tv and asap definitely RULES...

^But eventually they would often return for occasional guest hosting spots on ASAP (Especially Martin who's currently on semi-regular status pero siya na lang ata sa original roster of hosts ng ASAP na bumabalik hanggang ngayon). Ironic that most of the original ASAP hosts are now in SOP. Para na rin natin sinabi na hindi na sila umalis ng ASAP in teh first place 🍷.

Still curious on how the ASAP theme song goes. Does anyone have a clip of the theme song, kung meron man? 🎧

ASAP ORIGINAL:

Main hosts - Martin, Pops, Ariel rivera, dayanara torres

may kasama sila mga bagets nun, ang tawag sa kanila parekoneksyon - jomari, mark anthony, gio alvarez, claudine ( kaya parekoneksyon kasi movie nila to sa star cinema "pare ko")

after how many months nilagay si jolina as part ng parekoneksyon, then si roselle nava, at huli si carol banawa.

after 2 years na mawala na si dayanara, nilagay si zsa zsa padilla.

may time din na naging co host si charlene gonzales, carmina at rustom.

yung sa asap meron silang ASAP challenge yung mga studio audience ang pinapasali nila.

i remembered pops and martin na naghost or guest sa sop dati... (kainitan ng paglipat ni pops sa gma)

themesong ng asap - written by martin..better than ever.. asap ..

pagmumura ng malutong na P.I ni claudine sa openinng ng asap.. natalisod kasi siya...

**dati may show sa gma yung mga hollywood movies tinagalized nila!**

asap yung first winner ng asian tv best entertainment show...

the best kasi ang asap dati compared sa asap ngayon.

si joe d'mango 'yung host nun (the TV version of "love notes" on ABC, born out of his 15-minute friday radio show of the same title)...

the "love notes" TV show was aired on fridays at 8pm...the show that followed it at 9pm was a dating game hosted by edu manzano called "love bytes"...this was one of edu's shows on ABC at that time (mga mid-'90s yun), the other one being a monday late-night talk show called "the edu manzano show" (which was a revival of sorts ng kanyang mga dating talk shows na "monday night with edu" [on GMA] and "not sooo late night with edu" [on ABS-CBN])...incidentally, joe d'mango himself did the show's set design, which included a match-making "female computer" named "nova"...

***dati may show sa gma yung mga hollywood movies tinagalized nila!***

sa "GMA's BEST" 'yun...i can't remember now if that was the time na the said movie block was aired mondays or sundays...basta bago pa nagkaroon ng "SNBO" block 'yun...

mga artista rin 'yung pinag-dub nila ng ilang movies doon...i remember, toni rose gayda dubbed a kirstie alley movie (i couldn't remember, though, which one it was)...tapos si ruby rodriguez naman yata, she was one of those who dubbed the bette midler movie, "beaches" ('yung pinanggalingan ng kantang "wind beneath my wings")...

i was a little disappointed that GMA did that, though. just like that time solar aired a tagalized "one tree hill" on RPN back in '06...

tagalized hollywood movies on modays?.. eteo yata yung kalaban ng judy ann santos presents....

i think nagpapalabas sila ng ganito kasi hinahanda nila yung magpakailanman

But was Magpakailanman was conceptualized way later at 2003 right, in anticipation supposedly for the then upcoming World Youth Day-Manila

nope...it premiered around december 2002, if my memory serves me right...

and we didn't have world youth day again sa pilipinas after the one in 1995...it was the world meeting of families in '03 (i hope i got the year right)...

ASAP circa June 1996

Tama ka pala, 2003 was World Meeting of Families (When Cathloic schools forced their students to memorize "Only Selfless Love" which was sung by a number of artists, including Jamie Rivera). )A-ng alam ko kasi dapat pupunta ata si Pope John Paull II pero di natuloy kasi may sakit na siya non.

and speaking of world youth day 1995 in the philippines...

a whole block of WYD '95 ads aired on GMA (the official network of both WYD '95 and the papal visit), including the jollibee "tell the world of his love" ad (featuring janno gibbs, angelu de leon, donna cruz and--long before she started pitching for the "golden arches" [mcdonald's]--sharon cuneta)...plus a "thank you" plug produced by the network after their coverage of the two events...

naalala ko tuloy na "full force" ang GMA coverage noon ng WYD at ng papal visit...it was a

joint venture of sorts between both the news/public affairs and entertainment groups, kaya, habang mas nakararami ang mga on-cam na taga-news (cheche lazaro, jessica soho, vicky morales, arnold claudio, veronica baluyut, karen davila, jun bautista, etc.), may ilan ding personalities not identified with the news department ang nakasama sa coverage, like the late bert "tawa" marcelo (then the host of "agri-siyete"), boots anson-roa, and even vic sotto and joey de leon (they joined the studio panel, with, i think, jessica soho, during one of the last few days of WYD '95--looking back, siguro naging teaser na rin 'yun sa noo'y nalalapit na paglipat ng "eat bulaga" sa GMA two weeks after WYD)...

Aba! Paano naging endorser si Sharon sa Jollibee bago sa McDo??

BTW, sino yung VO ng GMA then?

Parang. Swerte niya kasama niya diyan si Arnel Pineda.

And BTW, remember the GMA station ID wherein Steve of Startalk was rapping around the streets tapos may security guard pa then may kainan rin. Mamaya, pupunta sa OB Van ng GMA. I think this was one of the last "Where You Belong" versions na na-i-air. Tsaka nung mga 2000 pa ito, nung 50 years pa sila.

[http://upload.wikimedia.org/wikipedia/en/7/77/Optimized\\_image\\_a06e95a5.png](http://upload.wikimedia.org/wikipedia/en/7/77/Optimized_image_a06e95a5.png)

And remember the old GMA logo, yung "second" rainbow logo (above) tapos if I remember, sa spaceship (or brownish something) yung setting. Basta andyan na yung logo tapos pupunta yung satellite sa taas. Then, tapos. I remember kasi yung intro na yun eh, nung may na-feature silang Telesine or something wherein Francis Magalona was there. Basta mga 1996-1998 yun na-I air.

I admit dati akong Kapuso. Ewan ko lang kung bakit.

pepman: I remember the first logo you posted up there. I think that was the last time they used their old GMA-RTA logo (Where You Belong). Their on-screen ident was composed of

the GMA logo contained in a rectangular bar. The bar was removed and the satellite disappeared but the rainbow remain on the the ident.

Eventually, with the adoption of the "Kapuso" slogan, the rainbow transofrmed into a rainbow-color heart and a simplified font was used for "GMA". The recent update on the logo took place just recently. When they first adopted the present logo, the font color of "GMA" was pure blue but after sometime, the "GMA" logo became "shiny" that it is now.

ABS's had its last on-screen ident changed back in 2006 (A 3d version of the ABS-CBN logo) . But after a few weeks, the previous and still-current logo (The RGB signal wave place inside a white box with a black bar in the middle that looks like an antenna, started using it sometime around 2003 or 2004) was re-adopted.

I'm *tri-ased*. I grew up watching ABS, GMA and ABC-5\* (pati na rin 23, RJ, RPN and IBC). I love all three but felt na there's something lacking from these stations. Even up til now, there's something about GMA and ABS na wala pa rin hanggang ngayon but i couldn't quite tell exactly.

Dagdag ko na pala, if you remember Mojacko na dating inere sa GMA. Yun pa lang ata ang tangang anime ng GMA na nilagyan ng "GMA Where You Belong" logo sa unang bahagi ng opening credits nito.

The guy who starred in the "Where you Belong" station ID ay present rin ata in the "Pasko Na Naman" christmas id ng siete.

I noticed recently that the old 90's font of the GMA logo looks similar to the ones used for Good Morning America which is also known as "GMA" by coincidence (or maybe not since ABC in the US shared a history with the old RBS way way back).

In addition, the "7" logo of GMA featured in one of "Pinoy Memories" series of videos on Youtube (particularly, the one voiced by Helen Vela) shows great similarities to the "7" logos used by various TV stations in the US. By coincidence na rin, the American Broadcasting Company (pre-Disney ABC) was one of the first (if not the first) networks who adopted the "7" logo to its stations whose channel assignment falls on the channel 7 frequency.

I won't be surprised na rin na up until the 90's, the relationship between GMA and ABC was pretty much evident when the former had a Saturday morning block called "Disney Adventures". It contains shows produced by The Walt Disney Company who were, by the time, full owners of ABC.

(\*Di ko na sinama a-ng "5" para di malito sa ABC na US TV network)

^^

Ah me too. Pero more of a Kapuso ako in the 90's. As I've said, ewan ko ba. Pasensya, nakalimutan to say that

And BTW, remember yung Saturday morning cartoons ng RPN consists of Popeye, Barney, and others.....???

^Popeye and Son, [I Hate] Barneye, and Zoids Fuzors (the more recent one) naalala ko.

ABS aired Barney in 2005 as part of its promotion for the upcoming Barney concert that was to be held then at the Araneta Coliseum. Today, a Tagalized version of Barney is now airing on TV5.

Older Popeye cartoons used to air on RJTV 29. Not sure though if Superman and the Three Stooges aired on RJ or on Channel 31 (if not 21).

Kung Mawawala Ka

Ikaw na Sana-I'm currently looking for this show's 1st episode which was uploaded into youtube. It has a very interesting opening credits, talagang movie quality, and its "movie" look is reminiscent of the old Viva teen flicks from the 90's.

Ha, those were the days. Primetime 10 years ago was much more relaxed than it is now.

Anong mga soaps ang nagtape noon sa Fort Ilocandia?

I noticed this too. They seemed to have a tie-up with ABC, and the 2000 Today broadcast was perhaps another proof of their binds to the American network.

Popeye and Son was once aired over GMA. When I was a kid, I watched this every Tuesday afternoon (around 5:00 PM, I think), before That's Entertainment aired.

ABS-CBN also aired Popeye in the early nineties. The very old Popeye episodes were aired there. RPN 9 showed more recent Popeye cartoons during Saturday mornings.

tama...what RPN aired on Saturdays was the popeye series, "the all-new popeye show", which was originally produced sometime in the late '80s...ABS-CBN naman had popeye cartoons (short ones squeezed into a 30-minute block) from the '60s...

"teen pan alley" was a short-lived musical-variety show on ABS-CBN...from the title, obvious na kung sino ang target audience nila...interestingly, ang tatlong hosts nun were janno

gibbs, bing loyzaga and regine velasquez. i'm sure a lot of you recall na just a few years ago, may issue 'yang tatlong 'yan...anyway, moving on...

unang lumabas ang logo na 'to around september or october 1998, just after the network switched on to the 100kw transmitter...the original station ID associated with this logo was just a 30-seconder with a sky background, and the letters G, M and A coming together with the rainbow to form the logo...the music video-style station ID (with a "rehash" of the "where you belong" jingle) came out a couple of months later.

yes, this was indeed the last time they used "where you belong" both as the network tagline and as part of a GMA logo...dahil, by around late 2001, the long-time GMA slogan (it was used beginning in 1978) was "retired" as the network gradually started its rebranding...between late 2001 and 2002 (just before october, when the network launched the "kapuso" brand), ang tagline na ginamit was "walang kasingkulay ang buhay".

this logo naman was used starting in late 1994, as GMA was starting to promote itself as the official network for the 1995 papal visit and world youth day...

both logos naman were derived from the original "GMA rainbow satellite" logo of 1992, whose station ID you would see in one of the "straight from the shoulder" youtube clips i posted a few pages back.

this one was the 1974 logo--after the network was rebranded as "GMA radio-television

ARTS"...the word beside the number 7, kung medyo malabo sa paningin 'nyo, is "greater", because each GMA station used to have their own branding (channel 7-manila and cebu were "greater 7", channel 7-davao [owned by SBN ever since but disaffiliated with GMA after SBN21-manila went on air] was "intensity 7", channel 10-bacolod was "magnitude 10", etc.)...

[http://upload.wikimedia.org/wikipedia/en/4/48/Optimized\\_image\\_7ccae93e.png](http://upload.wikimedia.org/wikipedia/en/4/48/Optimized_image_7ccae93e.png)

this version of the GMA logo and the "circle 7" logo was used beginning late 1977 or early 1978...sa youtube clip na binanggit ni j5bata ('yung sa "pinoy memories" series, voiced by helen vela at the end), the circle itself is a red-green-blue band...however, the "circle 7" design on the pic above was used for newspaper ads (dahil wala pang colored newspaper ads masyado noon), as well as for the "circle 7" emblem which used to be on top of the old GMA building sa EDSA/11th jamboree...

The first one resembles the present "ribbon" logo of Seven Network from Australia. It earlier adopted its own version of the Circle 7 logo before eventually changing the design to this:

Are you referring to The Today Show? That's NBC's flagship morning show and rival to ABC's own GMA (Good Morning America) na karibal din ng The Early Show ng CBS. no..."2000 today"--'yun 'yung global millennium day broadcast na pinangunahan ng BBC in the UK and ABC in the US...GMA was the official philippine network naman for that broadcast...

Ah....Medyo lito lang konti hehehe 😊 . Since we're still talking about logos, here's what I just found a few minutes ago.

<http://www.unlimiteddiving.com/btv/images/sbn21.jpg>

[http://upload.wikimedia.org/wikipedia/en/thumb/e/e8/Sbn\\_21.png/200px-Sbn\\_21.png](http://upload.wikimedia.org/wikipedia/en/thumb/e/e8/Sbn_21.png/200px-Sbn_21.png)

I remember the earlier as one creepy channel with its creepy station ID wherein the background is black filled with stars, suddenly a 3d version of 21 appears (forgot how "SBN" enters the picture).

-----

Right now, aliw na ako sa discussion natin dito hehehe. 😊

Pansin ko na most of the network logos make use of RGB:

1. ABS (Its "Signal logo" with a black bar representing an antenna emitting signal waves of three, each in red, blue, and green)
2. GMA (Its "rainbow satellite" logo and the present Kapuso logo)
3. ABC-5 (Its typhoon-shaped logo containing an "eye" and three connecting "wings" of red, blue, and green).
4. IBC (Its previous, and present logos)
5. and SBN.

Here's a slice of info about the history of SBN. I'll post the whole story on the other thread.

even the original "GMA greater 7" logo, as posted earlier, used the RGB scheme...

i'm thinking na marami ang may RGB color scheme sa logos nila, dahil red, green at blue 'yung mga primary colors from any television picture (kung hindi ako nagkakamali sa science behind TV signals and picture)...

*Mom's Radio is aired in six key strategic cities namely: Cebu and Bacolod in the Visayas, Davao and Cagayan de Oro in Mindanao, Laoag and Vigan in Northern Luzon. It is owned and operated by Southern Broadcasting Network (SBN).*

*What began as a single proprietorship in 1970, this once obscure network gained national recognition as the first UHF television station to air in Metro Manila in 1992. It has grown into a network of four television stations, six FM radio stations and one AM radio station.*

*Gem Communications Holdings Corporation (Gem Com) that originally acquired 35% of the company's capital in 1996, assumed management control of the company in 1999 when it bought additional 62 percent of the outstanding stock.*

If only we have people from the field to better explain to us all of these things gaya ng sa radio memories.

even the original "GMA greater 7" logo, as posted earlier, used the RGB scheme...

i'm thinking na marami ang may RGB color scheme sa logos nila, dahil red, green at blue 'yung mga primary colors from any television picture (kung hindi ako nagkakamali sa science behind TV signals and picture)...

Yeah, because cathode-ray terminals (CRT) use three colors for the TV's chrominance signal.

*The guy who starred in the "Where you Belong" station ID ay present rin ata in the "Pasko Na Naman" christmas id ng siete.*

Sino, yung si Steve ng Startalk?

Tsaka yung dating boses ni Al Torres sa WYD 1995 na video, parang yung current na alt. voiceover na nasa 96.3.

*ANG TV - Claudine is my crush in this show...Lailani Navarro is so HOT then 🤔*

*Tabing Ilog - All Star cast...my fav love team here is Patrick Garcia and Paula Peralejo...they look good together*

*I forgot the Title were it stars Jericho and Kristine. It shows in the afternoon every Sunday. Also starring Ronaldo Valdez, Coney Reyes and Sarah Cristophers ba yun...hehe Kristine was later on replaced by Carla Guevarra in the show...*

**Munting Paraiso!** hay, ganda nun. si Agot Isidro po ka lab-interes ni Jericho dun. si agot ba 'yung naging kapalit ni kristine as jericho's love interest? hmmm...parang 'di ko maalalang napanood ko siya doon...🤔

d'yan yata sa "ang munting paraiso" nagsimula 'yung echo-tin love team, if i remember right...

Sir Sirloin,

Sino po yung VO ng GMA yung babae tsaka yung lalaki sa GMA Rainbow Sattelite Station ID??? Yung video po, galing sa Straight from the Shoulder.

Dun ata una na-form ang loveteam nila. But i think that was also around that time when their first (if not the only) FLAMES episode was aired.

Na Recol Ko Si Kuya Ike Ang Starbuilder Na Balasubas....

eto, random uli na medyo may pagka-obscure, perhaps, to some of you...

i suddenly remembered that eric quizon was once a superhero--in the early '90s, he was "computerman" sa isang adventure series of the same title noon sa IBC-13...

at si monsieur del rosario, naging bida rin sa isang sci-fi/action series entitled "wari waro", which was on saturday nights on RPN (mga 6pm 'ata, right before "macgyver")...

although hindi ko na rin masyadong maalala ang kahit isang episode ng alin sa mga show na nabanggit...🤔

Found these set of clips on Youtube. they're all about Pangako Sa'\*\* which aired for two years on ABS-CBN. In 2006, the first book of the soap was aired again (TFC rerun the whole series though) from August until mid-2007. PSY director, Tina Dayrit herself edited the vids and had them uploaded on Youtube. Since Your Song is now two years and eleven months old (With no certainty yet if by next week it would continue airing well into its third anniversary), here are the list of episodes it had aired including the monthly mini-serials it introduced last February 2008 (It's second year anniversary offering was Heart Evangelista's last series in ABS: Minsan Kitang Minahal).

\*Sa mga naging logos na ng Your Song, very consistent ang presence ng headphones/earphones. Hehehe

hahaha. natatandaan ko to. campaign jingle to nung election dati. bata pa ako nito. Marcos admin yata ang jingle na to.

meron ako natatandaan:

"bigyan ng puso ang senado, ihalal si nina rasul" hahaha..

Recent election-related campaign memory ay iyung sa May 2001 elections. "VOTE FOR D CHAMP" ba yun. basta bawat letter non, ay last. first o nickname ng mga tatakbo sa Senado 🇹🇼

with matching campaign na ... "ano ang kulay ng watawat?"

"pula, dilaw, at .... RASUL!" 🇹🇼🇹🇼🇹🇼🇹🇼

After being off the air for a long-time, ABS's old show returned even if it only lasted for a few years. It is also among the ABS-CBN shows that were salvaged during the early Martial Law Years by having them aired on GMA but using a new name in place.

[http://img.photobucket.com/albums/v688/shining\\_star284/Pinoy%20TV%20Teleserye/pwedengpwede.jpg](http://img.photobucket.com/albums/v688/shining_star284/Pinoy%20TV%20Teleserye/pwedengpwede.jpg)

I'm guessing this is the Robin Padilla sitcom that used to air from 2000-2001(?). One of the most memorable episodes I had on this was when Robin's character and friends traveled back in time on 1896 just as when the Philippine Revolution was about to take full swing. At the episode's end, they thought that everything that had happened was all a dream until they discovered the scars they had from the sanduguan they had with the rest of the katipuneros. 😊

^This is one of ABS's longest running sitcoms and the last remaining one from the 90's that went on to live well into the first years of the 21st century. During its decade-old run, it spawned several movies and a spin-off series that saw Cosme's family moving from the railway to NAIA's nearby squatter colony. The last few episodes of Home Along Da Airport also saw the return of some of Cosme's kids like Claudine Barretto (I can't remember if Smokey Manaloto satyed throughout the series besides Vandolph).

Heto iyung vid nung rebranding ng GMA when they popularized the trademark term "Kapuso" starting with the term's launching on SOP. I remember that time (nung umaga), the previous GMA on-screen logo was nowhere to be seen. Months prior to that, GMA was already giving hints of its rebranding (and I thought then it was only for the then upcoming World Meeting of Families).

that rebranding was gradual, if i remember right...

around late 2001 or early 2002, though GMA still used the last rainbow logo as their on-screen bug (until the day before the rebrand), most, if not all of their print/outdoor ads and on-air plugs slowly got rid of the rainbow, and used only the "GMA" part of the logo, same font and everything, alongside the tagline, "walang kasingkulay ang buhay". during that "interim period" between the temporary branding and what would become the "kapuso" rebranding, akala ko, 'yung "walang kasingkulay..." na ang magiging bagong long-time slogan ng network...

and then came october...a week or two (or even three) before the rebrand's launch, they came out with a teaser that played a brief part of the GMA "kapuso" jingle intro, with the copy going like this:

"iisang puso...iisang damdamin...ang makulay ninyong buhay, magiging lalong makulay..."

seeing the last line in the teaser made me think, back then, na that was it--major rebranding/logo change na ang mangyayari for GMA that month.

meanwhile, that same sunday (october 27, '02) when GMA launched the "kapuso" branding, ABS, i think, launched its christmas campaign naman on "ASAP"--"isang pamilya, isang puso ngayong pasko"...prior to that, panay rin ang teasers nila that simply went, "it has never been this BIG..."...i loved the re-arrangement they did to the song "put a little love in your heart" (which, as sung by carol banawa, was used as the theme song for that holiday campaign) na medyo dinagdagan pa nila ng original tagalog lyrics ("buxsan ang 'yong puso at liliwanag ang mundo...").

Kelan po binago ng ABS-CBN yung logo nila? At bakit?

*Sirloin\_steak,*

*Kelan po binago ng ABS-CBN yung logo nila? At bakit?*

ABS didnt do much when it changed its logo but 2003 was the network's 50th year (and as well as that of Philippine television in all its entirety) kaya for a year, they used the "Golden 50" logo until it switched to the current logo of ABS (on screen it's the logo itself) we now see on screen. They ditched the black borders. The font used for "ABS-CBN" was adopted before 2003 but I'm not sure when exactly (I was away from the country that time). Of all the networks, the signature ABS-CBN trademark was for the most intact throughout half a century of Philippine TV.

the logo we see naman on GMA became "glossier", I didn't noticed until 2 years ago that they made that slight changed from the all-blue font color of GMA it used starting from the launch of the Kapuso branding.

sirloin, I saw the list of vids of the youtube guy who is a superfan of miriam defensor-santiago (whose video you had it posted here through its link) . Among them was a set of vids which covers miriam's guesting on Today with Kris Aquino back in 1999. Fortunately, kasama sa vid a-ng mga commercials that used to air that time (and promos of some ABS primetime soaps). Among those commercials was an campaign promo wherein stars from Talent Center (or those identified with ABS) explain to viewers why Channel 2's important to them.

One of them was a commercial starring Onemig Bondoc. At the very end of that particular commercial was this text: "Onemig Bondoc, Ka-Pamilya Namin. Kapamilya Ninyo. Kapamilya Ng Bawat Pilipino."

And since The Buzz is celebrating 10 years on the air, here's a commercial I found from the same set of Today with Kris Aquino vids I posted just now.

the basic structure of the ABS-CBN logo hasn't changed much since it first came out in 1968 (when the current square frame-with-the-antenna logo debuted alongside the inauguration of their current headquarters in QC that year).

the ABS-CBN logo as we knew it at first (the one with the stylized letters for the typeface--"ABS-CBN contemera" raw ang pangalan nito, according to the book "kapitan") remained almost the same from 1968 until 2000--with only the square frame itself changing faces a little bit. from 1968-72, and upon the network's reopening in 1986, solid color (either white or black, depending on the background the logo is on) 'yung square. but after ABS was relaunched as "the star network" in '87, and came out with the station ID na gawa sa computer graphics ('yung may signature tune na ginamit dati sa station ID ng DZMM), that square frame was represented by 4 lines made into a square. nonetheless, the entire ABS logo remained the same.

the current one debuted on-air shortly after midnight on January 1, 2000. naging solid color uli (or sometimes, even invisible) ang square frame where the antenna/3 rings are...if i remember an article back then about the updated logo correctly, that signified the network's diversification into various other media outside broadcasting...the "ABS" and "CBN" parts of the logo were brought together sa ilalim ng antenna/3 rings frame, and the typeface/font was changed ("rodin" naman ang pangalan ng font, according to that same article i read)...

Bakit noon until 2006 (naalala ko pa kung kailan tinigil), madalas may nakikita akong mga parang "stars" na gumagalawa patungo sa screen.

2006, it was replaced by a 3d motion graphics of the ABS-CBN logo with each part assembling themselves before throwing out into the screen.

2003 pa yata tinigil yun eh. Naalala ko yon, parang Star Cinema eh no? Di ba bago mag-plugs, pinapakita nila yun?

If only "Kapitan" is Php10,000 cheaper then I would buy it. If only it's available in my school's library then I'd read it so that I don't need to sneak inside La Salle just so I could read it.

But I have to tell you that the old logo is still outside the HQ of ABS-CBN. Di na nila pinalitan ano? Bakit kaya?

One of my favorite segments here is Amanda's wherein she goes food tripping around Metro Manila. My family visited some of the featured restos in the show like the one near Tomas Morato (malapit sa LRT Line 2), the one near Jupiter Street (just beside the RJ Bar), and the one near Prudential/Paseo de Roxas and Buendia. Take note though that all the restaurants I've mentioned are Indian since it's one of the most recurring features in Amanda's segment in F. 😊

The one near Paseo de Roxas/Prudential was featured again on ETC's Chillspot

the BBC jingle was probably the only locally-made broadcast network jingle of its time (it came out in 1973, the same year that roberto benedicto put BBC on the air on channel 2 in metro manila, using the ABS-CBN studios which he took over from the lopezes at that time)...

i read in one of the music sheet books jose mari chan came out with that he started writing the lyrics of "big, beautiful country" on his way home after meeting with the network bosses. he would also be among the voices behind that song (alongside his friends and musical contemporaries like tillie moreno, nonong pederero, and the late richard tann, if i'm not mistaken)...

the second clip from "GMA supershow", by the way, is not an ad, but an actual episode of the said musical-variety show...

*Ay! Sino yung mga original hosts ng The Buzz? Kasi yung nakita ko sa plug na yun (6:37-6:40) sina Dolly Anne Carvajal lang tsaka si Abunda.*

dolly anne, ricky lo and, if i'm not mistaken, pat-p daza (jullie yap-daza's daughter) were boy abunda's original co-hosts on "the buzz".

Pat P's career's recent upsurge via Showbiz Ka was, however, short-lived. I find her good of a host but Solar didn't gave her show a chance considering how they made the Broadcast City studios look so cryspy clear on the screen, giving us viewers a chance to appreciate the true beauty of the nthen advanced broadcasting center in Asia.

Oo nga naman. Matanong nga natin si Campus Sirloin\_steak.

hayz ang amazing twins sana ibalik siya

sina Kabayan at Loren pumasok na sa pulitika at don na ata sila nagtanggap ng mga endorsements. Naalala ko naman minsan si Marc Logan na may commercial ng Tide pati na rin iyung isa na ngayon ay bwriter na ng The Buzz Magazine (forgot the name but he was known for the controversial cellphone pics he took himself that went spreading around the websphere after his phone got stolen). marc was retained in the news division pero nasabihan na ata rin siya.

Kim Atienza di ko sure kung officially part na siya ng N&CA habang a-ng mga sure na taga N&CA na sina Winnie Cordero at Tintin Bersola ay meron marahil an rin na hindi sila nagdedeliver ng hard-hitting news.

Kaya pala medyo nawala sa limelight si Marc Logan, between 2005 to early 2008.

Funny story a\*ng Philippine airing ng Amazing Twins. Bahagi siya noon sa Viva TV block ng IBC noon kaya malamang a\*ng Viva noon ang unang nag-acquired ng rights na i-ere siya't i-release a\*ng series via VCD/DVD and with added Tagalog opening pa. That was way back in 2002/2003.

Nung nagkaroon ng bagong namamahala sa ABC-5 from the Tans to the Cojuangcos, doon naman ipinalabas sa pangalawang beses a\*ng Amazing Twins with dub intact and with added ABC-ed closing credits (you know the one that always ends with "The Family That Prays Together, Stays Together"). Then not long after, in 2005 naman ay sa ABS-CBN naman siya napunta. The original Tagalog dub was made intact but with a cooler opening logo and updated closing credits.

AT was I think the most successful asian series of that genre shown locally kasi sa ABS lang ata talaga ito tinapos or is it that it got good promotions, we don't know. One thing for sure, it secured the airing of a succeeding series with a similar theme about "twins"-(kuno) hehehe, Outstanding Twins starring Jimmy Lin again.

Meron ba nakakaalala sa mga ito...

EMC right!

the news channel... well naalala ko lang na may napanood akong plug for that dati, Im sure it's from GMA kasi I saw it on GMA 7, andun pa nga si Jessica Soho.it showed kung anong channel sa cable mapapanood. Hindi ko lang maalala kung ano yung name...

*yung dati.. naalala ko pa yung Far Eastern Network Philippines.. u know dis kind of cable tv? eto yata yung pinaka unang cable show sa philipipnes.. naalala ko pa ito nung bata ako..*

actually, hindi cable 'yung FEN. it was a network of free-to-air TV stations in both the subic and clark military bases (when it was still under US control) back in the '80s...the network itself, as a service to US troops stationed back in the philippines, was operated by the US armed forces, too. manila residents would usually get the FEN broadcast out of the clark air base station (frequency was on channel 17), and only if their antennas were really, really high...

i never got this station on our TV set back in the day, pero having read up about it, i gathered that FEN aired a lot of US TV series na hindi pinapalabas sa mga local networks noon...

a series of far east network - philippines videos, straight out of youtube, from the 1980s...

-Norman Black

nope. sa SBN, during its early years.

para sa mga 'di nakakaalala nito, it's a short, 5-minute-long cartoon (involving two kids and the butterfly who reminds them to, well, "just say no!") that talks about the simple things kids shouldn't do--especially talking to strangers, taking unknown or mysterious-looking stuff, mga gano'n...both KCh and SBN showed this cartoon as an "interstitial" (a very, very short program in between two other programs).

at obviously, iba pa 'yun sa burlington public service ad featuring norman black.

hehehe...no wonder. Yun laang siguro ang fondest and earliest memory ko sa station na yon.

Speaking of which, the PR franchised returned on Philippine TV (through ABS and CN Philippines) after several years starting with Wild Force (They should have started with Time Force if you ask me), which was the first PR series to be dubbed in Filipino on ABS, followed by Ninja Storm (first PR to air on HeroTV), then Dino Thunder (which marked the return of Mighty Morphin's Tommy Oliver as a main character), SPD:Space Patrol Delta, Mystic Force, Operation Overdrive (so far aired first by CN Philippines).

Of all the recent PR seasons that aired, Wild Force is the first and last Saban-produced Power Rangers series to air here since Turbo. Starting with the succeeding season, Disney na a\*ng nagpoproduce ng mga subsequent seasons ng franchise and had the production moved from North America to New Zealand (Starting with Ninja Storm).

Knowledge Channel when it was first launched, it already had the PBS education program, ZOOM, among its initial line up of shows. The Zoom we remember though is actually the second version PBS (US's Public Broadcasting Service) produced and it lasted for 7 seasons. that original pinoy version of WOF on ABC premiered alongside "the price is right" with dawn zulueta at ang original pinoy version ng "family feud" with ogie alcasid (who, a handful of years before he hosted that, had a "family feud"-like segment on ABS-CBN's "game na game na!" called "sari-sari survey")...

and speaking of game shows...before ABC franchised the three above-mentioned ones, they came out with a daily, "jeopardy!"-style game show na inilaban nila sa "gobingo" noon ng GMA...it was called "go for it!", hosted by ariel ureta...this didn't last too long, though.

at ewan ko rin kung may nakaka-alala pa sa "B na B (baliw na baliw)" which they aired every friday night at 7...sina anjo yllana at smokey manaloto (who were first paired on "takeshi's castle" on IBC) ang naging hosts nito...mostly celebs ang mga naging studio contestants nila, but for viewers at home, their main game back then (during the show's first few weeks) was to guess what the two Bs in the show title stood for...

speaking of JDL...i loved how he wore his shoes during that 6th anniversary--same style pero kulay blue 'yung isa, yellow naman 'yung isa (you'll see it up close sa isang solo number ni JDL from that same anniversary)...🤔

Guys, sino nakaalala nang pinalabas noon sa GMA Telesine isang episode starring Rufa Mae Quinto? In that particular episode, she portrayed a 20+ year old who thinks like a 7 year old and she was being teased in school for being boba. Her dad there was I think was Ricky Davao.

Never got to finish watching it kasi masyadong tragic a\*ng kuwento ng character ni Bo0ba.

Studio 23's Nginiig the Hidden Files and Nginiig Paranormal Investigations

at iyung investigative "horror" program ni Connie Sison sa ABS noon

Verum EST- Connie Sison and Tony Velasquez

Rare na magkaroon ng "over-the-weekend" companion shows sa pagitan ng ABS at ng Studio 23, especially when it comes to in-house productions (not the foreign franchised shows imported from Endemol etc). Nginiig I think is one of the first of its kind to air as a "two-in-one" show (as it was the original premise of the show). On ABS, they'll air the dramatized horror story (in a 1-2 part anthology format) with snippets of the Nginiig paranormal team investigating the cases in question airing during the duration of the Saturday edition.

Just before the episode's end, 23 would then air its promo of the second half of the show, dubbed "The Hidden Files", for the following day (Sundays).

Hidden Files, for its part, is the opposite of the Saturday edition of Nginiig. It focused more on the actual investigation of paranormal experts (including scenes of exorcism) with clips of the ABS edition.

This worked well until the tragic death of director Luigi Santiago, who was one of the pioneers in revolutionizing Philippine TV through the introduction and popularity of the "film look" of taped shows which now make up a large chunk of television shows produced locally by the major networks (including ABC and RPN which aired).

The void left by Santiago affected the quality of the Nginiig franchise as seen by the last few episodes been seen (in my viewpoint) as no longer equally thrilling as before (but nevertheless still has that "moral of the story" part at the show's end). The Saturday edition was cancelled but Nginiig continued to live on through Studio 23 with the revamping of The Hidden Files as "Nginiig Paranormal Investigations".

NPI, which began airing on Nginiig's third or fourth year (around 2005), was originally hosted by Jhong Hilario, Danilo Barrios, and Spencer Reyes. Spencer left and was replaced by another Streetboy whom I don't really recognize except he always wear shades (He's part of Gagamboy is what I know about him unless I'm mistaken). NPI's premise is about investigating paranormal cases and finding out whether or not it is fact or hoax.

NPI lasted only a year but it ended on a high note. Nginiig then paved the way for more "film look" taped shows since then.

Kailan sinimulan noon ng RPN a\*ng pagpapalabas ng 12-hour digital clock sa lower left corner ng screen sa Channel 9?

XXX iyung formally pumalit sa MGB after months na walang investigative program sa ABS-CBN Saturday night line-up since MGB ended (not cancelled since the final episode showcased the program's highlights throughout its 18 year run).

Its first episode coincided with the Wowowee ULTRA tragedy that occurred earlier the same day.

Main difference probably is that it does not dwell on stories about the supernatural every Halloween/Undas season (that's now rated K's job) and more on the investigative part of exposing dirty acts of local public officials, people's negligence (like some hospital's improper disposal of waste), and activities of con artists, unethical procedures of professionals, etc.

I wonder kung bakit nagkaroon nang isyu a^ng pagtatapos ng MGB. Sad nga na tinapos pero OA iyung reaction ata ng ilan base sa mga nabasa ko sa dyaryo.

ganito lang 'yun. iba 'yung format ng XXX sa MGB.

MGB was more in the magazine format, dahil ang features nila every week can range from the week's headlines to interviews with various personalities to light topics.

forgot about that. tapos tuwing Undas, uso a^ng mga horror features nila.

Especialy sa closing scene nang show na biglang mawawala si Noli sa upuan niya minsan at padilim na a\*ng set.

The Weekend News iyung sa ABS noon every late night Sunday/early Monday mornings.

Wazzup Wazzup naman was Studio 23's attempt on using a different approach on delivering news on primetime, in lieu of its Kabarkada image.

Sino nakaalala sa Sic O Clock News, GMA Network News at Calvento Files?

Yung TV Patrol Sabado at TV Patrol Linggo, ba (the weekend editions of the weeknight primetime newscast TV Patrol World), similar ba sa The Weekend News at yung Wazzup Wazzup, similar ba sa Sic O Clock News, ba?

TV Patrol Sabado at Linggo (or collectively known as TVP Weekend) is the weekend extension of the weekday edition of TVP, although they run for 30 minutes. It is not by any means similar to Wazzup Wazzup and Sic O Clock news, in terms of format.

Calvento Files is one of several key anthology series aired by ABS during the 90's. It features dramatized crime stories as told by witnesses whose faces are censored in black o di kaya'y pini-pixelate. A movie spin-off was produced, much the same way other 90's era anthologies had a movie version produced like Love Notes and MMK.

The host of Calvento Files hosted another show recently, the now-defunct Ikaw at a\*ng Batas aired every weekday afternoons on RPN before Solar took over the station's airtime 24/7.

RPN's Going Public, produced by Ideal Minds. the same guys who brought us Strangebrew, Men's Room, It's a Guy Thing, On Air, The Misadventures of Maverick and Ariel and the primetime shows it used to produce for IBC back in 2005

Tony Calvento has a show on DWIZ today with Justice Sec. Raul Gonzales every weekday afternoons. Nakausap niya pa nga si Kitkat regarding her BF.

tony calvento did not host "ikaw at ang batas", as far as i can remember...it was 'yung mag-amang atty. jose sison (anyone remember the legal drama anthology, "kapag may katwiran...ipaglaban mo!", na ginawa ring pelikula ng star cinema just like "calvento files"?) and atty. (and konsehal) jopet sison...

"ikaw at ang batas" was originally a segment of "hoy, gising!"...at that time, "ipaglaban mo!" was still aired on ABS-CBN (it was their sunday afternoon drama for a long time)...the latter was eventually yanked off the ABS airwaves, but resurfaced on RPN slightly retitled ("kapag nasa katwiran...ipaglaban mo!"). dahil doon, lumipat din ang "ikaw at ang batas"

ng mag-amang sison sa RPN as a 10-minute daily "mini-program"...

tony calvento, meanwhile, first hosted "tony calvento's hotline sa TV" on ABC-5 before moving to ABS-CBN...calvento was still writing for the journal group (people's journal and people's tonight) at that time...

wala bang nakakamiss ng kabaduyan at kapangitan ng gmewwww superugly show ni ate germs...?

kung sabagay... andyan naman ang kasing baduy at pangit na SexOP... minus ate germs ngalang....

mwahahahahahahahahaahahahaahahahaahahahaahahahaahahahaah

Bawal away dito please lang po....

*Oops, ah yun pala yon. Nalito bigla kasi both are crime shows (except Calvento Files would be place on a late slot on primetime).*

"ipaglaban mo!" was not necessarily about crime as we know it--more on various legal issues and court cases siya (being that the show's host is a lawyer himself)...

tlesrye\_analyst: mariandantes just gave you the answer--"hotline sa trese". and no, hindi kay jinggoy 'yun (although he would have his own magazine show years later on RPN called "SaBayan"--san juan mayor pa siya at that time, at 'yung show niya, katapat ng MGB at "brigada siete" 'yun on saturday nights)...

senator pa si erap when he hosted "hotline sa trese" (mga early '90s 'yun). co-host niya doon si cory quirino.

Hindi ito TV memory from long ago pero gusto ko na rin ito i-bring up:

<http://www.youtube.com/watch?v=6fwP0OVhrI0>

^That's Studio 23's latest sign on sequence. A complete turn-around to the Taglish one they used a year and a half ago but somehow kinda reminded me of their earlier sign on's back when they were still using the slogan's "Watch U Want" and "Kabarkada Mo!" 1.0 na traditionally straight english.

What's different now is that they made mention of ABS' subsidiary network which administers 23, Amcara Broadcasting Network, as the onethat "owns and operates" Studio 23.

This next link is TV5's sign on sequence which is pretty much of a surprise for me, knowing that they run for 24 hours (in Manila and its O&O regional stations at least, and not counting its many affiliates): <http://www.youtube.com/watch?v=Qf7benQ7kS4>

they still use the abbreviations "ABC" during much of the sequence. Nothing more than that though.

-----

Speaking of ABC, cant believe that TV5's bringing back Wow Mali! It's been on the air for more than 10 years (counting Wow Mali Bites) and i sure hope it still has some of that magic that made viewers so endeared it, brought in part by their very funny candid camera antics. 😊

and still on the subject of ABC...i found a few clips of their 5th anniversary special in 1997 on YT...the account owner (mandiferrer) also happened to be the musical director of the special...

[http://www.youtube.com/watch?v=grUx...e=channel\\_page](http://www.youtube.com/watch?v=grUx...e=channel_page) - opening number

<http://www.youtube.com/watch?v=aqESF...eature=channel> - closing number (with closing credits)

the ending notes of both musical numbers are part of the music used in ABC's station ID at that time (see this clip: <http://www.youtube.com/watch?v=g4nAT...eature=related> )...

-----

also found:

[http://www.youtube.com/watch?v=gTki8...e=channel\\_page](http://www.youtube.com/watch?v=gTki8...e=channel_page) - a clip out of GMA's now-defunct noontime show "salo-salo together" (which, as discussed many pages ago in this thread, later served as pre-programming to "eat bulaga" in 1995 until its segment, "katok mga misis", spun off into a full-length show replacing it in the mid-morning/pre-noontime slot)...this was probably around 1993 or 1994, i would think, because the barangay/plaza-like set was SST's first...

Nostalgic much..."I Love You Sabado!". Pansin ko, out of step iyung isang babae sa kanan. And I doubt those Jollibee Friends look anything like teens

Ang tanong ko diyan, Yung TV Patrol Sabado at Linggo (or collectively known as TVP Weekend) is the weekend extension of the weekday edition of TV Patrol World, similar ba yung sa now defunct The Weekend News ni Pia Hontiveros. Yung Wazzup Wazzup ba, similar ba yun sa Sic O Clock News. di ba dati may weekend edition ng Alas Singko y Medya at Magandang Umaga Bayan sa Channel 2. Yung Imbestigador ba, similar ba yun sa now defunct Brigada Siete. At yung GMA Weekend Report, similar ba yun sa now defunct GMA Network News. Ayoko iniiba yung tanong, OK.

Bado, here's my answer.

1. TVP Weekend Edition is the extended edition of TVP.
2. Wazzup! Wazzup! is a newscast that does have real headlines na may pagka-comedy. Medyo may pagka-pareho sa Sic 'O Clock News.
3. Meron dating weekend edition ang ASYM at MUB.
4. Imbestigador is not the same as B7. B7 is a show which features national issues while Imbestigador is a show which freatures crime.
5. GMA Weekend Report is the same as GMA Network News na Weekend edition.

May tanong pa ba? Ginugulo mo kasi yung thread dito eh.

Ano ang current GMA show which features national issues, similar to now defunct Brigada Siete. At, sino nakaalala sa The Weekend News with Pia Hontiveros at yung mga weekend editions ng ASYM at MUB?

Bado, naalaala ko yung the Weekend News. Similar to B7? Definitely yung mga documentaries dyan like I-Witness, Reporter's Notebook.

Bado, one question: Nanonood ka ba ng TV?!?

ASYM Weekend and MUB Weekend I remember. But they run about for an hour I think

*Nostalgic much... "I Love You Sabado!". Pansin ko, out of step iyung isang babae sa kanan. And I doubt those Jollibee Friends look anything like teens*

must be 'yung porma. heck, that was 1993 or '94. iba pa pumorma ang mga teens/early 20-somethings noon. 🤔

as a side note: 'yung isa sa mga miyembro n'yang jollibee friends, named jingle sayson, would branch out into songwriting...ilang beses naging finalist ang mga komposisyon niya sa late '90s/early 2000s version ng metropop song festival produced by GMA back then...

Ano yung now defunct The Weekend News with Pia Hontiveros, Profiles of Power and Movies to Watch?

May nagpost na ba nitong clip? Vintage PBA Bloopers (si Norman Black ata nakita ko dito) Good thing Dan you were favoriting some old PBA vids on Youtube. I'm kinda curious on how things went on the PBA back in the day.

If you guys remember Kontrobersyal when it was still on air, they aired a special about past PBA stars. Many of us know what happened to the likes of Robert Jaworski (politician), Alvin Patrimonio (father of Angelo P who goes to CSB now), and Freddie Webb (former senator, actor, and now radio host of DZMM's Sports Talk every Saturday 2:30 pm before U-Talk with Ms M). But that episode also documented on what happened to the "fallen stars". There's this certain ex-PBA star whose life was pretty much a mess, a drunkard and almost close to insanity.

He (I forgot the name), was invited to join his former colleagues for an exhibition game held in the Araneta Coliseum around 2005 or 2004 i think (weeks prior to the airing of the Kontrobersyal episode). But backed out because he was drinking again that time and was all emo and everything.

Sad

Yes, nanonood ako ng TV. at ang tanong ko, ano yung now defunct The Weekend News with Pia Hontiveros, Profiles of Power and Movies to Watch?

mag tanong ka sa abs cbn bado? ang kulit mo..tirvia to hindi to Q & A portion..

*on-topic:*

*naalala nyo pa ang jollibeer commercial ni carmina villaroel..dun ko sya unang naging crush..yung famous line nya na "thank you" after sya bigyan ng ice cream sa cone..*

ang bata pa ni carmina doon! 'di ko lang matandaan kung 'yun 'yung tatay niya si pocho montes who said, "sa jollibee? sigurado ka bang sa jollibee?"

### Ninoy Aquino Assassination - Arangkada Extra Balita Report (2002)

medyo naaalala ko 'yung newscast na 'to...this was the time that RPN dropped their long-time "newswatch" branding (which, at that time, they had used for more than 30 years non-stop) for all their newscasts--and the first time since "newswatch sa umaga" (which aired in the mid-'90s with teresa guanzon, the late pete roa and bill velasco) na they attempted to do all their newscasts in filipino, siguro to compete against the "big two" na rin, because GMA and ABS, by then, had all their newscasts in the vernacular.

'yung "arangkada xtra balita" or AXB (as they abbreviated it) would be considered a brand extension of sorts for RPN's noontime newscast back then called "arangkada: balita sa tanghali" (which was then anchored by RPN news veteran dody lacuna)...

at 10:30pm naman, the network aired "primetime balita"--original anchors were buddy lopa (another long-time RPN reporter by then) and angelique lazo. lopa would be later substituted by jay esteban (who now co-anchors the late edition of "newswatch"...he is also the husband of '80s teen star/singer lilet).

their "experiment" with an all-vernacular newscast line-up wouldn't last too long, though. the network bowed out of the early-evening/late-afternoon newscast "race" for a while (at least, until around 2006 when they premiered "RPN aksyon news" with erwin tulfo, which would later become "newswatch aksyon balita"), as AXB was, in essence, merged with "arangkada: balita sa tanghali" on the noon hour, resulting in the noon newscast being retitled "arangkada balita"--by that time, angelique lazo became the newscast's sole anchor. samantala, "primetime balita" was dropped, as RPN returned to having a late-night english

newscast (and reviving the "newswatch" brand) with "newswatch now" (with eric eloriaga and cristina peczon).

*Tapos iyung talkshow with an AM radio-like format every weekday afternoon, Ratsada Balita. Its host was an old lady with a strong wit and thick lips whom I cant recall the name except dapat I tease her with names like "Madam Ratsa" and "Ratsa Mama".*

*The only time I think that I actually watched a whole episode of "Ratsada..." was when they got breaking news on the destruction of an old leaning building in Recto Ave. and Madam Ratsa was telling viewers on what was going on that time.*

actually, once a week lang (every friday--original broadcast at around 4 or 4:30pm, replayed after midnight) 'yung "ratsada balita"...the host was baby de guzman--and yes, "madam ratsa" was her monicker on the show...i don't know if she actually held a position in the RPN ranks, but production credits indicated that she was the show's producer...

mala-radyo nga 'yung dating ng show, mostly because of her interviews with various newsmakers, live audio reports from RPN's radio and TV stations around the country, at lalo na sa bandang dulo ng show, when she does her weekly commentary (na inaabot siguro ng mga 10 minutes at the most--to the point na nasi-signal-an na yata siya ng floor director niya to wrap up, much to her dismay, of course 🤔)...natatawa ako minsan kasi, magsisimula siya ng commentary niya seated at her desk, tapos maya-maya, nakatayo na siya and walking around her set, habang galit-galitan siya at times (to stress her point)...

not that i watched this show religiously, but i watched it just for the fun of it. 🤔

nakakatawa kasi talaga siya eh 🤔

tapos dee's day which lasted until before Solar took over RPN's airtime completely

Bado, wala yatang nakakaalam niyan.

Ano ba yung Kapwa Ko, Mahal Ko?

At ano ba yung Business Today at ano ba yung One U

My TV Memories would be..

-Ang TV 2 (di ko maalala kung napanood ko yung ibang season ng Ang TV eh, basta i do still remember watching Ang TV 2 [sila Carlo Aquino])

-G!m!k (medyo napanood ko yung ibang season nito)

-G-mik (one of my favorite teen-oriented show before)

-Berks (super inabangan ko! kasabay ng Click!)

-Click! (favorite ko din toh, buti nalang magkaiba sila ng timeslot ng g-mik/berks kaya napapanood ko pareho)

-Tabing Ilog ( i love this show! super touching ng stories! dami ko rin na-miss na episode eh, sunday kasi)

-Home along da riles hanggang sa naging "da airport" na!

di ko na maalala yung iba eh,

naaalala ko lang yung mga teen-oriented show kasi yun lang pinapanood kong local, more on hollywood and cartoons kasi ako nung bata-bata pa ko 😊

Ang sabi ko, ano ba yung Kapwa Ko, Mahal Ko, Business Today at One U

*I Remember The Shows Estudyante Blues And Last Two Minutes From Movie To Tv Sitcom Yon...*

parehong nasa PTV-4 'yan, at co-produced with the film outfits that originally produced each movie.

"estudyante blues" (gelli de belen and keempsee de leon, if i remember right) was a co-prod with viva, samantalang "last two minutes" (alvin patrimonio, jerry codinera and bong alvarez) was co-produced with regal films...

Tidbits:

1. One U was a show aired on C/S9. That show as hosted by sportscaster Mico Halili and former Ateneo basketball stalwart Krissy Tiu.
2. Business Today was a morning show aired on GMA-7. It was once hsoted by Mon Isberto and Karen Davila.
3. Kapwa Ko, Mahal Ko is the longest running local TV show on TV. 33 years, sevaral hosts, and its one proud goal: Public service. It counts. History is in this show.

Ok na?

ayoko na sanang humirit, pero eto lang ang isang dapat 'nyong tandaan about that PExer: remember his/her "RMN ENTERTAINMENT INC. 5 new UHF channels" thread here on the GMTV forums, which was actually a MAJOR, MAJOR HOAX? 🤔🤔🤔 'yun lang. 🇵🇭

anyway...ahh, thanks for the correction there...naaalala ko nga si mikee villanueva ('yun actually ang spelling ng first name), isa sa naaaaaapakaraming alumni ng "that's..." 'yun...

maidagdag ko na rin, dahil kakapanood ko lang ng "bubble gang"...anyone remember the segment, "midnight cap", where ogie alcasid took on the character of manny gosh? 'yung, ang umpisa lagi ng mga kinakanta niya ay, "'tong kantang 'tong kay tsong, kay tsang..."? ogie did eventually release a single with that same line as part of the lyrics/refrain...

Buti dun sa CD/VCD nang album ni Michael V, it also contains some classic Bubble Gang skits featuring him (other than the spoofed music videos starred by him). Kasama doon iyung parang spoof ng Ryan Musikahan kung saan si Ogie iyung pianista na host at iyung guest niya isang mini-me na Michael V (with the help of clever production, he was able to pull this one through)

Let's forget about the RMN ENTERTAINMENT INC. 5 new UHF channels, dun sa GMTV thread. Pepman, pwede kitang i-PM yung sagot ko. Pero, pwede ba i-PM si sirlion?

At bakit masama ba mag tanong, ha?

ano, nakatulala kayo diyan ha, bakit hindi niyo sagutin yung tanong ko, ha?

i remember Kapwa Ko, Mahal Ko was on Saturday, 7 am sa GMA 7 (1 hour dati kung KKMK). Originally aired every Weekday mornings at tsaka ni-reduced yung KKMK sa 30 minutes and now airs every Saturday, 6 am sa GMA. Right?

'yun yata 'yung "lito's night of music" na segment--with the titular "lito" being michael v. himself.

that "midget effect" sa character ni bitoy doon was not through the help of computer graphics and editing--just a black curtain/background, a little box (also surrounded by a black cloth) where lito's costume and "legs" were supposed to be, plus bitoy's own arms (kasi parang gloves sinusuot 'yung "legs" sa mga braso niya), and some good lighting to make it appear seamless. some variety shows kasi had dance numbers na medyo may ganoong effect...

*Narecall Ko Yong Tondominium Nina Vandolph And Joey Marquez... Ang Role Ni Jun Encarnacion (sln) Ay Lalakeng Lalake Doon... Sya Ang Nagdadala Doon...*

actually, hindi si joey marquez ang nasa "tondominium"--it was richard gomez and anjo yllana...but yes, vandolph was there, and so was the late jun encarnacion (who turns out to be the dad of "unang hirit" resident chef, tristan encarnacion).

ABC aired this sitcom friday nights at 7...i'm not sure kung alin sa kanila ng "we r family" (another ABC sitcom starring gabby concepcion and alice dixson) ang mas naunang ipinalabas noon on that same time slot...

and by that time na nilagay sa "kahit kailan" ang ilan sa original "click" alumni like roxanne barcelo and james blanco, ang naging bagong batch ng "click" noon included richard gutierrez (his first acting stint back then after many years of being away from the limelight), chynna ortaleza, angel locsin, railey valeroso, bryan revilla and danica sotto...si tricia roman, who was with the original cast, stayed with the new cast...

ang magkaka-love team noon, richard-chynna at angel-railey...richard and angel's characters in the show were supposedly twins (charley ang pangalan ni angel doon...'yung character ni richard, nakalimutan ko na ang pangalan...🤔)...and railey, angel's ka-love team, would be chynna's real-life boyfriend, eventually.

At nung nag-ere na yung Unang Hirit, lumipat ito sa Sabado, 7 am. Naging 1 hour ito, tapos lumipat ulit ito sa 6 am, Sabado. Right?

At naging 30 minutes ito, Right?

Trenta minutos lang yan. Tama yung mga sinabi mo, Bado. Pero wag sobra-sobra ang tanong. Para sa Wiki ba ito?

prior to that, ABC used to air "the three stooges", too, daily (during the late afternoon hours)...kaka-reopen lang nila at that time.

there was a time in the mid-'90s that RJTV used to air a good amount of '60s and '70s series (not just cartoons) for a good two or three years...among them, "father knows best", "SOAP", "the man from U.N.C.L.E.", "i dream of jeannie" and "bewitched"--a lot of which, were aired on other philippine networks back in the day..."timeless television" was RJTV's tagline at that time...i thought it was a promising concept. sayang lang, hindi nagtagal.

nakakamiss nga yon eh. i always look forward to that come late afternoons. I never got to know what happened to Oliver Twist after he was taken cared of by nice ladies who saw him in the streets when RJ last aired it.

mark herras , rainier, dion, si christian esteban nag-aaral, si tyronne nagbida na rin pero baket nawawala na, si alvin aragon - nasa luna mystica na , si anton dela paz laging nasa daisy siete , sana sumikat na rin...

I remember Studio 23 used to air two NBC soaps, Sunset Beach (produced by Aaron Spelling, same guy behind Charmed, BH90210 and Melrose Place) and the still ongoing Days of Our Lives (People say that Days won't last long past 2009).

Today, Velvet recently aired another Aaron Spelling primetime soap, "Savannah" while Star World aired The Bold and The Beautiful, and General Hospital. Not sure if Star World still airs those soap at present.

sa pagkakatanda ko, 23 also aired "savannah" for a short time..."days of our lives" and "sunset beach" naman were among 23's original foreign shows...i'm not sure din kung merong iba pang network (other than star world/star plus [as it was called back in the day] on cable) na nag-ere ng "the bold and the beautiful", because i think i came across it on a free-to-air channel before...

prior to that, though, bihira talagang nai-ere ang mga US daytime soaps...the few instances i have come across were BBC-2 airing "the young and the restless" back in 1978 (at 11:00am, before their noontime show back then called "broadcast campus"--clarification lang, 'di pa ako pinanganak that time, but i used to have a TV guide from that year in my little "collection"...), and GMA airing "santa barbara" in the '80s (after "lunch date")...

at tsaka may nakita akong dating gma morning line up yung nasa youtube at yung title ng video na yan ay part 1 ng miriam - straight from the shoulder ay business today. 7 am. kape at balita at 8 am. profiles of power at 9 am. movies to watch at 9:30 am. kapwa ko, mahal ko at 10 am at yung the flying house naman at 10:30 am. diyan ko nakita sa youtube, ang title ng video na yon ay miriam - straight from the shoulder, part 1.

of the soaps we've mentioned, only Y&R, B&B, GH and DOOL are among the US soaps that are still on the air, fighting for their lives.

*I like 5 and Up's opening whenever they're on every Saturday (on for a time, Sundays on  
GMA). They made use of stop-motion animation with several frames used to create the  
sequence. I figured nga na baka chalkboard/blackboard iyung mga frame na iyon since it's  
easier for them to erase and re-draw chalkdrawings.*

parang naaalala ko na they featured how their OBB was made in one episode...and yes,  
they did make use of chinks and a chalkboard (plus stop-motion) to create that OBB.

i must say na 'yan 'yung isa sa mga naging "signature" ng probe productions noon: creating  
OBBs that were "ahead of their time" for their shows.

**Cris "Tatay Isko" Daluz**

Actor and former DZMM Reporter

The remains of veteran actor and former radio dzMM reporter Cris Daluz were cremated  
Wednesday afternoon in Makati City.

Daluz' eldest son, Clift, said he was cremated at the Loyola Crematorium in Guadalupe at 1 p.m.

"His ashes will be kept by me," Clift told abs-cbnNEWS.com in a text message.

Reports said the actor's family and close friends were among those who attended the Mass at the Loyola Chapel.

Daluz, 74, passed away dawn of February 12 after suffering a mild stroke.

The actor, who was fondly called Tata Cris, died in Olongapo City where he was shooting scenes for a Korean film. He expired at James L. Gordon Memorial Hospital.

Daluz had starred in numerous movies such as the critically acclaimed Himala, Bagong Buwan, Sukob and Katas ng Saudi. He also portrayed the character of Isko Macaspac who was stricken with Alzheimer's disease, on television drama show "Pangako Sa'Yo."

He was also part of the newest TV series "May Bukas Pa." with radio dzMM

*paalam, tatay isko.*

not too many people of our generation (especially the younger viewers of "pangako sa '\*\*\*" who knew him as tatay isko) know that before cris daluz became known as an actor, he was first a radio reporter. isa siya sa mga original na reporters ng "radyo patrol" when the old DZAQ (of the pre-martial law ABS-CBN) implemented the format--kasabayan niya sina orly mercado, joe taruc, rey langit and mario garcia, all of whom are now established in the broadcast industry themselves...at noong muling binuksan ang ABS-CBN at DZMM in '86, he was, i think, one of the "radyo patrol" alumni who returned to the network...

nababanggit na rin lang si "pareng rey"...isa siya sa mga naging host ng public affairs/public service program na 'yan (aired daily during the early-evening slot, right before "newswatch"). i think i mentioned this in passing before (earlier in this thread), na rey langit originally co-hosted this show with dong puno (who had just left GMA at that time--he would eventually bow out of this show and move to ABS), mon tulfo and chiqui roa (this was her first TV stint, if i remember right). angelique lazo came on board as co-host later...

Mag-wikipedia ka na lang!!!

Found this article from Muse dated November 2007:

*2000: RMN (Radio Mindanao Network) forms an alliance with E! Entertainment Television, the biggest producer of entertainment-based programming in the US. E! Philippine becomes the first-ever 24-hour entertainment channel on Philippine TV. Pinoy viewers tuned in to programs like E! News Life; Wild on E!; E! True Hollywood Story; Rank; Revealed; Late Show with David Letterman; and produced local show called Eksena. E! News Daily anchor Steve Kmetko gains following among local viewers*

Fast forward to 2009: 1)RMN TV Channel 31 is no longer active, 2) Most E! shows aired locally nowadays are aired either on ETC, 2nd Ave, Velvet, Lifestyle Network and QTV, 3)Studio 23 used to produce a primetime 30-minute entertainment program called BLOG: Barkada Log hosted by Bianca Gonzales. BLOG has about 40% of its news coming from E! as part of the former's agreement then with the latter. Unfortunately, BLOG only lasted a year before it was cancelled with the other local shows as part of 23's plan of refocusing its programming in light of its woes (as well as the other minor networks).

One of a hell na magulong thread.

Kwarta o kahon, pag di makuha ang jackpot prize meron ka namang instant prizes like **Fried chicken**

**sitaw**

**isang supot ng mani**

**kamatis**

ganoon din ang maiiuuwi mong price pag di mo makuha ang jackpot sa pera o bayong ng MTB

ay, oo...ganyang-ganyan 'yung "pera o bayong" originally--hanggang sa naging mas "high-stakes" na ang mga premyo.

noong una, 'pag nalilipat 'yung TV namin every sunday noontime sa "kuarta o kahon", hindi ko naiintindihan kung bakit tanong nang tanong si tito pepe ng "kuarta o kahon?" tapos laging "kahon" ang sagot ng contestant/s. bata pa naman ako noon, anyway. 🤔

nabanggit ko na 'to earlier sa thread, pero ang pinaka-memorable segment pa rin para sa akin sa show na 'yan (and i'm sure for a lot of you here as well) was...YAKULT'S ROLETA NG KAPALARAN! 🤔

pili na ng letra...Y-A-K-U-L-T-L-A-C-T-O-B-A-C-I-L-L-I 🤔

di ko na matandaan yung yakult portion ng kuwarta o kahon, pero nakakatawa ang mga "joke prizes" pag di makuha ang jackpot.

as far as i know sa MTB nanggaling ang game portion na **"sa pula, sa puti"**

the title, yes, partly. the complete title of the "MTB" game was "sa pula, sa puti, tanggal ang mali". 'yung sa EB naman ngayon, "kontrapelo: sa pula, sa puti."

magkaiba rin 'yung mechanics ng dalawang games. 'yung "sa pula..." ng EB, Q&A tungkol sa iba't ibang topics ang basic format. 'yung sa MTB naman noon, if i remember right, the contestants divide themselves into the "pula" and "puti" groups (a la "pera o bayong"), tapos may iikutin na roleta na puro red at white all over--kung saan matapat ang roleta, sila ang maiiwan. tuloy-tuloy ang game hanggang sa "last person standing".

*Kailan sinimulan ng RPN yung pagdisplay nila sa screen ng digital clock? I found this both reliable and irritating.*

*Lalo na nung panahon na wala pa kaming matinong orasan sa bahay, pinapalipat sakin ng magulang ko iyung channel sa TV dun sa Channel 9 para lang malaman kung anong oras na.*

i can't recall kasi daw early 80s pa lang (so wala pa ako sa mundo) e simula nung nakadisplay na yang digital clock na yan. Pero di ko alam kung what exact year

i found it reliable too... lalo na kung low batt na yung clock nyo sa bahay

anyway isa ka ba dun sa mga pumipila sa SM north edsa para lang manood ng kwarta o kahon tuwing sundays, kasama ang buong pamilya? 🤔

meron pa, isang baretang sabon, isang balot ng kendi, ampalaya, upo, bawang, talong, sibuyas

marahil nag grocery muna sila sa supermarket bago nagstart ang show

di naman. Tuwing sunday, either nasa bahay kami tulog o nasa SM North, nanonood lang ng sine.

Speaking of SM, do you guys remember this RPN Sunday variety show aired live from SM Megamall? Kinda like IBC's SMS or Sunday Mall Show pero mas interesting panoorin when Sunday afternoon TV used to be, well, dull...(Kasawa a\*ng mga Turner at Hannah Barbara cartoon na paulit ulit pinapalabas sa CN, maging iyung Detective Squad block nila)

the only one i can remember was, well, since nabanggit na natin dito, 'yung "family kuarta o kahon", which aired on RPN every sunday at noon. it wasn't aired from megamall, though, but from SM north EDSA (which was obviously a sponsor of the show--almost every gap kasi, pinapalabas 'yung kaisa-isang commercial noon ng SM north: remember that mala-"knight rider" guy "driving" through a CGI depiction of the mall, who ends the ad with "it's waiting for you"?).

unless there was another show. 🤔

Update: Just asked my mom, mukhang SM North nga at mukhang Kuwarta o Kahon nga iyung tinutukoy nyong dalawa. Which leads me to this TV memory:

I remember I was with my dad in SM North and we were a floor above the set of the show (held on SM's multipurpose hall). Cant remember which pero I remember a Watson store on where I am.

Grade 1 pa ako noon so mga 1997 o 1998 pa yon. 🇵🇭

*i remember when nagair pa yung sana'y wala nang wakas and you had to text who was going to be with who in the end... either echotin or tindiet or echoangel*

*i used to love that show so much and i voted like a million times*

Yup. Personally, I think a tin-diet ending would totally destroy the premise set by book one of Sana'y Wala Nang Wakas. As if the island adventure that Ara and Christian had before the show's conclusion wasn't enough for their feelings to resurface again and realized that they still love each other.

the only local series i knew--to date--which had an alternate ending...i remember ABS showing the last episode with the alternate ending (i.e., the one with the less votes) the day after the actual last episode...

i didn't follow the show religiously, pero i wanted an echo-tin ending--i thought of diether kasi before as "panggulo" sa love team nilang dalawa, although we know who tin got married to in real life, eventually (kahit na they separated anyway).

*i recall these days ( i think 1992 ata or 1991) na every sunday after naming mag church diretso na agad sa SM north para maglunch sa food court nila at the same time tamang tama kasisimula pa lang ng Kuwarta o Kahon at dagsaan na ang mga tao sa stage*

that version of "kuarta o kahon" on RPN was indeed aired live from the entertainment plaza sa SM north ('yun pa rin ba 'yung tawag nila sa area na 'yun? curious lang...), although if i remember right, during its last couple of years on the air, naging "taped as live" (i.e., taped in its correct sequence, as if live na ume-ere ang show) in advance na ito from the same location...

anyone wants some prizes from their other sponsors, promac karaoke ("the essence of entertainment"--as endorsed by pops fernandez back then) or advan shoes? 🤖

yes, tama ka d'yan.

and she had another talk show simply entitled "teysi", which aired some 5 years ago naman (if i'm not mistaken), right after "magandang umaga bayan" every weekday. that was one of her last shows with ABS before she went on to do "bahay mo ba 'to" and other GMA shows.

there. just to close the topic. 😊

at tsaka ano yung mga segments ng now defunct The Weekend News at tsaka ano'ng news programs na nag-featured yung light note at tsaka ano ba yung light note

Commercial memories: Those age-old commercials from Caronina, 3D, that kitchenware (endorsed I think by Ruby Rodriguez) from this company I couldnt recall the name (but would often butt in on cable TV, particularly when I'm watching animes on AXN), and that VHS player(?)/tape(?) which gets airtime mostly during Sundays (showcasing some action films I don't know who even starred in them). Nga pala, as of what I could remember from years back, sa RPN silang tatlo madalas ineere.

Bukod sa Isopropyl Alcohol ad ("Di lang Pampamilya...Pang-Sports Pa!") is the Dragon Katol ad ("Lamok, siguradong TEYPOWK") na hanggang ngayon ay pinapalabas, at least in a limited fashion (madalas during boxing matches brought to us by Solar) compared to way back when.

Another age-old commercial is this popcorn ad na so...90's pa ang edad. Nakalimutan sa ngayon iyung pangalan ng produkto pero kung matalas a\*ng mga memory niyo with regards to TVC's siguradong alam miyo to 🍿 Basta it shows a family watching a movie while eating popcorn, while at the same time, they get to feel a "theater"-like experience despite watching that movie at home.

yung Dragon Katol naman grade one pa ata ako nun since ineere lalo na kung ang mga palabas ay yung tagalog action films sa ABC5

si carlos "sonny" padilla 'yung referee na tatay ni divine diva...'di ko nga lang din ma-determine kung lumabas din sa isa sa mga ad na 'yun si pacman...

family rubbing alcohol and dragon katol ("lamowk, siguradong tey-pok!") were both manufactured by pagoda philippines--the same company behind pagoda cold wave lotion and family toothpaste ("mother, father, brother, sister, how do you brush your teeth?")...the last two products i mentioned had a lot of ad time on ABC when the network used to air old tagalog movies during the noon hour.

and that's not to mention 'yung mga agricultural/livestock products pa, like vetcombex, pidro worm killer ("the total dewormer") and animycin suspension (and its "baboy-alaga tips"). 🤪

i like also the first version of close up "closer you and i" in the early 90s na ngayon ay binaboy ng spongecola isama nyo pa sina kim-gerald

dont like redoing commercial jingles if they cant even do it right, kaya nga I turn off the radio or switch to another channel when that one heck of a Close Up commercial is on.

Colgate commercial kung saan akala ko noon kapag ginamit mo yon biglang lalabas sina Bugs Bunny mula sa tube ng toothpaste. 🍷

ganun din ako nililipat ko sa ibang channel pag yung Close Up commercial na eps, gawin bang rock ang closer you and i ,bakit lagi na lang kasi laging may commercial yang sina kim and gerald na yan overrated na sila masyado sa totoo lang

nope--the third one was superwheel...classic line 'yan ni elizabeth ramsey (playing cleopatra) sa commercial na 'yun. 😊

and, oh, yeah, gino padilla's original version of "closer you and i" is always a thumbs-up...

*naalala ko rin na may pinapalabas dati sa ABS-CBN na puro trailer ng mga hollywood movies every sunday morning before yung mga chinese shows*

*can you give me a title*

i'm not sure if that was "cinema, cinema, cinema" (which used to be aired sunday mornings on ABS until mga 5 years ago yata, ka-back-to-back ni "hello kitty").

meron din noong "movie parade", pero halo-halo namang foreign and local movie trailers 'yun, tapos araw-araw pinapalabas...

Cinema Cinema Cinema nga ata iyung name ng show na yon even before Hello Kitty's Furry Tale Theater (which was moved naman to ABC-5).

RPN also, I think, had its own movie trailer program if memory serves me right.

During the height of Mulan, GMA aired a behind-the-scenes special of the Disney animated movie on a Sunday morning.

mukang magbabalik ang **Sineskwela!**

With new episodes hopefully. Prior to the new teaser airing, Sineskwela has been aired in syndication by ABS-CBN's sister channels, Knowledge Channel and Studio 23 (usually the first program to air during weekdays).

Studio 23 stopped the airing of new episodes that stars John Manalo(?), the child star from Mga Anghel na Walang Langit.

Sa dating Citynet 27, isa kung hindi man natatanging tv show na nalala ko sa channel na yon nung maliit ako ay a\*ng pagkakaroon nila ng carton series na based sa Sega game na Sonic the Hedgehog. Since may mga non-related Sonic the Hedgehog cartoon na exisiting, I couldn't exactly tell which series it was.

However, sa bakod ng GMA, they used to air Sonic Underground which airs evry Sunday around 8 or 7 am just before Magic Knights Rayearth. It was the last Sonic series to be aired in its original English dub. The next few animated installments of the franchise would later be dubbed in Tagalog, among them was an anime based on the Nintendo GameCube video game, "Sonic Adventure 2", starring Sonic and Shadow. This one aired alongside Nadja, One Piece and Doraemon during BulilitTV's run as GMA's weekday children's programming block

anyone ever saw the CCP-produced TV mini-series adaptation of "noli me tangere"?

i remember ABC airing this sometime in the mid-'90s after "the big news"...joel torre played crisostomo ibarra (a perfect choice, if you ask me), while a then-new actress played maria clara--she was introduced there as maria jose arnaldo, but after the mini-series ended, she became more popularly known as chin-chin gutierrez...

the only time i actually watched the entire series was when i was in 3rd year high school about ten years ago...sure, it was part of a requirement (because we studied the novel that year for filipino class), pero mas naintindihan ko 'yung buong "noli" dahil doon...

ang tagal na nilang nire-replay 'yan, ah...

its now airing on rerun mode sa Knowledge Channel.

Here's Chin Chin Gutierrez and Joel Torre on CCP's Noli Me Tangere

para na rin sa mga tamad magbasa ng Noli.

Wala bang balak noon a\*ng CCP na ituloy a\*ng serialization into TV ng El Fili?

----

Joel Torre is always a fave choice to play Jose Rizal or even Rizal's literary alter-ego, Crisostomo Ibarra y el Senor Simoun. based on an article I read about him, it can be said that he's like a reincarnation of Rizal because his close resemblance to him not to mention Joel's real first name a homage to the National Hero.

A\*ng pinakayoko siguro na aktor na gumanap na Rizal ay si Eric Quizon noon sa Bayani. Medyo masyado siyang singkit, chubby, at maputi, besides being several inches taller than the actual Rizal (around 4'3 if im not mistaken was rizal's height)

One of my earliest memories from this dude was, besides co-hosting Eat Bulaga, was being one of the first Pinoy VJs for MTV, and if I'm not mistaken he also appeared on a Lenten special made during the Holy Week on GMA-7 (I'm not sure if it's one of those EB Lenten drama specials they've been doing for years or a stand-alone special produced by GMA itself)

hey guys, naalala ko yung berks na originally airs every saturday, 4 pm na biglang lumipat sa sunday, 3 pm

Good post, bado. I remember that. Eto yung sequel ng G-Mik kasi medyo nag-flop yung K2BU which had Bea Alonzo actually. This was actually aired from late 2002 hanggang late 2003. The cast was still the same, pero na-add lang sina Marc Acueza and Ketchup Eusebio na wala ring careers ngayon.

Ketchup is doing theater work now. Si Marc, last time I heard, decided not to continue his career kaya wala siya sa movie ni Ai Ai last year.

*remember LITO CALZADO...SIKAT ITO NOONG DEKADA 70 AS DANCER*

*NGAYON MAS KILALANG TATAY NI IZA CALZADO*

may nakita akong picture ni lito calzado from the '70s sa isa sa mga lumang magazine na binabasa ko noon sa rizal library ng ateneo--ang trim pa ng katawan niya noon...he was, at one point, kung 'di ako nagkakamali, part of this early-evening variety show in the '70s called "on with the show", na inere noon ng pre-martial law ABS-CBN channel 2--the late vic "ohhh, hindeeeeeeeeeh!" pacia, manolo favis and maritess revilla were among the hosts there, at ito 'yung naging kapalit ng "oras ng ligaya" nina sylvia la torre at oscar obligacion (whose contracts with ABS had expired by then--lumipat sila sa channel 5 after that)...

now, of course, he has gained some weight...he's still active behind the scenes, though--siya ang executive producer ng "walang tulugan!" ni kuya germs. 😊

speaking of people behind the scenes...ace TV director al quinn also started as a dancer/choreographer for various TV shows and movies back in the '60s. i read that he even had his own group back then.

Trip Kita, a reality show aired during the summer of 2003 on ABS CBN. Hosted by Dominic Ochoa, it was a regular fixture on ABS's Dramathon sa Hapon despite being outnumbered by then numerous telenovelas and the up-and-coming Meteor Garden fever that May.

Primary sponsor was Colgate-Palmolive (no wonder the show's winners appeared on a Colgate ad months after it ended).

This is where I first heard Black Eyed Peas' "Let's Get It Started" (?) bago pa pinalabas iyung music video na to sa Myx.

Although iyung theme ng Trip iyung tinutugtog palagi tuwing commercial ng Trip Kita, the

show actually uses an old 1980's song when the show's airing bumpers before pausing for a break.

Buti nasa Umagang Kay Ganda na rin pala si Zenaida Zeva. Since ASYM pa siya lumalabas. Hindi talaga matatawaran na nakatatak na rin a\*ng palagi niyang sinasabi na:

"Hindi hawak ng mga bituin a\*ng ating kapalaran. Mayroon tayong freewill, gamitin natin ito"

*ONG OOH HH HINDEEHHHH SI BEN DAVID PO IYON NA MAY ARI NG MONOKEL GAYBAR SA APACIBLE NOON*

ay. napagbaliktad ko yata..."mr. OA" pala 'yung tawag kay vic pacia.

napanood ko pala 'yung isa sa mga episode ng mini-series na "boracay" sa RPN USA ('yung international channel ng RPN) during the weekend--i think it was the premiere, kasi "bagong salta" lang noon sa boracay ang characters nina dina bonnevie at fe delos reyes (singer/comedienne siya back in the '80s and early '90s)...dina played a former five-star hotel employee na binigyan ng pagkakataong maging resident manager ng club panoly sa boracay (which, in the series, was "fictionally owned" by noel trinidad's character).

si joel torre pala 'yung naging eventual love interest niya doon (at hindi si mark gil)--'yung character niya sa series, manager ng isa pang hotel/resort in the area (nakalimutan ko na 'yung pangalan) . rollie quizon was also there as one of the club panoly employees na hindi maganda 'yung pagtanggap kay dina sa umpisa mainly because of the changes she wanted to impose on running the resort...

the mini-series was aired back in 1991 (and would be the first among RPN's "collection" of mini-series during that time--nasundan pa kasi ito ng "cebu" at "davao: ang gintong pag-asa", and the period mini-series, "bisperas ng kasaysayan")...hindi pa masyadong nababahiran ng sobrang commercialism, as it seemed, ang isla ng boracay noong panahong 'yun...

yung johnson's pure essentials ba ang sponsor ng gimik?

*remember the loveliness dun nag showcase ng rapping si francis m*

"yo...yes yes yo!"...that's how i first remember seeing francis magalona when i was younger, sa "loveli-ness".

na-recall ko through raffy chan (na choreographer ni alma moreno noon sa "loveli-ness") sa "sa pula, sa puti" on "eat bulaga" last tuesday (when some of kiko's former co-stars were guest celeb players), may "top 10" segment sa "loveli-ness", kung saan ini-intro ni kiko through rap ang bawat kanta bago sayawin ito ni alma...

raffy chan also mentioned that he choreographed kiko in another variety show called "dance 2-nite", na si alma rin mismo ang nag-produce. gino padilla was his co-host there.

both "dance 2-nite" and "loveli-ness" were originally on ABS-CBN..."loveli-ness" would transfer eventually to IBC (contrary to popular belief na from IBC, lumipat ito sa ABS).

Seriously both originally on ABS? Parang IBC yung si Mama Ness. BTW, Willie Revillame was also a drummer sa Loveli-Ness.

Bible Book on GMA, surely kids my age remember this show airing every Sunday

*Seriously both originally on ABS? Parang IBC yung si Mama Ness. BTW, Willie Revillame was also a drummer sa Loveli-Ness.*

that's right. unang umere sa ABS-CBN ang "loveli-ness" around 1987. it transferred to IBC the following year.

'yung "tonight with d!ck and carmi" (which, for a few weeks, ran as "ang palatuntunang walang pamagat"--or something like that) ang ipinalit ng ABS sa wednesday 7:00pm timeslot na binakante ni alma...she would go on air at IBC, though, on that very same timeslot.

may tinayo pang children's club in line with those two shows, naaalala ko...pina-plug during almost every commercial break...😊

looking back, gawang-US 'yung dalawang cartoons na 'yan (ang producer kasi was the same company that produced "the 700 club"), pero halos mala-japanese anime ang itsura ng karamihan sa characters nila...

CBN (which produces The 700 Club) actually had Superbook made by an animation studio in Japan. They initially had no plans then to air in the US because "anime awareness" there was at its infancy. But trhey did have it aired there anyway.

Hello. Do you know what is Lucky 7 Club. Post it here!

Hello. Do you know what is Penpen de Sarapen. Post it here!

yung **GAME NA GAME NA!** nila Ogie Alcasid, Roderick Paulate and Panjee Gonzalez sa ABS....

yung segment ni Ogie na survey says... e katulad na katulad nung Family Feud ..... De-kahoy na blinds pa ang survey board nun na manual yatang inooperate.... that was mga year 1992.....

then yung segment ni roderick yata parang the price is right yung tema.....

then isa pang naalala kong game show e yung **Ready, Set, Go....** before Sang Linggo NAPO sila.... Trying hard rapper pa nun si Michael V... di talaga nya forte ang rap... na ala Francis M. (RIP)

### Ask ko lang about the radio version of MGB

---

Ask ko lang. Di ba yung MGB, isa sa mga former magazine show ng ABS-CBN, Right. At tsaka, nagkaroon ng radio version ng MGB kasama sina Ka Peter Musngi at si Carl Balita

Isa isa lang ang sasagot bago yung ibang magsasagot. OK!

at tsaka ano ba yung now defunct morning brew sa ibc 13, morning show ba 'to o hindi?

isa isa lang ang tanong masyadong marami

"sari-sari survey", 'yun ang segment ni ogie na mala-"family feud"...incidentally, he would host the first pinoy edition of "family feud" (sa ABC) years later. the gameplay was very, very similar (particularly, where the opposing team has a chance to answer after three "strikes"/wrong answers from the other team).

'yung kay roderick, "magkano ka, bayan?"...tama, mala-"the price is right" naman siya..."is it higher or lower?" 'yung pinaka-tinatanong niya sa contestants.

tapos 'yung kay panjee gonzalez (na later, napunta kay agot isidro--she took over after panjee married gabby lopez, if i remember right), "musikarera" naman...mala-"name that tune" naman ang gameplay nito.

at 'yung final segment was "bingo dinero"--noong una, nilalaro rin uli 'yung tatlong naunang segments as part of the main bingo game.

may nauna pa kay zenaida seva na naaalala ko rin...si madame rosa. 🇹🇼

'di ko na nga lang matandaan kung saang ABS show siya noon pinakamadalas na lumalabas--kung ASYM, "showbiz lingo" o "cristy per minute"...basta, for a while, she became one of the most popular fortune tellers in the mid-'90s...

ngayon ko lang napansin na hindi ko pala na-asterisk iyung A\*ng...buti na lang hindi na siya censored.

Si Brenan Espartinez, naaalala ko siya bilang si Atom aka isa sa mga neighborhood kids sa Sineskwela. Lumabas na rin siya minsan sa Sajid Bulig episode ng sister show ng Sineskwela na "Bayani".

Reminiscing Batibot suddenly, I remember the gang would always encourage its viewers to send their feedback about the show through snail mail. Sa address, kumpleto pa siya with matching zip code.

Kakamiss yung Sineskwela days. Si Agatha Tapan isa din sa mga mainstays ng show na to. I got to talk to them nung nagshooting sila sa factory ng Tita ko. Their topic was about pina seda, abaca and banana seda. Mga handicrafts. Mama's girl si Agatha and she was very accommodating. Si Brenan ok naman pero not as friendly.

ah, naalala ko iyung episode na iyun. They went to this factory kung saan gumagawa ata iyung pabrika na iyon ng mga handicrafts na yari sa abaca, atbp.

---

Another memorable episode from Sineskwela is the gang's escapade to Sinekswela although most of the original hosts were no longer part of the show by that time I believe.

Another Brenan episode i remember was when Atom, Winnie Cordero and company were searching for this bottle of poison floating along the current in the Pasig River en route to Manila Bay. In the entire duration of that episode, they were discussing a lot about the bodies of water plus the harmful effects of pollution to places like the Pasig. All of that happened while searching for the cyanide in just 30 minutes 🤔

incidentally, that pre-"pinoy pop superstar" brenan also sang the "bayani" theme song. 😊

i can just imagine kung gaano kahirap i-edit ang show na 'yan, dahil hindi lang dalawa kundi TATLONG michael v. ang kailangang ipagtama-tama mo ang timing sa final cut...

but that show, aside from "bubble gang", first proved how he became a "master of disguise", something he does more often now sa "bitoy's funniest videos"...

ay, prior to "bitoy's world" pala, bitoy had another show with a similar format as "bitoy's world": "bilibitornat", which was later changed to "bilibkaba?"...galing sa "ripley's believe it or not" originally 'yung ilan sa mga videos na pinapalabas nito noon...

yes, the Bayani theme song indeed. brenan showcased his pre-teen singing talent through this song. For a half-hour children show, ABS did a good job making a very awesome theme song, something they also did for Hirayamanawari and Sineskwela. Mathinik is very reminiscent to Sineskwela's theme and so are the succeeding ETV shows. Ah, the good ol days 🇵🇭

balik-'80s muna...

from the youtube account of dennis garcia, one of the members of the legendary hotdog band (na isa sa mga "driving forces" ng "manila sound" back in the '70s), here's a clip from one of their guestings on GMA's "discorama", by then already hosted by the APO hiking society...may pagka-new wave ang kantang tinugtog ng hotdog dito...

watch out for a slightly mustachioed jim paredes and a young cherie gil at the beginning...

Hmmm...loko tong Youtube ah. Ayaw lumabas iyung vid 😞

napanood ko na iyung vid sa buti na lang. di ba si Zsa Zsa, bahagi noon ng Hotdog noon?  
Pero sa totoo lang, mukhang maganda iyung naging kapalit niya.

sina TVJ PA ANG COHOST NG DISCORAMA NOON W/ BOBBY LEDESMA (THE OLD BACHELOR

oo, mga early '80s din 'yun, kung 'di ako nagkakamali.

'yung female vocalist nila doon sa "discorama" clip, baka 'yan na 'yung naging kapalit ni zsa  
zsa sa hotdog...

Kuwento sa'kin kanina ng mom ko na pinalabas na rin pala noon ang As The World Turns  
dito. Tagal na rin pala nito, higit sa 50 years. General Hospital rin, inere rin dito (years  
before Star World would air them again until recently nung pin-ull out sila along with The  
Bold and the Beautiful).

Heto iyung mga nakalap kong mga openings noon ng mga daytime soaps ng US na inere  
dito noon at ang mga openings nila ngayon from Youtube:

As The World Turns: 1978 and Present

The Bold and the Beautiful: 1987 and 2004 [Note: Buhay pa rin sina Ridge, Eric at  
Stephanie Forrester, still played by the same actors for more than 20 years since the show's  
inception]

General Hospital: 1978 and the remixed 2007 version of the Faces of the Heart  
theme plus the first FOH opening for those who remembered it on Star World

The Young and the Restless: Nadia's Theme 1982 and Nadia's Theme 2007

Na Recall Ko Yong Seeing Stars With Joe Quirino Pag Linggo Ng Gabi Sa Channel 13

Nag Guest Ang Sikat Na Crispa Players Noon Pinaghahalik Ni Elizabeth Ramsey Ina Ni Jaya  
Tapos Si Tito Varela Hinalikan Sa Ulo Dahil Vocal Si Varela

as i found out from some TV times copies i used to have, sa mga evening variety shows of that era, "seeing stars with joe quirino" ran the longest (in terms of airtime) during its years on IBC--it aired sunday nights from 8 (or 8:30) to about 10:30 or 11pm...

JQ's show and its competition, "penthouse 7" (which aired from 9:00-11:00pm naman) were, apparently, a study in contrast..."penthouse 7", with all that dancing, obviously catered to the younger set and the A-B crowd (as its network was, back then)...JQ, on the other hand, with all the celeb guests he had, catered more to the masa audience...

JQ also had a weekly (fridays only) noontime show that also ran for two and a half hours on IBC: "take it away with JQ" naman ang title...

one of the last TV appearances of JQ that i remember was from about a year or so before he died--naging guest siya sa musical/sitcom ni vina morales na "vina" (on ABC-5)...

hey guys, naalala ko yung ABS-CBN News Advisory (the former name of the hourly news bulletin of ABS-CBN), then renamed as ABS-CBN News Update and then renamed again as News Patrol (the current name of the hourly news bulletin of ABS-CBN)

hey guys, may tanong lang ako sa inyo, naalala ko yung ABS-CBN News Advisory (the former name of the hourly news bulletin of ABS-CBN), then renamed as ABS-CBN News Update and then renamed again as News Patrol (the current name of the hourly news bulletin of ABS-CBN), Right!

This one's for the anime fans:

Friday nights have always been cartoon nights for 90's babies like me. Quite a number western and japanese animated and live series have aired here. Some notable ones are: Fushigi Yuugi, Ghost fighter (although this was aired I think MWF), SPiderman, Power rangers, Transformers Beast Machines and Beast Wars, etc.

It all changed though when competing cable channels (Pre-Animax era AXN) and Cartoon Network (Asia) began airing primetime cartoon series every night, 5 days a week. Even the then emerging Solar also aired animes, although they usually air on or before 6pm (before kicking their primetime sched with their North American shows).

GMA aired a tagalized dubbed version of Fushigi Yuugi 9pm(?) every Friday after GMA's

roster of soaps. When then upcoming AXN began gaining prominence for airing animes 5 days a week (like Grander Musashi, Ayashi No Ceres) , they began airing an English-dubbed version of Fushigi Yuugi, which quickly became ahead of the usual Friday GMA broadcast of the still airing Tagalog-dub in terms of episodes already aired (nung namatay sa bundok si Nuriko). I'm not sure if 7 went on airing the show but back then, I already had a feeling that it'll be discontinued because of the possibility that viewership may have shifted already to the now ahead episodes airing on cable (at least that's how I view it)

Lalo pa nung AXN, at its height as an anime powerhouse, began airing OVA's of popular animes, among them was FY.

Local channels began moving their animes on earlier slots away from primetime and began to settle in the late afternoon sched before the 2 big networks started moving their animes further earlier into the weekday morning slots.

at nagsimula 'yang friday anime block na 'yan, if i remember right, when GMA re-aired the original "pinoy english" dubs of "voltes v" and "daimos", and started airing "pokemon" too, all right before "bubble gang".

i admit, i'm not an anime fan at all, but i always loved the creativity behind the anime plugs GMA had back then (when the network, during the boom of anime on free TV, proudly declared, "we are anime!"), like the emotionally-charged ones for "daimos" and "voltes v", or the video game-like series of plugs for "ghost fighter"...okay rin pumili ng music 'yung mga naging producers/editors ng plugs na 'yun...

^i remember nung kasikatan ng ghost fighter, inere ng GMA yun sa primetime... nasa 6pm-7pm yun...

sobrang sikat talaga ng anime nato nun!

^Ghost Fighter aired last before Bubble Gang

Pokemon airs Fridays at 7:30pm (Digimon follows on the other side in ABS at 8pm)

j5bata: naalala ko yung ABS-CBN News Advisory (the former name of the hourly news update of ABS-CBN) then renamed as ABS-CBN News Update and then renamed again as Breaking News and then renamed again as News Patrol (the current name of the hourly news update of ABS-CBN)

ladies and gentlemen, let us not feed the trolls. 😊

anyway, on to a more sensible, "kulit"-less discussion...😊

(wala pa akong bagong mai-share, eh. 🙄 )

share ko to from more than 10 years ago...

RJTV used to air a lot of vintage music videos from the past...dating as far back as the 70's where country singers with bigga shades then would just speak casually in between the chorus, more often than they would actually sing a song.

----

Usapang cable uli 😊 : I'm not sure if it's exactly on cable but I used to watch this "magic show" program airing every Sunday afternoons. It's either on RJ, Ch. 31 or on that Japanese cable channel, EXPLORE. there was this one episode wherein the magician used hard paper folded into a cone, and placed milk in it. It didn't spill but the paper didn't showed signs of soggiess after the milk was emptied out.

magbabago na ako guys, hindi na ako magiging pasaway at tsaka papansin ulit! Promise!

----

And by the way, nakita ko sa youtube yung mid-90's commercial ng gibi shoes ng 4 east flava, dun sa ending may nagsasabi ng "ang baduy-baduy mo" yung kumakanta yung lalaking na naka-sumbrero

^^

Bado, link naman.

"eye to eye" is the first ever showbiz talk show in the Philippines. Kasi inere ito sa IBC 13 tapos lumipat ito sa GMA 7

May tama ka, dude.

The end of an ERA, the end of Season 15, the end of ER!

Before the show's series finale next week in the US, I wanna share you guys thus retrospective:

I remember ER airing in ABC 5 way way back mid 90's. If I remembered it right, it used to air every Thursdays as well (same day that ER is being aired for the past 15 years by NBC).

I don't know though what pulled me out as a viewer but I was in the dark without knowing what became of Dr. Mark Greene and company since then. Nung nalaman ko na sa 2nd Avenue na pala itinuloy iyung mga succeeding episodes, nalungkot ako kasi wala sa basic cable package ang 2nd Ave samin 😞

Tapos kung kailan nasa free tv na 2nd Ave (via SBN) tsaka na wala akong balita kung ieere pa nila iyung huling season.

Hallmark Channel airs ER as well pero under syndicated reruns lang siya, with no latest episodes.

Originally hosted by Tennis star Dyan Castellejo and Ginebra stalwart Vince Hizon, this show has been aired for 12 years, starting it in mid-1997.

Throughout the years, this was considered as ABS-CBN's answer to GMA and Probe's Gameplan (which is now off-air). Changes has been also made, after a PBA comeback via Red Bull, Hizon decided to resign as host and was later replaced by hunk Marc Nelson, who, until now is Dyan's co-host, despite having shows from rival Q. Some of Dyan's pinch hitters include Amanda Griffin and Paula Taylor.

Saturday nights has never been amazing with SU!

"ER" was definitely one of ABC's biggest imports during its years under its previous chairman, the late edward u. tan...

at one point in the show's popularity sa pilipinas, RPN even "answered back" by pitting "chicago hope" against it...but the show got taken off RPN's programming (and eventually got cancelled in the US), while "ER" stayed on until about a couple of years before tonyboy cojuangco finally took over ABC...

and with tonyboy's takeover, "ER" (and another big ABC import, "friends") was gone (for a while) on philippine free TV, at least (until 2nd avenue moved to free TV).

nakakaaliw yung show na ito dati tuwing midnight buhay na buhay ang dugo ko haha, sana ibalik nila ulit sa next season, nakakatawa pa si marel

ETC and Star World were able to finish off "Friends" buti na lang.

I remember not just Chicago Hope but also NYPD Blue (I only realized sometime recently that David Caruso was part of the latter during its early years). They're the reasons why I grew up being a passive viewer of crime dramas even up to now (with the likes of Law and Order, CSI, etc)

Si Jessica Alba ba iyung bida sa "The Adventures of Alex Mack" or was it Jennifer Love Hewitt (although I doubt she was "Alex Mack")?

Magandang Gabi Bayan was a current affairs program of ABS-CBN. It was hosted by Vice-President Noli de Castro. Later, it was hosted by Katherine de Castro (VP's daughter), Erwin Tulfo and Henry Omega-Diaz. It features a documentary of a real-life story of a person, ipinakita ang istorya ng kuwentong buhay ng isang tao. Unlike its regular drtama anthology series parang drama anthology ito!

*Si Jessica Alba ba iyung bida sa "The Adventures of Alex Mack" or was it Jennifer Love Hewitt (although I doubt she was "Alex Mack")?*

no to both...it was larisa oleynik who played the title role.

jessica alba, though, was max on "dark angel" in the early 2000s (palabas ito noon sa studio 23). and jennifer love hewitt? erm...long before "the ghost whisperer", naging supporting character yata siya sa "party of five" (which used to be on skycable's now-defunct i-channel, and for a short while, also on the VTV primetime block on IBC). i'm not entirely sure now...

Jensen Ackles was also in Dark Angel before his stint in Smallville and later Supernatural. Even before that, he also appeared in Days of Our Lives for which he was touted by ET 10 years ago as "one of the daytime stars to watch out for" since many A-listers in primetime tv and movies started out in daytime soaps in the US.

----

The Simpsons every Saturday and Rescue 911 every Sunday on RPN.

----

Fun fact: Jennifer was given her own show, a spin-off of Party of Five but only lasted one season, a year before Party of Five ended in the US back in 2000 along with BH90210. Una ko siyang nakita though sa isang Jackie Chan movie around 2001-2002 kung di ako nagkakamali("The Tuxedo").

-----

Hehehe...heto pa pala isa pa from my early years: Bananas 'n' Pajamas. May Tagalog theme song pa nga ito eh. Akalain bang Aussie show pala to? 🇵🇭

"the simpsons" was actually aired friday nights, not saturdays...i forgot kung 7:00 or 8:00pm noon 'yung mismong time, pero definitely, it was up against a portion of "vilma!" on GMA and the US cartoon/sitcom/drama block on ABS back then.

saturday nights on RPN were "macgyver" at 7pm, another action or drama series at 8 ("picket fences" was one that i remember), then "saturday night playhouse" (movies/specials) at 9pm.

but you were right about "rescue 911" being on sundays (8pm to be exact, right before "sunday's big event")...

Deadz na ata "Vilma!" nung buhay na ako that time (around 93 to 97) since Friday nights are already being allotted to tokusatus/sentai programs from Japan plus the telenovelas on RPN if memory serves me right.

One week from now...

Does anyone remember the Primetime on Daytime block on ABS-CBN

May inaabangan kami every year (maybe a lot of of you as well), yung halloween episodes ng MGB. naalala ko yung episode about dun sa misteryo ng balete drive, mga estudyanteng sinasapian. Grabe every year di kami nakakatulog ng ate ko after the show.

hindi ko na maalala kung sa halloween episodes ng MGB pa rin galing ito, pero may napanood ako noon tungkol sa ilang studio ng ABS-CBN allegedly being haunted too, one of them supposedly being by one of its former radio/TV talents, vic pacia (he died in the '70s due to a car accident--he was with ABS prior to martial law)...

tapos may pinakita silang isa pang clip noon, if i remember right, where the cameraman

was taping a video of the philippine flag they mounted in another studio, tapos may mga mysterious shadows daw na dumaan...

*Deadz na ata "Vilma!" nung buhay na ako that time (around 93 to 97) since Friday nights are already being allotted to tokusatsus/sentai programs from Japan plus the telenovelas on RPN if memory serves me right.*

"vilma!" didn't go off the air until september 1995 (when governor vi bowed out of the show because she was pregnant with ryan christian)...

meanwhile, the GMA friday primetime line-up didn't have the anime shows until around 1999 or the early '00s, kasi mula noong october 1995, "bubble gang" (which was originally aired at 7pm, taking over the timeslot of "vilma!") was still paired with a slew of local shows (such as the long-running regal drama anthology, "mother studio presents", the viva sitcom "manoy en mokong", and GMA in-house productions like one season of "gobingo" [which evolved into a physical challenge-style game show called "golympics"], the stand-up comic showcase "comedy central market" and the reality-docu series "what went wrong?") for a few years...

no wonder, wala na pala akong naalala before 95 kung ganon hehehe🤔

Primetime on Daytime is a former mid-morning block of ABS-CBN

Murphy Brown was one of the first shows that premiered in Studio 23. I believe this was aired Monday nights...

Curious, it's one of a very rare number of shows back in the day that doesn't have its own opening theme/credits (which is now common among present-day shows in the US).

Here's a clip of the show: <http://www.youtube.com/watch?v=h9IwfCIuPzw>

first saw this on ABS as among the many big foreign series they aired on friday nights (between 8-10pm, after the kiddie shows at 7pm) back in the early '90s...always looked forward to watching the show mainly because i was a kid back then na gustong maging newscaster pagtanda...and because i was a kid then, i never really recalled any particular episode--just murphy and her colleagues at "FYI"...

Na-recall ko yung ABS-CBN News Advisory. News Advisory is a former name of the hourly news update of ABS-CBN until it was renamed as News Patrol (the current name of the hourly news update of ABS-CBN)

Fiveman was on ABC....5 hehehe along with Jetman (I'm sure this one was on ABC)

Mukhang kayong 2 lang ang nag-uusap diyan ah.

Oo nga pero nung 1997-1998 medyo humina na ang Mexican drama craze at that time..

Fiveman was aired first sa ABC 5 nung blocktimer pa ang Solar dyan..😅 You see pati toku at anime noon pinasok ng Solar...

Tanong ko lang: Friends tayo diba! Do you know what are the current and former weekday afternoon showbiz talk show, weekend newscast and weekday afternoon drama anthology shows in the Philippines

Parang naalala ko yung Showbiz No. 1 eh!

Iyung telenovela craze, nagpeak siya nung 1999 thanks to Rosalinda sa ABS. From there, nagretreat na sila sa hapon (ABC-5 would air two telenovelas back in 2004, Letty La Mas Fea and Doble Cara [Peregrina] while RPN had Monte Cristo)

*Parang naalala ko yung Showbiz No. 1 eh!*

Parang naalaala ko yan. Aired from 2004-2005, that show was hosted by Ogie Diaz, Nina Corpuz, and JC Cuadrado. Naalaala ko nung mga last episodes nun, eh puros mga tsimis na lumang-luma. Timeslot nito? 4pm, after Kapamilya Cinema.

meteor garden was aired around 2003, and itong palabas na ito ang nagpasimuno ng "asianovela invasion"

Huling weeks nito mga summer specials nila, kumbaga "Huling Hirit sa Tag-init" na umabot hanggang kalagitnaan ng June

parang naalala ko yung sandara's romance, the weekend news, katapat mayor fred lim at tsaka ok fine whatever

*I always thought of Lagot Ka Isusumbong Kita as a sort-off reboot of Palibhasa Lalake because many of its main stars are from that 90's sitcom.*

*Although nothing beats Palibhasa with its quirky and funny set of characters, including that spoiled overgrown rich girl whose voice sounds like a mutated chipmunk. I believe there was a sort of crossover event from one of ABS's former comedies with Palibhasa (years after that show went off the air) starring two characters from that show making a guest appearance to either of the following: 1)Bida si Mister Bida Din si Misis, 2) Whattamen, 3)Home Along Di Airport, 4) OK Fine Whatever.*

i thought so, too...

for one, bida sa "lagot ka..." sina joey marquez at richard gomez (although on that sitcom, magkapatid naman sila, whereas they were bosom buddies sa "palibhasa..."). also, the sitcom's director, boyong baytion, worked behind the scenes (and a few times, on cam din) sa "palibhasa...", kaya kahit paano, i'd like to think na may mga dinala siyang elements ng "palibhasa..." (particularly 'yung laglagan at basaang sa "lagot ka..."

that overgrown rich girl whose voice sounded like a chipmunk? si cynthia patag 'yun. 🇵🇭

and still on the subject of "palibhasa...", noong time na nakasama doon si anjo yllana (as tikboy), lagi kong naririnig na may binabanggit siyang "banana man"...hindi ko tuloy matandaan, sino nga ba si "banana man" sa buhay ni tikboy? 🇵🇭

Holy Week TV Memories:

1. GMA is at the forefront of producing telesines that are made for the Holy Week bukod sa mga telesines na gawa ng TAPE at ng Christian Broadcasting Network (who aired a Lenten Special last year on the timeslot occupied by the 700 Club). Some of them are: 1) A 2004 telesine that tackles the issue of leprosy and the challenge of faith in God(If i remembered it right, Manilyn Reynes was in it), 2) Another 2004 telesine starring Alessandra de Rossi who plays a young woman who was given a choice to be a miracle woman or remain an ordinary girl to herself and to her family and friends.
2. RPN used to air until 2007 a TV movie about a Catholic Vietnamese family. It's about a boy who, despite getting himself into trouble because of racial discrimination, still remained a caring brother to his sister (who was pilay), and an obedient son to his janitor father (who thought him martial arts as a means only to protect the good and never an offensive against anyone)
3. ABS used to have Lenten specials aired during the Holy Week starring the hosts of Magandang Tanghali Bayan. Too bad they never got to continue that tradition after MTB was canceled. Despite that, they always air movie marathons. Among the usual line up of Lenten specials is the movie "Himala" starring Nora Aunor.

4. QTV when it was still starting out, was on regular programming during Holy Week 2006.
5. Studio 23 on the other hand is known for airing Lenten specials, movie marathons of biblical movies and TV show marathons. Madalas 7th Heaven (right now, 23 is airing a marathon of the show's 11th and final season until tomorrow. Half of the season is currently being aired right now since 11 am. The remainder will get airtime on Good Friday).

### **i Remember Yong Sine Siete ... After Student Canteen**

earliest holy week TV memory i remember? a movie called "the runner stumbles" on ABS-CBN. mga late '80s 'yun. and seeing fr. sonny ramirez on RPN every year--whether he does a live commemoration of "the washing of the feet" from broadcast city or a pilgrimage-type special...

then sometime in the '90s, "the 700 club" aired a whole block of holy week specials called "the answer" on the evening hours from maundy thursday to black saturday...it was simulcast on all the stations that remained on air during the remainder of the holy week (ABS, GMA, RPN and IBC)...

i also remember one maundy thursday--i think it was 2005 or 2006--when ABS aired their entire regular daytime line-up (except the morning show--it was "MUB" back then), including "wowowee". i was alarmed to see, of all people, willie revillame and his studio audience in their usual cheery, celebratory mood (and it was live pa, if i remember right) during what should be a time for quiet reflection...buti na lang, hindi na 'yun ginawa ng ABS the following year.

it was also on a good friday when, as a lot of us remember, the news of rico yan's death broke out. cinema one just aired a news crawler repeatedly that day, while ABS (which was off the air that time) only signed on for a few minutes later in the evening para lang ibalita 'yung pagkamatay niya...

it was studio 23 that started "breaking away" from "traditional" holy week programming gradually, with their movie, "oprah" and "7th heaven" marathons...

i remember when Rico Yan died, spring break sa US at nagkasakit kaming buong magkakapamilya doon. Thanks to AZN (which airs foreign news programs including the

World Tonight and special episodes of certain ABS shows), we found out about the death of Rico on an episode of Balitang K(?) (2002). I remember there was this fan of his who recited a poem dedicated to the poor guy.

Holy Week TV Memories:

1. Telesine. I remember, mga 2007 ata, there were two Telesines aired on separate days, like yung mga telesine ni Coney Reyes, and also yung tungkol kay Mama Mary, which stars Maricel Laxa.
2. Watching movies on GMA like Moments of Love, Let the Love Begin, and others. Sa ABS, yung 2nd movie nina Aga at Aiko, basta duguan si Aiko from buntis, nasa bahay siya nun, maulan, kasama si Aga. Can't remember the title.
3. GMA airing a God-related catholic variety show nung 2003 ata, basta tanghali yun in-ere.
4. Last year, may napanood ako sa GMA about a lesbian (which stars either Sharmaine Arnaiz or Jan Marini Alano), basta produced by 700 Club Asia.
5. Kapag commercial break ang 1 ABS show, I remember may na-air sila na Music video ni Jose Mari Chan. 2002 ata 'to.
6. And who will ever remember EB's lenten specials, na originally ina-air from Holy Monday to Holy Wednesday, ngayon, fr. Maundy Thurs. to Black Sat. na?

**@sirlion\_steak:** 2005-2006 yung Wowowee sa Holy Week.

Tagalized European movies aired on ABS

and siempre a once-in-a-lifetime event: a Tagalized 7th Heaven Marathon on Studio 23

Naalala ko nung 80's nagpapalabas ang GMA 7 ng animes na Flying House and Super Book tuwing Holy Week..

ang holy week tv memories ko ay:

replay episodes ng wish ko lang! at tsaka yung mga kerygma specials sa GMA

I miss the Holy Week episodes of ABS-CBN where they showed classic movies from the 70's. Movies like "Tinimbang Ka Ngunit Kulang," "Kung Mangarap Ka't Magising," (my favorite pinoy movie of all time), "Itim," "Aguila", etc. lorded it over the boob tube during this particular time of the year.

It's one of those times when you don't regret staying home and not get bored during the Holy Week. Hope they can continue with this, and maybe feature these old movies again even during non-Holy Week days.

i actually look forward to watching those classic Filipino movies but, unfortunately, it seems like the place for them now would either be cable channel Cinema One or the UP Film Center. 😞

na-recall ko yung mga 2 religious shows dati dun sa ABS-CBN every Saturday, 7-9 am

7 am - Family Rosary Crusade

8 am - Ang Iglesia ni Cristo (naalala ko pa yung sinimulcast ito dun sa radyo dun sa DZEM 954 KHZ)

ABS-CBN actually had three religious programs every Saturday morning. 😊

7:00AM-8:00AM - Family Rosary Crusade (Roman Catholic)

8:00AM-8:30AM - Sound the Alarm (Evangelical/Born Again; with a pastor named Jonathan Sebastian(?) as host)

8:30AM-9:30AM - Ang Iglesia ni Cristo

after Iglesia ni Cristo...

9:30AM-10:30AM - Cooking It Up with Nora (later, after Nora Daza's "retirement," with the Dazas, but primarily with Sandy Daza)

OT muna ako about holy week memories...

I miss the cartoons that was being aired during friday evenings, like Ghostbusters and X-Men on Channel 2. Also other shows like Twilight Zone, The Amazing Stories, Doogie Howser M.D. and Perfect Strangers (with Larry and Balky).

The 1-hour weekly version of Family Rosary Crusade is now currently airs on Studio 23 every Sunday morning and Ang Iglesia ni Cristo is now currently airs on Net 25, Iglesia ni Cristo Television (on SkyCable Platinum/Digital Channel 136) and GEM TV 49. Am i right!

'yang "amazing stories", kasama 'yan ng "the simpsons" sa friday primetime sked noon ng RPN, if i remember right...

I remember a gameshow in ABC5 (now TV5) na "Go for it", hosted by Ariel Ureta.

ok ang mechanics ng game, nakaka-aliw. Inabangan ko yung gabi-gabi.  
too bad it didn't last at least a year man lang.

i found that the show's gameplay felt a little bit like "jeopardy!" naman--hindi nga lang sobrang "high-falutin'" or masyadong intellectual ang mga tanong (i mean that in a good way)...

ariel ureta is probably one of the best hosts that today's generation of viewers never totally had--thank God, though, that he's still on radio, and still very sharp and witty. 😊

ano'ng masasabi niyo sa pi-nost kong thread diyan yung #1825

Pingot ka! Tama ka, dude!

He had a show recently on ANC, never sure if cancelled na siya ngayon but I still see him on Teleradyo every weekday mornings with Winnie Cordero

Ano iyung mga television credits ni Ariel Ureta noon bago magMartial Law? I heard from my parents that he's one of the best TV host in his generation. I could see why (based from his intelligent antics and charisma from his ANC talk show)

this is the part where i miss jay (mercado) and his knowledge. 🤔

anyway...the ANC show he hosted was a talk show called "my favorite show" aired live twice a week on the early-evening slot. i'm not sure kung noong time na 'yan, he already took over from joey galvez co-hosting "todo-todo, walang preno" on DZMM with winnie cordero.

as for his early television credits, as far as my information goes...his first major hosting stint was a noontime variety show called "twelve o'clock high" on the pre-martial law ABS-CBN, where he was paired with tina revilla.

that show, after martial law was declared, would be known as "noontime matinee" when it transferred to channel 7 (then under bob stewart) in 1972 , then IBC 13 (then owned by RMN) in 1973--this was courtesy of romy jalosjos (former TV exec turned congressman turned muntinlupa resident) who brought all ABS-CBN stars who didn't move to RPN-9 together to form a production company that bought airtime on the two stations mentioned, and brought back most of the "orphaned" ABS-CBN shows...until finally, ariel and tina transferred to BBC-2 (which, in essence, brought them back to the channel 2 airwaves) in 1974--by then, their noontime show was already entitled "ariel con tina", which would go on for another year or so.

as the '70s continued, ureta also went on to host other shows like "metromagazine" (a talk show produced by the then-metro manila commission headed by the "madame", which was shown on all five networks), "the morning show" (a news-magazine program aired on GTV-4--bibeth orteza's character, bibeth bisaya, became popular through that show), and a primetime variety show called "ariel and company after six" (on BBC-2...he had various female co-hosts, plus a little tyke by the name of niño muhlach).

*"the morning show" (a news-magazine program aired on GTV-4--bibeth orteza's character, bibeth bisaya, became popular through that show), and a primetime variety show called "ariel and company after six" (on BBC-2...he had various female co-hosts, plus a little tyke by the name of niño muhlach).*

Di ba yung The Morning Show, di ba yung former name ng morning shgow dun sa NBN 4

i'm replying to this just for the sake of doing so. anyway...

based on the various stuff i've read about pinoy television through the years, the title "the morning show" has been used more than once throughout the last 30-40 years.

the first one was sometime in the '60s, on ABS-CBN. i don't have much info about this, though, other than the fact that a personality named joey lardizabal (who was also elvira manahan's first co-host in the original "two for the road" also first aired on ABS in the '60s...he has since moved on to "the great beyond"... ) hosted this show. pero for sure, it was one of the earliest, earliest attempts at live morning television in the country.

the second instance that the same title was used was, as i mentioned, in that news-magazine show hosted by ariel ureta and bibeth orteza, in the mid-'70s.

the last one i know of was on NBN-4 not too long ago--with bobby guanzon and veronica baluyut-jimenez...

tanong ko lang, bakit wala nang mga kiddie variety/game show ngayon, ha!

Aside from the resume written by Dan on Ariel Ureta, I remember the latter having hosted the 6PM game show called "Patok Na Patok" over at Maharlika Broadcasting System (MBS) 4, the government network during Martial Law. Ureta however became a household name when he played around with the Bagong Lipunan tag of Marcos "Sa Ikauunlad Ng Bayan, Disiplina ang Kailangan" by changing it to "Sa Ikauunlad Ng Bayan, Bisikleta ang Kailangan." Ureta used this as a joke during the global oil crisis experienced in the mid-70's when oil prices skyrocketed amidst a major shortage from the Middle East countries. Ureta indeed was the finest variety show host of his generation and may have been a PATAS awardee for best host. PATAS is the defunct award-winning body for TV shows not unlike the Emmy Awards.

I also grew up watching "Good Morning Manila" hosted by the beautiful Merce Henares (once married to Ronnie Henares). Since this was the Martial Law period, the morning program didn't dwell too much on the news as it does today since the news were controlled back then. But the common ones were there - commodity prices were featured daily, weather news, featured achievers, etc. There were hardly any traffic news since traffic wasn't heard of back then. :-)

*the last one i know of was on NBN-4 not too long ago--with bobby guanzon and veronica baluyut-jimenez...*

And Snow Badua.

@badofilada: Hindi na uso yun eh, wag kang pikon ha. Hindot ka lang kasi eh.

it seems that ariel ureta never really left the ABS-CBN broadcast center since almost 40 years ago, ano? i mean, BBC-2, where he hosted "ariel con tina", was based out of that compound for a while. so was channel 4. and of course, isama na d'yan 'yung mga taong binilang niya sa ABS mismo from before martial law to after EDSA '86 (he was part of the production unit when ABS reopened then...he also hosted a short-lived friday night show

called "variety"), to his ANC and DZMM shows...

except, of course, for that brief period after 1081, when "noontime matinee" aired from the old ABC-5 studios in makati (which, according the "kapitan" book, served as the studios for all the then-former ABS-CBN shows that romy jalosjos moved to channel 7 and later, channel 13). and when he hosted "RSVP" with dawn zulueta on GMA (this was, i believe, his on-cam TV comeback in the '90s...he was also directing "ober da bakod" for viva and GMA that time), and much later, ABC's "go for it!"...

ariel ureta is eloquent kasi... diba he used to host various pageants?

*ariel ureta is eloquent kasi... diba he used to host various pageants?*

ayun pa pala...kasama rin sa TV credits niya 'yan. although, i think, jay would be more knowledgeable about this than i am. 😊

i saw some pics of him back in the '70s. i'd say he made big curly hair and moustaches look cool back then. 🇹🇼

^^

Syanga.

BTW, yung ANC show ni Ariel Ureta has been cancelled na, mga 2006 pa.

Na re-call ko yung profiles of power, nasa 9 am yon dati dun sa gma 7

6pm is the time when game shows back in the day rule early primetime especially during the early years of Philippine TV. They say that once a network's 6pm show outwitted the competition in the ratings game, there's a domino effect for its succeeding shows.

Sa ABS ba noon pinalabas iyung parang dalawang international news programs na galing CNN ata. Asia Business Report ata iyung title ng isa sa kanila tapos kasunod nito Business News rin. hay gulo...hehehe

-----

Studio 23 made attempts on creating spin-offs from its flagship news program News Central, one of them was a primetime edition shown 7:30pm (?), an early morning newscast back in 2006-2007 (before Breakfast). Its TOH news briefs were largely replaced by a more fast-paced and straight-in-the-face kind of new brief in the form of News Bites.

Ano na kaya nangyari kay Mari Kaimo? News Central now is being anchored by TJ Manotoc (formerly of GMA's Unang Hirit), Ria Tanjuatco-Trillo (Mari Kaimo's last co-anchor before he left the show), and Tricia Chiongbian (who subs for Ria when she's out).

Bianca Gonzales subs as co-anchor when both Ria and Tricia are out and there are times that TJ would carry the show solo.

They used to have regional variations of News Central in several of its regional stations but looks like many have already folded up. Here's one I got from News Central Davao hosted by Dante Luzon and Peachy Garcia

^^

BTW, Andi-9 would also sometimes substitute either TJ or Tricia.

And who will remember Mike Cohen?

^^

*Syanga.*

*BTW, yung ANC show ni Ariel Ureta has been cancelled na, mga 2006 pa.*

No wonder.

Been busy, kaya di ako magtatata na ang daming ko na palang namimiss out sa panonood ng conventional TV hehehe.

Umaarte pala rin si Ariel Ureta pero when I see him act, mas nananaig ang presence niya bilang host.

Bukod sa My Favorite Show, he previously hosted Miss Earth siguro around 04, 05 or 07 (last year, MTV's VJ Utt was the pageant's host). ABS's coverage of the pageant's coronation night also gets aired internationally via Star World-Asia.

*And who will remember Mike Cohen?*

Naalala ko yung international news segment ni Mike Cohen dun sa ASYM. Noong maliit pa ko, pinapanood ko si Mike Cohen. First he delivers world news in English and in later years, he delivered in Filipino

^^

*BTW, Andi-9 would also sometimes substitute either TJ or Tricia.*

*And who will remember Mike Cohen?*

Siyempre, si Mike Cohen pa? He's usually in charged of delivering international news in ASYM.

He served as anchor for News Central's primetime edition until it was cancelled after a few months.

As a child, I always wonder how he was able to pull off his tagalog with great fluency without the twang but at the same time remaining his American English intact. Unless laking Pinas siya, wala na akong masasabi pa doon.

Currently, he's keeping in touch with his journalistic colleagues via Facebook (since one of his friends is my friend in Facebook who just announced he's leaving TV5/ABC-5)

Na re-call ko yung mga dating morning line-up ng gma na nakita ko sa youtube

7 AM - Business Today

8 AM - Kape at Balita

9 AM - Profiles of Power

9:30 AM - Movies to Watch

10 AM - Kapwa Ko, Mahal Ko

Ano'ng masasabi niyo mga PEXers?

Link, bado?

@j5: Si Mike Cohen, diba kamukha yun ni Tim Cone or Bill Clinton?

^Edit: Mali basa ko...yes. Kamukha niya si Bill Clinton na bumata 😊

👋 Guys, **HAPPY ANNIVERSARY!** 👋

Today's the thread's anniversary yey!

And what a day it has been. Akala ko bukas pa iyon hehehe. 😊

didn't ask for this banner as the TS, mind you...but hey, it's cool. 😊

didn't even notice that one year had already passed since i started this.

but anyway, keep it coming, y'all. 😊

*Siyempre, si Mike Cohen pa? He's usually in charged of delivering international news in ASYM.*

and unless may dugong pinoy rin talaga siya.

his international news was the only english segment in an otherwise all-tagalog "ASYM". pero natutuwa rin ako noon 'pag naririnig ko siyang mag-tagalog whether on ASYM or on other ABS-CBN news programs because....well, nabanggit mo na nga, it's his fluency with the language.

*I miss the Holy Week episodes of ABS-CBN where they showed classic movies from the 70's. Movies like "Tinimbang Ka Ngunit Kulang," **"Kung Mangarap Ka't Magising," (my favorite pinoy movie of all time)**, "Itim," "Aguila", etc. lorded it over the boob tube during this particular time of the year.*

*It's one of those times when you don't regret staying home and not get bored during the Holy Week. Hope they can continue with this, and maybe feature these old movies again even during non-Holy Week days.*

Me too, favorite Pinoy movie. I can't remember if it was Holy Week when ABS also showed movies of Akira Kurosawa for a week during the afternoons.

*It's one of those times when you don't regret staying home and not get bored during the Holy Week. Hope they can continue with this, and maybe feature these old movies again even during non-Holy Week days.*

When Kapamilya Cinema was still around, they used to air movies from the early to mid-80's ranging usually from Viva and Regal. I think there was one movie where the setting was in some sugar plantation na may riles ng tren. One of the star if I remember it right was Eddie Garcia.

Nung tumagal KC, movies now ranges from late 80's to 90's and those from Star Cinema are among the most frequently featured flicks plus comedies from other studios.

before the big name change to Pinoy Movie Hits, it also began airing movies from the "Kung Fu Fight Nights" block like Shaolin Soccer and that old Jackie Chan movie I always can't seem to recall the name plus recent ones from Star Cinema, Viva and Regal.

Happy Anniversary to the TV Memories thread! 😊

Some Penshoppe commercials, especially about the past Club Pen.

Club Pen is a group made by Penshoppe, a youth-oriented clothing company, wherein some of those models represent the clothing line. Some of the past and present members of the Club Pen include Ryan Agoncillo, Paolo Bediones, William Thio, Matt Evans, Melissa Ricks, Nikki Gil, Bianca Roque, and Matteo Gudicceli.

Here's the link of some of the early Penshoppe TVCs from 1990-1994. The 1994 series was really good enough, Love in 4 Acts.

On cable: Cartoon Network used to share airtime with TNT/Turner Network Television with the former occupying most of it from 5am to 9pm before handing the handles over to TNT from 9pm til 5am.

This was when we don't have CN Philippines yet and the CN Feed was coming from Hong Kong.

Here are clips of the hand-over sequences aired back in the day 🌐

### Great Toons Take-Over

TNT-CN 5am Hand-over ~Note though that the TNT feed here had different visuals although the TNT logo remained the same during much of the 90's

TNT-CN Handover 9pm ~This one's the classic and the somewhat most disturbing. Last program aired on CN before the take-over is usually The Popeye Show aired weeknights at 8:30pm (coinciding then with Nickelodeon's top-rating the Rugrats). Little Lulu airs 8pm on CN.

Most cartoons aired on CN came from the archived libraries of Turner and Hannah-Barbara before Time Warner absorbed these libraries and subsequently replaced the shows with original programming coming from its own Cartoon Network Productions.

Fun fact too: Many of our well-loved Hannah-Barbara cartoons were drawn by Filipinos employed by HB on one of its offices/animation studios in the Philippines. Among them is the Flintstones.

Several Pinoy-made cartoons were first aired in other countries like the US and Malaysia before they were later aired in their country of birth. Among them is "Legend of the Dragon" (Airs on HeroTV and QTV), Hulk Hogan on ABC 5, Lat the Kampung Boy and Growing Up Creepie (Nickelodeon-Philippines/Viacom), and Bola Kampung (Disney Channel-Asia).

Our animators though were commissioned by their clients that are big-time (and not-so big time) foreign companies based in others parts of the world no wonder ngayon lang napapalabas iyung mga gawa nila 10 years ago or less.

remember the cartoons wacky races

Iyun ba iyung kasama si Penelope Pitstop at si Mutley?

the ORIGINAL CN checkerboard logo, and the TNT (later TCM, turner classic movies)-CN switchovers everyday...those are classics...part of the novelty that was cable TV back in the mid and late '90s.

It took a while for CN Philippines to switch to its present simple "CN" logo, which they did sometime around 2006 considering that present logo now was already adopted by its mother channel in the United States a few years before.

That was the same time that the first aired CN series here that contains the new Cartoon Network logo was "Puffy Amy Yumi". Most of the classic Turner and Hannah Barbara toons were then moved to Boomerang (which was launched in the United States initially as a time block within Cartoon Network around 2001).

haha, yung may anthill mob at arkansas chug-a-bug? 😄

how about yung scooby doo laff-a-lympics? 🤔

at iyung mala-Oscar's movie night na marathon ng mga Emmy-award winning animated features ng Warner Brothers 🎬 (Cartoon Network awards ata iyon)

Siyempre sa Power Zone, who would forget NINJA ROBOTS (Also shown in the defunct Solar USA/Solar)!

*the ORIGINAL CN checkerboard logo, and the TNT (later TCM, turner classic movies)-CN switchovers everyday...those are classics...part of the novelty that was cable TV back in the mid and late '90s.*

those were the times 🙌

hindi pa gaano trashy ang cartoons nuon sa CN 🤔

parati kong hinahanap sa YT ang mga vintage CN bumpers at station IDs.

teka, ask ko lang, bakit nagsisign-off nuon ang CN every 8PM at papalit yung TNT?

viva sinerama, mvp, sunday limited engagement and pinoy blockbusters was a movie block on gma 7

ask ko lang, bakit yung SNBO ay nagiisa nang movie block dun sa GMA?

Mga naaalala kong mga palabas:

Pag nag-aabsent ako dati nung elementary, pinapanood ko yung Hiraya Manawari, Sineskwela, Math-tinik, Epol Apple at Bayani. Haha! Naalala ko rin yung Chikiting Patrol at 5 and Up sa GMA. Saan nga bang istasyon pinapalabas ang Kabataan News Network? 'Yung si Atom Araullo ang isa sa mga host.

Tuwing Sabado, inaabangan ko yung S.I.M with Gigi Grande at Mario Dumaua. Pinalitan ng Barangay Dos kasama si Kiko Pangilinan at Karen Davila. Mula sa pagiging segment lang sa TV Patrol dati, naging isang TV show na yung Meron Akong Kwento ni Marc Logan kasama si Riki Kwek. At syempre, sino naman ang makakalimot sa Knowledge Power ni Ka-Ernie. The best! 🙌

Sinong nakakaalala sa line-up ng Dramarama sa Hapon ng GMA dati? Anu nga ba yung title ng palabas nina Celia Rodriguez na kasama sina Epi Quizon? I forgot. Pinapanood ko pa dati yun eh. 😊

Pira-pirasong Pangarap din pala kasama si Gina de Venecia ba yun? Haha! Tapos sa ABS,

Marinella na pinalitan ng Recuerdo de Amor. May Flames pa nun! 😊

Andaming nakakamiss na palabas ah. Wansapanataym tuwing Linggo. May Spice Boys pa yun dati diba bago mag Wansa?

Coney Reyes on Camera na pinalitan ng Munting Paraiso na pinalitan ng Tanging Yaman na pinalitan ng Girls Marching On.

Kapag may Katwiran, Ipaglaban Mo, pinalitan ng Tabing-Ilog, tapos SCQ Reload, Seasons of Love. Nakalimutan ko na! Haha!

Sa GMA naman, ang naalala ko, Anna Karenina-Kahit Kailan-Love to Love.

Sa Showbiz Oriented shows naman, naabutan ko yung Showbiz Linggo at The Buzz syempre, tuwing Linggo. Showbiz Sabado, EK Channel, Entertainment Konek at Entertainment Live. Sana di na nila inalis ang Showbiz Sabado, okay naman yun eh. Enjoy yung pagbigay ng blind item ni Ogie Diaz.

Sa Talk Shows: Today with Kris Aquino na katapat ng D-Day ni Dina Bonnevie. Pero, 30 minutes lang ata ang tapatan nila kasi ahead ng 30minutes ang D-day. Tapos, 30 minutes din katapat ng TWKA ang Kirara. Tama ba? After ba ng D-Day, SIS na kaagad ang pumalit dito o meron pa? Ang pumalit sa Today with Kris Aquino eh Talk TV diba? Tapos naging Morning Girls kasama si Zsa Zsa, Pops at Kris, tapos umalis ata si Kris at pumasok si Carmina. Bakit nga ba umalis si Tetay nun?

Naging back-to-back ang TEYSI at Morning Girls with Kris and Korina. Nung naging hit ang Aquino-Sanchez tandem, inilagay after MUB ang Teysi diba? Tapos naging Good Morning Kris. Nahirapan si Kris sa schedula dahil may Hiram siya nun. Kaya nag-sub sina Angelu, Mikee at sino yung isa? Haha!

MRS: Most Requested Show na ba after nun? Tapos naging Morning Star, Homeboy, Boy and Kris tapos Ruffa and Ai na! Haha!

ang galing talaga ni Amy Perez at nakapag-isip agad siya nuon para sa temporary replacement for MTB.

sana bigyan muli ng show silang dalawa ni Roderick. Gusto ko ang tandem nila.

i think i already said this a few pages ago here on this thread...

they should've just retained the "MTB" title while randy, john and willie were on suspension and kuya d!ck and amy acted as the lead hosts...parang sayang lang kasi 'yung effort na i-retitle ang show at lahat ng segments nito if it only ran for two weeks...

nonetheless...kuya d!ck and amy, that was a classic tandem. kuya d!ck always seemed to have good chemistry with the women he co-hosted a show, anyway--like governor vi ("VIP" and "vilma!") and carmi martin ("tonight with d!ck and carmi")...

^^

Blame the antics of RJW, katulad ng pagmumura, and pagboboso.

Up until its cancellation (to give way to Wowowee) on January 2005, MTB (as MTB: Ang Saya Saya), its lead hosts were Ai Ai Delas Alas, Edu Manzano, and the then recently-returned Arnel Ignacio. In addition were Roxanne Guinoo, Joross Gamboa, Archie Alemania (who was shuffling with his several shows on 2 and 23: Digital Tour, Mangarap Ka, and Wazzup Wazzup plus occasional guestings on other shows), and his yet-to-be beau, Mickey Ferriols (whose other current daytime credit that time was "Maid in Heaven"), and Ya Chang.

Ang ayoko lang dito, di nila tinatapos nang maayos iyung show. Cut to the next program at di man alng formally sinasabi na tapos na iyung show for the day. Imbes, laging "Magbabalik pa ang...MTB!" which is still common practice to most if not all live shows aired on 2 and 7.

----

Around 6 years ago, ABS aired a daytime reality show in co-production with Palmolive-Colgate, "Trip Kita". It's hosted by Dominic Ochoa and it serves as a transition between MTB and Dramathon sa Hapon.

I forgot who the contestant were except for one, Martin Jickain.

The show makes use of three theme songs. One is the "Trip" soundtrack performed by Gloc-9 and is used mostly in promo ads for the program.

Another one, a foreign song sang by a woman whom I can't recall the name except its sounds a bit New Wave, is used as a bumper song during commercial breaks.

The one which definitely made a mark 2 years later on MYX was "Let's Get It Started", performed by a then-fast rising singing group named the Black-Eyed Peas. That song is used during the show's opening credits featuring Trip Kita's contestants.

*Fri - X-Men 🙄*

actually, the original "abangan..." was aired monday nights at 9:00(after "regal presents")...hindi ko lang matandaan exactly if the "sequel" to "abangan..." (entitled "eto na ang susunod na kabanata") was the one that was aired sunday nights...

ang "palibhasa lalake" naman, ka-back-to-back ni diamond star 'pag tuesday night--"palibhasa..." was on at 7:00, then maricel at 8:30...

Friday ay Spiderman at Transformers Beast Wars/Beast Machines/Power Rangers. XMen ka-back-to-back niya TNMNT every SUNDAY mornings.

BTW, the original TNMNT was aired again, this time on Studio 23 🇹🇼 Nakakamiss talaga ito hehehe

actually, "x-men" did originally belong to the ABS-CBN friday night line-up, noong bago pa lang ang series na 'to sa philippine tv. hindi ko lang maalala kung ano ang ka-back-to-back nito sa 7-8pm timeslot (i'm not sure if it was "batman: the animated series")...

yeah, tama, that sitcom was on sundays, too...'yung "eto na..." na sequel ng "abangan..." came a couple of years after that show went off the air...pero, 'yun nga, hindi ko rin maalala kung every sunday rin ipinapalabas 'yun noon...😊

may Ewoks pa nga yata yun 🤖

i thought every friday nights yung TMNT, na-alala ko kasi pinapanood ko yun before matulog.

Hmm...Batman: The Animated Series? Monday nights ata to bago siya nilipat sa Studio 23. First episode I watched from this show was when Joker was spreading laughing gas over the whole of Gotham City coming from a garbage truck he was driving.

This one aired sometime either 94 or 95.

Iyun ba iyung cooking show?

Pagkakaalala ko na kasi around 1995 to 96, TMNT was on Sunday mornings. Mauuna muna X-Men sa kanila (kaya madalas di ko naabutan ng buo iyung TMNT).

Speaking of Sunday mornings, may Captain Planet and The Planeteers na ineere rin sa araw ding iyon o di kaya sa Sabado ng umaga sa RPN.

Ang ayaw ko don iyung logo visuals ng DiC noon na may star na lalabas sa isang bintana tapos may lalabas na DIC. may batang magsasalita ng "DiC..."

before studio 23 is started to air, di ba yung mga US cartoons/sitcoms/drama ay dati ito pinalabas sa ABS-CBN

*Excuse me, Ang pumalit diyan sa Kapag may Katwiran, Ipaglaban Mo ay Tabing Ilog, tapos Berks (galing yan sa Sabado), tapos Seasons of LOVE, SCQ Reload at tapos Your Song Presents*

Ipinalabas ba ang Berks sa Linggo? Di ko matandaan! 😞<sup>???</sup>

di ba dati may ginawang TV version ng Jeep ni Erap

yeah...'yung kauna-unahang version ng TMNT, friday nights 'yun at 7pm..."ewoks" pa yata 'yung isa sa mga naging ka-back-to-back noon ng TMNT...palipat-lipat kasi kami noon between 2 and 7 (dahil favorite ko rin noon ang "vilma!") every friday night...

nope...friday nights talaga, back when it was still on ABS--like i said earlier, isa 'yang "batman" series na 'yan sa napakaraming US animated shows na isinalang ng ABS sa 7-8pm slot on fridays. meanwhile, primetime monday on the network had all-local programming for a long time...

except for Highlander though na late na siya pinapalabas tuwing Monday bago magbalita.

### Pera o Bayong Theme Song

played first in MTB before PoB was carried over to Wowowee

together nung "have a good time" ni Sue Thompson, whenever may matatanggal 🤖

Heto iyung mas recognizable na remixed version ni Whigfield

### Baby Boy

nakaka-aliw yung mga questions nuon sa PoB, especially yung "ano ang scientific name?" 🤖

Ok Fine pala yung twing Monday na from Tuesday palit sila ng Bida si... para tapatan yung Kool ka Lang.

Nung nawala yung Kaya ni Mister, Kaya ni Misis. Nagkaron ng sitcom itong si Inay Marya, yung Mary 'D Potter twing sabado. Tapos nung binalik yung Kaya ni Mister, Kaya ni Misis naging Bida si... naaalala ko pa nga yung 1st epi ng Bida, panaginip lang ni Mary yung Mary 'D Potter.

dati favorite ko rin yung Arriba! Arriba! ni Jolina, the best yun nakakatawa talaga tsaka yung Whattamen (Rico-Marvin-Dominic-Aiai) twing Wed!

Attagirl (Jessa Zaragoza, Vanessa del Bianco, Michelle Bayle) yung rip-off ng Sex and the City noon na ka-back-to-back ng Whattamen.

Naka isang season lang ata nun yang Attagirl, pinalitan ng Klasmeyts with Herbert Bautista, Bayani Agbayani, Paolo Contis, Keempee de Leon and Micheal Flores. Tapos naging Klasmeyts, Co-Ed na! dinagdag sina Aiko Melendez, Assunta de Rossi, Tuesday Vargas minus Micheal Flores.

Pinalitan naman ng Yes Yes Show tong Klasmeyts.

yah, tama ka doon sa Bida si Mister...Mary D'Potter noon ay tuwing Linggo pinapalabas. ganda ng twist sa huli, panaginip lang pala siya ni Maricel nung binalik uli Kaya ni Mister...as "Bida si Mister, Bida din si Misis"

IBC 13 ran the series again sometime in the '90s...

nababanggit na rin lang ang original version ng "pera o bayong" sa MTB, naalala ko tuloy  
'yung mala-"the weakest link" na segments nila...

one was "quiz tayo", which, if i remember right, was handled by roderick (or ni rico yan if  
roderick was absent)...pag natatanggal 'yung isang contestant doon, ang catchphrase was  
"TY...tanggal you!" (na hiniritan pa minsan ni cristy fermin noong naging contestant siya  
doon sa segment na 'yun, "thank you girl?" )

another was "sing-alis", which randy santiago hosted..."kaya ikaw, [name of contestant na matatanggal]...alis d'yan!"...tapos nagvo-voice-over pa minsan si john estrada in the background, habang nag-iisip 'yung mga contestants kung sino 'yung tatanggalin nila, "ayon sa aming statistics..." (just like in "the weakest link")...one of MTB's lenten specials even featured that game--it was a comedy entitled "pulis d'yan!", which starred randy, bayani agbayani and bentong...

Naalala ko pa yung tuwing X-MAS Season, may pinalabas silang mga paranormal dun sa MTB

Naalaala ko yung Arriba!Arriba! especially yung kanilang bahay na hiniram nila kay Dr. Aga. At eto pa, may dance craze pa sila noon.

Tapos may "mini-crossover" episode pa nga sa bakod ng All Together Now ng GMA noon starring sina Sandy Andolong at Edgar Mortiz. Hanggang doon, hinahanap pa rin nila iyung anak nila na si Jolina 🇵🇭

***The summer I met Tita Muñoz***

STAR BYTES By Butch Francisco Updated April 18, 2009 12:00 AM

*Photo is loading...*

*Tita Muñoz lent her great talent to theater, radio, film and television.*

*We are now in the peak of summer — when it is at its hottest, at its prickliest. But I try not to complain because I know that — like in many summers past — it will go away when the rains come next month. And this is one summer that will most likely also be forgotten like the rest.*

*People in entertainment are no different from summers. Very few remember them when they leave.*

*It was also at the height of summer when I met Tita Muñoz for the first and last time in 2000. A couple of months prior to that meeting, I got a frantic call from a concerned Rosa Rosal who heard or read somewhere that Tita Muñoz wasn't well and that she kept falling and was all alone in her house. Ms. Rosal wanted to help and asked if I knew how to get in touch with Tita. Sadly, I didn't.*

*Then one day I got an assignment from Startalk to interview Tita Muñoz. We were to visit her at Hospicio de San Jose on the Isla de Convalescencia off Ayala Bridge in Manila.*

*While she wasn't in the pinkest of health and was walking around with a cane, she still tried to stand erect. Coifed and still pretty, she didn't look sick at all. And no, she didn't look pitiable — that much she made sure. Oh, and there was still that unmistakable regal bearing.*

*Since it was only our first meeting, I didn't think I was in the position to ask her why she wasn't with family. She had famous nephews: brothers Carlo and Leandro Muñoz, two very talented actors who were not only popular that time, but were also starting to become the critics' favorites. Unfortunately, they eventually decided to embrace the stateside way of life when they got the opportunity to live in the West Coast.*

*Carlo and Leandro were the kids of her younger brother and she was proud of their achievements. But she didn't want to burden them or anyone else for that matter with her condition.*

*I immediately sensed that Tita Muñoz was the type who wanted her independence and was happy being alone. I didn't think she would have had it any other way. To begin with, she wasn't a charity case even if she was living in Hospicio de San Jose. I think she paid rent (but I didn't confirm that) because she had a room to herself. And it was a pretty room — neat and orderly. She had her own TV set and best of all the room assigned to her was only a few steps away from the chapel where she regularly prayed. Hospicio de San Jose is also a very beautiful community — well-kept and safe. There they let her be. Maybe that was the life she wanted and it wasn't so bad — no, not bad at all. After seeing her, in fact, I was no longer afraid to grow old — even alone.*

*In her youth, Tita Muñoz was celebrated for her beauty. Even Armida Siguion-Reyna had a girl crush on her. Then living in San Juan, Armida recalls that when she was in her teens, she would always look out the window to get a glimpse of Tita Muñoz walk to the Church of Pinaglabanan.*

*In time, Tita started acting on the legitimate stage and eventually became theater royalty. "But Daisy Avellana will always be the First Lady of Philippine Theater" — that she pointed out to me.*

*Tita also became a famous radio talent and from there the transition to film was easy. She played leading lady to some of the more popular actors of the '50s and among them was the late Fred Montilla. Later, she also appeared in foreign films and one of those was *Flight of the Sparrow*. A truly significant film she did in her latter years was Chito Roño's *Itanong Mo sa Buwan*, which was released in December 1988. She was cast as the haughty mother of Anjo Yllana, who played a mama's boy — to the frustration of wife Jaclyn Jose. The film went on to win Best Picture in the Gawad Urian.*

*On television in the '60s, she was also the Queen of Endorsements. But unlike Sharon Cuneta, KC Concepcion and Marian Rivera who would spend a whole day shooting for a commercial and wait for the finished product to be edited and shown on TV, Tita went to the television studio night after night and did the endorsement live during commercial breaks. But she was greatly rewarded for the effort: P75 a night, which was huge in those days when the exchange rate was P4-\$1.*

*Although her body of work wasn't as huge compared to other veteran actresses, she commanded the same respect from the industry. Colleagues were also always concerned with her well-being, especially during the times she was having those series of strokes.*

*Last Black Saturday, April 11, Tita Muñoz died at age 82 due to heart failure.*

*This summer, we mourn the passing of a truly elegant lady — one who lent her great talent to theater, radio, film and television. Yes, we will miss her perfect diction and enunciation. May we never forget this summer.*

Guys, what were Tita Munoz's endorsements?

good news! sa tuesday, may cbs evening news na dun sa q channel 11. Daily at 7:30 am (live via satellite from the u.s.)

Nakakamiss ang Old TV..

Yung mga panahon na sa GMA, pang primetime pa ang cartoons like Dragonball, Pokemon, Voltes V...

At syempre pag hapon...

MOJACKO! My favorite cartoons ever. As in talaga. I prefer it over Doraemon. Syempre sinong di makakalimot sa GOOSEBUMPS? 5:00 pm to, di ba? Pagkatapos ng Gundam Wing...tapos pinalitan nung Savior Wataru? hahaha!

Tapos syempre yung Chow Marco...Chow Marco Chow..hahaha. Ang cute din ng cartoons na yun...

Tapos sa umaga...natatandaan ko yung Takuyaki Mantle Man, Rotten Ralph, Ketsup...

I love GMA's cartoons back then...

Tapos sa ABS naman, daig pa ng mga cartoons din ang mga teleserye. Sina Charlotte, Georgie (bashtush! haha), Remi at syempre my ever favorite na Romeo. Super heartbreaking kasi. At sino di makakalimot kina Sarah at kay Cedie? Ang ganda ng Annie Laurie flute version dito...nakakatouch talaga...

Wala lang I just felt so sentimental while back reading...🇵🇭

Goosebumps every weekday afternoons sa GMA,

BTW, its "Ciao Marco Ciao, Ciao Ciao Marco..." since Ciao is an Italian word for "farewell" 🇵🇭

IYung tagalog theme song ng Charlotte na pinalabas sa QTV noon ba iyun rin iyung tinugtog sa ABS din?

Madalas rin irerun ang Sarah at Cedie

Just realized that many of the animes aired on AXN back in the day are distributed exclusively by Sony, which owns AXN and Animax.

Although there was an existing Animax channel in Japan before expanding worldwide, Sony and ABS-CBN made a blocktime agreement of airing animes and western cartoons (owned and distributed by Sony of course) in one block every Sunday mornings called the "Animax" block. The block has its own opening and closing sequence, both set in a rollercoaster ride which signifies that start and end of the block's duration for the week, respectively.

Some of the animated series aired on these block were:

Astro Boy the US Version

Cyborg 009

Jackie Chan Adventures (was momentarily stopped after its penultimate season when the show was moved to GMA but later moved back to ABS to finish the remainder of the series)

Monkey Typhoon and Samurai X were among the acquisitions from Sony but ended up aired (in English) on Studio 23. A recent Sony acquisition is the currently-airing Blood+ on 23.

Before the creation of Weekend HeroZone, there were two separated cartoon blocks aired on ABS during weekends, one on Saturday and another on Sunday or at least they are not promoted as one common block.

Aired during Saturdays pre-HeroZone:

UFO Baby, Digimon Adventure 2/Season 2, Cardcaptor Sakura (previously on Saturday afternoons), Super Gals, Maria Sama Ga Miteiru(?/Maria is Watching Over Us), Rave, Fruits

Basket, His&Her Circumstances, Totally Spies, at Inuyasha (pre-Hero Zone days when it moved from its weekday slot)

meron pa nga yung make way for noddy 🤖

sa ABS naman yung the Trapp family singers at Mary's secret garden.

Na-alala ko rin yang Remi, the nobody's girl. 🙄

Postman Pat on 23 before moving to TV5

*Before the creation of Weekend HeroZone, there were two separated cartoon blocks aired on ABS during weekends, one on Saturday and another on Sunday or at least they are not promoted as one common block.*

And by the way pala, ano yung pangalan nng cartoon blocks na sinasabi mo diyan

meron pa nga yung make way for noddy 🤖

i found the theme song for that show quite annoying. or maybe, i just totally outgrew children's shows already. 🙄

"Make Way for Noddy (NODDY)!"

Don't forget that other motion-captured cartoons na artista mga tren na may mukha 🙄

yung Thomas the tank engine and friends? 🙄

pinalabas pala dito sa pilipinas yung Fu Pei-mei's Chinese Chooking Show. I-post niyo sa kung ano'ng channel ipinalabas yung Fu Pei-mei's Chinese Chooking Show?

RPN-9 ba yan kapag Sunday mornings?

Sino nga yung host nung Mongolian Barbecue?

si Mr. Shoo-Li ba yun? 😊

tama, si mr. shoo-li, played by jun urbano (who, as himself, was also known for those tide commercials in the '90s)...sidekick naman niya doon si kuhol...

as a kid, doon ko unang napanood si leo martinez sa "mongolian barbecue", with his batangueño accent and all--his character's name was congressman manhik manaog, na may oversized pager na nakasukbit sa coat niya. 📞

RPN tried to revive urbano's "mr. shoo-li" character on TV sometime in the early '00s when they came out with "toksho with mr. shoo-li". pero hindi rin ito nagtagal.

urbano also came out with another mr. shoo-li movie called "M.O.N.A.Y. (misteyks op da nation address yata)" mga 2 or 3 years ago--that's on top of the "mongolian barbecue" movie that came out in the '90s when the TV show was still on the air (kasama ni mr. shoo-li at ni congressman doon sa movie sina eric quizon and jackie lou blanco, if i remember right)...

I heard of him. May pelikula siya na naipalabas a few years ago and he also appeared in a anti-corruption ad campaign last year. Although, bihira ata na magshow iyung the portrayer behind the portrayed.

Siya at iyung dahilan kung bakit amy chichiria tayong Mongolian BBQ na hugis bituin.

Erratum: My apologies to what I've said a few posts ago. The one I mentioned from ABC5/TV5 is still a part of the station. Sorry for the misundersanding 😞

pinalabas ba sa ABS-CBN yung Fu Pei-mei's Chinese Chooking Show?

A bit OT: There's this old music video aired on MYX just now. It's a pinoy boyband named Big Men and was surprised to see Archie Alemania as one of the members. I know he dances, but sings? Rap ata puwede na (na me suot na bonet). The name of the video is "Di Bale Na Lang" aired on Myx Versions. (9:25am)

Ok, Jericho Rosales is singing his own rendition of Di Bale Na Lang 😊

Speaking of Di Bale Na Lang, heto iyung isa sa awit na spin-oof noon nang ISPUP. One of the guys doing the skit was parodying Michael Jackson while two "ladies" wearing shades are backing him up

*Edit: Maling song. It's not "Di Bale Na Lang" na pinarody sa Ispup kungdi "Di Na Bale" or something similar. "Di Bale Na Lang was an original from Gary V. My bad 🙄"*

Vintage audio clip from ABS-CBN's 1989 Sign Off Sequence found on [Youtube](#).

ang galing pala mag news sa english si erwin tulfo kaysa sa tagalog. Ano'ng masasabi niyo mga PEXers

sa pagkakatatanda ko, big men was originally a dance group, a regular on ASAP...looks like they ventured into singing too, kung gano'n (just like the UMD back in the day)...

MATANONG SA PAGKAKAALALA KO WOK WITH YAN ANG CHINESSE COOKING SHOW NA IPINALABAS SA ABSCBN

CHINESE KAYA WALANG MAINTINDIHAN ANG PINOY NA DI MARUNONG MAG CHINESE

sino ang nakaka-remember ng Buddy En Sol? 😊

wala bang reunion project sina Eric Quizon at Redford White? 🇹🇼

channel 9 ang buddy en sol..matanda na si redford white at si eric quizon nagladlad na sa hongkong sabi ng kaibigan ko dun..

And yeah, Mr. Shooli has another talk show again sa Zoe-33. I don't know if that show still airs.

DZOZ TV-33 is currently off the air based I what I see from its channel assignment on our cable.

It used to have UniversiTV but that the guys running the content became a cable-only channel, leaving DZOZ completely

ito, from nearly 20 years ago...ang grand coronation day ng kauna-unahang "beautiful girl" search ng "eat bulaga!" back in 1990, live from ABS-CBN's studio 2 (where EB aired from during its first couple of years on the network), sponsored by finale! shampoo...ang may-ari ng account where these clips were posted? ang mismong kauna-unahang "beautiful girl" ng EB...

kumpleto ang "dabarkads" roster at that time for this occasion--TVJ, coney reyes (loved her hairdo in these clips) and aiza segueria (na hanggang bewang pa lang ni tito sen ang height noon 🤔), with the special participation of a new face back then by the name of plinky recto (mala-"pageant anchorwoman" ang kanyang duties noon for this "beautiful girl" coronation)...

afaik, every saturday morning yan.

yung stage nila ay sa groundfloor ng farmer's plaza sa cubao yata?

it's basically an entertainment, game and story-telling show for children.

*ano yung summer 2000 SID nila?*

*'yung "umulan, umaraw, magkasama tayo" was done that same year, 'di ba?*

Yes. Heto na iyung naabutan ko nung nadito na ako sa Pilipinas. Nagkaroon nga ito ng parody version sa ISPUP bilang opening skit nila 😊

Grabeh iyung si Dolphy hehehe. Ang nakakatakot lang ay iyung mga payong sa huling scene 🤔

Carol Banawa sang the Christmas SID. And yes, that was in 2002. They re-aired the SID sometime around Christmas 2004 or Christmas 2005 in honor of FPJ who last appeared in the one made in 2002.

That was, I guess in 2004.

Dianne Dela Fuente yata ang kumanta.

Pepman: Baka nga kasi mga November or late October 2004 siya namatay, about 4-5 months after he lost in the presidential elections (personally, I don't want him to be president for the right reasons. It's kind of obvious that he's being used as a political tool. But enough of that since nangyari na yon noon pa at di na mauulit pa)

I'm pretty sure it's Carol Banawa. She has that signature "church choir" voice that she previously showcased in "Tanging Yaman" and "Bituin"

ABS-CBN 2002 CHRISTMAS STATION ID

pero Im sure it's DIANE DELA FUENTE  Listen...

PARA SAYO BAYANI - DDF

speaking of carol and dianne...

I remember kung paano ginawang kapalit ni Wenn Deramas si Dianne Dela Fuente sa role ni carol banawa sa soap na SA DULO NG WALANG HANGGAN.

Eto yata yung time na hindi na pwede si carol dahil isa siya sa mga bida nung teleseryeng kasama yung adik adik daw na si Nora Aunor 

yes Dianne dela Fuente sang the Christmas 2002 SID. Im sure with this. pareho kasi sila ng voice. pero I prefer the "aneglic" voice of Carol Banawa..sayang nga hindi na sya active sa singing..

Bituin was the teleserye of Nora and carol. the only teleserye with No-guns, no-goons, no-gold in the story..

Let's listen it clearly:

Good thing trollers are not here.

I think the singer is **REALLY** Carol Banawa.

si diane dela fuente yan.

In the States, recasting roles are common practice but are rarely done here unless there are valid explanations like having to undergo plastic surgery or something.

Like in the case of Jodi Sta. Maria's maternal leave from Kampanerang Kuba. Her role was recast to Desiree del Valle. For a few weeks, Veronica (Jodi's character) was faceless (used as a plot device for Jodi to leave the show) before she was reincorporated into the main series storyline once Desiree's take over of Jodi's role took hold as Veronica #2. (baka mali ako sa name ng character, so paki-korek na lang)

100% sure, its Dianne dela Fuente parekoy...

The networks should really put into consideration of putting lighter soaps like Bituin (lighter in the sense that it has none of what you've already mentioned 🇹🇼).

I heard that ABS is putting such a soap around next month. I think it's the canned Anne Curtis soap opera so I'm hoping that all (r at least most) of the traditional teleserye-fare aren't present in that show.

agree, sir...

they should offer now feel-good teleserye..May bukas pa is a good one but still it conveys bad attitudes from one of its cast members...

No idea about KK. 🇹🇼 pero yea minsan lang gawin yan dito sa Pinas. Kalimitan pinapatay na lang ang character at pinapalitan ng iba... andami niyan sa mga soaps natin

Haha, speaking of Bituin, who can ever remember this classic Station ID?

si maestro ryan cayabyab yata ang gumawa ng background music ng station id na yan? tama ba? o iba yun? 🇹🇼

Kung sino mang 3danim artist ang responsable sa paglagay niya ng pilipinas sa Caribbean ay bagsak siguro sa Hekasi niya nung bata! 😊

And i hate the network warriors who would often use this mistake for their wartime efforts so as to feed their hunger to throw grenades at each other. 🤬

Moving on...

dianne dela fuente and carol banawa's voices sound pretty similar, kaya medyo too close to call...

noong una kong napanood 'to back in '02, i was sure kung sino sa dalawa 'yung kumanta ng theme song. but now, i couldn't even remember. 🤔

who remembers the game show **\$1,000,000 chance of a lifetime?**

every Sunday afternoon at 4PM sa RPN9 bago mag-dragon ball. 🤔

inaabangan ko yan dati.

'yung napakalaking computer, and the dreaded stinger. and that elusive \$1M prize.

plus the encarnacion bechaves flower shop and RA homevision ads every commercial gap. 🤔

(the late frankie "ka kiko" evangelista voiced that RA homevision ad, by the way...)

haha... the infamous **stinger** 🤔

na-alala mo pa yung encarnacion bechavez na flower shop commercial 🤔

RA homevision? yung home video rental?

yeah the 1M is so evasive... the bonus round is so fast 🤔🔑🤔

i wonder bakit pa kailangan pa nilang pumasok sa isolation booth na yun 🤔🔑🤔

*Aint that the foreign game show na mala-Wheel of Fortune with all its word puzzles and big white buttons?*

yah that's the one... ang mga players nila ay husband and wife.

Nagulat ako noon na one Sunday, RPN didn't air \$1,000,000 chance of a Lifetime. I thought they were preempting it for the week so I waited til the next week kung nandun uli sila. Unfortunately, iyun nga, di na siya binalik (Assuming it was already canceled in its home base).

Kamustahin natin si Bojo Molina. Ano na nga ba ang ginagawa niya ngayon doon sa Guam?

*haha... the infamous **stinger** 🤔*

*na-alala mo pa yung encarnacion bechavez na flower shop commercial 🌸*

*RA homevision? yung home video rental?*

*yeah the 1M is so evasive... the bonus round is so fast 🤔🔑🌸*

*i wonder bakit pa kailangan pa nilang pumasok sa isolation booth na yun 🤔🔑*

*oo, e sobrang dalas mag-advertise no'n sa show, paanong hindi, 'di ba? 🤔*

and yes, RA homevision, video rental indeed...VHS at betamax pa lang noong araw...

kaya kailangang nasa iso booth sila, siguro, para hindi sila ma-distract ng audience...kasi, siyempre, sa sobrang pagka-high stakes ng jackpot round, mae-excite talaga sila at mapapasigaw...'tsaka siguro para iwas-coaching na rin...

*i bojo molina ba ang ex ni rica peralejo at mylene dizon?*

sa Gimik universe or in real life?

Not much of a fan for Gimik but I do remember that Bojo both had past romantic relationships with the two gals.

Fast forward....Rica's still single and Mylene just gave birth (i think) to her second child with Paolo Paraiso

Voltez V, Daimos, Voltron, Ultraman series, Megaman, Poseidon and National Geographic during Saturdays sa ABS....

*(the late frankie "ka kiko" evangelista voiced that RA homevision ad, by the way...)*

natatakot ako sa commercial nyan dati, yan yung may nakakatakot na kamay ( kay ET yata yun) na may pinipindot. 🧑🏻👉🏻👉🏻

ayoko iyung graphics ng video rental commercial mismo. Ineere rin iyun tuwing linggo ng hapon.

Mukhang outdated kahit nung 90's pa siya ineere noon

sir, bigyan niyo nga ako ng description ng teledyaryo ng bayan kasi isusulat ko to sa wikipedia

~~~~~

and speaking of ra homevision, tuwing linggo ng hapon ba saan programa ineere yon

sino na nga yung artista na gumanap sa series na roberta ba yun. sa channel 13 ata yun .. parang Morato ata surname. cant remember. Hmm

*si bojo molina ba ang ex ni rica peralejo at mylene dizon?*

bojo and rica were an item in real life but bojo and mylene were the loveteam in "gimik". bojo is now in guam, married with 2 kids.

*ayoko iyung graphics ng video rental commercial mismo. Ineere rin iyun tuwing linggo ng hapon.*

*Mukhang outdated kahit nung 90's pa siya ineere noon*

yeah, it's kinda creepy...

may clip pa nga yun ng "smurfs" 🧊

SMURFS, seriously? 😊

Parang mala-horror movie iyung 3d effects ng mga vhs tapes na pinakita. EEE!

yah, i recall na may pinakita silang clip for every genre... at smurfs yata for animation 🤖

still on business pa ba yang RA homevision?

may gumagamit pa ba ng betamax ngayon? 😊

Doubt it pero one thing's for sure...

Buhay pa **JRS Express**. Ang sponsor palagi ng Balitang Balita ng ABC-5.

I remember that brand, sponsor rin yan ng The Probe Team. And yeah, yung TV ad nila is still airing. And their jingle, na ma 1990'sish still exists, I even heard that in a radio station a few months ago.

### **JRS EXPRESSSS!!!**

'yung ad na laging ginagamit ng "the probe team" noon (especially when it was still airing on GMA), naaaaaapakaluma na, as in late '80s or early '90s luma. si jimmy gil (host ng "jimmy gil live" sa DZBB) pa yata 'yung voice-over no'n, if i remember right...una ko pa yatang napanood 'yun sa "GMA balita"--way back noong buhay pa si helen vela (who co-anchored that newscast)...

pepman: you could still hear the JRS Express commercial aired in RJ 100.

Hanggang ngayon, nasa Probe pa rin yun. BTW, who remembers Che-Vital?

ask ko lang nasaan na si cheri mercado?

Nasa TV5, The Evening News, M-F 11pm. Ayan ha, plug na yan.

She's been in ABC-5/TV5's news division since on or before 2004. One of her first TV work in ABC was the revamped and Tagalized Big News.

Sa mga nanonood noon ng Golden Girls, here's some unfortunate news

### **Golden Girl Bea Arthur Dies at 86**

[http://static.tvguide.com/MediaBin/Content/090420/News/Todays\\_News\\_Our\\_Take/6\\_sat/090425bea1.jpg](http://static.tvguide.com/MediaBin/Content/090420/News/Todays_News_Our_Take/6_sat/090425bea1.jpg)

Beatrice Arthur, the star of the hit shows Maude and The Golden Girls, died Saturday at age 86.

Arthur died peacefully at her Los Angeles home early Saturday with her family at her side, a family spokesperson tells the Associated Press. The actress, who had cancer, would have

turned 87 on May 13.

Arthur first portrayed the outspoken and liberal Maude Finley in the Norman Lear comedy series *All in the Family*. So much did she impress CBS executives that they soon fast-tracked Maude, a spin-off for her brassy character.

Maude debuted in 1972; Arthur won an Emmy for the role five years later. During the show's run, Maude famously underwent an abortion, creating a firestorm of controversy and making the character a symbol of the feminist movement.

In 1985, seven years after Maude signed off, Arthur resurfaced as one of the *Golden Girls* in an NBC comedy that would go on to earn 10 Emmys, including two for best comedy series and individual kudos for Arthur and costars Estelle Getty (who passed away last July), Betty White and Rue McClanahan.

Arthur's accolades also include a Tony Award in 1966, for her portrayal of Vera Charles opposite Angela Lansbury's Mame.

nakita ko diyan sa probe dun sa channel 2, wala namang jrs express na sponsor dun ha

And speaking nga pala sa Che-Vital, nakita do din sa Q Channel 11 dati. nakita ko pinalabas ulit

ABS-CBN's Zorro

*hulaan nyo tong ad na 'to pinapalabas sya during mga movies sa ABC 5 or sa eat bulaga*

from the makers of family rubbing alcohol, dragon keh-towl, and family toothpaste ("mother, father, brother, sister, how do you brush your teeth?"). 🤪

*Caronina...Caronina...and the song goes on for this jingle of a nail-coloring product.*

*There's another one. Sa AXN madalas pinaplay ito (thanks in part by SkyCable/SunCable would squeezed in a couple of local commercials on that channel): A living hand-drawn woman opens the door of a room where she goes in. She takes out a Caronina (?) nail-polish*

*and starts using it on her nails. Starting from her fingers, she became solidly real. Then the scenes cuts to the image of the nail polish product and the focused image of the product's name. I'm sure this was Caronina (or Caronia). Tagal na rin nito* 🇵🇭

yung babaeng caricature na nagiging tao is Caress nail polish not Caronia 🇵🇭

anyway, speaking of Caronia... may nakita akong video sa YT ng commercial nito... yung may 4 na babaeng sumasayaw with huge manicure bottles sa background 🇵🇭

^LOL...I've seen 30-second versions of this TVC last year. Tinuloy pa rin dapat nila ito 🇵🇭

That TVC got a lot of "oomph"s of energy 🇵🇭

pagkakatanda ko nga, may lydia's lechon at dakak ads pa rin akong napapanood sa EB around two years ago--usually, during the last commercial gap na (before GMA switches to "daisy siete").

'yung platinum plans naman, laging sponsor din ng ilang mga contest sa EB like "teevee babe", "little miss philippines" and "that's my boy"...

naaalala ko rin 'yung dahlia soap na 'yan...isa 'yun sa mga dala-dalang ads ng EB from their RPN broadcast when they moved to ABS...kasama rin 'yung arthur's tailoring ("accepts made-to-order pants and barong finished within 6 hours...").

meron din no'ng restaurant na alavar's seafood house, 'tsaka 'yung short-lived na "salad station" na pag-aari yata ni helen gamboa...

'yung mga GMA variety shows naman noon, within the show 'yung napakaraming casual plugging ng mga products...or, as kuya germs always called it, "mag-donors muna tayo!"...

sayang! di ko naabutan yung dahlia soap heheh.... 90's din ba yung ad na yan or 80s? ang naabutan kong ad (i forgot to list down) yung **CY gabriel soap** heheheh..... naging sponsors din ata ng contests ng eat bulaga like mr. pogi, little miss tsaka that's my boy yung renoma shoes right?

another commercial memories:

*yung green cross products na palaging commercial gap ng mga old school na chinese shows sa channel 2*

- ano ang sikreto ni \_\_\_\_\_ (forgot his name)? green cross liniment
- green cross baby cologne and baby oil
- green cross products na ang last line ay "because you care"

*'yung mga GMA variety shows naman noon, within the show 'yung napakaraming casual plugging ng mga products...or, **as kuya germs always called it, "mag-donors muna tayo!"**...* 🇵🇭

Kay Kuya Germs din yata yung namimigay ng products sa mga guests in lieu of a talent fee. I clearly remember cans of Birch Tree being given to guests. 😊

darnas\_daughter: nakita ko sa youtube yung lumang green cross cologne na sinasabi mo pinalabas dati dun sa chinese shows sa channel 2

please paki bigay sa akin yung link sa youtube

hanggang ngayon, sa "walang tulugan", ginagawa niya pa rin 'yun. 🇵🇭

i found some old clips of menudo and their visits to the philippines on youtube...may isang

clip doon from "GMA supershow", ang mga regalo ni kuya germs sa kanila, mga relo, nissin biscuits, tapos some stuff from nayong pilipino and fairmart...🇵🇭

ayusin ang post.

Nagkaroon ng di pagkakaunawaan ang VIVA at GMA. Kaya nilipat ng VIVA ang halos lahat ng talents nito sa ABS. 😊

mabuti na lang at nalipat sila sarah, anne curtis, mark bautista, at rachell ann go sa abs-cbn.

kung hindi..unknown pa din sila hanggang ngayon..

*sayang! di ko naabutan yung dahlia soap heheh.... 90's din ba yung ad na yan or 80s? ang naabutan kong ad (i forgot to list down) yung **CY gabriel soap** heheheh..... "*

oo nga noh! CY GABRIEL i wonder kung meron pa bang ganito hangang ngayon?

kinocomemrcial ba noon Heno de Prava?

mukhang meron pa niyan 😊

pero ang lifebuoy wala na...

May Lifebuoy di ba na may commercial pa yun 2 years ago. Whatever happened to that product? di nakayana malamng iyung competition ng ibang jabon gaya ng Safeguard.

Speaking of Safeguard, isa sa di ko malilimutang commercials non ay iyung may camping trip ang 2 pamilya. May kani-kaniyang lodge at nagkataon na bawat pamilya ay may dalang isang sabon lamang. Iyung isa Brand X, ang isa pa ay Safeguard. Sa loob ng isang linggo, buo pa rin ang Safeguard kahit ilang beses na siya ginamit pero ang Brand X, tunaw na't kapinggot na lang ang kanyang nalalabi.

i think lumipat na kasi ang base company nila to Indonesia or Malaysia ba yun... 🤔

Lifebuoy? Diba na-re-released yun between 2001-2002?

Sinong nakatatanda sa Advan shoes? Naalaala ko ito, my father even had a pair of this. And yeah, sponsor ito ng Kwartang Kahon.

naalala ko yang advan shoes..yes, commercial sa kwarta o kahon ni pepe pimentel..dun nadiscover si marissa sanchez di ba..

don't forget promac karaoke (as endorsed back then by pops fernandez). 'tsaka 'yung yakult (and their "roleta ng kapalaran"), siyempre. 😊

Ay oo, Hiyas nga hindi Likas 😊 basta gulat ako meron din dung metrosexual guy na may testimonial din tungkol sa paggamit niya ng Hiyas. Parang ganito:

"Nung nakita nga ako ng barkada ko nagulat sila at tinanong 'Uy, pare..Puti mo ata ngayon, ah?', ang sabi ko 'Hiyas Papaya Soap lang yan'" ...or something like that. 😊

May kasabay pa ngang jingle na naririnig ko lagi sa background na parang..."Kagandahan mo...Kagandahaaaaaan!"

*lumalayo ang topic dapat ang mga comml thread sa oldest comml you remember....*

*ang discussions dito ay mga tv shows noong dekada 70 80 at 90 pede na rin early 2000*  
being the thread-starter, i beg to disagree.

kasi 'yang mga commercials na 'yan, bahagi rin naman 'yan ng "viewing experience" ng telebisyonang pinoy, eh. kesehodang mainis pa tayo't ini-interrupt nila 'yung mga programang pinapanood natin.

and besides, no commercials means no money for the networks that give us these programs we always remember.

okay, tuloy ang kuwentuhan. 😊

*every Sundays yung lovingly yours, Helen noh? ang naabutan ko lang ay yung si Princess Punzalan na ang presenter* 🇵🇭

yup, sundays after "GMA supershow" (2 or 2:30pm)...

princess punzalan took over as host for a while after her mom died in '92. pero eventually, siya yata 'yung naging lead actress ng mga featured stories nila--by that time, si boots anson-roa na 'yung pumalit bilang host until the show was finally taken off the air.

princess even had her own life story dramatized on the show at one point...naaalala ko 'yun dahil noong pino-promote 'yun as an upcoming episode, 'yung "sana'y wala nang wakas" ang ginamit nilang "theme song" of sorts...

The 700 Club was aired before on GMA 7. Weekday mornings and Weeknights, right after Public affairs program and Saturday, after GMA Network News and on Sunday, 7:30 am to 8:30 am and right after GMA Network News. When GMA reformatted as kapuso, The 700 Club was moved to ABS-CBN. Although, The 700 Club has an Asian version called The 700 Club Asia, was aired on ABS-CBN and Studio 23 and currently airs on Q Channel 11

^^

*i don't recall "the 700 club" being aired on ABS-CBN 🙄*

yes, it was, for a while...siguro mga 2 or 3 years din--right after the public affairs shows--before it transferred to QTV. 😊

'yung "700 club" sa GMA, natatandaan ko, every weekday, meron sa hapon (around 3:00pm), tapos meron uli sa late-night (after the public affairs shows din)...eventually, though, the afternoon broadcast would be scrapped (in favor of more entertainment shows)...

*yes, it was, for a while...siguro mga 2 or 3 years din--right after the public affairs shows--before it transferred to QTV.*

While 700 club transferred to QTV, ABS-CBN late night shows (after public affairs programs) replaced by Endemol-produced PBB Uplate (later transferred to afternoon as PBB Uber) and Games Uplate Live (GUL is still currently air until now)

meron pang "dina" sa ABS-CBN (if i'm not mistaken, this was the sitcom kung saan ang unang sumikat 'yung "i love you three times a day!" ni jimmy santos).

'yung sitcom na kasama si jeric raval was "barangay U.S. (unang sigaw)", aired on RPN...naron din sa sitcom na 'yan si willie revillame, who would eventually be her co-host on "actually, 'yun na!" (also on RPN--they took over from original hosts kris aquino and arnell ignacio).

speaking of RPN, naging bida rin siya sa isa pang sitcom ("mommy ko si tita"), and a mini-series ("boracay") on the same network...

Liwanagin Natin was a show on DZEC and simulcast on Net 25 every morning, right before Con Todos Recados. May evening edition pa eto eh, right before Net 25 World Report. I wonder if Linawagin Natin still airs on DZEC until now.

tama! mga '70s or '80s pa yata 'yun. 😊

ay hindi ko pa yan naabutan 🙄

diba back-to-back din siya nung mid-90s?

700 Club used to air Sunday mornings in GMA before giving way to Disney Adventures (?) prior to its move to ABS late nights.

-----

NBN and ZOE-TV used to share a common travel/lifestyle block called ISLA. One thing I like about this was the block's opening visuals: a dragonfly flying over a sea of water. Momentarily touching it, the drop of water comes out and forms the letters I-S-L-A 🏠

Which leads me to Living Asia Channel's predecessor, Lakbay TV. Whatever happened to that channel, anyway? That was the first time I saw Rovilson Hernandez with his head still covered with hair while traveling the different spots found along the LRT (one memorable episode was during his visit in Blumentritt)

*Nabuntis Si Janice At 17 Kay Aga Muhlach ..sabi Nya God Was With Us When We Did It,*  
that janice quote reportedly got the ire of Jaime Cardinal Sin (RIP).

Sabi ko na nga eh, 700 Club also airs on Sunday morning at 7:30 am on GMA right before Word of Hope in the 90s and Disney Adventures in early 2000s.

ERIK SANTOS -- GINAGAYA SI MARK , CHRISTIAN AND SAM

Naiinis ako noon sa commercial ng Bantay Bata 163...mga 10 years ago na rin nung una siyang pinalabas:

May bata na pinapalo ng tatay niya. Masakit siyempre pero violence against children na iyung ginagawa ng tatay. May nagmalasakit na kapitbahay kaya ibig niyang tulungan sa pamamagitan ng pagtawag ng 1)pulis, 2)kapitbahay, 3)sinong maaring hingan ng tulong. Pero huli na siya nung mukhang napahamak ng todo-todo ang kawawang bata.

Ang focus ng commercial ay gawing alternatibo ang Bantay Bata hotline sa linya ng pulis et al. Bukod sa mabilis makokonekta ang caller sa receiving end ng tawag, mas mabibigyan daw ng agarang aksyon laban sa tatay na abuser.

Pero imo, puwede na sana ang gawin ng ale ay ganito: 1)kunin na niya iyung bata at tumakas mula sa tatay, 2) o di kaya sumigaw at humingi ng tulong sa mga kapitbahay.

Tatawag tawag pa eh di niya inisip na may ibang paraan para matulungan iyung bata na mas mabilis kaysa i proseso pa sa Bantay Bata

*sino nakakaalala ng **VOTE 4 ME** campaign ng **ABS-CBN** last **2002** election?*

*yung sa last part nung ad na yan nagsalita yung batang girl ng "**Isipin niyo po ako ha, sa Boto niyo!**"*

ang naaalala ko lang eh yung...

**"BOTO MO, KINABUKASAN KO."**

sino nakakaalala ng **VOTE KO TO** campaign?

that wasn't in 2002, but in 2004--and i remember that very well kasi nagpa-practicum ako noong panahon ng eleksyong 'yan.

anyway...yeah, 'yang ABS-CBN "vote for me" campaign, ginaya halos ng isang kandidatong kumalaban kay vilma santos sa pagka-mayor noon ng lipa city (where i lived and was a registered voter noong nasa pilipinas pa ako), si ruben umali--who was a former long-time mayor of the city...he used almost the same theme, down to even using children's faces too (hindi ko lang maalala 'yung exact words na ginamit, basta similar sa tagline na "vote for me") as part of his campaign. madalas ko itong napanood noon sa community channel ng cable service namin doon sa lipa...

but still, ate vi won another term that year (her last as mayor).

**"BMKK"** yung may plug ang ABS-CBN na may susuportahan na sila sa eleksyon. Madami daming artista ang hindi nanalo dahil sa campaign na yan 😊

ang nakakatawa marami ang nagakala na pulitiko ang susuportahan ng ABS-CBN, nung araw na nireveal na ang billboard na niyan, 30 minutes before, naglabas ang GMA ng isang plug na ang media ay dapat hindi nagpapadala sa pera at sa impluwensiya ng mga pulitiko.

Politics kills the crap out of our nation. Hala, ganitong ka-aga pa lang, nagpaparamdam na iyung mga polocoliticos na me intensyon na tumakbo nang mataas na posisyon o di kaya manatili pa rin sa kanilang posisyon at kapangyarihan.

Back when Mar Roxas was running for senator back in 2004, I believe he was DAR secretary. He made his presence felt with his political ad with him wearing his signature blue polo outfit and making gestures with the people working inside a local marketplace.

He somehow made his strategy worked with his constant exposures via TV (Mars and Korina Sanchez became an item before na-reveal na sila na nga during her Morning Girls days) and just as he announced his intensyon of running at the Upper House of Congress, his political campaign ad began circulating.

It's almost the same structure with his pre-campaign commercial, complete with his cast of characters intact. Added with the catchy tune in the form of Mr Suabe...he caught the attention of the voting public and made his way to the political arena that he's in at present.

^^ well this time Mar can save millions of pesos. Pag kinasal sila ni Korina libreng publicity. Hindi na kailangan ng minu minutong pol.ads

in fairness ginagamit ng husto ang "HUMAN" resources.

At talagang tinaymingan ang pagkakataon >😞

Ditto with his Mr. Palengke factor, and yeah, prior to becoming a Senator, he was the DTI secretary, I even remember may plug siya when he was still with DTI, aired between 2002-2003.

And who remembers this theme song?

<http://www.imeem.com/people/XKAz-z /...sh-tv-atin-to/>

Haha, this show was really my favorite, I'll always remember following their episodes. And this show was just a one-hit wonder, na pagkaganda-ganda ng show, tapos biglang mawawala early last year. Nalungkot tuloy ako. And yeah, dito na-discover si later-Ateneo reporter Kamae De Jesus, and notable sex expert and DJ Sam Gogna a.k.a Sam YG.

^ganda nga ng concept ng Rush TV, a daily youth variety show created by the youth to the youth and for the youth.

Never got to ask Leo Katigbak why they scrapped the show but I figured the possibility of a lack of advertising support apart from sure sponsors like Globe and that female facial wash product.

Like ko doon almost all the segments of the show: Urban Ubas (siempre CSB!), Sam YG's, Lea Guerrero's You Ought to Know (She was in the Tide "Dami" commercial), Dino Imperial's, as well as some of the segments produced by the students of the participating schools (TUP, UP, CSB, FEU and DLSU are my faves).

*Miss ko na iyung 3pm Prayer ng ABS pre-2001/2002 hehehe kahit nakakatakot siya in a way.*

*The current 3pm Prayer has been airing in ABS for almost seven years already 😊*

That prayer plug is still seen in some government networks. Nakakatakot talaga

Nostalgia talaga hehehe...Even the creepy voice over, miss ko na rin pakinggan complete with the chanting devotees.

Nagsasagutan pa rin ba ang grupo ng Ang Dating Daan at Bagong Daan?

Pretty much, yeah.

May natandaan lang ako, nung mga late 90's siguro, may isang cooking show ang PTV-4, which sponsor is Lorrin's Patis. Ang host nun? Pinky Marquez, the mother of Karel. I remember this show was aired every Sunday morning. I can't exactly remember the title pero naalala ko siya because of that.

Tapos may isang show naman, Sundays rin sa PTV-4, pero afternoons, tungkol sa mga bata playing sports, di rin maalaala yung title, pero may segment ang Milo doon.

i do remember pinky marquez having her own cooking show..."lutong bahay" yata 'yung title no'n.

around that same time, mga late '90s 'yun, lani mercado also had her own lifestyle show called "lani's home ideas" (na naging "better home ideas", and was later taken over by manilyn reynes--who, incidentally, would be lani's co-host later on the now-defunct talk show "moms")...

Miss ko na iyung Net 25 Report na dati inere sa Net 25.

Net 25 Report was later replaced by Newsbeat and later, I-Balita.

*sino ang nakaka-alala sa lahat ng segments sa defunct ABS-CBN Sunday gameshow na "Ready, Get Set, Go"... hosted by Maila Gumila and Patrick Guzman? 🇹🇼*

'yung natatandaan ko na lang doon, 'yung "pera-mid"...tapos may ginawa rin silang maraming games (one that i remember is "dr. quack-quack") na ipinagsama-sama sa iisang segment lang--parang "100-in-1" sa brick game ba?

don't forget eric quizon--siya 'yung parang "lead host" nila d'yan. tapos nand'yan din si eagle (riggs), plus resident rapper michael v. (kaka-hit pa lang noon ng kanyang "maganda ang piliin")...

Speaking of Michael V, sa kanya ba nanggaling iyung linyang "Kailangan pa bang i-memorize 'yan?" na ginamit niya sa isang skit noon sa Bubble Gang o galing siya talaga sa Love Radio?

sino nakaka-alala sa Net 25 World Report?

^i-dagdag ko din, 'yung sa Net25 MTV?

it aired from 2000-2003 at ang timeslot nun eh 2 to 5pm, Mon-Sun.

Mga boybands, britney spears, christina aguilera, etc. mga madalas pin-play dun eh.

Sa ibaba naman, text messages ng mga viewers saying about their fave artists\songs. 📱😊

During that time, kami pag hapon na talagang naka-tune in na sa net25 tapos hihintayin namin kung

ano mga susunod na patugtugin. 🎵

naaalala ko na lang yung **BINGO GAME** nila.

GAME NA, GAME NA.. hosted by Roderick Paulate, Panjee Gonzales and Ogie Alcasid..3 games yun in 1 show.

every Saturday yun ng 4pm..nawala sila sa ere nung nilabas ng GMA ang TGIS (angele, bobby, raven, red, onemig, etc) ..napalitan sila ng GIMIK (juday, rico, diet, mylene, g toengi, )

TGiS served as GMA's Saturday afternoon pre-programming to "Saturday Entertainment" of Kuya Germs and his wards from "That's Entertainment". It originally aired from 3:30-4:30 pm. The first season was well-followed despite the lack of publicity prior to the pilot episode, less commercial load and fresh-faced commercial models and showbiz aspirants backing up Angelu de Leon.

Then during the second season, TGiS created a noise in the showbiz industry. Bobby Andrews, Red Sternberg, Michael Flores, Raven Villanueva and new addition Onemig Bondoc had their own legions of fans around the country. Their first movie together, "Takot ka ba sa Dilim" was a phenomenal hit at the box office. Enough for ABS-CBN to pull the plug on its Saturday game show "Game na Game Na" and put in a clone in "Gimik" that starred Judy Ann Santos, Rico Yan, Diether Ocampo, G Toengi and Patrick Garcia, among others.

GMA and Viva's gambit to move the original TGiS gang to primetime via "Growing Up" in 1997 proved to be successful as well. However, frequent casting changes in the show took its toll on the show itself in 1998. We have seen Raven Villanueva took a leave of absence when she eloped with Gimik's Diego Castro (who later made ober da bakod to "Growing Up"), Rica Peralejo switching loyalties from GMA to ABS to join "Gimik", Donna Cruz leaving "Growing Up"'s first season to tie the knot with Dr. Yong Larrazabal of Cebu. Heck, even Angelu de Leon had to leave the show as well due to her pregnancy thanks to no-good action star Joko Diaz! I remember feeling sad when TV talk shows and newspapers bannered Angelu's date with the stork, to think that she was GMA's best bet among female young stars that can compete against Claudine Barretto and Judy Ann Santos. But oh well, that's life....

TGiS' second batch didn't do bad either. Dingdong Dantes, Polo Ravales, Antoinette Taus,

Sunshine Dizon, Kim delos Santos, Dino Guevarra had their own following. Like their "ates and kuyas" in the first batch of TGiS, they were doomed to fail in showbusiness at the start when most of the 90s generation were dominated by mostly ABS stars. But fast forward today in 2009, Dingdong is now one of the hottest leading men, Polo is doing well in lead and character roles, ditto with former love team Sunshine Dizon.

TGiS' first batch is still around, but doing mostly supporting roles. Angelu, Bobby, Mike Flores, Ciara Sotto are still around. Onemig Bondoc left showbusiness in 2004 after fulfilling his 5 year contract in GMA's rival network ABS-CBN to attend to his family business. Rica Peralejo is now host of "Umagang Kay Ganda". Red Sternberg I heard, holds a very high position in a call center somewhere in Cebu since leaving showbusiness for good. The most successful alumni of both "TGiS" and "Growing Up" are none other than their directors, Dominic Zapata and Mark Reyes. Both Direk Dom and Direk Mark are now considered as GMA's golden boys after they helmed successful telefantasyas that catapulted GMA to primetime supremacy since 2004.

Sinu-sino mga artists sa Show na yan? Yeah i just used to remember it which aired also at abc-5.

Growing Up!

ANGELU DE LEON  
BOBBY ANDREWS  
ONEMIG BONDOC  
MICHAEL FLORES  
RAVEN VILLANUEVA  
RED STERNBERG

Rica Peralejo was also there for a few episodes before transferring to ABS, Donna Cruz, Bernadette Allyson, Lindsay Custodio and during the show's last few months, Ciara Sotto and Ryan Eigenmann was included

Text'n'Go (pakorek ng title ng show kung mali)hosted by Michael V aired after Frontpage/Saksi. It's ringtone theme sounds similar to that of Game K N B? (Then hosted by Kris Aquino) although the mechanics of each show are far different. They were both competing against the already failing Who Wants to Be a Millionaire from IBC-13.

*Teka, ano nga yung parang mala-MTV show noon sa RPN 9 na ineere sa gabi, basta gabi, naaalala ko dati may album cover image na nakalagay doon kapag may video. Ang title ng show na ito (this was aired in the late 90's) was VMZ or VMT, whatsoever, basta may M at V.*

Meron din silang noon tuwing Sunday ng hapon mga 30mins or 1hour lang ata ang tagal.

naaalala ko lang yung **SMART KNB?** obviously ng **SMART** ni **KRIS** and yung **TXTERS 5** ng **GLOBE** ni **BITOY**

^^

Tama kayo, guys...

*Meron din silang noon tuwing Sunday ng hapon mga 30mins or 1hour lang ata ang tagal.*

Hehe, yung nga rin yun.

Meron rin islang music video program tuwing weekday afternoons. Naalala ko pa nga na laging staple nila iyung MV ni Janet Jackson na "Runaway"

mga Foreign shows during the early 2000's sa ABS-CBN:

Young Hercules

Round the Twist (1ng pamilyang nakatira sa lighthouse)

Mystic Nights of Tir-na-Nog ( ala-knights of the Round table siya)

cool mga yan dati. 🤖

Saban's VR Troopers na ang ginamit na footage ay mula sa Gavan at Shaider plus Beetleborgs and Saban's Masked Rider (footage taken from Masked Rider RX)

Hehe, Music Bureau!

*Saban's **VR Troopers** na ang ginamit na footage ay mula sa Gavan at Shaider plus Beetleborgs and Saban's Masked Rider (footage taken from Masked Rider RX)*

Sa ABC-5 yan after ng American version ng **Masked Rider** t'wing Sat ng gabi.

Isang season niyan naging ala-Shaider nga pati 'yung mga kalaban nagmukha na silang Classic.

*GAME NA, GAME NA.. hosted by Roderick Paulate, Panjee Gonzales and Ogie Alcasid..3 games yun in 1 show.*

*yung kay ogie - parang Family Feud (forgot the title)*

*yung kay Roderick - parang The Price is Right (Magkano Ka Bayan - title ng segment nya)*

*yung kay Panjee - parang Name That Tune (forgot the title)*

*every Saturday yun ng 4pm..nawala sila sa ere nung nilabas ng GMA ang TGIS (angele, bobby, raven, red, onemig, etc) ..napalitan sila ng GIMIK (juday, rico, diet, mylene, g toengi, )*

as far as i remember:

ogie - survey ng bayan

roderick - higher or lower(?)

panjee - musikarera(?)

tapos every sunday yung Ready get set go nila eric quizon, michael v., patrick guzman, maila gumila and eula valdez.

sa ABS ba yung Eh kasi Bata?

ogie alcasid did host a "family feud"-like segment on ABS-CBN's "game na game na" (i'll get back to this one in a few). it was a few years after that show went off the air noong naging host naman siya sa unang pinoy franchise ng "family feud" on ABC-5 (na kasabayan din ng "wheel of fortune" with rustom padilla [long before he became bb gandanghari] and "the price is right" with dawn zulueta on the same network)...

tama ka sa "musikarera" as the title of panjee gonzalez's segment (agot isidro took over panjee's place, if i remember right, just before "game na game na!" went off the air--i think this was after panjee got married to gabby lopez)...si rica arambulo 'yung musical director/singer para sa segment na 'yan...

however, ogie's portion was entitled "sari-sari survey". roderick's, meanwhile, was "magkano ka, bayan?".

and the bingo segment near the end of the show? it was called "bingo dinero".

Ei guys natatandaan nyo ba Game show din sa Gma-7 na 10-mins lang ata ang tagal. Mga caller ang gagawin nila eh unahang makatawid sa kalsada 'yung mga character nila gamit na pangkontrol keypad sa telephone. 📞

sa hapon yun eh bago mag-anime.

ay, oo. PLDT 'yung sponsor no'n.

naaaliw ako kasi 'pag mismong gametime na, panay keypad ng landline 'yung maririnig mo, tapos 'yung boses ng mga callers. kulang na lang 'ata, magmura 'pag natatalo. 😊

may mga similar "landline-controlled" games din silang ipinapalabas noon 'pag "txtube" naman sa hatinggabi.

^may version ang gma-7 sa Games Uplate yun ngang txtube ev'ry Friday lang ata 'yun after na ng Emergency.

Sa abs naman pag ganun ding late-night timeslot, mga music videos naman ang pin-play dun pero mga hindi ko kilala. 📺

^Sa RPN may Fused naman na ineere from Midnight til dawn and during its "Kasama Mo" era, they also have a 30-minute game show na kailangang may sasagutin kang word puzzle.

For IBC/ABC, iyung mobile phone-game show ni Iya Villania 📞 na nabanggit ko an rin sa thread noon pero di ko na maalala iyung pangalan.

Yap that show ni Iya villana, i used to remember it bago pa siya sumikat talaga.

@nu\_metal:GameChannel yun dude.

@j5bata: Parang di ko naalaala yun. Pero, wait, sinong nakakaalaala ng Kol TV nung Kasama Mo days? Siguro naman ako makakatanda yan, may 1 host pa nga sila dati, eh kalbo eh.

By the way, in speaking of Martin Nievera na naging center rin ng mga news lately (dahil nga sa kanyang Lupang Hinirang interpretation na hindi maganda at iniba), here's the theme song of his last talk show, Martin Late @ Nite, which aired between 1998-2002, sa ABS-CBN.

<http://www.imeem.com/people/RqBib62/...a-sweet-smile/>

Matagal ko na hinahanap yung kanta, as in I even asked this sa mga ka-PExers ko not so long ago. Good thing somebody posted that Martin Late @ Nite theme sa Wiki article ni Martin Nievera. And this is the one.

pepman: iyun \*\*\* binanggit ko kanina, minus the name of the show. iyung host ata diba kalbo?

^^

One of them, may babae pa nga eh.

And yeah, theme song ng SCQ Reload Ok Ako!

<http://www.imeem.com/aidyleen04/musi...-teens-ok-ako/>

Ok ako...Ok ako...Ok ako! (Ok Ako...Ako....Ako...)

I hate how they ended the show..er cancelled it.

Many from cast had too many shows for them to commit forcing them to leave Reload. Hero meanwhile had problems with showbiz writers Cristy Fermin, Alfie Lorenzo etc in defense of his manager-brother, Henry. Sandara naman left to pursue workshops in her native Korea. Joseph and Michelle Madrigal are pretty much in demand in Spirits. The rest on the otherhand went pretty much unused when the show reformed into SCQ Reload Kilig Ako or as time went on: Kilig Ako.

Which reminds me, I think Lauren Dyogi had to leave his directing duties in Reload for his 2005 job promotion and for his new task of man-handling ABS-CBN's first franchise from Endemol

^^

And Sarah Geronimo was even there.

She was Sandy's replacement as Hero's love interest but that season for SCQ Reload only lasted for only a month kaya bitin on how all those storylines would have played out if none of the cases I've mentioned didn't happen offset

^^

Ahh ok, buti na lang sinabi mo.

By the way, SCQ is back, pero their target again, are kids, dang!

By the way, SCQ is back, pero their target again, are kids, dang!

1 season of Kid and Teen Quest  
another season is National Teens  
the last one aired was Summer Kids

and the next one's Kiddie Idol

At least the franchise is coming back.

Sa kabilang panig ng EDSA, GMA should also re-up its Starstruck franchise as well. Si Lino Cayetano di ba iyung nagconceptualize nito? Maganda iyung 1st season pero the succeeding season became repetitive in terms of the challenges given to the survivors. Wala masyadong innovations sa mga subsequent editions except for a few good ones and surprise twists. Got really bored of Douglas Nierras' "Simon-ness" year after year. The 1st was truly unbelievable but looks like pang-one season wonder lang ang pagtataray niya't pangbubully sa bawat batch ng Survivors.

One certain thing that they copied from American Idol is that the start of every season is always set in October and ends either Feb or March. Unfortunately, they discontinued the show in favor of adopting franchises from Fremantle.

kamusta na kaya ang mga questors ng scq teens  
yung iba sa kanila (including hero angeles and michelle madgrigal) lumipat na sa channel 7

si sandara sumikat sya ng 2 years, unfortunately di nag-click sa masa, balik korea na sya

tanging si roxanne at si melissa ang sumikat na alumni ng scq  
si erich bihira na ding lumabas sa telebisyon

*And Panjee also became the first partner of Julius Babao sa ASYM.*

Btw,  
Miss ko na si **Neri Naig**.

I'm deeply saddened when she did not able to join that Top-5.

Huli ko siyang napanood sa isang heavy drama ay doon pa sa MMK together with John Lloyd  
that early 2006's.

Magigng 'next Claudine' daw sana siya eh because of her potential sa pag-acting. 🙏

Base sa Wiki isa daw siya sa mga tumulong sa mga aspiring beauty queens na mga foreigner na naloko sa isa palang huwad na beauty pageant.

How was she today? 🤔

Aaron Villaflor naman is part of a new mini-series airing next Sunday on Your Song. Charles Christiansen is playing bad boy roles, just recently in Kambal sa Uma. Most successful sa mga hindi umabot sa Fab 5 si Jason Abalos.

Sa mga Kid Questors, active pa rin halos karamihan sa kanila. Kala ko noon babae si Quintin Alianza nga eh hehehe. La pa ata siyang bagong project pansin ko sa ngayon. Si Nash and Sharlene ay nakikitaan ng chemistry dala sa maraming beses na pagteam up nila sa mga palabas nila.

Si Rannie Raymundo, marunong rin pala siya umarte. He was Enchang's foster dad in Mga Anghel sa Walang Langit and played a character in a daytime soap in GMA (The TAPE soap starring Roderick Paulate yata iyun)

we all miss Ate Helen. 

napag-uusapan na rin lang si ate helen, here's a clip out of QTV's "ang pinaka...", when they featured her death as among the "shocking deaths sa showbiz"...you'll also see brief glimpses of the other shows she did on GMA (aside from "lovingly yours, helen") prior to her death: the early-evening "GMA balita" (which, for a good number of years, served as the more "toned down" competition to ABS-CBN's "tv patrol") with bobby guanzon and mike lacanilao in the '90s, and the saturday afternoon sitcom "family 3+1" with princess punzalan, caridad sanchez and ryan eigenmann...

kasama rin sa clip na 'to from "ang pinaka..." ang biglaang pagpanaw rin ng award-winning director na si lino brocka...

^ if i am not mistaken, ka-Campus sirloin, Ate Helen was also part of old TAPE soaps Heredero(?) and Agila (if i could remember it correctly, she portrayed the role of Ester on that soap).

however, she would be best remembered as everybody's big sister on Lovingly Yours, Helen. 😊

another rarity: a clip from GMA's noontime show "lunch date" sometime in 1986 (the year the show first went on the air)...their guests on this clip? a fil-am band named "BZ signal"

watch out at the beginning of the clip for keno, the guy who sang "leaving yesterday behind" and "a friend"...he was one of the original hosts of the show (alongside toni rose gayda, chiqui hollmann-yulo, orly mercado and rico j. puno)...

<http://www.youtube.com/watch?v=CjQtjJSrqIk>

sumunod lang si randy santiago at keno na co host ng lunchdate nung nag quit si RICO J. PUNO, at senador orly mercado .... segment host din si arlene abiera

ano ba yong show sa abc 5 yong live variety show na ang hosts ay sina candy pangilinan, mickey ferriols, gladys reyes etc. etc. i forgot na... senior citizen na talaga ako.....

ay, oo nga pala...salamat sa correction. magkasabay nga sina mr. shades at si keno na naging co-host ng "lunch date"...ang originals pala nila were just four: orly mercado, rico j., toni rose and chiqui hollmann...

'yung sa ABC na live variety show noon, "good evening please! (GEP)" ang title no'n...nandoon din sina plinky recto, dennis padilla, earl ignacio at robin da roza...

Yun rin ang nasa isip ko eh, yugn GEP! Hehe.

I found this old relic from imeem. The old Game KNB? ringtone-like theme tune. The succeeding seasons had seen dramatic changes to the theme, producing several variations per format as well as those made for every change in the game mechanics when the settled for "Pilipinas, Game KNB?"

1. 2001/02-The original Game KNB theme song
2. 2002 Milyon Milyon Na! Game KNB?-Slight modification to the first version
3. 2003 Next Level Na!...-A completely different variation if remember it correctly. These the time when they made the game mechanics more "Legends of the Hidden Temple"-like as well as "Fear Factor"-ish. One of their last episodes before the format retired was their special Baguio episode.

4. 2004-Pilipinas Game KNB?

2004

2006

2007-Kris

2007-Edu

2008

2009-Present

-The show returned as PGKNB. The version used on 2004 was more faithful to the original

GKNB theme.

Succeeding seasons saw changes in the show in terms of changes in mechanics as well as variations of the theme. One was the remixed-hip version of 2005/2006, the last one under Kris Aquino's tenure was the alternative-influenced version which lasted during the first season of the show under Edu Manzano.

As we all know, with the game mechanics being changed again last May 2008 saw a completely different but somewhat reminiscent version of the theme. Notes were changed but the structure is still patterned after previous versions.

Same goes with the recent update last month of the mechanics and format again of the said program. The theme at present has totally abandoned the original ringtone tune but its structure is similar to last year's.

For PGKNB's past Christmas editions, the versions of 2005 and 2006 were given an added "Christmas"-chime 🎄

sino ang hosts niyan?

sa ANC ba yan (formerly Sarimanok News Network)?

anyway, siguro bihira sa atin ang makanood ng pag-sign on at sign off. di ako sigurado dyan ah. pero kaya napunta usapan dito dahil gusto kong ibahagi ang isang video na naglalaman ng magandang rendisyon ng Pambansang Awit ng Pilipinas na karaniwan nating naririnig sa pag-sign on at sign off ng bawat istasyon at sinehan.

<http://www.youtube.com/watch?v=kCWmzbxk64>

^nice! uniform pa pala noon ang version na tinutugtog ng mga himpilan nung araw 🙌

sa net 25 yang world report, sino nakakaalala sa programang yan?

I remember noon, yung mga movie trailers ng mga pelikula from different film conglomerates, ineere before commercial break, sabihin natin, yung pelikula nina FPJ, ni Bong, tapos yung ke Bossing. Ngayon, yung sariling film outfit lang, sabihin natin yung trailer lang ng Star Cinema.

Pero dati, may program ang IBC-13, siguro twing Friday, basta before Lunch Break, puros trailers lang ang nakikita, naalaala ko pa nga dati yung trailer ng "Bakit ba Ganyan? Ewan Ko Ba Darling" na kung saan una akong nakakita ng kissing scene (Haynako!) sa buong buhay ko, bata pa ako nyan 🙌.

At sinong makakaalala ng top 10 foreign movies na "Cinema, Cinema, Cinema!" sa ABS-CBN?

pepman, ang pangalan niyan ay top 10 best movie trailer of the week, pinapanood ko din dati niyan dun sa ibc 13

*sino ang hosts niyan?*

si alma angeles ang nag-host ng world report (at pati na rin si onin miranda) dun sa net 25

pepman: RPN also aired a program similar to that of IBC's a few years ago. Weekend mornings siya pinapalabas 🙌

Speaking of trailers, Regal and Viva had to either tie-up with either ABS or GMA, or pay up to have 30-second promo spots aired on the two's channels which, compared to those of

GMA Films and Star Cinema, which gets exposure to a lesser extent.

Much less on indie film outfits.

^nice! uniform pa pala noon ang version na tinutugtog ng mga himpilan nung araw 🙌

this video was made by NinoyAquinoTV on Youtube. This version of the anthem was played during the late 80's to early 90's. I think this was before Pres. Ramos' version which includes the "100 years of independence" theme (with the woman in intro, instructing audiences to put their right hand on their chest)

The man behind NinoyAquinoTV is also waiting for someone to upload the original video where most of the footages come from Philippine Airlines' Ad, "Shining Through". So, kung may alam kayo tungkol sa orig na video na iyon, sana may mag-upload. 😊

may nagupload na daw non. Hanapin na lang daw Youtube, sabi ng isang nagcomment sa vid ni NinoyAquinoTV.

Anyway, iyung isa sa mga sponsors ng Kapwa Ko Mahal Ko noon (when it was still airing weekday mornings before Sesame Street), SSS aired their TVC noon. Natatawa lang ako sa commercial nila kasi sa name ng company, never knew what it actually stands for til I was a little older. It goes something like this:

"S--S--ESSS! Kabalikat Moooh sa Buhaaaay!"

and as already mentioned way back, was a government ad starring Nora Aunor and her catchy jingle "Ako ay Propesyonal". This is probably from GSIS and pre-EDSA Dos days.

*Oh yeah! I remember this. May babae pa nga na nagsasabing "The family that prays together, stays together", akala ko nga si Mama Mary yun mismo eh. Takot ako sa ad na yan lalo na sa mukha ni Mama Mary eh. Dapat lang naman, especially Jesus, diba guys?*

sorry. maiba lang ako. \*\*\*\*\* ko lang kasi nakita ito. actually, medyo nakakatakot kasi biglang may choir na magchchant tpos magpapakita slowly \*\*\* face ni Mama Mary then after that, a moment of silence.

Napatigil din ako when i heard that on Kool 106. Biglang gugulatin ka ng "This is DWET-FM! Kool One Ohh SIX!" (sorry napa-radio memories)

^OT: Actually it goes something like this: "Hello Metro Manila! This is DWET-FM! Kool 106!"

But yeah, it is creepy!

Yeah, there was some choir thingy.

And yeah, nung early 00's, may video na kung saan, the Superstar herself Nora Aunor sang that, nasa langit siya, tapos naka-long sleeves siya, may vest, then natatakot ako sa mukha niya, nyay! Hindi ko eksaktong maalaala kung anong product or campaign yun, pero sa totoo lang, doon ko siya nakilala.

And also, I met Rosanna Roces via an ad, nung mga 1998-1999, about stopping drugs, tapos may horse pa and also yung pang-judge thing, basta ganun. Bangs pa nga hair nya eh, creepy ng TVC na yan!

Earliest time I've seen Nora Aunor was way back when she had a daytime anthology show in GMA (a precursor to today's Precious Hearts Romances) pre-Pinoy Blockbuster Channel (today's CinemaOne)

^^

Is that Modern Romance sa Television? Something like that.

Yes. Nora Aunor had this show in GMA-7 wherein the stories are based on pocketbooks. Same as ABS-CBN is doing right now.

Another TV memory na sana maalala niyo rin:

CAMPUS VIDEO!

Doon ko nakita si John Hendrix and Triggeman for the first time. 😊

Meron din akong creepy memories sa isang TV infomercial ata yun...

Mga 1990s siya pinapalabas... tuwing 5:00pm before or during Hoy Gising ata...

Tungkol sa CANCER... tapos yung commercial nakakatakot dahil pinapakita yung sunset tapos sa baba may letters na C A N C E R na ang font ay parang tumutulong dugo...

Parang naalaala ko yang Campus Video na yan, I remember DJ Mo or Ryan Agoncillo hosting this, at sinong nakakaalala ng logo nilang curved na pencil?

Kailan ba pinalit ng Pinoy Blockbuster Channel ang name nila to CinemaOne? 2001? Especially when Viva changed its movie channel's name from Viva Movies( or is it Viva Cinema?) to Pinoy Box Office?

I remember that channel is part of the Star TV package, with opening graphics patterned after those of Star Plus (now Star World), Star Sports, Channel V and Star Movies.

*Parang naalaala ko yang Campus Video na yan, I remember DJ Mo or Ryan Agoncillo hosting this, at sinong nakakaalala ng logo nilang curved na pencil?*

edit ko lang \*\*\* sinabi ko kanina. akala ko tinatanung mo kung ang logo ng CV ay \*\*\* curved na pencil. Haha. Medyo naantok na ako. Sorry. 😊

anyway, Alto Productions yata ang nasa likod ng program. According to the "reliable" Wikipedia, it is a subsidiary of GMA Network Inc. Tama ba? 🇵🇭

yup, alta productions is a GMA subsidiary, and the company did produce the show for GMA.

"campus video" was originally hosted by ryan agoncillo, and a female commercial model--joanna 'yung first name niya, 'di ko lang maalala kung isidro 'yung apelyido...

kung hindi ako nagkakamali, it was when ryan moved to ABS-CBN when john hendrix (formerly of LS-FM and DWRT [as "campus 99.5" last year]), originally a segment host for the show, moved up to become the main host, until "campus video" folded up...never ko yata napanood doon si mo twister (although mo was part of another GMA show--"SOP"--for a short while during the time that "campus video" was on the air...)...

<http://www.imeem.com/vittorio1220/mu...annel-4-theme/>

*Oh well, PTV Channel 4 during its prime. Sang by Kitchie Molina and other singers.*

si jose mari chan ang nag-compose nito...

"four for you" was PTV's tag beginning in 1989 and through most of the early '90s, when they changed their on-air branding from "people's television" to "the people's network".

'tsaka 'di 'yan infomercial. jingle 'yan.

*sino ang hosts niyan?*

*sa ANC ba yan (formerly Sarimanok News Network)?*

Sa Net 25 yung world report, ang hosts nito ay si alma angeles (at pati na rin si onin miranda)

Si Marian Rivera

Unang Teleserye Nya Kung Mamahalin Mo Ako W/ Camille And Ehra

2nd . Pinakamamamhal W/ Oyo Boy, Danilo, Pauleen Etc Etc

3rd . Muli W/ Alfred Vargas, Malaysian Actress Carrie Lee

4th . Super Twins W/ Jennylyn, Nadine

5th . Syempre Dito Sya Sumikat Sa Marimar W/ Dingdong Dantes And Katrina Halili

thanks for the info on Campus Video. 😊

anyway, after "the people's network", they changed it to "ang network para sa pilipino."  
(before they entirely changed their name into National Broadcasting Network)

i remember that the video showed statues of heroes including Ninoy Aquino then after that,  
the jingle goes. "Peee-Teee-Veee! Ang Network Para sa Pilipinooo!"

may nabasa pala ako sa libro ni Bob Ong (Bakit Baliktad Magbasa ng Libro ang mga Pilipino?) na curious talaga ako:

- Napapanood daw ang "We Are the World" version ng music video ng Philippine National Anthem (During the Martial Law days)

There was also a Pinoy spoof version of We Are the World. I think there are two actually, not sure if it was two. Isa sigurado galing sa T.O.D.A.S. (through IBC's RetroTV) and the other one, ABC-5's Ispup.

Pa-verify na lang

pepman: Nabasa ko sa Nostalgia Manila kanina lang na last May 6 ang death anniversary ni Julie Vega.

She is sorely missed.

Paano ba tinapos ang Anna Liza nung panahon na namatay siya?

minsan april 85 walang julie vega sa anna liza , nung namatay na talaga nung may 6 , 1985 , napagdesisyon ng management na patayin na rin sa istorya si annaliza

hindi, isa itong modern national anthem na tampok ang mga singers nung time na yon, kaya lang hindi nagustuhan ng marami dahil mala we are the world (usa for africa ) ang style...

salamat na rin po j5bata pero mas tama ang sinabi ni bok. Kung may mag-upload sana ng ganun sa youtube if ever may kopya man. 😊

bok: ahh..although naalala ko na may parodied version ng We Are the World na ginawa ng isang local gag show noon. Not exactly sure kung sinu-sino 🇹🇼.

Speaking of singers...recent naman. Iyung campaign noon ng DOT featuring prominent singers like Freddie Aguilar and Kuh Ledesma. Name ng song "Tara Na, Biyahe Tayo!"

And also "Tayo-tayo rin".

Speaking of singers...recent naman. Iyung campaign noon ng DOT featuring prominent singers like Freddie Aguilar and Kuh Ledesma. Name ng song "Tara Na, Biyahe Tayo!"

pinapalabas yan lagi pag walang mapalabas ang mga gov't owned stations dati. But you can see this video played in some airports such as in Tagbilaran. I watched this again before a flight back to Manila.

anyway, may nakita ako na ibang posts about jingles and station ID, the following are lyrics from GMA's Where You Belong jingle during the late 90's to early 2000. Ito ay pagka-alala ko lang kaya pa-correct kapag mali:

Verse 1:

It's a good feeling  
To know where you belong  
It's a good good feeling  
To know where your friends are

Verse 2:

Sights and sounds to warm our heart  
To chase those blues away  
It's all right here in GMA  
It's the place where you belong

Chorus:

It's a good feeling...(G-M-A)  
It's the place where you belong  
It's a good, good feeling (G-M-A)  
It's the place where your friends are

(repeat verse 2)

(repeat chorus?)

ayan lang naalala ko. they had a "mascot" here who looks like an average joe with glasses. 🇵🇭

*minsan april 85 walang julie vega sa anna liza , nung namatay na talaga nung may 6 , 1985 , napagdesisyon ng management na patayin na rin sa istorya si annaliza*

Uhhh.. I'm really curious on how the soap ended... saka kung paano nag-run ang soap habang nasa ospital si Julie...

Pa-kwento naman po... pati yung final episode kung natatandaan niyo pa. 🇵🇭 Thanks.

mga april 1985 hindi lumalabas si anna liza sa tv, parang walang malay ang mundo noon sa nangyayari sa kanya walang nakakaalam talaga, hanggang nagulat ang buong pinas na namatay na sya,

minsan kasi sa anna liza, isang eksena lang sya, kaya ganon, yong ibang casts ang nasa

eksena,

pinatay na sya sa istorya, ang sumunod na eksena ay sa burol talaga ni julie , kasama ang mga casts like alicia alonzo, leni santos, etc etc

kung gusto mo ng idea puntahan mo si janet torres yong dating teenstar na kontrabida sa anna liza sa victory church 4th floor robinsons galleria, mga 7pm church service yata sya nakikita

Paano po ba siya pinatay sa story? As in sinunod nila yung real-life situation na may sakit?? Or other options/plots?

There's no point in continuing the soap if its title star is no longer around. So they don't have much of a choice but cancel the soap.

headmaster: Naalala ko iyon. For a time, sikat iyung naging "mukha" ng GMA nung huling beses na ginamit nila ang Where You Belong na slogan.

I think he was still around in a couple more station ID leading up to the new millenium with a self-rendition of a classic Pinoy Christmas hymn as their Christmas Station ID.

ABS naman had Mike Oca Rosales who was the mascot for MOR's miniature comedy shorts airing in between ABS-CBN programs, when the network established the M.O.R. station brand to all of its regional FM stations.

Around 2004, ABS also made a cross-promo of WRR and MOR on TV. The latter still then using its update to the Jolina Magdangal-Jimmy Bondoc jingle "For Life!" with Erik Santos and Heart Evangelista providing the vocals this time.

Here's one of Mike Oca Rosales' shorties: <http://www.youtube.com/watch?v=hvAQGeihFJ0head>

coney reyes would be that "latest member of the eat bulaga family" that they introduced on that first nationwide-via-domsat telecast...if i'm not mistaken, 1982 'yan.

RPN was, back then, the only broadcast network that aired some of its programming nationwide via satellite...i said "some" because, due to satellite technology being expensive at that time, primetime programming pa lang (then eventually, "eat bulaga" during the noon hour) ang naipapalabas nila simultaneously on all their stations...

that "eat bulaga" ad also has the list of RPN stations at that time...some of these relay/translator stations are no longer on the air--'yung cebu, davao, zamboanga, bacolod, iriga, baguio and cagayan de oro stations na lang yata ang meron sila...

di ko na na recall, nag summer class ako nyan during that time

ang narecall ko pa inaampon na nila ang dating childstar na si sugar benedicto nina alicia alonzo and augusto victa na ikinainis ni janet torres,

Greenwich rin may 891-4000 pero di na ata ginagamit yung delivery hotline nilang yon.

ito ba iyung may mga kumakanta na call center agents habang sinasabi \*\*\* hotline number ng Pizza Hut? 🇵🇭

Uy, thank you ha, but naalaala mo yung dating delivery nuber ng Greenwich. Ngayon, 5-55-55 na sila, hehe. Yung sa Pizza Hut ata, nag-eexist pa rin yung number nila. Teka lang:

"8-7000 Jollibee Delivery!"

ahh. mavs na lang po. 😊 anyway, their Christmas Station ID was also heard on LS when December comes. OT lang po pero naalala ko lang Madonna was their artist of the month ng Front.Center during that time.

continuing to TV memories...

GMA had a Lenten campaign ad, "Don't Quit". It also has a choir thingy like in ABC 5's Rosary campaign, but this is not creepy. They narrated the lives of King David, Moses and Jesus Christ through anime-like drawings. Nanalo yata ito ng ilang international awards.

I remember that the young David looked like Eugene of Ghostfighter in that drawing. 😊

Studio 23's The Nanny

I could still feel the void whenever I'm watching the closing credits of The Nanny which currently airs on reruns on Hallmark Channel. Sanay akong pakinggan iyung babaeng announcer which usually sneaks in right in the middle of the closing credits.

^^

I usually watch that show, yung boses ng nanny diyan was really hilarious baby!

Inere rin iyung isa pang sitcom sa Studio 23 na si Fran Drescher din ang nagproduce at nagstar: Living with Fran.

Although one season lang siya, it's nice to know that Fran imported the personalities of her two well-loved characters from The Nanny, si Fran at ang ex niya sa LWF na si Mr. Sheffield.

^ it was used to air on ABS-CBN every Fridays during the late 90's

Speaking of late 90's, i missed during that period when the telenovelas were at early primetime slots. for example in GMA, *Di Ba't Ikaw* starring Jessa Zaragoza was at 6:30 pm after Saksi(now 24Oras). They also have atleast 2 animes and an extra one during Fridays.

The We Are Anime block used to air at least two-three animes thrice a week every MWF and another pair on TTH from 7 to 8pm at the very least.

ABS had at least one anime/Western cartoons allotted to Fridays. Its last primetime anime circa 2001 was Digimon Season 1. Previously, the Friday slot used to be occupied by Spider-Man the Animated Series and Transformers Beast Wars/Beast Machines.

Heck, I even remember the GMA building between 1999 and 2000, yung luma, had billboards of that "We Are Anine" then GMA logo sa gitna, I remember Ghost Fighter in that billboard.

Si Eugene iyung mukha ng We Are Anime kaya lagi siya ang nasa gitna. SI Pikachu mahuhulong bigla mula sa langit 🍷

They used to have a website: weareanime.com pero matagal nang di active ang domain...

Anime Authority: once the Golden Age of Anime  
Haayys...

They once used the song "Nothing Else Matters" by METALLICA as a soundtrack to one of their tv ads.

Still remember this another Ad by GMA which is "Men in Red" featuring the characters of Son Gokou & Lupin III. 🍷😄

*News Beat?*

News Beat was a news program of Net 25. It was anchored by Onin Miranda and Arlyn de la Cruz-Collantes. Kapalit ito ng Net 25 Report at World Report Filipino Edition.

And now the title of Anime Authority now belongs to TV5 for free TV and HeroTV for cable.

GMA's promo editors always used good songs for their anime plugs (whether for each individual series, or "omnibus" plugs)...yung song that went "i'll be standing at the edge of the earth" (i'm not sure if that's the correct title, too) was one that i always remember, too.

and one of the best anime plugs they did, IMO, was the one for "ghost fighter"--yung a la video game.

not really an anime fan, though.

hindi masyadong click ang di bat ikaw kaya natapos agad di ko alam kung bakit dun pa ipinasok si angelika delacruz na kapapasok pa lang sa gma during that time

<http://www.youtube.com/watch?v=bH0x1nEvwes> EXTRA CHALLENGE ITO ANG NAMIMISS KO

I remember iyung promos sa Ghostfighter, iyung love song na patok nung time na iyon. I always wish na iyun na lang ang gamitin nilang edited opening sa show although nagpapasalamat pa rin ako noon na kahit papano naretain nila iyung original intro. It kinda gives me the feeling that I'm still watching Ghost Fighter on IBC minus the Sakanami commercials.

Nakakainis nga lang na ngayon, GMA is skipping their animes' openings and closing credits, too many slashed cuts per episodes and limited airtime compared to 10 years ago.

Kasama rin ata sa promo ng Ghost Fighter ang iyung kanta na ganito iyung lyrics "And these are the moments..." emo alternative long song

i could not ask for more - edwin mccain (the same guy who sang "i'll be")

that's the song.

Sino sa inyo nakakaalala sa programang Net 25 World Report. Post it here!

^^

Nasobrahan yung pag-wiwiki mo ah...

Oo nga eh. Sorry ha!

Lolz, wrong grammar ako 🤖

it should've been like this:

"Kasama rin ata sa MGA promos ng Ghost Fighter iyung kanta na ganito iyung lyrics "And these are the moments...". Parang emo alternative LOVE song"

bagal kasi ng PEx 😞

I-post ko dito, Sa Channel 2 ata yung anime opening siniskip tapos yung ending credits nila fi-nast forward to ending before sponsor plugs...

Actually kaya ang rason kung bakit may commercials ng Sakanami at Snacku noon ang mga animes at toku sa IBC 13 ay dahil ang mayari ng Regent Foods at Telesuccess Productions ay iisa lang...

Oo nagsimula sila sa GMA 7 back in 1978-79 airing some animes pero lumipat din sila sa other channels like IBC 13, PTV 4 at ABS-CBN 2. Bumalik sila sa GMA 7 nung 1999 pero now they're supplying programs narin sa TV5... 😞 Though animes nga lang dyan while dramas and some gasgas na animes sa QTV 11 at GMA 7.. Tapunan naman ng animes nila na nagamit ay sa Hero TV...

that song is "Standing at the Edge of the Earth" by Blessed Union of Souls. They used it for Daimos to promote that Richard-Erika love team. 😊 Tama ba \*\*\* pangalan nung bida sa Daimos? Yung partner lang niya ang naalala ko.

anyway, to divert cheesy-ness. 😊, GMA had a promo called, "Pares-Pares Anime Anime" with the two boys in Voltes V costumes explaining the mechanics while the minus one version of Daimos theme was being played.

tama ka sa pangalan:

"RICHAAARD...."

"EEERRIIKKAAAAA!"

yup, it's richard and erika, all right.

naaalala ko rin 'yang viewer promo na 'yan for the anime shows. but i don't remember how it went anymore. 😊

which reminds me...GMA's pre-primetime/post-early-evening-newscast block at one point (in 2001, if i remember right) was called "dos por dos"--kasi after the early-evening news (i think it was still "saksi" at that time), the network fielded in two anime series, then two dramas (isang local, isang tagalized/foreign)...

Saksi switched slots with Frontpage sometime between 2002/2003. 24 Oras debuted March 2004 if I'm not mistaken.

Mga 2002 or 2001, GMA kept anime viewers occupied by urging them to download anime'd wallpapers for the then still popular Nokia 3310 and 5510(?) which they would show during shows like SlamDunk and Hunter X Hunter.

That was the time GMA's subsidiary, New Media inc was also promoting Questor Magazine as well as when Globe collaborated with GMA on its then newest scheme, featuring 3 anime-ish mascots for its latest promo: a bald guy wearing a green sweater, a bad boy biker, and a sexy lass with a Mongol Pencil #2 stuck on her hair.

Naalala ko nga yan eh parang Link TV na may mga ads kung anung itatype sa phone para i-download ang isang wallpaper or ringtone. Umabot din ito sa kasikatan ng StarStruck yata.

si joonee gamboa (who currently plays vic sotto's dad on "ful haus") pala ang nagbigay ng boses kay dr. armstrong sa pinoy english version ng "voltes v"...of course, i only learned about that during the time na muling ipinalabas ang "voltes v" sa GMA...🇵🇭

Oo si Joonee sa 1st english dubs pero sa latter half di na sya kasi binigay na kay Henry Strazalkowski(sya na si Dr Hook),naging dubber din yan si Henry sa Candy Candy(sya si Anthony) while si Winston Baltasar si Archie(naging forumer na si Winston dito noon sa PEX)...

Hay nakakamiss na talaga ang mga shows nayan..BTW naalala nyo ba yung anime robot series sa ABS-CBN na LASERION???In english dubs sya at dubbers ng Bioman ang nandyan!!

hmm..since TV naman ang usapan, magkano kaya ang colored TV noong 70's. Dati merong JVC Nivico yata na ad nakita ko sa youtube. Pero black and white TV siya.

'yung mga patungan ng vase na TV set, 'yun ang classic...mga apat na tao yata ang kailangan para buhatin 'yun. and don't forget na some of those extra-heavy TV sets, may "tabing" pa para matakpan 'yung mismong TV screen. 🗨️

'yung kauna-unahang de-dial na TV set na naabutan ko sa bahay namin as a kid was this red 12-inch B&W national (panasonic) set my lola had in her room. ang kuwento niya sa akin noon, napanalunan daw niya 'yun sa isang pa-affle sa TV...

at that same time, however, uso na rin 'yung mga "push-button" na trinitron ng sony (with the remote control na ga-butit ng bigas ang mga button), kaya meron din kami no'n sa sala namin (14-inch set naman yata 'yun)...mga 10 years din (although with 2 or 3 trips to the sony service center at magallanes) ang inabot ng trinitron na 'yun. 🗨️

*Including 90s pwede. At tsaka pwede naman 70s, 80s at early 2000s. Right. Thank You!*

About sa Ads:

I remember the commercial of Pops Fernandez singing about the Formula Shell which was frequently aired on PBA games when it was still on IBC-13.

and also Snaku, Regent Cake and other foreign ads while i was watching Bioman, Masked Rider, etc.

*may nag-comment pala sa isang video sa youtube. ang sabi eh iniisip nila na nasa channel 9 daw ang eksaktong oras. (seen in lower left of your screen when tuned in to RPN) ito ang link:*

*<http://www.youtube.com/watch?v=kMUOx...om=PL&index=21>*

Sa RPN ito kasi sila lang ang may kadikit na digital clock sa lower left side ng screen. Tumagal pa ang ganung font pa nga until later mga 2005 to give way to a better version of its digital clock.

But eventually they abandoned their use of the clock by the time Solar took control of most of the station's airtime.

*hmm..since TV naman ang usapan, magkano kaya ang colored TV noong 70's. Dati merong JVC Nivico yata na ad nakita ko sa youtube. Pero black and white TV siya.*

*link: <http://www.youtube.com/watch?v=J1WAC2attCU>*

*this product costs 970 pesos during that time. ang colored TV kaya noon parang LCD TV ngayon na pa-konti-konti ang bumibili. 🇵🇭*

sa US gumagamit na sila ng video/film sa pagtetape ng mga TVC since mga 1940's-50's pero tayo masyado na talaga late.

1970's, mga cards pa rin ang gamit natin that time sa paggawa ng ads...Good thing a lot of things improved as the years went by 🇵🇭

Speaking of LCD TV, eventually every household in the world will have to buy TV sets that offers hi-def picture quality since HD will soon become the global standard and successor of the increasingly obsolete SD TV sets.

haha. cards! 😊 but you're right that a lot of things improved. Some ads even receive international awards such as advocacy ones.

and about high definition broadcasting, SkyCable is already offering HD. and according to Wiki *again*, all TV stations in the Philippines are due to change to digital HD broadcasting by 2012 or 2015(?), NTC daw nagsabi nito.

*Hehe baka mga shows lang sa 90's and early 2000's ako ppwede maka-relate. 🇵🇭*

pati rin noong pinalabas ang Judge Bao (a chinese series aired on Channel 5, already Filipinized; noong sa channel 9 pa, original version pa), puro products ng Regent, Thai Airlines, and Dusit Thani were in the advertisements. 🇹🇼

hmm...parang tayo-tayo lang nag-uusap. 😊. everybody is welcome to share their TV memories. from the greatest to the latest. 🇹🇼

so, kahit sino pa kayo, laki man sa TV, o kahit bihira lang manood, share niyo lang. it's great to see different views from what you are viewing in your TV. 😊

tv memories... syempre di mawawala ang PBA ..... na recall nyo ba ang face off ng ginebra at san miguel noong 1997, tatlong beses nag overtime pero ang nanalo pa rin ay ang ginebra (gordons gin pa noon)

at ang kagat sa tainga na gawa ni tyson kay holyfield....

na recall ko ang the big big show ng bbc channel 2 (wala pang abscbn noon) pag me ten loveliest faces na iboboto , pag ibinoto si nova villa, tuwang tuwa , ang totoo pang 11th place sya , kasi nasa top ten sina nora, vilma, sharon, maricel soriano, snooky, janice de belen, lani mercado , arlene muhlach, alma moreno, lorna tolentino at pang 11th place si nova villa

hindi pa artista noon sina judy ann, kris , claudine, ruffa, marian

I think sa daimos iyung song na nabanggit ko.

Iyung promo ad for Ghostfighter, tama sa isa sa mga ex-members ng Boyzone nga siguro yon. Sa dulo ng commercial, may logo ng show na lilitaw sa itim na background. Centered

sa TVC lagi iyung pag-iibigan nina Eugene at Jenny.

Speaking of Ghostfighter, iyung naging follow up anime nito, Flame of Recca, had an almost similar set up as the former kaya GMA tagged this while promoting the show as a "copycat". You can't question the description kasi 70% of the show took place in a battle arena to the death, only that the show is shorter and the series's premise is already self-contained (not much fillers and the ending is already determined)

Hindi naman siguro uso ang term na ito sa atin pero pansin ko na overly used plot device ang ginagamit ng mga broadcast networks para sa pagtanda ng mga characters sa mga teleserye. Ito ay kilala sa ibang bansa bilang SORAS or "Soap Opera Rapid Aging Syndrome"

Iba't iba ang degree ng pagtanda ng mga tauhan sa bawat palabas up to the point that it's becoming ridiculous and stereotypical. This has got to do with usual teleserye set up of starting with the younger days of the main characters before fast forwarding to the present timeline of the series.

It goes from simple recasting of the younger versions of Judy Ann and Piolo to their present portrayals to an absolute rapid SORASing of Arlene Muhlach's young character to Gina Pareno's present aging character in Ysabella within the show's fast forward into 20 years.

Good subject in question is Judy Ann's last soap:

Maricel Laxa=Coney Reyes

Christian Vasquez=Freddy Web

Sa ibang soaps, pinamumukha lang na matanda iyung mga adult actors using make up and hair coloring to make them look old while others simply retain the portrayal's looks as adults. The last one I mentioned is the most convincing simply for the reason that you don't need to notice any unnecessary changes when a character age (especially if they are not to be noticed to begin with) and still you know the show skipped nth years before landing to its present timeline.

Good example of good SORAS is the 2005 update of Gulong ng Palad. Only the child characters were aged instead of including the adult characters.

Typo: It was Freddie Webb

Ok lang ba kung isama ko sa topic ng SORAS ang Tayong Dalawa?

Dave and JR were born supposedly on 1992. At present, they would be 17 years old and about to step into college. So the show now is focusing on the twins in their early-to-mid 20's several years into the future.

In the past there have been soaps that leap forwarded several years in the middle of the show's existence like Kay Tagal Kitang Hinintay:

Yuri is supposedly in his teens on Book 1. The moment the show went to Book 2, he and the others became 10 years older more or less. Not much aging was done to all of the characters except for annoyingly yet cute Niko who from being 7 or so years old, was aged into Book 2's Alwyn Uytingco.

Bea Alonzo who was around 14 or 15 years old at the time Book 2 aired and she was quite effective in portraying a woman in her 20's, especially to John Lloyd Cruz who was already way past his teen years when he played another teen character in Book 1.

Lol...Mga six years na rin since the show first aired. 😊

My goodness. Oh well, in speaking of Freddie Webb, remember Chika Chika Chicks? Which later became Chicks to Chicks?

@j5: Any SORAS will do.

hehe sorry sa typo 🙄

Just watched a promo on AXN kanina lang (while watching House, MD). It's that show where magic's secrets are being revealed to the audience.

It's a set of TV specials called "Breaking the Magician's Code" na frequent staple sa weekly specials "Exposed" ng Studio 23 (na ilang beses binabalik every so often 🙄)

Lunch Box Office (LBO) is a movie block of Studio 23. It was formerly aired on weekdays and Saturday and now currently aired on Sunday. Dati nga eh Tagalog movies ang pinapalabas, ngayon Hollywood movies na. May Sunday LBO ang pinapalabas dati, ngayon wala na. 😊

Sawa na rin ako sa ganyang concept for example sa mga loveteams na may history pa noong mga bata pa sila.

Yeah, that show. Madalas paulit-ulit na lang mga topics na nape-feature diyan: Supernatural, Disasters, Animal encounters, Police Chase, pati mga sikreto about sa Pro-wrestling, etc.

Pero na-miss ko rin yang show na yan ang matagal na kasi since late 90's.

Double Post

*nu\_metal: alam mo ba yung LBO dun sa Studio 23. Lagi ko pinapanood dati nun nasa weekdays and Saturdays pa siya. Ngayon nasa Sunday na.*

Ang sipag mo namang mag-reply dito sa thread. parang Past-time mo na lang itong PEX ah. 😊

Yeah i still remember that. Dati, from Mon-Sat pa nga eh , puro pa nga mga local action movies.

But do you still remember na may similar na LBO dati sa ABC-5(now TV-5)?

Sa 12noon din siya pinapalabas: movies of Lito Lapid, FPJ, Rey Malonzo(former mayor of Caloocan), etc.? 🇵🇭 😊

Yeah, I remember. The movie block was known as Sine Klasiks.

speaking of movies. may movie block din ang IBC 13 mga 2005 yata. Ang napanood ko ay Titser's Enemy No. 1 sila Raymart at Keempee tapos \*\*\* story ng Jabida Massacre starring Roi Vinzon and Bembol Roco. 8pm yata nagsisimula.

Wednesday or Tuesday ay Shaolin movies ang staple ng ABC 

wow. halos sa lahat ng channels may mga chinese shows! chinese invasion talaga. mayroon dati sa channel 2 pag Sundays, tapos katapat niya yung sa channel 9, then meron din sa IBC ang Amazing Twins, then ngayon ko lang nalaman na mayroon sa channel 5. I am talking about chinovelas which have ancient China as setting. But they can be watched through SkyCable's Chinese Entertainment Channel (except for Amazing Twins)

Anyone remembers Trabaho Lang and Urban Doktor, also at ABC-5?

programs ba ito under Ideal Minds? Marami kasi silang programs for ABC 5 before such as Mommy Academy, tapos may show din yata for pets. Basta ang mga target ay from middle class-above.

Speaking of Ideal Minds, they transferred to IBC and AFAIK, lumipat ang ON AIR starring JM Rodriguez (Lupet!)

Anyone remembers Kapamilya Cinema, Pinoy Movie Hits, Regal Presents, Star Cinema Presents and FPJ Action Cinema, on ABS-CBN 2?

Sana nga ibalik ng Solar yung clock sa C/S 9 pero naalala ko masyadong advance ang relos ng RPN 9 noon eh nung late 90's.

sa RPN-9 meron ding Chinese Cooking shows na wala man lang Filipino or english dubbing.

Tapos yun nga ala-once-upon-a-time-in-china kadalasan ang plot ng mga drama. 🇵🇭

sa ABS meron nga pag Sunday morning bago or after ng Cinema3X japanese drama naman.

Girls Marching On ba ito?

Nope..Dubbed ang Girls Marching On since 2003, pero sponsored by either McDo and/or Ajinomoto Ginisa

Infairness ha, Wanted Perfect Husband is currently sponsored by Unilab and Yakult.

ABC-5/TV5 Logo throughout the years:

<http://www.youtube.com/watch?v=QnoOH7t5eaU>

Minus the one from 2004 when ABC first adopted the "Iba Tayo!" slogan. They didn't use the yellow circle-and-black-font logo until sometime in 2005. In 04, the logo was consisted of a white-fonted ABC initials with its station symbol placed on the upper left side of the initials while the small lettered "Iba Tayo!" slogan appears just below

^while watching that, i saw some related videos and learned that Divine Mercy channel transferred to TV5, according to the one who upload the video above.

anyway, in line with that, the old version of the three o'clock habit was also used during the intro of the movie, "Greatest Story Ever Told" starring Max Von Sydow as Jesus Christ. So, it's not a group of chanting devotees. 🙏

then, i think RPN 9 aired The Angelus every 6 in the evening long time ago. The background is "sky" then Mother Mary's face was at the upper right of the screen while the lines of the prayer are scrolled down at the left side.

Bakit nasama diyan yung isang ABC logo (yung una)? Parang di logo yun ng Channel 5, sa ABC ng US yun. Yung may eagle, nasa Microsoft Encyclopedia pa nga yun eh.

Mukha nga. Although tama ata siya sa "5" logo.

Wala bang videos noong sina Toni Gonzaga nasa Eat Bulaga pa at si Mariel Rodriguez (if I am not mistaken) Extra Challenge with Paolo Bediones. Nasa Kapuso pa sila noon.

Sunrise sa Tanghali is a former talk show of IBC 13. I saw it in Wikipedia. Di ko alam kung kailan i-nere ito?

*Girls Marching On ba ito?*

Nope, it's way way back even before F4, koreanovelas, etc. invade the Philippine TV. 😊

I remember when ABS-CBN aired a news programs during Holy Week 2004/2005.

ito bagong TV memory, nasa Bulagaan (05/20/09) ang MTRCB chairman na si Ma'am Laguardia. She's inviting everyone for the 1st MTRCB TV Awards. Beside her was her favorite "student" Joey de Leon. 😊

*Wala bang videos noong sina Toni Gonzaga nasa Eat Bulaga pa at si Mariel Rodriguez (if I am not mistaken) Extra Challenge with Paolo Bediones. Nasa Kapuso pa sila noon.*

And even before Extra Challenge, Mariel was in MTV as a VJ and as a short-lived English-speaking soap star in MTV's "Rouge"

That's really their logo, nasa Video 48 pa nga eh.

Congrats to CinemaOne (formerly Pinoy Blockbuster Channel) for 15 years on the air!

Love the new graphics. It's a vast improvement from the previous one used back when "Ang Buhay Mo Parang Sine" slogan was launched 🇵🇭

GMA 7 has an early morning movies when GMA was a 24-hour broadcast.

ito...isang eksena sa Working Boys starring TVJ on watching TV:

dati, palipat-lipat ng channel, iba't ibang palabas. ngayon, all-in-one. tapos dalawa na lang pagpipilian: 2 at 7. although meron na ulit sa ibang networks.

Anong TV memory naman dito?

sabi sa title, VULCAN fan girls. speaking of Vulcan, character yan sa Superfriends di 'ba?  
Saang channel nga ba iyan pinalabas on free TV?

Anyway, on the TVJ video I posted a while ago, if you have watched it and seen the TV set, I just want to ask, kung ganyan din ba ang TV nyo noong 70's-80's 🇹🇼

Dati, sa bahay ng daddy ko.

hehe sorry sa typo 🇹🇼

*Just watched a promo on AXN kanina lang (while watching House, MD). It's that show where magic's secrets are being revealed to the audience.*

ang best epi para sa akin ay yung "world's most shocking behavior caught on tape" 🇹🇼

sinong nakaka-alala ng show na Jenny Jones aired on Studio 23? 🇹🇼

may noteworthy episode yata yun na "you feed your baby too much" 😂

Dati, sa bahay ng daddy ko.

ahh. hehe. sirloin\_steak mentioned about Sony's first generation of Trinitron. If I'm not wrong, it has a silvery beige color and a black color to define the screen.

[http://www.sony.net/Fun/design/history/product/1980/img/img\\_kv-21\\_27xbr1.jpg](http://www.sony.net/Fun/design/history/product/1980/img/img_kv-21_27xbr1.jpg)

ganito ang color scheme but this is not the one we had. Ours had buttons below the screen (from 0-9), then on the left of the buttons are the settings for the TV. We used an RF unit for the PlayStation to work. Channel 3 or 4 ang nagagamit ng PS namin. Wala lang. 🇹🇼 Sorry at hindi na TV memories ang usapan kundi ang TV na mismo. 😂

We have 2 Triantrons, one is released in 1990, and the other one was in 1995.

BTW, Who know a LED and very slim TV???

*sinong nakaka-alala ng show na Jenny Jones aired on Studio 23?* 🇵🇭

*may noteworthy episode yata yun na "you feed your baby too much"* 😊

I watched Jenny Jones a couple of times in the US when I was there...It's like Today with Kris Aquino but leans a lot on a "Jerry Springer"-ish mentality. Compared sa'tin, daytime programming stateside on Free TV is such a bore, unless you're into court shows, reality shows, encore runs, syndicated talk shows and afternoon soap operas and 2 hours of FCC-required children's programming. 😊

diba short-lived lang yung Jenny Jones? 😊

doon din sa mga lumang trinitron namin, bago nauso 'yung "TV/video" switcher button, channel 3 'yung ginagamit namin para sa betamax player...kailangang i-disconnect muna 'yung TV antenna kasi doon din ikinakabit 'yung cable ng betamax player. coaxial pa lang noon, wala pa 'yung so-called RCA cable ('yung may red and white plugs)... 😊

at noong lalong sumikat ang UHF (when SBN 21 first went on the air), manual tuning pa 'yung gamit namin doon sa '80s trinitron set para makuha 'yung signals ng mga UHF station...at 'yung classic na "rabbit ears" indoor antenna... 😊

tama! 🇵🇭 you have to remove the antenna. kung ano yata ang pinakamahinang reception, yun ang gagamitin ng RF unit para paganahin ang Betamax, VHS o kahit pa PlayStation. For the PS2, RF units can still be used, but we opted to use the modern RCA cable. Speaking of video games, may show na Mario and Luigi sa ABC 5 before.

Hard to get ang SBN 21 before. Back then, I wonder where that station is located. I see others like ABS-CBN Broadcast Centre in Mother Ignacia before arriving in Sacred Heart Parish in Kamuning, and GMA Network Center in Timog while going home. Then when I visit my classmate in Country Villas near Celebrity Plaza, I always see the Broadcast City.

Lumang luma na talaga. Sayang.

Nga pala, about the rabbit-ears na antenna that resembles a satellite, malakas daw kumuha ng signal iyan. I think it's expensive during that time, kaya iyung conventional na antenna na lang. 😊

^Mario and Luigi did aired on ABC, siguro either Saturdays or Sundays. GMA also aired the first TMNT movie I think around the same time that show was on the air (or was it CityNet-27?)

^baka sa CityNet-27. alam ko nandiyan sa 27 dati ang Channel V Philippines, where VJ Amanda started. 🇵🇭. Sana may plans ulit ang GMA on bringing a UHF channel back. Pero ang ganda ng pangalan ng UHF channel nila. CityNet. May class ang dating.

Anyway, what happened to UniversiTV? I heard its radio ad on Campus 99.5 before.

Ito naman, WWF/WWE memory. It was first aired on IBC 13, then stayed in ABC 5 (nakakanood din yata ako noong may Tropang Trumpo pa. But I'm sure that during "Iba Tayo" days of ABC, they aired Raw and SmackDown!), then transferred to C/S 9.

*I remember that, pero sino naman makaka-alala ng Pinoy Wrestling?*

Ah yan yung sa IBC 13 noon... 😊 Kasikatan ng WWF(now WWE) kaya lumabas yan... 😊 May pandak na wrestler pa nga dyan eh(ala Hornswoggle ng WWE).. 😊

UniversiTV is actually a blocktimer for DZOE-TV's sister TV channel, DZOT TV-33. Last year, UniversiTV became exclusively a cable channel, leaving DZOT with almost nothing in its programing except for old Zoe TV programs, talk shows, live coverages of Bro. Eddie's rallies and at one point I think, Home TV Shopping.

Based from my frequent channel surfing sa cable namin, mukhang di na active ang Channel 33. (pangit pa reception niya sa cable namin)

SBN 21 is at strata 2000 sa pasig--kanila yata 'yung transmitter tower on top of the building...

i've been to the ABS-CBN and GMA studios, maging sa ABC...never been to broadcast city, pero when i see the studios everytime i watch an RPN or IBC show, nakakapanghinayang talagang isiping back in the '80s, theirs was the most modern broadcast complex of its time...

napanood ko na lang 'to dahil sa replays nito dati sa RJTV...pinaka-naaalala kong pangalan ng wrestler d'yan, si joe pogi. tapos may mga tag team din sila, like the so-called "brusko brothers". 😄

One of the most modern in Asia rin daw that time.

----

On Strata 2000, akala ko up until now na Zoe ang may ari ng tore na nasa ibabaw ng building na iyon.

Speaking na rin of SBN, I saw this old clip of a Mystica-hosted variety show that used to air on Channel 21: <http://www.youtube.com/watch?v=cmVlbMqJdhE>

Looks like there's something more about the youtube uploader than just uploading videos that has Mystica in it.

Whattamen (Buhay pa si Rico Yan)

Lunchbreak Muna (IBC's last Golden Era)

Ang daming channel at timeslot sa UHF na ang nilipatan niyan kaya hindi ko nasusubaybayan ang *storyline*.

Nung 90's, inere sa ABC ang WWF Raw (War id Raw) at Smackdown. Ewan ko kung inere nga rin ang Smackdown sa 5 pero ang Raw noon sure akong Tuesday nights siya pinapalabas.

Mga around 2000, Solar na ang nagpapalabas ng WWE Raw at Smackdown via Solar USA at RPN (Prime Shift)

Solar USA (now Jack TV) aired a Martial Arts films before Solar USA renamed Jack TV.

j5bata, Solar USA (now Jack TV) aired a Martial Arts films before Solar USA renamed Jack TV. 😊

i'm pretty sure that the old WWF/WWE "superstars" matches were shown every saturday on ABC back in the '90s--kasunod kasi nito 'yung "tropang trumpo" noon, 'tsaka sinundan namin talaga 'yun at that time ng mga utol ko...but just as it was on IBC years before that, those weekly WWF/WWE telecasts were branded on air (and on TV guides sa mga dyaryo) as "all-star professional wrestling", before ABC finally branded it as "WWF superstars".

kanila rin noon siyempre 'yung local broadcast rights sa mga malalaking matches like the survivor series, "summer slam" and "wrestlemania"...

i remember, ABC also came out with a plug for its WWF/WWE telecast that went like, "isa lang ang [name of wrestler]", probably as a potshot of sorts to WCW (which was being aired locally on IBC/VTM naman)...

the other weekly WWF/WWE shows naman like "monday night raw" (a.k.a. "raw is war" and "WWE raw") and "smackdown!", sa star sports ko yata napapanood 'yun noon, back when solar didn't have any cable channels yet...

Smackdown was indeed showed on ABC-5, i think it was Wednesday nights then.

i just remember the ad of Steve "Stone Cold" Austin promoting to say no to drugs.

*Smackdown was indeed showed on ABC-5, i think it was Wednesday nights then.*

Currently, WWE is shown on Jack TV and C/S 9. MAXXX also airs vintage WWE 24/7. Ngayon, hindi ko alam kung paano inalis yung WWE 24/7 dun sa MAXXX. Please reply.

*kanila rin noon siyempre 'yung local broadcast rights sa mga malalaking matches like the **survivor series**, "**summer slam**" and "**wrestlemania**"...*

*i remember, ABC also came out with a plug for its WWF/WWE telecast that went like, "isa lang ang [name of wrestler]", probably as a potshot of sorts to WCW (which was being aired locally on IBC/VTV naman)...*

RPN was being able to show some of these pay-per-view matches but not immediately after they are being held. i'm just wondering why they discontinued airing these shows then.

Ginawa na rin kasi silang Pay per view sa'tin ditto

In speaking of WWE, may 2 akong naalaala na TV shopping brands, which existed in the early 2000's: (Logos are credit to myself, BTW)

<http://i278.photobucket.com/albums/kk118/pepman12/mtv.png>

(Sorry if not exact, but I remeber ganyan yung logo)

Metro TV

This brand was aired via IBC-13, ABC-5, and PTV-4 between 2000 to 2002.

(no logo, sorry, but that's letter Q (yellow)

and Quantum TV Shopping

From ABS-CBN in 90's, they would move on to the other networks such as Channels 4, 5, and 13, and was aired in those 3 networks between 2000 to 2002.

(Pero ang pioneer talaga sa TV shopping ay ang RJTV-29, 1995 pa sila nagsimula dito)

*Solar USA (now Jack TV) aired a Martial Arts films before Solar USA renamed Jack TV.*

Alam namin yan,BTW ilang taon o anong edad mo na ba??😄

Di naman nagtagal ang airing ng WCW shows sa IBC 13 kasi nga walang ratings at most wrestling fans wanted to watch WWF shows sa Star Sports sa cable TV instead..Panis din ang WWF shows sa ABC 5,EPIC FAIL..😄

Mas patok talaga yung WWF sa IBC 13 nung 80's at early 90's(remember yung TV ads ng R.A Homevision??)..😄

Sabi sa profile niya, nasa 13-14.  
Thank you for your patronage, pepman.

I used to watch **BIKINI OPEN** . Wednesday nights IBC 13 🤔

*Alam namin yan,BTW ilang taon o anong edad mo na ba??*😄

ulitin ko lang: 'wag na lang patulan ang mga troll. 🤔

anyway, back to regular programming...

*Ginawa na rin kasi silang Pay per view sa'tin dito*

Di na yata ngayon AFAIK pero exclusive nga lang sa Jack TV ang WWE PPV events these days..

Hay R.A Homevision...May The Smurfs pa dun na clip eh!!😄

Solar All-Access usually. Kahit kung nasa Global Destiny ang Jack TV, I doubt they would air the latest Wrestlemania matches there.

Kasabay ng Metro TV ang Winner TV Shopping, Home Shopping Network, at iyung pangcable na all-HSN channel na Shop TV.

-----

pepman: nakuha mo pm ko nung isang buwan? Pa-kalat naman 🤔

@j5: Sige. Tsaka salamat sa pag-alala ng Winner TV Shopping, at oo nga pala, kasama diyan ang Value Vision.

Iyung HQ ng Winner TV Shopping, nadadaanan namin minsan sa bandang Araneta Avenue. Na-feature minsan iyung HQ nila nung nagkaroon ng infomercial sa latest product nila. 1 Viva Hot Babe iyung presentor tungkol sa pampatipid-kuno ng gas at pinangtest-drive nila mula QC hanggang Pampanga and vice versa.

Patunay na walang nangyaring dayaan ay nagdikit sila ng sticker sa takip ng lagayan ng

gasolina ng sasakyan. Dinalawang beses pa ang test drive kaya dalawang sticker ang dinikit sa takip.

Ang maganda lang sa infomercial na iyon actually ay iyung cute na dance song an tinutugtog nila sa background. 🎧

Value Vision, mga products nila: Handy Chef, Tae Bo, Perfect Gym, Butterfly Abs, iyung pantulog na couch na puedeng pangswimming, etc. Aussie iyung accent ng announcer pero pagbanggit ng presyo ay siya rin iyung nagsasalita o may nakaoverlayed na boses na sinasabi iyung presyo sa piso 🎧

*ulitin ko lang: 'wag na lang patulan ang mga troll.*

*anyway, back to regular programming...*

sabi ni sirloin\_steak, wag niyo kong patulan at huwag niyo akong asarin at galitin. OK!

nu\_metal here, back on air again. 🎧

Tungkol sa Home TV Shopping marami nga akong gustong inaabangan diyan nae-entertain kasi ako sa mga endorser nitong mga products: mula sa kitchen tools hanggang sa hi-tech nilang fishing rod na yun.

Sina Toni Rose gayda at Ruby Rodriguez, nag endorse rin ng product mula sa Winner TV 😊).

badofilada here, back again.

nu\_metal sir: Do you remember Venta 5, a first-ever interactive home tv shopping?

**kaway-kaway** 🙌

@bado: Yung Venta 5? Parang naalaala ko yun, Magoo Marjon, Patricia Hizon, Claudine Webb, and Boots Anson-Roa. May iba pa silang hosts eh, kasi di ko naalaala.

@j5: Yeah, even Suzi, yung unang Winner TV Shopping girl na nakilala ko, she even had her

own show sa RJTV 2 years ago.  
@nu\_metal: Billy Mays ba kamo?

Kasal na si Claudine Trillo?

on Venta Singko, I think they had Joe D'Mango

@j5: Napasa ko na sa iba. Claudine Trillo? Parang, diba she was even credited as Claudine Trillo-Webb? Oo nga pala, here's Venta5's website: <http://www.venta5shop.com/>

Joe 'D Mango? Parang hindi. Oo nga pala, I remember Chal Lontoc sa Venta5. In speaking of Chal, she is one of GoNegosyo Big Time's original hosts, when it was still aired at RPN, tapos yung partner niya, andun pa rin, with Rox Barcelo, but nasa Q na sila.

And here's the complete line-up of hosts ng Venta5, from their website:

VENTA5's lineup of hosts is led by veteran actress **Boots Anson Roa**, sports anchor **Patricia Bermudez-Hizon**, TV host **Claudine Trillo-Webb**, 2002 Bb. Pilipinas Universe **Karen Agustin**, singer **Adrienne Sarmiento**, former news reporter **Heidi Santos**, host/actress **Chal Lontoc**, sports anchor **Magoo Marjon** and host/DJ **Raffy Ruiz**

Thanks 🙏

The theme song of the ill-fated final season of SCQ Reload entitled "Kilig Ako!"

Too bad this show got canceled. The show didn't end up right but there sure are a lot of factors that led to its sudden cancellation: 1)The controversy around Hero etc, 2)Michelle Madrigal and Joseph Bitangcol had a lot of commitments at the time, 3)Lauren Dyogi was recently promoted in 2005 and was tasked in handling the then-newly acquire Big Brother franchise (which aired in August of that year, about a month after SCQ Reload was cancelled), 4)Sandara stayed in Korea for the next few years for her training (which came into fruition 3 years later).

And I bet there was a lot more drama than what I already mentioned.

This is the first time I actually heard the whole theme song of Kilig Ako. The guy who uploaded the song, Chuckie Dreyfus, is the song's composer and producer. It certainly bear a bit of a resemblance to the first theme, OK Ako! (whose structure though is obviously based from a BEP song)

Who remembers Mask Rider Black? sinong may crush kay si Robert Akizuki, isa na ako dun, grabe kahit 4 years old ako patay na patay ako sa kanya. Siguro matanda na sya ngayon right?

^wow. magulo na pala ang SCQ noon. (referring to j5bata's post. kanina nasa baba lang to ng post nya) Pero sa StarStruck naman, biglang nagkawalaan ang ibang members nito. Hmm, medyo pop TV na ang usapan ah. 🤔. naalala ko lang bigla ang unang cast ng Nuts Entertainment since semi-live shows ang topic when i saw Big Brother in the post.

Main cast: Joey De Leon, Janno Gibbs, Anjo Yllana, Gelli de Belen, Carmina Villaroel, Mike "Pekto" Nacua, Richard Gutierrez

Then kasama dati sina Anne Curtis, Sherwin Ordonez, Brad and Greg Turvey. Hindi pa sila masyado green at that time, pero ngayon, puro games na medyo nag-susuggest ng kahalayan. 🇹🇼. Hindi naman sa sobrang conservative ako, pero iyun lang napapansin ko. 🇹🇼

In speaking of those things, may naalaala lang ako na isang show sa ABC-5, which later moved to ZOE, na about technology, title ate nun Infotech or something, basta yung logo, may pa-C with an oval beside it. Host ata nun looks like Earl Ignacio, tapos yung mga commercials nila, puros Intel, Windows, tsaka IBM. Dyosko! 8-8:30am (every Sunday) yata timeslot nito. And another one with a group of people. Actually, both of the shows I mentioned are produced by 1 production conglomerate. I think this was aired in the 90's until early 2002.

*Who remembers Mask Rider Black? sinong may crush kay si Robert Akizuki, isa na ako dun, grabe kahit 4 years old ako patay na patay ako sa kanya. Siguro matanda na sya ngayon right?*

matanda na sila for sure. haha. hindi lang si Mask Rider Black, merong Shaider at Machine Man (the man with a talking baseball friend i think). 😊 all of their vehicles were made by either Suzuki or Mazda.

si shaider patay na since 2001, cancer ang cause of death niya

RIP Shaider

agree pansin ko halos lahat ng end credits ng mga 80s toku na sentai, i wonder kung uso na dati ang mga gadgets today tapos isusponsor nila (like cellphones or LCD computers), nokia or samsung kaya?

Robert Akizuki gwapo na sana kaya lang pag nagtratransform mukha naman syang ipis or grasshopper

Yan rin sana sasabihin ko kaso ang bagal ng PEX!

Isa sa mga huling gigs ni Shaider sa TV ay iyung isa sa mga seasons ng Ultraman 🇹🇼

Si Robert Akizuki lumabas naman sa isang special ilang taon na ang nakkaaraan. Mga kwarenta lagpas na edad niya pero mas mukha pa siyang 50 sa itsura niya nung napanood ko yung interview niya sa Youtube noon.

andami palang shows na lumipat ng home station 🇹🇼

@pepman

Infochat on ABC5 Every Sundays ba?

^Host niyan si Jerry Liao, an IT Expert.

## 24

---

Narinig ko sa news sa radyo na on-sale na ang ilang memorabilia ng sikat na series na "24", gaya ng jeans na sinuot ni Jack Bauer(Keifer Sutherland) sa isang buong series.

Ganitong klaseng mga drama series ang nahihiligan ko dati & nasubaybayan ko ang first 3 seasons nito sa ABS-2(tagalized pa nga).

Pero sa 3rd series lang talaga ako walang na-miss kahit isang episode, pero ang pinakagusto ko rito yung anak ni Jack Bauer. 🇹🇼👉👉👉

*Yan rin sana sasabihin ko kaso ang bagal ng PEX!*

*Isa sa mga huling gigs ni Shaider sa TV ay iyung isa sa mga seasons ng Ultraman 🇹🇼*

***Si Robert Akizuki lumabas naman sa isang special ilang taon na ang nakakaaran. Mga kwarenta lagpas na edad niya pero mas mukha pa siyang 50 sa itsura niya nung napanood ko yung interview niya sa Youtube noon.***

si Robert Akizuki din pala ang kumanta ng theme song ng masked rider black, pinanood ko na yung interview nya. Tumanda na nga sya ng husto tsaka parang ang layo na ng tsura nya compared 20+ years ago

^andaming info sa tokusatsu ah. 😊 speaking of credits, you always see Suzuki and Mazda. kaya nasabi kong sila siguro ang gumagawa ng "robot" at sasakyan nila. Suzuki Samurai pa nga ang sasakyan ni Alexis kapag hindi siya si Shaider. (speaking of cars, nagpopost din ako sa The Pitstop. May thread ako about Lancer Boxttype.) 😊

@markmanching and nu\_metal: Yun nga.

OT: Who remembers Del Monte Kitchenomics, na lagi sa EB every Saturday?

sa Saturday pala ito. Naalala ko lang every Monday ito at 1pm, an hour before EB ends yata. Si Maricel Laxa and Chef J Gamboa ang huling naging host nito.

ave kong Tagalog quotable quote sa 24....

## **MAMATAY KA JACK!**

gusto ko rin yung pagkakabanggit ni Jack ng name na "Hector Salazar !", nag-re-refer sa isang mexican terrorist dun sa 3rd season. 🍷😬

Dagdag pa sa show transfers

YSBLF=GMA to Studio 23 (since reruns on 2008 as LOL Block)

*Who remembers Mask Rider Black? sinong may crush kay si Robert Akizuki, isa na ako dun, grabe kahit 4 years old ako patay na patay ako sa kanya. Siguro matanda na sya ngayon right?*

Nung 1991 pinalabas sa IBC 13 yang Masked Rider Black..😬 Alam ko tuwing Sundays 6:30 p.m sya pagkatapos ng Candy Candy english dubs(yung isang dubber dyan naging forumer dito)...😬

Machine Man mga 1992-1993 nayan naipalabas(pinalitan nya yung Candy Candy)..Yung

dubber ni Jun Jun dito ay yung female voiceover ng GMA 7 sa mga ads o breaks nila, si Dada Carlos.. 😊

Shaider?? Mga 1988 nayan naipalabas AFAIK kasi eto naging kapalit noon ng Daimos English dubs na tinapos ipalabas ng ABS-CBN 2!! 🤔 Oh well eto ang nagpasimula ng tagalog dub craze!! Kaya sinunod na noon i-dub ng ABS-CBN 2 yung cartoons na Inhumanoids at Visionaries!! 😊

[www.Play-Asia.com](http://www.Play-Asia.com)

Nung childhood ko, Masked Rider Black ineere lagi alas 3 ng hapon tuwing Linggo sa IBC. Reruns na ata iyon kaya dun na nilagay.

Sayang rin na walang regulasyon ang KBP/NTC with regards sa pag-educate ng mga viewers ng wikang Ingles o ng Wikang Filipino sa purpose ng national development.

Ang problema, 1) Kawalan ng mga matitinig children's programming na talagang pambata, 2) iyang mga di kailangang i-dub sa tagalog ay dina-dub na rin (ex. Power Rangers Wild Force onwards), 3) Masyadong Taglish ang dating ng mga tinagalog na programa, bumababa ang kaalaman ng kabataan sa Filipino terms na kadalasan noon ay ginagamit 10 years ago (Mga ngayon ay nakaka-nosebleed na daw). Unnecessary code switching kumbaga (El Cuerpo del Deseo anyone?).

Nowadays, children's programs have retreated to weekend mornings compared to 10 years ago when we had each and every program of the genre placed in all the morning and afternoon slots.

May mga tagalized naman na educational programs naman sa TV5 AFAIK at some sa QTV 11 yata..

interesting fact: barangay LS 97.1 DJ ate liza (a.k.a. "hot lips" liza when the station was still known as "campus radio") did the voice of kim bauer in ABS-CBN's tagalized version of "24" (and this i never knew until we worked together at LS noong napasama ako sa aircheck).

but to me, mas memorable sa akin 'yung pag-dub niya sa character na Diane sa Koreanovela na "Irene". 😊

ah siya si Diane? Nice!

<http://photos-p.friendster.com/photos/36/05/4245063/261256346344661.jpg>

Totoo bang open-ending siya? Akala ko noon nabuhay si Irene at iyung bunsong anak niya matapos siya mabangga ng bus? ( kasi eng-eng kasi)

I can still remember Kim's dubbed voice, until now. 😊

^Cute 'no? Buti nga lang daw na babalik si Kim sa bagong season ng 24.

When Studio 23 was still airing 24, they made a clarification that it's not dubbed thus they labeled the show as "24...In English!"

*ah siya si Diane? Nice!*

*yeah...noong sinusubaybayan ko 'yung "irene" (yes, i did follow "irene", although 'di ko yata siya natapos), avid listener na ako ng LS (which, eventually, led to my being a student DJ for the station)...kaya medyo na-recognize ko 'yung boses ni liza sa series...*

*si john hendrix din, medyo napasabak din sa dubbing noon, pero sa cartoons/anime naman...i remember hearing his voice on "detective conan" (although pinalitan yata siya ng ibang dubber after a while...i forgot the name of the character he did the voice for), as well as a few years earlier, on "mojacko"...*

I'm just guessing, but I have a feeling he's Kogoro Mouri, tatay ng GF ni Conan

Alam ko dubber din sya sa Telesuccess Productions ngayon(naging dubber sya sa Hana Yori Dango at Special A)...😄 Rumaraket din sya sa Twenty Plus as dubber sa mga Mexican dramas in english.

Yung 24 na tagalized dubs ay din naman nagtagal kasi medyo di ok ang ratings nya(si Apollo Abraham yung dubber ni Jack Bauer,si Apollo ay mas kilala sa pagiging dubber sa english dubbed animes tulad ng Dragon Ball Z at Sneezing Magician at nasa tagalized Voltes 5 sya kasi die hard fan sya ng anime nayan!!)..

^Ilagay pa naman sa alas onse na nang gabi tuwing biyernes ang season 3.

ABS, IMO, are trying to bring back American dramas on Channel 2 again but the fact that its audience have already gotten used on watching mostly non-Western shows on networks like ABS and GMA, they won't be able to duplicate the success they once had in the 90's with BH90210 and Highlander (the latter aired on a late slot as well)

speaking of dubbing, AFAIK, John Hendrix was asked through an InfoPop if he was the "narrator" of the Filipino version of PowerPuff Girls. Then he made that famous laugh of that character to answer the question. Nakanood ako ng isang episode, at iyun, naisip kong baka si John Hendrix iyon. Pati ba sa mga DZBB programs, siya rin ang nag-voice over?

*si shaider patay na since 2001, cancer ang cause of death niya*

*RIP Shaider*

*agree pansin ko halos lahat ng end credits ng mga 80s toku na sentai, i wonder kung uso na dati ang mga gadgets today tapos isusponsor nila (like cellphones or LCD computers), nokia or samsung kaya?*

*Robert Akizuki gwapo na sana kaya lang pag nagtratransform mukha naman syang ipis or grasshopper*

Naalala ko ata yung Robert Akizuki na yun eh papaano crush kasi ng sister ko nung bata pa sya tinanong ko sya kung sino yun, kung artista ba sya ang sabi nya sya yung bida sa masked rider black. Pero kilala ko si Shaider at crush ko naman si annie at sayang patay na si alexis at nasa heaven na

wait lang darnas\_daughter uso na ata ang nokia / samsung nung 80s kaya lang malalaki pa ang cellphones nila . why not kaya yun ang sponsors nila along side these vehicles given as sponsor ng mga sentai

kung hindi ako nagkakamali, liver cancer kinamatay ni shaider  
teka nga lasingero ba si shaider sa totoong buhay kaya nagkasakit sya ng liver cancer?

it's been 8 years na after his death, sayang talaga, yung childhood lover mo na si Robert Akizuki buhay na buhay pa at sabi mo nga gurangis na sya.

sagutin ko lang kahit doon na ito dapat sa "companion thread" na ginawa ko sa music & radio forums:

yes, siya rin 'yung voice-over ng karamihan sa mga stinger at program intro ng DZBB...i think some of those voice-overs he did (particularly the hourly station ID and the stingers for some of BB's shows like mike Enriquez's "saksi sa dobol B" and joel reyes zobel's "bangon na, bayan!") are still being used until now, kahit hindi na siya GMA talent for the past 2 years...

i remember sir john also substituting for GMA TV's main continuity voice-over al torres in some program plugs for the TV network before...

*I'm just guessing, but I have a feeling he's Kogoro Mouri, tatay ng GF ni Conan*

Dan, I finally found some confirmation on this. John Hendrix was indeed Kogoro Mori in the old Detective Conan/Case Closed dub.

off-topic lang po, pero parang narinig ko rin ang voice ni John Hendrix sa radio trailer ng Baler, the movie starring Anne Curtis. I heard it on LS.

have you seen or visited GMA's transmitter closely? Pinakamalapit na kapag dumadaan ang school bus namin sa Sanville, a village in Tandang Sora, where Fernwood Gardens is located. I just simply admire the structure. The tallest tower among its class.

Between GMA and ABS-CBN, i noticed that GMA is more colorful in terms of video quality than ABS'. Di ko alam kung dahil mas malapit sa amin ang GMA dahil sa Tandang Sora din kami nakatira. 😄. kaya orange na orange ang kulay ni Mojacko kapag pinapanood ko. 😄

^"Glossy" ang turing ko lagi sa video quality ng GMA dahil doon

mula 1988 (the year it was completed and switched on), GMA's transmitter tower was indeed the tallest (at 777 feet). but that was until net 25's transmitter tower--at 900-something feet (if i'm not mistaken), and not too far from where GMA's tower is located--came along. 🏠

i've never seen the tower up close (or at least, as close as possible), pero noong nakatira ako sa penthouse ng isang condo building sa katipunan, i could see not just GMA's, but every other network's towers from outside the window...and eventually, i was able to tell which tower belonged to which network even from afar. hehehe...

sabi ng tito kong nakatira dati sa tandang sora, the view (of the GMA tower) is neck-breaking. 🏠

j5bata: haha nice term, "glossy". 😊

sirloin\_steak: madali ngang malaman ang mga transmitter nila. pero magkahawig ang sa ABC 5, IBC and ABS-CBN. Kakaiba ang sa Net 25 (can be seen from Commonwealth Avenue and UP Diliman, but located at the Central Avenue)

Tama ang tito mo, talagang neck-breaking lalo na para sa akin noong nakasakay ako sa bus habang tintignan ito. 🚗

'yung sa net25 kasi, "trilon" 'yung tawag nila sa structure ng tower--parang 3-sided pyramid 'yung pinaka-"skeleton" ng tower, unlike 'yung sa ibang networks na parang 4-sided pyramid naman ang pagkakagawa...

GMA's old transmitter tower inside the network's compound (which was waaaaaay smaller than the tandang sora one, and has since been completely dismantled mula noong ni-reconstruct 'yung likod ng old GMA building sometime in 2005) was also a "trilon" structure.

'yung sa ABC, once ko pa lang nakita nang malapitan ang tower nila (during the first and only time i watched a show there at the novaliches studios, mga 1993 'yun), pero yes, i agree, magkahawig nga halos 'yung sa ABS-CBN at sa IBC na mga tower...

'yung sa NBN naman (which is located at their studios sa visayas avenue, not too far from the UPD campus), unique...kasi sa kanila 'yung nag-iisang transmitter tower na kulay-silver, unlike the rest na red and white ang pagkaka-pintura...kaya sa malayo pa lang, alam mo na. 🚗

**'Charmed' celebrates**

## womanhood in all its glory

By Karla Delgado-Yulo

<http://www.inquirer.net/saturday/mar99wk1/charm.jpg>

EVER heard feminists lament that young women today take women's rights for granted? Finally, someone has done something about it by creating a television series that not only encourages women's empowerment but celebrates womanhood in all its glory, with all its strength, grace, compassion and nurturing.

"**Charmed**," which had its Philippine debut on Studio 23 on March 1, is the story of the sisters Halliwell, who inherit their grandmother's house after her death only to discover that they come from a long line of witches that dates back to the 17th century.

**Prue**, played by *Shannen Doherty* ("*Beverly Hills 90210*"), is the eldest of the sisters and the most motherly of them all. Responsible and reliable, she is the one most in touch with her inner voice and intuition. In the debut episode, her ex-fiance boss Roger claims the credit for an exhibit she is curating and takes the show away from her.

Incensed, she quits and leaves the loser in the middle of preparations for the show. "I thought breaking up with you was the best thing I'd done but this definitely tops that," she declares. Talk about taking control of your life. Way to go, Prue!

### Aspiring chef

Middle sister **Piper**, an aspiring chef played by *Holly Marie Combs* ("*Picket Fences*"), is the calm voice of reason who acts as a go-between with her feuding sisters. Without Prue's knowledge, she invites their youngest sister Phoebe, played by *Alyssa Milano* ("*Who's The Boss?*"), to move into their recently inherited home. Prue believes Phoebe had some sort of fling with her ex. Phoebe denies it, exclaiming, "I never touched Roger. You think otherwise cause that's what the Armani-wearing, Chardonnay-chugging trust-funder told you."

**Phoebe**, the youngest of the three, is the free spirit, the instigator who goes up to the attic, finds the dusty "Books of Shadows" and gives herself and her sisters the special powers they are destined to wield by reading the book's incantation. Prue has the ability to move objects with her mind, Piper can stop time and Phoebe can see the future.

Not without a good dose of wit and social commentary, the script is peppered with twenty-something humor and memorable one-liners. "One minute I'm a member of the Y Generation with average hair and a thing for decaffeinated beverages and the next I'm a witch," marvels Phoebe.

### Drugstore

Ever logical, Prue at first doubts that she has any special powers and it's up to Phoebe to show Prue that she can move objects when she's upset. "Roger," yells out Phoebe in a

drugstore, and aspirin bottles come flying off the counter. "Dad!" she yells, revealing an as-yet undisclosed problem Prue has with her father, and half the merchandise flies off the shelves. "With how much you hold inside you should be a lethal weapon by now," deadpans Phoebe.

One of the striking things about this series is that men, rather than women (as is the stereotype in Hollywood) are portrayed as the seducers, the evil ones disguised in attractive, sexy packages.

In the episode's opening scene, we are witness to a brutal stabbing, the first of three murders. It turns out that Jeremy, Piper's sweet hunk of a boyfriend, is the murderer, a warlock sent to kill the sisters and rid them of their power to do good in the world.

"The power of three will set us free," chant the sisters, holding hands and concentrating their energies on Jeremy. "The power of three will set us free."

### **Warlock in disguise**

And it does. Jeremy is destroyed to smithereens and we are told to tune in next week, when a dashing photographer turns out to be a warlock in disguise.

"Women, unite against evil," we can almost hear the sisters say. "Your instinct and intuition will set you free!"

If the first episode is anything to go by, *Aaron Spelling* has got a one-of-a-kind hit here that ironically takes formulas from other successful shows to create its own unique appeal. "Charmed" manages to pick upon the current fascination for the occult (think "The X-Files"), appeal to the trendy twenty-something crowd (think Shannen and her sisters in the latest fashions), and intrigue women of all ages by posing deeper questions about women's identity, morality and spirituality.

This is a show worth watching. How much of the enlightened and enlightening feminist perspective is due to the show's creator, a certain Constance M. Burge, we wonder? (*"Charmed" airs every Monday night on Studio 23 at 9 p.m.*)

*'yung sa net25 kasi, "trilon" 'yung tawag nila sa structure ng tower--parang 3-sided pyramid 'yung pinaka-"skeleton" ng tower, unlike 'yung sa ibang networks na parang 4-sided pyramid naman ang pagkakagawa...*

*GMA's old transmitter tower inside the network's compound (which was waaaaaay smaller than theandang sora one, and has since been completely dismantled mula noong ni-reconstruct 'yung likod ng old GMA building sometime in 2005) was also a "trilon" structure.*

*'yung sa ABC, once ko pa lang nakita nang malapitan ang tower nila (during the first and only time i watched a show there at the novaliches studios, mga 1993 'yun), pero yes, i agree, magkakahawig nga halos 'yung sa ABS-CBN at sa IBC na mga tower...*

*'yung sa NBN naman (which is located at their studios sa visayas avenue, not too far from the UPD campus), unique...kasi sa kanila 'yung nag-iisang transmitter tower na kulay-silver, unlike the rest na red and white ang pagkaka-pintura...kaya sa malayo pa lang, alam mo na.* 🌐

yeah. tama 'yung sa NBN. palagi ko pong dinadaan pauwi. (visayas avenue to tandang sora). and let us not forget RPN 9 or C/S 9, located at Panay Ave. Mayroon pa ngang "Asiatrust Bank" na water tank or building na yata na katabi.

Dati tinatanong ko kung anung station ang may-ari nitong transmiiter tower kasi sa sobrang laki, mukha na siyang historical landmark. When we sometimes tell directions, we say, "sa tabi ng tower ng <place network here>" kasi prominent siya. 🌐

nakapunta ako dyan sa studio ng NBN(PTV 4 pa noon) nung 1994 at grabe tagong-tago sila dyan..

Sayang talaga yung Broadcast City Studios ng RPN 9,laki pa naman nun pero may mga nakatira sa loob ng complex..

^i see. PTV 4 had an evening variety show before, "Relaks Lang." Sina Keempee de Leon at Raymart Santiago yata nandito, together with other talents.

*nakapunta ako dyan sa studio ng NBN(PTV 4 pa noon) nung 1994 at grabe tagong-tago sila dyan..*

*Sayang talaga yung Broadcast City Studios ng RPN 9,laki pa naman nun pero may mga nakatira sa loob ng complex..*

'yan na lang ang 'di ko napupuntahan among the major TV networks' studios, 'yung broadcast city 'tsaka 'yung studios ng NBN. then again, i don't think there's too much to see over there--especially sa broadcast city...

ilan ba talaga 'yung studios nila doon sa broadcast city? iniisip ko kasi kung gaano nga ba kalaki 'yung compound nila, considering na it's shared by two networks (or, prior to EDSA 1 in 1986, **three** networks: RPN, IBC and BBC-2), and that it was the most modern broadcast facility in its heyday (back in the late '70s and the '80s)...

^curious din ako sa loob ng Broadcast City kasi di ko pa napupuntahan. 🌐 Ang nakikita ko lang, medyo "nangangalawang" ang itsura mula sa labas.

anyway, noong kalilipat lang ng ABS sa Mother Ignacia, nakikita pa 'yung "dumi" na naiwan

ng emblem ng Maharlika Broadcasting yata sa building nila. Doon dati ang channel 4 'di ba? Until the coup d' etat?

Ang alam ko nung 1986-1992 yata ay nasa ABS-CBN Compound pa ang PTV 4 noon(kaya nga may "4" na kulay blue na logo sa may lobby noon ng ABS-CBN eh)..Lumipat din sila sa Visayas Avenue nung mga 1992-93 yata..

Yung Broadcast City studios ay ginagamit pa ng ibang networks(pati GMA 7 umuupa dyan AFAIK)..Nakapunta na ako dyan at medyo malaki yang complex nayan...

^ok. wala pang kompetisyon masyado kaya maaaring mangyari iyan between PTV and ABS.

Well, i think GMA doesn't need to rent since they have their own new studios right now, plus the Broadway Centrum. Sa GMA din pala nagsimula si Bayani Agbayani AFAIK, kasama siya nila Randy Santiago sa Salo Salo Together. Ang naalala ko lang ay kumanta si Randy ng "You're My Everything" while playing the guitar.

Tapos nang lumipat ang EB sa GMA, nagsama ulit sila sa MTB. after ng Sang Linggo nAPO sila.

Nag shooting noon sa may Broadcast City ang crew ng Gagambino ng GMA 7 AFAIK.

Kaya lang naman ako nagpupunta sa Broadcast City kasi ang dad ko noon ay laging may dinadalang news materials dyan at dyan sya nagpapaedit ng tapes(bano talaga ang facilities nila ngayon no thanks sa payabang officials nyan na nangurakot lang ng pondo)..Dun pa nga ako tumatabay sa may canteen nila na malaki din at may basketball court dun sa may carpool-parking area nila...

Naalala ko noon parking lot lang yung GMA Network Center nung 1993dyan sa may Timog...Back then matino at "GOD-FEARING" pa ang tao ng GMA 7 noon..Walang ratings-ratings war ek-ek noon silang nalalaman,basta quality at kakaibang programs ang trip nila..

^matino ang GMA noong under Menardo Jimenez. I was watching a video where GMA won the Best Station with Balanced Programming. GMA VP Antonio Barreiro recieved the award while Nora and Vilma were there still after announcing the winner, which was the station they work with. 😊

Base sa Kapitan book, after ng Edsa 1, kapisang lote lang ng Broadcast City ang binigay sa kabubukas pa lang na ABS pero eventually, bumalik na rin sila sa Bohol/Mo. Ignacia Area.

BTW, another old show made another jump to another network:

JOJO A. ALL THE WAY!

From RJTV-29 to QTV-11 to TV5 na

let me actually correct you there.

'yung "kapisang lote" na tinutukoy mo was not in broadcast city in balara, but the props warehouse inside the broadcast center in bohol avenue--which, ironically, was originally owned by ABS-CBN to begin with (until apo macoy and his cohorts stole it from right under the lopez family's noses). the PCGG (which was in charge of the marcos government assets back in the time of tita cory) never gave ABS-CBN a part of the broadcast city compound so that the network can resume operations.

the government did not easily give up their space for PTV-4 at the broadcast center, thus relegating the entire ABS-CBN operation back in '86 to just two or three studios (out of the 7 that the broadcast center has), and the props warehouse, plus another makeshift office for the news department.

and as it turned out, the government also never gave up the channel 4 frequency, which also used to belong to ABS-CBN. the rest is television history.

Unlike the other stations that were solely owned by one family (familia Benedicto), GMA/RBS was under the control of a triumvirate composed of three families (Jimenez, Gozon, and Duavit) although we know that ownership from Bob Stewart have to be passed on to Filipino owners because of existing laws that prohibits foreigners to own Philippine companies (had to be 60% Pinoy-owned) so in a way, paikot ikot ang management sa station which stabilized its development as a network for the coming years.

Edit: Masyadong magulo kaya wag na lang 😊

May rumors na mga Marcos na ang nagpapatakbo ng GMA 7 lately..No wonder di matanggal-tanggal si Paolo Bediones sa channel nayan(BTW he's a Marcos,his grandmother ay kapatid ni "Apo"!!)...

BTW naalala ko noon yung show ni Bob Stewart sa gabi at may show din sya tuwing Saturday mornings na later pinasa nya sa anak nya!!

alam ko lang eh dating member ng Malacanang during Marcos' time ang nagpapatakbo sa GMA, who is Gilberto Duavit.

anyway, hanga ako sa management ni Sir Jimenez. Sa kanya yata iyung project na gawing 100 Kilowatts ang lakas ng transmitter nila. And umangat sila dahil sa variety of anime na pinalabas nila. Kung sa matatanda, soap opera, sa kabataan, Ghostfighter o kaya Flame of Recca. Pero nung grade 3 ako, Mojacko. 😊

gusto ko naman ang Ober da Bakod, Manoy en Mokong, 1-4-3, at 'yung kay Joey de Leon at Jomari Yllana, "Kiss Muna" yata ang title.

*Uncle Bob's Lucky 7 Club*

Yan fave ko yang show nayan,GRABE!! 😊

Momoja? 🇹🇼

Kiss Muna nga yun, Ara Mina is stil even there. 143? I remember that, Ai-Ai, Rossana, at Vic, perfect! Nalaala ko pa nga yung bahay nila eh, tapos yung door papuntang dining room, eh yung door, pang-Western or para sa mga cowboys.

At eto pa, yung mga ibang bahay na nagtatayo nung may 1-4-3 pa, naisama pa hanggang Daddy DiDodu. Hay grabe.

~Over exposed ang movie poster 🍿

*BTW naalala ko noon yung show ni Bob Stewart sa gabi at may show din sya tuwing Saturday mornings na later pinasa nya sa anak nya!!*

i never saw uncle bob's late-night show, pero base sa mga nabasa kong lumang TV guide, it was a musical/talk show, first entitled "the maestro and uncle bob", tapos naging "uncle bob and friends", then finally, "the bob stewart show"...

i was already born, though, during the time that he was still hosting "uncle bob's lucky 7 club", pero hindi ko siya napanood--ang napanood ko nang host noon was his son...

charlene gonzales (as marilen) was originally the third person in the "1 for 3" cast, alongside vic sotto (as gene) and rosanna roces (as suzy). pero hindi nagtagal ang dating bb. pilipinas-universe, if i remember right, because of "keep on dancing" which she started hosting on ABS (and, in effect, also led her to move out of another show, "eezy dancing" on ABC). doon ngayon pumasok si ai-ai delas alas (as tam, or tambulite as the prod credits for the show indicated).

ai-ai won a best comedy actress award from the PMPC for this show--ironically, during the time na bagong lipat pa lang siya sa ABS-CBN. turned out that "1 for 3" was one of ai-ai's last regular shows on GMA before moving to ABS.

the sitcom also gave an opportunity for vic and osang to eventually do a movie together--it was a viva/MZET-produced comedy entitled "basta ikaw, nanginginig pa!"...

^sandali lang si charlene doon. and doon din medyo umusbong ang career ni Ai Ai, pero supporting roles pa rin lang. Tulad sa movie nina bossing at Ms. D. kasama ni Ai Ai si Diego at introducing pa lang sina Jose Manalo. Hindi ko siya masyado napapansin si Jose sa Valiente. 😊

*Hindi ko siya masyado napapansin si Jose sa Valiente.* 😊

ako rin...una ko nang napanood si jose noong naging floor director na siya sa EB na pasingit-singit minsan on-cam...lagi pa niya kasing suot-suot 'yung headset/intercom noon, eh...

pero in one of his birthdays sa EB in recent years, may ipinakitang ilang brief clips from his bit roles in "valiente" noong binabati siya ni tirso cruz III (who was theo braganza in the said soap opera)...

i remember na ini-spoof pa nga ng tropang trumpo itong valiente ang title pa nun is, **bahaw, ang kaning lamig**

tapos dun pa pinauso ang kantang, *itapon, tapon, tapon nyo basura mo, itapon nyo*

*ako rin...una ko nang napanood si jose noong naging floor director na siya sa EB na pasingit-singit minsan on-cam...lagi pa niya kasing suot-suot 'yung headset/intercom noon, eh...*

*pero in one of his birthdays sa EB in recent years, may ipinakitang ilang brief clips from his bit roles in "valiente" noong binabati siya ni tirso cruz III (who was theo braganza in the said soap opera)...*

I remember that, especially when he appears sa Bulagaan. May buhok pa pala si Jose Wangbu sa Valienta ha.

*anyway, hanga ako sa management ni Sir Jimenez. Sa kanya yata iyung project na gawing 100 Kilowatts ang lakas ng transmitter nila. And umangat sila dahil sa variety of anime na pinalabas nila. You mentioned that anime, bumabalik tuloy lahat ng alaala ko tungkol diyan. 🇹🇼

sa 1-4-3, ang na-remember ko lang na episode dun eh tungkol sa *Mad Cow Disease* dahil yung character ni Ai-ai kumain ng pizza na may beef. 😊

Aint that back in 2000-2001? Can't remember the show but I know the hullabaloo on MCD(o) exploded on the above-mentioned years.

*i remember na ini-spoof pa nga ng tropang trumpo itong valiente ang title pa nun is, **bahaw, ang kaning lamig***

*tapos dun pa pinauso ang kantang, itapon, tapon, tapon nyo basura mo, itapon nyo*

i'd say that "tropang trumpo" segment was not exactly a "valiente" spoof, period.

although they did spoof the soap opera's intro itself--'yung may sinisinding kandila tapos may biglang sumisigaw sa background (in the case of "valiente", 'yun 'yung sound clip ng character ni michael de mesa--playing the title role of gardo valiente--na sumisigaw noong sinunog 'yung mukha niya)...

anyway, may nakita akong post tungkol sa mga kina-aayawang broadcaster at reporter, then sabi ng isa, kapag kay Mike Enriquez, takpan ang ilong o kaya patayin ang ilaw sa studio. 😊

Naalala ko lang kasi dati, kapag credits, umaabot pa hanggang sa pagpatay ng ilaw, (sa News on Q ganun pa rin yata). Then, from what i saw in Sen. Miriam Santiago's interview in Straight from the Shoulder, with Louie Beltran, they are strict when it comes to time. He

said, "ayan na po, kapos na tayo ng oras, final words na lang po...ayan na napatayan na ako ng ilaw." 🤖

another memory, sa I-Witness, Sandra Aguinaldo had a documentary about Tuna fishing in Quezon. Then she joined the fishermen to get some of the tuna then when they decided to go far, she was transferred to another boat to bring her back safely.

While transferring her, a man shouted, and it was recorded, "HOY! INGAT KAYO! MATABA SI MA'AM!" 😂

Eto noon ang isa sa pinapanood ko sa Cartoon Network S.E.A at isa sa mga una nilang animes which is Sneezing Magician:

<http://www.ail.com.hk/series/sneezingmagician.html>

Si Apollo Abraham ang dubber ni Hasshoo sa series na to AFAIK..Yung ED o closing song ng anime na to ay kinanta ni Mitsuko Horie(think Voltes 5....)..

[Play-Asia.com](http://Play-Asia.com)

yung sneezing magician kasabay ata sya ng akazukin chacha

dun ko rin napanood sa Cartoon network SEA ang english dubbed ng akazukin chacha, isa rin ito sa mga first (or second) anime na naipalabas sa CN

INTRO NG AKAZUKIN CHACHA

<http://www.youtube.com/watch?v=wAgZOelW6vY>

Sa TEN, ginagawa pa rin ata iyung pagpapatay ng ilaw after ubos na airtime ng show.

*Naalala ko lang kasi dati, kapag credits, umaabot pa hanggang sa pagpatay ng ilaw, (sa News on Q ganun pa rin yata). Then, from what i saw in Sen. well...that's simply because networks (especially the two giants) used to have enough time to display closing credits in their entirety.

also, nauso rin kasi eventually sa ilang mga newscast natin 'yung isang practice na ginagawa sa mga news program abroad--some video highlights of the day's headlines, or a live shot of some area in the metropolis is shown on screen as the credits roll...

i don't wanna start another entire discussion about networks no longer giving that much importance to a program's running time, but i just wanna mention this: kung tutuusin, even the network newscasts of the US "big three" (ABC, CBS, NBC) never display any production credits anymore. diretso na sila sa copyright notice after the anchor signs off.

around the same time, naipalabas sa ABS ang Tagalized version ng Akazukin Chacha, kumpleto pa sa tagalized version ng opening theme song. Iyun nga lang, di tinuloy-tuloy ang pagpapalabas nito.

Kahit nung pinalabas uli siya last year (when ABS were re-airing its old animes in the morning block), wala pa atang 1/4 ng anime ang pinalabas di na rin tinuloy. Good thing though inere siya ng buo sa HeroTV.

Mas type ko yung english dubs ng Akazukin Cha Cha(mind you Pinoy ang nagdub nyan....) na pumatok talaga sa Cartoon Network(parang saling-pusa lang ang ABS-CBN 2 na late nang mga 6-8 months sa pagpapalabas)..

Mahusay kasi ang dubbing director nyan sa CN Version,si Mam Ethel Lizano(sya yung dubber ni Shiine,Suzu/Orin at Prinicipal Urara sa english dubs)...Though retired na yata sya sa dubbing industry right now pero she's one of the best na Pinoy dubber na kayang magdub ng tagalog and english at the same time..

BTW may OAV's nyan na naipalabas sa IBC 13(kasama nya yung Ghost Fighter the Movie at Dragon Ball movie na released by Regal Films..) pero this time "tagalized" na sya(yup yung dubbers sa english version sa Cartoon Network eh nagdub na in tagalog this time sa OAV ng Akazukin Cha Cha)..😄 2000-2001 yata napalabas yan..

Kumpleto yung sa ABS-CBN version??Di ha..Tinagalog at may edits nga dun eh...Redub lang yung napalabas sa Hero TV na pinalabas din sa ABS-CBN pero di na kinumpleto..

Pati iyung huling episode inere sa Hero na pinakita lahat ng mga characters na um-appear sa show (friends, allies, ex-villains)?

Tsaka alam ko naman na redub siya, lalo na iba iyung boses ng kaeskuwela ni Chacha na may crush kay Seravii. Sa una, naalala ko parang frantic ang boses niya pero sa redub, dalagang boses na ang meron siya. 🇹🇼

medyo na confused ako nung naipalabas din sa disney channel yung bubu chacha, kasi akala ko noon kung ang relation ni bubu chacha kay akazukin chacha, siguro maybe they shared the same name

yung si chacha (bubu chacha) ay yung aso na nasagasaan at nag resurect bilang isang toy car, dinub din to in tagalog sa channel 2 kasabay ng judy abbot maybe around mga 2002-03.

as akazukin chacha was a girl magician who became the magical princess "holy up!"

I remember that Bubu Chacha, tsaka yung ibang characters nila, 2003 actually yan. Favorite ko pa nga yan eh

@BOKWANGTALO2: Anong show sa 7?

The one aired on HeroTV I believe was the same dub used for Bubu Chacha in ABS's morning block.

^tama yata since ABS-CBN ang gumawa sa HeroTV. at pati Balls, Velvet at MAXXX. sa Mel and Jay pala dati, they interviewed the dubbers of Mojacko, Doraemon and Ghostfighter. Siyempre, nagbigay sila ng sample, and i was impressed by the voice behind Mojacko. 😊 idol! 🇹🇼

Siya ba si Johnny Litton ng "Looks Who's Talking?" (aired back in 04 on ABC)?

^ yup. Johnny Litton hosted "Oh No! It's Johnny!" for quite some amount time. Maurice Arcache was his co-host.

Kailan yon inere? Although, his show's name is also the title of his column in the Philippine Star at present.

^ it was aired on ABS-CBN several years ago. if i am not mistaken, Cory Quirino started her career in media as one of Johnny Litton's co-hosts. ?

Ang tawag pa nga sa kanya noon *Master of Disaster*.

"what went wrong?" ang title no'n.

it was actually aired **after** "bubble gang", and right before the late-night news.

Ah ayun, hindi ko napansin na after pala siya ng Bubble Gang. noong time kasi na 'yon maaga pa ang mga palabas nila sa gabi.

On the counterpart, may movie block naman ang ABS tuwing Friday din pagkatapos naman ng primetime bida. Pero 2002 or 2003 naman yun.

And the investigative programs every Saturday night are currently aired in late timeslots (9:00, 10:00, 10:30). Instead of airing in the early evening slot (5:00, 5:30, 6:00, 6:30, 7:00, 7:30, 8:00, 8:30)

Ano kayang kanta ang ginamit ng Hoy Gising when they did their first jingle? Guitar ang instrument na ginamit. May narinig kasi ako sa Tough Hits ni Tito, Vic and Joey na katunog talaga. So, naisip ko na lumang kanta na ito.

NBC Finals na. And as usual, Pinoy ang commentators ng finals kaya medyo nakakainis pakinggan lalo na kung tinagalog. tagal na rin ang gawain ito since NBA on RPN days pa naabutan ko ang ganitong scenario.

"shame and scandal in the family" or simply "shame and scandal" ang title ng original na kanta where the tune of the "hoy gising" theme was based on.

### **Kool on Kam**

Updated April 23, 2002 12:00 AM

Isa na namang una sa larangan na TV programming--kilala naman talaga kasi ang ABC sa pag-produce ng mga orihinal na programa-- ang Kool on Kam ay nagbigay daan sa makabagong idea at isa pang lebel, o new craze, sa history ng FM radio. Unang ipinalabas kahapon (Lunes), 11:30 p.m., at mapapanood mula Lunes hanggang Huwebes sa ABC, the 30 minute K-O-K will feature a unique version of The Big Mix, on simulcast over Kool 106, via multi-split screens.

Ang makabagong twist na ito sa larangan ng FM radio at TV ayon kay ABC VP for radio na si Marc Gorospe ay isa na namang ingenious effort ng ABC at Kool para palapitin sa mga

manonood at tagapakinig ng Kool 106. "Ang mas pinagaling na Kool is back with cool surprises and bigger changes to put "fun" back into the airwaves, "sapagkat ito ang nakikita niyang kulang sa airwaves ngayon at para rin ibigay sa mga Filipinos ang tunog na hanap nila," dagdag pa niya.

Guys, aling sa ice cream brands natin dito (Selecta, Magnolia, Nestle) ang gumamit ng That's The Way (I Like It) bilang jingle ng isa sa mga commercials nila noong Dekada Nobenta?

Hindi ba sa hotdog ginamit iyan? Parang naalala ko kasi iyan habang may hotdog na umaalog-alog sa screen eh. 😊

@j5bata: medyo off topic lang po. Naisip ko din iyung "I just can't get enough" na song. Aside from "That's the way I like it." The former was used in a hotdog commercial, but not Purefoods, and the latter maybe used for an ice cream commercial.

I know for sure the one with "That's the way I Like it" was aired the same time that Alvin Patrimonio began appearing on TVC for Purefoods TJ Hotdog.

"That's the Way I Like It"? Nestle Non Stop ata, I remeber airing that kapag UAAP games. And yeah, that was also used in a segment sa MTB of ABS-CBN entitled "Cash the Way, Kaha-Kaha I like it" (not sure, basta ganun) , nung mga 2002 siguro.

My favorite GMA 7 shows

(First of a series)

GMA 7 marked its 59th anniversary with an extravaganza staged last night at the Araneta Coliseum. Billed as One Glamorous Night: Greater and Grateful at 59, the show will be aired under the Sunday Night Box-Office (SNBO) banner on June 28, most likely after Ful Haus.

GMA — then known as Republic Broadcasting System — began its operations (but radio only) in 1950. Television didn't come until more than a decade later.

Unlike today, where everything you see is local production — save for a couple of Korean telenovelas that are even dubbed in Tagalog — most shows on Channel 7 in the past were canned programs (the most popular in the US): *Combat*, *Mission Impossible*, *Sunset Strip*, *Charlie's Angels*, *Three's Company*, *The Golden Girls*, etc.

Until the '80s, the network's prime market was the A-B crowd. But Channel 7 wasn't exactly lacking in good local productions in those days. The few that it had were among the best produced and starting in this series, I will go down memory lane and share with you my favorite local shows on GMA 7 from the past to the present.

Uncle Bob's Lucky 7 Club — What kid of my generation didn't watch this children's show hosted by Channel 7's founder, Bob Stewart (he died only a few years ago in Arizona)? Oh, those were the relaxed days of television — unlike today where every minute is so precious: You are given only a minute or two to interview a celebrity guest who spent hours in the beauty salon and even longer on the road to get to the station. The way Uncle Bob conducted his show — it seemed like he had all the time in the world (nobody could rush him to begin with — he owned the network). What I couldn't forget about this program were the latest toy models — mostly robots — that were endorsed by Uncle Bob. Although that awakened the covetous side in me, it taught me how to strive harder to attain what I want in life. And yes, I still have a few pieces of those toys I saw in Uncle Bob's Lucky 7 Club — reminders of the early days of Channel 7.

Baltic & Co. — Based on the comic strip by Ronnie Santiago of the Manila Bulletin (one of the three dailies allowed to operate during martial law), this comedy, which premiered in 1974, was about office life and among its mainstays were Angelo Castro Jr. (he was a TV-movie actor before he got into broadcasting), Menchu Genato (now Mrs. Quinito Henson and also Tita Maggi in the noodle soup commercial), Mely Tagasa a.k.a. Miss Tapia (she still used the same name when she did *Iskul Bukol* four years later) and the late Bert Marcelo and Ricky Manalo. The show featured respected guest performers and among them was no less than the late great Rita Gomez, who played a sidewalk vendor and gamely allowed herself to be deglamorized for the part.

Kapwa Ko, Mahal Ko — Public service programs (especially of this type) are usually depressing to watch. But with Rosa Rosal there and then you throw in Orly Mercado, you have an engaging tandem. If there was one thing viewers learned from *Kapwa Ko, Mahal Ko*, it was how to share what you have with the less fortunate. Of course, the church had been preaching that from the beginning. But there's nothing like the influence of television to send the message across.

Student Canteen II — I say II because the original Student Canteen was born on radio and was first telecast on ABS-CBN in the early '60s. In January 1975, however, this lunchtime show was revived on GMA 7 with Eddie Ilarde, Pepe Pimentel, the late Bobby Ledesma and

Coney Reyes. For seven solid years, it was the king of noontime programs.

Discorama — Tito, Vic & Joey first worked together in the gag show Okay Lang in 1973 on Channel 13 (along with the APO, who would later become their rival). But it was in this Saturday early evening variety program Discorama where the now-legendary trio gained national prominence. Although the real star of the show was Bobby Ledesma, Tito, Vic & Joey developed their own following among TV viewers — thanks to their Tough Ten hits, which spoofed current hit songs around that period.

Tanghalan — A PETA production in cooperation with the Social Communication Center, this was a drama anthology (aired every Wednesday from 8 to 9 p.m.) with Lino Brocka directing each episode. The show was daring, especially that time when people were more conservative and living in fear under martial law rule. But it dared tackle social issues — like poverty and prostitution. One of its early episodes was Orlando Nadres' Paraisong Parisukat, which is about exploitation in the work place (in a shoe store). Its female lead was Melvi Pacubas. When Paraisong Parisukat was turned into a movie in 1976, Alma Moreno became the leading lady. Less than two decades later, Jose Javier Reyes did a remake with Joyce Jimenez, but the material no longer worked, sadly.

Penthouse Seven — A descendant of Dancetime with Chito (the first ever local production of Channel 7), it was hosted by Archie Lacson, who was one of the dancers of the '60s dance show. Piloting in 1975, it aired every Sunday very late at night and it featured the latest in disco trends, plus Latin dances. One of the mainstays of the program was Ida Henares, who eventually became the head of the GMA Artist Center. From the dance floor below, she has moved up to the executive offices upstairs (that's what I call success). Penthouse Seven was actually viewed by both the sosyal and the social climber and so it was assured of a captive audience. Strangely enough, it was canceled without warning. Pope John Paul II arrived in February 1981 and the show was pre-empted to give way to the Papal coverage and never returned. When the former Penthouse Dancers (Ronnie Henares, Gina Valenciano — plus the other members who even flew in from the US) had a reunion dance concert last year, I asked them why it was canceled, but no one knew the answer (it was still a popular show when it disappeared). It remains one of the big mysteries in the history of local TV to this day.

Ms.Ellaneous — Until the mid-'70s, if you were an unmarried woman, you were formally addressed as Miss. But advocates of the women's liberation movement insisted on being called Ms. — married or unmarried, just like Mr. When GMA 7 therefore launched on July 7, 1977 a show featuring three female hosts — Tina Revilla, Ma-an Hontiveros and Yogi Diminguez — they called it Ms.Ellaneous. The title was apt because the content of the show was, well, miscellaneous: It was talk, instructional, quiz, documentary and even game. Directed by Maria Montelibano (the late Mitos Villarreal eventually took over), it will go down history as among the most polished programs when it came to presentation and with substantial content to boot. It is unequaled to this day.

(To be continued)

Of all the shows mentioned there by Butch Francisco, only one, I believe, is still on the air: Kapwa Ko, Mahal Ko. Last time I saw this program, it was pushed from weekdays to weekends on a very early time.

Orly Mercado is station manager for RPN/CS9 and one of the anchors for News Watch.

^^medyo pang-sosyal nga dati ang GMA noong 70s-80s. And ABS-CBN, on the other hand was the station for the youth in the 90s. Aside from Power Rangers, classic anime shows like Cedie, Sarah, and The Adventures of Tom Sawyer, they also had music videos, every after FLAMES. Star Music Video yata ang pangalan. Doon ko unang nakita ang Session Road, si Jeffrey Hidalgo, Jeremiah, at Tootsie Guevarra.

Nakakasawa pero at the same time nakakaexcite panoorin noon ang "Nanghihinayang" kasi transition siya mula sa mga dramang panghapon hanggang sa mga pambatang palabas.

@j5: Wala na siya sa NW, full-time ang front office job niya

@headvm08: Yeah, Star Music Videos nga yun.

^nabasa ko minsan na inappoint si Orly bilang ambassador sa ibang bansa, ginampanan ba niya iyun o hindi na lang niya talaga kinuha (Since ka-aappoint lang sa kanya bilang SM ng RPN).

may Hagibis nga yata din one time sa SMV. nakakasawa talaga kasi paulit-ulit ang videos kasi limited pa lang ang mga recording artists ng Star Records.

Sa GMA 7 ba nadiscover si Willie Revillame? Drummer siya dati di ba? Naisip ko lang kasi may pelikula siya dati with Joey de Leon under Viva Films. Mga preso yata sila tapos may kasama silang patay. 🇵🇭

June 2009 Update for POP Myx and the rest of the MYX shows.

Opposed to past OBB updates, POP Myx didn't use that "Pop" theme song that's always present in all the openings that the show had through the years.

It's been that since the first opening where we see Heart Evangelista is chewing a

bubblegum then trying to blow it out until it pops with the Pop Myx logo coming out from it (Fun fact: It had the most updates compared to other Myx programs)

yeah, i know this show, pero...ang layo naman sa "chicks to chicks" nito. 🤔

what butch francisco might've also forgotten to mention was that the APO would also take over from TVJ on "discorama" after the latter group bolted GMA for a then-upstart "eat bulaga" on RPN.

what i meant by "unang kinanta ni florante" sa post ko was, florante sang it ("handog") first (before they started using it sa mga awards night).

i'm not sure kung nagpang-abot pa 'yung "chicks to chicks" at "sic o'clock news" sa IBC.

i would think that "chicks to chicks" transferred from IBC to ABS-CBN (where it was retitled "chika chika chicks") in 1987 (right after freddie garcia rejoined the network). "sic o' clock news" would've probably premiered that same year.

but yes, both shows were on the air pretty much into the late '80s.

Marami naman talagang shows noon sa IBC 13 nung late 80's na nagsilipat na sa ABS-CBN 2 nung mga panahon nayan(Okay Ka Fairy Ko, Sharon at iba pa)...At least yung RPN 9 medyo nakakasurvive pa noon..

Eat, Bulaga! (with hosts, from left, Jimmy Santos, Joey de Leon, Aiza Seguerra, Lady Lee, Ruby Rodriguez, Christine Jacob and Vic Sotto): The longest-running noontime show  
| Zoom

(2nd of two parts)

The highlight of the GMA 7 grand anniversary — billed as One Glamorous Night: Greater and Grateful at 59 — staged last Friday at the Araneta Coliseum (to be telecast this Sunday, June 28) was the parade of the hundreds of stars of the Kapuso network.

Yes, GMA 7 is 59 — starting out as a radio station in 1950. Since it opened its television network in 1961, it had seen a parade of top quality programs — both local and foreign.

Last Saturday, I began making a list of my favorite local GMA 7 shows from as far as my memory can recall. Here is the conclusion:

Pamilya Bato-Balani — This comedy is about two warring families — next-door neighbors, actually. With Apeng Daldal and Metring David in the lead, its comic style required the best of timing and this was delivered on the dot all the time by the two vaudeville veterans

Late Night With June & Johnny — June Keithley and Johnny Litton capped the week with their very interesting on-air banter with guests, who came from different fields. There was the Bionic Boy, who — so Rene Mariano later told me — turned out to be a hoax, Leo Parungao and his dwarfs and an odd assortment of faith healers. But the line-up of guests most viewers looked forward to were the celebrity friends of both June and Johnny: Mitch Valdes, Ronnie Henares, Ed Gatchalian, Ma-an Hontiveros and even Bibeth Orteza. It was like they were letting us in into their private world. June and Johnny also began the tradition of roasting a birthday celebrator (it was actually picked up from the show of Dean Martin)

and soon after, every other local program was doing it — even in private birthday parties. Again, that's the influence of television.

Two for the Road — Aired Monday nights, this show had its beginnings in pre-martial law ABS-CBN with Elvira Manahan and Eddie Mercado hosting and Nestor U. Torre directing. When it was revived in the late '70s, it had a brief stint on Channel 4 (with Nestor as Elvira's co-host) before it found its final home on GMA 7. The show could have gone on, except that in 1986, Nestor joined the cast of Eddie Romero's *The King and the Emperor* that was shot in China for six months. Before he could even return to the show (they got guest co-hosts in his absence), Elvira had been murdered in her Forbes Park home.

Prinsipe Abante — A spoof of the classic Clodualdo del Mundo Sr. work (aired on radio) by Bert Marcelo. Aired early evenings, it was the funniest, especially the rapport between Bert and Bayani Casimiro, who played the king.

Kahapon Lamang — An Eddie Ilarde-annotated radio show transported into television, it sometimes featured daring themes. One never made it on air because the censors (then under the military) didn't allow it: A story of incest starring Joey de Leon.

Lovingly Yours, Helen — Originally a radio program, this drama/counseling show debuted on TV in October 1980. Not your usual sappy melodrama where characters scream and slap each other around, it won a lot of critical acclaim and was even recognized by the Gawad CCP Para sa Telebisyon. This Sunday afternoon drama still went on air for a while even after Helen Vela's death on Feb. 14, 1992. Daughter Princess Punzalan carried on with it, but nothing beats the original. The show packed up and Princess later became an award-winning villainess on ABS-CBN. She is now happily married to an American and currently works in a bank in LA.

Viewpoint — Piloting the year after the assassination of Sen. Benigno Aquino Jr., it was fearless. Its anchor, lawyer Dong Puno, interviewed a lot of political personalities with anti-Marcos sentiments. To this day, I salute lawyer Puno for having started that public affairs program.

Lunch Date — This noontime show took over Student Canteen in 1986 and was hosted by Orly Mercado, Rico J. Puno, Chiqui Hollmann and Toni Rose Gayda. When Randy Santiago was taken in the year after, he — with his pair of shades — became an instant sensation and the show lorded it over in the noontime slot. A lot of other talents later hosted this show: Tina Revilla, Louie Heredia, Ai-Ai de las Alas, Lito Pimentel, Verni Varga and for a while, Pilita Corrales.

Tanghalan ng Kampeon — This talent search was Wilma Galvante's brainchild when she was with Channel 9. When she later moved to GMA 7 where she is now Senior Vice President for Entertainment TV, she brought it with her and the show became an even bigger hit — what with the winnable tandem of Pilita Corrales and Bert Marcelo.

GMA Tele-sine — Imagine a made-for-TV-movie every week? I don't know how the network

managed (expenses and all), but it did and viewers had a feast every Sunday evening watching a new TV movie with big stars in it.

Kapuso Mo, Jessica Soho — Jessica is able to come up with polished stories every week — thanks to excellent research and getting the proper angles (every newsman with the eye and instinct knows this).

Imbestigador — Hard-hitting and courageous, this public service program anchored by Mike Enriquez teaches people from all areas (especially the public servants) to behave.

Case Unclosed — I like history and going back to the past and this is what this news and public affairs program does every week — tracing stories that didn't have closure.

Family Feud — I got so addicted to this game show hosted by Richard Gomez — to the point that it was already running my schedule and my life. I know it's making a comeback soon. Oh no, there goes my life and schedule again.

Eat, Bulaga! — GMA 7 is its third home and there is an industry belief that wherever it is aired, the network becomes Number One.

Startalk — It's my all-time favorite show for obvious reasons.

^karamihan pala ng discoveries/pioneers ng GMA 7 ay lumipat sa ABS-CBN at mas gumanda ang career. Wala akong kinakampihan pero iyun ang napansin ko. Sina Randy Santiago, and Ai Ai Delas Alas nang lumipat sa dos, naging main host ng MTB at si Ai Ai naman naging box office queen starting from Tanging Ina to BFF. At ka-level na niya si Ruffa ngayon. Hindi na siya pa-extra-extra unlike before.

Pag pioneer ng GMA ang usapan, nandiyan si Tina Monzon-Palma at Dong Puno, na nasa channel 2 na (i'm not sure for Dong Puno, if he is active in ANC). But it goes the same way around for ABS. 😊

Speaking of GMA Tele-sine, there was an episode for the halloween. "Bahay" was its title, starring Anne Curtis and Jacqueline Jose. It was a story of a haunted house bounded by demons. There was a symbol that consists of a triangle with an eye in the middle that's really creepy I could not sleep. 🙈 Parang nakikita sa anting anting yata ito.

Meron pa nga yata starring Ana Capri as a psychologically challenged woman who was accidentally hit by a car of a certain group of teenagers who are in vacation. In all the places they would go, the woman always follow them and say, "sama ako." Complete with bloody make-up and prosthetics. 🙈

Butch forgot the Coney Reyes on Camera-isque anthology series starring Mikee Cojuangco and her lovable white horse as well as TGIS etc.

butch also forgot to mention that boots anson-roa also took over hosting duties for the final year of "lovingly yours" (the show folded up in 1995, if i remember right), while princess went from host to lead actress for each episode...

Got to sneak-in again in DLSU to read on that Kapitan book once more and read more on Philippine TV history although some may have already posted what's written below:

1. ABS took the first step on introducing color TV in the Philippines although the problem lies with the availability of TV sets that could carry color broadcast signals at a time when TV in the country is still in B/W.

2. As I've posted earlier at the sister thread, according to "Kapitan", ABS's news division is not exactly the best among the best during its early years. The division only had a few employees, with one guy (I couldn't recall the name, his name starts with an H--- I think).

2. ABC-5 was the best place for viewers to tune in for news because of the reputation the Roces had built with the Manila Times while the Lopezes' Manila Chronicle is not "strong" yet.

3. Geny Lopez wanted to give equal emphasis on both entertainment and news so as history foretold, the news division began to catch up in the competition.

4. "The World Tonight" made its debut in the 1960's and its name was derived from a foreign broadcasting network's news program titled "The World Today". It first aired on CBN-

9 then later jumped ABS-3. I skipped some parts but I'm guessing it was discontinued following the implementation of Martial Law (Hard to rely on Wiki these days). it resurfaced again as ABS-CBN's late night news program and eventually jumping once again to another channel, this time on cable: ANC.

5. Hal Bowie I'm guessing was the first anchor of The World Tonight (Source: Wiki). Back then, ABS doesn't have the capability just yet to do news gathering of its own. The format of their news programs are as simple as having to read the news from a newspaper. ABS also found it hard to secure advertisers. they had one, Caltex, but had to back out because of the Chronicle being "political".

6. Even before, the news division was plagued with technical errors, bloopers and unwanted attention. Examples are: 1)Wrong footage was shown while the anchor was delivering a rather different story, 2)Again, I can't recall though if this is Hal Bowie pero nakasulat doon that the anchor was a heavy smoker. The smoking took its toll while he was doing a live show, he coughed and cough some more until he had to stop from what he was doing because of his coughing. The program took a good 10 minutes or so before it cut to a commercial break. The good thing: He stopped smoking since.

7. It was Geny Lopez's dream of setting up a 24/7 all-news station. Before ANC, there was Radyo Reloj but it was an immense failure because most stations at the time were a mixture of sorts: Entertainments, news, and both. The establishment of ANC (initially Sarimanok News Network) was the realization of that dream. 🇵🇭

8. The Big News and The World Tonight was described in the book as not just "rivals" but also "professional friends" (Need to recheck that detail soon.)

^may ganito rin ba ang GMA? Iyung parang coffeetable book ng history nila? Medyo interesting din ang history nila. 😊

^Actually, "Kapitan" is not just a coffee table book only about ABS-CBN but Philippine TV History itself in general. Major parts of the book covers the development of other television networks that followed after the birth of Philippine television in 1953: CBN, MBC, RBS, ABC, IBC, KBS, etc.

GMA came out with "GMA gold" back in 2000 in celebration of their 50th anniversary. meron pang pa-ilan-ilang kopya nito back in 2007 sa national bookstore sa galleria just before i migrated...pati yata sa powerbooks sa greenbelt noon...

i would think na, bukod sa ABC (which had "ER", "friends" and "frasier" on their primetime sked), nagkaroon ng mas matinding competition sa pagpili ng foreign shows ang RPN when studio 23 signed on. for one thing, RPN eventually lost the airing rights for "buffy the vampire slayer" to 23, which also aired the "buffy" spin-off, "angel".

for a short while in the '90s, manilyn reynes became one of RPN's main stars...'yung bansag sa kanya noong "the star of the new decade", i believe it was on RPN where i first heard that--especially when they promoted manilyn's short-lived musical-variety show "manilyn live!"...and german moreno's "young love, sweet love" (whose title was eventually shortened to just "young love"), which was originally a vehicle for all his "wards" from GMA's "that's entertainment", later had manilyn as the lead actress in every episode--kumbaga, naging parang drama anthology niya (without having her name in the show's title).

8. *The Big News and The World Tonight was described in the book as not just "rivals" but also "professional friends" (Need to recheck that detail soon.)*

dalawang "H" ang naging unang anchor ng original na "the world tonight" in 1966: hal bowie and henry halasan. but halasan would eventually anchor the newscast solo because bowie was, by then, getting much older, and chose to concentrate on special reports.

it was also henry halasan who suddenly lost his voice on the air as a complication of his smoking habit.

true enough, with ABS' closure in '72 (because of martial law), the newscast temporarily went off the air. but, as i read in some newspapers during that period, when romeo jalosjos (the same romeo jalosjos who became congressman, and is now a "muntinlupa resident") brought some "orphaned" ABS-CBN shows to the old RBS-7 as a blocktimer (and with geny

lopez's permission), the newscast somehow "resurfaced" (sort of) as "the world today", produced by jalosjos' company (philippine production center, inc.), and also with halasan as anchorman. channel 7 continued airing "the world today" for a few days after the rebranding to GMA radio-television ARTS in august '74. it finally went off the air when they put up their own station-produced newscasts (back then, they did three during the evening hours: the 30-minute "GMA evening report" at 6pm, a 15-minute "GMA news roundup" at 9pm, and a 5-minute "GMA news digest" at 11pm).

and yes, not just the reporters of ABC and ABS-CBN, but even the network owners themselves were friends outside the corporate "battlefield". for instance, as the book mentioned, geny lopez and don chino roces (the owner of ABC and the manila times) often went fishing together. there's also a mention there of ABS-CBN TV airing a rival station's TV spots for free after the latter's studios were destroyed by a fire (i'm guessing this was MBC's channel 11--i think i read from some old magazines back in the early '70s na may ganito ngang nangyari sa kanila).

I read that the Philippine Production Center Inc went bankrupt because of some mishandling of its assets (Jalosjos was somehow involved). Most of the shows and the talents then transferred to IBC.

And history repeated itself when some GMA crewmen helped their colleagues from ABS put out a fire raging an ABS-CBN OB Van a few years back which proves that fighting over ratings is meaningless and that serving the Filipino is the topmost priority for all broadcast networks.

*I read that the Philippine Production Center Inc went bankrupt because of some mishandling of its assets (Jalosjos was somehow involved). Most of the shows and the talents then transferred to IBC.*

yes, that was late december in 1973 when it happened.

on new year's eve that year, to be exact, PPCI ran an ad on the daily express (the marcos crony-owned newspaper) promoting a holiday telethon called "operations: bigayan" on IBC 13 (then owned by henry canoy and RMN...it would be sold to roberto benedicto--the same crony who owned the daily express--a little less than 2 years later), which partly served as a vehicle to announce the transfer of the PPCI-produced/former ABS-CBN shows from RBS-7 some of the former ABS-CBN-turned-PPCI talents like nida blanca, dolphy, tina revilla and ariel ureta were there.

meanwhile, on that same paper that very same day, RBS-7 also ran an ad with the tagline, "1974: the action year!", promoting its new and continuing shows on the channel. of course, in the middle of that then-upcoming year ('74), a new management team took over and rebranded the network.

interesting note: PPCI produced its local programming out of the then-inactive ABC-5 studios (the network had three) in makati. this was because RBS (its first "home network") did not have enough studios to support that many local productions. also, the shows were "demoted" to black and white from being all-color (on ABS-CBN), because channel 7 was not able to air in color until 1974--they were the last out of the pre-martial law networks to do so.

OT: Speaking of Daily Express, sayang iyung dating office nila malapit saPort Area along Roxas Boulevard. Puwede sanang irenovate at gawing historical site considering intact pa sa ngayon iyung signage ng Daily Express.

Did you notice Michael Jackson was visited in Asiaworld, Paranaque in 1996. ABS-CBN and GMA also covers that. Arnold Clavio and Susan Enriquez also covers that, I saw last night on Saksi and ABS-CBN, i saw on Bandila last night that there is Loren Legarda at nakita ko si Vandolph doon noong bata pa siya.

Two clips from MJ's concert here in Manila:

In the Closet

Stranger

RIP, MJ. Nakakagulat talaga ang balita.

anyway, sa In the Closet video, nandun pa yung rainbow satellite logo ng GMA, and it was enclosed in a rectangle. Yesterday, Arnold Clavio showed his old clip about MJ's arrival in NAIA while thousands in attendance where waiting for him at the tarmac.

ngayon ko lang nalaman na may naging on screen logo ang gma na rainbow na network na naka enclose sa rectangle. ang naabutan ko kasi un nang rainbow logo.

another one..medyo off topic: kung sino man taga-naga city dito..dun sa studio ng campus

radio naga at dating site ng transmitter ng relay station ng gma 7 dito sa naga sa dmg building sa penafancia ave...nandun pa 'yung rainbow logo ng gma. di pa nila pinapalitan. baka dun sa bagong site 'yung kapuso logo na ang nandun..di pa kasi ako nkapunta dun.

anyway..'yung napanood ko na coverage ni arnold claudio ng visit ni michael jackson, nakita ko 'yung old logo ng saksi.

at reporter pa ng ABS-CBN News si Loren Legarda nung kasama niya si Jacko na bumisita sa isang hospital. He described Filipinos as "very spiritual".

ABS has a couple of clips uploaded on its news website.

Around the time na pinalabas na Mojacko, wala na by that time iyung rectangle border ng logo.

I've read from a Multiply site that GMA is going to push a number of its primetime programs by 30 minutes with an hour-long drama airing at 6 resulting with the push of 24 Oras and its follow-up programs to 7pm onwards. I'll repost what I said on that site.

For the past 15 years or so, the 6:30 slot have been identified with the airing of primetime newscasts for both the two networks [ABS and GMA] and I believe there were past attempts of moving these types of programs in an early time slot or even later but ends up going back to just 6:30.

Last time, TV Patrol aired 30 minutes earlier at 6pm back in 05 but retreated back to 6:30. But it'll be indeed interesting to see how GMA would fare on placing its primetime newscast on a later time.

I'll double check 7's schedule to make sure 🏠

*(Darn, I don't get to watch that much TV nowadays...)*

I'm not sure kung yung specific time ng 24 Oras ang i-momove. Pero base sa napanood ko kanina may mga shows na binago ang timeslot dahil sa pagpremiere ng All My Life.

Ito yung lineup ng GMA Telebabad starting Monday:

- Hole In The Wall
- All My Life
- 24 Oras
- Zorro
- Totoy Bato

- Adik Sa 'Yo
- Cruel Love

ito ngakaririnig ko lang kay Joey sa Startalk. 6PM daw ang All My Life. That may mean na baka maging 6:30 o 7 PM ang 24 Oras.

anyway gusto ko sana ang All My Life gawing after na lang ng 24 Oras. At saka ang Adik Sa'Yo dapat i-move to an earlier timeslot. Palit dapat sila ng Totoy Bato. Since ang Totoy Bato contains some adult-themed contents.

I miss the times na ang mga soap operas/telenovela ay 30 minutes lang ang duration. Ngayon halos 1 hour na or more. Saka exact time ang pag-ere ng mga shows. Ngayon walang exact time na, basta may sinusunod lang na lineup.

Gusto ko rin dati ang timeslot ng Bubble Gang dati. 8:30PM. Ngayon kasi inaabot na ng 11-12PM.

I remember Michael V saying that Bubble Gangs is about an hour and a half long habang binabati iyung mga manonood usually pag tapos na ang isang episode.

Indeed, nalalala ko after Ghost Fighter ito or later on after Daimos but not as late as 11pm.

Problema ngayon sa 2 networks is they take too much ad load per hour. Okay lang sakín kung isang oras ang bawat palabas sa primetime basta ginagamit ng mabuti ang nakalaang airtime sa pagpapalabas mismo ng show at hindi panay commercial. Bitin ang 30 minutes kung 1/3 o higit ay allotted sa ad load.

Lalo na pag may live show na nagoovertime ng madalas. Nasasakripsiyó minsan ang mga susunod na shows na super late na naipapalabas at wala sa nakalaang oras sa kanila.

Sana may stricter regulation ang KBP, NTC o kahit anong governing bodies pagdating sa pagmamana ng mga commercials. Alam ko pinaiksi na supposedly ang mga commercial load per hour pero it's kinda of hard to tell the difference however.

this was the logo used as the "on-screen bug" in the MJ concert clips...it first came out 1994, shortly after GMA was chosen to be the official network for the 1995 papal visit and

world youth day...

with this logo (usually enclosed in a rectangle), GMA became one of the first local networks to use an "on-screen bug" during regular programming--back in the day, all networks didn't display any logos on screen within their programs, except during big live specials or sporting events... 'yung "parental guidance" na notice lang ang naka-display if the program is rated such, otherwise none at all--just the show you were watching...

[http://upload.wikimedia.org/wikipedia/en/6/6d/GMA\\_97.png](http://upload.wikimedia.org/wikipedia/en/6/6d/GMA_97.png)

the GMA logo was updated into this one in '98, after their 100kw transmitter was switched on. this would also turn out to be the last logo that carried the network's long-time tagline, "where you belong" (because from this logo, the network gradually made a transition into their "kapuso" branding)...

^nice heads up on GMA's logos. That old rainbow satellite was also seen in negosiyete, aside from WYD 95 and MJ's concert, while the rainbow logo only with the tagline "where you belong" was prominently seen in Eat Bulaga, SOP, and at the height of anime shows like Mojacko, GhostFighter, Fushigi Yuugi and Flame of Recca.

Like what I've said before, these anime shows were GMA's version of primetime programming, before making a series of soap operas. 🇵🇭

yes..i remember watching animes on primetime. i used to watch flame of recca, fushigi yuugi, pokemon. i don't remember watching mojacko though. naalala ko nung nag show ng animes sa primetime ang gma..nung time na gusto ko ang mga anime. ngayon di ko na nagustuhan manood ng mga anime.

ngayon ko lang nalaman na walang "on screen bug" noon. kaya pala in some old footages di ko nakikita ang logo ng stations. kung sa rpn siguro marerecognize dahil sa on screen clock.

^mojacko and doraemon were not in the primetime slot. They were shown before Saksi and Frontpage respectively. Katulad sila ng timeslot ng Zenki and Tom Sawyer ng ABS, pero nauna ang ABS doon.

*^nice heads up on GMA's logos. That old rainbow satellite was also seen in negosiyete, aside from WYD 95 and MJ's concert, while the rainbow logo only with the tagline "where you belong" was prominently seen in Eat Bulaga, SOP, and at the height of anime shows like Mojacko, GhostFighter, Fushigi Yuugi and Flame of Recca.*

err...ganito 'yun: kung ano man 'yung official GMA logo at a given period, 'yun 'yung ipinakita sa bawat show--although sa pagkakataon ko, for a while after GMA started

implementing the use of a permanent on-screen bug, sa lahat ng pre-recorded programs (sitcoms, drama series, cartoons, movies) pa lang ito ginamit. hindi pa ito ginamit sa mga live variety shows like EB, GMA supershow (before 1997) or SOP (from '97 onwards), until the MTRCB "automatically" classified all live variety shows as "parental guidance" sometime in the late '90s.

*ngayon ko lang nalaman na walang "on screen bug" noon. kaya pala in some old footages di ko nakikita ang logo ng stations. kung sa rpn siguro marerecognize dahil sa on screen clock.*

tama...'yan 'yung naging distinct sa on-air "look" ng RPN noon without the need for the network logo on the corner of the screen. as i mentioned many pages ago here, it turns out that their sister networks/fellow broadcast city "residents", IBC-13 and BBC-2, would also display this very same on-screen clock, pero sandali lang, and during random times within the programming day, unlike sa RPN mismo na naka-display talaga during every show (except during commercial breaks).

i also remember that IBC-13, after they launched their "pinoy ang dating" tagline, had their viewer rating bug as "patnubay ng magulang kailangan" instead of "parental guidance" (and why not? "pinoy ang dating" nga naman...).

ang ABC naman, aside from the on-screen viewer rating bug on one corner of the screen (if necessary), naka-display din sa lower left 'yung pangalan ng program na on the air--they continued with this practice for a while after they added their logo on the upper right corner of the screen.

Studio 23 also followed suit, pero di na sinama iyung mga local programs nila (in-house or blocktimer). Mga foreign programs lang at sa ilang "local shows" tulad ng Barkada Nights, Lunch Box Office (Weekday Tagalog Movies>Asianovelas>Weekly Foreign Movies) at Studio 23 Presents.

yes..i do remember seeing the name of the program sa lower left part sa abc. i forgot kung kailan maybe mga late 90's to early 00's ata.

at sino ang nakakaalala ng paglagay ng name ng susunod na show sa lower left corner. i think una kong nakita ito sa qtv 11 (qtv pa hinda pa q 11). nag popop-up sa lower left corner ang name ng susunod na palabas. i think mga 2007-2008 ko ito nakita. ginawa rin ito sa gma 7 pero hindi masyado tumagal. (yung parang the heart popping up then showing the name of the next program then disappears and reappear once more). ginawa din ito ng abs cbn 2007-2008 ata (yung parang yellow bar sa lower part ng screen sliding from left to right then showing the next program). and isa pa..pinapakita ito bago magtapos ang program.

gusto ko rin ngang gawin ito ulit ng mga tv networks. very useful sa mga hindi nakakaalam ng ng susunod na palabas o para malaman na patapos na ang program.

Let's talk about the rating bug of ABS-CBN and GMA and the investigative programs and the magazine programs moving to its late timeslot every weekend nights. 😊

ginagawa rin 'yun ng ABC in the '90s, although they used a live character generator instead of prepared graphics (like what Q, GMA or ABS did starting about 2 or 3 years ago) during the last few minutes of a show...tapos after the end of the preceding program, may 5 or 10-second-long "up next..." video teaser pa ng kasunod na programa--something that only ABC was doing at a time when other networks only relied on recorded voice-overs played near the end of one show to plug the next one (ABS and GMA were doing that even into the late '90s)...

for those old enough to remember watching the antics of larry and balki on ABS-CBN, then later on RPN...

- this is the intro to the sitcom "perfect strangers" that most of us probably remember, but...

<http://www.youtube.com/watch?v=qfeHaRHy1bk>

- this is the original (first season) intro to the sitcom...

the voice behind the theme song is one that a lot of us pinoys actually know so well: that of david pomeranz (who we otherwise remember for the "unofficial" theme songs to many a JS prom or school dance: "king and queen of hearts" and "got to believe in magic")...

In loving memory of Farrah Fawcett, here's a vid of the first season opening of the Aaron Spelling action series "Charlie's Angels" and itsfull theme song

*ginagawa rin 'yun ng ABC in the '90s, although they used a live character generator instead of prepared graphics (like what Q, GMA or ABS did starting about 2 or 3 years ago) during the last few minutes of a show...tapos after the end of the preceding program, may 5 or 10-second-long "up next..." video teaser pa ng kasunod na programa--something that only ABC was doing at a time when other networks only relied on recorded voice-overs played near the end of one show to plug the next one (ABS and GMA were doing that even into the late '90s)...*

The networks are not very consistent on airing "coming up next" crawlers after they abandoned doing voice over announcements. Ang ginagawa na lang nila ngayon ay gumamit ng mga crawlers sa lower part ng screen para i-promote iyung mga programs nila/magadvertise ng mga produkto

Studio 23 and QTV so far still do this (23 abandoned doing VO's during the closing credits of its programs since 2006/07) but not all the time. The former however use crawlers and short 10-15 second stand-alone promos when announcing a change in their program line-up although there are times that these changes occur without prior notice.

^yes i do remember sa studio 23 yung may vo at the end of the show.

and oo nga..ang mga nasa lower part na lang ng screen ay mga advertisements, program changes, new show endorsements, and breaking news.

alam niyo pala yung kung mamahalin ka (tama ba?) starring sunshine dizon and ana capri. i used to watch that drama. i think yun ang isa sa mga sinubaybayan kong series since nung nag start magpalabas ng mga drama sa primetime ang gma 7.

anyway bakit kaya parang basag ang tunog ng nbn ngayon?or baka sa local relay station lang dito sa naga. kasi i used to watch sa ptv4 at hindi naman ganon na basag. naalala ko kasi yung lotto draw sa ptv 4. kasi yung nanay ko laging tumataya at pag oras na ng lotto draw sa ptv4/nbn pinapalipat na niya dun ang channel para makita kung ano ang result.

mamaya pala may reunion daw ang mga artista ng mga dating shows ng gma sa all star k! base sa nakita ko, tgis, click, anna karenina, boys n't door, at that's entertainment at si arnel ignacio ang hired k!ller ang nandun.

speaking of which, dati ako nakakapanood ng k! the one million peso videoke challenge. gusto ko dati yung si arnel ang host at ang mga contestant ay ordinary na mga tao lamang. hindi ko na gusto ang All Star K! ngayon na ang mga contestant ay mga celebrity.

*Meron pa nga yata starring Ana Capri as a psychologically challenged woman who was accidentally hit by a car of a certain group of teenagers who are in vacation. In all the places*

*they would go, the woman always follow them and say, "sama ako." Complete with bloody make-up and prosthetics.* 🇵🇭

Ito ba yung kasama si Angelika dela Cruz? YUng nilibing nila yung bangkay sa sementeryo? hehe.

My favorite telesine was the episode with Sheryl Cruz. Nakalimutan ko na yung title pero yung song na ginamit eh yung "Sharing the night together"

@sirloin\_steak: ganun pala iyun dati. naalala ko lang kasi \*\*\* last rainbow logo before the kapuso branding, na nakikita sa lahat ng shows. 😊 mga 1998 na kasi ako medyo nag-stick sa isang station. before that, i watch both ABS and GMA depending on what shows they bring.

@shinjie: iyan na nga iyon. tapos isa-isa yata silang papatayin...

-----

in line with Telesines, mayroon din yata si John Lloyd na isang episode. Uso pa yata ang hiran ng artista. Then, Ruffa had two telesines AFAIK, first, when she was gang raped by her ex boyfriend and a group of friends (she "used" Carmina to hunt them down), then another one with young Patrick Garcia (it was that first time I heard her say, "Grabe!"). Joey de Leon also had one, with the theme song "Ang Tipo Kong Lalake" (may movie din yata ito, pero meron din na telesine version kasi sikat na sikat ang kantang iyan).

In speaking of TV-screen bugs, Farrah Fawcett, and some random YouTubies, anong TV show ang gumamit sa kanta ni Michael Jackson na "Don't Stop Til You Get Enough"???

At oo nga pala, may naalaala ako sa mga screen bugs, dati-dati, yung ABS-CBN, lalo na kapag mga noontime shows, walang logo ang ABS-CBN sa taas, instead, yung typemark na "Parental Guidance" na yung istilo, pareho sa GMA ngayon (sa ASAP), tapos yung straight style naman, sa MTB. And yes, between 1999-2002, yung PG screen bug ng ASAP at The Buzz ay parehong-pareho ang typeface, at may symbol pa (Yung sa ASAP, 2/4 note, sa TB naman, thunder).

At oo nga pala, sa mga spiels ng ASAP noon, between 1995 to 2005, may isang studio sila na kung saan nasa isang room sila na puros movie posters ng mga pelikula ng Star Cinema, and even, if i'm not mistaken, mga promotion posters ng Star Records. Ngayon, sa likod na lang ng kainin. Dang.

sa John and Marsha yata ginamit iyan. nakita ko tong info sa libro din ni Bob Ong, na pinagpapasapahan daw sa email. Ito raw ang isa mga indications kung "Martial Law baby" ka.

@headmavs: Yup uso nga iyung hiraan non. Napanood ko minsan iyung mga reruns ng GMA Telesina via QTV Gems...nandon sina Bo-something Molina at Rica Peralejo on one episode (donning military outfits)

speaking of theme songs, sino nakakaalam ng title ng theme song ng "Click" na dating ipinapalabas sa GMA?

^Yung Centerfold ba ni Captain Jack yun? Yung "na na na na na na na" something? Hahahaha

napost na ba to?

Pinoy Thriller sa 13 na tinapatan naman ng Regal Shocker sa 7..hindi ko matandaan kung saan yung may "ano ang nasa dako paroon.."

Sa Channel 7 ba yang Regal Shocker??🤔

Ang rating bug ng GMA ngayon before Startalk na. Yung "Parental Guidance" bug in Tagalog. Naalala ko pa yung "Parental Guidance" bug nila in English (dati nasa SNBO yon), ngayon wala na.

BTW, yung investigative programs tuwing Sabado at magazine show tuwing Linggo (except Kapuso Mo, Jessica Soho, which is Saturday) ay dati nasa early evening slot (5pm, 6pm, 7pm, 8pm). Ngayon ay nasa late timeslot na (9pm and 10pm) (e.g. MGB).

I remember na MGB dati wala pang ABS-CBN logo na nasa taas, "Parental Guidance" lang ang nandyan sa lower left part of the screen. Ang XXX naman, meron nang ABS-CBN logo na nasa taas at tsaka yung "Parental Guidance" naman ay nasa taas ng screen.

@headmavs: Yup uso nga iyung hiraan non. Napanood ko minsan iyung mga reruns ng GMA Telesina via QTV Gems...nandon sina Bo-something Molina at Rica Peralejo on one episode (donning military outfits)

ahh..si Bojo Molina 'yun, one of the guys from GiMiK, a teen show from ABS which has TGis as its rival. When rivalry between two networks rose (i think when GMA launched its 100kw transmitter upgrade in Brgy Culiati, Tandang Sora.), nawala na ang hiraan. During the launch, they had a poem about it in their ad, something like "roses are red, violets are blue,

GMA is number one, and it's better than #censored sound#" basta iyung sound na parang ginagamit 'pag sign off.

MERON PALANG SHOW NA BESTFRIENDS DI KO NA MAALALA YON, SINO BA ANG CASTS DOON

oo..meron niyan. i do remember watching it pero hindi gaanong clear ang pagkatanda ko niyan. kagabi nga nasa all star k! ang ilan sa mga stars nun..pati na rin ang mga stars ng anna karenina, tgis, click, boys nxt door, pinoy pop superstar, at that's entertainment.

Even Toni Gonzaga was in Bestfriends.

*speaking of theme songs, sino nakakaalam ng title ng theme song ng "Click" na dating ipinapalabas sa GMA?*

**Let's Just Give It A Try** ang title. This is one of the best original theme songs for a teenage program. It had great lyrics and a singable tune.

Another great theme song is **Tabing-Ilog** by Barbie's Cradle.

Ang galing ng Tabing Ilog. Teen-oriented show na may lalim... Ang main cast lalo na eh ang gagaling.. 🤔

Iyung bestfriends, iyan ang attempt na ibalik ang That's Entertainment, although meron ding Dats, before bestfriends. Nandun yata si Rayver and Rodjun Cruz nung bata pa sila. After that show, nawala nang parang bula ang iba but some of them went into advertising

(naging model ang iba sa kanila), ang iba naiwan para sa Click (the likes of Tricia Roman, Sherwin Ordonez)

Toni was also in Lagot Ka Isusumbong Kita and Eat Bulaga (both of which she was a part of during her joint foray to Studio 23's Wazzup Wazzup and former Click star Drew Arellano). She sang the Joey de Leon-penned theme song of Nadine Samonte's break-out soap, Ikaw sa Puso Ko (was paired up with James Blanco and "daytime drama prince" Oyo Boy Sotto).

Ikaw sa Puso Ko sure used to have a long 5 minute-ish recap sequence ("Ang Nakaraan..."). It's also reminiscent of the past soaps TAPE produced back in the 90's.

Like any other soap, it also had its own share of cliché's: mother is looking for baby girl, mother maltreated the daughter she never knew, true love, obsessive and possessive third wheel, twins that never saw each other, hulugan sa hagdanan, evil kontrabida mom, the works 🇵🇭

Nga pala, Rated K featured Dianne dela Fuente last Sunday.

Surprised that she's now a mother of two-three kids, married, yet she still possess that very youthful charm that made me drool, looking at her on TV back then in grade school when she first hosted Kasaysayan TV.

Her recent gig was being the adult Farida of the ABS-CBN/Knowledge Channel children's mini-serie, Salam. Most of her scenes (as with the other adult versions portrayed by Neil Ryan Sese, Ping Medina and Dimples Romano) are mostly centered on a taped docu-interview where she is seen reminiscing her childhood days as a young Mindanaoan growing up in a strife torn homeland but had the company of her great friends, Muslims and Christians, to help get through every obstacle.

another observation: for the past two or three years, alam mo nang last commercial gap na ng isang programa if you see a promo for the next show.

si trina belamide ang nag-compose no'n, if i remember right...i loved the first arrangement of that "click" theme song.

yeah alam ko yung kumanta ng Tabing Ilog. naalala ko lagi ko pinapanood ito noong bata pa ako..mga 7 y/o pa ako. pag sundays mga 3pm.

Click's final years (Bitin iyung opening..Tumigil lang kina MarkJen tapos skinip na sa episode proper)

### TGIS Opening

Yung TGIS na opening dun wala atang sound. Pero I read sa comments na Walking on Sunshine daw yung song dun. Hindi ko kasi masyado maalala ang opening ng TGIS.

Yung Click na opening, I do remember that opening. Kapuso logo na yung nandiyan. Very catchy nga yung theme song ng Click. Napanood ko kasi nung Sunday sa All Star K! na kinanta ng ilang cast yung Click theme song. Kaya naisipan ko itanong kung ano title nun. Gusto ko kasi i-download yung theme song ng Click. Mabuti yung theme song ng TGIS (Dyslexic Heart) meron ako.

Yung merong copy (o nakahanapng copy) nung theme ng Click pakipost naman ng link.

***Naalala ko bigla yung Bob Garon Debates sa RPN-9. Susmio nene palang ako nun pero pati ganyang show eh pinagtitripan ko na! 😄😄😄***

both bob and emmy garon hosted that show...minsan, co-host pa nilang mag-asawa 'yung kanilang anak na si vanessa (if i remember the name correctly)...

i also read in some old magazines back in the early '70s that bob garon--then known as **father** bob garon (he used to be a priest pala)--hosted a live phone-in/counselling show called "father bob and his telephone" every saturday night (from 9pm until around past midnight) on the old channel 7.

700 Club and Kapwa Ko Mahal ko - tapos.. That's Entertainment!

tapos Eye to Eye ni Inday Badiday! Tapos news na.

Hey..may nakakatanda pa ba nung parang pa raffle ng Winston at Hope nun (time na pinapayagan pang i-advertise ang mga sigarilyo)?. naalala ko kasi ito lagi namin ito pinapanood sa ABC 5. tapos ang prize ay mga kotse at may 1 million ata. i remember lagi kami sumasali dyan since may tindahan kami nun. yun bang ififill up yung pack ng Hope at

Winston at ihuhulog sa dropboxes. lagi kasi namin inaabangan yan sa ABC 5. sadly, di kami nanalo kahit isa. pero enjoy parin panoorin yun. (i think mga 2001-2003 ata).

^that was the longest running raffle draw sponsored by those cigarette brands. The late Eddie Mercado was the host, and there is always no commercial breaks, as the commercial of the said raffle draw always say.

tama, 'yang mga hope-winston promo ng kumpanya ni lucio tan...sa ABS-CBN unang ipinapalabas 'yung mga draw no'n before, already as an hour-long commercial-free variety special (usually on a saturday night), before fortune tobacco moved the telecasts to ABC...

and yes, the late eddie mercado was always the host of every draw for those promos...'yung kauna-unahang draw nila sometime in the mid-'90s, co-host pa niya yata si dina bonnievie, if i remember correctly...

Speaking of cigarette brands...ABC sure had a lot of cigarette companies as network sponsors at that time. Lalo na sa tuwing may top of the hour news update ang Channel 5, palaging "This news update is brought to you, (i.e. 'Winston, Spirit of the USA')\" then after the news update ends, it would cut to a yosi commercial.

actually, sa iisang kumpanya lang lahat galing ang mga yosi brand na karaniwang sponsor ng mga newscast/newsbreak noon sa TV (until the ad ban was implemented back in '07): it's (still) lucio tan's fortune tobacco--the makers of winston, hope, champion, fortune international and so many other brands.

ABC, i do remember, would have its primetime newsbreaks sponsored by winston and/or hope. GMA, too, when they used to air "GMA news live" every hour on primetime, as well as during the late-night newscast (if i remember right, at one point, the foreign news was sponsored by winston). sa "newswatch primecast" naman noon ng RPN, fortune international (especially back in the time when richard gomez and the late rudy fernandez endorsed it) o champion ang sponsor ng mga segment nila...

pati 'yung brand na salem (which, i assume, would've also been manufactured in the philippines by fortune tobacco, given that winston and salem are made in the US by one company), madalas ko ring napapanood ang ad sa mga late-night newscast noon...i just forgot which network/newscast had the brand as a segment sponsor...

meanwhile, their rival company, philip morris philippines (which gave smokers--and former smokers like me--philip morris and marlboro) didn't really sponsor a lot of TV shows in recent years prior to the ad ban, but back in the '80s, they used to sponsor a livelihood

show on channel 4 called "tele-aralan ng kakayahan", as well as the "marlboro hour of sports" (a montage of various sporting events a la "ABC's wide world of sports" in the US) on GMA.

One part of the Champion's jingle I remeber goessomething like "...taste the flavor of success with Champion ( )kings?.....where you are, Champion Cigarettes!"

And most yosi ads end with a government warning (as according to the law regarding cigarette advertising): "GOVERNMENT WARNING: Moderate smoking is dangerous to your health."

Speaking of yosi commercials, did you notice that the investigative programs and magazine shows was formerly aired at 5:30 pm every weekends i think, now it is aired around 9 pm. (?)

Ofcourse, everyone knows that, eh mga palaboy na ang mga Pinoy ngayon eh, every Saturday, nasa club or either nasa shopping mall. Hay grabe.

(Naalaala ko tuloy yung Tanduay ESQ sponsoring Teledyaryo tsaka Colt 45 sponsoring TVP, both are existed in the 2000's.) 🇵🇭

oh yeah..i remember colt 45 sponsoring tvp.

speaking of ABC 5 pala. Naalala ko yung isang program sa ABC 5 na may title na "O-Ha". Isa siyang medyo pambatang TV show pero maganda talaga. Hindi nga lang tumagal. I think pinalabas ito 2007 o 2008. Pinakanatatandaan ko dun yung theme song na ang lyrics ay mga baliktad ang pantig na mga words.

And another one..yung "Ali" hosted by Ali Sotto. I remember watching that. Too bad hindi ito itinuloy sa TV5.

hindi ko masyadong napapanood noon 'yung "o-ha" dahil nasa primetime 'yan, kung kailan may trabaho ako (noong sa 'pinas pa ako nakatira...i'd say that was around early '07, kasi nakikita ko pa 'yung mga plug n'yan 'pag napapalipat ako sa channel 5)...pero i read some stuff about it--kung hindi ako nagkakamali, si "ate sienna" olaso ang naging bida d'yan...isa siya noon sa mga naging executives ng ABC sports (which aired the PBA, among other sports productions, at that time), which could explain her on-cam presence on the ABC airwaves.

I think she was in Batibot as well (got featured on Kapuso Mo Jessica Soho a few years back).

O-Ha is directed by Mark Meily and it stars people from both ABS and GMA. I know for sure they had Sandara, and Dennis Trillo but I forgot who's in it as well. The theme's lyrics as funny as he\*\*\*, kahit baliktad ang mga salita, singable pa rin naman 😊

The show aired as a mini-series for the whole month of August/September 2006 (Almost the same time as Philippine Idol). Para siyang Touched by an Angel except na-touched sila by the O-ha dance.

*Ofcourse, everyone knows that, eh mga palaboy na ang mga Pinoy ngayon eh, every Saturday, nasa club or either nasa shopping mall. Hay grabe.*

Speaking of O-Ha, I remember watching MGB. MGB was originally aired at 5:30 pm every Saturday from 1992 (?) until 2003. Later transferred to 6pm in 2003, later MGB was transferred to 7pm, 7:30 pm, 8pm, 9pm and also, 9:45 pm. Naalala ko mga 2004-2005, It is aired after TV Patrol Sabado. 1 and a half hours sila, tapos naging 1 hour yung show na to. Ano'ng sa tingin niyo.

Yes. they star both ABS and GMA talents. Yung pinakanaalala ko one episode nandun si Sandara playing a katulong role ata.

One more thing naalala ko yung Stories of Survival every Mondays on ABC. Nandun si Martin Andanar tapos ipinapakita dun yung mga trahedya tapos mga stories kung paano nakasrvive dun yung mga survivors. Tapos meron pang mga tips kung paano makaiwas sa mga sakuna.

of course, i do remember that she was the same ate sienna we grew up with sa "batibot"-- although medyo mas may laman na nang konti by that time compared to her years in "batibot"...that, i must say, was her on-cam comeback after she left the long-running kiddie show (and concentrated on behind-the-scenes work)...

Mumbai Thriller every Tuesday nights at 8 (after Doble Cara and Letty La Mas Fea).

Screeching meow, katakot!

Meron din sa pre-TV5 na ABC ay 'yung Judge Bao. Pinalabas na ito sa RPN pero hindi pa tagalized noon. Sponsored siya ng Thai Airways at Dusit Thani, at Oishi. 🇹🇭

oh yeah..one of the last shows before ang tv5.

I do remember Doble Cara, Mumbai Thriller, and Letty La Mas Fea.

Sa RPN 9 naman, during the "Kasama Mo" period, yung Showbiz Ka, and yung mga Solar-produced sitcoms. Sa mga times na nanonood ako sa RPN since 2000, pinakagusto ko yung "Kasama Mo" period.

Astig ang theme song non eh. Bukod sa RPN, pinapalabas rin ang Judge Bao (hanggang ngayon ata) sa CEC ng SkyCable (Chinese Entertainment Channel). Not sure though sa Xing Cong Wei Shi

*Mumbai Thriller every Tuesday nights at 8 (after Doble Cara and Letty La Mas Fea).*

*Screeching meow, katakot!*

^Diba t'wing thurs yan bago mag-SOS ni martin Andanar, after naman ng show na 'yan, Hayop na Hayop ni Kempee saka ni Tuesday Vargas.

sa ABC-5 parin, **Guni-guni** ni Joel Torre

I remember Kapamilya Comedy on ABS-CBN. It was aired after Primetime Bida and right before news (every weeknights, except Thursday). Nagtataka lang ako kasi yung Kapamilya Comedy, was removed in 2006 and replaced Bandila after Primetime Bida. Si Maria Ressa ay nagpalagay ng Bandila pagkatapos ng Primetime Bida. Siya ay may kapakanan kung bakit inalis ang Kapamilya Comedy.

Flordeluna Starring Janice De Belen

how about the first pinoy version of "ripley's believe it or not" hosted by raymond bagatsing?

or one of ABC's first forays into foreign franchises, "dobol incredibol" starring janno gibbs (whose videos originated from the '80s series "that's incredible")? ito yata 'yung naging "sagot" nila noon sa "bilibitornat" (later retitled "bilibkaba?") ni michael v. sa GMA--although hindi nila ito tinapatan sa time slot ("dobol incredibol" aired on saturday nights, if i remember correctly), at 'di ito tumagal sa ere.

Agree. Naalaala ko tuloy yung Tipong Pinoy with Susan Calo-Medina and Wency Cornejo sa GMA (which were later replayed at RPN nung 2007) and another RPN show, Dalawang Tisoy starting Eddie Gutierrez and Freddie Webb (his TV comeback).

And who will remember Bill Velasco's The Basketball Show na palipat-lipat ng istasyon, from RPN to ABC, then later to BTV, tapos nawala? This was produced by Chino Trinidad and was aired between 2001 to 2006.

Then later after, he transferred to ABS-CBN Sports and ABS-CBN News as sports anchor (for Wildcard, NCAA/UAAP) and news anchor/reporter (ANC) respectively.

Di ba dati may TV show ang Sports Radio sa Solar Sports? Ano na ang nangyari doon?

Freddie Webb did guest spots here and there after Forever in Your Heart last 2004 (he played Regine's dad). I remember him guesting on My Juan and Only.

Got to meet him in person when I was in DZMM last year as a guest for Ms M's show. That time, he was just about finished from his talk show, "Sports Talk", and as he left the studio, me, some guys from LaCon and Ms Manahan came right in for her show. Seriously, I hated myself because stage fright got into me that time (and talk about stuttering).

Nakita pa ako sa Teleradyo LoL 🇵🇭

*Agree. Naalaala ko tuloy yung Tipong Pinoy with Susan Calo-Medina and Wency Cornejo sa GMA (which were later replayed at RPN nung 2007) and another RPN show, Dalawang Tisoy starting Eddie Gutierrez and Freddie Webb (his TV comeback).*

Yan..yung iniisip kong show sa RPN Kasama Mo na nakalimutan ko yung title. Natatawa ako dito kasi bakla ang ama..haha

On the 1991 version of GMA's ID, the background music sounds like the background used in LS' old version of the sign off/on thing where Braggy was the voiceover.

I think those vids were ripped. I know I've seen them before and was mentioned here once, including the two vids containing commercials. i'll check this one out probably later on or hopefully someone else would do it for me.

sagutin ko lang ito kahit na alam kong doon ito sa "companion thread" ko sa M&R (although related pa rin nang konti sa TV):

i remember jimmy jam telling me one time that LS used the tagline "the giant" because of GMA's 777-foot tower in tandang sora which was switched on in '88. nasa tandang sora rin 'yung mismong transmitter ng LS, so their signal must be carried by that very same tower (na siya rin namang ginagamit mainly for channel 7's signal)...

dati nang pabalik-balik si bill velasco sa ABS. a few years before the network started covering UAAP, he was the director of korina sanchez's "balitang K" (his name was either first or second on the production credits--basta magkasunod ang mga pangalan nila ni korina, who was, if i remember right, also the show's executive producer). tapos noong late '80s din, paminsan-minsan din yata siyang nag-o-on-cam doon (bukod pa sa kanyang on-cam duties with vintage sports).

excuse me po, baka mag simula ka po ng away dito. Remember, dito sa TV memories, walang specific na TV network ang focus. Ito po ay thread para sa mga lumang TV shows na nag-ere sa kahit anong TV station. And I think, wala itong kinalaman sa thread na ito.

yeah. that big ol' transmitter in Culiati is serving not only GMA and DWLS-FM, but also QTV 11 (although they still use the one in Strata 2000), and, has served the now-defunct CityNet 27. But during that time in 1991, they are also proud of that Giant Rainbow Satellite, that's why there's a "giant" on their station ID. OTOH, ABS-CBN had their colorful chicken 🐔 siyempre Sarimanok ang tawag doon. 🏠

tama! 🏠 kung sakali man ay may mag-post ng puro ABS o GMA o ABC tv memory, iyun ay dahil yun lang ang pinaka-naalala nila. Not exactly na biased sila.

Ito naalala ko lang..sa GMA noon, may mga cartoons sa Cartoon Network ang ipinapalabas katulad ng Johnny Bravo at PPG (ipinapalabas noong mga 2003 sa early weekday morning slot). Maitanong ko lang, nagkaroon ba sila ng connection? Kasi napansin ko lang ang gamit nilang textline (which is 4627) ay parehas. CN Philippines po pala sinasabi ko.

Pareho siguro sila ng provider. Like in FM stations, maraming 2968 na number ang ginagamit sa mga textline nila.

PPG ang naalala ko lang sa GMA. Then doon nag-umpisa ang Anime Download Zone with StarStruck people (nasabi ko na din yata ito). 😊

*Pareho siguro sila ng provider. Like in FM stations, maraming 2968 na number ang ginagamit sa mga textline nila.*

Hindi ako sure sa GMA at CN kung parehas. Ang alam ko kasi yung sa mga FM stations na 2299/229910/229901 sa TxtJock yun. Pero sa GMA at CN 'di ko talaga alam.

nakikita ko rin sa CN noon 'yung ilang mga text-in promo nila na 4627 'yung access number. i'm thinking that CN probably contracted the services of GMA new media (which is a GMA subsidiary) to run their text-in promos.

isa lang 'yan sa mga "mini-shows" na nasa cartoon show na "comic strip".

the other ones i remember were "street frogs" and "karate kat". nakalimutan ko na 'yung isa pa--kung 'di ako nagkakamali, apat 'yun.

tapos every episode, two of the "mini-shows" ang ipinapalabas nila.

i actually liked "street frogs" and "karate kat" more than "tiger sharks".

^ ayun, "mini-monsters" pala 'yung isa.

[http://en.wikipedia.org/wiki/The\\_Comic\\_Strip\\_\(TV\\_series\)](http://en.wikipedia.org/wiki/The_Comic_Strip_(TV_series))

Very rare from GMA, just three years ago:

[http://www.youtube.com/watch?v=G494M...e=channel\\_page](http://www.youtube.com/watch?v=G494M...e=channel_page)

"ang pagbabago", produced by GMA public affairs on the afternoon drama slot (dahil medyo docu-drama/reality show ang format nito)...rare indeed, dahil ito ang unang beses na sumalang sa pagho-host si diana zubiri.

CCI Asia Television pala ang producers ng ISLA TV block noon (airing on various networks: NBN, IBC and Zoe TV). I'm guessing they're also behind Lakbay TV as well.

Travel and lifestyle talaga niche nila kaya napagpatuloy pa rin nila ito sa LivingAsia Channel (recently had part of its programming allotted to infomercials 😞 )

Ndi ata eh -- Lakbay was produced by SkyCable. And Isla even was a full-fledged cable TV channel, just like its successor, Living Asia. Un nga lang too bad me home shopping segment na rin ang Living Asia, from 9 am-1 pm. :S

Posibleng joint venture sila.

Speaking of Lakbay, some short features shown from that channel used to air on the Knowledge Channel.

Mayroon ba nakakaalala nung sometime in 2003 or 2004 yung tinatawag na "Fusion" ata wherein ABS-CBN is simultaneously being shown on Studio 23. Naalala ko ginagawa ito ng ABS-CBN kapag primetime. Maganda nga yung idea since dun sa mga taong hindi makapanood ng ABS CBN dahil malabo ay lilipat na lang sa Studio 23 (since nasa higher frequency band naman).

Hindi ko maalala iyang gimik na 'yan ng ABS ah. 😊

February 2003 (started on a Saturday)...That was on daytime, from 12noon until later in the afternoon (mga 3pm). It kicked off with the premiere of the "new" MTB with returning host for the nth time, Willie Revillame (he showcased a production number kung saan nagdrums siya).

Not really primetime kasi may existing programming na noon ang 23 sa panggabi. Sa tanghali naman, naglalagay lang sila ng filler programming noon (compared today, medyo kinuha na ng ABS-CBN Sports/Balls ang kalahati ng daytime sked ng 23).

*isa lang 'yan sa mga "mini-shows" na nasa cartoon show na "comic strip".*

*the other ones i remember were "street frogs" and "karate kat". nakalimutan ko na 'yung isa pa--kung 'di ako nagkakamali, apat 'yun.*

*i actually liked "street frogs" and "karate kat" more than "tiger sharks".*

haha paborito ko rin si karate kat. malibog sya ,andaming chicks ( \*\*\*\*\*? ) 😊

on Fusion, I think it happened on February 22 or 24, 2003. Need to check a calendar but if you take a good look at it closely, Feb 22/24 is close to Feb 23, and it happened on 2003 so as to promote the simulcast on the UHF channel.

That was also a holiday because of the EDSA 1 celebrations but I'm not entirely sure if PGMA declared Feb 24 a non-working holiday. I was watching the premiere of Masayang Tanghali Bayan, my parents were at home and they don't have work that day.

anna marie falcon - francine prieto

*sino po si melanie hernandez aka jasmine arroyo ng thats entertainment wednesday group?*

*uyyy napaghahalata ang age??????????*

nanalo 'yan sa "tanghalan ng kampeon" noong mas bata pa siya. tapos a few years after mawala sa ere ang "that's...", naging finalist sa "metropop star search". melanie hernandez calumpad ang buong pangalan niya. at "R&B princess" na ang taguri sa kanya ngayon.

si kyla lang naman.

let's just say i read a lot.

Whatever happened to "Metropop Festival"? After 2002/2003, di na siya tinuloy...Ganda pa naman ng concept, a search for not the best singers/vocal group but also a contest for aspiring and veteran songwriters.

Ganun din sa Himig Handog...di na rin tinuloy after its last televised event around 2003. Kyla ("Tara Tena" with Brenan Espartinez, former Sineskwela host/Pinoy Pop Superstar ex-finalist) was also one of the participants of Himig Handog, 17:28 (the guys behind "Umulan Umaraw"), and Rivermaya ("Bye Bye Na").

## **Tv Memories**

---

Merong TV show dati si Rod Navarro sa Cha.9  
; ang concept e drama presentation ng mga NEWEST headlines that time..parang dina-dramatize nila ang kaso not the characters itself.  
Like iyong nanay na nabaliw at sinaksak ang anak niyang babae...pero nabuhay.

and \*\*\* time na me napupulot na mga dead bodies na me parang kagat ng bampira mga ganun ba

Na-miss ko \*\*\* TV shw ni Rod Navarro na siya ang host

Ano ba pamagat nun?

aba meron palang programa si Rod Navarro sa Ch. 9. Nakatutuwa na versatile pa ang mga actors noon tulad niya. Pwedeng maghost, tapos umarte (bida at kontrabida, kayang kaya)

@j5bata: nawala nga ang agad 'no? Those two contests really tested creativity of Filipinos in

terms of songwriting. Ngayon, puro singing contests na naghahanap kung sino makakagaya sa boses ni Celine Dion, Whitney Houston at Steve Perry. 😊

btw, puro structures ba sa buong Broadcast City? wala bang open space? Medyo malabo kasi iyung view ko from Google Earth.

ASAP Fanatic OBBs (June 2004-2006)

- 1) <http://www.youtube.com/watch?v=gYsvIPHNZd0> (June2004)
- 2) [http://www.youtube.com/watch?v=TQ2Qoc\\_C-Zs](http://www.youtube.com/watch?v=TQ2Qoc_C-Zs) (Second Opening)
- 3) <http://www.youtube.com/watch?v=rQmzMITaeq4> (Anne and Bea joined the pack)

there were 4 more:

1. Fanatic All-Star (Doesn't have its own OBB),
2. ASAP Fanatic 2005-2006  
\*upon Sandara Park's return around 2006  
\*logo patterned after ASAP 05 but was used once
3. ASAP Fanatic Banda Republic (show by this time was on the verge of cancellation so the slot was given back to ASAP)

*aba meron palang programa si Rod Navarro sa Ch. 9. Nakatutuwa na versatile pa ang mga actors noon tulad niya. Pwedeng maghost, tapos umarte (bida at kontrabida, kayang kaya)*

hindi ko alam 'yung mismong programang tinutukoy ni tokwaeater above. but yes, rod navarro indeed had a number of programs on channel 9--lalo pa't dahil isa siya sa mga "orphaned" ABS-CBN talents na doon lumipat after 1081 was declared.

from the stuff i read before, i gathered that among the programs he had on KBS/RPN included: a singing contest called "tuklas" (this was actually a "rehashed" version of ABS-CBN's "tawag ng tanghalan", which navarro himself hosted prior to martial law--minana niya ang pioneering tv/radio talent search mula sa mga namayapang komedyanteng sina lopito at patsy), the radio-tv simulcast "newswatch pilipino edition" (aired during the morning hours--he anchored from the studio of RPN's manila AM station, DWWW, where he was the morning anchor well for much of the '80s until the station's frequency [630khz] was given [or given back] to ABS-CBN), a short-lived mid-'70s noontime show called "magandang tanghali" (which ran against a revived "student canteen" on GMA...but no relation to the ABS-CBN noontime show of the same title hosted by pancho magalona) and a sitcom called "ayos lang, pare ko".

Basahin nyo yung Video48 ngayon, daming articles doon about some rare TV shows.

Forgot to mention that the last two openings used for ASAP Fanatic and Fanatic Banda Republic used the same song, "Jam" performed by Kevin Roy and Cookie Chua. The same song used as a background song for the 1st season I think of PBB.

Here's the theme song

rod navarro ang dating kontrabida sa sampaguita pictures

ang alam ko may radio show sya sa DZBB wag mo akong paandaran ,  
yong image mahangin nya ay kwelang kwela lalo na ang comml na eletric fan

ang na recall ko may sitcom sya noon to each his own with pilita, george estregan, lita gutierrez and rod navarro

huli kong napanood si rod sa bee bote nga !!!!!!!

*kwelang kwela si long mejia sa everybody happy lalo na nung ginagaya nya kay joseph bitangcol si sandara park*

Oo nga, I do like kung paano magpatawa si Long Mejia. I remember seeing him on sitcoms on GMA and ABS-CBN. Kasi dati siya sa GMA then transferred to ABS-CBN, if I'm right, Dagul was with him nung lumipat. I remember seeing him sa isang sitcom sa GMA, hindi ako sure kung sa Beh Bote Nga iyon. Too bad hindi na siya nakikita sa ABS-CBN or GMA. Mabuti yung nakita ng TV5 ang potential ni Long Mejia.

Nasa Kool Ka Lang noon si Robert "Long" Mejia. Kaya yata siya nakilala sa pangalan na Long kasi iyun ang pangalan ng character niya sa sitcom na iyun. Kasama niya sina Raymart Santiago, Joey Marquez, Gloria Diaz, LJ Moreno, Dagul, tapos sa huli, nandun si Benjie Paras. (para sa mga green-minded, sinadya raw ang mga pangalan ng iba tulad ng Jack, Gina, at Nadya, para bagay sa title)

'Yung Beh Bote Nga, nandoon naman si Rod Navarro bilang Don Facundo, ang tiyo ni Jake Roxas at KC Montero. Doon din nagsimula si Anne Curtis na maging mainstay ng GMA.

Beh Bote Nga stars Anjo Yllana and Janno Gibbs with a very very young Boyong and later G Toengi. Si Jake at at KC ang resident bullies. Rod Navarro's Don Facundo could very well be likened to Leo Martinez's Don Robert from Ober da Bakod (typical cliched parodies of evil telenovela villains).

Continuing storyline na hindi na nabigyan yata ng resolution iyung pag-alis ni G (played by G Toengi) kasi hindi na talaga bumalik si G nung nagmigrate na yata siya by that time sa US. 2002, ang pangit nang pinalitan logo ng show (poorly made IMO) since I like their previous one na nakaimprint sa bote iyung title ng programa.

Sa Kool Ka Lang naman iyung mga gumagalaw na tools sa garahe...may papasok na mama (silhouette) kaya nagpanic iyung mga kasangkapan, nagbanggan, at nagform ng salitang "Kool Ka Lang"

Long transferred to ABS with Dagul, Brod Pete and Arnel Ignacio (who gave the hosting duties for K to either Allan K or Jaya).

Even before Beh Bote Nga, Anne was in an earlier show, TEXT and TGIS (Basta VIVA-produced shows na ineere sa GMA, doon siya nagsimula)

oo nga pala 'no. haha. Anne Curtis Smith pa yata ang pagkakilala sa kanya. Ka-loveteam niya si Chubi del Rosario, (na hindi ko alam kung ano na ang nangyari) 🇵🇭. Sa isang episode ng Beh Bote Nga, biglang nag-sneaky plug-in si Anjo. Bigla siyang sumigaw ng "Eat Bulaga! Solid". Then \*\*\* aircon nila e lalagyanan ng mga plato nila.

Mayroon pa noong time na nandiyan na si Joey de Leon as Tiyo Pot, inispoof nila Tiya Pusit at \*\*\*\* Israel 'yung pangalan ng raffle promo ng GMA sa karinderya nila ("Pares-Pares A Mami A Mami" - originally known as Pares Pares, Anime Anime)

parang me amnesia si g toengi na sa sop sya unang lumabas kesa asapwerang yan

speaking of everybody happy, si nova villa lang ang nagpapasigla ng show, pag andun sya riot talaga ang kakulitan non, sana mag banggaan sila ng kapatid nyang si tia pusit na umapir na rin, para lalong riot ang show, kung si long mejia lang boring pa rin eh

nasa original cast noon ng "kool ka lang" si blakdyak pero sandali lang siya do'n (his character's name was reggae. go figure.). 'yun din 'yung isa sa mga naging unang regular show sa GMA ni maureene larrazabal.

tapos, during their final year, the sitcom's title was changed slightly to "kool ka lang: oo naman!"...nakasama rin doon for a very short while si love anover as herself--she was, by then, gaining popularity as the traffic reporter for "unang hirit"...

isa palang highlight ng "kool ka lang" was 'yung mala-"alok-bati" segment ni long in the middle of the show: "long batian portion".

"beh bote nga"--'yung mga naging original love interest doon ng magkapatid na kot at tot were shermaine santiago (last seen as co-host of kuya germs' "walang tulugan") and aubrey miles (pa-tweetums pa siya noon)...during the final season naman, doon pumasok si joey de leon as tiyo pot (which anne curtis struggled to say everytime--medyo baluktot pa 'yung dila niya noon)...

'di ko nga lang din maalala nang maayos, pero 'di ba, nakasama rin sa "beh bote nga" si bella flores for a while? 'di ko lang matandaan if that was during the time na nandoon pa sina d!ck israel at tiya pusit (as mang max and aling tweety)...

at 'yung naging "teaser" noon sa pag-premiere ng "nuts entertainment" (voiced by joey, in character as tiyo pot): "BEH-bye na nga ba? NUTS yet!"...and indeed, for some members of the "beh" cast (janno, anjo, anne, joey, and mike nacua--his character's name on "beh" was pekto, and it stuck), it wasn't goodbye kasi sila ang bumuo sa original cast ng "nuts entertainment".

Unforgettable Beh Bote Nga moment: Remember the brothers' time traveling 10 years into the future? If the show went on for 10 years, maabutan pa kaya nila kung anuman ang nakita nila nung nag-2009/2010 sila? Would they wear those ridiculous uniform clothing they wore for that episode?

Naalala ko 'yung characyer ni Joey na Tiyo Pot. That time, hindi ko pa alam ibig sabihin nun..hehehe.

my memory's kinda rough about this one, pero weren't sherwin ordoñez and richard gutierrez part of "beh bote nga" prior to the sitcom being replaced by "nuts entertainment" (where they were also cast members)?

and still on the subject of "kool ka lang": nasa original cast din pala nito si bonel balingit--he was jack's brother, empoy. he bowed out of the show, though, after he started appearing on ABS-CBN.

unang direktor nila si ipe pelino (veteran writer/director of many sitcoms back in the '80s, such as "chicks to chicks"/"chika chika chicks"). after pelino returned to ABS-CBN, kung 'di ako nagkakamali, si al tantay ang pumalit for a while...then, si boyong baytion (back then a "transferee" from ABS-CBN) naman hanggang sa nawala ang KKL sa ere--i believe it was him who brought the "basaan" and "laglagan" made famous on "palibhasa lalake" (whose production staff he was also part of) into the sitcom (as well as its replacement, "lagot ka, isusumbong kita!", which baytion also directed)...

Diba Randy Santiago also directed KKL before?

Checked out an old thread on PEX a while ago. Hehehe, si Lea Salonga pala played a soap opera character in the US. She played Lien Hughes #2 on As the World Turns.

tama! may character na pangalan ay "reggae" si blakdyak pala 'yun. Kasi may commercial sila at mala-videoke yung video, nakita ko 'iyung "reggae" sa isa sa mga cast. Tinanung ko nga noon kung sino siya, pero walang nakasagot sa mga school busmates ko na nanonood. Nakakatawa sa umpisa pero nang lumaon, kailangan yata updated ka sa mga issues ng bawat artista bago mo magets ang punchline.

sa Beh Bote Nga, nakasama yata si Bella Flores kaya eventually, may impersonator na sa kanya, who is Belly Flory (I forgot his real name, siya rin 'yung \*\*\*\*\* sa Idol Ko si Kap). May isang episode din nag-guest si Lotlot de Leon at Manilyn Reynes kasi 'yun daw 'yung ka-loveteam nina kot at tot dati. Alam ko nandun din yata si Ana Roces. Si Sherwin Ordonez at Richard Gutierrez nandoon na rin yata kasi mga pamangkin ni Kot yata ang role nila.

Speaking of Long Mejia, kasama din niyang lumipat sa Dos noon sina Isko "Brod Pete" Salvador, after ibinalik sandali ang Ang Dating Doon sa Bubble Gang. Mayroong grupo si Long noon na spoof ng The Hunks: Hung Hunks. 🇵🇭

*Checked out an old thread on PEX a while ago. Hehehe, si Lea Salonga pala played a soap opera character in the US. She played Lien Hughes #2 on As the World Turns.*

nabalitaan nga 'yan sa news dati. 🇵🇭 what a name. talagang stereotyped na mala-chinese ang pangalan ng isang asian character.

Vietnamese-American. Her character was originated by Ming Na of "ER" fame from 1988 to 1991 i think. She's the daughter of Tom Hughes from a Vietnamese nurse when he was serving in Vietnam. Due to some commitments, Lea had to leave the show after being in it for 4 or so months in 2001 (I was in the US that time but was unaware about it). Her last appearance was early 2002.

Here's the clip of her interview: <http://www.youtube.com/watch?v=m07eisS6HNo>

Unfortunately, being there for too short a time, no episodes during her tenure are posted on Youtube except for some 2001 vids that doesn't have anything to do with Lien Hughes.

\*\*Recent viewer ako ng ATWT kaya medyo in depth ako dito 🇵🇭

@j5bata: vietnamese-american?? 😂 haha. ito naman TV memory ko recently sa Cinemax, in line with that. May pelikula pala dati sina Vic Vargas, Dick Israel, at si Tetchie Agbayani

about a Vietnam War. Kasama sa US troops 'yung dalawa and then Vietnamese informer turned traitor si Tetchie. Tapos ang VietCong general doon ay si Bembol Roco. Hindi ko lang alam ang title pero nakakaaliw kasi Pinoy ang kinukuha nila para umarte bilang ibang nasyonalidad.

*tama! may character na pangalan ay "reggae" si blakdyak pala 'yun. Kasi may commercial sila at mala-videoke yung video, nakita ko 'iyung "reggae" sa isa sa mga cast. Tinanung ko nga noon kung sino siya, pero walang nakasagot sa mga school busmates ko na nanonood. Nakakatawa sa umpisa pero nang lumaon, kailangan yata updated ka sa mga issues ng bawat artista bago mo magets ang punchline.*

*sa Beh Bote Nga, nakasama yata si Bella Flores kaya eventually, may impersonator na sa kanya, who is Belly Flory (I forgot his real name, siya rin 'yung \*\*\*\*\* sa Idol Ko si Kap). May isang episode din nag-guest si Lotlot de Leon at Manilyn Reynes kasi 'yun daw 'yung ka-loveteam nina kot at tot dati. Alam ko nandun din yata si Ana Roces. Si Sherwin Ordonez at Richard Gutierrez nandoon na rin yata kasi mga pamangkin ni Kot yata ang role nila.*

*Speaking of Long Mejia, kasama din niyang lumipat sa Dos noon sina Isko "Brod Pete" Salvador, after ibinalik sandali ang Ang Dating Doon sa Bubble Gang. Mayroong grupo si Long noon na spoof ng The Hunks: Hung Hunks. 🇵🇭*

oo, natatandaan ko 'yung "hunghunks" na 'yan--sina brod pete, long at gene padilla lang 'yung natatandaan ko doon, can't remember who the other two guys in the group were. sa GMA 'yun, usually sa "SOP" sila lumalabas kasi nga, spoof ng "the hunks" (bernard palanca, carlos agassi, jericho rosales, piolo pascual and diether ocampo) sa "ASAP".

it's john feir who plays "belli flori"--sa "nuts entertainment" 'yun actually nagsimula, hindi sa "beh bote nga"...the show (through the much-remembered "balakubak" segment) did a spoof of the GMA reality show "30 days" (hosted by lorna tolentino--ito 'yung para sa mga artistang naghahanap noon ng "second chance") called "30 gays", at siya 'yung "nanalo" doon dahil sa pormang bella flores niya...as you mentioned, siya 'yung \*\*\*\*\* na vendor (si al-da-fer) sa "idol ko si kap" noon...siya rin 'yung robot sa "ang mahiwagang baul" a couple of years ago...he also did (and is still doing) a lot of off-cam work for some GMA shows--madalas kong nakikita 'yung pangalan niya sa mga staff credits noon, even before he did on-cam work...

Speaking of 30 Days, one of its participants, Anna Larrucea, is now pursuing her studies in CSB (she and a lot of other teen celebrities). I saw her one time and she's definitely a beaut!

Usapang Business

^mayroon pa n-ga 'yung negosiyete. Nandoon pala si Smokey Manaloto dati. May mga re-runs kasi sa Knowledge Channel before. Para ngang nagtuturo talaga sa klase since mayroong "Module 1" tapos iyung topic (ex. "paggawa ng puto")

^oo alam ko ito. although naabutan ko na yung nasa knowledge channel. pinapanood ko ito kasi interesting talaga ang topic.

mayroon pa nga yung kumikitang kabuhayan na nasa knowledge channel. dati nasa abs-cbn yun..naalala ko pinapalabas ata before asym or mup na.

^Yup...Dati kilala siya sa ibang pangalan (Chicken, Pork ATBP) hanggang sa binago ang pangalan ng show nung inexpand iyung focus ng show beyond sa original focus sa agricultural livelihood. Naging business-oriented show.

Main sponsor niya lagi ang B-Meg at San Miguel kaya ineere lagi iyung commercial na iyon na kasama iyung isang basketball player ng San Miguel, iyung dating kalihim ng agrikultura, at si Ka-Gerry Santos (na host ng isang agricultural show sa isa sa mga minor networks).

First host nito si Peter Musngi (head ng ABS-CBN Sports at ng Manila Radio division) then he was succeeded by Alex Santos at Angela Calina.

Sa show na iyon ko nadiscover na siya pala ang voice over announcer ng ABS.

Eventually, the show had to ended assuming it has to give way for Bayan Productions' Kabuhayang Swak na Swak which generally has the same format as the KKK when it premiered in 2006.

Nevertheless, months after the show was canceled/ended, it got a Star Awards nominaton on that same year and was pitted against shows that were still on the air at the time.

'yung mga ni-rerun na "negosiyete" episodes sa knowledge channel, edited na malamang by TLRC (technology and livelihood resource center, GMA's co-producer for the said educational program). pinagkasya na siguro nila sa isang 30-minute block 'yung dating limang 30-minute episodes on a single topic/project (GMA ran the show from monday to friday).

kuya germs was the main host of that show--'yan 'yung panahong "lagare" siya all week dahil may "negosiyete" at DZBB siya weekdays, "that's entertainment" from monday to saturday, tapos "GMA supershow" on sunday...noong una, iba-ibang co-host ang kasama

niya every week--usually, 'yung mga "anak-anakan" niya sa "that's", hanggang sa isa sa mga "anak-anakan" niyang 'yun, si smokey manaloto, 'yung naging halos permanent/regular co-host niya...

pinapanood ko rin 'yun araw-araw especially during its first year (when the show aired just right after "lunch date"), lalo na 'pag tungkol sa pagkain 'yung topic. 🍴

Nice to know that a GMA program like Negosiyete had a run on Kch considering that the Knowledge Channel is owned by an ABS-CBN subsidiary. kadalasan mga lumang ETV shows, old foreign and local programs and shorties (may iba na mukhang galing sa educational VHS tapes) at ilang original shows (Salam at Kasaysayan TV) ang pinapalabas sa channel na iyon.

may partner pala GMA diyan. Ang mga Negosiyete topics na pinapalabas sa KCh AFAIK ay tungkol sa pagkain, o kakanin na pwedeng ibenta, kung hindi man iyon, mga troubleshooting tips sa sasakyan. Naalala ko may isang module na inexplain niya ang BLOWBAGS sa sasakyan at 'yung pagpalit ng Fan Belt sa makina nang hindi umaasa sa mekaniko.

Aside from Negosiyete and ETV, shows from NBN 4 (gawa yata ito ng DepEd), were also shown in KCh. Constel ang naalala ko lang e.

I think sa NBN yung ilang shows na pinapalabas ngayon sa KCh na tungkol sa Filipino (Alikabok), English (Karen's World), and Math (I forgot the title). Kasi I remember seeing these shows on NBN4 around 2004 at ngayon napapanood ko na sa KCh.

lahat ng mga pwedeng gawing negosyo, food-related or otherwise, 'yung covered na courses noon ng "negosiyete"...may mga courses on floral design, papier-mache, clothing (i remember one week-long course on silkscreen design), and, ayun, like you mentioned, tungkol sa pagto-troubleshoot ng sasakyan...

zone105: yes they did...Circa 2001/2002 ata nagstart iyung mga educational shorts na iyon. Hehhe, naalala ko pa iyung English-speaking Carabao (talk about "carabao English"!!). One of the hosts/actors/teachers is now one of the host of The Beat/Sapulso and one third of the Art Angel gang (the 2/3s composed of Pia Arcangel and Krystal Reyes). Forgot the name but he plays the farmer to the talking carabao with a human head for a mouth 😊

Recently, KCh also came up with its own set of original ed shorts, in cooperation with USAID (which explains KCh's first original drama, the mini-series "Salam"). The characters are Muslim Pinoys and the theme of the shorts is basically about business and livelihood.

Heto isa (revisited): "Just Say No!" 😊

Yung tinutukoy mo na farmer na laging kausap ni Karen (the carabao) is Kuya Tonipet Gaba. If I'm not mistaken, before sa Art Angel, there was a show sa GMA 7 na I think about pets (galing ata sa name niya kaya ganun ang format ng show). Ewan ko lang, correct me if I'm wrong.

Yung mini-series na Salam ipinalabas din ito sa ABS-CBN around 2006 or 2007.

*Yung mini-series na Salam ipinalabas din ito sa ABS-CBN around 2006 or 2007.*

Huli siyang inere rin nung Holy Week 🏠

Nasa KCh pa ba yung Negosiyete?

@pepman: wala na yata. ang naalala ko lang na pinapalabas na gusto ko ay yung Noli Me Tangere starring Joel Torre as Crisostomo Ibarra.

*Yung tinutukoy mo na farmer na laging kausap ni Karen (the carabao) is Kuya Tonipet Gaba. If I'm not mistaken, before sa Art Angel, there was a show sa GMA 7 na I think about pets (galing ata sa name niya kaya ganun ang format ng show). Ewan ko lang, correct me if I'm wrong.*

'yung educational show starring tonipet gaba and karen the carabao, medyo nakalimutan ko na 'yung title no'n, pero it was part of the "eskwela ng bayan" program block that the

DepEd produced originally for NBN (and was eventually re-aired by KCh).

meanwhile, the show that he hosted on GMA prior to his inclusion in "sapulso"/"the beat" and "art angel" was entitled "pet ko"...palabas ito around 6 or 7am during the weekend ('di ko lang maalala kung saturday o sunday).

Yung educational show with Tonipet and Karen is "Karen's World". Yung Mathematics program lang nila ang limot ko na ang pangalan. I used to watch this back then on NBN.

Yung Pet Ko I think sa Saturday yun pinapalabas pero I know na weekend talaga yun.

Bihira ata for ABS and GMA to air shows that also airs concurrently with another network although not exactly the case for the other networks (free tv and cable).

CS9/RPN obviously tops the list with many of its programs airing on different days of the week with mostly its co-Solar channels (and the programs are mostly foreign).

Studio 23's now-former show, StoplightTV (moved to TV5), airs concurrently in syndication over at NBN and Makisig Network. And I remember Motoring Today used to air on both Solar Sports and RPN. I last saw the show over at Viva Prime Channel and Makisig. Well in the case of ABS, they have Salam with Kch.

NBN, IBC and on cable, ANC, used to air a drama serial back in 2005, the Carlo J Caparas-directed "Diyos Ko, Mahal Mo Ba Sila?" starring Joel Torre and Celine Lim, among others.

<http://telebisyon.net/Diyos-Ko-Mahal-Mo-Ba-Sila/series/images/181-Diyos-Ko-Mahal-Mo-Ba-Sila.jpg>

Di siya saktong sabay inere ng tatlong channels (di same day episodes kumbaga) although inabutan ko ito yata hanggang 2007 kaya malamang na by this point ay panay replay na siya.

speaking of Carlo J Caparras and Joel Torre, naalala ko din yung Krusada Kontra Krimen and yung classic na "Ang Pangarap Kong Jackpot" sa IBC, RPN at NBN pinapalabas kasi government ang gumawa nito. 😊

si maggie dela riva rin, madalas ang appearance noon sa mga episode ng "pangarap kong jackpot".

***Yung educational show with Tonipet and Karen is "Karen's World". Yung Mathematics program lang nila ang limot ko na ang pangalan. I used to watch this back then on NBN.***

ayun! 'yung math program naman 'yung nasa isip ko while i was typing my previous post here--"solved!" 'yung title naman no'n.

Ganda nga nang show na iyon. Nakakatawa nga tignan iyung mga tao doon sa part ng show na nalaman nilang tama iyung mga numerong tinaya nila sa lotto ticket at naging milyonaryo. Tumatalon sa tuwa 🎉

Tapos sa umpisa at dulo ng bawat episode, may mensahe mula sa head ng PCSO.

Same goes for KKK, may clip na nagsasalita si PGMA tungkol sa Hukbong Sandatahan ng Pilipinas. Parang nakita kong umarte rin yata para sa show na iyon si Angelo Reyes na dating Defense Secretary o na-feature lang (Special Guest Star hehehe).

Heto miss ko sa RPN kahit hindi ako into those type of shows: The Police Hour. Buti nilipat na iyon sa NBN.

BTW, ano iyung pangalan ng show ni Robin Padilla sa ABC. Pinalabas nung 2004 iyon, me pagka-action comedy.

parang wala akong natatandaang nagka-show ni binoe sa ABC (only his brother...err...sister bb gandanghari--noong rustom padilla pa siya)...

unless you're referring to the action-comedy "S.A.T.S.U." (i forgot what this means), which was aired on IBC (during the vivatv block)...never really watched this, but i chanced upon it while channel-surfing once...co-star niya rito si jacky woo (who's now seen frequently on GMA's comedy shows).

Baka iyun yon ata. Rerun siguro sa ABC iyung nakita ko.

Correction pala on the year, it aired on 2005, kasabay sa "relaunch" ng ABC with its then new line-up of shows nung time na iyon.

*Yung educational show with Tonipet and Karen is "Karen's World". Yung Mathematics program lang nila ang limot ko na ang pangalan. I used to watch this back then on NBN.*

*Yung Pet Ko I think sa Saturday yun pinapalabas pero I know na weekend talaga yun.*

Solved! 🧐

Remember Saksi 15 Minutes News With Mike Enriquez And Karen Davila

who would've thought that the original "saksi"--that snappy 15-minute newscast as we first knew it--would, among other things, make a household name out of TV "late-bloomer" mike enriquez (who by then already had some 20 years or so of radio experience under his belt before he crossed over to TV)?

TAPE bossman tony tuviera, if i remember right, was the first director of "saksi"...incidentally, at the time the newscast went on the air (october 1995), TAPE-produced programs "eat bulaga" and "valiente" had just been on GMA for about 10 months..."mr. t" would also serve as creative consultant for another GMA news-produced program, "brigada siete" (which EB co-host tito sotto started hosting after louie beltran died)...

if there's one thing that i wished the original "saksi" didn't start doing, though? 'yun 'yung pagpapatugtog ng theme music ng newscast in the background during almost the entire show--kahit habang may binabasang istorya o may naka-play na pre-recorded report. that became a practice that GMA news still continues to do even in the present iteration of "saksi" (and with its other newscasts)...even ABS also started doing that same practice on "TV patrol"...

*Baka iyun yon ata. Rerun siguro sa ABC iyung nakita ko.*

*Correction pala on the year, it aired on 2005, kasabay sa "relaunch" ng ABC with its then new line-up of shows nung time na iyon.*

i really can't remember seeing it on ABC. pero i am sure that it was on IBC, during the vivatv block.

always thought of that series as a sort of "knock-off" on that jackie chan-chris tucker starrer, "rush hour"...

Hay I remember pa yung elementary pa ako (90's) during lunch break umuuwi sa bahay at nakikita pa ang Eat Bulaga (which was still on ABS)...I remembered the host, the sounds, the tactics and all that jazz. Ayun, more than 15 years later, ganun pa din. Hay.

Wait lang, di ba GMA Balita, Saksi's predecessor moved to the mornings as a pre-program to Good Morning Asia? And there was also GMA Morning News Live with Lyn Ching right? Naco-confuse ako.

Hehehe, I still remember Saksi back then were reporting a "miracle" event that occurred in Valenzuela when a statue of the Virgin Mary was believed to have "moved" its hands. they

i actually find it amusing for TV5 to use RSP's "astro" as its theme music--just the sound of it reflects the very unconventional format of the newscast.

mike toledo (former "the big news" and GMA/"business today" anchor), by the way, was also part of the estrada cabinet at one point...hindi ko lang maalala kung presidential spokesman siya o press secretary...

Edit: He was BOTH Press Secretary and Presidential Spokesman 😊

on the subject of mike toledo, which leads me to former news anchors no longer seen on TV these days...i wonder where these anchorpersons are now:

cathy santillan (RPN)  
cielo villaluna (RPN)  
tg kintanar (IBC, ABC)  
kathy de leon-vilar (IBC, PTV/NBN)  
lee andres (BBC-2, RPN, IBC)  
thelma dumpit (PTV, ABC)  
leslie espino (GMA)

-----

some TV news memories, randomly:

- not too long before former actress precious hipolito(-castelo) joined IBC news, the network had two more movie stars in their on-cam team: snooky serna (who was credited there by her full married name: snooky serna-go [go being the real-life last name of ex-hubby ricardo cepeda]) and current pagsanjan, laguna mayor e.r. ejercito a.k.a. george estregan, jr. (he used the latter name during his IBC stint)...serna would also host another IBC show called "travel and trade", while ejercito would eventually jump into the political bandwagon (it runs in the family nga naman).

- ABS-CBN's bernadette sembrano and TV5's amelyn veloso actually started their TV careers as co-anchors in an IBC newscast called "CTN midnite"...i don't know what the heck "CTN" meant, but, as shown by the second word in the title, the newscast was aired at the ungodly 12:00mn timeslot, right after the VTV block (and therefore, later than all the other late-night newscasts at that time). kasama rin nila doon as third anchor si alice noel (who would later leave IBC for ABS-CBN/ANC).

- professor randy david also tried his hand briefly at being a news anchor--siya 'yung kauna-unahang anchor ng "balitang-balita" on ABC (when the network came back on the air in 1992), alongside chichi fajardo(-robles). it was on ABC where his "public forum" talk show (from IBC) was revived (but it would later move to GMA as "public life"). prof. david would later be succeeded by tg kintanar on the said ABC newscast.

- three personalities closely-identified with sports and/or sports TV who briefly did some time as news anchors but never continued it after: noli eala (IBC, "express balita" and

"balita ngayon" [the latter was a short-lived late-night newscast...pinalitan ito ng "news tonight"]], chino trinidad (NBN, "teledyaryo"--he and gani oro were the original anchors when the newscast began airing as a two-hour primetime show) and chot reyes (NBN, "teledyaryo"--he became chino's co-anchor whenever gani oro wasn't around).

investigative and magazine shows memories naman...

- magandang gabi bayan was originally every Sunday at 6 pm. Later transferred to Saturday, 5:30 pm and later transferred to 6 pm in 2003. 6:30 pm, 7 pm, 8 pm, 9 pm and of course, 9:45 pm. MGB was originally an hour show, later they extended as 1-and-a-half hours in 1992 maybe and later reduced into an hour in 2004.

- Kapuso Mo, Jessica Soho was originally every Sunday night. Later, KMJS transferred to Saturday night (replacing Extra Challenge). Originally at 7:30 pm, later transferred to 9 pm (its current slot).

- Imbestigador was originally a late night show every Wednesday (after its late night news program). Imbestigador was later transferred to Saturday night (replacing Brigada Siete). Originally at 6:30 pm every Saturday, later transferred to 8:15 pm and later at 10 pm (its current slot, right after Kapuso Mo, Jessica Soho)

I do remember KMJS on Sunday nights. Then transferred to Saturday. For me, it's better na nasa Saturday nights siya than on Sundays.

Lito Atienza's son (The one who ran for Manila mayor last election day) was anchor for IBC Express Balita.

Former Malabon Acting Mayor, Jayjay Yambao I think also became an anchor for the newscast besides running IBC as Station Manager and host of his own program within the same network.

Chino Trinidad hosted a 30-minute newsmagazine program on ABC-5 called "INQTV". Obviously, PDI is its main sponsor and producer.

ay, oo. i forgot about that being another one of chino trinidad's non-sports stints on TV.

i'm not 100% percent sure anymore about this one, pero naging co-host din yata si chino ng "tele-aga" (a short-lived NBN morning news show from 4 or 5 years ago) alongside bernadette allyson...

Ain't she the one who played Michalle Madrigal's mom on SCQ Reload?

Hey guys, Nakita ko po yung bagong Green Cross ads sa TV (2 new Green Cross Alcohol ads. about AH1N1) and new Zonrox ads (it's about Zonrox De-Color)

Ano'ng masasabi niyo sa post ko!

Dagdag sa mga napost kong BH90210 openings:

Beverly Hills 90210 Season 8 Version 2

-Wala na si Hilary Swank at wala pa si Lindsay Price

In speaking of BH90210, yesterday, while watching SNN regarding Dingdong Dantes' visit to ABS-CBN for MYX, I remembered something nostalgic about him and ABS-CBN, a few years ago, 2001-2003 I guess, he hosted "Cover Story" on Cinema One, which is incidentally

owned by ABS-CBN. And the other locally-produced shows before on Cinema One between 2001-2003 were:

1. Persona (Hosted by different showbiz personalities wherein they interview a famous showbiz personality)
2. Nanette Medved's talk show (I cannot exactly remember the title but this was her comeback in showbiz, which only lasted for two to three years)
3. Review Night (I remember Pia Guanio and Ryan A. hosting this)  
and
4. Cinema News Weekend Edition (something like that, mala-CinemaNews Alert, hosted by Christine Bersola-Babao)

I'm not sure with some info here.

CinemaOne is owned by ABS through CPI and it used to have its own closing card at the end of most CPI-produced programs in CinemaOne, Myx, Lifestyle Network and lately Hero. Sa CinemaOne inere ang full version ng closing card habang 10-second version naman sa LN, Hero at Myx (Hero would have its own version of the CPI closing card for its local programs like G3).

As of 2008 CPI discontinued the closing card for all of its channels, sometime after MYX had its usual update of logos on September the previous year. Hero's original programs (save it for a few feature shorts) were also discontinued by this time kahit 3 lang sila (G3, LevelUp TV, and that other show hosted by Sam YG).

1. Persona continues up to this day and would also make updates on already featured artists (sometimes in promotion of an upcoming project in ABS).
2. I miss Review Night. My weekend lunchtime fixture. Bukod kay I think there were also some who went to co-host the show with Ryan Agoncillo besides Pia Guanio and Bianca Gonzales.
3. I think I remember that show with Tintin Bersola.

pepman: Home Along da Riles I think can be considered as ABS' last classic family sitcom. If you count it's follow-up spin-off and its several movie ventures (also considered as stand-alone episodes as well), puwede na siya isama sa mga iconic at pioneering comedies na ginawa ng Pinoy.

Too bad not a lot of sitcoms nowadays (if we have any) aren't like that anymore.

Hehe, Isko Salvador was even their writer.

^Wow...Fun fact! Even I don't know that 🤖

Daming characters na rin ang umalis o namatay sa show over the years. Latest yata iyung pumalit kay Babalu (nung siya sumakabilang buhay rin siya)

^aside from Home Along Da Riles, pati yata Goin' Bananas, at Palibhasa Lalake, kasama si Isko "Ka Pete" Salvador sa group of writers, and in sitcoms, dalawang Al ang sumikat: si Al Quinn at si Al Tantay. Pero mas marami yatang na-direk sa TV si Al Quinn kasi sa movies naman si Al Tantay.

*Pero mas marami yatang na-direk sa TV si Al Quinn kasi sa movies naman si Al Tantay.*

definitely, mas maraming dinirek sa TV si al quinn, because he has been on the director's chair for decades, samantalang si al tantay only started directing both for TV and movies-- as far as i can remember--some ten years ago, as he slowly made his way back into the industry (ilang taon din yata siyang nawala, eh).

si al quinn, by the way, hindi lang sa comedy shows ("goin' bananas", "bahay mo ba 'to?") nagdidirek. variety shows and musical specials ang naging "specialty" niya--"superstar", "GMA supershow" and "SOP" were among those. he also handled a lot of awards ceremonies.

## HOME ALONG DA RILES

- the PAWIS RANGERS episode was one of my favorites back then
- Any episode that had Dolphy crying is a tearjerker.
- Mang Tomas' store and the sunog baga boys. haha miss 'em.

Rest in peace, President Cory Aquino. Here is first part of her SONA before ending her term as President:

<http://www.youtube.com/watch?v=gz172...eature=related>

Channel 4 yata nag-cover then ni-relay sa ibang stations.

RiP Cory Aquino

-----

I remember Al Quinn also directed some comedies for ABS-CBN. Last show he directed for the station (so far) was Quizon Avenue, a gag show starring Dolphy and his sons Vandolph, Eric and Epi. Si Al Quinn yata din nagdirehe ng "Ganda ng Lola Ko" ng QTV

Bert de Leon of Eat Bulaga also directed the John en Marsha spin-off a few years ago, John En Shirley.

Good thing I got to see history as it happened a few hours ago. I was on Greenhills earlier this afternoon on my way to V-Mall (on foot). Traffic was bad because all sides of the Ortigas were occupied by parked cars including OB vans from almost all the major and minor networks. GMA also brought a truck from its own Scenarios, Inc

Surprised to see an OB Van owned by NBN na may satellite dish pa na iaangat mo gaya ng sa ABS at GMA (can't coin the term).

May part ng isang van ng TV5 ang nakasulat na "news" pero obvious na malaking sticker siya ng "ABC News", tinanggal lang ang "ABC" at iniwan lang ang "News". Nakakapanghinayang naman tignan iyung sa RPN News na iyung sticker ng logo nila sa sasakayan, halos fade-out na.

Pati sa EDSA Shrine, nakatambay doon iyung news vans ng ABS at GMA, magkatabi sa isa't isa.

Cory Aquino definitely made an impact for Philippine TV and radio history. Kung hindi dahil sa kanya:

1. Hindi maibabalik sa ere ang ABS-CBN, ABC-5 at ng ilang broadcast networks sa ibang bahagi ng Pilipinas
2. Hindi masesequestered ang IBC, RPN at nang ilan pang networks
3. Hindi magkakaroon ng Zoe TV/QTV, Net 25, Studio 23, MTV Philippines (na Free TV channel noon), at nang iba pang TV networks considering noong panahon ni Ferdinand Marcos, either kontrolado ng pamahalaan o ng mga cronies niya ang karamihan ng mga outlets ng media: mapa-radyo man o TV, maging sa malayang pamamahayag.

I'll continue this on M&R

OT muna, habang napaguusapan si Tita Cory...post ko tong editorial cartoon ng Indonesian news portal inilah.com , where they regarded Tita Cory as "Supermama"

TV History in the making: Makisig Network will cease as a cable channel on August 6. I think because of its agreement with Star TV, Makisig will now carry the returning Channel [V] Philippines on 24/7 basis.

Ang saya ng symposium namin kanina with Karen Davila and Abner Mercado sa CSB.

Aside from Karen Davila, Abner Mercado was also from GMA-7's Brigada Siete until he transferred to ABS-CBN in 1999.

By the way, The Correspondents will be celebrating 11 year on the air this November pala 😊

**naalala Ko Ang Sitcom Na Hiwalay Kung Hiwalay Daw Sa Gma7 Starring Christopher And Zsazsa**

**Akala Ko Drama Na Puro Bangayan Ng Hiwalay Na Mag Asawa**

**Yon Pala Sitcom Na May Values Naman**

Canisten Cream commercial ni Gelli de Belen at iyung isa pang Canisten (?) TVC na may magnanakaw na nanghubad ng biktima pero walang ka-hiya-hiya kasi walang fungsi sa katawan. nakita pa siya ng babaeng pulis sa huli.

it's funny that i was actually recalling that sitcom in my head just hours ago.

anyway...nagustuhan ko rin 'yang sitcom na 'yan...suporta nina boyet at zsa zsa d'yan si arnell ignacio (as their best friend, pampy), and, later, si anjo yllana (as bogart...HKHD was his first regular show on GMA upon his return to the network--and, perhaps, his first sitcom role na hindi niya kailangang mag-baby talk o umakting na parang bata, just like in his previous roles as dino tengco ["abangan ang susunod na kabanata"], tikboy ["palibhasa lalake"] or bubuli ["ober da bakod"], kasi medyo maton/basagulero 'yung dating ng naging character niya sa HKHD)...there was also this italian guy na naging parang sidekick ni anjo doon, whose name was luigi...

tapos, mga anak nina boyet at zsa zsa doon 'yung kambal na anak ni becky aguila (manager to jennylyn mercado, angel locsin, valerie conception, etc.)...

and i remember that they taped their christmas episode sa bahay ng isang malayong kamag-anak ng erpats ko sa tagaytay--we came for a little family gathering there one sunday, only to see a GMA OB van parked at the entrance...so ayun, habang nagte-taping sila sa loob ng mismong bahay, kami naman, nasa backyard...but we were allowed to watch and even mingle and take pictures with some of the stars there...that house was used in a few other movies and TV shows (the most recent of which i've seen was the TV adaptation of "dapat ka bang mahalín?")...

aside from hiwalay...

miss ko ang manoy and mokong nina janno and eddie garcia ... kasi natural na natural silang magpatawa walang kabaklaan doon...

oh i like "ABANGAN ang SUSUNOD NA KABANATA".. ang galing ni Tessie Tomas with matching kagat ang kamay...

speaking of Canesten Cream... bakit 3 ads talaga nito ang pinapalabas consecutively? 😊

noong nag-premiere 'yang "manoy en mokong", akala ko dati, parang "spin-off" o continuation 'yun ng naging pelikula nina manoy at janno na "mauna ka, susunod ako" (which was shown a year before that sitcom premiered on GMA). pero iba yata 'yung mga characters nina manoy at janno sa movie compared to the sitcom...

'yan namang character ni barbara tengco, iniisip ko noon, parang may konting "inspiration" siguro from imelda marcos--especially dahil sa hairdo ni aling teysi for that character...

'yung character ni dino tengco (anjo yllana), ginawan pa ng movie 'yan ng regal noon...ang title? "dino: abangan ang susunod na..."

3 ads na magkaiba or iisang ad na 3 beses pinapalabas na sunud-sunod?

Ang bihira naman mangyari ay kung 2 o 3 networks ay sabay na nag-ere ng isang commercial ng isang produkto 😊

iisang ad tapos paulit ulit na ine-air 😊

Heto naman ang kaso ng MTV at MYX: Nagkakataon na nageere sila ng parehong music video na halos sabay.

bilang lang sa aking mga kamay ang mga instance na nag-ere ng pare parehas na tvc ang mga tv networks..sa gma, abs cbn, abc..at pati na rin studio 23.

ang naalala ko na tvc na nag-ere sabay sabay sa 4 na tv station na yan ay tide, magnolia (or nestle ata), at pati ata yung clear

Ang naalala ko pa nga na sabay sila nagere ng ad ng Pepsi at Rejoice

hey guys! i'm back!

don't forget the nestle twin commercial feat. the twins, who can ever forget the tagline "es de leberti condens melk" and the "grow tall young man" na na-boycot dahil di naging tall man si nino muhlach, liberty milk din ata yun or milkmaid

milkmaid yata 'yung kay nino muhlach. 🤔

'yung kina richard at raymond naman, siguro pinaka-may recall sa akin among the nestle twin ads they did with their dad eddie was the one with the jingle that went, "palaki nang palaki nang palaki nang palaki..."...

#### HOME ALONG DA RILES

- Any episode that had Dolphy crying is a tearjerker.

hell yeah especially yung isang mama na mahaba ang nguso yung always naka pout out ang lips nya,

Isa sa mga pinakamatagal at hanggang ngayon ay ongoing na telenovela-ish advertising campaign ay ang sa kuwento ni Lumen at ng pamilya niya sa Surf. Since 1999 pa yata ito eh.

It's been almost 10 years at wala pa rin ka-kupas si January Isaac.

Eh kelan dumating yung asawa niya? 2001?

BTW, nakaka-miss yung cooking show ng RPN every Sundays, doon ko nakilala yung Chinese na language. At eto pa, nasa SkyCable Ch. 62 siya, Gold ha.

^that cooking show was funny for me because she speaks non stop Chinese while almost throwing all the ingredients carelessly to the Wok. In Ch. 62, the music video of those classic Chinese dramas were emotional, but sometimes a spoiler since they will show what will happen in the end. 🤔

Wok with Yan

and yeah I remember a lot of old 80's-90's Chinese melodramas, undubbed, get quite the airplay on IBC, RPN, and even ABS during the early mornings (in particular, Sundays).

So far, ang huling hantungan ng mga programa para sa mga Filipino-Chinese ay ang IBC. Mostly lifestyle/entertainment mag shows nga lang like am@IBC.

headmavs: Ah, sa C.E.C.? Hehehe, I watch that channel mostly for the music video-esque opening credits

j5: yeah. channel 62. I wonder why nasama siya with religious networks (TCT and EWTN) sa mga channels under the line of 6. I also watch it for those credits. Nakakarela minsan iyung music dun. But the drama itself is nosebleed for me. 🤢

speaking of ads, naalala ko sa IBC 13 yata (sa kapapanood ng trailers noong early 90s), palaging commercial nila ay Seiko Wallet at A&W burgers. May sisigaw pa nga ng "A&W!" habang may nilalagay na rootbeer sa baso then may malaking burger.

as in no preno sya sa kakadakdak habang naghahalo ng mga lutuin! ahihihi!  
And take note ang kanyang kalan at mga kaldero parang halos ilang dekada na nya nagagamit matibay pa rin

Hmmm... Every commercial break ng mga sentai shows (bioman, maskman, shaider) always mga sakanami fish snack, snacku, regent cakes

*milkmaid yata 'yung kay nino muhlach.* 🤪

*'yung kina richard at raymond naman, siguro pinaka-may recall sa akin among the nestle twin ads they did with their dad eddie was the one with the jingle that went, "palaki nang palaki nang palaki nang palaki..."*

There's another nestle twin ad that i recall is.... there is a boy and a girl, an aspiring ballerina and a mountaineer, tapos nung lumaki sila naging one of the best ballerina and mountaineer na sila. Anyone remember that ad?

Remember the Jimenez Family circa 2000-2001, they were featured in a set of TV commercials?

guys..napanood ko lang kanina yung tgis the movie sa pbo. sure brought back some memories. tapos may nakalagay pa sa credits na "watch the TGIS-the tv series every Sabado on GMA Channel 7" in fact wala na ito sa ere. Too bad TV networks don't make those quality shows like TGIS on the afternoon slot. Makikita ngayon Wish Ko Lang sa 7, Movie naman sa 2. Parang medyo boring at kapag nasa bahay masarap tulugan. Hindi noon na kapag afternoon ng Sabado nakatutok talaga sa TV.

Though TV5 made the same..kinda..format show. Yung Lipgloss na teen-oriented din. Kaso they failed to capture the masses' attention probably because medyo sosyal ang dating ng show.

Sana naman maisipan man lang i renew ang TGIS sa same slot, on Saturdays. Maibalik man lang muli ang habit na pagtutok sa TV on Saturday afternoons.

'yung bata d'yan sa magnolia ad na 'yan (from back in those days when magnolia [now nestle] twin popsies, drumstick and ice drops STILL had paper wrappers, and none of that annoying nestle music whenever the cart passes by), naging "anak-anakan" ni dina bonnie sa isang short-lived RPN sitcom called "mommy ko si tita"...the kid's first name was ira james--nakalimutan ko na 'yung apelyido.

Halina kayo, sama-sama tayo! (Seoul Olympics?)

this one was actually a classic coke commercial featuring lilet singing the tagalog version of "tomorrow's people" ("i am the future of the world/i am the hope of my nation..."), which she also sang in an earlier philippine adaptation of a worldwide ad campaign for the same softdrink brand back in '86...

according to one comment on the clip, the tagalog version of "tomorrow's people" was aired in 1991, five years after lilet sang the original english version...

1987 po na air ang tomorrows people hindi 1986

I remember Sundays becoming a must-watch back in 2004 when SCQ Reload moved to the 3pm timeslot and became a weekly one-hour show. It stayed there until its silent cancellation brought by different factors.

IMHO, no show since the days of TGIS, Growing Up, Gimik and G-Mik made the kind of impact the same way these 90's teen soaps did.

TGIS and Gimik even spun-off into movies and now, it's a rarity to for a show to do that.

Some shows are either spin-offs/continuation of past movies or even the complete opposite. Heto ang alam kong ginawan o nanggaling sa pelikula:

1. Okay Ka Fairy Ko (it continues today as the revitalized Enteng Kabisote: OKFK movies every MMFF)
2. Gimik (The Reunion)
3. TGIS (I think dalawang movies ang ginawang movies mula dito)
4. Ober da Bakod (Hehehe, I remember watching this on Viva Cinema back in the day)
5. Ang TV
6. Mara Clara ("remade" into a movie)
7. Mula sa Puso
8. Esperanza (a remake+continuation set after the end of the TV series)
9. Ang Tanging Ina (movie then sitcom then movie uli...namatay ba si John Estrada sa TV series?)
10. Iskul Bukol (last year's MMFF entry)
11. John en Marsha (bukod sa movies, nagkaroon ng continuing spin-off show na "John En Shirley")
12. Love Notes
13. Maalaala Mo Kaya
14. Flames
15. Calvento Files
16. Volta
17. Wansapanataym

usually, nakikita ko ito before pinapalabas ang Family Feud ni Ogie Alcasid at yung wheel of fortune ni Rustom 🙄

that was actually aired right before the ABC station ID during every show--at least, until tonyboy cojuangco took over as the network's big boss.

tapos sa closing credits ng lahat ng network-produced programs nila (mapa-news or entertainment), laging may "the family that prays together...please pray the rosary" at the end, right after the copyright notice...

It lasted even past April 2004 when Tonyboy took over ownership of the station for most of its shows until sometime in 2005 or 2006 nung nagkaroon noon ng Philippine Idol.

I think I remember that Buddy en Sol movie. Parang di nagedad nga sina Eric Quizon at Redford White.

I also watched 2 Home Along da Riles movies multiple times, especially the one na

Turns out may mayamang kamag-anak si Mang Losme 🏠

Iyung unang movie ata ay retelling ng unang season ng sitcom kasi parang naalala ko kung paano nakakauha ng trabaho si Mang Kosme sa naging place of work niya. Tagal na rin eh.

Second movie naman iyung kaninang nabanggit ko 😊

yan na nga iyung sinasabi ni pepman dati na medyo eerie at nakakagulat naman para sa akin. Naalala ko ito kapag tapos na ang Tropang Trumpo then WWF na ang next show. (dalawang beses pala nagpalabas ng wrestling ang ABC 5 sa pagkakaalala ko: noong WWF pa siya at iyung latest na WWE, where ABC 5 had a slogan "Pumped and Loaded")

The last one, WWE (I think they were airing WWE Monday Night RAW) didn't stay for long in ABC-5 and eventually ended up in RPN again.

Supposedly ABC and Solar had some sort of agreement which involves co-producing a few sports programs and the airing of WWE and NBA games but after a few months, na-discontinue na. Don't know exactly the reasons but probably one major factor was ABC's blocktime agreement with a Malaysian company-owned local subsidiary (that led to its rebranding exactly a year ago).

Dapat nga mapapakinabangan sana ng ABC ang paglipat ng mga Solar Channels sa free TV pero eventually na-left out siya (RJTV, SBN and RPN had since then became competitive stations months after Solar made the switch at the turn of 2008)

I thought the first Gulong ng Palad was aired on RPN/KBS? Guess I was wrong. That would have meant the 2nd series based on the original radio drama aired on ABS last 2006 was sort of a "homecoming".

And talk about konyotic language:

akala ko yun pa rin yung original version ng jingle na yan na ine-air pa sa mga radyo ngayon? 😊

*I thought the first Gulong ng Palad was aired on RPN/KBS? Guess I was wrong. That would have meant the 2nd series based on the original radio drama aired on ABS last 2006 was sort of a "homecoming".*

the first TV version of "gulong ng palad" was indeed produced at broadcast city in 1978, pero it was aired on BBC-2 (RPN's sister station/fellow occupant at broadcast city) as a weekly one-hour show, every friday night at 7:30.

meanwhile, RPN, if i remember correctly, did another version (or sequel, perhaps) of the soap as "gulong ng buhay" in the late '80s, also starring marianne dela riva and ronald corveau, who played luisa and carding, respectively, in the 1978 series. sa late afternoon slot naman ito inilagay.

pangatlong TV version na 'yung sa ABS. but i wouldn't call it a "homecoming" since the soap was never aired on the network prior to 2006, to begin with (the original radio version of "gulong..." was aired over DZRH)...

a PS to my post above:

luida flores viriña, writer of the first TV version of "gulong..." (and, incidentally, the one who did the voice of luisa in the original radio version), was part of the creative team behind "home along da riles" (she was the show's creative consultant, if i remember correctly)...she is also the younger sister of carolina flores-trinidad a.k.a. lina flor, who wrote the original story of "gulong..." for radio in the '50s...

meanwhile, lina flor (God rest her soul) is the wife of radio veteran and actor francisco "koko" trinidad (God bless his soul, as well) and mother of actor noel trinidad...

Had the second post edited.

It starred a very young Maricel Soriano and was directed by a similarly young and upcoming director named Johnny Manahan.

read the rest of the article that came with that clipping...parang "sequel" na yata 'yan ng "kaluskos musmos"...

speaking of the young maricel soriano, long before her own drama anthology, naging bida na rin siya sa isang primetime soap in the late '70s entitled "maria morena" on BBC-2...the show was also based on a radio serial...this, along with "gulong ng palad", made friday night a top-rater back then for BBC...

Di ba nung araw, most locally-produced programs aired live from variety shows to soaps?

I read somewhere na common practice ng mga stations na mag wipe-out tapes ng mga recorded footage ng shows para magamit muli sila to record another program. Not sure if this was the case in the Philippines as well.

Sayang rin if they did that during the early days of Philippine TV. Had they knew the value of keeping those old footage had them placed into an archive, then succeeding generations would have a chance on seeing those old programs.

Sa ngayon, ang pinakamatandang show na inere uli minsan ay ang John en Marsha sa RPN USA block noon. Di ko sure kung which year ginawa ang mga episodes na pinalabas that time. Buti rin pala na na-release na rin ang series on VCD.

Di ko marecall if ABS aired during its 50th anniversary special any shows older than those aired during the 1980's (at least before it was closed during the Martial Law years)

Remember Yong Okey Ka Fairy Ko, Si Alice Dixson Ang Faye Doon, Pero Nung Maging Active Sa Movies Nag Quit Sya Sa Show At Ang Pumalit Ay Si Tweetie De Leon,

Ganun Din Ang John And Marsha , Si Maricel Soriano Ang Orig Shirley Puruntong Doon . Nung Maging Active Sa Movies At Drama Shows Si Maricel, Nag Quit Sya Sa Show At Ang Pumalit Ay Si Sheryl Cruz .

Si Beth Bautista Pala Ang Orig Na Mimi Role Sa Gulong Ng Palad (marianne Dela Riva And Ronald Corveau Version). Dahil Naging Active Sa Movies Si Beth, Nag Quit Din Sya At Ang Pumalit Ay Si Charmie Benavidez.

Hala, nangyari na naman: Two station airing the same commercials simultaneously!

Last night ABS and Net 25 each aired a version of that Pacquiao Family Magnolia ad within seconds of each other.

'di ko napanood ito. hindi kasi masiyado nalilipatan ng remote namin ang Net 25. pero i do know na mayroong Magnolia ad sa Net25.

Naalaala ko tuloy yung House of Hoops na ni walang isang taon, nawala na. Sa ABC 'to, about NBA.

Kasi ang SMC sila ata ang pinakamalaking advertiser sa Net-25 🇵🇭

**Si Gladys Reyes Kung Ano Ang Katarayan Nya Sa Soap Opera, Sya Namang Takot Na Takot Sa Buwaya**

on Net 25, napapansin ko na rin na nagkakaroon na rin ng diversity ang programming nila, hindi na iyung usual techy-Deutsche Welle-INC/religious content that usually dominates the station.

on EC: Reunion nina Jolens at Marvin sa isang episode ng Extra Challenge pero pinaalis ni Mr. M si Marvin nung nalamang magiging partner niya sa challenge si Jolina. Nagkaroon ata ng misunderstanding on both parts kaya pinaalis sa show si Marvin.

Marvin would eventually return to Extra Challenge for its Kasabwat episode back in January 9, 2006 (I kinda remember the date since it's the same day that Gulong ng Palad had its premiere over at ABS.)

patapos na ang extra challenge nang sumugod ang absbn para pigilan si marvin. walang nagawa si marvin kundi sumunod. si biboy ramirez ang pumalit.

nag join din sina manny pacquiao and jinky, bernard and rica and sunshine dizon at frank sa thailand...

e 'yung dinala sa bukid sina ruffa gutierrez, donita rose at ang noo'y fresh from "american idol" na si jasmine trias? the best doon 'yung nanghuli sila ng mga palaka nang naka-costume pa. 🤔

'tsaka 'yung "ang kapalit" series nila--looking for miriam quiambao's substitute before she left the show to get married to her now-ex-husband claudio rondinelli...

at sa "extra challenge" unang nauso ang salitang "pasaway" (actually, sa "starstruck" din, pero mas madalas ko 'yun noon naririnig sa EC)...

And a recently fresh from MTV's "Rouge" Mariel Rodriquez was for a time filled the void as Paolo and Ethel's co-host.

Nasa 3rd year na pala yung Kabuhayang Swak na Swak, by the way, I remembered their original hosts, sila Katherine de Castro at Chase Tinio yun.

At one time naging weekday show siya alternating with Trip na Trip, 8:30 am after Magandang Umaga Pilipinas

incidentally, it was antoinette taus (featured in that clip) who sang the theme song to "GMA love stories" (entitled "in an amber bottle", composed by trina belamide)...china cojuangco and kc montero hosted that one for most of its run on the air...

if i remember correctly, the show also evolved out of an earlier youth-oriented drama anthology called "campus romance"...

QTV is re-airing this old cartoon from GMA about teens who turns into winged fairies that can dance. Forgot the name of the show though (minsan ko lang naabutan to tuwing umaga).

I remember it used to air weekdays when GMA was airing a combination of Tagalog-dubbed animes and live-action (Ultraman) and English-speaking kiddie programs (Goosebumps) during the afternoon slot.

Kahit nung araw, uso rin ang magkaroon ng technical problems (wrong spellings, etc)

"GMA headline news" pa ito, because of the presence of the late jose mari velez as tina monzon-palma's co-anchor...

"GMA network news" wasn't on the air until 1992, after tina monzon-palma left GMA for ABC to become the network's chief operating officer and co-anchor of "the big news" (with eric "eric caine" eloriaga)...

May sakit kaya iyung co-anchor ni Tina sa The World Tonight ngayon na si Angelo Castro, Jr?

Haven't been watching TWT lately on ANC since that time I saw him looking rather frail and weak (sorry for the description) after coming back from his leave.

I'll try catching him on ANC next week.

Yey! Magkakaroon ng reunion special ang F! with the original hosts: Angel Aquino, Daphne Osen-Paez and Cher Calvin (taking a break from her duties in KTLA). Sayang, di kasama si Amanda Griffin 🙄

nge .. di naman sikat ang f na to ....paclass masyado

miss ko yong 2yrs na telenovela like mula sa puso, esperanza, pangako sa yo

ngayon 9 months lesser na lang inaabot

masyado nang maikli ang attention span ng mga pinoy ngayon. gusto lahat, mabilis (mula pagkain hanggang sa pagkuha ng kung anu-anong impormasyon, mga gano'n).

kaya pati mga drama, gano'n na rin.

naabutan ko pa 'yung panahong taon talaga ang binibilang ng mga drama series (especially the afternoon soaps back in the late '80s/early '90s: agila, valiente, annaluna, mara clara...), hanggang sa dahan-dahang "nag-evolve" ang pagpo-prodyus nito...blame or thank the mexicans who gave us those telenovelas (na pumatok naman the first time sa masa) for changing the way TV writers create those sob stories...

Who could forget the lovable Purontong Family of John en Marsha! Of course, Shirley Purontong became the precious gem not only of John en Marsha but of the whole

Philippines.

That show is timeless!

Sana matuloy yung suggestion ni Cesar to do a remake of this show with inay.

Weird nga na lahat ng mga upscale shows ng ABS, late nights sila pinapalabas (Sports Unlimited, Urban Zone, and at one point Y-Speak) when ABS can just moved them to better slots in a more desirable station like Studio 23.

F! and Y Speak were fortunate enough to being one of latest batch of ABS shows to transfer to Studio 23 which had, shortly after its inception, aired programs carried over by ABS which was on its way to produce more local content to the masses (talk/variety shows, soaps, news programs and dubbed foreign shows).

regardless of whatever ratings the show attained while still on air, naka-form na rin siya ng loyal following kaya tumagal na rin ito sa ere for close to almost 7 years (If i could recall its farewell episode in 2006, the show made its debut in ABS around 1998 or 1999).

I'm more than happy to see the original F! trio again although I still would want Amanda to be a part of the reunion special as well. Guys would drool just seeing her 😊 🍷😊

Glad that RPN aired John en Marsha aired this again a few years ago. Now I know why it was one of the best sitcoms around. At least we got to know what happened to the Purontong Family on John En Shirley. Although mga 2 years lang ata ang tinagal nito, we got to see some memorable characters again, some who even guest starred.

IMHO. mas naging tribute show ang John en Shirley sa pinanggalingang show nito. 🤔

*i can see yung latest promo ng gma yung "remember when and win" wherein you get to guess the title of gma's past show and the brand that was aired along with it. i get to see some old footages of past shows of gma dun sa promo nila.*

aba...parang 'di binabanggit 'yan sa kapuso thread...never knew they had a promo like that...

'di ko alam kung bakit di nila alam yan. lagi iyon pinapalabas. yun yung papakita isang old footage ng past show ng gma then huhulaan ang title at kung ano ang sponsor na lumabas na kasama ng show.

The management of Superferry were allowed a month ago to resume their operations after one of their ships sank in the middle of the sea.

Grabeh, naalala ko tuloy iyung commercial nila noon na may lumilipad na Sharon Cuneta na kumakanta sa himpapawid bago lumanding sa ibabaw ng isang barko ng Superferry. Huling linya niya sa jingle ng commercial: "*Superferry, talagang type kita! SAKAY NA!*"

Finiteature nga minsan sa Batibot ang isa sa mga barko nila sa isang episode ng show. As usual, si Kokokwikkwak ang nandon papa mag-"WUPEE" ng moment.

Oktoberfest na nga pala. When San Miguel introduced this German import of a festival in Philippine shores, grabeh ang ginawa ng kumpanya para mabigyan nito ng exposure, with much success.

If I remembered it during its early years, the two big networks were in charge of covering the event which were being held initially in Manila before venturing to other places in the country (i.e. Cebu, etc). Ewan ko na lang ngayon if San Miguel still needs such coverage given the popularity the event has from beer patrons.

Also love the San Miguel Oktoberfest jingle they would play as early as September or even August (they did that when they extended Oktoberfest for a good three months, about 100 days), be it as a part of a TVC or on the radio (na madalas 1 minuter version ang tinutugtog)

Another Anna Liza video complete with opening credits: <http://www.youtube.com/watch?v=L61RnneFsdQ>

Watched the clip. I saw how producers back then produced quality soaps than today's. Maganda at masyadong nakakasuspense at talagang hindi mo mapipigilan na mahook ka at isipin kung ano ang mangyayari. Eh ang mga TV soaps ngayon eh masyado na nga maikli, pangit pa ang storyline, at madali lang ilipat kasi nga hindi maganda.

Not against GMA, pero kung GMA still produce these kinds of telenovela, siguro magiging top-rating ito nationwide. Masyado nga sigurong tinatamad na ang mga producers kaya mga 1 season lang ang run ng mga series.

Though luma na ang Anna Liza, maganda pa rin at nakakatouch ng damdamin, ayon sa video clip na iyan. Sayang at hindi pa ako buhay ng mga times na pinalabas ang Anna Liza, hindi ko naabutan ang age ng "tunay na soap opera/drama". Eh ngayon parang mini series na lang na tumatagal ng 3 months eh. Masyadong minamadali ang story at masyadong predictable ang story. At madali lang sa isang viewer na lumipat ng channel.

Sana ang mga TV networks ngayon gumawa uli ng ganitong klaseng mga soap operas. Siguro ang pinakahuling alam ko na mahaba-haba ang taon ng TV series at tumagal ng ilang taon ay Anna Karenina, Mula sa Puso, at Esperanza.

Napanood ko na din ang clip na iyan. Although 18yo pa lang ako, at di ko na siya naabutan, I am a fan of **Julie Vega**. 🍷

Na i add ko rin si Cynthia Patag sa facebook.  
And mukha yata malabo bumalik ang Palibhasa lalake 😞

again, i think it all goes back to how those mexican soaps (led by the thalia shows) and asian series (especially the korean ones) became big hits sa mga pinoy--these soaps, as a lot of us would know very well by now, had very quick storylines. and, like i also said before, unlike back in the '70s and '80s, and maybe into the early '90s din, today's generation of viewers seem to have very short attention spans--ang gusto, lahat mabilis.

those, i believe, have been key factors in how local soap operas have been written and produced on both GMA and ABS since the late '90s and early 2000s. it's not necessarily just because "tinatamad na" ang mga production people (although that may be a factor too--but we'll never know, we're not "insiders" anyway).

also, madalas, dahil na nga rin siguro sa "pataasan" ng "big two [networks]", nagiging "quantity over quality" ang labanan--production value or aesthetics **sometimes** becomes a bigger value over the story itself.

here's a thought: "anna liza" and "flordeluna", the two biggest soaps of the '80s, were shot mostly just in their respective networks' studios (for one thing, GMA, where "anna liza" was aired, had only two small studios at that time--both of which are still in use today), hindi katulad ngayong laging "on location".

^Kung iisipin din, ang mga Pinoy soaps lang ata ang tanging gumagawa ng on-location shoots at di na masyado sa mga studios kumpara sa ibang bansa na hanggang ngayon ay doon sila nagtetaping 90% at the time.

May pinapanood na nga ako mga soaps na galing US, at nakakamangha minsan na

nagagawa nilang magrecreate ng mga outdoor scenes sa studios. at karamihan sa kanila ay 50 years na pinapalabas na tuloy-tuloy (General Hospital and As the World Turns na dating inere dito) kaya tinuturing na silang multi-generational serials. Sinasabi nga daw nila na mahirap magtaping sa labas bukod daw na magastos.

Back to the topic of our own soaps: production values may have improved, the duration of soaps have been trimmed to a minimum of 13 weeks and the pacing has become somewhat faster compared to the soaps of old, what the soaps suffer nowadays is the lack of good, believable, and refreshing storylines and the way how they are told to the audience.

What we get is the same-old-same-old. Even the remakes cannot make up with what the networks are showing us: horrible actors with pretty faces but has no substance, inability to give justice to the source material, and in reference to foreign TV shows that were remade into localized soaps is the writers' constant need to give them a "Pinoy touch", which other than the concept of close-knit family, show us practically the same thing as other soaps.

Meron naman kahit papano mga ibang soaps na dekalidad, masyado lang silang kaunti. Di nag sila masyadong binibigyan ng pansin kumpara sa shows nila na overhype o sa mga artista na mas naggagarner ng pansin kaysa sa mismong show kung saan sila gumaganap.

heck, the networks are afraid on doing something new with the way Pinoy teleseryes are made because they're afraid it might fail on the ratings because these teleseryes are their moneymaking machines that's why the genre is dominates both 2 and 7's primetime and daytime programming (including their weekly dramas).

-----

Pansin ko, hindi tayo iyung tipong gumagawa ng opening credits sequence sa mga scripted shows natin. Parang ganito na lang:

1. Titlecard/OBB
2. Episode Recap
3. Episode Proper
4. Preview of Next Episode followed by long crawl closing credits (for GMA-7)/Preview of Next Episode with long crawl closing credits Koreanovela style! (for ABS\*)

\*Rarity but it does happen on ABS na kung minsan na after ng closing scene, either closing card na lang ng show ang kasunod o preview na lang ng sususnod na episode na nakatatak ng "All Rights Reserved"

Di yata uso sa mga Pinoy soaps ang pagkakaroon ng mga bagong season compare sa US.

^Actually, ang concept ng "season" ginagamit rin naman dito kahit papano. Many consider a local soap's first 13-20 weeks on air as one season. Paginextend, ibig sabihin, dinagdagan ito ng isa pang season. Daisy Siete is a good example, already about to reach its 20th season since its inception back in 2003. 🇵🇭

Sa US naman depende ang concept ng "season" sa kung anong tipo na drama ang pinapalabas, ang primetime drama at ang panghapong soaps nila. In addition, karamihan episodic lang ang kuwento at hindi ongoing.

magulo medyo pero eto pagkaintindi ko sa mga "seasons" nila:

1. mini-series: One whole series na tatagal lang sa loob ng 2-13 episodes at least
2. halfseason: 13 episodes ang itatagal
3. full season: 22-25 episodes
4. 52-week season: sa mga panghapong soaps, uso ang ganito.

Ginamit sa ABS naman ang concept na Book 2, gaya ng sa *Maging Sino ka man*.

Lolz naman iyang Daisy Siete, nakarami na pala silang mga season with all those 'kakaibang mga subtitles at plotlines'. 😂

diba dito nauso yung expression na "You're so Kaka... Kaka-asar!"

naabutan ko pa 'yung time na soap operas actually had an opening sequence that introduced each character/cast member...and back then, dahil na rin siyempre sa style ng radio drama, uso na 'yung "ang nakaraan", pero walang preview ng susunod na episode at the end of the show (which, i think, only became a trend recently)...

there was even a time that some soaps did away with recapping last night's episode and going straight to the current one...of course, i can't remember by now which specific soaps did that...

it could be assumed that these "structural changes" have something to do with the allotted running time for each series--especially given the fact that these shows now allow a lot of commercial gaps...

*diba dito nauso yung expression na "You're so Kaka... Kaka-asar!"*

the title of the show was "Ibang Klase." 😊

The good shows that I remember back then were Wansapanatym, Hirayamanawari, and Ghost Fighter. Ahhhh, good times, good times.

I remember Ikaw sa Puso Ko used to do minutes-long recaps at the start of the series before totally abandoning the whole idea for the rest of its run.

For ABS, some of the soaps they aired between 2000-2004 would air a logo of Star Cinema/ABS right before picking up where the show left off the night before:

2. Darating ang Umaga
3. Hiram
4. Pangako sa'Yo

The permanent use of recaps and previews probably started in 2004 when GMA's Mulawin and ABS' Spirits started airing episode recaps with the former airing previews, although inconsistently.

Starting at 2005, ABSm imposed "Koreanovela"-style closing credits starting with Gulong ng Palad

I'm back after a few weeks! Hay buhay, Bubble Gang is 14 na pala! I literally grew up with the show and yeah, I have a video on what I'm referring to:

<http://www.youtube.com/watch?v=S1hsUqPPdb8>

This one showed the themes and the intros BG had from 1995 to 2009. The first one is my favorite. Gusto ko nga i-request sa GMA na i-air yung first ever episode ng BG nung 1995 to see how far they have really come.

@j5: Si Michael de Mesa pala yung unang director ng !Oka !Tokat.

Miss ko iyang dati nilang theme song noon ng BG na may version na acapella at pop/remix.

I remember the first 3 ETV shows of ABS: Hiraya, Bayani and Sineskwela underwent 3 logo changes (The third being used for program promos only).

Noticeable, most long-running local shows in ABS that time also had at least 2 logo changes with at least one of them used only for commercial breaks.

I remember Home Along Da Riles used its second logo throughout most of its run despite having a third logo update already. Sineskwela and Bayani had awesome looking graphics on their respective logos (the former still sports its mid-1990's version of the logo to this day).

since we are already talking about logos. only abs-cbn haven't changed their logo since its relaunch after the people power 1. though their logo underwent minor changes such as the placement of the words "abs" and "cbn". other tv stations did change their logos throughout the years such as gma..from the gma radio-tv arts to the rainbow logo to the kapuso logo.

15 Years of ABS-CBN Foundation's ETV. 15th anniversary special will air on ABS on October 31, 2009 7:45am. Based from the promo, the special will feature multiple personalities who have been part of ETV like Kuya Bodjie, Tintin Bersola, Tado, etc. (Will Brenan Espartinez also make an appearance?)

Most if not all ETV shows (Bayani, Hirayamanawari, Sineskwela, Math Tinik, Epol Apple, Basta Sports, Art Jam, et al ) are currently enjoying reruns on the Knowledge Channel while Sineskwela continues to air new episodes every now and then on ABS (and a few years back, Studio 23).

November 1, 2009.

TV memories time!

I remember an ongoing skit from ISPUP for most of the month of October til midNovember (2002?). Nakaset sa isang class where a teacher is teaching some things to his overgrown students. On the UNDAS special of ISPUP, the skit featured the skit's major characters holding a candle as part of their assignment.

I guess this next one was from Bubble Gang although this one's a bit blurry. A man recalls having born on November 1, got baptized on November 1, got his first kiss on November 1, got married on November 1, his wife gave birth to a daughter on November 1, the daughter got married on November 1, and he died on November 1.

November 11, 2005: DZOE-TV 11 underwent a rebrand following a blocktime agreement

Since its reception, heto na iyung mga natirang shows mula sa original line-up: Balikbayan, Ang Pinaka News on Q, Balitanghali, at Day Off. Anything more to add?

For the nth time since 2007, RPN is undergoing another rebranding. The latest will happen this weekend when C/S9 signs off at the 28th and a new channel signs on the next day.

New teasers are showing a logo similar to the old Sports Plus logo. Well it was fun while it lasted.

BTW, News Watch is expanding to a full hour as teased by the new ads.

Before, Eat Bulaga had a separate voice over when they are promoting their show or announcing their sponsors. Now, as I have watched a while ago, the VO of GMA is also EB's VO while promoting Kaserola ng Kabayanan Raffle of EB. Does this mean that TAPE Inc. will be "permanent" in GMA instead of being contractual?

patricia bermudez-hizon (who is, of course, part of solar's PBA TV coverage as courtside anchor and play-by-play commentator) tweeted something like this last night:

"Solar TV. 11/29/09"

i'm assuming ito na ang magiging bagong on-air branding ng RPN. although she didn't reply to me when i asked if it was so. 🏠

CS9 officially signed off today. Angn pinapakita na lang sa screen ay isang imposed image na pinapakita iyung bagong logo ng channel (patterned after the signature Solar logo) at kasama ang mga upcoming shows ng bagong branding ng RPN, ilan sa kanila:

1. NBA (as if tatanggalin nila iyon sa roster ng shows nila)
2. Vampire Diaries
3. Jay Leno Show
4. An expanded News Watch

One of my earliest memories of the late great Johnny Delgado when he was part of All Together Now with Christopher de Leon and Pops Fernandez. Medyo gulat ako noon nga na comedy veteran rin pala si Boyet upon learning he, Johnny, Al Tantay and Edgar were part of an earlier comedy program (Goin' Bananas).

One episode I was particularly fond of from that show was its "crossover" episode with Arriba Arriba's Edgar Mortiz and Sndy Ondolong as their respective characters still looking for Jolina Magdangal's character.

Before All Together Now, he was also part of the ensemble cast of Kay Tagal Kitang Hinintay, during the second half of the show's run as Yuri's mentor/tatay-tatayan. This is also the first and maybe only time that I watched Angel Locsin in possibly her only "normal" role post-Click and during her early days in the fanatserye/telefantasya genre (Mulawin and Love-to-Love).

Johnny and Al Tantay would reunite in Maryo J. Delos Reyes' Mga Anghel na Walang Langit albeit they don't share that much scenes together throughout much of the show's year-long run. Al's character plays doting widower-father to then showbiz newcomer Erich Gonzales. His storyline includes having to face the fact that his daughter became pregnant no thanks to Edison (Angelo Ilagan), and becoming involved and eventually tied the knot with Marissa Delgado's character who illegally "bought" Gigi (Sharlene San Pedro's first major role) from Sylvia Sanchez who plays maniac wife to Mang Domeng (Johnny Delgado).

Heheh, connecting the dots much? 🍷

Siguro nga.

By the way, I wasn't impressed by the new format of Solar TV. Mukha akong nanonood ng Sesame Street, especially their station id. Ehem, di naman bata ang target nila. But the name is good though.

San Miguel aired one of its old public service ads last night, the one starring the late Johnny Delgado, over at RPN/Solar TV. Iyung nakasakay siya sa taxi at nagtatanong kung bakit ang Pilipino ay masunurin sa ibang bansa pero dito a'tin hindi.

<http://www.youtube.com/watch?v=V0cHf...eature=related>

I always see this, especially sa mga gov't-owned stations nung late 1990's at nung early 2000's.

Parang naalala ko to. Such a wonderful song indeed. Very 90's.

*^panahon pa yata ni Erap iyan. I remember Pol Medina made a spoof in one of his Pugad Baboy comic strips about that song.*

And in speaking of Pol Medina, remember Rated PB: Pang-Bayan, as in the only TV series of Pugad Baboy that ran in 1993. GMA 'to ah.

edgar mortiz as bab, giselle sanchez as brosia ('yung kasambahay at nag-iisang payat na character sa PB)...si rudy meyer din--hindi ko nga lang maalala pangalan ng character niya...

nagpa-audition pa ang GMA noon para sa mga "heavyweight" para makasama sa show na 'yan...

"rated: pang-bayan" was on every saturday night at 9...if i remember correctly, ka-back-to-back nito at 10:00 was another comedy, "toynk: hulog ng langit" starring eric quizon, bert marcelo and aiko melendez...

According to an article on Pugad Baboy X (na matagal nang nawawala sa bahay namin 🇵🇭), the producers had to cast actors that perfectly fit many of the character's *qualities*, meaning dapat kainsgtimbang din nila more or less sina Honeycured at Sweetham. No question with the casting of Giselle Sanchez, I could imagine na kering-keri niya ang pagiging Bisayang alaskadora ng Pamilya Sungcal kahit super wala ako masyadong naalala ngayon sa show nila.

about Rated PB on GMA, wala rin akong naalala masyadong eksena pero ayon sa Pugad Baboy X, si Polgas ay puppet doon. Akala ko nga kasama din si Johnny Delgado as Mang Dagul kasi bagay sa kanya ang role. Well, I can't imagine Edgar Mortiz as Bab kasi iba ang roles niya sa papel niya bilang Bab sa Pugad Baboy TV series.

^And Edgar is probably too old to play Bab's age anyway in which the character's age falls sometime between 20-24 years 🤔

^hindi lang iyan. Matalino kasi ang dating ni Edgar Mortiz. Si Bab kasi ay marijuana adik na minsan lang may laman ang sinasabi. 🤔 Anyway, kasama rin ba si Leo Martinez sa PB?

rudy meyer was either mang dagul or tomas sabaybunot there. 'di ko rin masyadong maalala. and yes, puppet nga si polgas doon.

and about edgar mortiz...hmmm...napaisip tuloy ako kung na-confuse lang ako kung kasama siya talaga sa PB series o hindi...baka naalala ko lang kasi 'yung pagiging guest naman niya doon sa sitcom nina eric quizon at aiko melendez noon na kasunod ng PB. 🤔

how about that? philippine TV's first soap opera (the first soap opera, period, is still "gulong ng palad", which was not adapted for TV until the mid-'70s) was actually what we now call a "telefantasya" or "fantaserye"--or, in a stricter sense, a horror series.

ABS-CBN was not yet using videotape for all its local productions at that time (1963--the network started using tapes in 1964), so this was done live every night.

as i also read from the "kapitan" book, the entire show was shot only within the ABS building (at that time, it was in roxas boulevard), sometimes extending into the office area, dahil tatlo lang ang studio nila doon, which were not as big as what ABS has now in their current digs.

"hiwaga sa bahay na bato", as well as the other soaps that immediately succeeded it (such as "pag-ibig o karangalan" and "larawan ng pag-ibig" [which starred a young vilma santos]), also served as ABS-CBN/channel 3's counter-programming back then to an MBC (channel 11) variety show called "the big show", starring stage veterans sylvia la torre, oscar obligacion and cris de vera, which was then the leading early-evening program--take note that newscasts weren't scheduled during the 6:00 hour at that time. the soaps and "the big show" were neck-and-neck ratings-wise, until ABS finally decided to pirate sylvia la torre and oscar obligacion from MBC to give them their own variety show on channel 3--"oras ng ligaya" (originally entitled "da' best show"). the channel 3 soaps were then transferred to the early afternoon slot (where a lot of soaps are still scheduled on to this day), and ABS started to win over MBC consistently on the early-evening time slot--and in turn, provided them a better lead-in to the primetime hours.

^too bad they don't have any archived footage of old ABS shows or even shows from MBC, etc. Would have made a wonderful insight on how things were done back then in the early years of Philippine TV

Adding to that, as I have also read from the Kapitan book:

Muntik nang masunog ang ABS-CBN studios dahil sa live finale nito kung saan kinakailangang magkaroon ng burning scene. Buti na lang daw at may fire extinguisher. 😂

Intensyon nga daw yun kaya may nakahandang fire extinguisher. Iyun nga lang, daming nadisgruntled na mga tao sa pinasukan ng usok saloob ng ABS Building.

Adding to what sirloin\_steak said, soaps were retreated to the early afternoon timeslot where they flourished as Philippine TV entered the 1960's.

It was not until ten years later (the 70's) where the next batch of dramas, led by Flordeluna, facilitated a return of the genre on early primetime.

Eventually, TV soaps in the years that followed became a multimillion-peso industry, have comprised a majority of the top networks' primetime slate and still continue to rate well when placed on weekday afternoons as well as being on weekly installments.

For the the past decade, we've seen varied developments on Philippine soaps:

1. ABS semi-retired from producing daytime dramas between 2004 to 2007 (with Maid in Heaven being the last one made) but placed several soaps on the 5:30-6:30 timeslots (Calla Lily, Sineserye, and now Katorse). It was until a few years ago did they made a comeback with "Prinsesa ng Banyera", followed by several more soaps (Ligaw na Bulaklak, Pieta,

Kambal sa Uma, Nagsimula sa Puso and the anthology series Precious Hearts Romances).

2. GMA began to rely less on TAPE Inc-produced shows as soaps produced in-house started to dot the afternoon landscape (Now and Forever, Sinenovela, Muli, Princess Charming, etc). They also made a return to the traditional 6pm drama slot with "Ikaw Sana" this year. However, one non-GMA afternoon soap continue to air, Daisy Siete which has already reached past the 20-season mark (in a period of 6 years).

3. Proliferation of remakes/adaptations of past radio/TV dramas and movies.

4. Popularity of fantasy-themed soaps coinciding with further advances in technologies.

5. A return of self-contained 4-5 month old daily soaps since the days of "Hiwaga..."

One of the theme songs used for Flordeluna: [http://www.youtube.com/watch?v=r5f\\_GBbEAZ4](http://www.youtube.com/watch?v=r5f_GBbEAZ4)

i don't know if i mentioned this before in previous pages, but i would have to believe that the oldest surviving archival footage that networks could possibly keep would be from the '70s--courtesy of GMA and the broadcast city stations. i kinda figured that out dahil sa mga random instances that they bring out their much, much older footage, for example, 'pag anniversary ng network or in other similar events.

those from the pre-martial law ABS would be non-existent already, sadly. malamang, dahil ito sa looting na ginawa ng mga taga-KBS/RPN noon when roberto benedicto took control of the broadcast center at sgt. esguerra. 'tsaka, siguro, maaaring uso noon 'yung practice na recording over/recycling old tapes just to save money (from buying new blank ones)--again, that's just my assumption.

although yes, it would've been good to see shows or even other TV stuff like station identification from between 1953 and the late '70s. why the heck don't we have a television/broadcasting museum? 😞

very sad ang ganyan. mga pinakaluma nga sigurong video footages ay sa gma like dun sa kanilang remember when and win, gma news anniversaries. speaking of which, GMA will be showing old footages of special news and coverages and even yung mga programs sa kanilang 50th anniversary ng GMA News sa Limang Dekada special, which is nakakalito ang schedule. Kasi sabi December 6, then naging December 20, tapos ngayon naman January 3. They are even showing some footages like speech ni Ninoy Aquino, GMA News Live, and other GMA News programs in the 80s and early 90s sa commercial ng TV Special na yun.

I know for one that ABS double uses its ELJ Communications Building as a museum, filling empty areas into a montage of old photos depicting the early TV years.

But it'd be nice na rin if all the long-running networks (or the KBP in general) decide to settle their difference and put up such to help educate people on this one aspect of our history.

Sayang rin dahil kahit noon pa pala ay uso pa nung time na iyon ang practice nang pagwiwipe out at pagrereuse ng mga gamit na tapes.

Sa US, numerous old footages before the 1970's were found to have survived through unintentional archiving using kinescopes (to be shown in West Coast because of the time zone difference).

RIP Yaya Luring

speaking of old footages, gumamit din sina Kara David ng lumang footages ng featured OFW nila sa OFW Diaries, si Rico Hizon, na dating reporter ng GMA, ngayon nasa Singapore-based BBC Asia na.

yeah.oo.napanood ko itong episode na ito ng OFW diaries. isa nga sa pinakita dun yung sa 1995 papal visit. at nasabi din niya na nung taon na yun unang bumili ng OB van ang GMA. So sad pala na even journalists and newscasters ay nag-aabroad na din.

Rico Hizon is doing a swell job handling Asia Business Report. At pagnangasalita, halata pa rin ang Filipino "accent" niya.

ACTUALLY YUN NA!

Dapat last year ko ginawa pero natapos ang Pasko. BUT now's my chance to the post the links of these babies!

These are my favorite station ID's from ABS and GMA.

1. Sa Araw ng Pasko- [http://www.youtube.com/watch?v=rCZEPI3\\_Gpo](http://www.youtube.com/watch?v=rCZEPI3_Gpo)
2. Kapuso, Ikaw ang Star Sa Aming Pasko- <http://www.youtube.com/watch?v=t-UEfxVNPCw>

The one from ABS was during its pre-Kapamilya days and they'd play a full version of the station ID during the afternoon before airing any children show's. May kasabay pa siyang compilation album.

The latter was aired during GMA's first year as the Kapuso network and several of the scenes were taken out from the main Kapuso launch ID.

Besides the one from 7, gusto ko rin iyung isa nila kung saan ginamit nila ang isang Pinoy Christmas song at may lyrics pa. May kasama pang Bagong Taon-version ata ito sa pagkakaalam ko. Di ko pa nga lang alam kung me nagpost na nang link sa particular na video na iyon.

MALIGAYANG PASKO!

1. Sa Araw ng Pasko- [http://www.youtube.com/watch?v=rCZEPI3\\_Gpo](http://www.youtube.com/watch?v=rCZEPI3_Gpo)

technically, this wasn't a seasonal S/ID for ABS but just a music video for the carrier single out of the christmas compilation album that star records came out with at that time...this would've been played in the afternoons because ABS used to have a short filler block for music videos from their star records artists (called "star music video"), in between the dramas and kiddie shows.

merry christmas, everyone! 😊

^Meron atang isa na station ID talaga, aired the same year as the compilation album's release. It features an all-star ensemble of ABS-CBN talents. "Sa Araw ng Pasko" ata ang gamit nilang theme para sa Xmas station ID nila. There was one scene where I saw the main three leads of "Marinella" singing (Antoinette Taus among them)

*ABS used to have a short filler block for music videos from their star records artists (called "star music video"), in between the dramas and kiddie shows.*

Parang naalala ko nga yon...tapos bukod sa "Sa Araw ng Pasko", ineere din nila noon araw araw iyung music video ng Jeremiah. Sinasabay ko pa iyon at kinakanta noon, iyun kasi ang palatandaan ko na malapit na ipalabas iyung mga favorite shows ko na panghapon.

sa mga nabanggit mo, mga di ko naaalala diyan ay ang kaybol lang at Valiente.

Inaabang ko lagi noon ang Hiraya Manawari at Bayani tuwing Sabado ng umaga. 😊

*Sino sa inyo nakaalaala dito?*

<http://www.youtube.com/watch?v=jvT8k...eature=related>

*Pinalabas 'to nung 1993, pero kahit 14 lang ako eh, nakikita ko 'to sa Ch.4 nung 3-4 yrs. ako eh. Hay, ang ganda nga naman ng Pilipinas.*

1993 pala unang pinalabas iyan. Napapanood ko pa rin iyan kahit panahon ni Erap, kapag walang pinapalabas sa channel 4. Hindi lang iyan, pinapalabas din sa gov't stations ang mga music videos ng Jesuit Communications bago mag-sign off at pagkatapos mag-sign on. Although nagkaroon din ng partnership ang ABC 5 at JesCom during Tony Boy Cojuangco's management of channel 5. I remember that they cover the Seven Last Words and the Good Friday Mass live at the Church of the Gesu.

Aside from TV5, JesCom provided programs for ABS-CBN (Kape't Pandasal), and GMA (Sunday Mass at as early as 5:30am)

baguhang-baguhan pa si agot isidro d'yan--note how her name was credited as "margarita isidro" in the video.

the VO in that promotional video was freddie cochrane--who was also a well-known name in television production back in the day...

i rarely saw this video in its entirety 'pag pinapalabas ito noon ng channel 4...this often served as "filler" lalo na pagkatapos ng mga sports broadcasts nila (kung natatapos nang maaga)...

JesCom also produces TV shows for TV5 now as well as TV specials for ABS.

Ang daming mga memorable music videos na ang mga naipalabas nila. I'm not sure kung JesCom din ito pero pinakagusto ko din iyung parang kuwento ng isang tatay na nagpapadala ng sulat sa anak niya at maybahay.

Ang isa naman iiyung sa "Paghahandog" (featuring Noel Cabangon, Bukas Palad, and Cookie Chua)at "Humayo't Ihayag" ng Bukas Palad.

JesCom din ang music video na iyon. I'm not sure about the title but I know that Bukas Palad also performed that song. Mayroon din iyung pintor na kung saan-saan napapadpad para magpinta, at pati ang mga lumang tren ng PNR, sinakyan niya. 😊

Theme tune used for Mobile Myx Top Picks: <http://www.youtube.com/watch?v=xphxPPQXJKw>

Possibly the longest closing credits of a local TV show: <http://www.youtube.com/watch?v=aUT29CIKQxc>

Rarely do we get closing credits such as these. Nowadays, it's a 2 to 3-minute sequence of squeezed credits and and montage of behind-the-scenes shots, for ABS soaps today at least.

<http://www.youtube.com/watch?v=OeIJ5...eature=related>

I think this was longer. By a minute I guess.

*sa mga nabanggit mo, mga di ko naaalala diyan ay ang kaybol lang at Valiente.*

*Inaabang ko lagi noon ang Hiraya Manawari at Bayani tuwing Sabado ng umaga.* 😊

Yung Kaybol parang may pagka-Ang TV ang format. Nandun si Alex de Rossi pero short-lived lang naman ata tong show na ito.

Yung Valiente naman, drama sa hapon na pagkatapos ng Eat Bulaga starring Michael de Mesa and Tirso Cruz III. Yung nasunog yung half ng face ni Michael de Mesa.

^Bihira lang na may drama na ang bida ay lalaki lang. Madalas magloveteam o di kaya babae.

-----

Gulat ako nung Sunday nang nalaman kong cancelled na pala SIS sa GMA after 8 years. Throughout its duration on air, it has quite a format that is unusual for a talk show, or in other words ay "non-traditional".

Ultimately, with SIS now off the air, we don't have any locally-produced daytime talkshows (non-showbiz to be particular) to speak off on any TV network, a first in Philippine TV history.

And I thought it's the sitcom genre that's going to bite the dust first.

^ Yes, medyo magpaka variety show ang format ng SiS. At ang cancellation ng Sis ay to give way to a show na magcocompete sa Showtime ng ABS-CBN. Masyado na kasing malakas ang Showtime so GMA also created a show to rival Showtime. Medyo nakakapanibago kasi daytime programming ay hindi na dominated ng talk shows kundi musical variety show na. And isa pa.nagsurvive ang Sis for 8 years kahit marami nang show ang naitapat dun sa Sis. It went strong sa ratings, specifically Mega Manila. Pero yung Showtime became a very strong rival ng Sis.

Yung para kay kuning\_mode,  
Hindi po ito thread para sa pakikipagdebate ng giant networks. Iniiwasan po natin dito ang pakikipag-away due to the two giant networks.

---

And speaking of which, I wonder kung bakit nag-iiringan at nahahati sa dalawang grupo ang mga Pilipino dahil sa dalawang giant networks, specifically GMA and ABS-CBN. I liked the days when TV Stations doesn't prioritize TV ratings and pakikipag-away sa rival station. Instead, they provide quality programs para sa mga viewers. Look at the major networks sa America, hindi sila nag-aaway away. Kailan kaya ulit babalik ang time na magreunite ang mga tao at kakalimutan ang patutsadahan at iringan ng dalawang istasyon. Instead, they

invest on improving their signal, audio, video quality, quality programming, and public service programs.

It's combo of historic, socio-political and even economic reason as to why the TV industry have become a duopoly, shared by the two nets with little chance for the former giants (RPN, IBC...) and the smaller players (ABC/TV5) to gain a good footing on the ratings game to even out the odds. But in the years following 2006, the minor networks have already starting to fight back with alternative yet equally competitive line-up, even if it targets just a fraction of what 2 and 7 has in the market.

Basta matuloy-tuloy iyung momentum nila at patuloy na baguhin ang landscape ng local TV, may pag-asa pa tayo.

Grabe yung document na napanood ko kahapon sa GMA. Super historical tsaka pang-Golden Globe! Talagang kinuha ng GMA yung mga historical items na nangyari sa kanila ha at first ko lang nakita ang mga likes nina Tony Seva, Jun Bautista, at iba pa.

anu yung tv series sa channel 4

tierra sanggre ba yun..?? (viva films ang may hawak niyan??)

anu yung youth oriented show ng abc5 and viva ? i remember sina rustom, arnel ignacio, and others..

✧ j5bata\_thanks 😊 anu \*\*\* network plague? and sure \*\*\*\* i'll follow it 😊

uy tierra sangre 😊 d ako marunong mag quote eh 😊 anyway, i do watch that sa Viva cinema, being re-aired, pero putol siya eh, inuulit n \*\*\*. dati nga daw sya sa channel 4 (PTV pa noon, NBN now). Ang bida ay si Jennifer sevilla while the late Charito Solis is the main villain 😊

^^ anu yung ka back-to-back ng tierra sanggre sa ptv4?

Mukha ng Buhay 😊 (Bernadette Allysson, Pilar Pilapil, Lovely Rivero)

additional info: ang tierra sangre and mukha ng buhay ang magkaback to back din sa viva cinema \*\*\*\*\* 😊 and both are re-aired on RPN after its airing yata in PTV. Sabi \*\*\* sa wiki...

natapos na ba ito?.. i mean may ending ba ito kasi parang di na tapos ang mga ito.. hehe

i'm not sure eh, natuklasan ko \*\*\* kase sya when it was re-aired sa viva cinema, then i made some research sa wiki, 1 yr. old p \*\*\* kse ako nuong ipinalalabas to. HAHA! 😊 anyway, sa viva cinema kase putol sya. even nung 2nd time na ipinalabas \*\*\* mukha ng buhay (twice n kse \*\*\* inuulit) putol p \*\* sya...but im not sure kung \*\*\* dati putol din. 😊

*anu yung youth oriented show ng abc5 and viva ? i remember sina rustom, arnel ignacio, and others..*

'yung youth drama ng viva 'tsaka ABC was "17 bernard club"...if i remember correctly, it aired mondays at 8:00pm...si rustom padilla (now bb gandanghari) 'yung pinaka-lead sa "barkada" ng show, pero hindi ko na rin maalala kung sino pa 'yung mga co-actor niya sa series...

ka-back-to-back nito at 7:00pm was 'yung musical-sitcom na "vina" (also co-produced with viva tv), starring--of course--vina morales, along with ogie alcasid, rico j. puno and the late nida blanca as vina's mom...

*additional info: ang tierra sangre and mukha ng buhay ang magkaback to back din sa viva cinema \*\*\*\*\* 😊 and both are re-aired on RPN after its airing yata in PTV. Sabi \*\*\* sa wiki...*

i didn't watch them that much, pero medyo naaalala ko nga 'yang dalawang afternoon soap na 'yan, lalo na when they aired on PTV...ito 'yung panlaban nila dati sa 12:00pm time slot

(i just forgot kung alin ang nauunang ipalabas, "tierra sangre" yata), against the variety shows...

si donna cruz 'yung kumanta ng theme song ng "mukha ng buhay", habang 'yung sa "tierra sangre" naman, 'yung bandang rockstar (anyone remember the song "parting time"?)...

ay 12:00 \*\*\* pinapalabas \*\*\* tierra sangre and mukha ng buhay, i thought sa may primetime sya kase nauna dito \*\*\* villa quintana 😊 sorry po di ako marunong mag quote 😊 donna cruz nga sang mukha ng buhay, gnamit \*\* sya sa ibang movie like muling umawit ang puso and okay si ma'am. And rockstar \*\* nga \*\*\* sa tierra sangre, like villa quintana 😊

recall Bing Loyzaga ang Bernadette Allyson. Andun din ata si Gary Estrada.

uy, pde po bang humingi ng mga info about teleseryes in the 90s especially with GMA's? Tutok kasi kami dati sa Mula sa Puso and Esperanza, kaya di ko alam na may ikaw na sana, ganyan kita kamahal, halik sa apoy, villa quintana and di ba't ikaw. Pati po \*\*\* afternoon soaps nila. Naabutan ko na \*\*\* kase, ikaw lang ang mamahalin and the rest eh 😊 kahit po \*\*\* start, end and timeslot na \*\*\* 😊) Thank you. 😊)

@kapamilya08: welcome to our longest-running thread in PEx history! Haha just kidding.

Anyway, ang naalala ko lang ay 'yung "Ikaw na Sana" starring Bobby Andrews and Angelu De Leon, with Carmi Martin and Gladys Reyes as the antagonists of the story. This is the first time I think Jeffrey Santos appeared as a good guy in television, after his comeback in the industry (in his comeback, he first appeared as Gary's relative in Mara Clara TV series when the original "Gary" had an accident).

Di Ba't Ikaw starred Jessa Zaragoza, Julio Diaz and Angelika de la Cruz (her first transfer from ABS to GMA before going back to ABS and then returning again to GMA where she got major roles).

Sana ay Ikaw na Nga starred Dingdong Dantes and Tanya Garcia. Maybe considered one of the longest dramas GMA has produced. After this break, their loveteam became famous and new projects were in store for them such as Twin Hearts.

(Pansin niyo ba puro may "Ikaw" sa mga pamagat ng GMA soaps noon? 🤔 Baka sa susunod, "Ikaw Na!")

Mayroon ngayong mga sumunod pa,

Ikaw sa Puso Ko nung 2004.

2009-2010: Ikaw Sana 🤔

Oo nga ano? Based on Ogie Alcasid's song, starring Starstruck's first love team, Mark Herras and Jennylyn Mercado.

Ikaw sa Puso Ko? Sinenovela rin ba iyan or ginawa talaga ng GMA?

GMA's Limang Dekada that was shown last Sunday was a nostalgic trip not only in our history, but also GMA 7's challenges and triumphs in the broadcast industry. In that video, I learned that during Uncle Bob Stewart's time, he is the one who is making commercials: no video editing, just himself promoting each product such as the typewriter. I like the reenactment, the actor looks exactly like Uncle Bob during his younger years.

Tape Inc iyung nagproduce non...starring Nadine Samonte, James Blanco at Oyo Boy Sotto (who has been in afternoon dramas in consecutive airings the most than any other GMA stars).

thanks headmavster 😊 anyway, oo nga noh, puro may ikaw \*\*\* title \*\*\* mga soap ng channel 7. haha. anyway, kung natatandaan nyo pa po \*\*\* timeslot, penge po ng info ha 😊  
tnx tnx. mamayang gabi i shall visit po the thread ulet...asa skul po aku eh...THANKS PO  
TALAGA 😊

5 & Up ng GMA, inaabangan ko every Saturday!

5 and Up, naalala ko \*\*\* title, but i think i also watch that when i was a kid 😊

@j5bata: I see now. Aside from Leya, Tape made another afternoon drama for Nadine and Oyo Boy but I'm not sure that it became a hit during that time

@kapamilya08: I'm not familiar with exact time slot but I remember that Ikaw na Sana starts at 6:30 after a news program at 6:00 (i'm not sure if it is Saksi, but i'm sure that it runs for 30 minutes only, during that time). Nowadays, both networks are not specific in their time slots in their programs for primetime, they always base it on a program that is before or after it. (ex: "The Last Prince, pagkatapos ng Darna" or "May Bukas Pa, bago ang Dahil May Isang Ikaw")

Nauna yung ikaw sa puso ko before leya. mas successful ata yung una kse shortlived lang yung leya...anyway thanks for the info again headmavster 😊 ang mga programs ngayon, pg nkkt ko sa relo nmin, 45 mins. each sa abs, not sure kung ganun din sa kabila. 😊 (marunong nako magquote 😊)

Yes, I agree. Napanood ko ito noong Sunday. Talagang inabangan ko ito dahil gusto ko rin makita ang ilan sa mga old footages ng GMA. I think ang nai-ere lamang ay mula sa 1970's hanggang sa ngayon. Natawa ako sa re-enactment nung typewriter advertisement na hinulog lang. Na-amaze ako na noon ay successful ang advertisements kahit walang effects (noon yun ha). Naipakita din nila yung itsura ni Ninoy Aquino na nasa kabaong. Pati rin ang ilan sa kanilang mga major coverages and scoops. Gusto ko naman gawin nila, tungkol naman sa history ng buong GMA 7, yung network, mga past programs, etc. Nakita ko rin pala dun yung isa sa popular and catchy ID ng GMA in the late 80's-early 90's yung Where You Belong na with rainbow network identity.

Nung araw nga daw, bago na uso ang mga taped shows masyadong mahal ang paggawa ng mga commercials, naglalive plugging iyung mga "endorsers", lalo na tuwing gabi. Minsan nga daw, libre na ang pagpromote para mas lalong di maging magastos para sa mga advertisers.

May time na may isang nagpa-plug ng typewriter (according to "Kapitan") live. Para daw mapatunayan daw na "matibay" daw ang produkto, talagang hinawak niya to tapos binagsak.

Natural, nasira. Nang di na maayos, napahiya iyung tao. 😊

@zone105: I think GMA would do a documentary of their history since it will be their 60th anniversary this June, so we'll just have to wait. The exclusive footage of Ninoy Aquino in his coffin is one of the daring footage during the Marcos administration that no other networks can do considering that GMA was also managed by one of Marcos' crony during that time. ASide from that, nandiyan din yung controversial na Manila Film Center tragedy (Amazing Philippine Theater na ngayon), where they caught video of workers stuck between concrete and cement of what they are building. May documentary nga si Howie Severino tungkol sa mga alaala ng Manila Film Center (with some eerie graffiti on some parts of the theater where the tragedy happened) Hindi ko nga lang napanood nang buo kasi sa Sidetrip niya sa Saksi, tumatayo na mga balahibo ko. 😊

@j5bata: akala ko tungkol kay Bob Stewart yung binanggit sa Kapitan, kasi kung ganun man, masasabi kong noon pa man, may rivalry na ang ABS at GMA. 🤔

i think i mentioned this many pages ago, but i recall that i used to have a crush on jessica gallegos, one of their many reporters there on that show...i even remember emailing her once, at tuwang-tuwa ako noong nag-reply siya not too long after...i think i was in grade 5 at that time. 🤔

jessica would eventually become a commercial model later on.

'yung isang GMA station ID na ipinakita nila doon (somewhere during their recall of the '80s period just after EDSA 1) was the one they aired in 1988, right after the network switched on the new tower/transmitter in tandang sora.

as briefly mentioned in the earlier part of that docu special, "uncle bob" stewart indeed did lots of live commercials on channel 7 back in the day...'yung ni-reenact na typewriter commercial doon sa docu, that was for olympia typewriters--and that, according to many books and anecdotes i've read about pinoy tv history, was probably one of uncle bob's most unforgettable live commercials back then.

the reason why uncle bob dropped the typewriter was to show the strength of german technology (olympia is supposedly a german brand). but, ayun nga, uncle bob tried to put the broken pieces back together, carriage, ribbon and all, to no avail. according to the anecdotes, he eventually gives up and says, "i'm no mechanic."

and still speaking of uncle bob, jessica soho's script was right--in the early days of channel 7

(particularly in the '70s until the station was temporarily closed during the declaration of martial law), it was uncle bob himself who also did the station's newscasts. if i remember those old newspapers from that period correctly, his newscasts aired at 7:00am and 7:00pm (well, channel **7** nga naman kasi)...

"saksi" na 'yung early-evening newscast noong ipinapalabas na 'yung "ikaw na sana". it wasn't moved to late nights (i.e., switched with "frontpage" which used to be the late night newscast) until sometime in 2001 or 2002.

Nababasa ko lang iyung Kapitan kapag may chance akong basahin iyon sa Powerbooks at sa librabry ng DLSU. D lang ako sigurado kung si Uncle Bob nga iyon...tagal na rin 🇵🇭

I remember that timeslot switch. Eventually, Frontpage got spoofed in ABC-5's Ispup and GMA's own Bubble Gang. Hehehe, pinagtitripan rin kasi iyung tagline noon ng show: *headlines bukas, Ngayon ang broadcast*

24 Oras pagkakalalala ko, ang pumalit sa Frontpage nung 1st quarter ng 2004.

I still remember on FP's final newscast, they aired a live unveiling of a large billboard showing Mel Tiangco's replacement show with MCE.

march 2004, to be exact...i remember, nagmadali talaga akong umuwi sa dorm ko noong monday night na 'yun (and incidentally, galing ako sa filmex studio noon sa makati, where we visited a taping of "bubble gang" for one of my comm classes) para mapanood 'yung unang broadcast ng "24 oras"...

the previous friday naman, i was on the road with my mom, kaya i had to content myself to just listening to the radio broadcast of "frontpage" sa DZBB while in the car.

tv memories

i remember the time that angel locsin's tv shows one after the other and after the other and after the other.

pero ngayon, pa isa isa na lang tv show si angel locsin. the last thing i heard, SUPPORTING na lang ngayon kay KOKEY. at ume EXTRA na lang sa mtv ni christian bautista.

how sad.

*Nababasa ko lang iyung Kapitan kapag may chance akong basahin iyon sa Powerbooks at sa librabry ng DLSU. D lang ako sigurado kung si Uncle Bob nga iyon...tagal na rin 🇵🇭*

si uncle bob nga 'yun. after all, he was the only one doing live commercials on the old channel 7.

for all the foul-ups and the little goofs uncle bob made, though, sumikat 'yung mga live commercials niyang 'yun--a cause for ABS-CBN to answer back with what they called "promo girls" back then...comparing that to today's generation or recent years, the "promo girl" thing that the old ABS did could be pretty much similar to how studio 23 and QTV have VJs appearing in between ad gaps and in between programs...

coney reyes and TV director (and former radio-TV malacañang boss) maria montelibano started their careers as ABS "promo girls". meanwhile, some of the directors of those live ads included fritz ynfante, freddie cochrane (the voice-over of that "islands philippines" video featuring agot isidro) and a young ariel ureta. eventually, mas nagustuhan ng mga viewers ang mga "promo girls" ng ABS against uncle bob's live ads on channel 7--for obvious reasons...one former ABS director also mentioned (still in the "kapitan" book) that the live promos also served as ABS' "testing ground" for all its color equipment.

exited ako palagi kapag unang araw ng bawat newscast, either sa 3 channel. I always had this impression na kung ano iyung suot ng mga anchors sa mga obb's nila, iyon rin iyung suot nila sa first telecast ng show nila.

Watching GMA's Limang Dekada special right now on Youtube. Glad to see Tina Monzon-Palma on another channel besides ABS and ANC. (She's still anchoring The World Tonight with Angelo Castro Jr)

Siya lang ang taga-ABS na nakapanayam nila since siya ang naging pioneer ng GMA News. But I thought that they would interview Karen Davila kasi kasama siya sa mga nagcover noong Papal Visit ni Pope John Paul II.

^Sayang nga eh, but on an earlier TV special from GMA, Karen Davila's feature for, I think, Brigada Siete was included.

Glad to have met her in person last year with Abner Mercado 😊

Star Studio, di ko masyado maalala. Sabi daw minsan na ginawa daw iyung Star Studio

Magazine para maging publishing companion ng show. Iyun nga lang, na-outlive ng magazine iyung mismong show at hanggang ngayon in publication pa rin sila.

Nakakapanuod ako ng starstudio before. 11 am ata to pag sundays...mga taga star magic ang finefeature na talent center pa noon 😊 But I can't remember any episode 😊 except for the logo.

Di ba may *Star Magic presents..* naman sa gabi nung mga 2000. Pinalitan pa nga ito ng *Buttercup*.

Star Magic Presents was premiered in 2006 with John En Shirley. Ibang anthology show ata iniisip mo (Star Drama Presents perhaps).

Buttercup aired sometime around 2002/2003 and lasted two seasons. It also happend to be one of the very few local shows that got a rerun on CinemaOne.

Star Drama Theater yun, mga malalaking stars ng talent center yung finefeature nila, yun yung sa gabi. Mga 90s pa yun, kaya wala akong matandaan na episode 😊 tapos yung Star Magic presents, tuwing hapon yun 2006 nagpremiere. Their first feature pa nga was tin-diet starrer Windows to the Heart. Bulag ata si Tin dito tapos yung gf ni diet na namatay idinonate sa kanya yung mata. Sa commercial ko lang napanuod yun eh.

Anu po ba yung mga shows na nagkaroon ng re-run sa Cinema One. too bad, wala kaming cinema one. 😞

*Watching GMA's Limang Dekada special right now on Youtube. Glad to see Tina Monzon-Palma on another channel besides ABS and ANC. (She's still anchoring The World Tonight with Angelo Castro Jr)*

i'm lucky to have been born early enough to see tina monzon-palma back in her tenure at GMA. as a kid, i always associated the 10:00pm hour with her because i watched "GMA headline news" more than any other late-night newscast back then. i even "followed" her to "the big news" on ABC when she moved to that network in '92.

i have to say that tina monzon-palma was really one of my first "idols" in the field of newscasting.

^^DATI SA CINEMA ONE

PINAPALABAS YUNG ABS-cbn old shows

like mmk ni eddie garcia and rico yan (ending mas nauna namatay yung character ni rico kaysa kay eddie garcia..)  
palibhasa lalake ..

*ah...e yung mga mula sa puso, hindi?*

MMK, "goin' bananas", "abangan ang susunod na kabanata" 'tsaka "palibhasa lalake" 'yung mga nire-rerun noon sa cinema one. none of the soaps, though.

thanks 😊 anyway, pwede pa po ba magtanong tungkol sa soaps? 😊

info: yung magkano ang iyong dangal sa TV will be not related sa movie 😊

Naalaala ko tuloy yung intro ng Goin' Bananas na ginawa sa Greenhills.

*Star Drama Theater yun, mga malalaking stars ng talent center yung finefeature nila, yun yung sa gabi. Mga 90s pa yun, kaya wala akong matandaan na episode 😊*

there was actually a time that that "star drama theater" even featured much, much bigger stars than those belonging to talent center--lorna tolentino, elizabeth oropesa and nora aunor...if i remember correctly, si LT pa yata ang unang featured actress sa "star drama".

Nagkaroon pa daw ito ng series, entitled Rave, tsaka may nakita pa ako dati sa magazine nung nagecelebrate ang star magic ng anniversary, 15 or 16th ata, Detour, starring Mylene Dizon and the Late Rico Yan. tapos yung Rave si Marvin Agustin and Janette McBride. Tama ba? 😊

Star Drama Theater: Kapasadan

stardrama theatre tapos yung sa kabila naman ay VIVA SPOTLIGHT (every tuesday.. puro viva artists...)

Kasama ba doon iyung ginawang telesine ni Donna cruz at iyung leading man niyang si Jason Everly? (Iyung character ni Donna Cruz ay hindi pa marunong gumamit ng sipilyo hehehe)

Heto iyung kanta nila noon na "Wish". My sis used to have this song on cassette tape (pero

di kinaya ang hamon ng panahon).

Star Studio Presents: I Love You, Ma'am

^^ i dunno pero ang alam ko donna and jason everly had a movie (VIVA MOVIE) -- isang tanong isang sagot.. kasama si arnel ignacio pa nito..

siguro nagka telecine silang dalawa for the promotion of the said movie (i'm not sure about this)..

^diba after nung movie nagpakasal na si Donna?

ano nga ba yung show na katapat ng IKAW NA SANA ng GMA7 sa ABS? was it Mula sa Puso or Esperanza?

tama ang katapat ng ikaw na sana yung MULA SA PUSO

iba pala yung naiisip ko kanina..

pero nagpaabot ba ang INS and Mula sa Puso? kasi kung tama ang pagkaalala ko MSP yung inaabangan ko noon tapos yung younger sister ko INS kaya di kami magkasundo nun kung ano panunuorin. 😊

sana may makapagpost ng timeline ng mga soaps

yung katapat ng pangako sa'yo yung sana ay ikaw na nga(dingdong dantes)

may nakakaalala ba kung anong kwento ng Kadenang Crystal? naabutan ko din to wala lang ako maalala maliban kay rio locsin

hehehe, yun nga. Pareho kasing "Kadenang" iyung titulo nila eh 🇹🇼

Ang spotlight, every tuesday?...anong oras 😊

i'm not sure kung tuesday yun or kung anung oras yun..  
basta may viva spotlight yun...

Ang sure lang, sa mga weekly anthologies ng GMA, GMA Telesine ang alam kong Thursday. Iyung kay Mikee Cojuangco, Monday ata noon. Viva, Wednesday ata.

Come to think of it, majority of GMA's primetime stars during the 90's are part of Viva Artist Agency, and headline most of the network's shows, ranging from dramas (Text, TGIS) to sitcoms (Beh Bote Nga)

ang gaganda ng mga shows noon.

^^ pero nung nagkagulo ang viva and gma.. halos nilipat nila yung teenstars sa abs-cbn.. tinanggal ng gma ang lahat ng viva co produced tv shows gaya ng tgis

*Ang spotlight, every tuesday?...anong oras* 😊

ka-back-to-back ng "ober da bakod", 8:30pm.

tapos nilipat ito sa thursday...

"mikee" was aired on wednesdays, if i remember correctly...GMA used to call mikee cojuangco the "crown princess of primetime drama" whenever they plugged the show.

tapos nagkaroon dati ng gma true stories... - naalala ko pa yung lifestory nung singer ng introvoys?/ basta yung line to heaven.. every thursday ito yan ang alam ko..

tapos anu yung sa ibc 13 yung kanilang nakakatakot na show.. aside from pinoy thriller... anu yung isa.. mala 6th sense or 3rd eye parati yung topic dito?...

introvoys ba yung kay paco?

## 💡 Grabe ha

Montessori also invaded television pala. One time kasi, I was reading through the pages of OBMCI History (where I study) and guess what? 2 Montessori-related shows were aired on ABS-CBN between 1970-1971. What they are? Montessori at Home and Montessori Everyday, which are both hosted by the UNESCO Sec. Gen. Amb. Presciosa S. Soliven. They even defeated the then-new "Sesame Street", where it was aired on another channel (GMA I guess, di sinabi eh) in the ratings game.

Kutob ko lang ha, pero I think this became the start of Educational shows on Philippine TV, which was revived and revolutionized by Batibot a decade later, and after Batibot started airing on PTV, other educational shows have gone by-----ETV remember?

Here's what I've found from a Scribd member, lianlaspinas. An old GMA 7 Schedule February 1987.

<http://www.scribd.com/doc/24996331/G...-February-1987>

Mayroon din sa account niya schedule ng Citynet 27 in 2005. (Haven't really watched Citynet 27 kasi wala sa cable namin noon pero ilan sa mga shows na nandoon sa programs ng Citynet 27 ay nasa QTV 11 on it's first years of broadcast).

<http://www.scribd.com/doc/25014582/C...ecember-3-2005>

the 1987 GMA sked is partly incorrect. of course, i don't claim to know the network's entire sked by heart (i was only 2 years old in february 1987), but i am sure that "business today," "kape at balita" and "profiles of power" (this was a talk show hosted by former advertising exec and GMA "news at seven" anchorman tony zorilla) did not air until the '90s. "business today" was never even a two-hour show (one hour lang siya, and it never changed throughout its entire run on TV)...

even the list of GMA stations (umabot yata ng 91) is already incorrect, because 1) GMA had only about 20+ stations back then, and 2) hanggang ngayon, ni hindi pa umaabot ng 90 stations ang GMA network.

"sesame street", prior to martial law, was aired on the old ABC-5...it wasn't until the '90s when it was shown on GMA.

educational television in the philippines, from what i've read, started even earlier than the '70s...some of the earlier programs were produced by ateneo's center for educational television (whose facilities would later become the college's department of communication) and shown both on free-to-air and closed-circuit television (i.e., sa mga nearby elementary schools especially in the marikina area).

i missed the following shows:

News and Current Affairs Show:

Tatak Pilipino - Gel Santos Relos and Jim Paredes

Hoy Gising - Ted Failon and Korina Sanchez

The Inside Story - Loren Legarda

Comedy Show:

Palibhasa Lalake - missed the character of Cynthia Patag and Gloria Romero, plus the cast headed by Richard Gomez, Joey Maquez, John Estrada, Carmina Villaroel, Gwapings and even the original star, Miguel Rodriguez

Abangan ang Susunod na Kabanata - sino ang makakalimot ke Barbara Tengco played by Tessie Tomas

Kaya ni Mister, Kaya ni Misis - superb ang chemistry ni Maricel at Cesar, bagay na bagay silang mag asawa, parang si Nova Villa at Freddie Webb

Chicks to Chicks - because of the tandem of Nova Villa and Sen. Webb

John and Marsha - the longest running comedy show of the unbeatable Dolphy, Nida Blanca, Maricel Soriano and who will forget Dona Delilah's character

Home Along Da Riles - i missed the cute Claudine Baretto here

Oki Doki Dok - the sitcom of Aga and Agot Isidro, nakakamiss yung tawagan nilang cugar/cupcake....

Drama Show:

The Maricel Drama Special - the longest drama show of its kind starring the Diamond Star, Maricel Soriano, aired every Tuesday night over ABS CBN before mag Palibhasa Lalake

Drama Anthology:

Lovingly Yours Helen - kinalakihan ko to na pinapanuod ng nanay ko every Sunday afternoon

Mini Series Show:

Boracay - i missed Ms. Dina Bonnevie here....

Cebu- inaabangan ko to over RPN 9 because of its great casting, the Eigenman family headed by Cherie Gil, Rosemarie Gil, Michael de Mesa, Mark Gil, Gina Alajar, ito ang pumalit sa BORACAY ni Ms. Dina Bonnevie, at pinapalabas pa to uli over FLIP TV sa cable alongside with Boracay.....pati yung John and MARsha....

Teleserye -

Pangako Sa Yo - the grandest of them all, talagang tinutukan at sinubaybayan ng buong bayan, saw the rise of Kristine Hermosa and Jerico Rosales, and resurrect the careers of Eula Valdez and Jean Garcia

Sanay Wala ng Wakas - sino ang makakalimot sa finale nito? na ang taumbayan an g magdedesisyon kung kanino mapupunta ang caharacter ni Kristine Hermosa....grabe, ang daming nagtext at nagparticipate, pagpapatunay lang na talagang sikat ang tambalang Kristine at Jerico.....

Kaytagal Kang Hinintay - the first teleserye of Lorna Tolentino at ABS CBN, grabe, napakaganda rin nito. sino makakalimot sa mga characters nina Edu(Mr. Argos), Rica Peralejo(Helena Argos), pati yung character ni Bing Loyzaga at syempre dito sumikat ang tambalang Bea at Jonh Lloyd.....

Bituin - the teleserye of the Superstar, aminin nyo, palaging mataas ang rating nito, napakagaling ni Ate Guy dito lalo na nung binulag sya.....it lasted 8 months....gusto ko yung showdown dito ni Melody at Bernadette played by Carol Banawa and Desiree Del Valle....

Maging Sino Ka Man - the Bea Alonzo-John Lloyd serye is one of the beautiful teleserye made by ABS CBN.....ang mga characters of Jackie, Ely, Celine and JB ay mananatiling nakatatak sa manunuod....

Kahit Isang Saglit - i missed the refreshing face of Carmen Soo.....i might go to Malaysia this year to see how beautiful Malaysia is....all because of Ms. Carmen Soo

Iisa Pa Lamang - its been year and a half since the end of this teleserye pero nakatatak pa rin ang mga eksena ni Scarlet(Angelica Panganiban), Isadora(Cherie Pie) at Catherine(Claudine Barretto).....and syempre ang

LOBO - the first teleserye of Ms. Angel Locsin with Piolo Pascual....grabe ang teleserye na to.....napakaganda, talagang inalagaan si Angel Locsin dito....ang galing talaga ng ABS CBN gumawa ng teleserye.....

News Cast:

Newswatch - over RPN 9, nakakamiss ang English newscasting at tanging si Harry Gasser lang ang may hawak ng trono nito sa Primetime bago pa sumilkat ang TV Patrol...

The World Tonight - nakakamiss ang boses ni Angelo Castro, Tina Monson Palma at Loren Legarda...nakasama ba dito si Mari Kaimo?

Youth Oriented Show:

Tabing Ilog- ang daming sumikat na galing sa show na to.....  
Ang TV - 5:30 na hehehe.....

and lastly, indi ko macategorize ang mga shows na to:

Calvento Files  
Ipaglaban Mo  
Your Honor

dagdag pala sa Drama Anthology show:

yung show ni Ms. Connie Reyes, yung Coney Reyes on Camera

no, mari kaimo was never with "the world tonight", but with some of its competitors: "news on 4", "GMA network news" and "news central" (i would still consider this a "competitor" kahit ABS-CBN production din ito through studio 23, simply because it airs on the same time slot as TWT).

these three shows are technically considered dramas.

Sir, in speaking of schedules, eto po yung correct sked ng mga TV channels, via Manila Standard. At hindi lang yan, from 1987-1988 lang ang mga schedules. Paki-search na lang po yung ibang dates, kasi po marami yan.

And yeah, I remember po yung intro ng Goin' Bananas na ginawa sa Greenhills. Yung Greenhills Theater nga, pinakita eh.

I don't think CityNet's schedule there is correct as well. The channel was no longer called "CityNet" (or no longer much of a TV network by that point in time) by the time GMA bought airtime from DZOE-TV's owners in 2005, and was more of a relay station for GMA and later QTV.

ok...thanks for the info.....

ano BA YONG MOVIES DATI SA GMA 7 YONG ENGLISH TAPOS DINU DUB NG MGA ARTISTA SA TAGALOG...

NAALALA KO ME MOVIE NA PURO ASO AT PUSA TAPOS NA DUBB NI POLO RAVALES YON.

sa "GMA's BEST" 'yun every monday night...

ang naaalala kong isang tagalized movie nila doon was "beaches" (starring bette midler--d'yan galing 'yung kantang "wind beneath my wings")...ruby rodriguez dubbed one of the characters there...tapos may isa pang movie na si kirstie alley ang bida (hindi ko lang maalala kung ano), tapos si toni rose gayda naman ang dubber...

napuyat pala ako kakabasa ng google news archives ng manila standard...saw a handful of print ads for different networks (mostly for GMA--including a series of advertorials for GMA's then-new transmitter and tower back in 1988)...it's like reading microfilms in the library all over again...

Saw the latest Chowking commercial last night. Fini=feature pa rin nila si "Chowking guy", iyung chef na magaling magluto ng fastfood at iyung kusina niya parang pang-Iron Chef.

Tagal na rin nitong promotional campaign ng Chowking. Siguro mga less than 10 years na rin iyung string ng mga ads ng guy.

#### Save the Last Dance For Me Opening (on ABS-CBN)

Uncle Bob's on GMA! Long time ago!

*Uy, may nakakaalam ba sa naging ending ng Anna Karenina after namatay si Nina? 😊*

yes namatay si nina (kim delos santos) kasi nagkaroon ng traffic altercation. kasama niya kasi yung husband niya dun (dino gueverra). tapos nung yung taong nagkabanggaan nila ay naglabas ng baril. babarilin dapat si dino pero humarang si nina.. ayun si nina ang tinamaan tapos ayun naCOMA then namatay eventually.

ang natira nalang sa 3 ay si sunshine dizon. kung ano ano storyline ang pinasok ditto

nakita ko na rin iyung ad ng GMA (GMA-Radio Television Arts) in November 4, 1988  
issue: <http://news.google.com/newspapers?id...standard&hl=en>

It is on page 5 of 33 to be exact. "GMA unleashes its power!" 😊

Thanks TT BOY 😊. so hindi pa \*\*\* dun natapos \*\*\* anna after namatay si kim. Meron pa nga silang commercial noon na Paalam, Nina. Tapos ayon naalala ko na nung nabasa ko ito, may nakwento si Sunshine sa isang show ng Viva cinema na sila na nga ni Polo yung nagbida, tapos dapat daw meron pang teenage pregnancy. Last na lang, haha, kung may nakakaalala pa ng closing credits nito and if they show the viva television logo na eventually naging balck ang background at naging viva Tv. 😊 Thanks 😊

alam ko boses parin ni nina ang ginagamit sa closing credits nito si sunshine lang ang natira sa 3..

alam na!

Got word Studio 23 will air an old mini-series based on the events leading to the EDSA People Power Revolution titled: "A Dangerous Life" on 23's Lunch Box Office daily movie block (back to its old format of offering daily local movies but now mixed with a few foreign flicks.)

Among the casts are Tessie Tomas as Imelda Marcos and, suprisingly, a very young Laurice Guillen as Cory Aquino

here's the complete details on the special LBO presentation:

The drama focuses on two American journalists caught up in the revolution. The mini-series is directed by Robert Markowitz and written by David Williamson. It was originally released as a six-hour HBO mini-series in the United States.

<http://pepman.wordpress.com/2010/02/...-15-years-ago/>

This comes as a surprise to some who doesn't go to the M&R subforums as much: MTV Philippines is closing shop on 16th February, this time for good. According to some of the posters at M&R (and in LMTV) All Youth Channels decided not to renew their license to carry MTVP and it was a possibility that they may invest their energy on sister company ABC's TV5.

Parang dati lang, napapanood ko siya noon sa terrestrial TV noon but with a crappy signal quality (unless you're on cable) and naging masaya nung bumalik siya sa cable with a vengeance.

MTV Philippines will be sadly missed.

List of VJ's and mainstays I remember from that channel past and present (including those from MTV Asia): Donita Rose, Francis M, Sarah Meier, KC Montero, Marc Abaya, Anne Curtis, Maggie Wilson, Victor Basa, Sib, Ramon Bautista, Utt, Denise, Denise Laurel, Mariel Rodriguez (whose role in Rouge is what made me knew about her in the first place) and the list goes on and on.

*Oo nga pala, I went to OBMC Library one time to see some old yearbooks, and guess what? One OBMC Yearbook from 1977 had a print ad of IBC-13.*

*IBC's logo pala before was an-ABC-esque (channel 5) logo with boat and IBC initials below, and the tagline during that year was "The Year of Decision".*

and you can actually see it (although sobrang liit nga lang) during the first few seconds of this clip from "seeing stars with joe quirino": [http://www.youtube.com/watch?v=K\\_ZTfey3lQc](http://www.youtube.com/watch?v=K_ZTfey3lQc)

i'm thinking that the "boat" in that late '70s IBC logo was inspired by the vintas of zamboanga...naisip ko lang ito kasi i came across some IBC ads in older newspapers from around 1975 (when IBC became "intercontinental broadcasting corporation" after RMN's henry canoy sold the TV network to marcos crony roberto benedicto) that their logo back then looked like a much bigger vinta.

also, even earlier in the '70s (when IBC was still called "inter-island broadcasting corporation", under the joint ownership of RMN and andres soriano), the network called its color transmission "vintacolor", apparently, inspired by the different colors on a vinta's sail.

*And so ASAP XV had just celebrated its 15th year on air, new stage design, a number of reunion numbers. Call it the greatest episode of ASAP ever.*

the best episode ever.

call it nostalgic episode, but still the 2 main hosts were missing (ariel rivera and dayanara torres)

Watching them right now one-by-one and I was kinda hoping they'd sing the original theme song for All-Star Sunday Afternoon Party. Good thing that somehow, iyung rival show nila, SOP, still gets to perform their own theme from time to time.

Back then, both shows used to give a lot of emphasis on what the acronyms of their respective title means: SOP (Sobrang Okey, Pare), and ASAP (All-Star Sunday Afternoon Party). Ngayon, it's just "S-O-P" and "A-Sap"

SOP SOP SOP

DITO SA GMA!!!

I remembered a drama anthology ata sa GMA 7...

ang title ata nun eh "Sa Larawan" or "Larawan"

as far as I can remember, they featured different stars

at sina Antoinette Taus & G Toengi lang nagmarka sakin.

My mom used to watch it before kaya pati ako nakakanood na rin

sino naka alala nung show na yun? 🇵🇭

@thescriptjock: parang naalala ko rin iyan pero sandali lang yata iyan e. May spoof nga ang Bubble Gang diyan and it goes: "Larawan...ni Diego...ang pangit!"

pepman: grabeh, ganda ng nakuha mong pic. First time ko na ata mapakinggan ng buo iyung theme ng SOP. Bihira na rin minsan nila to gamitin except for special occasions. I believe the last time they sang the theme (and not merely play the opening notes during commercial bumpers) was when there were at San Francisco promoting the launch of GMA Pinoy TV.

Ang theme song na laang ng ASAP ang di ko pa naririnig. Sayang di nila ata to ginawa nung 15th anniversary nila ilang linggo ang nakakaraan.

\*BTW, I haven't been watching SOP for quite a while, do they still air the long crawl credits during closing time before proceeding to Dear Friend?

No they don't. And as for the ASAP theme, siguro ipa-request natin sa ABS-CBN, I think ke Mr. Katigbak, ok na siguro, tapos sabihin nya na lang ke Mr. M.

during the first year of asap, ganito yung theme song nya, "..hot na hot ang asap...."

then changed to, "..better than ever, A.S.A.P...."

dominant yung voice ni martin sa both theme songs..

Sana may video having a piece of that theme. Or MP3. BTW, ONLI N DA PILIPINS!

## Curious lang...

---

Ano ba talaga yung history ng GMA Supershow? Mukhang masyado akong naguguluhan.

mapunta lang ako sa commercials uli...

i suddenly remembered how unilever/PRC tried to revive the pepsodent toothpaste brand twice in the '90s...of course, a lot of '80s kids would probably remember orly mercado as endorser/"man-on-the-street" interviewer for the product back in the day--as well as the words, "lasang bebel gum"...

but in the '90s, when pepsodent was relaunched, they first had robert jaworski (then the playing coach for the la tondena franchise) and his son ryan (who would figure out in a shooting incident years later) as endorsers..."sa bisa, sa lasa, unbeatable!" was their tagline back then.

a couple of years later, though, the brand was given another relaunch...unilever perhaps wanted to target the kids for that, as they got a young paolo contis (he was already doing "ang tv" and "oki doki doc" by then) to do a series of pepsodent commercials about bad "animal-looking" smiles ("ngiting tsonggo," "ngiting aso", etc.) and how brushing with pepsodent can supposedly avoid these...

but of course, we haven't really found pepsodent in grocery shelves for a loooooooooong time now...

I think there are still a few Pepsodents, especially in SM Hypermart.

RIP SOP

Feb. 2, 1997-Feb. 28, 2010

BTW, anyone have the SOP's "Thank you" lyrics?

Finally got to watch the last hour of SOP's final telecast. Sad to see the show go. Even if I wasn't much of a fan (ASAP boy kasi), Sundays won't be the same without viewers' weekly dose of noontime network-to-network face-off between All-Star Sunday Afternoon Party and Sobrang Okey Pare!, both of which in later years are now known by their initials.

Bukod doon, I was really expecting the main hosts to sing SOP's theme song for their last hurrah. Gulat nga lang ako na may pinasok sina Ogie na bagong linya sa lyrics patungkol sa rival show but it's all for fun.

SOP will be missed.

@pepman: Hopefully, may nakapagrecord ng SOP kanina so malang Youtube ang bagsak nito. Dinisplay rin iyung lyrics ng theme song at ng "Thank you from SOP".

<http://www.youtube.com/watch?v=AFWFx...mbedded#at=266>

may pagka-radio memories din pala itong video. In the credits, they acknowledged Campus Video (DWLS' version of MTV with schools as background), and Reggie Dumasig of 103.5 K-Lite.

Head writer pala nila dito si Michael "Eagle" Riggs and their choreographer is Ms. Geleen Eugenio. Big time pala ang mga tao sa likod ng SOP noon. Nakakamiss din ito. Naalala ko rin sila ang noontime show na nagpresent para sa isang raffle draw sa SM wherein they would give 3 units of Nissan Urvan Estate. Tinutukan ko ito para malaman kung nabunot ang pangalan namin.

*^I read that in Butch Francisco's column a few months ago. Lyn Ching had to leave the show kasi magpakasal na ata siya that time(?), her co-host Paolo Bediones was left manning the show which was renamed S Files. Best tandem siguro ng S Files non ay an-g quartet nina Paolo, Richard Gomez, Joey Marquez, and Janice de Belen. Ironically, Paolo's three co-hosts are subjects of showbiz gossip and controversies, siya lang iyung hindi (so far).*

**Something happened and Janice have to leave the show**, thus she was replaced by Pia Guanio. Richard also have to leave the show for last year's senatorial elections. He was replaced by still-ABS-CBN talent John Lapuz (since up til now, he's being managed by ABS-CBN's Star Magic).

*Eventually, the show was cancelled last year and was replaced by Showbiz Central. Intact from S Files are Pia and John, in addition to Raymond Gutierrez, Ruffa Mae Quinto and Mo Twister.*

*Sa Startalk, di ba Lolit Solis, Boy Abunda and Kris Aquino were the original roster of host for that show? When I found out about that, it's kinda feel weird when I see Boy and Kris hosting the Buzz every Sunday, ironic it's like Startalk minus Lolit who still stayed on as host for the show which rules Saturday afternoon.*

I think this one was about the Kris Aquino-STD issue wherein she showed her sympathy to Kris instead of her fellow co-host Joey

*Nagkaroon pa daw ito ng series, entitled Rave, tsaka may nakita pa ako dati sa magazine nung nagcelebrate ang star magic ng anniversary, 15 or 16th ata, Detour, starring Mylene Dizon and the Late Rico Yan. tapos yung Rave si Marvin Agustin and Janette McBride. Tama ba? 😊*

Yeah I remember this... Parang spin-off yan ng Star Drama Theater Presents na ginawang mini-series..

Detour - Mylene Dizon, Rico Yan and Introducing dito si Michelle Bayle

Rave - Paolo Contis and Marvin Agustin Introducing Janette McBride

Rush - Piolo Pascual (fresh from LAGARISTA fame) and comeback ni Ms. Tetchie Agbayani sa TV(Ang taba-taba nya dito)

May napanood akong drama sa IBC 13 kamakailan, isang co-production ng network at ng PCSO. Mukhang matagal na ito ginawa base sa hairstyle at pananamit ng mga tao sa kuwento. Di ko nalaman iyung title pero siguradong hindi ito iyung "Ang Pangarap Kong

Parang suspense drama tungkol sa isang "ginintuang" buwaya na naghahasik ng lagim sa taga-barrio. Any ideas?

Just watched a teaser of a new talkshow hosted by Amy Perez....If I didn't know any better, mukhang binuhay nila iyung concept ng naunang show ni Amy noon sa ABC-5, *Deretsahan*.

natatandaan ko nung bata pa ako may show na "For the boys" hosted by Ariel Ureta, one day nag dance number si Vivian Velez tapos bigla na lang bumaba yung top niya, kitang kita yung mga u-tong niya! It not only happened once, but twice bumaba yung top niya, after the second time, I remember bigla na lang commercial break. After the commercial break,

Ariel Ureta interviewed Vivian Velez na parang walang nangyari pero halatang halata na namumula si Vivian 😊

Namimiss Ko Ang Mga English Talk Show Na Katulad Nung Kay Elvira Manahan Two For The Road (mom Of Mr M. Johnny Manahan)

*Just watched a teaser of a new talkshow hosted by Amy Perez....If I didn't know any better, mukhang binuhay nila iyung concept ng naunang show ni Amy noon sa ABC-5, Deretsahan.*

"deretsahan" was obviously a cheap knock-off of all those "no-holds-barred" talk shows like "jerry springer" and "maury", complete with bouncers, catfights and all that shouting-- kulang na lang, talagang magmurahan din sila doon like in the two US shows i mentioned...

mukhang hindi bagay sa kultura natin 'yung ganyang klase ng talk show...it just gave the "masa" a bigger opportunity to "wash their dirty linen in public"...

*In speaking of random things, naalaala ko tuloy si Paolo Bediones acting in a GMA telesine nung 2002 holy week as Jesus ata.*

"via crucis" 'yung title ng telesine na 'yun...and if i remember correctly, this was produced by tony tuviera's APT entertainment and aired on black saturday that year--dito yata nagsimulang maging "tradition" ng APT/TAPE na every black saturday ipinapalabas sa GMA 'yung mga holy week telesine nila...

Hopefully, iyun pa rin ang gagawin nila this Holy Week given na hindi na halos gumagawa ng mga dramang panghapon ang TAPE.

Curious lang, does the ABC-5 studios in Pasong Tamo still exist? And yeah, how about the Delta Theater in QC?

And some sort of randomness.

MAD with Martin Nievera. Shades with Randy Santiago/Toni Rose Gayda.Princess with Princess Punzalan,afternoon show around 1988 on Ch. 7.

Just want to share, just last Saturday, 20th March 2010. Nagkaroon ng parang reunion ang ilan sa mga shows na nagpasikat ng mga stars. Nag-guest sila sa Pinoy Henyo ng Eat Bulaga. Kasama doon ang Starstruck (Season 1), That's Entertainment, and Ang TV (with Julia Clarete). It's so great na na-invite ng Eat Bulaga ang cast ng show na galing sa ABS-

CBN.

And remember, Ang TV and Eat Bulaga were on the same era on ABS-CBN (early 1990s).

Bulagaan ng eat bulaga sa abs-cbn, way better kaysa sa GMA, naalala ko pa mga eto:

knock, knock, who's there, Siomai mami sabi ni ruby rodriguez

"siomai-mami kissing santa claus"

si aiza seguerra naman, abe king who

"abe king the children of the future, teach them well,,,"

saka yun lagi pinagtritripan ni richie d' horsey si lady lee, asar-talo

Who still remembers Viva TV productions like: May Bukas Pa, Habang may buhay (Pansin niyo mga pangalan ng soaps ngayon ng ABS, soaps ng VIVA in year 2000) H2K: Hati - Hating kapatid, Kagat ng Dilim, Dear heart (not the Sharon-Gab movie) and Subic Bay?

*it would be interesting to see the two trios (or, the six men, however you fancy your math 🤖) to perform together on "eat bulaga" with a live band...para maipakita sa buong pilipinas na, yes, even if their shows competed directly with each other for 3 years, there is no bad blood among the six after all. 😊*

naalala ko nag guest appearance si buboy sa okay ka, fairy ko sitcom ni Vic Sotto, pero that was when nasa ABS CBN pa sila lahat, nagkaroon lang ng tension between Joey and APO when EB moved to GMA-7.

ano nga ba ulit title noon dati show ni amy perez sa ABC-5, gustong gusto ko din iyon, na ngayon ni revived nila sa deretsahan. di ko makalimutan yun sa bawal na pag ibig involving a taxi driver na ang syota 16-anyos (basta driver, sweet lover) tapos yun isa naman lalaki totoy pa ang girlfriend 55-anyos na ginang. galit na galit ang babaeng anak ng ginang tutol sa relasyon nila. masaya din mga episode nun dati show ni Amy.

actually, "deretsahan" 'yung title ng dating show ni amy sa ABC...her current one is entitled "face to face"...

Wow, talagang hinukay....

Speaking of hukay, until recently napapalabas pa rin iyung commercial ng Stick-O. Sa sobrang tagal na nito na pag-ere napapaisip isip ko kung ano na nangyari dun sa mga batang kasama sa commercial na iyon.

Just realized when you sing the lyrics of the ad yourself, it sounded cynical in a way:

subic bay yun show sa channel 13 di ba? parang si maui taylor yata ang isa sa mga bida.

'yung guest nilang nasa clip na 'to, sister ni robin padilla...pero naging one-hit wonder lang yata siya...

"jamming" was one of the many ways german moreno tried to revive his "that's entertainment" after it went off the air in '96 (bukod pa sa "DATS", "best frends"--yes, the word "frends" was intentionally spelled as such--and "NEXT")...if i remember right, this show was aired sunday morning, right before "SOP"...

I noticed though that Peter Musngi (I assume that he was VO for the network mula pa nung time na iyon) was quite formal when closing a show and introducing another one.

alam ko kahit nung bbc days pa si peter musngi na ang voice over ng channel 2.

Maganda yung ginagawa ng ABS-CBN noon, kesa ngayon, sa isang plug na lang ang gagawin sa huling commercial break ng preciding show. And the rival network also did this via this [video](#).

Other variations of the "formal closing of ABS-CBN" which was done during its heydays are clips from [Home Along Da Riles](#) and [Mel and Jay](#).

And yeah, some videos of [S2: Showbiz Sabado](#), [Love Notes](#) and [Valiente](#).

^Nagawa minsan sa Ligaw na Bulaklak ni Roxanne Guinoo iyung pagkakaroon ng sariling voice-over sa simula at katapusan ng bawat episode nito araw-araw. Very reminiscent sa mga panghapong drama nung araw. Bukod doon, it also adds to the show's appeal kahit by this time, uso na sa mga shows sa ABS na gumamit ng squeezed closing credits 🇹🇼

update lang po about musical directors.

naging musical director din ng Eat Bulaga si Homer Flores until year 2000.

TWO days na lang!

Anyway, may mga dalwang tanong ako na hanggang ngayon di ko pa alam, tungkol 'to sa TV syempre 'no?

1. Bakit wala ang name ng GMA Records sa mga closing credits ng mga MYX Shows? Does this mean the "network wars" still exist even with their subsidiaries? Ehem. GMA, on the other hand, showed the Star Records name via this [video](#). (@1:49)

2. Second, why did TSCS (IBC) and MAD (GMA) moved to ABS-CBN? Was it because they have a rift between the show and the preciding network? Or some sort of a "career change"?

And yeah, here's a video of Awitanghalan, a show hosted by radioman Dante Luzon along with Rio Diaz and Pilita Corrales as co-hosts in seperate years. Here's the [link](#)

Even in Cinema One, movies by GMA Films are not shown even if some of their movies are worth watching such as Marilou Diaz-Abaya's Jose Rizal. Well, ganun talaga but it's unfair for GMA since nag-aacknowledge sila kahit taga-kabilang network. Naalala ko kahit OT na, palaging binabati ng mga DJs sa LS-FM ang Star Records, at nag-guest pa nga si Christian Bautista sa Campus Radio.

I noticed though that Peter Musngi (I assume that he was VO for the network mula pa nung time na iyon) was quite formal when closing a show and introducing another one.

IMO, depende 'yun sa copy/script na isinusulat, at sa format ng preceding o kasunod na programa...eventually naman kasi, lalo na into the '90s, 'yung scripts na binabasa ni peter musngi for his VOs in between programs would also be very informal (to the point na he can "play around" with his intonation), lalo na 'pag 'yung sa mga "light" na programming (like sitcoms and variety shows)...

like this one...i remember, there was one VO that "ka peter" did at the end of one ABS-CBN show (i just can't remember which one anymore, though) that started with the line, "o, bitin ka, 'no? 'di bale, bukas ulit..."...mga bandang '90s na 'to...

Happy Anniversary to this thread!

Happy anniversary 😊

speaking of tv memories, sino2x pa ang mga nakaalala nito? 🇵🇭

beauty and the beast -sa abc-5 to dati. It was a modern adaptation of the classic fairytale. as in hook na hook ako dati nito. the music here was amazing! eto yung opening scene... 🎵🎵🎵🎵🎵🎵

<http://www.youtube.com/watch?v=qeUhrLoMIYo>

and meron pang isa...

the storyteller - i think this was on rpn-9. namangha talaga ako sa show na to. ang ganda. very different yung mga fairytales dito. it was creepy, mysterious and mesmerizing talaga. till now, nakakamangha pa rin yung production nito. the music was pretty haunting too.

here's the opening scene... 🤖🤖🤖🤖🤖🤖

<http://www.youtube.com/watch?v=L4V3CFZdcmc>

At sinong makakaalala ng first ever-Filipino made Close Up jingle na kinanta ni Walter Navarro? Narito ang video.

At mga Unilver commercials magmula 1960's-2002.

*beauty and the beast -sa abc-5 to dati. It was a modern adaptation of the classic fairytale. as in hook na hook ako dati nito. the music here was amazing! eto yung opening*

*scene...* 🤖🤖🤖🤖🤖🤖

<http://www.youtube.com/watch?v=qeUhrLoMIYo>

medyo naaalala ko ito, although hindi ko napapanood masyado...basta, si linda hamilton (who was part of the first "terminator" movie, if i remember right) ang "beauty" sa series na 'to...

although i've heard the theme song of the series ("the first time i loved forever") a lot of times before sa mga "senti" stations like the old WRock and the old mellow touch (94.7)...

'yung pag-ere nito sa ABC in the '90s, actually, rerun na 'yun...una itong ipinalabas sa GMA in the late '80s...

This is another great thread. Thanks.

Any links to clips from "Cafeteria Aroma"?

Syangapala, may copy na ako ng ASAP XV magazine. Medyo maraming erratums at medyo kulang dito. In fairness, maraming interesting trivia at mga photos dito.

#### ERRATUMS:

1. ASAP moved to Studio 10 in 1998. No, they moved to Studio 10 as early as January 5, 1997 (or December 1996, not sure). I even have a video to prove that they were already doing ASAP in Studio 10 via this episode dated January 26, 1997 (although this wasn't put in the video, I assume this was the exact date, sabi ng owner ng video January 1997 daw).

My bad I think they believed in the Wiki info, ako kasi ang naglalagay ng 1998 instead of 1997 (I edited the article in 2007, noong uso pa ang mag-edit. Good boy na ako ngayon, ehehehe).

2. ASAP guested Manny Pacquiao in 2006. Not really, there was a picture that ASAP had MP as its guest which was taken by 2001 I guess (Look at their hairstyles, especially Diether).

3. At mukhang di nila mi-mention ang 2004 anniversary concert nila sa ULTRA ah. GALING!

#### MGA KULANG

1. Evolution of ASAP logos.

mali pa rin..."ASAP" was airing from studio 3 (the current home of "wowowee") at that time. i should know because i watched the show at that very studio during a school field trip in 1999 (and it was the same studio where i watched "'sang linggo nAPO sila" the year before)... "ASAP" shared studio 3 with whatever the daily variety show was (by 1999, it was already "MTB")...

wala pang studio 10 noon dahil 'yung studio 10, kung hindi ako nagkakamali, kasama na sa pagtayo ng ELJ communications center...hindi ko na maalala 'yung exact year na lumipat sa studio 10 (from studio 3) ang "ASAP" (because i rarely watched it anyway), pero i think nasa mga mid-2000s na 'yun...

Kaya pala parang na-notice ko, bakit parang lumaki ng husto yung studio ng ASAP? They moved pala. And as for the ELJ thingy, 2000 to be exact yun binuksan.

Pero AFAIK mga late 2000 or 2001 napadpad sa Studio 10 ang ASAP.

Akala ko noon sa Aliw Theater nila ginawa iyon lalo pa't hindi coincidence na nagsabay sila sa concert ng SOP na ginanap sa Quirino Grandstand. At di ba medyo napaaga ata sila sa pagtiming ng 10th anniversary concert considering 2005 ang pang-10th year ng show?

*IMO, depende 'yun sa copy/script na isinusulat, at sa format ng preceding o kasunod na programa...eventually naman kasi, lalo na into the '90s, 'yung scripts na binabasa ni peter musngi for his VOs in between programs would also be very informal (to the point na he can "play around" with his intonation), lalo na 'pag 'yung sa mga "light" na programming (like sitcoms and variety shows)...*

Kinilabutan ako sa mga VO niya madalas. lalo kapag nagfreeze frame ang ABS ng isang logo ng isang show (i.e. Cristy Per Minute), biglang magsasalita si Peter Musngi.

On the other hand, mas authoritative iyung VO ng Studio 23 when the network was still doing voice over announcement at the end of each show. They also had a female announcer back then (I'm guessing it's the same announcer for Lifestyle Network) when voicing for female-oriented shows (The Nanny, Charmed, etc).

heto iyung parang format ng script na binabasa sa Studio 23:

Closing Credits rolling then "Thank you for watching, Charmed...Next week....Coming up next is News Central", followed by a promo of the concluding show's next episode. Then kung hindi pa 10pm, may lalabas na VJ for the night para i-introduce ang susunod na programa.

re: Myx not showing GMA Records

-natanong ko na to kay Andre Allan Alvarez na channel head ng MYX sa Twitter niya pero mukhang mum siya sa ganong klaseng tanong. Any other questions naman sinasagot niya kahit papano.

Speaking of Myx, who remembered their yearly specials, "MYXED LIVES"?

*Akala ko noon sa Aliw Theater nila ginawa iyon lalo pa't hindi coincidence na nagsabay sila sa concert ng SOP na ginanap sa Quirino Grandstand. At di ba medyo napaaga ata sila sa pagtiting ng 10th anniversary concert considering 2005 ang pang-10th year ng show?*

Mukha nga naman and I think somebody has already posted it. As far as I remember, that was the network's answer to EB's 25th anniversary extravaganza.

I think sa Aliw Theater yung "30 shows".

sa Araneta yung 30 shows (Jan 30 or 31 ata yun)...

the ASAP that was 10 on 10.. launching of Krystala, Ragnarok and others at ayun ay sa ULTRA and Aliw Theatre, sa GMA naman yung sa Folk Arts and Quirino Grandstand, they called it as Kapuso Grand Fans Day.

Nagkakilala Sina Ryan At Juday Sa Krystala!!!!!!

Here's Butch Francisco's interesting points of view between languages and the TV show.

#### *TAGLISH: A 'LANGUAGE' THAT'S NEITHER HERE NOR THERE*

*MANILA, August 19, 2004 (STAR) STARBYTES By Butch Francisco - Ana Marie Pamintuan's Sketches column last week regarding the deterioration of the use of the English language in this country inspired me to do this piece and prompted me to find out if local television should also take the blame for the emergence of this new "language" that's neither here nor there: Taglish.*

*In the 1960s, people in front of the camera spoke either straight Tagalog or straight English. Among the English-speaking television hosts then were June Keithley of Lollipop Party, Pete Roa and Boots Anson in Dance-O-Rama, Baby O'Brien in The Baby O'Brien Show, Jimmy Melendrez and Fides Santos Cuyugan Asensio (when they were not singing) in Sunday, Sweet Sunday, Elvira Manahan and Eddie Mercado in Two for the Road, Joey Lardizabal in The Morning Show and, of course, Bob Stewart who was then all over Channel 7.*

*Tasked to do their hosting in the national language were Patsy and Lopito in Tawag ng Tanghalan and Pepe Pimentel and Dely Magpayo in Hamon sa Kampeon.*

*I do not know about Patsy and Lopito (I never got to meet them), but Pepe Pimentel and Dely Magpayo also have a good command of the King's Language. Mr. Pimentel, however, only had the chance to speak English every time he had to host beauty pageants like the Miss Asia Quest, but never in Hamon sa Kampeon or in his other program, Kuwarta O Kahon. (Pepe Pimentel, incidentally, also speaks elegant Spanish, which his family spoke in their old San Juan home).*

*Back then, viewers who had pretensions of having "class" would not be caught watching Dely Magpayo in Hamon sa Kampeon. The convent-bred in those days (when not glued to canned American programs) watched and listened only to Leila Benitez, who spoke perfect English.*

*Those who watched television programs conducted in the vernacular belonged to the bakya crowd (coined to described moviegoers in the lower class because they mostly went to see Tagalog pictures in downtown theaters wearing wooden shoes or bakya). The term baduy was not even in use then.*

*The only time English and Tagalog were mixed - but never in the same sentence - were in those noontime shows.*

*In Magandang Tanghali, main host Pancho Magalona delivered most of his spiels in English because he is from the South and was not really all that proficient in Tagalog. (Amazingly, he managed to excel as an actor in Tagalog pictures.) But the other mainstays of the program were Teroy de Guzman, Cachupoy and Babalu and these comedians were more comfortable speaking in the local tongue.*

*When ABS-CBN, however, later launched Stop, Look & Listen, the scenario became like the Tower of Babel with some of the hosts speaking in English (Tina Revilla, Jay Ilagan, etc.) and the rest in Tagalog (Nova Villa, Carina Afafe, etc.).*

*When 12 O'clock High replaced Stop, Look & Listen in 1972, the noontime slot of ABS-CBN geared more toward the middle to upper middle class because the hosts, Tina Revilla, Ariel Ureta and Marilen Martinez, conversed mostly in English. It was only Ariel, in fact, who would sporadically break into Filipino, especially when he was cracking jokes on air.*

*Actually, I would like to think it was Ariel who introduced Taglish on local television (or was at least among the pioneers).*

*Then, Martial Law was declared and the late President Ferdinand Marcos created the so-called New Society, which eventually became Bagong Lipunan when the medium of communication tried to shift from English to Filipino.*

*In school, some subjects were taught in Filipino. Social Studies became Araling Panlipunan, for instance.*

*On television, there was the New Society program Pulong-pulong sa Kaunlaran, which was aired in all networks and conducted in straight Filipino by anchorman Gerry Geronimo.*

*Strangely enough, the government-controlled station Channel 9 didn't broadcast its new program, Newswatch (with Harry Gasser) in Filipino (although at some time – and this was much later – there was a Newswatch in Filipino edition).*

*Ariel Ureta's career, however, survived Martial Law. At that point, in fact, he was the Number One star on television and later, even in the movies (he made a couple of blockbuster hits). He popularized the term "Ang gleng-gleng," which was picked up by a lot of young TV viewers.*

*In Noontime Matinee on Channel 7, here's a sample of his repartee with Tina Revilla and guest co-host June Keithley:*

*Ariel: O, Tina, you look so ganda today.*

*Tina: I'm not really feeling well today. I feel sick. (Jokingly) Sick and tired of Ariel.*

*June: In that case, it's me and Ariel na lang who will do the show. You go away na.*

*Ariel: But even if she's may sakit, 'no, she's ganda pa din, di ba?*

*June: Sayang. You didn't see her in the fashion show in Malacañang last night. Tina was modeling and the other models made apak-apak on her cape.*

Teka, mukhang di sa Studio 3 'to ah o baka sinadya lang na ibahin ang itsura. Kung di ito Studio 3, baka Studio 2 (current home of Showtime!), ang laki rin kasi nun eh.

YouTube - **Majika MVmusic video** of GMA-7's latest offering MAJIKA, written and performed by Kitchie Nadal, featuring scenes from the series and with Miss Angel Locsin.

PRESENT: April 2010 soon to be May 2010 pero ZERO airing pa rin at wala pa rin napapanood na tv soap starring lola angel locsin.

I was watching TVP yesterday, when Willie Nep sang this and I just suddenly remembered the song! Here's the link:

For those who didn't know, this song was part of the 2007 ABS-CBN Halalan coverage.

And yes, Batibot's going to return on TV for the first time in 12 years:

probably, dahil noon ding panahong 'yan, her mom helen vela's hyper-vision prod outfit produced an afternoon drama anthology for her on GMA ("princess", aired before "that's entertainment" at around 4:30pm)...princess was also a co-host of "GMA supershow"...

at dahil dito, naaalala ko noong grade 6 ako at kasikatan ng "gimik" at "TGIS"...each grade 5 and grade 6 section sa school namin produced a "variety show" every other quarter for our music class...sa kasikatan ng dalawang shows at that time, some sections (including mine) had either "gimik" or "thank God it's..." sa titles ng mga variety shows nila. 🤔

The Moffatts guesting in the early episodes of the ABS-CBN noontime variety show "Magandang Tanghali Bayan". Singing the cover of Beatles' "She Loves You", they performed with main hosts Randy Santiago and John Estrada with Vanessa del Bianco and Aurora Halili as backup.

The second part of the video had the band sing "Girl of My Dreams" (their own hit). Vanessa, Aurora and Yen Serrano introed the band's second number in the show.

30. QUIZON AVENUE (natuloy, 2005-2006)

A few were also shelved and most of the shows have ended already. Tanging Wowowee, ASAP at GB na lang ang natitira.

This trend is obviously patterned by some with GMA's current re-launching of 20 new shows (Watchamakulit, Comedy Bar, Endless Love, etc...)

And yes, I remember the first OBB of HomeBoy which patterns to the doors thingy of Disney movie "Monsters, Inc.". And yeah, its theme song, too, sang by then-newcomer Rachelle Ann Go:

"Home Boy  
Panonoorin ko 'to  
Home Boy

*i share ko, TV guide in 1994.*

parang galing sa philippine star ito...🤔

some shows worth noting from this TV guide:

"noli me tangere" - the CCP-produced mini-series adaptation of rizal's novel, starring joel torre as ibarra and chin-chin gutierrez as maria clara (she was credited in that series, though, as "maria jose arnaldo")...i remember watching this for filipino class back in high school, at sa totoo lang, kung 'di dahil dito, hindi ko lalong maiintindihan ang "noli" noon... 🤔

"vina" - ito 'yung musical/sitcom na co-production ng ABC at viva, starring vina morales (of course) with nida blanca, ogie alcasid and rico j. puno...ang original airing nito sa ABC was monday at 7:00pm, so i believe, replay 'yung pagpapalabas nito on the saturday afternoon slot...

"kada" - magazine show aimed at older teens/twenty-somethings...a young mylene dizon (before she became part of "super laff-in" and "gimik") was among the hosts there...

"young at heart" - if i remember correctly, isa itong teen romance drama anthology, na si kuya germs ang host--call it, perhaps, a continuation of his "young love, sweet love" drama anthology on RPN (which was already off the air by that time)...

"show and tell" - celebrity talk show ito, originally hosted by gretchen barretto, then by anjanette abayari...the co-host? ang noo'y baguhan pa lamang sa TV hosting na si boy abunda (who was not yet bald at that time 🤔)...kasama rin nila dito si ai-ai delas alas as "cheenie la chica" (which originally appeared on "show and tell"'s predecessor, "RSVP"--think nanette inventor's "donya buding" character for the '90s generation)...

By the way, my contribution, here's my interpretation of the ABS sked from 1987 to 1995.

<http://www.scribd.com/doc/30888684/A...ROGRAMSKED9395> (93-95)

As we can see, some were blanko, para kasi yun sa mga animes, telenovelas, etc. Yung

Eto, pinaghirapan ko talaga as in kanina pa. Not sure kung me minor corrections.

Credits to Manila Standard and my common sense nga pala. Atsaka paki-correct na lang dito sa thread yung iba mga ka-PExers ko. Salamat! 😊

And yeah, ABS' morning Yuletide offer from 1992:

Sa first link, I don't think the schedule posted is accurate. I remember specifically at that time around 1994-1995, X-Men and Teenage Mutant Ninja Turtles were airing back-to-back on a Sunday morning while BH90210 does not air on such a compressed time slot as indicated. Highlander was already ongoing in 1994 while Melrose Place was probably on the schedule already by 1993 before majority of ABS's American shows were carried over to Studio 23 2-3 years later.

How about mga Political Ads noon 1980s that was shown on TV, I remember ang TV ad ni Romeo Jalosjos nun tumakbo siya congressman, parang ala Manny Villar, mga bata kumakanta, perhaps those are kids in his provinces, Jalosjos was also endorse in Eat Bulaga by no less than TVJ.

meron din yun BEST BC na campaign advertisement, Bagatsing, Espina, Sese, (Arturo) Tolentino, (Robert) Barbers, Cabilao.

Oh God, naalaala ko tuloy yung program revamp ng ABS-CBN noong November 1998 which reminds me of what GMA's doing today, narito ang mga shows na naalaala kong ni-launch ng ABS-CBN noong 1998:

Richard Loves Lucy (predecessor: Onli in da Pilipins)  
Sharon (predecessor: Compañero y Compañera)  
May Nagmamahal Pa Rin Sa 'Yo (predecessor: Palibhasa Lalake)  
MTB/Sabado Live (predecessor: 'Sang Linggo nAPO Sila)  
F/Loren (predecessor: Citiline-----moved to Studio 23)  
Megasine (predecessor: Million Dollar Movies)  
Keep on Dancing (predecessor: M.A.D)  
The Correspondents (predecessor: The Inside Story)  
Martin Late @ Nite/Global News (predecessor: The Quantum Channel---TV shopping and Business and Leisure)  
Katapat: Mayor Fred Lim (predecessor: Calvento Files. Although it was on a different timeslot, the Tony Calvento show exchanged places with Star Cinema Presents and was later moved to the timeslot as Mayor Fred Lim took over)

- Although Coney Reyes on Camera ended airing, it was replaced meantime by Sports Unlimited, which was already airing on late nights a year before CRoC was axed.
- Showbiz Lingo was reformatted as Showbiz Lingo plus because of S-Files' rise to the ratings game.

Question is, medyo mababa ba ang rating ng 2 prior to November 1998? Kasi naman parang

no.1 pa naman sila nung time nun, or nagmo-modernization lang. Sayang yung ibang show, lalo na yung Palibhasa.

Noon 90s mga natandaan ko katawa tawa sa Eat Bulaga:

may contest, di ko lang maalala, meron lines na dapat sasabihin ni Vic and Joey pero ganito sinasabi nila, si Vic "„nais bigyan buhay ang mga patay," tapos si Joey "makakating eksena,"

tapos ang Beautiful Girl contest ata yun, bawat posing ng contestant, nagko commentary sila vic, mga sasabihin "behind the bars of justice" "two years imprisonment, but getting away hehehey oh that's alright,"

si Jimmy Santos naman pag describe ng Beautiful girl contestant, kung colorful pananamit, ang sasabihin niya "with so many natural resources,"

eto, nahanap ko sa youtube, galing sa account ni boots babushka, kilalang impersonator at make-up artist noong '80s...

Eat Bulaga's Communicate Dance Contest 1983  
<http://www.youtube.com/watch?v=n-0vriBNRh0>

Nakakamiss yung on-screen clock na identity na ng RPN 9 noon.  
Ito rin ang mga times na hindi pa uso ang big LCD screen na gamit na background. Curious lang ako, ano ba ang mga pinakaunang TV shows (specifically live variety shows) na gumamit ng LCD screen na background?

napanood ko na rin 'to dati...sayang, naputol doon sa mismong part na sasabihin na 'yung winner. 🤔

tapos may related video 'yan, ibang dance contest naman sa EB from 1984, "jump" 'yung kanta...

e 'yung isang contestant doon sa video na 'yun, medyo may kabitang, tapos tumalon pa sila ng partner niya near the end of the routine...pagbalik sa camera na naka-focus kina vic at joey, nagloloko silang dalawa na lumindol daw, intensity 4. 😊

Kasi naman ang taba eh. BTW, yung Bulaga noon, iisa lang ang set, pero nung lumipat sa 7, naging iba-iba weekly, hanggang 2007, monthly na binabago.

Oo pansin ko yung pagpapalit ng set. Pero since Feb or March 2010 ata nung nagpalit na ng set ang EB (yung latest na set na may 2 LED sa background at parang America's Got Talent na set ang dating 😊 ) Since then, fixed na yung set nila hanggang ngayon.

March 6, 2010 - balik sa TAPE Studios (Eastside)

Actually, nung July 2007 sila nagkaroon ng permanent set na iniiba monthly sa Eastside. Then nung January 1, 2010, they moved to the very big Westside which was Kuya Germs' studio for the longest time until March 5.

up up up up up!

Just watched the new station ID of GMA for their 60th anniversary on Party Pilipinas a while ago. Ipinakita dun some of old clips from GMA's past shows including Student Canteen. This is the first time na ipinakita ang Eat Bulaga sa station ID ng GMA (I think).

And speaking of EB, here's an article from their very first year:

Pati screencaps ng Vilma!, Kapwa Ko, Mahal Ko, Penthouse Live, That's Entertainment, A Little Night of Music, at Discorama. At pinakita pa ang Anniversary Special ng GMA na kung saan ang set nila, may wall na ang picture eh ang Tower of Power na 777 ft. at kutob ko sa Broadway ito.

Ang tanong ko lang, anong taon kaya iyun?

Pati Calvo Building ah.

Excerpt from the 1995 movie "O Ha! Ako pa!" which included Tauro Pwisto:

<http://pinoy-ako.info/index.php/Pino...hine-cruz.html>

RPN/Solar TV is now 50 years old na pala. I was watching Newswatch this afternoon with my dad when during the break, the station aired its 50th anniversary plug, in classic RPN fashion.

Some of the shows they featured:

"Marimar"

"Maria la del Barrio"

"Luz Clarita"

"Davao"

"Cebu"

"???? ng Kasaysayan" (will check on this later)

"Champoy"

"Buddy en Sol"

"John and Marsha" among others.

you were referring to "bisperas ng kasaysayan"...period mini-series ito (set during the spanish era), with the eigenmanns (rosemarie, cherie and mark gil...not sure kung kasama rin si michael de mesa) as lead actors...

"bisperas" was the third RPN mini-series starring the eigenmanns...the first one was "cebu" while the second was "de buena familia"...

i was surprised they didn't include "boracay" and "malayo ang umaga", though...the former, starring dina bonnevie, fe delos reyes and rollie quizon, was the first mini-series the network produced in the '90s (ito 'yung sinundan ng "cebu", "davao" and so on), while the latter, aired back in the '80s, was the first-ever mini-series on philippine tv (it was based on the novel "without seeing the dawn")...i don't have a lot of info about the latter, though...

Hindi rin dinnila fineature iyung ilang long-running serials nila: Flordeluna at Gulong ng Palad.

Sinama rin nila iyung ilang live events na kinover nila "in living color" noon dated from the 1970's. I think kasama doon iyung Thrilla in Manila.

I managed to read the source material, Without Seeing the Dawn. Such a heart-wrenching tale if you ask me lalo iyung second half ng book titled "Night". Never thought they actually make a television adaptation of this book but I shouldn't be surprised since WSTD was dedicated to Former First Lady Imelda Marcos.

The novel was published in the 70's so if "Malayo ang Umaga" was aired pre-EDSA Revolution, hindi na siya kataka-taka.

ay, oo nga pala...they indeed should have included "flordeluna" at the very least, kasi it was through this na bumalik sa early-evening slot ang soap opera genre...

'yung "gulong ng palad" was indeed aired on RPN, as well, pero in the late '80s na, parang continuation na yata 'yun ng TV adaptation from BBC-2 in the '70s (dahil sina ronald corveau at marianne dela riva pa rin ang mga bida ng '80s version)...

Here's the complete video, just in case:

sa channel 5 yata yung good evening pls?? yan yung game variety show kapag sa gabi..

nakakatakot si kokey

### **VERY RARE SIGN-OFF of BBC 2 since 1974**

<http://www.youtube.com/watch?v=1txRqxT9Qv4>

oo...'yung mga original hosts n'yan were plinky recto, earl ignacio, dennis padilla and mickey ferriols (baguhan lang siya noon, fresh out of a PLDT ad)...before it went off the air, sina mickey at robin da roza na lang 'yung mga host na natira...

looking back, that was a good counter-programming move by ABC back then...

Halos lahat ng programa na nakita ko like (Movie blocks, Wow Mali, Sharon, pati Eat Bulaga, Diz Iz It, Wowowee, UKG at UH) ayaw ipalabas at ipakita ang All Rights Reserved o kung minsan, hindi ipinakita ang listahan ng Production at Technical staff ng programa at may nakalagay lang na All Rights Reserved 2010.

At tsaka naalala ko mga 3 years old pa. Yung fairy na laging ipinakita sa TV like commercials and Chikiting Patrol pa sa ABC-5. parang nakakatakot eh. Please post.

Harharhar, I watched a sneak peek of the 60th anniversary special of GMA sa YT. Daming rare clips! Need to watch next week sa SNBO.

Saw it Gabby.

I know this Memory:

DZBB and RBS-7 used the old and battered transmitter in 1961 to 1972. When it now owned by Gozon, Jimenez and Duavit. The first plan of the network when Jimenez as President in 1974 is the P-7M Full Color Expansion.

Last night, I just saw yung GMA @ 60. Madami rin mga old footages ang ipinakita. Kinanta rin nina Ogie at Janno yung "Where You Belong" theme song at the end of the show pati na rin yung "Kapuso, Anumang Kulay Ng Buhay" and yung 60th Anniversary theme song.

This is called rare ha? Magaling ha!

I know these like the Tower of Power and some old footage and photos of GMA-7 and D-Z-B-B.

Anyway, go to <http://www.youtube.com/er2006> for more nostalgic videos!

ay talaga p0, gabbyshoe? naabutan mo na lahat yun? baket, ilang taon ka na ba? hehehe!!!

ako kasi di pa p0 ako pinapanganak nung may student canteen at penthouse live pa eh 🤪

galing ng nag-areglo no'n para maging medley. 🤖

i always look forward to anniversary specials like these because of the old videos...nakakapanghinayang nga lang talagang walang video material talaga prior to the martial law era from ANY of the networks that existed during that time na on the air pa rin hanggang ngayon: ABS, GMA, ABC and RPN...

ABS' video library was looted when their broadcast center compound was taken over by (marcos crony) benedicto and his cohorts...'yung sa ABC naman, malamang, nawala na rin 'yun over time (remember that they were off the air for 20 years)...i don't know about GMA and RPN, though...

12 lang ako, im a historian in internet eh!!

Today, sabi ng wikipedia, ang rpn 9 ay nagcelebrate ng happy birthday sa inyo, here some shows na naalala nyo sa loob ng 50 years.

Eat Bulaga  
Student Canteen  
Kwatra o Kahon  
Penpen de Sarapen  
John and Marsha  
Flordeluna  
Superstar  
Champoy  
Buddy and Sol  
Newswatch

Happy Birthday to Channel 9!

I saw another channel in YouTube: <http://www.youtube.com/user/phildeaf>

At meron isang video yata ng Little Sign Choir na-nag perform sa Uncle Bob's Lucky 7 Show, and other old clips.

One of the longest running documentary show, Probe ended June 30, 2010.

The program started at Cory Aquino's Administration in 1986 as Probe tapos lumipat sa GMA-7 and named The Probe Team from Cory to Konting Gloria and moved to ABC-5 in 2003, the show named added "Documentaries" to the title, and moved to the last station, again sa ABS-CBN, Probe, tapos naging Probe Profiles (parang Biography program) until it ended.

In speaking of Probe, I've seen their last episode on GMA, wherein they showed the history of the show. FACT: It was in this show where "the advanced graphics" were started, courtesy of Maria Ressa, and it became an inspiration to many shows in the land. Even the "more stories, less videos rule" was first implemented here.

More of those about Probe are in the official PROBE website, PROBEtv.com entitled "Ang Aming Kwento". It's a two-part episode by the way.

And lastly, what is this talk show hosted by Dr. Margie Holmes entitled "No Nonsense"? It seems that I haven't seen any info about this, except the fact that it was produced by PROBE Productions.

## **IBC-13 1992-1994 Logo**

---

Tungkol naman sa logos ng TV networks, One user commented on YouTube:

Naalala ko 'yung IBC-13 logo from 1992 until 1994 (noong nagtapos sa ere ang Islands TV-13) has each with narrow blue and white stripes sa left and one with plain red sa right and the bold italic letters IBC ('yung letter "B" sa gitna bewteen I at C mukhang numerical 13) inside tapos pinalitan ng Pinoy ang Dating.

**90's pa lang ginagamit na ng ABS-CBN ang Kapamilya term.  
2002 ng gumaya ang GMA7 at ginamit ang Kapuso term.**

**PTV-4:** Hindi ko alam kung ano yan?

**ABC-5:** Live on 5, sponsored yata ng sigarilyo

**GMA-7:** GMA News Live, the first

**RPN-9:** RPN News Update, sa graphics may tatak ng RPN at News.

**ZOE-11:** Zoe Balita Ngayon, Anchored by John Consulta

**IBC-13:** IBC Headliners, studio nila parang globe ang itsura.

Pinoy Thriller - hindi ko alam yung basta 80s yan sa channel 13,

Regal Shocker - Seen in one newspaper, aside for IBC napapanood pa sa 13. Produced by Regal ni Mother Lily

Ora Engkantada - Luz Fernandez as Ora Engkantada, one of the IBC-13's pioneer shows, story-telling at it's best!

5 & Up - First show nina Atom, Chynna, Maxene at Cruz Brothers (Rayver and Rodjun). Produced by the (now-defunct?) Probe Prods.

Chikiting Patrol - Basta may fairy na lumalabas sa OBB sa baba.

Travel Time - One of the finest travel show sa bansa, Hosted by Susan Calo-Medina.

regal shocker sa channel 7 ito.. every saturday night ito dati- eto yung si kamatayan ang naghohost nito.. heheh

yep pinoy thriller sa ibc.. pagkaka remember ko dito is eto yung pagkatapos ng okay ka fairy ko nung thursday nights..

Naalala mo ba ang Silip sa Karera, this is first show na puro karera ng kabayo? I dont know the time and what day sa Islands-13. Ang host pala si Andy "Doctor J" Jao at ang female co-host niya.

'yung "ora engkantada," hindi 'yan exactly "pioneer" show ng IBC dahil mid-'80s na ito ipinalabas doon (at naging "intercontinental broadcasting" ang IBC after roberto benedicto bought the network in 1975)...pero the show itself was also in existence already in the '70s on BBC-2, kung hindi ako nagkakamali...

did some random googling last night and found these from gorio72's account on flickr:

print ad for ABS/DZAQ-TV announcing the start of its regular telecasts

ABS-CBN print ad announcing the transfer of channel 3 programming to channel 2 (november 1969) - take note of their program sked as well during that era

print ad for inaugural broadcast of DZRH-TV (MBC) channel 11 in april 1962

print ad announcing the start date of DZBB-TV (RBS) channel 7's regular programming

channel 7's first programming schedule, october 1961

Correct date of the opening of the first channel 7: October 29, 1961 yung si Uncle Bob nagtayo gamit ang pera ng RBS-DZBB-TV Channel 7 sa Timog.

## **Pera o Bayong!**

---

I watch the movie "Pera o Bayong" sa Studio 23 kanina at nakita ko ang memories na ito.

Sa pelikula ito, makikita at maririnig ulit ang theme song ng MTB.

Dati ang ABS-CBN Broadcasting centre (wala pa ng ELJ center) may nakapangalan ABS-CBN Broadcasting Centre sa main entrance at may logo ng ABS-CBN sa gate.

Dati ang lahat ng sasakyan ng ABS-CBN, may logo na ABS-CBN (1986-2000) at ang kulay na logo na ABS CBN.

Ernie Baron also a had show on ABS-CBN every sunday yata ang "Kung Walang knowledge, Walang Power, Knowledge Power!". Not similar to Matanglawin. At modern dati ang weather graphics dati ng Channel 2 kagaya ng Channel 7.

Sharon Cuneta's stylist na nababanggit sa TSCS at Sharon si Fanny Serrano na napapanood siya bilang endorser ng Head and Shoulders.

Anak TV seal had a commercial lagi sa lahat ng istasyon ng TV, at pag-ending ng TVC, may mensahe at ang SIDs ng TV Networks. (Continued)

dont forget PCTA at SkyCable.

Amy saying For Life pagtapos ng POB, yan ang second love dati ang (101.9 RR (Radio Romance) as a all-female jock.)

Gerry Geronimo saying lagi ay Kabayan sa programang Ating Alamin, curious ba na nagamit ang Kabayan na lagi sinasabi ni Noli De Castro, Speaking of Noli, laging inereport sa MGB ang Quiapo Feast of Black Nazarene kung saan deboto si Noli doon at ang suot niya, Shirt ng logo ng MGB.

At sirlion\_steak, pakibigay po ang complete schedule dati ng BBC-2, GTV-4, RPN-9, IBC-13 at GMA-7 noong 1970s para dagdag ng research, salamat!

By the way, Probe special on ABS is on June 18, the grand finale IMO.

Sir yung binigay kong post ko sa page 170 yung sa MTB.

*I don't know if this is the right forum to ask this question, pero I'm trying to find out saan banda ang mga naging dating studio/office ng mga TV station BEC/ABS, CBN, ABC, RPN, and IBC? would you guys know the current landmarks where these studios used to be.*

*sa case ng GMA, am I correct w/ my knowledge na sa Calvo Bldg. in Escolta sila dati before moving to their current studios in Timog?*

I saw the old ABS-CBN broadcasting center noong panahon pa ng The Star Network (1986-1990s) sa Probe special, Itsura ng Channel 2 studios dati, hanggang gate na lang at hindi ko nakita ang buong building.

This is the right forum actually. Lemme take this. Regarding Calvo Bldg., that is correct, I have my mom's thesis for proof, yun nga lang wala na yun ngayon (blame Ondoy).

What if you try backreading? Is it ok for you?

RiP Redford "Sol" White. He passed a way recently after a long bout with brain cancer. He was only 54 years old. (I'm actually suprised that he's that young when he started out on TV)

RIP Redford White.

Joey de Leon and ABS-CBN.

<http://www.youtube.com/watch?v=11MtEGNZyd0>

Si Tina Monzon-Palma (female mentor of newscasting) na Talaga ang anchor ng The World Tonight, Angelo Castro Jr. goodbye na sa programa yata after 24 years sa TWT. Si Tina pag-solo, ginagaya yung sa News at Seven.

Guys have clips of Buddy and Sol?

^^ parang wala yata sa youtube ng mismong sitcom pero meron naman ng pangalawang movie na ginawa based on the show ("buddy en sol: praybeyt depektibs")...

I archived the two old logos ng IBC-13 from the 70's.

Logo ng IBC noong slogan pa ay Enjoy Yourself.

See?

Starla and the Jewel Riders.

Ultraman.

Batibot.

ATBP. - awit, titik, bilang at iba pa. Parang batibot din.

Xmen, Batman at Mighty Morphin Power Rangers - sunod-sunod yan every Friday night sa ABS

Mr. Cupido

FLAMES

Tessie ng Tahanan

Eat Bulaga - those times when they still had Aiza, Connie Reyes and Lady Lee on the show.

*^^ parang wala yata sa youtube ng mismong sitcom pero meron naman ng pangalawang movie na ginawa based on the show ("buddy en sol: praybeyt depektibs")...*

Iyung sa 50th anniversary clip ng RPN, may nakasingit doon na footage ng Buddy en Sol.

i know that...pero walang mga video na tipong isang episode (or even just a short clip from an episode, on its own)...

Malihis muna po sa topic about Redford White.

Wowowee is officially airing its final episode tomorrow July 30, 2010 (coincidentally is Eat Bulaga's 31st anniversary) after about 6 years on air. A new noontime show is replacing Wowowee, it's Pilipinas Win na Win. A lot of people would surely miss Wowowee.

ABS never seem to be able to pull off a successful noontime show with a lifetime as long as Eat Bulaga's. I have to hand it to Wowowee that it was able to live that long despite being on a rocking boat since day 1 although the show's cancellation seems to be stemmed from the mere fact that the longer Willie is LOA from the show, the more likely its ratings will suffer.

People are still divided on whether or not they're happy Wowowee is going off the air today.

A **reunion** ng mga dating co-hosts ng Eat Bulaga ay sa June 30, 2010 sa Sa Pula Sa Puti, These are co-hosts ng EB from RPN to GMA years.

There's more! Balik-Tagalog na sila from simply English since it's Kabarkada Mo! Days.

Aba! Upgrade ah.

*pinpanood ko dati yung companero y companera ni atty. rene cayetano sumisingit singit lang dati si alan peter cayetano sa show ng tatay nya di pa masyado nakakaasar pagmumuka nya dati kumpara ngayon*

*madalas din ako manood sa ctv31 ang daming magagandang classic english movies meron*

*din silang mga E!news daily*

*saka madalas din ako manood sa **wowow channel** ang gaganda din ng mga movies nila lalo na yung mga movies pag hatinggabe na nakakagising ng laman 😊*

Companyero y Companera nasa live studio sila na may audience at kasama pa ang kanyang co-hosts na attorneys and others ang naalala ko.

CTV-31 is the No.1 UHF Station in Metro Manila, Bakit? Dahil sa kanilang all-foreign programming ng himpilan walang local dito although it's owned by RMN (Radio mo Nationwide). Kaya No.1 ito sa eere until the CTV-31 name replaced by E! Philippines in 2000.

Ang naalala ko po sa movies ang HBO at Star Movies not Wowow Channel (parang Wowowee).

Wowow Channel is pretty familiar.

Eh yung WINS Channel na Japan distributor ng ABS-CBN, naalaala nyo?

^"Oh Tokyo!" 🇵🇭, ka-miss iyun 😊

napakaganda ng tema ng companero y companera ang dami kang natututunan...saka ang laking tulong din sa mga walang pambayad sa attorney 😊

RMN kala ko Radio Mindanao Network ang ibig sabihin nire yung CTV31 Cinema Television ata ang ibig sabihin nyan kase puro halos cine ang pinapalabas 😊.....natatandaan ko din ang dami din E! shows na pinapalabas sa CTV... E! True Hollywood Stories, E! News Daily, E!News Weekly, E!News Monthly 😊

sayang di mo inabot ang **WOWOW** ang saya saya manood dyan lalo na pag hatinggabe walang sinabe mga HBO dyan 😊

uy peborit ko din tong **Oh Tokyo!** pag nanonood ako nyan feeling ko nasa Japan ako saka kakaaliw yung girlalu dyan walang kakyeme kyeme sa katawan..... fave epi ko yung nasa tokyo disneyland sya tapos pinasakyan sa kanya lahat ng rides kaloka itsura nya after nya sumakay hilog talilog na masukasuka sya pero todo smile pa din ang lola 😊.....gusto ko din pag me tinitikman syang japanese food ang OA ng pagpuri nya sa food pero yung muka nya di maipinta 😊

^Dyake and Gabbyshoe: RMN is Radio Mindanao Network, tagline lang nila iyung "Radyo Mo Nationwide" based on the company's initials.

@dyake: Yup, nakakamiss rin iyung iyung Wowow...lalo kapag tuwing hatinggabi, r-rated movies iyung pinapalabas nila. Buti for the longest time na nasa line-up siya ng SkyCable ay hindi siya dinadale ng MTRCB.

Inggit rin ako sa kung paano sila magdub ng mga foreign shows, napaka-crisp, clear at exact iyung pagka-voice act nila habang nagsasalita iyung mga characters sa mga shows nila gaya ng CSI.

At siyempre, heto lang ata iyung tanging outlet na nakapaglabas sa'tin ng tuloy tuloy ng Interstella 5555 (iyung mga magkadugtong music video/sci fi movie featuring Daft Punk)

Oh yeah, I remember Wowow... the channel that becomes a sensation after dark. 😊 to be fair, i really miss ABS-CBN's friday night lineups... the cartoons followed by canned programming... Baywatch, Beverly Hills 90210 and Melrose Place. 😊

Spider-man the Animated Series, Digimon Season 1 Power Rangers, Beast Wars, etc. back when there was a reason for us to watch TV on a Friday.

I also remember GMA's programming prior to going local in the early 90s.

China Beach and Mission Impossible Among them.

dagdag ko lang yung pinakasikat na musical variety show pag Friday yung "VILMA" .... sino sino pa kaya mga buhay sa VIP dancers

Earliest memory of BH90210 for me is the opening title. Doon lang siya tumatak sa kinanung bata pa ako. Nung una napapanood ko naman siya pero habang tumatagal, hindi na ako maka-relate kasi nag-focus na sa isang show sa mga problemang pangmatanda nina Brandon (in short, di na siya PG-rated sa mga mata ko haha)

VIP dancers... Mula Vilma in Person noon hanggang noong natapos na ang "Vilma"... Sa buong show laging sumasayaw si Vilma! Tinawag ni EDU si Vilma, The Central Bank of GMA!

In 1995, GMA-7 foreign programming moved to Citynet TV-27 kasi puro locally-produced na ang mga programa, Ang tanging natitirang foreign programming ay ang Wipeout (na produced ng GMA) at yung mga asianovelas.

Dekada 80 pa eto.

naabutan ko na ito as a kid, pero hindi ko naalalang may "pinoy wrestling" noon until RJTV-29 replayed this show several times years ago...

may mga ilang clips na rin akong nakita nito sa youtube--some of the matches were even done at one of the ABS-CBN studios (back when PTV-4 still occupied a major part of the ABS-CBN compound)...nakakatawa at nakakatuwang panoorin kasi rip-off na rip-off talaga ng WWE (WWF, as it was called back in the '80s) ang dating...parang wala man lang totooong sakitang nangyayari and even the "canvas" bounces 'pag may na-knockdown. 🤔

kidding aside, it's an obscure television memory worth looking back and being amused at.

**<http://www.youtube.com/watch?v=nVzeD...eature=related>**

yup.

meron pala clips sa youtube, laban pa ni Max buwaya hehehe, san na kaya sila ngayon,

Pantapat yan sa All Star Professional Wrestling sa Channel 13. Pero ito lang ang pinoy na pinoy na wrestling show before the URCC founded.

oo, si joe pogi rin, pinoy ranger, tapos may roboto vs. macho franco pa. 🤖

tapos ang nickname ni lawin, "the birdman"...may isang clip yata sa youtube na biography niya kunyari, kung paano at saan daw siya lumaki...😄

ang commentator pala d'yan sa "pinoy wrestling", si johnny revilla (only brother of the beautiful revilla sisters, at asawa ni janet basco)...

I saw this... Yung Channel 47 pina-pagana na eh, question is... Nasaan na ang TV5 logo at parental guidance? at yung IBC-13 pinareplay nila sa primetime (6pm) slot ng mga old public affairs programs, Parang RETRO TV dati...

<http://www.youtube.com/watch?v=RirIVsub1EM>

Inside Story and the upcoming novelty artists (at that time)  
Ba't wala si Loren dito and why in the world is Marc Logan doing the VO?

1998 elections?

Marc Logan is also a favorite for ABS-CBN news team, Aside for VO for Inside Story and a Features reporter for TV Patrol, He believe he is the executive producer of Balita Alas Singko ng Umaga, a early morning newscast of ABS-CBN.

Bahaw: Ikalawang Hain revived via Lokomoko U, Aired on the new TV5.

up up up lang to..

*I also remember GMA's programming prior to going local in the early 90s.*

*China Beach and Mission Impossible Among them.*

Add to that, Knotts Landing in mid-80s.

Nabangit mo ang Knots Landing sa isang youtube video... Yung sa Penthouse Live

ang tagal n'yan sa GMA, hanggang early '90s inabot...that show became a monday night staple sa bahay namin noon, so much that, pagdating ng 9:00pm, tahimik talaga ang lahat ng mga "elders" (lalo na 'yung mga tita ko) at walang alisan sa harap ng TV.

kabisado ko rin tuloy 'yung instrumental opening theme nito. 😊

Sirloin, J5bata and others, pakihanap at pakibili nyo po ng copy ng GMA 60 Year Book na puro trivia... at ipost yung ilan sa thread na ito... 🤔

sali ako dito, 😊

batang **BATIBOT** ako, number one in my lists **Ora Engkantada**, minsan yung **Manok ni San Pedro** ni Lito Pimentel, maganda din po yun.

**That's Entertainment**, yes. and I'm a Thursday group fan.

saka **Ober de Bakod** nila janno at anjo, hilarious!

**Bioman**, saka si **Shaider** saka si **Voltes 5** na din

sa foreign drama naman,

**Mission Impossible-TV Series**, naabutan ko pa yata yung old version then later on yung mga anak na nila pero si Peter Graves nandun pa rin, palabas yun sa GMA pa dati.

**McGyver** din.

**Brigada Syete** ni Louie Beltran

Inaabangan ko din every saturday yung sa **Battle of the Brains** sa **RPN 9** ska kasunod yata nun **It's a Date**.

yun lang po muna

Brigada Siete is also one of the early favorites when i was a kid before.

yep, na inspire nga sana akong mag broadcaster nun kasi hanga ko talaga kay louie beltran(+), dont know why 😊

meron pa pala

**Ang Bagong Kampeon (or Tanghalan ng Kampeon?)** idol si Bert "Tawa" Marcelo, at "ang amoy pinipig" na linya nya for Pilita 😊

**Okay ka Fairy Ko** na si Alice Dixon ang Faye, yung mga sumunod na Faye di ko na masyadong natutukan na panoorin,

**Princess Sara** 🙄 kahit ilang replay yata nyan napanood ko na. hinahabol ko pang makauwi ng maaga sa klase, maabutan lang.

and syempre pa all-time-fave din ang **Eat Bulaga**, although di ko naman sya araw araw na

napapanood.

isip pa po ako. 🙄

**Ang Bagong Kampeon (or Tanghalan ng Kampeon?)** idol si Bert "Tawa" Marcelo, at "ang amoy pinipig" na linya nya for Pilita 🙄

actually, you're correct on both titles..."ang bagong kampeon" was the original show, aired on RPN...when hosts pilita corrales and bert "tawa" marcelo moved to GMA (along with the talent show's executive producer, wilma galvante--who, of course, would eventually be a GMA bigwig) in the late '80s, the show was retitled "tanghalan ng kampeon". 😊

RE. CUTE: yun ba ang first TV appearance o regular show nina Spanky at Val before TODAS? 😊

sa pagkakaalam ko (from what joey de leon in his philippine star column before), val sotto was already with tito, vic, joey and the APO sa "okey lang" (a gag/musical show aired on

IBC--prior to its being sold to the benedictos--in the early '70s)...not sure about spanky rigor, though.

i think that "CUTE" could also be the direct predecessor of "TODAS" (kahit na medyo magkaiba ng format ang dalawa), given that 1) both shows aired on wednesdays at 7:30pm, and 2) val and spanky were on both shows...

ay oo nga pala!

Okey lang yung very first TV show ni Val (along w/ Tito & Vic Sotto).

i remember base sa kuwento ni Joey, kung sumunod alng sana si Val sa mga kapatid niya sa Discorama, dapat Tito, Val, Vic & Joey ang tawag sa kanila even up to now. o maaaring iba ang pangalan nila ngayon. pero history na nga ang pamamayagpag nila eh TVJ na nga ang tumatak sa Philippine Entertainment

d, where do you get these? 😊

I remember my 90s sunday nights... batang RPN ako.

7:00 Alf

7:30 Perfect Strangers

8:00 Rescue 911

may mga natiyempuhan akong nagbebenta ng lumang TV magazines (TV times 'yung pangalan ng mag) sa ebay philippines. 😊 e ayun, sakto, p'wede silang mag-ship internationally, so there, namakyaw ako over the last month. 🙏

ah... ang galing! 🤖

Not exactly a late night show per se but I think I remember a locally channel used to air if I'm not mistaken that talk show hosted by Regis Philbin

@sirloin\_steak: Nice pics you got there.

Pansin ko rin sa mga lumang Tagalog ads, bukod sa hilig nila noon na gumamit ng malalim na pananagalog sa mga TV ads nila noon, pati iyung pag-aannounce ng oras ng palabas, may counterpart din siya sa wikang pambansa (i.e. N.U./Ng Umaga, N.H./Ng Hapon, N.G./Ng Gabi)

TV networks nowadays seldom place them on promos of their shows instead of the usual A.M./P.M. (especially on weekends) however their network V.O.s and a few TV personalities still use those old terms verbally.

(Sorry if medyo nakakalito sulat ko dito hehe)  
Pansin ko iyung mga Tagalog ads

thank you. and i would **greatly** appreciate it **IF PEOPLE WOULD ASK FOR PERMISSION TO POST THOSE PICS/SCANS SOMEWHERE ELSE, LIKE, SAY, ON FACEBOOK, BEFORE DOING SO.** kahit 'yung sa posts ko na lang.

seriously, i hope some people here learn to **give credit where credit is due.** 'yung mga magazine na 'yun where my scans came from, pera at oras din ang ipinuhunan sa pangongolekta n'yan.

'yun lang. now back to regular programming. 😊

After 5 years of not being able to watch the ending of Krystala, nakita ko na rin ito sa wakas, thanks to the power of Youtube: <http://www.youtube.com/watch?v=g2LIN5KBWdU>

Not exactly an old TV fare but worth posting it anyway.

Didn't know until I saw this a while ago that VST and Co.'s "Tayo'y Magsayawan" had a music video. This is just plain cool, especially the quality of the entire vid: <http://www.youtube.com/watch?v=z6lyPS4HNgE>

that's actually not a music video, but a part of the movie, "rock, baby, rock" starring vilma santos...tito, vic and joey and VST were part of the supporting cast.

*thank you. and i would **greatly** appreciate it **IF PEOPLE WOULD ASK FOR PERMISSION TO POST THOSE PICS/SCANS SOMEWHERE ELSE, LIKE, SAY, ON FACEBOOK, BEFORE DOING SO.** kahit 'yung sa posts ko na lang.*

@sirloin\_steak: Movie? Ooh, so that explains why it was shot like that.

Found this yesterday on Youtube, GMA's own Youtube channel. Hindi pa ganon karami ang content nila in terms of shows and many of them have originally aired in the past half decade (2004 onwards).

The oldest series the channel have to date is Mulwain. Check it out: <http://www.youtube.com/user/igma#g/p>

up up up!!!! 😊

up up up for more memories 😊

up up up up up!

*Aynaku Gabbyshoe.*

*By the way, what's the name of the theme song of Mommy Academy sa ABC-5?*

yung tenennen... tenenenenten... hindi ko alam talaga

*the break, the station aired its 50th anniversary plug, in classic RPN fashion.*

*Some of the shows they featured:*

*"Marimar"*

*"Maria la del Barrio"*

*"Luz Clarita"*

*"Davao"*

*"Cebu"*

*"Champoy"*

*"Buddy en Sol"*

*"John and Marsha" among others.*

Sana i-air ulit ang mga tv shows na ito as part of RPN-9's Golden Jubilee celebration. Dami din cartoons sa RPN before like "Tiger Shark" and game shows like "The Price is Right" hosted by Bob Barker. 😊

'yung "tiger sharks", that was actually a "mini-cartoon series" part of a bigger show called "comic strip"...tatlong iba pang mini-cartoon series 'yung kasama ng "tiger sharks" na para bang iba-ibang genre ang nire-represent--"street frogs" (musical), "karate kat" (action/comedy) and another one whose name i can't remember--"mini-monsters" yata (horror/comedy)...yung "tiger sharks" naman, action...tapos may dalawang mini-cartoons alternating in a 30-minute episode...

Ako, I miss watching "The Smurfs"

*Welcome to Smurf land, welcome every one!*

*To a land of happiness, to a land of fun..*

*Smurf land is wonderful, such a lovely place...*

*Onga naalala ko yun comic strip cartoon series sa RPN-9 before. 😊*

ako naman, paborito ko 'yung "karate kat" 'tsaka 'yung "street frogs"...

ay, eto pa...bago matapos 'yung "comic strip", meron palaging mini-feature pa about the environment/wildlife called "wet, wild and woolies". 🤔

Hay, Intro of Manilyn Live!

By the way, ano yung theme song ng "Click" na yung lyrics eh, "na na na na na...."?  
Foreign song yun FYI.

Are you referring to "I'll Be There for You" by The Moffatts?

Not that.

It was released from the 80's.

Ano papalit dito?

"**IBA-BALITA**" ang papalit sa NEWS CENTRAL starting Monday, October 4, 2010 anchored by Anthony Taberna.... RIP News Central (1998-2010)... 🤔

Ugh, I miss the old Studio 23. After seeing the official S23 thread in IMTV, the Studio 23 gone masa, seriously.

By the way, I'd like to share the theme song of Breakfast, one of my timeless S23 favorites (the song itself is my favorite, and prior to writing the lyrics, I just remember the first two lines):

*"Good morning (3x)*

*Wake up, wake up, it's a brand new day,  
Something's good is coming your way,  
We've got everything you need to know,  
Check out the gang on the Breakfast show,*

*We 'll tell you the news and share the views  
Business and options you need to choose  
Movies, fashion, and the arts scene  
Entertainment and everything in between*

*Wake up, wake up, it's a brand new day,  
Something's good is coming your way,  
We've got everything that's why we say  
Check out the gang on the Breakfast today,*

*Living in and around  
Feeling alright  
Fitness tips and sports highlights  
Traffic reports will ease you right  
Like a good cup of coffee that will make you smile*

*Wake up, wake up, it's a brand new day,  
Something's good is coming your way,  
We've got everything that's why we say  
Check out the gang on the Breakfast today,"*

how can you reminisce about something that you didn't actually live through or experience?

that is all for now. thank you. 😊

Naaalala ko pa nun

nung medyo bata pa ako

Medyo sikat pa ang channel 13 nun Viva pa yun nun.

Tapos ang dami nilang palabas na anime. Dun nga ako unang nakanood ng anime at naadik ng husto sa mga anime.

Tapos gamit nila yung kantang "(Let's get) physical" nun hehe parang station I.D nila yun nun. Gustong-gusto ko talaga yun pag pinaptalastas na nila.

Tapos pinaka una kong napanood eh voltes V, time quest, tapos dun ko din napanood yung mga Super Sentai hehe gaya ng mask man tapos mask rider black hehe. Sa Channel 13 din pala unang pinalabas ang Ghost fighter. Hayzz

ewan ko kung anong nangyari biglang lumubog yung channel 13 ...

Tapos naunso naman yung mga classic na anime.

SArang ang munting prinsesa.. Sinubaybayan namin nila mama pati mga kapit bahay namin.. parang telenovela hehe

Madaming pinalabas na classic na anime ang abs-cbn nun eh ^\_6

Nung panahon na yun wala pa akong alam sa network war lol hehe

Tapos napanood ko Sailor Moon sa channel 5 naman sobrang nauso lagi kami nag-lalaro nun  
^\_^

Saka yung Mr.Bean hehe sa abc5 ko din yun unang napanood at sumikat din, panay ang arkila nila papa nun ng bala ng VHS para mapanood si Mr.Bean hehe.

Hindi pa ako \*\*\*\*\* mahilig nun sa telenovela eh.

Tapos paglipat namin ng channel napanood naman namin ang Marimar sa Channel 9 , yun din sobrang naadik din kami dun.

Kaya nga ng nagkaaso kami pinangalanan kong folgoso hehe.

Simula nun nauso na ang mexicanovela. Madaming ganun sa RPN 9 nun. At magaganda din naman kaya lang di ko na nasubaybayan ang iba.Kasi umalis kami.

Tapos pagbalik namin GMA 7 naman ang bumabawi nun. Pinalabas ulit nila yung Ghost Fighter na sobrang nag-hit.

Nagkaron sila ng iba pang anime,

Favorite ko rin ang cool ka lang nun , kung saan una kong nakita si DAGul hehe.

Nagkaron sila ng Anime resurrection. Sa kanila ako unang nakanood ng AMV. Gumawa sila ng AMV ng mga anime nila tapos pinapatalastas nila. Ang ginamit nilang song eh " Standing at the edge of the earth"

Na naging favorite ko. Pang laban nila sa prime time nun eh anime. Araw-araw iba-ibang anime.

Sobrang nag-hit naman din ang Dragon Ball grabeh ang daming tao sa bahay namin pag yun na ang palabas haha.

pwede din ba tv memories yun nahulog si Kris Aquino sa stage ng GMA Supershow? kasama nya si rene requestas kumakanta promo yata ng Pido Dida tapos tumapak sya dun sa tela na akala nya yata may hagdan or platform, bigla syang nahulog 🤖

*i love breakfast. namimiss ko na.*

*yeah mas gusto ko pa yung dating studio23*

*gusto ko din yung points of view ba yun?*

*yung kasama si mo twister, mari kaimo and yung isang babae.*

dalawa ang babaeng co-host d'yan, actually--sina jessica zafra and cher calvin. 😊

dong puno was also one of the original hosts ng POV, if i remember right...incidentally, his first-ever TV show was entitled "viewpoint" naman. 😊

wowowee!~ .....

Remember those old Yakult TV ads in the 90's...Lagi ko sila naabutan sa IBC noon tuwing commercial break ng Masked Rider Black. Sakto rin kasi may pagka-Japanese feel iyung ad non ng Yakult na complimentary sa sponsor nito na show that time.

Siyempre, timeless din ang pagpito nila ng Yakult tune. 🌐😊

Hay, the thread is finally back.

LOL, I remember the old TVP.

Kahapon (Sunday) pinalabas sa Paparazzi ng TV5 ang isang plug tungkol sa panggagaya ng TV shows which they said na maraming TV shows ang kinopya sa ilang shows ng nakaraang ABC 5. Some of which are Eezy Dancing (na kinopya daw ng ABS CBN), Sing Galing (which kinopya daw ng GMA as K! The 1 Million Videoke Challenge), Tropang Trumpo (which was copied by GMA as Bubble Gang), TV5's Talentadong Pinoy, and Wow Mali/Wow Meganon (copied as Laugh Out Loud ng ABS CBN).

Hindi na ata masyadong active ang thread na ito.

Anyway, looks like the concept of That's Entertainment is back on Philippine TV via Shoutout on ABS-CBN (same timeslot, same concept of daily groupings, same concept of being a teen variety show).

I remember 10 years ago, GMA was at the height of its popularity as being the one and only terrestrial home of Pokemon. I was wondering back then why 7 canceled season 1 midway although eventually I came to understand that GMA was in the process of expanding their primetime soap block past 7:30pm.

When they brought it back due to "popular demand", they had it moved to Saturday mornings which I guess didn't caught on with viewers (Eventually the craze became limited to those who have access to cable where the show lived on in Cartoon Network).

GMA Films rin ba iyung nagdistribute sa theatrical release ng Pokemon noon? Anyway, may nakita akong clip na siuradong magugustuhan niyo: [Pokemon Season 1 Theme Song \(Movie Version\)](#)

pinapanood ko nung bata ako:

annaluna  
shaider  
valiente

Pinalabas pala nung isang buwan iyung docu tungkol sa Myx para 10th anniversary nila. I missed it though but good thing ima-marathon daw ito ng channel this month.

I was able to catch the 5th Anniversary special they had back in the day presented by Luchi Cruz Valdez so it's going to be interesting on how they're going to tell the 10-year history of MYX (in 5 installments). 🇹🇼

Ipapalabas na sa Dec. 25 iyung 4th installment ng Ang Tanging Ina franchise...Sakto may nakita akong Christmas episode ng TV series, enjoy!

### Theme Song

Guys/Gals, does anyone know where Joey Palomar is? Last time I saw him was 2 years ago, once at Macro Sucat and the other was in Alabang Town Center

Sana more kwentos sa City2 television, Channel 2 noon early 80s, di ko lang maalala mga old films pinapalabas nila during the unholy hours of 2am in the morning, patagalan sila ng GMA-7 on who will go off the air first, para 24 hours pa nga TV programming noon.

here's a classic BBC-2 show, unang kalaban ng That's Entertainment, The Big Big Show ng City2, bago ang Ang TV ng ABS-CBN.

yan ang tumapat sa Primetime Anime series ng GMA during that year. palabas pa noon ang Voltes V, Mazinger Z, Daimos, Getta Robo... 🤖

noong bata pa ako, nanood lang ako ng TANG-TARANG-TANG sa ABS-CBN noong nasa Bicol pa ako. isa din ako sa mga nanonood ng John and Marsha, Vilma at Superstar.

remember the old sign-on/sign-off of RPN 9.... parang sa Tandang Sora sila noong araw yung tower nila.

noong 80s at 90s tumigil ako sa panood ng TV dahil nagtratabaho pa ako sa Fairmart

ngayon, isa sa mga masugid na nanood ng mga programa sa tatlong malaking networks; last time kong bumisita sa Channel 13 noong last sunday.

Kung di lang umusbong yang PNTV na yan, malamang buhay pa 'tong thread na ito.

Amaya pilot ep

not long time ago but still love to re-watch the pilot!

# Other stars of Mara Clara

Because they are the two main protagonists in the drama series, it is understandable that among the cast of the top-rated ABS-CBN Channel 2 soap *Mara Clara*, Judy Ann Santos (as Mara) and Gladys Reyes (Clara) are the standouts.

But, of course, there are many other stars/

characters whose presence contributes a great deal to the immense popularity of *Mara Clara* which will soon be seen on the big screen, written and directed by Emil Cruz, Jr.

Besides Judy Ann and Gladys, the other *Mara Clara* mainstays are William Martinez (replacing the late Eruel Tongco),

Wowie de Guzman, Susan Africa, Juan Rodrigo, Beverly Vergel, Lani Santos (one-time soap superstar), Dan Fernandez, Christopher Roxas, Paulo Contis and Eagle.

They are the people who help make *Mara Clara* the colorful soap that it is, contributing to

every dramatic twist and turn in every episode followed with hated breath by people from Aparri to Jolo.

Wowie plays Christian, the guy torn between Mara and Clara. Together with Judy Ann and Gladys, Wowie has starred in two movies, both hits, namely *Sana Naman* and *Kung Alam Mo Lang*. *Mara Clara*, *The Movie* is their third outing together.

William plays Gary, the jilted man who started the whole mess by switching the infants Mara and Clara at the nursery to get back at his former girlfriend who married somebody else.

Susan plays Susan, wife of Gary, who gave birth to twin girls, one of them Gary switches with the daughter of his former girlfriend.

Juan plays Amante, the husband of Gary's former girlfriend played by Beverly who didn't realize until much later that the daughter she and Juan thought was their own was somebody else's daughter.

Lani plays the other woman of Gary, who sticks to Gary through thick and thin, supporting him in whatever he does.

Dan is Kardo, the friend asked by Gary to

panahon ni Judy Ann at Gladys.

childhood memories 🍷

2 sa paborito kong videoke-inspired game shows noon:

1. Sing-Galing (TV5/ABC5)

Allan K. and Kristine Florendo, then later Allan with Ai-Ai delas Alas. Record holder nito was Ethel Gabison, AKA Ethel Booba. If my memory serves me right, 15 consecutive Saturdays (3 months) siyang weekly champion, then eventually naalis kasi namali yata sa lyrics. Ang hindi ko makakalimutan dito yung "Build Me Up Buttercup" na favorite song nung dalawa, na kinakanta either sa opening o closing credits.

2. All Star K (GMA7)

Ang inaabangan ko sa kanila every Sunday night dati, kahit sobrang late na. Originally hosted by Arnel Ignacio, then later on Allan K (nung matapos ang Sing Galing) with Jaya. Nagsimula sa "K": The P1M Videoke Challenge", tapos ginawang "All Star K". Pinagkaiba lang nito sa SG eh nakatakip yung words na kailangang hulaan nung contestant.

Pero ang challenging dito yung sa final round, na kailangang makanta nang maayos yung mystery line, lines, or verses (usually nasa bridge part ng kanta).

Sana i-revive ang mga ito, kaso konti na lang ang nakaka-appreciate ng Videoke/Karaoke ngayon eh. All Star K can be hosted again by Allan and Jaya, or si Boobay with another singer-actor, pwede rin. Sa Sing Galing, pwede si Ethel. kaso baka "magkalat" lang siya dun eh.

Na-miss ko ring mag-post dito. 😊

*Dahil napapanahon:*

**MGB Halloween Special** with host Noli de Castro na nasa parang set ng sementeryo at biglang mawawala pag tapos na ang show.

Nakaka-miss talaga ito! Sana kahit hindi na ibalik yung MGB ni Noli, gumawa lang siya tuwing November ng 'Halloween special', kerì na akez! 😊

Eto pa isa:

Citynet 27, the former UHF channel of GMA7 during the early 90s. Kasabayan ito ng the former Studio 23.

The channel usually signed on in the afternoon, then like other channels, signed off in the evening. Dito nilipat ng GMA yung mga dati nilang American comedies and dramas na pinapalabas nila from the 70s to the early 90s, ie, The Wonder Years, Knots Landing, and even 21 Jump Street (starring a very young Johnny Depp).

And they also had their own late night English newscasts, ala The World Tonight.

But one of my fondest memories of the channel is that they were the first UHF Channel to broadcast the NBA games live. They would sign on around 10am, air the games until 12 noon or 1pm, sign off, then sign on again at 4pm. May contest pa nga sila, where winners can fly to the US to watch the games live. Kailangan lang sagutan yung questions sa coupon na nasa newspaper. May commercial pa nga nun featuring Vanna Vanna (yung kumanta ng "He Loves Me").

And if my memory serves me right, ang nag-anchor yata ng NBA games were Bill Velasco (their in house sportscaster) and Mymy Davao (kapatid ata ni Ricky Davao).

Then after a couple of years, they were forced to switched to an MTV type channel, then eventually the Philippine franchiser of Channel V (sino pa nakaka-kilala dito kay Joey Mead?), then eventually, nagsara na lang.

Sayang lang at hindi sila naka-sabay sa competition, especially Studio 23, lalo na't dumarami na mga UHF channel that time (SBN 21, RJTV 29, etc).

P.S. I hope there won't be any comments of network-war-related stuff about this post just because I mentioned GMA. Peace

Another TV memory, IBC-13's attempt in making their own "noontime" variety show. Nabanggit ko to sa isang thread sa BP, yung "Ang Ganda ng Channel 13 Noon":

- Lunchbreak: Dang Cruz, Joy Viado, etc.
- Chowtime Na: Angelica Jones, Marissa Sanchez, Bobby Yan, Mike Chan, Hyubs Azarcon, etc
- Chowtime Na, Laban Na: reformat. Naiwan si Angelica, pumalit sina Philip Lazaro tsaka si Onemig Bondoc.

Kaya lang, parehong hindi tumagal. Na-interview pa nga si Angelica noon sa Startalk, expressing her disappointment kay Onemig. Nagkaroon yata ng conflict between the two of them. Hindi ko na nga lang alam kung nag-reformat pa uli sila o kung last na yun.

Ang isa pang mali ng IBC eh yung oras. "Lunchbreak" tsaka "Chowtime" ang title, pero ang timeslot eh 11am? Hello, sino ba naman ang nanananghalian na sa ganoong kaagang oras? Kung ginawa nilang alas-12 eksakto yan, baka nag-rate pa. At marahil eh konti din ang ads na pumapasok. Sabagay, kung ako si advertiser, bakit ako magtitiyaga sa IBC-13 di ba?

- IBC 13's **Sic 'O Clock News** and ABC 5's **Ispup**
- ABC 5's **Music Bureau**

Who remembers this moment from K! The P1,000,000.00 Videoke Challenge?: There are no A-Libis-City!!!! (There was a contestant who pronounced alibis as uh-lybis and then added city to alibis.)

*naabutan ko pa yung Ang TV na "2:30 na, Ang TV na!" era na, tapos sumunod ata yung Ikaw at ang Batas. 2 1/2 years old lang ako noon.. Tapos yung ibang nasa Ang TV, umappear din sa SineSkwela, Hirayamanawari at Bayani, tama?*

Does that mean you were born in 1993 or 1994?

How do you remember TV shows you saw when you were 2 so well? Admittedly, I remember quite a lot of things from when I was a toddler, but my memories of local television from the late '90s are not that clear. (It was during that era when I was a toddler.)

What show was this?: Isa itong horror na palabas sa ABS-CBN. I remember watching an episode of it in 2002 or 2003 kung saan may scene na binigyan ang isang bata na spaghetti na may muriatic acid. Hindi namatay ang bata, pero tinaunt pa rin siya by being taken to a cemetery as if to say, "Here is where you'll be in the future."

**Filipino movie blocks** aired on the **afternoons** on **RPN-9** after **Eat Bulaga!** (and later, after **Heredero**):

- Sine sa 9 (Monday)
- True Confessions Ng Mga Bituin (Tuesday)
- Dalisay Theater (Wednesday)
- Sinag sa 9 (Thursday)
- Pamana Espesyal (Friday)

It's a shame that the present-day UNTV never mentioned it in their history, by insisting that the channel was launched in 2004, much to the dismay of Tado's fans.

*Isang malaking kalapastanganan yan kay Tado..sila ang bumuhay sa UNTV dati..nakakamis yung epic na kotseng kuba nila pag aalis sila..🇹🇼*

I remember counting the days of the week. My friends and I were very excited as Fridays drew nearer and that's because we got to watch the **Uncanny X-Men** over ABS-CBN. This animated series was too epic, and it made me an X-Men fan up to this day! Oh, I love the "Phoenix Saga" and the "Dark Phoenix Saga" arcs!

*Isang malaking kalapastanganan yan kay Tado..sila ang bumuhay sa UNTV dati..nakakamis yung epic na kotseng kuba nila pag aalis sila..🇹🇼*

Asa pa tayong babanggitin yun. Eh di nagwala sina Eli Soriano, Daniel Razon at ang brethren ng Ang Dating Daan. Ang totoong pronunciation naman talaga ng UNTV is "uhn-tee-vee". Ibig sabihin, not your regular television. Ginawa nila yun to complement their radio counterpart which was NU107.

Nung mag take over ang ADD, pinalitan nila yung pronunciation to " yoo-en-tee-vee".

Para sa akin ang mas malaking kalapastanganan eh nang babuyin nila yung legacy ng 107.5. Kung halimbawa marami lang akong pera, bibilhin ko ang 107.5 at ang Channel 37 at ibabalik kay Atom Henares tapos GOODBYE ADD. Para maibalik ang glory days ng UNTV as a music channel at NU107

This was how Martial Law television was like back then. Imagine showing Batman at 6:30PM, which today, is considered the most primetime (expensive) hour in PHL television.

Then you have public service programs like Damayan (starring Rosa Rosal) and Kapwa Ko, Mahal Ko (Orly Mercado) shown at 6PM.

Too bad the next page wasn't included in the scanned photo. We could have seen the shows aired during the evening slot. The news was normally at 7PM (Newswatch, News at 7, IBC Balita, etc) with familiar faces like Bong Lapira, Tina Monzon-Palma, Harry Gasser, Frankie Evangelista, Lee Andres, Raffy Pedroche and Frankie Abao, Jr. as the personalities. Loren Legarda, Thelma Aranda, Ninez Cacho-Olivares, etc. came in much after to backstop Gasser at Newswatch.

Canned foreign programs were normally aired on GMA and RPN after the newscast. IBC aired old Filipino movies (Piling Piling Pelikula) or drama programs while BBC also had its share of Filipino telenovelas. MBS-4, the government network, aired the PBA games.

At 10:30PM, the news was back on air, at least for GMA and RPN. By 12MN, the stations went off the air.

Actually, IBC-13's evening newscast was titled "Newsday," which aired from 1975 to 1986. Following its cancellation, "Newsday" was replaced by "Balita sa IBC."

Meanwhile, we could say in the end that GMA had the monopoly of acquiring American TV shows for its line-up.

TRIVIA: According to that TV Times issue, GMA aired a 5-minute game show called "Lucky Break," sponsored by Philip Morris Menthols. It aired Mondays-Fridays at 7:25-7:30 p.m.

Not really monopoly, but yes, they did acquire the best TV shows from the 3 major networks in the USA back then (CBS, NBC, ABC). But the other networks had their own, notably RPN 9 which had "Six Million Dollar Man," "The Gemini Man," "The Bionic Woman," "Happy Days," "Diff'rent Strokes," "Fantasy Island," "The Waltons," "Dallas," "Hawaii Five-O," "Wonder Woman," etc.

IBC also had "Man From Atlantis" starring Patrick Duffy, although they showed more Filipino

movies back then (Piling Piling Pelikula). BBC 2 had several local shows like Manila Files, Prt Foul, Ang Makulay Na Daigdig Ni Nora, among others...

So, at least, there was fair competition on the acquiring and airing of American TV shows. IBC-13's excessive emphasis on Pinoy TV shows and movies must be the reason why it adopted the slogan "BPT: Basta Pinoy sa Trese," which was their last relevant slogan prior to the infamous sequestration.

Speaking of BBC-2, I read from a June 14, 1984 issue of Movie Flash Magazine's TV Connection section (by BCMatignas) that despite frantic efforts to improve programming, BBC-2, by then called "City 2," was a poor performer, because the signal quality was a problem. According to viewers being interviewed by the author, they can only receive City 2 from a bit-clear signal in Pasay, while those residing in Alabang, Muntinlupa, and Cavite complained that City 2 could totally not be received. This became the reason why "Okey Sha!" was cancelled, while Inday Badiday's programs were forced to move to IBC-13, since the latter has stronger signal. You may read more about this in <http://pelikulaatbp.blogspot.com/201...survey-tv.html>

*mapunta lang ako sa commercials uli...*

*i suddenly remembered how unilever/PRC tried to revive the pepsodent toothpaste brand twice in the '90s...of course, a lot of '80s kids would probably remember only mercado as endorser/"man-on-the-street" interviewer for the product back in the day--as well as the words, "lasang bebel gum"...*

*but in the '90s, when pepsodent was relaunched, they first had robert jaworski (then the playing coach for the la tondena franchise) and his son ryan (who would figure out in a shooting incident years later) as endorsers..."sa bisa, sa lasa, unbeatable!" was their tagline back then.*

*a couple of years later, though, the brand was given another relaunch...unilever perhaps wanted to target the kids for that, as they got a young paolo contis (he was already doing "ang tv" and "oki doki doc" by then) to do a series of pepsodent commercials about bad "animal-looking" smiles ("ngiting tsonggo," "ngiting aso", etc.) and how brushing with pepsodent can supposedly avoid these...*

*but of course, we haven't really found pepsodent in grocery shelves for a loooooooooong time now...*

Only Mercado is now on FM radio, Radyo Singko every morning at 6.

*naku, 'di ko naabutan 'yan, although i did read about that before...i was most likely born already when mel tiangco was with channel 4, pero nung una ko siyang napanood, nasa "tv patrol" na siya...*

*speaking of weather reports...ang naabutan ko na sa channel 4 doing the weather ay si*

*nanette lomarda at nathaniel cruz (who now makes some special appearances sa GMA newscasts 'pag may mga matitinding weather conditions)...PTV was, perhaps, the only station to use the term "weather specialist" to intro their weathercasters...at impyernes, at that time (mga early '90s yun), sa malaking board na sila nagwe-weather... 🌤️*

*coincidentally, ang channel 4 noon, nasa ABS-CBN broadcast center for the longest time (until the early '90s, when they moved to visayas avenue just beside the philippine information agency)...the channel 4 frequency kasi used to be owned by ABS-CBN until marcos closed it down and seized the network from the lopezes...and after EDSA, channel 2 lang ang ibinalik na TV frequency ng aquino government sa mga lopezes...*

*ang nangyari kasi d'yan noon was, in 1969, when the old RPN wanted to have a manila tv station, hindi ma-accommodate...the frequencies being used were channels 3 (ABS-CBN), 5 (ABC--then under the manila times, owned by don chino roces), 7 (RBS--then under the late bob stewart), 9 (ABS-CBN), 11 (MBC--'yung may-ari ng DZRH) and 13 (IBC--then under RMN and the sorianos, former owners ng san miguel)...ABS gave the channel 9 frequency to RPN (then owned by roberto benedicto, one of marcos' cronies), and sold to them the old ABS building in roxas boulevard (because at that time, ABS-CBN had already moved to the broadcast center in QC)...all shows airing on channels 3 and 9 back then moved to channels 2 (which they still use) and 4, respectively...*

Nathaniel "Mang Tani" Cruz now does Facebook live weather updates on the GMA News Facebook page aside from his weather reports on Unang Hirit and 24 Oras.

*2011 bumalik pa ata si Angelo Castro Jr. sa pag-anchor sa The World Tonight. In 2012 he eventually died of (I forgot)... Prior to that, his wife, June Keithley was interviewed. She eventually lost her battle to cancer (I also couldn't remember exactly when).*

Angelo Castro Jr. died of lung cancer. His son Diego now does the news for UNTV using the name Angelo Castro III.

Gone are the days when you could instantly change channels due to variety of good programs in different tv networks. I remember in late 90's-early 00's, buhay na buhay ang ibc-13 rpn 9 at abc-5. Wala pa masyado network war nun. Abc-5 used to air american tv series like f.r.i.e.n.d.s, baywatch etc. Sa rpn 9 naman mexican telenovelas plus few american series also... sa ibc-13 naman mga sentai at iilang educational shows...

TV5 is now more into sports and Tagalized American shows

Baywatch was shown on ABS.

nakakalungkot na halos patay na ang IBC 13.

channel 9 ngayon is purely news channel na din kaso iba pa din na sila yung alternate ng enteratinment programming dati.

But you have to admire CNN Ch 9 for being a true alternative to the other channels that have sensationalized news.

I hope Sec. Andanar starts prioritizing the sale of IBC.

*Baywatch was shown on ABS.*

Parang di ko naabutan na pinalabas din sa abs. Early 90s ba? Late 90's na kasi naaalala ko 😊

I remember din pinapanood namin ang sing galing sa abc 5. Didn't know na parang hawig \*\*\* sa format ng TNT. This I realized sa kakapanood ng TNT sa it's showtime hehehe

Watching tv was more fun and better back then. We had a lot of choices 😊

Baywatch was shown on ABS in the early 90s. It's being aired now on Jeepney TV.

A movie version starring Dwayne "The Rock" Johnson will be shown in US theaters next year.

Sing Galing was more like All Star K.

*Watching tv was more fun and better back then. We had a lot of choices 😊*

And no network rivalry.

Early 90s sa ABS-CBN ang Baywatch pero noong nagkaisip ako mas naalala ko ang stint niya sa Studio 23 na nga. 😊

*Sing Galing was more like All Star K.*

Nope. All Star K's format was completely different. Only one of the hosts was retained (allan k). If my memory serves me right, may 7 yata na na contestants sa ALK tas may mga missing lyrics each song in each round.

Sa SG may gong-gong din. Weekly champion (coz it was a weekly show). May 3 contestants then the daily winner would be up against the defending champion. I remember leah (the voice ph, season 2) became the 1st champion sa grand finals. Ethel booba was also a defending champ for more than 10 weeks 😊

i guess i've explained it too long for your short statement 😊 ... Wala lang, namimiss ko sing galing hahaha

Sorry. Double post

Studio 23 began airing in 1996.

Sing Galing and All Star K both featured celebrity contestants. That's perhaps the only thing they had in common.

nakakamiss ang english news sa pinas ... ginagawa yan dati ni mel tiangco noong nasa ptv4 pa sya nagbabalita

CNN is the only free TV channel with continuous English news although PTV and UNTV also have English newscasts

Meron din sa anc

**nung panahon ni makoy puro english news reporting talaga sa gma7 noon ni tina monzon palma , ibc 13 ni ka kiko at bingo lacson, newswatch ni harry gasser at sa ptv4 pa ni dada lorenzana sa bbc 2 lang ang tagalog noon na bbc balita ni paul lacanilao**

*Does that mean you were born in 1993 or 1994?*

Late 1993 to be more exact.

RIP Ms. Joy Viado. One of the finest comediennes in the country. Naging host pa siya ng isang noontime show sa IBC-13 noong araw...

TV Shows like 5 and UP and Chikiting Patrol!

Everynight after ng Front Page ni Tita Mel puro Anime!

Magandang Tanghali on RPN-9

*from the stuff i read before, i gathered that among the programs he had on KBS/RPN included: a singing contest called "tuklas" (this was actually a "rehashed" version of ABS-CBN's "tawag ng tanghalan", which navarro himself hosted prior to martial law--minana niya ang pioneering tv/radio talent search mula sa mga namayapang komedyanteng sina lopito at patsy), the radio-tv simulcast "newswatch pilipino edition" (aired during the morning hours--he anchored from the studio of RPN's manila AM station, DWWW, where he was the morning anchor well for much of the '80s until the station's frequency [630khz] was given [or given back] to ABS-CBN), **a short-lived mid-'70s noontime show called "magandang tanghali" (which ran against a revived "student canteen" on GMA...but no relation to the ABS-CBN noontime show of the same title hosted by pancho magalona)** and a sitcom called "ayos lang, pare ko".*

Speaking of Magandang Tanghali (the RPN version), after it was cancelled sometime in 1977 due to low ratings, **the show was replaced by the transitional movie block By Popular Demand**, which showed replays of some of your favorite Hollywood movies, and, later on that year, **Return Engagement, a block which featured reruns of some TV specials**, such as a Paul McCartney special where he sang Live and Let Die live with explosions (as remembered by a 1970's to 80's televiewer). I base these info from 1976-78 TV Times issues which I saw early this year in a library. Seems like RPN-9 gave up by then on producing a noontime variety show for weekdays after enduring frustrations on low ratings of their previous noontime shows, until the zany trio of TVJ gave RPN-9 some glimmer of hope.

Speaking of the show that would definitely change RPN's fortunes on weekday noontime for good, here's a must-read Inquirer Business article about it and how it "dished" out surprising lessons for business: <http://business.inquirer.net/219332/...s-for-business>

Yung mala - Battle of the Brains ng RPN, para sa mga students talaga ... tapos pwede namang mala - Gobingo naman pang test sa General Information sa mga adults ...

Nakaka miss din ang mga tagalized na mexican novela, sample -Thalia's soap opera, pero bakit naman pati American series tagalized na? 🤔 ... nakita ko yata yung TWD ... tagalized sa ABC5??

## True or False, IBC-13

**True or False - IBC-13's former Saturday afternoon talk-cum-variety show hosted by Inday Badiday, ca. 1985.**

**TV times would have probably folded up by the time i was born...but i managed to have salvaged some copies of it (from 1978) at my lola's ancestral home in laguna, and kept them (although as it turned out, kasama pala yun sa magazine collection ko na naiwan ko sa 'pinas)...plus, isa 'yun sa mga hinahanap kong bound magazines sa filipiniana periodicals section ng national library, where i would go to on a whim back in college (basta maraming**

*free time...haha!)*...

*i loved reading the mag not just for the skeds, but because of the network ads on them...of course, pinakamaraming ads doon ang broadcast city stations (BBC/RPN/IBC) and GMA...*

TV Times Magazine folded up because, according to an article in Philippine Panorama dated 1985, TV Times' publisher, Quad Publications (owned by the late Rod Reyes who was also the publisher of Celebrity, a fortnightly magazine which also folded up for the same reason), suffered losses of more than ₱1 million "and had to be closed down in 1984." If I remember correctly, TV Times' last issue came out on August 12, 1984. By then, they were already a fortnightly magazine, and it has been that way since their December 25, 1983 issue.

Nakakamiss \*\*\* birch tree ni kuya germs

I missed posting in this thread!

### The IBC-13 We Enjoyed Before

I saw these pictures noon pang last January 2015, but I only got to post them now.

**T.O.D.A.S.**  
made itself felt  
on its premiere special...

**NOW...**

**THE WEEKLY SERIES !**

**T.O.D.A.S.**

**STARTING TONIGHT**  
and every Wednesday night  
**at 7:30...**

The outrageously delightful comedy hour  
to make Channel 13 truly an enjoyable  
channel to watch !

Of course, when you say IBC-13, who would forget **T.O.D.A.S.**, which starred the zany duo of TVJ? Considered as one of the Filipinos' favorite local comedy shows during the regimes of Marcos and Cory, this was replayed around 2003-04, and again in 2014, over IBC's throwback block Retro TV, hosted by Drew Arellano.

Miss International 1979  
Miss Philippines Melanie Laurel Marquez

One of the many specials aired on IBC-13 during their status as a top-rating network was the **delayed coverage of the Miss International 1979**, starring Ms. Philippines Melanie Marquez, which was aired on December 7 (originally held in Tokyo on November 12 of that year). Imagine how TV specials from abroad were so late to come into our small screens

T.O.D.A.S. didn't have Tito and Vic Sotto in the roster. It only had Joey De Leon among the trio. But JDL had Val Sotto, the eldest brother of Tito and Vic, in the lineup, alongside Spanky Rigor.

Looking at the personalities in the ad, the other stars included: Bert De Leon, Richie D' Horsey, Redford White, Frieda Fonda, Maribeth Bichara and another female who I can't recognize. But if I recall correctly, the original cast had the sexy Malu Dela Fuente (she's not the one in between Spanky and Maribeth).

Val isn't in the picture.

Thanks for the correction, Sir Jay. I thought before that even the Bossing and Tito were also part of the show's roster. Turns that I was wrong... 😊

Meanwhile...

Ito yung time na nagpaparinigan ang EB at MTB on-air. Pag nag-commercial na, lipat muna sa kabilang show para malaman kung ano sasabihin nila then lipat ulit sa kabila hehe. 😊  
Dito ata nag-umpisa ang network war.

As far as I know, the network war on Philippine TV has first erupted in the end of the 20th century, but only worsened during the mid-2000's, at the height of ABS-CBN's traditional *teleseryes* and GMA's *fantaseryes* and *Koreanovelas*. That's the reason why free TV in our country no longer has sense to the critical viewers. In fact, I prefer watching cable TV and news channels more than those *teleseryes*, because the former is more diverse, more informative.

In other topics, **does anyone in this forum still remember DBP Hour**? It was a public affairs show which tackled about the latest updates on DBP's latest offerings, as well as concerns and feedback from DBP customers/clients. I don't know who hosted this show, but anyway, it was sponsored by... of course, the government-owned bank, and was aired between 1982 and '83, every Saturday night on RPN-9 (9:30 p.m. to be exact, according to TV Times magazine issues released during the time).
